All counties with a certified PSAP receives 1.07% base rate All counties that have a tribal PSAP within their county have the population rate of the tribal PSAP debited from their base rate All tribal PSAPs receive the population percentage from the counties they are located in All consolidated PSAPs receive the total of the base rate for counties they serve After funding the small PSAPs that receive 1.07%, there was 50.71% left over. The remaining counties/PSAPs received the population percentage that was left over.

The city of Laurel and West Yellowstone received their population percentage of Yellowstone County and Gallatin County.
