Statutory Eligibility for Homeowners & Requirements for Affordability

Homeowner Eligibility

- “eligible household” means a household earning between 60-140% of median household income for the county in which the person resides or the state, whichever is less.
 - *Section 3(4)*

Affordability

- “attainable workforce housing” is defined as “housing of a cost than an eligible household would spend no more than 30% of gross monthly income for a mortgage payment, property taxes, and insurance.”
 - *Section 3(1)*

Optional Statutory Considerations

- Counties participating in a CRO are encouraged to enact local ordinances that provide for an expedited development and construction review process with priority for attainable workforce housing.
 - *Section 6(6)*
- CRO local match funding options include but are not limited to use of an employer pool, local government investments, and use of volume cap bonds
 - *Section 7(3)(b)*
 - CROs must coordinate local employer participation in a statewide employer pool.
 - *Section 7(9)*
- A portion of the maximum 5% in the CRO revolving account used for administration may be used to create a foreclosure mitigation set-aside fund.
 - *Section 7(4)(a)(ii)*
- An incorporated city, consolidated city-county, or county may contribute funds to its regional CRO revolving account as an optional local government investment.
 - *Section 7(6)*
- A CRO is encouraged to develop policies to support homeowners buying out the deed restriction so the revolving account may be utilized to assist in the purchase of additional homes for other eligible buyers.
 - *Section 7(10)*
- Where state trust lands are near cities, towns or communities:
 - Dept. of Natural Resources and Conservation shall evaluate whether these lands could be made available for use as land for potential development of attainable workforce housing; and
 - Each CRO shall consider use of state lands to support critical public employee services, including attainable workforce housing
 - *Section 9*

Targeted Communities' CRO Statutory Requirements

- If an established CRO contains communities in a county that has a population of 15,000 or less and are located within a 30-mile radius of a state-owned facility that houses at least 100 state inmates or behavioral health patients is eligible to apply for additional funds appropriated for the Community Reinvestment Plan. All other statutory CRO requirements must be met.
 - *Section 8*
- There is an additional \$6 Million appropriated for Targeted Communities to apply for to use to assist in the purchase of homes for state employees in Targeted Communities.
 - *Sections 8(1) & 20*
- Targeted Communities may apply to use the \$15 Million appropriated in *Section 15* of the bill as local matching funds required in *Section 8(5) and 7(3)(b)* and also as part of the HOMES act for infrastructure loans.
- Attainable housing purchased with CRO assistance in a Targeted Community must have a deed restriction limiting the rate of appreciation to the homeowner of a maximum of 1% per year and ensuring that the resident of the housing is employed at a state-owned facility that, on average, houses at least 100 state inmates or behavioral health patients and the state-owned facility is located in a county that has a population that does not exceed 15,000 inhabitants.
 - *Section 8(8)*

Role of GOED

- Review and approve CRO applications
- Distribute \$50 Million to CROs based on county GDPs of counties within each CRO
- Create reporting system for CROs to complete either biennially or annually to report to the Legislature
