

# SJ 4: PROVIDE FOR INTERIM STUDY OF PERS AND TRS

STATE ADMINISTRATION AND VETERANS' AFFAIRS INTERIM COMMITTEE  
PREPARED BY REBECCA C. POWER - UPDATED JANUARY 2024

## BACKGROUND

---

At the May 2023 Legislative Council meeting, the Council assigned [SJ 4: Provide for Interim Study of PERS and TRS](#) to the State Administration and Veterans' Affairs (SAVA) Interim Committee. The study resolution was requested by the 2021-2022 SAVA Interim Committee and is intended to build upon the findings of the HJ 8 (2021) study, with a specific focus on the Public Employee Retirement System Defined Benefit Plan (PERS-DB) and the Teachers' Retirement System.

During the September 2023 SAVA meeting, committee members voted to allocate 0.40 FTE to SJ 4 in the committee workplan. This includes multiple presentations from experts within the state and from around the country, staff papers and other materials on topics requested by the committee, and possible committee legislation to introduce during the 2025 Legislative Session.

SJ 4 calls for the SAVA Interim Committee to "form a joint committee with the Legislative Finance Committee (LFC) to conduct the study with all members having full voting power". The chairs of SAVA and LFC met and agreed that all members of the SAVA Interim Committee would participate in the study and that four members of the LFC would be appointed to participate in the study. Senator Tom McGillvray, Representative Jim Hamilton, Representative Eric Matthews, and Representative Terry Moore were appointed during the September 2023 LFC meeting as the LFC representatives.

## TASKS LISTED IN SJ 4 STUDY RESOLUTION

---

The following tasks are included in the SJ 4 study resolution:

- Form a joint committee with the Legislative Finance Committee to conduct the study with all members having full voting power
- Study the financial stability of the Public Employees' Retirement System defined benefit plan and the Teachers' Retirement System
- Study the history of contributions from the general fund and other sources to the Public Employees' Retirement System defined benefit plan and the Teachers' Retirement System
- Investigate alternate approaches to funding and amortization policies and the actuarial impact of changes to the current plan policies
- Examine legislative education, oversight, and goals concerning the Public Employees' Retirement System defined benefit plan and the Teachers' Retirement System, including decision benchmarks or indicators for future action
- Develop recommendations for a long-term strategic approach to funding the Public Employees' Retirement System defined benefit plan and the Teachers' Retirement System that will ensure the financial strength of the systems while also recognizing the responsibility placed on the taxpayers and citizens of this state

- Conduct the study and develop the recommendations in consultation with all interested stakeholders, including but not limited to representatives of:
  - the state's taxpayers;
  - active and retired members of the retirement systems;
  - employers, including local governments, school districts, and state agencies;
  - key agencies, including the Governor's Office, the retirement boards, and the Board of Investments; and
  - other interested parties as considered appropriate.

## PROPOSED TIMELINE FOR STUDY

The proposed timeline includes placeholders for committee decided topics, SAVA's statutory duties related to pensions, and the annual actuarial valuation presentations.
