

PUBLIC COMMENTS FOR INTERIM BUDGET COMMITTEE E - EDUCATION

Date: 17th December 2021 12:20

First Name:

Janette

Last Name:

Ellis, LCSW

Email Address:

thrivecounselingservicesmt@gmail.com

Subject:

CSCT

Comment:

I am an Adoptive/Foster Parent and CSCT Therapist: OPI needs to reduce the administrative burden on schools so that they can sign contracts with CSCT providers. OPI should not become a Mental Health Center and should focus on providing education to Montana kids. Mental Health should be available to all Montana Children and their families! Please support Mental Health Services in our schools! Thank you!
