This is a draft parameter list for subcommittees. The subcommittees could be at least partially online. Given that we need to identify our existing resources and processes on the legislative website and what a physical room provides, figure out what constraints are out there, and develop a an idea of where we'd like to be with running an online subcommittee. Given these pieces we can then figure out how we can get to where we want to be given our current structure and constraints.

Ability to speak with chair	Existing	Constraints	Where we'd like to be
Web During Interim The need for materials to be available to the public Visual extension of BA online (Jon) Committee Pages Organized posting material process Organized posting material process By date Time constraint of 90 day session with other statutorily denoted timing Ability to add written public comment (maybe by form?) Agenda Achive Process Posting flexibility Ability to avaigate to subcommittee pages Secretaries post materials/minutes Hermaterials Hermaterials Device sheet publishing What a physical Room Provides: BA Binders/Profiles Hermaterials Hermaterials Hermaterials Hyte to speak with chair Kertery Ability to speak with chair Hermaterials Hermaterials Ability to speak with chair Formality/Process Hermaterials Hermaterials Hermaterials		3 day notice for executive action	Home Page for all sub committees
