To determine service week please be sure to check local school calendars for conflicts (e.g., meets, tournaments, finals, etc.) Page Designees will be notified at least two weeks in advance of service dates, if possible. Once a Page is scheduled, we cannot guarantee changes.

Due to the fluctuating circumstances of COVID-19, unexpected changes to weekly Page assignments are a possibility. We follow and will continue to implement COVID guidelines under the discretion of House Leadership and trust those participating to practice personal safety measures while working in the Capitol.
