Subject: RE: EIBC Appearance: 13 March 2024

Dear Chair Bedey:

Superintendent Arntzen has asked me to respond to your February 17, 2024, invitation for her to appear at the March 13 meeting of the Education Interim Budget Committee. I will be available at the meeting, on behalf of Superintendent Arntzen, to answer legal questions committee members may have about the PowerSchool data modernization project, including data collection questions. The Montana Office of Public Instruction and PowerSchool team members are seeing tremendous progress with that project and look forward to a successful rollout during the upcoming school year.

Regards,
Rob Stutz
