

MEMORIAL HIGHWAYS IN MONTANA

As of 2023, the Legislature has designated approximately 40 memorial highways throughout Montana, which are listed in <u>Title 60</u>, <u>Chapter 1</u>, <u>Part 2</u>. Most of these highways commemorate individuals or events that fall into the following categories: public figures/servants, law enforcement officers killed in the line of duty, veterans, and historical events or sites. Current statute does not contain requirements or criteria for designating memorial highways. Three additional highways were established in 2023:

- <u>SB 111</u> Established the Jacob Allmendinger memorial highway, a law enforcement officer killed in the line of duty.
- SB 120 Established the Chief Earl Old Person memorial highway, a Montana public figure/servant.
- SB 309 Establishes the Ensign James A. Shelton memorial highway, a WWII veteran killed in active duty.

The primary expense associated with memorial highways is signage, which is typically erected at the beginning and end of a designated highway. The current cost is approximately \$4,500 per sign.
