M.O.A.T Application Flow Chart

Start of Application (Trust Grant Portal)

The Trust will facilitate all applications from start to completion. Grant Applications can be submitted by City, County, & Local Gov't as well as Non-Profit Organizations/NGO's.

Regional Abatement Review (Governing Body)

All completed applications will be sent for review to the appropriate abatement region(s)

Regional Abatement Submission to Advisory Committee

After the abatement regions governing body reviews & follows their selection process. Each Abatement region will submit the grant requests of their choice for approval to the Trust Advisory Committee.

Trust Advisory Committee Review & Approval

The Trust Advisory Committee will review all submitted grant request for approval from each Abatement Region.

Resubmission for Clarification or Approved

Approved Grants will move on to be funded by the Trust. Grants with questions will be sent back for clarification to the abatement region for review.

$$ Grant Funded & Approved

Funds will be sent directly to the approved Grant Program via the Trust.
