

Fort Peck Community College HiSET Report – June 2024

1. Best practices – what is working and what is not working in building a HiSET program on your campus? What have been lesson learned?

-What is working

- Currently offer tutoring on campus Monday-Thursday 930-230
- Built partnerships with various community programs that work with community members who need services such as courts, social services, 477 adult programs, and tribal education department.
- Offer study material to those who wish to study from home or unable to come to office
- Offer practice tests
- Offer financial assistance to pay for testing for those who are unable to

-What isn't working

- Limited fund available so we currently can only offer one tutor which is located in the Poplar office when prior we had a tutor located on both Poplar and Wolf Point campus.

2. How many students are matriculating (after passing the HiSET) to college? Are you collecting this data?

- Currently we've seen about 3 students take some form of college classes currently after obtaining their HiSet, most wish to obtain theirs to work.

3. Are students reporting why they are pursuing the HiSET? Is it workforce access or further education.

- Obtaining a job is the main reason that they are pursuing their HiSet.

Do you consider your HiSET efforts to be successful? Are you doing what you anticipated for your community?	-Yes, we are very successful because we have 25 students who have completed anywhere from 1-4 areas of testing. -We have served 88 students across our reservation
Would you support continuing the funding for the project. Why?	Yes, without this funding we could not provide the tutoring needed for these students
Describe how you have used the funds to date. Provide a budget to date.	\$4,178.09 is remaining of the budget. -funding is used completely for paying a tutor part time.
<p>How many students have you served to date through HiSET prep or the exam?</p> <ul style="list-style-type: none"> • Number of students who have participated in HiSET Preparatory Courses. • Number of students to take the HiSET Exam from August 2023-June 2024. 	<p>*Currently we have served 88 students this year * Currently we have had 88 students participate in some form of prep either in office or by taking practice tests and material home and returning to the tutor. *Currently we have had 25 students take either an area of the testing or they have attempted to take the entire test this year. We have many</p>

	students who have only completed 1-2 areas of the test.
How many students have taken the test from the award date in August 2023-June 1, 2024, how many have passed?	*25 students have attempted to test to date. * Currently 5 students have passed all testing areas. There are 20 students who have anywhere from 1-4 areas of testing completed.
Anticipated number of students you plan to serve between June 1, 2024 and June 30, 2025.	60-80
Please review the goals you outlined in your HiSET proposal. Discuss your progress in meeting these goals.	We are currently meeting all our goals.
If you are not meeting these goals, how do plan to adjust?	Currently we have issues with our Chief examiner and we are working to get this resolved. Plans are to get a new chief examiner.
