**NEW SECTION. Section 6. Planning and design.** The department of administration may proceed with the planning and design of capital projects in either or both [sections 2 and 3] prior to the receipt of other funding sources. The department may use interentity loans in accordance with 17-2-107 to pay planning and design costs incurred before the receipt of other funding sources.

**NEW SECTION. Section 7. Capital projects -- contingent funds.** (1) If a capital project is financed, in whole or in part, with appropriations contingent upon the receipt of other funding sources, the department of administration may not let the project for bid until a financial plan and agreement with the agency has been approved by the director of the department of administration. A financial plan and agreement may not be approved by the director if:

- (a) the level of funding and authorization provided under the financial plan and agreement deviates substantially from the funding level provided in either or both [sections 2 and 3] for that project; or
  - (b) the scope of the project is substantially altered or revised from the concept and intent for that project as presented to the 68th legislature.
- (2) This section does not limit or restrict 17-7-211.

**NEW SECTION. Section 8. Review by department of environmental quality.** The department of environmental quality shall review capital projects authorized in either or both [sections 2 and 3] for potential inclusion in the state building energy conservation program (SBECP) under Title 90, chapter 4, part 6. When a review shows that a capital project will result in energy or utility savings and improvements, that project must be submitted to the energy conservation program for funding consideration by the SBECP. Funding provided under the energy conservation program guidelines must be used to offset or add to the authorized funding for the project, and the amount will be dependent on the annual utility savings resulting from the capital project. Agencies must be notified of potential funding after the review and are obligated to utilize the SBECP funding, if available.

NEW SECTION. Section 9. Legislative consent. The appropriations authorized in [sections 1 through 8] constitute legislative consent for the capital projects contained in [sections 1 through 8] within the meaning of 18-2-102.

NEW SECTION. Section 10. Increase in state funding for program expansion or operations and maintenance. If an immediate or future increase in state funding for program expansion or operations and maintenance is required for a new facility in [section 3] but the increase is not appropriated by the 68th legislature, the new facility in [section 3] is not appropriated or authorized as provided in 17-7-210.

NEW SECTION. Section 11. Transfer of funds. By August 15, 2023, the department of administration shall make the following transfers:

- (1) \$41,420,091 from the capital developments long-range building program account established in 17-7-209 to the major repair long-range building program account established in 17-7-221.
- (2) \$113,000,000 from the general fund to the capital developments long-range building program account established in 17-7-209.

**Section 12.** Section 17-7-201, MCA, is amended to read:

**"17-7-201. Definitions.** In this part, the following definitions apply:

- (1) (a) "Building" includes a:
  - (i) building, facility, or structure constructed or purchased wholly or in part with state money;
  - (ii) building, facility, or structure at a state institution;
  - (iii) building, facility, or structure owned or to be owned by a state agency, including the department of transportation.
- (b) The term does not include a:
  - (i) building, facility, or structure owned or to be owned by a county, city, town, school district, or special improvement district;
  - (ii) facility or structure used as a component part of a highway or water conservation project.

3 **NEW SECTION. Section 15. Emergency shelter facility infrastructure account -- use.** (1) There is  
4 within the state special revenue fund provided for in 17-2-102 an account called the emergency shelter facility  
5 infrastructure account for grants to provide grant funding to nonprofit corporations that provide emergency  
6 shelter for the homeless and for administrative costs related to administering the grants. The department of  
7 commerce shall administer the account.

8 (2) Up to 3% of the funds appropriated in [Section 21] may be allocated for the department's  
9 administrative costs.

10

11 **NEW SECTION. Section 16. Emergency shelter facility infrastructure grants authorization.** (1)  
12 The department of commerce is authorized to make up to \$5 million in grants to nonprofit corporations as  
13 defined in [section 14(2)] for emergency shelter, as defined in [section 14(1)], property acquisition, construction,  
14 shelter space acquisition, or general capital improvement projects. The grants authorized in this section are  
15 subject to the conditions set forth in [section 18].

16 (2) The department of commerce shall receive proposals from nonprofit corporations for  
17 emergency shelter facility infrastructure projects.

18 (3) Funding for projects may be provided only as long as there are sufficient funds available from  
19 the amount that was deposited or transferred into the emergency shelter facility infrastructure account for  
20 grants established in [section 15(1)]. Funding for these projects must be made available in the order that the  
21 grant recipients satisfy the conditions described in [section 18].

22

23 **NEW SECTION. Section 17. Eligibility -- submission deadline -- priority -- rulemaking authority.**  
24 (1) A nonprofit corporation as defined in [section 14(2)] may apply to the department of commerce for  
25 emergency shelter facility infrastructure grants under [section 16].

26 (2) Nonprofit corporations shall submit grant applications to the department in order to be eligible  
27 for funding under [section 16].

28 (3) The department is authorized to adopt rules or guidelines necessary to implement [section 14]

1 through [section 20].

2

3 **NEW SECTION. Section 18. Condition of grants -- disbursement of funds.** (1) The disbursement  
4 of grant funds for the projects chosen by the department of commerce pursuant to [section 16] is subject to  
5 completion of the following conditions:

6 (a) The grant recipient shall document that other funds required for completion of the project are  
7 firmly committed.

8 (b) The grant recipient shall execute a grant agreement with the department of commerce that  
9 includes a project management plan and reporting requirements to track the outcomes of allocated grants.

10 (c) The grant recipient shall satisfy other specific requirements considered necessary by the  
11 department of commerce to accomplish the purpose of the project as evidenced by the application to the  
12 department.

13 (2) Projects must adhere to the design standards required by applicable regulatory agencies.  
14 Recipients of program funds for projects that are not subject to any design standards must comply with  
15 generally accepted industry standards.

16 (3) If actual project expenses are lower than the projected expense of the project, the department  
17 must reduce the amount of grant funds to be provided to grant recipients.

18

19 **NEW SECTION. Section 19. Maximum state funding available -- per project – per county.** (1)

20 The maximum amount of state funding allocated to entities within any individual county under [sections 14  
21 through 18] may not exceed \$750,000.

22 (2) If total applications within a specific jurisdiction exceed the maximum amount allowed, the  
23 department will include input from local elected officials in their ranking criteria for those applications.

24

25 **NEW SECTION. Section 20. Transfer of funds.** By July 1, 2023, the state treasurer shall transfer \$5  
26 million from the general funds to the emergency shelter facility infrastructure account established in [section  
27 15].

28
