7           (3)     Funding for the projects in subsection (2) will be provided in the order of priority as long as  
8 there are sufficient funds available from the amount that was deposited into the historic preservation grant  
9 program account during the biennium beginning July 1, 2023. The funds in this subsection must be awarded for  
10 the projects and in amounts not to exceed the amounts set out in subsection (2) subject to the conditions set  
11 forth in [section 3]. However, any of the projects listed in subsection (2) that have not completed the conditions

19           (5)     The legislature, pursuant to 22-3-1305, authorizes the grants for the projects listed in  
20 subsection (2).

21           (6)     Grant recipients must complete all of the conditions described in [section 3(1)] by September  
22 30, 2026, or any obligation to the grant recipient will cease.

23  
24           NEW SECTION. **Section 2. Approval of grants -- completion of biennial appropriation.** (1) The

26           (2)     The authorization of these grants completes a biennial appropriation from the historic  
27 preservation grant program account established in 22-3-1307.
