House rules change

Your Comment:
The rules changes proposed will seriously interfere with the democratic process, giving too much power to the committee chairs. The legislative process is not about efficiency, it is about the sometimes time consuming process to allow all voices to be heard which is an essential part of our democracy. It is the purpose for which all legislators have been elected.

I don't believe anyone sitting at home should get per diem. They certainly aren't paying the high rent of Helena during session in the warmth of their own home. They should only be paid the number of hours showing up on zoom.

Your Comment:
THIS IS NOT DEMOCRACY! This is a power grab, and means that only certain voices will be heard in the MT legislature.
Not ALL of Montana will be heard!
