2. Page 1, line 25
Following: "approved in"
Strike: the remainder of line 25
3. Page 1, line 28
Following: (4)
Insert: "as conditions set forth in [section 3] are satisfied and"

END

Explanation:

This amendment reduces the appropriation for HB 7 due to the over-appropriation of the natural resources' projects account - to balance appropriations with anticipated revenues. The appropriation could support the first 6 projects on the RDGP list.

The second amendment removes the language that requires that projects are funded in priority order and allows all projects listed in subsection 4 to obtain funding as they meet the grant conditions.
