September 26, 2018

TO: Representative Shaw
FROM: Susan Byorth Fox
Executive Director
SUBJECT: Bills Ready for Delivery

Your bill draft request, LC2192,

An act including certain vehicles in the definition of 5 "school bus"; adding a school transportation reimbursement for certain vehicles; 6 amending sections 20-10-101 and 20-10-141, mca; and providing an effective date.

is ready for delivery.

Please stop by the Legislative Services Division office, Room 110, at your earliest convenience to pick up your bill draft. If it is inconvenient for you to pick up the bill draft, please let us know as soon as possible, and we will deliver it to you at your desk.

Introduction deadline. After you receive your bill draft, you have 2 legislative days in which to introduce it unless you request changes in accordance with the deadlines described below. If you fail to meet any of the applicable deadlines, your bill cannot be introduced.

Deadlines for making changes. If you need to make changes to this bill draft and you have not already requested a "redo", you may make changes and still maintain this bill draft's original request priority. However, you must notify the drafter of the need for changes within 1 legislative day after you have received this bill draft. Within 2 legislative days after notifying the drafter that changes are needed, you must provide the drafter with the information required to make the changes. Any change to the bill draft requested after these deadlines will be treated as a new bill draft request, which will be moved to the bottom of the drafter's bill drafting priority list.
