

Recommendations to House Bill No. 14
Requested by: Rep. Mike Hopkins
1st Reading Copy

For the House Joint Appropriations Subcommittee on Long-Range Planning
Recommendation #14.002
Prepared by Catherine Duncan
2/11/2021

1. Page 1, line 24
Following: Bonds
Insert: State Special
2. Page 2, line 2
Strike: 13,100,000 [Authority Only]
Insert: 13,100,000 [State Special]

END

Explanation: This is an amendment at the request of the executive. The amendment changes the funding type for the MT Veterinarian Diagnostic & Ag Analytical Labs from \$13.1 million in authority funds to \$13.1 million in state special funds. This amendment does not change the overall cost of the bill but aligns the funding type with the DOL original request for the use of state resources.
