Re: Invitation to visit Marsh Lab in Bozeman

Dear Chair Lozar:

I recently sent you a letter on behalf of the State Laboratory Advisory Committee requesting to be on the Board of Regents' November 21-22, 2019 agenda to discuss building co-located state laboratories on the land adjacent to the existing MSU Marsh Lab in Bozeman. On October 24 you kindly responded, indicating this matter would be considered by the Board at the November meeting. At this meeting, I will discuss in more detail the Committee's vision.

Since the Board will be gathering in Bozeman, the Committee thought it would be a perfect opportunity for the Board members to visit the Marsh Lab site and understand first-hand how the lab is currently being used and what the Committee has in mind for the future.

I would be happy to follow-up with you and your staff to find a time that may work with the Board's schedule. In the meantime, if you have any questions, please don't hesitate to contact me at (406) 600-4228 or by email at winwithwhite@gmail.com.

Thank you for your consideration. On behalf of the Committee, we look forward to your visit.

Sincerely,

A handwritten signature in black ink, appearing to read "Kerry White".

Representative Kerry White
Chair, State Laboratory Advisory Committee
