

AMERICAN RESCUE PLAN ACT

Water & Sewer Grants

Interim Budget Committee – Section C

December 13, 2023

Funds awarded to entities may be disbursed on a reimbursement basis and may not be expended until the reimbursement process is complete. Following completion of the reimbursement process, the "Paid" column will reflect an accurate amount of funds spent.

[ARPA Program Funding Summary](#)

Total ARPA Funds Awarded Statewide

\$598M

Total ARPA Funds Awarded Statewide (Filtered) †

\$551.5M

Total ARPA Funds Paid Out/Reimbursed Statewide

\$346.6M

Total ARPA Funds Paid Out/Reimbursed Statewide (Filtered) †

\$329M

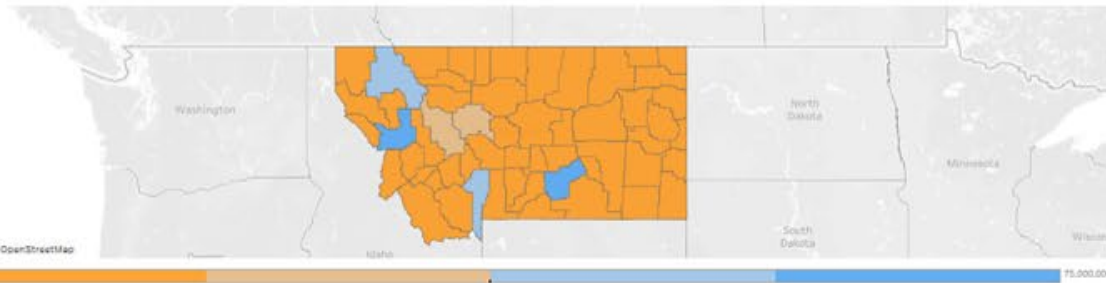

† The State of Montana ARPA Total includes all ARPA funding to State agencies. Differences between the allocated and filtered totals will arise due to funding that was directed by federal agencies to be used administratively by state agencies.
