Please finalize approval for the Tentative Congressional Plan map, without any further changes. The map is acceptable, and it meets the Criteria and goals.

Message:

We are anxiously awaiting a decision regarding the redistricting and as a community leader I would like to recommend CP12 be chosen as the map we use. it is imperative that we have a fair and honest map that doesn't gerrymander to either side but equally spreads Montana's values among the districts.

As a community leader with support from my entire community I urge the commission to adopt CP12 as the official district map.
