Dear Cultural and Aesthetic Grant Committee Members,

Thank you for considering a grant to the Billings Cultural Partners to support the work of the Writer's Voice!

In 2022 the Writer's Voice presented several successful readings and author visits, including Doug Peacock, Maxim Loskutoff, Mark Sullivan, Rob Chaney, Thomas Minckler and Taylor Brorby. Your support helped pay for transportation, hotel rooms, and modest honorariums

This coming May, the Writer's Voice will again co-sponsor the Kid's Lit Book Festival in Billings, featuring authors from around the state that write especially for kids and young adults. We will work with This House of Books, Humanities Montana and the Billings Parnly Library to make this happen.

The Writer's Voice has been providing literary programming in Montana for 32 years and look forward to many more. Thank you for your continued support!
