Dear Commissioner Joe Lamson,

My name is Jodi Baker and I have lived in Montana most of my life, currently residing outside of Stevensville.

Map 11

I picked map 11 because it doesn't favor one political party over another, which would make the district competitive.

Thank you for your time and consideration.

Dear Commissioner Joe Lamson,

My name is Lee Bradley. I am a native Montanan. There don't seem to be many of us anymore. I grew up in Laurel but now live in Missoula.

I support map 11 as it seems to be the least political.

Map 11 does not favor either party. It is the only one that makes sense in these divisive times.

Thank you for your time and hard work.

Dear Commissioner Joe Lamson,

I support map 11

It would provide a fair representation for both parties in the state. I don't believe Democrats should be excluded from representation.

Thank you for considering equal representation in the congressional districts. We have a chance for balance with two representatives instead of just one. It is very important to me that the maps should not be political.

To:

Patriots,

We achieved a great victory on Tuesday when the Districting and Apportionment Committee finalized their selection of Map CP-12.

We thank all of you who took action and submitted comments, attended in person in October and even attended the meeting remotely.

All our hard work has paid off with a congressional map that, although is not the “best”, it is about as good as we could hope for in the charged political environment we find ourselves in.

Why is this important?

CP-12 keeps the western tribes in the Western Congressional District

CP-12 keeps Flathead County in the Western Congressional District

CP-12 keeps Flathead County intact and whole

If you feel so inclined you may send a note of thanks to the three commissioners that voted FOR Map CP-12 here:

Maylinn Smith: [Maylinn.Smith@mtleg.gov](mailto:Maylinn.Smith@mtleg.gov)

Jeff Essmann: [Jeff.Essmann@mtleg.gov](mailto:Jeff.Essmann@mtleg.gov)

Dan Stusek: [Maylinn.Smith@mtleg.gov](mailto:Maylinn.Smith@mtleg.gov)

[Maylinn.Smith@mtleg.gov](mailto:Maylinn.Smith@mtleg.gov); [Jeff.Essmann@mtleg.gov](mailto:Jeff.Essmann@mtleg.gov); [Dan.Stusek@mtleg.gov](mailto:Dan.Stusek@mtleg.gov)

Bask in this victory for now but know that we have many, many battles ahead in this war on our Constitution and our Constitutional Republic.

Dear Commissioner Joe Lamson,

My name is Ken Lyons and I am a resident of Big Sky, Montana where I have lived for 13 years.

I support Map 11 for the redistricting.

It makes no sense to divide Gallatin county and the town of Big Sky into two different districts. Districts should be set up so that they do not favor any political party.

Thank you for taking time to consider my feelings on this issue.

Dear Commissioner Joe Lamson,

Hello, my name is Adam Wagner, I live in Big Timber, MT. I've lived here for 19 years, in Montana for over 30 years.

I think that Map #11 should be chosen.

This map is fair and does not unfairly favor any party. We in Montana should insure that every vote matters.

Thank you for taking the time to consider my views and for insuring that Montana has fair elections.
