		application, scoring, prioritizing system	application, scoring, prioritizing system	application, scoring, prioritizing system
		Matching requirements/recommendations	Matching requirements/recommendations	Matching requirements/recommendations
\$420 million	\$400 million	\$500 million	\$250 million	\$210 million
	+ Medicaid match interactions			

* Reasonable expectations for flexibility allowing executive to make changes based on updated federal guidance, with time for LFC to review, take public comment, and provide feedback before making the changes

Legislative Audit will need additional funding for audit of expanded agency financials.
