

PROPERTY TAX INFORMATION

PROPERTY
ASSESSMENT
DIVISION
MONTANA

For Your Information - Your property assessment informal review or appeal is still pending and may not be finalized by the time your property taxes are due.

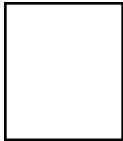

We want to make sure you are aware of **Montana law, 15-1-402, MCA**, which requires property owners to file a written protest with their county treasurer and pay the disputed property taxes under protest by the tax payment due date.

The **written protest is required** in order for you to be eligible to receive any refund and accrued interest if a valuation adjustment is made to your property assessment.

Please contact your county treasurer's office for information on how to file a written protest of taxes.
