The course or courses of instruction and the guidelines must stress understanding and respect for racial and cultural differences and development of effective, noncombative methods of carrying out law enforcement duties in a racially and culturally diverse environment.

(7) If an investigation of a complaint of racial profiling reveals that a peace officer was in direct violation of the law enforcement agency's written policy prohibiting racial profiling, the law enforcement agency shall take appropriate action against the peace officer consistent with applicable laws, rules, ordinances, or policies.

(8) For the purposes of this section, the following definitions apply:

“15-1-121. Entitlement share payment — purpose — appropriation. (1) As described in 15-1-120(3), each local government is entitled to an annual amount that is the replacement for revenue received by local governments for diminishment of property tax base and various earmarked fees and other revenue that, pursuant to Chapter 574, Laws of 2001, amended by section 4, Chapter 13, Special Laws of August 2002, and later enactments, were consolidated to provide aggregation of certain reimbursements, fees, tax collections, and other revenue in the state treasury with each local government’s share. The reimbursement under this section is provided by direct payment from the state treasury rather than the ad hoc system that offset certain state payments with local government collections due the state and reimbursements made by percentage splits, with a local government remitting a portion of collections to the state, retaining a portion, and in some cases sending a portion to other local governments.
(2) The sources of dedicated revenue that were relinquished by local governments in exchange for an entitlement share of the state general fund were:

(a) personal property tax reimbursements pursuant to sections 167(1) through (5) and 169(6), Chapter 584, Laws of 1999;
(b) vehicle, boat, and aircraft taxes and fees pursuant to:

   (v) 61-3-321;
   (vi) Title 61, chapter 3, part 5, except for 61-3-509(3), as that subsection read prior to the amendment of 61-3-509 in 2001;
   (vii) Title 61, chapter 3, part 7;
   (viii) 5% of the fees collected under 61-10-122;
   (ix) 61-10-130;
   (x) 61-10-148; and
   (xi) 67-3-205;
(c) gaming revenue pursuant to Title 23, chapter 5, part 6, except for the permit fee in 23-5-612(2)(a);
(d) district court fees pursuant to:
   (i) 25-1-201, except those fees in 25-1-201(1)(d), (1)(g), and (1)(j);
   (ii) 25-1-202;
   (iii) 25-9-506; and
   (iv) 27-9-103;
(e) certificate of title fees for manufactured homes pursuant to 15-1-116;
(f) financial institution taxes collected pursuant to the former provisions of Title 15, chapter 31, part 7;
(g) all beer, liquor, and wine taxes pursuant to:
   (i) 16-1-404;
   (ii) 16-1-406; and
   (iii) 16-1-411;
(h) late filing fees pursuant to 61-3-220;
(i) title and registration fees pursuant to 61-3-203;
(j) veterans' cemetery license plate fees pursuant to 61-3-459;

(n) state aeronautics fees pursuant to 67-3-101; and
(o) department of natural resources and conservation payments in lieu of taxes pursuant to Title 77, chapter 1, part 5.

(3) (a) Except as provided in subsection (3)(b), the total amount received by each local government in fiscal year 2010 as an entitlement share payment under this section is the base component for the fiscal year 2011 distribution, and in each subsequent year the prior year entitlement share payment, including any reimbursement payments received pursuant to subsection (7), is
each local government’s base component. The sum of all local governments’ base components is the fiscal year entitlement share pool.

(b) The total amount received by each local government in fiscal year 2011 as an entitlement share payment under this section is the base component for fiscal year 2012 and 2013 distributions, and in each subsequent year the prior year entitlement share payment, including any reimbursement payments received pursuant to subsection (7), is each local government’s base component. The sum of all local governments’ base components is the fiscal year entitlement share pool.

(4) (a) With the exception of fiscal years 2012 and 2013, the base entitlement share pool must be increased annually by an entitlement share growth rate as provided for in this subsection (4). The amount determined through the application of annual growth rates is the entitlement share pool for each fiscal year, with the exception of fiscal years 2012 and 2013.

(b) By October 1 of each year, the department shall calculate the growth rate of the entitlement share pool for the current year in the following manner:

(i) The department shall calculate the entitlement share growth rate based on the ratio of two factors of state revenue sources for the first, second, and third most recently completed fiscal years as recorded on the statewide budgeting and accounting system. The first factor is the sum of the revenue for the first and second previous completed fiscal years received from the sources referred to in subsection (2)(b), (2)(c), and (2)(g) divided by the sum of the revenue for the second and third previous completed fiscal years received from the same sources multiplied by 0.75. The second factor is the sum of the revenue for the first and second previous completed fiscal years received from individual income tax as provided in Title 15, chapter 30, and corporation income tax as provided in Title 15, chapter 31, divided by the sum of the revenue for the second and third previous completed fiscal years received from the same sources multiplied by 0.25.

(ii) Except as provided in subsection (4)(b)(iii), the entitlement share growth rate is the lesser of:

(A) the sum of the first factor plus the second factor; or

(B) 1.03 for counties, 1.0325 for consolidated local governments, and 1.035 for cities and towns.

(iii) In no instance can the entitlement growth factor be less than 1. The entitlement share growth rate is applied to the most recently completed fiscal year entitlement payment to determine the subsequent fiscal year payment.

(5) As used in this section, “local government” means a county, a consolidated local government, an incorporated city, and an incorporated town. A local government does not include a tax increment financing district provided for in subsection (8). The county or consolidated local government is responsible for making an allocation from the county’s or consolidated local government’s share of the entitlement share pool to each special district within the county or consolidated local government in a manner that reasonably reflects each special district’s loss of revenue sources for which reimbursement is provided in this section. The allocation for each special district that existed in 2002 must be based on the relative proportion of the loss of revenue in 2002.

(6) (a) The entitlement share pools calculated in this section, the amounts determined under 15-1-123(2) for local governments, the funding provided for in subsection (8) of this section, and the amounts determined under 15-1-123(4) for tax increment financing districts are statutorily appropriated, as provided in
17-7-502, from the general fund to the department for distribution to local governments. Except for the distribution made under 15-1-123(2)(b), the distributions must be made on a quarterly basis.

(b) (i) The growth amount is the difference between the entitlement share pool in the current fiscal year and the entitlement share pool in the previous fiscal year. The growth factor in the entitlement share must be calculated separately for:

(A) counties;

(B) consolidated local governments; and

(C) incorporated cities and towns.

(ii) In each fiscal year, the growth amount for counties must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each county’s percentage of the prior fiscal year entitlement share pool for all counties; and

(B) 50% of the growth amount must be allocated based upon the percentage that each county’s population bears to the state population not residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iii) In each fiscal year, the growth amount for consolidated local governments must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each consolidated local government’s percentage of the prior fiscal year entitlement share pool for all consolidated local governments; and

(B) 50% of the growth amount must be allocated based upon the percentage that each consolidated local government’s population bears to the state’s total population residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iv) In each fiscal year, the growth amount for incorporated cities and towns must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each incorporated city’s or town’s percentage of the prior fiscal year entitlement share pool for all incorporated cities and towns; and

(B) 50% of the growth amount must be allocated based upon the percentage that each city’s or town’s population bears to the state’s total population residing within incorporated cities and towns as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(v) In each fiscal year, the amount of the entitlement share pool before the growth amount or adjustments made under subsection (7) are applied is to be distributed to each local government in the same manner as the entitlement share pool was distributed in the prior fiscal year.

(7) If the legislature enacts a reimbursement provision that is to be distributed pursuant to this section, the department shall determine the reimbursement amount as provided in the enactment and add the appropriate amount to the entitlement share distribution under this section. The total entitlement share distributions in a fiscal year, including distributions made pursuant to this subsection, equal the local fiscal year entitlement share pool. The ratio of each local government’s distribution from the entitlement share
pool must be recomputed to determine each local government’s ratio to be used in the subsequent year’s distribution determination under subsections (6)(b)(ii)(A), (6)(b)(iii)(A), and (6)(b)(iv)(A).

(8) (a) Except for a tax increment financing district entitled to a reimbursement under 15-1-123(4), if a tax increment financing district was not in existence during the fiscal year ending June 30, 2000, then the tax increment financing district is not entitled to any funding. If a tax increment financing district referred to in subsection (8)(b) terminates, then the funding for the district provided for in subsection (8)(b) terminates.

(b) Except for the reimbursement made under 15-1-123(4)(b), one-half of the payments provided for in this subsection (8)(b) must be made by November 30 and the other half by May 31 of each year. Subject to subsection (8)(a), the entitlement share for tax increment financing districts is as follows:

(9) The estimated fiscal year entitlement share pool and any subsequent entitlement share pool for local governments do not include revenue received from tax increment financing districts, from countywide transportation block grants, or from countywide retirement block grants.

(10) When there has been an underpayment of a local government’s share of the entitlement share pool, the department shall distribute the difference between the underpayment and the correct amount of the entitlement share. When there has been an overpayment of a local government’s entitlement share, the local government shall remit the overpaid amount to the department.

(11) A local government may appeal the department’s estimation of the base component, the entitlement share growth rate, or a local government’s allocation of the entitlement share pool, according to the uniform dispute review procedure in 15-1-211.

(12) A payment required pursuant to this section may not be offset by a debt owed to a state agency by a local government in accordance with Title 17, chapter 4, part 1.

Section 3. Section 50-65-102, MCA, is amended to read:

“50-65-102. Cigarette test method and performance standard — conditions on sale — alternative test method and performance standard. (1) Except as provided in subsection (4)(7), cigarettes may not be sold or offered for sale in this state or sold or offered for sale to persons located in this state unless:

(a) the cigarettes have been tested in accordance with the test method provided in this section;
(b) the cigarettes meet the performance standard specified in this section;
(c) the manufacturer has filed a written certification with the state fire marshal in accordance with 50-65-103; and
(d) the cigarettes have been marked in accordance with 50-65-104.

(2) (a) Testing of cigarettes must be conducted in accordance with the American society for testing and materials standard E2187-04, the standard test method for measuring the ignition strength of cigarettes.
(b) Testing must be conducted on 10 layers of filter paper.
(c) No more than 25% of the cigarettes tested in a test trial in accordance with this section may exhibit full-length burns. Forty replicate tests compose a complete test trial for each cigarette used.
(d) The performance standards required in subsection (2)(c) may be applied only to a complete test trial.
(e) Written certifications must be based upon testing conducted by a laboratory that has been accredited pursuant to standard ISO/IEC 17025 of the international organization for standardization or another comparable accreditation standard required by the state fire marshal.
(f) Laboratories conducting testing in accordance with this section shall implement a quality control and quality assurance program that includes a procedure for determining the repeatability of the testing results. The repeatability value may not be greater than 0.19.
(g) This section does not require additional testing if cigarettes are tested for any other purpose in a manner that is consistent with this chapter.
(h) Testing performed or sponsored by the state fire marshal to determine a cigarette’s compliance with the required performance standard must be conducted in accordance with this section.

(3) Each cigarette listed in a certification submitted pursuant to 50-65-103 that uses lowered permeability bands in the cigarette paper to achieve compliance with the performance standard provided in this section must have at least two nominally identical bands on the paper surrounding the tobacco column. At least one complete band must be located at least 15 millimeters from the lighting end of the cigarette. For cigarettes on which the bands are positioned by design, there must be at least two bands fully located at least 15 millimeters from the lighting end and 10 millimeters from the filter end of the tobacco column or, for nonfiltered cigarettes, 10 millimeters from the labeled end of the tobacco column.

(4) (a) A manufacturer of a cigarette that the state fire marshal determines cannot be tested in accordance with the test method prescribed in subsection (2)(a) shall propose a test method and performance standard for the cigarette to the state fire marshal.
(b) Upon approval of the proposed test method and a determination by the state fire marshal that the performance standard proposed by the manufacturer is equivalent to the performance standard prescribed in subsection (2)(c), the manufacturer may employ that test method and performance standard to certify a cigarette pursuant to 50-65-103.
(c) If the state fire marshal determines that another state has enacted reduced cigarette ignition propensity standards that include a test method and performance standard that are the same as those contained in 50-65-102 and the state fire marshal determines that the officials responsible for implementing those requirements have approved the proposed alternative test method and
performance standard for a particular cigarette proposed by a manufacturer as meeting the fire safety standards of that state’s law or regulation under provisions comparable to this section, the state fire marshal shall authorize the manufacturer to employ the alternative test method and performance standard to certify the cigarette for sale in this state unless the state fire marshal demonstrates a reasonable basis why the alternative test is unacceptable. All other applicable provisions of this section apply to the manufacturer even if the alternative test method and performance standard are authorized.

(5) Each manufacturer shall maintain copies of the reports of all tests conducted on all cigarettes offered for sale for a period of 3 years and shall make copies of these reports available to the state fire marshal and the attorney general upon written request. A manufacturer who fails to make copies of the reports available within 60 days of receipt of a written request is subject to a civil penalty not to exceed $10,000 for each day after the 60th day that the manufacturer does not make the copies available.

(6) The state fire marshal may adopt a subsequent American society for testing and materials standard test method for measuring the ignition strength of cigarettes upon a finding that the subsequent method does not result in a change in the percentage of full-length burns exhibited by any tested cigarette when compared to the percentage of full-length burns that the same cigarette would exhibit when tested in accordance with the standard provided in subsection (2)(a) and the performance standard in subsection (2)(c).

(7) The department of justice shall review the effectiveness of this section and report every 4 years to the legislature the state fire marshal’s findings and, if appropriate, submit recommendations for legislation to improve the effectiveness of this section. The report and legislative recommendations may be submitted no later than January 1 of each 4-year period.

(8) The requirements of subsection (1) do not prohibit a wholesale dealer or retail dealer from selling the wholesale dealer’s or retail dealer’s existing inventory of cigarettes on or after May 1, 2008, if the wholesale dealer or retail dealer can establish that state tax stamps were affixed to the cigarettes prior to May 1, 2008, and if the wholesale dealer or retail dealer establishes that the inventory was purchased prior to May 1, 2008, in comparable quantity to the inventory purchased during the same period of the prior year.

(9) Because this chapter is based on New York law, it is the intent of the legislature that this chapter be implemented in accordance with the implementation and substance of the New York executive law section 156-c, fire safety standards for cigarettes.”

(a) owning, operating, or managing any pipeline or any part of any pipeline within the state for the transportation of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide to or for the public for hire or engaging in the business of transporting crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide by pipelines;

(b) owning, operating, or managing any pipeline or any part of any pipeline for the transportation of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide to or for the public for hire when the pipeline is constructed or maintained upon, along, over, or under any public road or highway;

(c) owning, operating, or managing any pipeline or any part of any pipeline for transportation to or for the public for hire of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide when the pipeline is or may be constructed, operated, or maintained across, upon, along, over, or under the right-of-way of any railroad, corporation, or other common carrier required by law to transport crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide as a common carrier;

(d) owning, operating, or managing or participating in ownership, operation, or management, under lease, contract of purchase, agreement to buy or sell, or other agreement or arrangement of any kind whatsoever, any pipeline
or any part of any pipeline for the transportation from any oil field, coal mine or field, or place of production within this state to any distributing, refining, or marketing center or reshipping point within this state of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide bought from others; or

(e) made a common carrier by or under the terms of contract with or in pursuance of the law of the United States.

(2) For the purposes of this chapter, "plant or facility that produces or captures carbon dioxide" has the meaning provided for in 15-6-158.

(2) (3) The provisions of this chapter do not apply to:

(a) pipelines that are limited in their use to the wells, stations, plants, and refineries of the owner and that are not a part of the pipeline transportation system of any common carrier; or

(b) any property of a common carrier that is not a part of or necessarily incident to its pipeline transportation system.”

Section 2. Section 69-13-102, MCA, is amended to read:

“69-13-102. Scope of chapter — enforcement. (1) It is declared that the operation of pipelines to which this chapter applies for the transportation of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide, in connection with the purchase or purchase and sale of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide, is a business in which the public is interested and is subject to regulation by law. The business of purchasing or of purchasing and selling crude petroleum, coal, or the products of crude petroleum or coal, or carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide, using in connection with that business a pipeline of the class subject to this chapter to transport the crude petroleum, coal, or the products of crude petroleum or coal, or carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide bought or sold, may not be conducted unless the pipeline used in connection with that business is a common carrier within the purview of this chapter and subject to the jurisdiction conferred upon the commission.

(2) It is the duty of the attorney general to enforce this provision by injunction or other adequate remedy.”

Section 3. Section 69-13-201, MCA, is amended to read:

“69-13-201. Establishment of rates and operating rules. (1) The commission may establish and enforce rates of charges and regulations for gathering, transporting, loading, and delivering crude petroleum, coal, or the products of crude petroleum or coal, or carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide by common carrier in this state and for the use of storage facilities necessarily incident to the transportation and may prescribe and enforce rules for the government and control of common carriers in respect to their pipelines and receiving, transferring, and loading facilities. The commission shall exercise the power upon petition by any person showing a substantial interest in the subject.
(2) An order establishing or prescribing rates and rules may not be made except after hearing and at least 10 days' and not more than 30 days' notice to the person, firm, corporation, partnership, joint-stock association, or association owning or controlling and operating the pipeline or pipelines affected.

(3) If a rate is filed by any pipeline and a complaint against the rate or a petition to reduce the rate is filed by any shipper and is sustained, in whole or in part, all shippers who have paid the rates filed by the pipeline have the right to reparation or reimbursement of all excess in transportation charges paid, over and above the proper rate as finally determined, on all shipments made after the date of the filing of the complaint."

Section 4. Section 69-13-301, MCA, is amended to read:

"69-13-301. Records and reports. (1) Common carriers of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide shall make and publish their tariffs under rules that may be prescribed by the commission. The commission shall require the common carriers to make reports and may investigate their books and records kept in connection with the business.

(2) The commission shall require common carrier pipelines to make monthly reports, duly verified under oath, of the total quantities of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide owned by the pipelines, of the quantities held by them in storage for others, and of their unfilled storage capacity. Publicity may not be given by the commission to the reports as to stock of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide on hand of any particular pipeline, but the commission in its discretion may make public the aggregate amounts held by all the pipelines making the reports and of their aggregate storage capacity."

Section 5. Section 69-13-302, MCA, is amended to read:

"69-13-302. Connection and interchange facilities. (1) Each common carrier shall exchange crude petroleum tonnage, coal tonnage, petroleum or coal products tonnage, or carbon dioxide volume with each similar common carrier. The commission may require connections and facilities for the interchange of the tonnage and volume to be made at every locality reached by both pipelines whenever a necessity for the connections and facilities exists, subject to rates and regulations that may be made by the commission. Any common carrier under similar rules must be required to install and maintain facilities for the receipt and delivery at all points on the pipeline of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide of patrons at all points on the pipeline.

(2) A carrier may not be required to receive or transport any crude petroleum, coal, or the products of crude petroleum or coal, or any carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide except as may be marketable under rules prescribed by the commission. The commission shall make rules for the ascertainment of the amount of water and other foreign matter in crude oil, coal, or the products of crude petroleum or coal, or in carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide except as may be marketable under rules prescribed by the commission.
captures carbon dioxide tendered for transportation, for deduction for water and foreign matter, and for the amount of deduction to be made for temperature, leakage, and evaporation.

(3) The particular powers delegated to the commission in this section may not be construed to limit the general powers conferred by this chapter.”

Section 6. Section 69-13-303, MCA, is amended to read:

“69-13-303. Prohibition of discrimination in rates or service. (1) Except as provided in subsection (2), a common carrier in its operations may not discriminate between or against shippers in regard to facilities furnished, service rendered, or rates charged under the same or similar circumstances in the transportation of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide. There may not be any discrimination in the transportation of crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide when any of those products were produced or purchased by the common carrier directly or indirectly. In this connection the pipeline must be considered as a shipper of the crude petroleum, coal, or the products of crude petroleum or coal, or of carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide when any of those products were produced or purchased by the common carrier directly or indirectly and handled through its facilities. A carrier in the operation may not directly or indirectly charge, demand, collect, or receive from any one a greater or lesser compensation for any service rendered than from another for a like and contemporaneous service. Subject to the provisions of this chapter and the rules that may be prescribed by the commission, every common carrier shall receive and transport crude petroleum, coal, or the products of crude petroleum or coal, or carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide delivered to it for transportation and shall receive and transport the any of those products and perform its other duties with respect to the any of those products without discrimination.

(2) The provisions of subsection (1) do not limit the right of the commission to prescribe rates and regulations different from or to some places from other rates or regulations for transportation from or to other places, as it may determine. A carrier is not guilty of discrimination when obeying any order of the commission. When there is offered for transportation more crude petroleum, coal, or the products of crude petroleum or coal, or carbon dioxide produced in the combustion or gasification of fossil fuels from a plant or facility that produces or captures carbon dioxide than can be immediately transported, the products must be equitably apportioned. The commission may make and enforce general or specific regulations in this regard. A common carrier may not at any time be required to receive petroleum or petroleum products for shipments exceeding 3,000 barrels in any 1 day from any person, firm, corporation, or association of persons.”

The department may intervene in or take other action in a federal banking regulatory authority proceeding.”

Notice of the time and place of the sale must be given by certified mail to the stockholders by the board through its cashier or secretary at least 14 days prior to the sale. A sale of stock as provided in this section causes an absolute cancellation of the outstanding certificate or certificates evidencing the stock sold and makes them void in the hands of the stockholder or the stockholder’s assigns or pledgees. A new certificate must be issued by the bank to the purchaser for the number of shares purchased, and a new certificate must be issued to the stockholder of record and delivered to the stockholder or any pledgee or assignee of the stock for the remaining shares, if any. The record of the original certificate sold must be marked canceled on the books of the bank, and that record is prima facie evidence of the regularity of the proceedings for the sale of the stock.

(5) If a bank fails to make good its capital impairment upon demand of the department, as provided in this section, the department may immediately take charge of that bank and proceed to liquidate it as in the case of insolvency.
If the stock does not sell for enough to pay the assessment on it, the board of directors may sue in the name of the corporation to collect the deficiency from the stockholder of record whose stock has been sold for the assessment."

Section 10. Section 32-1-516, MCA, is amended to read:

(1) A bank aggrieved by the action of the department in taking possession of its assets or closing its doors may, within 14 days after possession has been taken, apply to the district court of the county in which its principal place of business is located, or to the judge of that court in chambers, to enjoin further proceedings by the department.

(2) The court or the judge in chambers, after notifying the department to appear at a specified time and place to show cause why further proceedings should not be enjoined and after hearing the allegations and proofs of the parties and determining facts, may on the merits dismiss the application or enjoin the department from further proceeding and direct it to surrender the business and assets of the bank.

(3) The application for injunction may be heard at any time after 5 days' notice from the time of service on the department, in the discretion of the court, or at any time prior to then by the consent of the department.

(4) Application shall be made on the verified complaint of the bank, in the form used in civil actions, and a copy of the complaint shall be served on the department with the order to show cause.

(5) The department shall, at least 2 days before the time set for hearing, file with the court and serve upon counsel for plaintiff an answer to the complaint, also in the form used in civil actions. Any questions raised by motion in other actions may be raised in the answer.

(6) On the issues raised by the complaint and answer, the court or the judge at chambers, at the time fixed for showing cause, shall try the matter on the merits by hearing the allegations and proofs of the parties and shall enter judgment, as in the trial of other civil actions.

(7) If the department makes no appearance in the time allowed, the court shall enter its default and proceed to hear the proofs of the plaintiff as in civil actions under similar circumstances and enter judgment accordingly. The judgment entered either after hearing on the merits or by default is a final judgment.

Section 11. Section 32-1-904, MCA, is amended to read:

“32-1-904. Temporary cease and desist order — grounds for issuance — effective date — injunctive relief. (1) Whenever the director determines that any violation or threatened violation or any unsafe or unsound practice specified in the notice of charges served upon the institution pursuant to 32-1-902(1) or the continuation thereof is likely to cause insolvency or substantial dissipation of assets or earnings of the institution or is likely to otherwise seriously prejudice the interests of its depositors, the director may issue a temporary order requiring the institution to cease and desist from such the violation or practice. Such The order shall must contain a statement of the facts constituting the alleged violation or unsafe or unsound practice. The order is effective upon service of the order upon the institution and unless set aside, limited, or suspended by a court in proceedings authorized by subsection (2) of this section remains effective and enforceable until the completion of the
administrative proceedings pursuant to the notice of charges, until the director dismisses the charges specified in the notice, or until a cease and desist order is issued against the institution after the hearing becomes effective.

(2) Within 10 days after the institution has been served with a temporary cease and desist order, the institution may apply to the district court for an injunction setting aside, limiting, or suspending the enforcement, operation, or effectiveness of the order pending the completion of the administrative proceedings held pursuant to the notice of charges served upon the institution under 32-1-902(1). The court has jurisdiction to issue the injunction.”

Section 12. Section 32-1-907, MCA, is amended to read:

“32-1-907. Suspension or prohibition effective upon service — stay.
(1) With respect to any board member or officer of an institution or any other person to whom notice is sent pursuant to 32-1-905, if the director considers it necessary for the protection of the institution or the interests of its depositors that the board member, officer, or other person be suspended from office or prohibited from further participation in any manner in the conduct of the affairs of the institution, the director may serve upon the board member, officer, or other person a written notice suspending the member, officer, or person from office or prohibiting the member, officer, or person from further participation in any manner in the conduct of the affairs of the institution. The notice must contain a statement of the facts constituting grounds for the order and must fix a time, not later than 14 days from the date of the service of the notice, at which a hearing will be held to afford the board member, officer, or other person the opportunity to respond. The suspension or prohibition is effective upon service of the notice and unless stayed by a court in proceedings authorized by subsection (2) remains in effect until the completion of the administrative proceedings pursuant to the notice served under 32-1-904, until the time that the director dismisses the charges specified in the notice, or until the order of removal or prohibition that is issued against the board member, officer, or other person becomes effective. Copies of the notice must also be served upon the institution of which the person is a director or officer or in the conduct of whose affairs the person has participated.

(2) Within 14 days after the hearing provided for in subsection (1), the board member, officer, or other person may apply to the district court for the county in which the home office of the institution is located for a stay of the suspension or prohibition pending the completion of the administrative proceedings pursuant to the notice served upon the board member, officer, or other person under 32-1-904. The court has jurisdiction to stay the suspension or prohibition.”

Section 13. Section 32-1-908, MCA, is amended to read:

“32-1-908. Felony charges — suspension or prohibition. (1) Whenever any board member or officer of an institution or other person participating in the conduct of the affairs of an institution is charged in any information, indictment, warrant, or complaint authorized by a county, state, or federal authority with the commission of or participation in a felony involving dishonesty or breach of trust, the director by written notice served upon the board member, officer, or other person may suspend that individual from office or prohibit that individual from further participation in any manner in the conduct of the affairs of the institution. Suspension is effective upon service upon the individual. The notice must contain a statement of the facts constituting grounds for the order and
must fix a place and time, not later than 10-14 days from the date of the notice, at
which a hearing will be held to afford the board member, officer, or other person
the opportunity to respond. A copy of the notice must also be served upon the
institution. The suspension or prohibition remains in effect until the
information, indictment, warrant, or complaint is finally disposed of or until
terminated by the director.

(2) Within 10-14 days after the hearing provided for in subsection (1), the
board member, officer, or other person may apply to the district court for the
county in which the home office of the institution is located for a stay of the
suspension or prohibition pending the completion of the criminal proceedings
initiated by the information, indictment, warrant, or complaint. The court has
jurisdiction to stay the suspension or prohibition.

(3) If a judgment of conviction with respect to the offense is entered against
the board member, officer, or other person and at the time that the judgment is
not subject to further appellate review, the director may issue and serve upon
the board member, officer, or other person an order removing that individual
from office or prohibiting that individual from further participation in any
manner in the conduct of the affairs of the institution except with the consent of
the director. A copy of the order must also be served upon the institution, and
upon receipt the board member or officer ceases to be a board member or officer
of the institution. A finding of not guilty or other disposition of the charge does
not preclude the director from instituting proceedings to suspend or remove the
board member, officer, or other person from office or to prohibit further
participation in the affairs of the institution pursuant to 32-1-905 or 32-1-906.7

Upon receipt of approval of the governing body of the affected taxing jurisdiction, the department shall make the assessment change for the tax exemption provided for in this section.

The tax exemption described in subsection (1) applies only to the number of mills levied and assessed by the governing body approving the exemption over which the governing body has sole discretion. If the governing body of a county, consolidated government, or incorporated city or town approves the exemption, the exemption applies to levies and assessments required under Title 15, chapter 10, 20-9-331, or 20-9-333 or otherwise required under state law.

Property taxes abated from the reduction in property taxes allowed by this section are subject to recapture by the local governing body if the ownership or use of the property does not meet the requirements of 15-24-1801, this section, or the resolution required by subsection (2) of this section. The recapture is equal to the amount of taxes avoided, plus interest and penalties for nonpayment of property taxes provided in 15-16-102, during any period in which an abatement under the provisions of this section was in effect. The amount recaptured, including penalty and interest, must be distributed by the treasurer to funds and accounts subject to the abatement in the same ratio as the property tax was abated. (6) If a local economic development organization sells, leases, or otherwise disposes of the exempt property to a purchaser or lessee that is not a local economic development organization or a unit of federal, state, or local government, the tax exemption provided in this section terminates. [HB 155]

AN ACT REVISING LAWS ON SCHOOL BUS SAFETY; INCREASING THE FOOTAGE REQUIREMENT IN WHICH A MOTOR VEHICLE MUST STOP BEFORE REACHING A SCHOOL BUS WHEN BUS LIGHTS ARE FLASHING; AND AMENDING SECTION 61-8-351, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-8-351, MCA, is amended to read:

"61-8-351. Meeting or passing school bus — vehicle operator liability for violation — penalty. (1) Upon overtaking from either direction a school bus that has stopped on the highway or street to receive or discharge school children, a driver of a motor vehicle:

(a) shall stop the motor vehicle not less than approximately 15 30 feet before reaching the school bus when there is in operation on the bus a visual flashing red signal as specified in 61-9-402; and

(b) may not proceed until the children have entered the school bus or have alighted and reached the side of the highway or street and until the school bus ceases operation of its visual flashing red signal.

(2) The driver of a motor vehicle shall slow to a rate of speed that is reasonable under the conditions existing at the point of operation and must be prepared to stop when meeting or overtaking from either direction a school bus that is preparing to stop on the highway or street to receive or discharge school children as indicated by flashing amber lights as specified in 61-9-402.

(3) Each bus used for the transportation of school children must bear upon the front and rear plainly visible signs containing the words "SCHOOL BUS" in letters not less than 8 inches in height and, in addition, must be equipped with visual signals meeting the requirements of 61-9-402. Amber flashing lights
must be actuated by the driver approximately 150 feet in cities and
approximately 500 feet in other areas before the bus is stopped to receive or
discharge school children on the highway or street. Red lights must be actuated
by the driver of the school bus whenever but only whenever the school bus is
stopped on the highway or street whether inside or outside the corporate limits
of any city or town to receive or discharge school children. However, a school
district board of trustees may, in its discretion, adopt a policy prohibiting the
operation of amber or red lights when a school bus is stopped at the school site to
receive or discharge school children and the receipt or discharge does not involve
street crossing by the children. The lights may not be operated in violation of
that policy.

(4) The requirements that a driver of a motor vehicle shall stop when a
school bus receives or discharges school children under subsection (1) and the
requirements that amber and red lights must be actuated by a school bus driver
under subsection (3) do not apply when a school bus receives or discharges
school children in a designated school bus pullout on a state highway. A
designated school bus pullout must meet the following requirements:

(a) The pullout must be located on a roadway separated by a physical
barrier, such as a guardrail, raised median, drainage ditch, or irrigation ditch.

(b) The separate roadway must be designed, constructed, and signed
specifically for use by school buses, with sufficient space for safe ingress and
egress from the main traveled way.

(c) The pullout must be approved by the local affected school district, by a
resolution of the district trustees, and by the district superintendent as a
mandatory school bus stop for receiving and discharging school children.

(5) When a school bus is being operated upon a highway for purposes other
than the actual transportation of children either to or from school or for school
functions, all markings on the bus indicating “SCHOOL BUS” must be covered
or concealed.

(6) The driver of a motor vehicle upon a highway with separate roadways
need not stop upon meeting or passing a school bus that is on a different roadway
or when upon a controlled-access highway and the school bus is stopped in a
loading zone that is a part of or adjacent to the highway and where pedestrians
are not permitted to cross the roadway.

(7) (a) A person who observes a violation of this section may prepare a
written, in addition to an oral, report indicating that a violation has occurred.
The report may contain information concerning the violation, including:

(i) the time and approximate location at which the violation occurred;

(ii) the license plate number and color of the motor vehicle involved in the
violation;

(iii) identification of the motor vehicle as a passenger car, truck, bus,
motorcycle, or other type of motor vehicle; and

(iv) a description of the person operating the motor vehicle when the
violation occurred.

(b) A report under subsection (7)(a) constitutes particularized suspicion
under 46-5-401(1) that an operator of the vehicle committed a violation of this
section.

(8) Violation of subsection (1) is punishable upon conviction by a fine of not
more than $500.”

Under circumstances prescribed by the department, the reimbursement by the county may be less
than the county share as prescribed in this subsection. All other administrative costs of the local office of public assistance must be paid from county funds.

(3) On or before the 20th day of the month following the month for which the payments to the public assistance staff were made, the department shall present to the county a claim for the required reimbursements. The county shall make reimbursements within 20 days after the presentation of the claim, and the department shall credit all reimbursements to its account for administrative costs.

Section 3. Section 53-2-305, MCA, is amended to read:

If the board of county commissioners in a county disagrees with a specific method used, approach taken, or decision made that has a broad impact on the provision of public assistance in the county, the board of county commissioners may present their objections to the department in accordance with subsection (2). Prior to and during the development of an agreement, the department shall ensure the participation of the tribal government in the development of a plan for any county that serves an Indian reservation.

(2) All objections made by the board of county commissioners pursuant to subsection (1) must be presented to the department in writing. The committee must be composed of two county commissioners to be appointed for 2-year terms by the Montana Association of Counties, two representatives or designees of the department, and a fifth member selected by the other members. If the other members cannot agree on the fifth member, the attorney general shall appoint the fifth member. The resolution committee shall review the objections made by the county and shall attempt, in good faith, to develop an alternative method, approach, or resolution that is satisfactory to both the department and the county. The resolution committee shall present the results of its deliberations to the director of the department to carry out the alternative method, approach, or resolution.

AN ACT BROADENING THE LIST OF PERSONS TO WHOM THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES MAY RELEASE CHILD ABUSE OR NEGLECT CASE RECORDS; REQUIRING THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES TO PROVIDE SPECIFIED INFORMATION UPON REQUEST FROM ANY REPORTER OF ALLEGED CHILD ABUSE OR NEGLECT; AND AMENDING SECTIONS 41-3-202 AND 41-3-205, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 41-3-202, MCA, is amended to read:

“41-3-202. Action on reporting. (1) Upon receipt of a report that a child is or has been abused or neglected, the department shall promptly assess the information contained in the report and make a determination regarding the level of response required and the timeframe within which action must be initiated. If the department determines that an investigation is required, a social worker, the county attorney, or a peace officer shall promptly conduct a thorough investigation into the circumstances surrounding the allegations of
abuse or neglect of the child. The investigation may include an investigation at the home of the child involved, the child’s school or day-care facility, or any other place where the child is present and into all other nonfinancial matters that in the discretion of the investigator are relevant to the investigation. In conducting an investigation under this section, a social worker may not inquire into the financial status of the child’s family or of any other person responsible for the child’s care, except as necessary to ascertain eligibility for state or federal assistance programs or to comply with the provisions of 41-3-446.

(2) An initial investigation of alleged abuse or neglect may be conducted when an anonymous report is received. However, the investigation must within 48 hours result in the development of independent, corroborative, and attributable information in order for the investigation to continue. Without the development of independent, corroborative, and attributable information, a child may not be removed from the home.

(3) The social worker is responsible for assessing the family and planning for the child. If the child is treated at a medical facility, the social worker, county attorney, or peace officer, consistent with reasonable medical practice, has the right of access to the child for interviews, photographs, and securing physical evidence and has the right of access to relevant hospital and medical records pertaining to the child. If an interview of the child is considered necessary, the social worker, county attorney, or peace officer may conduct an interview of the child. The interview may be conducted in the presence of the parent or guardian or an employee of the school or day-care facility attended by the child.

(4) Subject to 41-3-205(3), if the child’s interview is audiotaped or videotaped, an unedited audiotape or videotape with audio track must be made available, upon request, for unencumbered review by the family.

(5) (a) If from the investigation the department has reasonable cause to suspect that the child suffered abuse or neglect, the department may provide emergency protective services to the child, pursuant to 41-3-301, or voluntary protective services pursuant to 41-3-302, and may provide protective services to any other child under the same care. The department shall:

(i) after interviewing the parent or guardian, if reasonably available, document its determination regarding abuse or neglect of a child; and

(ii) notify the child’s family of its investigation and determination, unless the notification can reasonably be expected to result in harm to the child or other person.

(b) If from the investigation it is determined that the child has not suffered abuse or neglect and the initial report is determined to be unfounded, the department and the social worker, county attorney, or peace officer who conducted the investigation into the circumstances surrounding the allegations of abuse or neglect shall destroy all of their records concerning the report and the investigation. The destruction must be completed within 30 days of the determination that the child has not suffered abuse or neglect.

(c) (i) If the report is unsubstantiated, the department and the social worker who conducted the investigation into the circumstances surrounding the initial allegations of abuse or neglect shall destroy all of the records, except for medical records, concerning the unsubstantiated report and the investigation within 30 days after the end of the 3-year period starting from the date the report was determined to be unsubstantiated, unless:

(A) there had been a previous or there is a subsequent substantiated report concerning the same person; or
(B) an order has been issued under this chapter based on the circumstances surrounding the initial allegations.

(ii) A person who is the subject of an unsubstantiated report that was made prior to October 1, 2003, and after which a period of 3 years has elapsed without there being submitted a subsequent substantiated report or an order issued under this chapter based on the circumstances surrounding the initial allegations may request that the department destroy all of the records concerning the unsubstantiated report as provided in subsection (5)(c)(i).

(6) The investigating social worker, within 60 days of commencing an investigation, shall also furnish a written report to the department and, upon request, to the family. Subject to subsections (5)(b) and (5)(c), the department shall maintain a record system documenting investigations and determinations of child abuse and neglect cases.

(7) Any person reporting abuse or neglect that involves acts or omissions on the part of a public or private residential institution, home, facility, or agency is responsible for ensuring that the report is made to the department.

(8) The department shall, upon request from any reporter of alleged child abuse or neglect, verify whether the report has been received, describe the level of response and timeframe for action that the department has assigned to the report, and confirm that it is being acted upon.”

Section 2. Section 41-3-205, MCA, is amended to read:

“41-3-205. Confidentiality — disclosure exceptions. (1) The case records of the department and its local affiliate, the local office of public assistance, the county attorney, and the court concerning actions taken under this chapter and all records concerning reports of child abuse and neglect must be kept confidential except as provided by this section. Except as provided in subsections (7) and (8), a person who purposely or knowingly permits or encourages the unauthorized dissemination of the contents of case records is guilty of a misdemeanor.

(2) Records may be disclosed to a court for in camera inspection if relevant to an issue before it. The court may permit public disclosure if it finds disclosure to be necessary for the fair resolution of an issue before it.

(3) Records, including case notes, correspondence, evaluations, videotapes, and interviews, unless otherwise protected by this section or unless disclosure of the records is determined to be detrimental to the child or harmful to another person who is a subject of information contained in the records, may be disclosed to the following persons or entities in this state and any other state or country:

The department shall provide a 14-day written notice of alleged violations of this part and opportunity for an administrative hearing under the Montana Administrative Procedure Act. The notice must be based on reasonable cause to believe that a licensee or any person, whether licensed or not, has:

(a) violated any of the provisions of this part;
(b) failed to comply with the rules or orders promulgated by the department;
(c) furnished false information to the department;
(d) operated without a required license.

(2) The department may impose a civil penalty not to exceed $1,000 for each violation and may require restitution to buyers and reimbursement of the department's costs in bringing an administrative action.

(3) The department may suspend, revoke, or condition the license of a person violating this part. The suspension, revocation, or conditioning of a license does not affect the rights and obligations of the parties to retail installment contracts acquired previously by the licensee. If a licensee is a legal entity, it is sufficient cause for the suspension, revocation, or conditioning of a license that any officer, director, or trustee of a licensed association or corporation, any member or manager of a licensed limited liability company, or any partner of a licensed partnership has acted or failed to act so as to provide cause for suspending, revoking, or conditioning a license. Each licensee is responsible for the acts of the licensee’s employees and agents acting within the course and scope of their employment or agency relationship with the licensee.

(4) In addition to other penalties provided by law, any person violating 31-1-231 through 31-1-243, except as the result of an isolated accidental and bona fide error of computation, shall be barred from recovery of any finance, delinquency, or collection charge on the contract. A person violating 31-1-231 through 31-1-243 as a result of an isolated accidental and bona fide error of computation may not recover or retain any overcharge resulting from the error.

(5) In addition to other penalties provided by law, a violation of subsection (3) this part and a contract made in violation of the finance charge limitations imposed by 31-1-241 is a violation of Title 30, chapter 14, part 1.

(6) A person may not engage in any device or subterfuge intended to evade the requirements of this chapter including assisting a borrower to obtain a loan at a rate of interest prohibited by Montana law, making loans disguised as personal property sales and leaseback transactions, or disguising loan proceeds as cash rebates for the pretextual installment sale of goods or services.

(7) All notices, hearing schedules, and orders must be mailed by certified mail to the licensee's Montana address of record with the department or, in the case of an unlicensed person to the last known to the department. For licensees authorized to do business in this state and having no physical business location or address in this state, service of process must be made by certified mail.
Section 3. Section 31-1-211, MCA, is amended to read:

“31-1-211. Powers of department. (1) The department may adopt rules necessary to carry out the intent and purposes of this part. All rules of general application must be filed in the office of the department. A copy of every rule must be mailed to each licensee, postage prepaid, at least 15 days in advance of its effective date. However, the failure of a licensee to receive a copy of the rules does not exempt the licensee from the duty of compliance with those rules lawfully adopted under the provisions of this section.

(2) The department may issue subpoenas to compel the attendance of witnesses and the production of documents, papers, books, records, and other evidence before it in any matter over which it has jurisdiction, control, or supervision pertaining to this part. The department may administer oaths and affirmations to a person whose testimony is required.

(3) If a person refuses to obey a subpoena or to give testimony or produce evidence as required by it, a judge of the district court of the county in which the licensed premises are located may, upon application and proof of the refusal, issue a subpoena or subpoena duces tecum for the witness to appear before the department to give testimony and produce evidence as may be required. The clerk of court shall then issue the subpoena, as directed, under the seal of the court, requiring the person to whom it is directed to appear at the time and place designated in it.

(4) If a person served with a subpoena refuses to obey it or to give testimony or produce evidence as required by the subpoena, the department may apply to the judge of the court issuing the subpoena for an arrest warrant for that person, as for a contempt. The judge, upon satisfactory proof of the refusal, shall issue an arrest warrant, directed to any sheriff, constable, or police officer, for the arrest of that person and, upon that person being brought before the judge, proceed to a hearing of the case. The judge may compel:

(a) obedience to the subpoena;
(b) the answering of any question;
(c) the production of any evidence that may be proper; or
(d) the witness to pay the costs of the proceeding.

(5) Failure to comply with the requirements of subsection (4)(a), (4)(b), or (4)(c) is punishable by a fine not exceeding $100 or by imprisonment in the county jail, or both.”

Section 4. Section 31-1-221, MCA, is amended to read:

“31-1-221. Licensing of sales finance companies required. (1) A person may not engage in the business of a sales finance company, including the purchase of retail installment contracts that are entered into in this state, without a license as provided in this part, except that a bank, trust company, savings and loan association, or credit union authorized to do business in this state is not required to obtain a license under this part but shall comply with all of the other provisions of this part.

(2) The application for a license must be in writing, under oath, and in the form prescribed by the department. The application must contain:

A licensee need not maintain a physical place of business within this state.

(4) Each license must specify the location of the office or branch and must be conspicuously displayed there. If the location is changed, the department shall endorse the change of location of the license without charge.

(5) Except as provided in 31-1-222, upon the submission of a complete license application and the payment of the license fee required fees, the department shall issue a license to the applicant to engage in the business of a sales finance company in accordance with the provisions of this part for a period that expires December 31 following the date of the license's issuance. The license is not transferable or assignable. A licensee may not transact any business provided for by this part under any other name.

(6) The department may direct that fees chargeable under subsection (3) be remitted to the department through a nationwide licensing system. The department's portion of fees charged and collected under this chapter must be deposited in the state special revenue fund for the use of the department in its supervision function.

However, if a retail installment transaction is a sale of goods other than a motor vehicle where title, lien, or other security interest is not retained or taken by the seller, then the retail installment contract is not required to be contained in a single document. In that case, if the contract is contained in more than one document, then one document may be an original document executed by the retail buyer applicable to purchases of goods or services to be made by the retail buyer from time to time, and in that case the document, together with the sales slip, account book, or other written statement relating to each purchase, must set forth all of the information required by this section and constitutes the retail installment contract for each purchase.

(6) The department, in establishing programs of home and community-based services, shall administer the expenditures for each program.

The department may adopt financial participation requirements that may include but are not limited to copayments, payment of monthly or yearly enrollment fees, or deductibles. The financial participation requirements adopted by the department may vary among the various home and community-based services programs. The department, as necessary, may further limit enrollment in programs, reduce the per capita expenditures available to enrollees, and modify and reduce the types and amounts of services available through a home and community-based services program when the department determines that expenditures for a program are reasonably expected to exceed the available spending authority.

(7) The department may consider the following populations or subsets of populations for home and community-based services programs:

“53-20-127. Transfer to another facility — release to community-based alternative — hearing. (1) If, at any time during the period for which a resident is committed to a residential facility for an extended period of habilitation and treatment, the qualified mental retardation intellectual disability professional responsible for the resident’s habilitation decides that the resident no longer requires placement in a residential facility and that there exist sufficient community-based alternatives to provide adequate treatment and habilitation for the resident and adequate protection of the life and physical safety of the resident and others, the qualified mental retardation intellectual disability professional may release the resident to the community-based alternative.

Section 12. Section 53-20-128, MCA, is amended to read:

(8) The court may not order recommitment to a residential facility that does not have an individualized habilitation plan for the resident.

(9) The court may not extend an order imposing a community treatment plan unless the residential facility screening team certifies that all services in the proposed plan meet the conditions set forth in 53-20-133(4)(c) and (4)(d).”

Section 13. Section 53-20-141, MCA, is amended to read:

“53-20-141. Denial of legal rights. (1) Unless specifically stated in an order by the court, a person committed to a residential facility or for whom a community treatment plan has been imposed for an extended course of habilitation does not forfeit any legal right or suffer any legal disability by reason of the provisions of this part, except to the extent that it may be necessary to detain the person for habilitation, evaluation, or care.

(2) Whenever a person is admitted to a residential facility or a community treatment plan is imposed for the person for a period of more than 30 days, the
court ordering the commitment or imposing the community treatment plan may make an order stating specifically any legal rights that are denied and any legal disabilities that are imposed on the respondent. As part of its order, the court may appoint a person to act as conservator of the respondent’s property. Any conservatorship created pursuant to this section terminates upon the conclusion of the commitment or expiration of the order imposing the community treatment plan if not previously terminated by the court. A conservatorship or guardianship extending beyond the period of the commitment or order imposing a community treatment plan may not be created except according to the procedures set forth under Montana law for the appointment of conservators and guardians generally.

(3) A person who has been committed to a residential facility or for whom a community treatment plan has been imposed pursuant to this part is, upon the termination of the commitment or expiration of the order imposing the community treatment plan, automatically restored to all of the person’s civil and legal rights that may have been lost when the person was committed or the community treatment plan was imposed. However, this subsection does not affect any guardianship or conservatorship created independently of the proceedings according to the provisions of Montana law relating to the appointment of conservators and guardians generally. Upon termination of any commitment or order imposing a community treatment plan under this part, the qualified mental retardation intellectual disability professional or case manager in charge of the person’s care shall give the person a written statement setting forth the substance of this subsection.”

Section 14. Section 53-20-142, MCA, is amended to read:

“53-20-142. Rights while in residential facility. Persons admitted to a residential facility for a period of habilitation shall enjoy the following rights:

(1) Residents have a right to dignity, privacy, and humane care.

(2) Residents are entitled to send and receive sealed mail. Moreover, it is the duty of the facility to foster the exercise of this right by furnishing the necessary materials and assistance.

(3) Residents must have the same rights and access to private telephone communication as patients at any public hospital except to the extent that the individual treatment planning team or the qualified mental retardation intellectual disability professional responsible for formulation of a particular resident’s habilitation plan writes an order imposing special restrictions and explains the reasons for the restrictions. The written order must be renewed monthly if any restrictions are to be continued.

(4) Residents have an unrestricted right to visitation except to the extent that the individual treatment planning team or the qualified mental retardation intellectual disability professional responsible for formulation of a particular resident’s habilitation plan writes an order imposing special restrictions and explains the reasons for the restrictions. The written order must be renewed monthly if restrictions are to be continued.

(5) Residents have a right to receive suitable educational and habilitation services regardless of chronological age, degree of retardation intellectual disability, or accompanying disabilities.

(6) Each resident must have an adequate allowance of neat, clean, suitably fitting, and seasonable clothing. Except when a particular kind of clothing is required because of a particular condition, residents must have the opportunity
to select from various types of neat, clean, and seasonable clothing. The clothing must be considered the resident’s throughout the resident’s stay in the facility. Clothing, both in amount and type, must make it possible for residents to go out of doors in inclement weather, to go for trips or visits appropriately dressed, and to make a normal appearance in the community. The facility shall make provision for the adequate and regular laundering of the residents’ clothing.

7. Each resident has the right to keep and use the resident’s own personal possessions except insofar as the clothes or personal possessions may be determined by the individual treatment planning team or the qualified mental retardation intellectual disability professional to be dangerous either to the resident or to others.

8. Each resident has a right to a humane physical environment within the residential facility. The facility must be designed to make a positive contribution to the efficient attainment of the habilitation goals of the resident. To accomplish this purpose:
   (a) regular housekeeping and maintenance procedures that will ensure that the facility is maintained in a safe, clean, and attractive condition must be developed and implemented;
   (b) pursuant to an established routine maintenance and repair program, the physical plant must be kept in a continuous state of good repair and operation so as to ensure the health, comfort, safety, and well-being of the residents and so as not to impede in any manner the habilitation programs of the residents;
   (c) the physical facilities shall meet all fire and safety standards established by the state and locality. In addition, the facility shall meet the provisions of the life safety code of the national fire protection association that are applicable to it.
   (d) there must be special facilities for nonambulatory residents to ensure their safety and comfort, including special fittings on toilets and wheelchairs. Appropriate provision must be made to permit nonambulatory residents to communicate their needs to staff.

9. Residents have a right to receive prompt and adequate medical treatment for any physical or mental ailments or injuries or physical disabilities and for the prevention of any illness or disability. The medical treatment must meet standards of medical practice in the community. However, nothing in this subsection may be interpreted to impair other rights of a resident in regard to involuntary commitment for mental illness, use of psychotropic medication, use of hazardous, aversive, or experimental procedures, or the refusal of treatment.

10. Corporal punishment is not permitted.

11. The opportunity for religious worship must be accorded to each resident who desires worship. Provisions for religious worship must be made available to all residents on a nondiscriminatory basis. An individual may not be compelled to engage in any religious activities.

12. Residents have a right to a nourishing, well-balanced diet. The diet for residents must provide at a minimum the recommended daily dietary allowance as developed by the national academy of sciences. Provisions must be made for special therapeutic diets and for substitutes at the request of the resident, the resident’s parents, guardian, or next of kin, or the responsible person appointed by the court in accordance with the religious requirements of any resident’s faith. Denial of a nutritionally adequate diet may not be used as punishment.

13. Residents have a right to regular physical exercise several times a week. It is the duty of the facility to provide both indoor and outdoor facilities and
equipment for exercise. Residents have a right to be outdoors daily in the absence of contrary medical considerations.

(14) Residents have a right, under appropriate supervision, to suitable opportunities for the interaction with members of the opposite sex except when the individual treatment planning team or the qualified mental retardation intellectual disability professional responsible for the formulation of a particular resident’s habilitation plan writes an order to the contrary and explains the reasons for the order. The order must be renewed monthly if the restriction is to be continued."

Section 15. Section 53-20-146, MCA, is amended to read:

“53-20-146. Right not to be subjected to certain treatment procedures. (1) Residents of a residential facility have a right not to be subjected to unusual or hazardous treatment procedures without the express and informed consent of the resident, if the resident is able to give consent, and of the resident’s parents or guardian or the responsible person appointed by the court after opportunities for consultation with independent specialists and legal counsel. Proposed procedures must first have been reviewed and approved by the mental disabilities board of visitors before consent is sought.

(2) Physical restraint may be employed only when absolutely necessary to protect the resident from injury or to prevent injury to others. Mechanical supports used to achieve proper body position and balance that are ordered by a physician are not considered a physical restraint. Restraint may not be employed as punishment, for the convenience of staff, or as a substitute for a habilitation program. Restraint may be applied only if alternative techniques have failed and only if the restraint imposes the least possible restriction consistent with its purpose. Use of restraints may be authorized by a physician, a developmental disabilities professional, or a qualified mental retardation intellectual disability professional. Orders for restraints must be in writing and may not be in force for longer than 12 hours. Whenever physical restraint is ordered, suitable provision must be made for the comfort and physical needs of the resident restrained.

(3) Seclusion, defined as the placement of a resident alone in a locked room for nontherapeutic purposes, may not be employed. Legitimate “time out” procedures may be used under close and direct professional supervision as a technique in behavior-shaping programs.

(4) Behavior modification programs involving the use of noxious or aversive stimuli must be reviewed and approved by the mental disabilities board of visitors and may be conducted only with the express and informed consent of the affected resident, if the resident is able to give consent, and of the resident’s parents or guardian or the responsible person appointed by the court after opportunities for consultation with independent specialists and with legal counsel. These behavior modification programs may be conducted only under the supervision of and in the presence of a qualified mental retardation intellectual disability professional who has had proper training.

(5) A resident may not be subjected to a behavior modification program that attempts to extinguish socially appropriate behavior or to develop new behavior patterns when the behavior modifications serve only institutional convenience.

(6) Electric shock devices are considered a research technique for the purpose of this part. Electric shock devices may be used only in extraordinary circumstances to prevent self-mutilation leading to repeated and possibly permanent physical damage to the resident and only after alternative techniques have failed. The use of electric shock devices is subject to the
conditions prescribed by this part for experimental research generally and may be used only under the direct and specific order of a physician and the superintendent of the residential facility."

Section 16. Section 53-20-148, MCA, is amended to read:

“53-20-148. Right to habilitation. (1) Persons admitted to residential facilities have a right to habilitation, including medical treatment, education, and care suited to their needs, regardless of age, degree of intellectual disability, or disabling condition. Each resident has a right to a habilitation program that will maximize the resident’s human abilities and enhance the resident’s ability to cope with the environment. Every residential facility shall recognize that each resident, regardless of ability or status, is entitled to develop and realize the resident’s fullest potential. The facility shall implement the principle of normalization so that each resident may live as normally as possible.

(2) Residents have a right to the least restrictive conditions necessary to achieve the purposes of habilitation. To this end, the facility shall make every attempt to move residents from:
(a) more to less structured living;
(b) larger to smaller facilities;
(c) larger to smaller living units;
(d) group to individual residences;
(e) segregated from the community to integrated into the community living;
(f) dependent to independent living.

(3) Within 30 days of admission to a residential facility, each resident must have an evaluation by appropriate specialists for programming purposes.

(4) Each resident must have an individualized habilitation plan formulated by an individual treatment planning team. This plan must be implemented as soon as possible, but no later than 30 days after the resident’s admission to the facility. An interim program of habilitation, based on the preadmission evaluation conducted pursuant to this part, must commence promptly upon the resident’s admission. Each individualized habilitation plan must contain:
(a) a statement of the nature of the specific limitations and the needs of the resident;
(b) a description of intermediate and long-range habilitation goals, with a projected timetable for their attainment;
(c) a statement of and an explanation for the plan of habilitation for achieving these intermediate and long-range goals;
(d) a statement of the least restrictive setting for habilitation necessary to achieve the habilitation goals of the resident;
(e) a specification of the professionals and other staff members who are responsible for the particular resident’s attaining these habilitation goals;
(f) criteria for release to less restrictive settings for habilitation, based on the resident’s needs, including criteria for discharge and a projected date for discharge.

(5) As part of the habilitation plan, each resident must have an individualized postinstitutionalization plan that includes an identification of services needed to make a satisfactory community placement possible. This plan must be developed by the individual treatment planning team that shall begin preparation of the plan upon the resident’s admission to the facility and shall complete the plan as soon as practicable. The parents or guardian or next of kin...
of the resident, the responsible person appointed by the court, if any, and the resident, if able to give informed consent, must be consulted in the development of the plan and must be informed of the content of the plan.

(6) In the interests of continuity of care, one qualified mental retardation intellectual disability professional shall whenever possible be responsible for supervising the implementation of the habilitation plan, integrating the various aspects of the habilitation program, and recording the resident’s progress as measured by objective indicators. The qualified mental retardation intellectual disability professional is also responsible for ensuring that the resident is released when appropriate to a less restrictive habilitation setting.

(7) The habilitation plan must be reviewed monthly by the qualified mental retardation intellectual disability professional responsible for supervising the implementation of the plan and must be modified if necessary. In addition, 6 months after admission and at least annually thereafter, each resident must receive a comprehensive psychological, social, habilitative, and medical diagnosis and evaluation and the resident’s habilitation plan must be reviewed and revised accordingly by the individual treatment planning team. A habilitation plan must be reviewed monthly.

(8) Each resident placed in the community must receive transitional habilitation assistance.

(9) The superintendent of the residential facility, or the superintendent’s designee, shall report in writing to the parents or guardian of the resident or the responsible person at least every 6 months on the resident’s habilitation and medical condition. The report must also state any appropriate habilitation program that has not been afforded to the resident because of inadequate habilitation resources.

(10) Each resident, the parents or guardian of each resident, and the responsible person appointed by the court must promptly upon the resident’s admission receive a written copy of and be orally informed of all the above standards for adequate habilitation, the rights accorded by 53-20-142, and other information concerning the care and habilitation of the resident that may be available to assist them in understanding the situation of the resident and the rights of the resident in the facility.”

Section 17. Section 53-20-161, MCA, is amended to read:

“53-20-161. Maintenance of records. (1) Complete records for each resident must be maintained and must be readily available to persons who are directly involved with the particular resident and to the mental disabilities board of visitors. “53-20-164. Resident labor. The following rules govern resident labor:

(1) A resident may not be required to perform labor that involves the operation and maintenance of the facility or for which the facility is under contract with an outside organization. Privileges or release from the facility may not be conditioned upon the performance of labor covered by this provision. Residents may voluntarily engage in the labor described in this subsection if the labor is compensated in accordance with the minimum wage laws of the Fair Labor Standards Act of 1938, 29 U.S.C. 206, as amended.

(d) is adequately supervised; and

(e) is reimbursed in accordance with the minimum wage laws of the Fair Labor Standards Act of 1938, 29 U.S.C. 206, as amended.

(3) Residents may be required to perform vocational training tasks that do not involve the operation and maintenance of the facility, subject to a presumption that an assignment of longer than 3 months to any task is not a training task, provided that the specific task or any change in task assignment is:

(a) an integrated part of the resident’s habilitation plan and approved as a habilitation activity by the qualified mental retardation intellectual disability professional and the individual treatment planning team responsible for supervising the resident’s habilitation; and
(b) supervised by a staff member to oversee the habilitation aspects of the activity.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-1-701, MCA, is amended to read:

“87-1-701. Assent to Dingell-Johnson bill Act. The congress of the United States passed an act that was approved on August 9, 1950, known as the Dingell-Johnson Act, Public Law 658, 81st congress, chapter 658, 2nd session, which provides, among other things, that ‘No money apportioned under this Act to any State, except as hereinafter provided, shall be expended therein until its legislature, or other State agency authorized by the State constitution to make laws governing the conservation of fish, shall have assented to the provisions of this Act and shall have passed laws for the conservation of fish, which shall include a prohibition against the diversion of license fees paid by fishermen for any other purpose than the administration of said State fish and game department, except that, until the final adjournment of the first regular session of the legislature held after passage of this Act, the assent of the governor of the State shall be sufficient.’ The money referred to in the Dingell-Johnson Act is collected in part from the anglers of the state of Montana and will not be returned to the state unless the state assents to the Dingell-Johnson Act. Therefore, the state of Montana assents to the provisions of Public Law 658, 81st congress, chapter 658, 2nd session, which is commonly known as the Dingell-Johnson bill Act, but the assent is with the express reservations enumerated in 87-1-701 through 87-1-703. The state of Montana does not, by the passage of 87-1-701 through 87-1-703 or by the consent given in this section, surrender to the congress of the United States or any department of the government of the United States any of those rights that are retained by the people of the state of Montana or the state of Montana and that are guaranteed to them by the 9th and 10th amendments to the constitution of the United States, and 87-1-701 through 87-1-703 may not in any manner or at all be construed or held to be the state of Montana’s consent to amending the constitution of the United States in any manner or at all relative to its rights. The title to all lands acquired under the provisions of 87-1-701 through 87-1-703 for fish restoration and management projects and projects constructed on those lands is and remains in the state.”

AN ACT ALLOWING DISABLED MEMBERS OF THE ARMED FORCES TO QUALIFY FOR CERTAIN HUNTING LICENSES; AND AMENDING SECTION 87-2-803, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 87-2-803, MCA, is amended to read:

“87-2-803. Persons with disabilities — service members — definitions. (1) Persons with disabilities are entitled to fish and to hunt game birds, not including turkeys, with only a conservation license if they are residents of Montana not residing in an institution and are certified as disabled as prescribed by departmental rule. A person who has purchased a conservation license and a resident fishing license or game bird license for a particular license year and who is subsequently certified as disabled is entitled to a refund for the fishing license or game bird license previously purchased for that license year. A person who is certified as disabled pursuant to subsection (3) and who was issued a permit to hunt from a vehicle for license year 2000 or a subsequent license year is automatically entitled to a permit to hunt from a vehicle for subsequent license years if the criteria for obtaining a permit does not change.

(2) A resident of Montana who is certified as disabled by the department and who is not residing in an institution may purchase a Class A-3 deer A tag for $6.50 and a Class A-5 elk tag for $8. A person who has purchased a conservation license and a resident deer license or resident elk license for a particular license year and who is subsequently certified as disabled is entitled to a refund for the deer license or elk license previously purchased and reissuance of the license for that license year at the rate established in this subsection.

(3) A person may be certified as disabled by the department and issued a permit to hunt from a vehicle, on a form prescribed by the department, if the person establishes one or more of the disabilities pursuant to subsection (9).

(4) (a) A person with a disability carrying a permit to hunt from a vehicle, referred to in this subsection (4) as a permitholder, may hunt by shooting a firearm from:

(i) the shoulder, berm, or barrow pit right-of-way of a public highway, as defined in 61-1-101, except a state or federal highway;

(ii) within a self-propelled or drawn vehicle that is parked on a shoulder, berm, or barrow pit right-of-way in a manner that will not impede traffic or endanger motorists or that is parked in an area, not a public highway, where hunting is permitted;

(iii) an off-highway vehicle or snowmobile, as defined in 61-1-101, in any area where hunting is permitted and that is open to motorized use, unless otherwise prohibited by law, as long as the off-highway vehicle or snowmobile is marked as described in subsection (4)(d) of this section.

(b) This subsection (4) does not allow a permitholder to shoot across the roadway of any public highway or to hunt on private property without permission of the landowner.

(c) A permitholder must have a companion to assist in immediately dressing any killed game animal. The companion may also assist the permitholder by hunting a game animal that has been wounded by the permitholder when the permitholder is unable to pursue and kill the wounded game animal.
(d) Any vehicle from which a permitholder is hunting must be conspicuously marked with an orange-colored international symbol of persons with disabilities on the front, rear, and each side of the vehicle, or as prescribed by the department.

(6) (a) A resident of Montana who is certified by the department as experiencing blindness, as defined in 53-7-301, may be issued a lifetime fishing license for the blind upon payment of a one-time fee of $10. The license is valid for the lifetime of the blind individual and allows the licensee to fish as authorized by department rule. An applicant for a license under this subsection need not obtain a wildlife conservation license as a prerequisite to licensure.

(b) A person who is certified by the department as experiencing blindness, as defined in 53-7-301, may be issued regular resident deer and elk licenses, in the manner provided in subsection (2) of this section, and must be accompanied by a companion, as provided in subsection (4)(c) of this section.

(7) The department shall adopt rules to establish the qualifications that a person must meet to be a companion and may adopt rules to establish when a companion can be a designated shooter for a disabled person.

(8) As used in this section, “disabled person”, “person with a disability”, or “disabled” means or refers to a person experiencing a condition medically determined to be permanent and substantial and resulting in significant impairment of the person’s functional ability.

(9) A person is entitled to a permit to hunt from a vehicle if the person:

(a) is certified by a licensed physician, a licensed chiropractor, an advanced practice registered nurse, or a licensed physician assistant to be dependent on an oxygen device or dependent on a wheelchair, crutch, or cane for mobility;

(10) Certification by a licensed physician, a licensed chiropractor, an advanced practice registered nurse, or a licensed physician assistant under subsection (9) must be on a form provided by the department.

(11) The department or a person who disagrees with a determination of disability or eligibility for a permit to hunt from a vehicle may request a review by the board of medical examiners pursuant to 37-3-203.

(12) (a) A Montana resident who is a member of the Montana national guard or the federal reserve as provided in 10 U.S.C. 10101 or who was otherwise engaged in active duty and who participated in a contingency operation as provided in 10 U.S.C. 101(a)(13) that required the member to serve at least 2 months outside of the state, upon request and upon presentation of the documentation described in subsection (12)(b), must be issued a free resident
wildlife conservation license or a Class AAA resident combination sports license, which may not include a bear license, upon payment of the resident hunting access enhancement fee provided for in 87-2-202(3)(c), in the license year that the member returns from military service or in the year following the member's return, based on the member's election, and in any of the 4 years after the member's election. A member who participated in a contingency operation after September 11, 2001, that required the member to serve at least 2 months outside of the state may make an election in 2007 or in the year following the member's return, based on the member's election, and in any of the 4 years after the member's election and be entitled to a free resident wildlife conservation license or a free Class AAA resident combination sports license in the year of election and in any of the 4 years after the member's election.

(b) To be eligible for the free resident wildlife conservation license or free Class AAA resident combination sports license provided for in subsection (12)(a), an applicant shall, in addition to the written application and proof of residency required in 87-2-202(1), provide to any regional department office or to the department headquarters in Helena, by mail or in person, the member's DD form 214 verifying the member's release or discharge from active duty. The applicant is responsible for providing documentation showing that the applicant participated in a contingency operation as provided in 10 U.S.C. 101(a)(13).

(c) A Montana resident who meets the service qualifications of subsection (12)(a) and the documentation required in subsection (12)(b) is entitled to a free Class A resident fishing license in the license year that the member returns from military service or in the year following the member's return, based on the member's election, and in any of the 4 years after the member's election.

(d) The department's general license account must be reimbursed by a quarterly transfer of funds from the general fund to the general license account for costs associated with the free licenses granted pursuant to this subsection (12) during the preceding calendar quarter. Reimbursement costs must be designated as license revenue.

(13) A member of the armed forces who forfeited a license or permit issued through a drawing as a result of deployment outside of the continental United States in support of a contingency operation as provided in 10 U.S.C. 101(a)(13) is guaranteed the same license or permit, without additional fee, upon application in the year of the member's return from deployment or in the first year that the license or permit is made available after the member's return.”

AN ACT EXEMPTING CERTAIN PUBLIC UTILITIES FROM THE MONTANA RENEWABLE POWER PRODUCTION AND RURAL ECONOMIC DEVELOPMENT ACT; AMENDING SECTION 69-3-2004, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 69-3-2004, MCA, is amended to read:

“69-3-2004. Renewable resource standard — administrative penalty — waiver. (1) Except as provided in 69-3-2007 and subsections (11) and (12) of this section, a graduated renewable energy standard is established for public utilities, except as provided in subsection (13), and competitive electricity suppliers as provided in subsections (2) through (4) of this section.

(2) In each compliance year beginning January 1, 2008, through December 31, 2009, each public utility and competitive electricity supplier shall procure a minimum of 5% of its retail sales of electrical energy in Montana from eligible renewable resources.

(3) (a) In each compliance year beginning January 1, 2010, through December 31, 2014, each public utility, except as provided in subsection (13), and competitive electricity supplier shall procure a minimum of 10% of its retail sales of electrical energy in Montana from eligible renewable resources.

(b) Beginning January 1, 2012, as part of their compliance with subsection (3)(a), public utilities shall purchase both the renewable energy
credits and the electricity output from community renewable energy projects that total at least 50 megawatts in nameplate capacity.

(c) Public utilities shall proportionately allocate the purchase required under subsection (3)(b) based on each public utility's retail sales of electrical energy in Montana in the calendar year 2011.

(4) (a) In the compliance year beginning January 1, 2015, and in each succeeding compliance year, each public utility, except as provided in subsection (13), and competitive electricity supplier shall procure a minimum of 15% of its retail sales of electrical energy in Montana from eligible renewable resources.

(b) (i) As part of their compliance with subsection (4)(a), public utilities shall purchase both the renewable energy credits and the electricity output from community renewable energy projects that total at least 75 megawatts in nameplate capacity.

(ii) In meeting the standard in subsection (4)(b)(i), a public utility may include purchases made under subsection (3)(b).

(c) Public utilities shall proportionately allocate the purchase required under subsection (4)(b) based on each public utility’s proportion of the total retail sales of electrical energy by public utilities in Montana in the calendar year 2014.

(5) (a) In complying with the standards required under subsections (2) through (4), a public utility or competitive electricity supplier shall, for any given compliance year, calculate its procurement requirement based on the public utility’s or competitive electricity supplier’s previous year’s sales of electrical energy to retail customers in Montana.

(b) The standards in subsections (2) through (4) must be calculated on a delivered-energy basis after accounting for any line losses.

(6) A public utility or competitive electricity supplier has until 3 months following the end of each compliance year to purchase renewable energy credits for that compliance year.

(7) (a) In order to meet the standards established in subsections (2) through (4), a public utility or competitive electricity supplier may only use:

(i) electricity from an eligible renewable resource in which the associated renewable energy credits have not been sold separately;

(ii) renewable energy credits created by an eligible renewable resource purchased separately from the associated electricity; or

(iii) any combination of subsections (7)(a)(i) and (7)(a)(ii).

(b) A public utility or competitive electricity supplier may not resell renewable energy credits and count those sold credits against the public utility’s or the competitive electricity supplier’s obligation to meet the standards established in subsections (2) through (4).

(c) Renewable energy credits sold through a voluntary service such as the one provided for in 69-8-210(2) may not be applied against a public utility’s or competitive electricity supplier’s obligation to meet the standards established in subsections (2) through (4).

(8) Nothing in this part limits a public utility or competitive electricity supplier from exceeding the standards established in subsections (2) through (4).

(9) If a public utility or competitive electricity supplier exceeds a standard established in subsections (2) through (4) in any compliance year, the public utility or competitive electricity supplier may carry forward the amount by
which the standard was exceeded to comply with the standard in either or both of
the 2 subsequent compliance years. The carryforward may not be
double-counted.

(10) Except as provided in subsections (11) and (12), if a public utility or
competitive electricity supplier is unable to meet the standards established in
subsections (2) through (4) in any compliance year, that public utility or
competitive electricity supplier shall pay an administrative penalty, assessed by
the commission, of $10 for each megawatt hour of renewable energy credits that
the public utility or competitive electricity supplier failed to procure. A public
utility may not recover this penalty in electricity rates. Money generated from
these penalties must be deposited in the universal low-income energy assistance
fund established in 69-8-412(1)(b).

(11) A public utility or competitive electricity supplier may petition the
commission for a short-term waiver from full compliance with the standards in
subsections (2) through (4) and the penalties levied under subsection (10). The
petition must demonstrate that the:

(a) public utility or competitive electricity supplier has undertaken all
reasonable steps to procure renewable energy credits under long-term contract,
but full compliance cannot be achieved either because renewable energy credits
cannot be procured or for other legitimate reasons that are outside the control of
the public utility or competitive electricity supplier; or

(b) integration of additional eligible renewable resources into the electrical
grid will clearly and demonstrably jeopardize the reliability of the electrical
system and that the public utility or competitive electricity supplier has
undertaken all reasonable steps to mitigate the reliability concerns.

(12) (a) Retail sales made by a competitive electricity supplier according to
prices, terms, and conditions of a written contract executed prior to April 25,

RIAL APPLICABILITY AND RECIPROCITY; REQUIRING SPECIFIC
REFERENCE FOR EXTRATERRITORIAL COVERAGE TO APPLY TO THE
CONSTRUCTION INDUSTRY; EXTENDING RULEMAKING AUTHORITY;
AMENDING SECTION 39-71-402, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-71-402, MCA, is amended to read:

“39-71-402. Extraterritorial application and reciprocity of coverage — exception agreements with other states — rulemaking. (1) (a) In the absence of an agreement under subsection (2), if a worker employed in this state who is subject to the provisions of this chapter temporarily leaves the state incidental to that employment and receives an injury arising out of and in the course of employment, the provisions of this chapter apply to the worker as though the worker were injured within this state.

(2) (b) Except as provided in subsection (3)(1)(c) and in the absence of an agreement under subsection (2), if a worker from another state and the worker’s employer from another state are temporarily engaged in work within this state, this chapter does not apply to them:

(a) (i) if the employer and employee are bound by the provisions of the workers’ compensation law or similar law of the other state that applies to them while they are temporarily employed in the state of Montana; and

(b) (ii) if the Workers’ Compensation Act of this state is recognized and given effect as the exclusive remedy for workers employed in this state who are injured while temporarily employed in the state of Montana.

(c) Unless specifically addressed in an agreement as provided in subsection (3)(d), employers from another state that are engaged in the construction industry, as defined in 39-71-116, and that employ workers from another state shall obtain coverage for those workers under the provisions of this chapter.

(3) (a) The department, with the approval of the governor, may enter into a reciprocal agreement with an authorized officer of the workers’ compensation department or similar agency of another state to allow an employer from one state and its employees from that state to work in the other state without obtaining workers’ compensation coverage from both states.

(c) The agreement may contain other provisions, including but not limited to provisions regarding how long the work may continue and whether limitations or exclusions apply to the types of work covered by the agreement.

(d) Unless the agreement specifically provides that the agreement is applicable to employers engaged in the construction industry, as defined in 39-71-116, an employer from another state engaged in the construction industry in Montana does not qualify for extraterritorial coverage that might otherwise be provided by this section.

(e) The agreement may be canceled, renewed, or modified from time to time as provided in the agreement.

(f) A certificate from an authorized officer of the workers’ compensation department of another state that is engaged in a reciprocal agreement under subsection (3), certifies that the agreement is still in effect as of the date of the certificate.

(ii) the employer is properly insured for workers' compensation purposes in the certifying state as of the date of the certification.

(4)(3) The department may adopt rules to implement this section, with the approval of the governor, enter into agreements with workers' compensation agencies of other states for the purpose of promulgating regulations not inconsistent with the provisions of this chapter to carry out the extraterritorial application of the workers' compensation laws of the agreeing states.

(5) Employers from another state that are engaged in the construction industry, as defined in 39-71-116, and that employ workers from another state shall obtain coverage for those workers under the provisions of this chapter.

(b) “Cancellation” occurs when either party puts an end to the lease contract for default by the other party.

(c) “Commercial unit” means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. A commercial unit may be a single article, as a machine; a set of articles, as a suite of furniture or a line of machinery; a quantity, as a gross or carload; or any other unit treated in use or in the relevant market as a single whole.

(d) “Conforming” goods or performance under a lease contract means goods or performance that is in accordance with the obligations under the lease contract.

(e) “Consumer lease” means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is an individual and who takes under the lease primarily for a personal, family, or household purpose if the total payments to be made under the lease contract, excluding payments for options to renew or buy, do not exceed $25,000.

(f) “Fault” means wrongful act, omission, breach, or default.

(g) “Finance lease” means a lease with respect to which:

(i) the lessor does not select, manufacture, or supply the goods;

(ii) the lessor acquires the goods or the right to possession and use of the goods in connection with the lease; and

(A) the lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;

(B) the lessee’s approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) the lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or
liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or

(D) if the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing:

(I) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person;

(II) that the lessee is entitled under this chapter to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; and

(III) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

(h) “Goods” means all things that are movable at the time of identification to the lease contract, or are fixtures (30-2A-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. (j) “Lease” means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) “Lease agreement” means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances, including course of dealing or usage of trade or course of performance as provided in this chapter. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(t) “Merchant lessee” means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) “Present value” means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(v) “Purchase” includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other voluntary transaction creating an interest in goods.

(2) A system satisfies subsection (1) if the record or records comprising the chattel paper are created, stored, and assigned in such a manner that:

(a) a single authoritative copy of the record or records exists that is unique, identifiable, and except as otherwise provided in subsections (2)(d), (2)(e), and (2)(f), unalterable;

(b) the authoritative copy identifies the secured party as the assignee of the record or records;

(d) copies or amendments that add or change an identified assignee of the authoritative copy can be made only with the consent of the secured party;

(e) each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and

(f) any revision of the authoritative copy is readily identifiable as an authorized or unauthorized revision."

Section 4. Section 30-9A-307, MCA, is amended to read:

“30-9A-307. Location of debtor. (1) In this section, “place of business” means a place where a debtor conducts its affairs.

(2) Except as otherwise provided in this section, the following rules determine a debtor’s location:

(a) A debtor who is an individual is located at the individual’s residence.

(b) A debtor that is an organization and has only one place of business is located at its place of business.

(c) A debtor that is an organization and has more than one place of business is located at its chief executive office.

(3)(a) Subsection (2) applies only if a debtor’s residence, place of business, or chief executive office, as applicable, is located in a jurisdiction whose law generally requires information concerning the existence of a nonpossessory security interest to be made generally available in a filing, recording, or registration system as a condition or result of the security interest’s obtaining priority over the rights of a lien creditor with respect to the collateral. If subsection (2) does not apply, the debtor is located in the District of Columbia.

(4) A person that ceases to exist, have a residence, or have a place of business continues to be located in the jurisdiction specified by subsections (2) and (3).

(5) A registered organization that is organized under the law of a state is located:

(a) in the state that the law of the United States designates, if the law designates a state of location;

“30-9A-311. Perfection of security interests in property subject to certain statutes, regulations, and treaties. (1) Except as otherwise provided in subsection (4), the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:
   (a) a statute, regulation, or treaty of the United States whose requirements for a security interest’s obtaining priority over the rights of a lien creditor with respect to the property preempt 30-9A-310(1);
   (b) the certificate of title provisions of Title 23 or 61; or
   (c) a certificate of title statute of another jurisdiction that provides for a security interest to be indicated on the certificate of title as a condition or result of the security interest’s obtaining priority over the rights of a lien creditor with respect to the property.

   (2) Compliance with the requirements of a statute, regulation, or treaty described in subsection (1) for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this chapter. Except as otherwise provided in 30-9A-313 and 30-9A-316(4) and (5) and subsection (4) of this section for goods covered by a certificate of title, a security interest in property subject to a statute, regulation, or treaty described in subsection (1) may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

   (3) Except as otherwise provided in 30-9A-316(4) and (5) and subsection (4) of this section, duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation, or treaty described in subsection (1) are governed by the statute, regulation, or treaty. In other respects the security interest is subject to this chapter.

   (4) During any period in which collateral subject to a statute specified in subsection (1)(b) is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling goods of that kind, this section does not apply to a security interest in that collateral created by that person.”

Section 6. Section 30-9A-316, MCA, is amended to read:

“30-9A-316. Continued perfection of security interest following Effect of change in applicable law. (1) A security interest perfected pursuant
to the law of the jurisdiction designated in 30-9A-301(1) or 30-9A-305(3) remains perfected until the earliest of:

(a) the time perfection would have ceased under the law of that jurisdiction;
(b) the expiration of 4 months after a change of the debtor's location to another jurisdiction;
(c) the expiration of 1 year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction; or
(d) the expiration of 1 year after a new debtor located in another jurisdiction becomes bound under 30-9A-203(4).

(2) If a security interest described in subsection (1) becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(3) A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:

(a) the collateral is located in one jurisdiction and subject to a security interest perfected under the law of that jurisdiction;
(b) thereafter the collateral is brought into another jurisdiction; and
(c) upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(4) Except as otherwise provided in subsection (5), a security interest in goods covered by a certificate of title that is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this state remains perfected until the security interest would have become unperfected under the law of the other jurisdiction the goods not become so covered.

(5) A security interest described in subsection (4) becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under 30-9A-311(2) or 30-9A-313 are not satisfied before the earlier of:

(a) the time the security interest would have become unperfected under the law of the other jurisdiction the goods not become so covered; or
(b) the expiration of 4 months after the goods had become so covered.

(6) A security interest in a deposit account, letter-of-credit right, or investment property that is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of:

(a) the time the security interest would have become unperfected under the law of the first that jurisdiction; or
(b) the expiration of 4 months after a change of the applicable jurisdiction to another jurisdiction.

(7) If a security interest described in subsection (6) becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the
security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(8) The following rules apply to collateral to which a security interest attaches within 4 months after the debtor changes its location to another jurisdiction:

(a) A financing statement filed before the change pursuant to the law of the jurisdiction designated in 30-9A-301(1) or 30-9A-305(3) is effective to perfect a security interest in the collateral if the financing statement would have been effective to perfect a security interest in the collateral had the debtor not changed its location.

(b) If a security interest perfected by a financing statement that is effective under subsection (8)(a) becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in 30-9A-301(1) or 30-9A-305(3) or the expiration of the 4-month period, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(9) If a financing statement naming an original debtor is filed pursuant to the law of the jurisdiction designated in 30-9A-301(1) or 30-9A-305(3) and the new debtor is located in another jurisdiction, the following rules apply:

(a) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within 4 months after, the new debtor becomes bound under 30-9A-203(4), if the financing statement would have been effective to perfect a security interest in the collateral had the collateral been acquired by the original debtor.

(b) A security interest perfected by the financing statement and which becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in 30-9A-301(1) or 30-9A-305(3) or the expiration of the 4-month period remains perfected thereafter. A security interest that is perfected by the financing statement but which does not become perfected under the law of the other jurisdiction before the earlier time or event becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.”

Section 7. Section 30-9A-317, MCA, is amended to read:

“30-9A-317. Interests that take priority over or take free of security interest or agricultural lien. (1) A security interest or agricultural lien is subordinate to the rights of:

(a) a person entitled to priority under 30-9A-322; and

(b) except as otherwise provided in subsection (5), a person that becomes a lien creditor before the earlier of the time:

(i) the security interest or agricultural lien is perfected; or

(ii) one of the conditions specified in 30-9A-203(2)(c) is met and a financing statement covering the collateral is filed.

(2) Except as otherwise provided in subsection (5), a buyer, other than a secured party, of chattel paper, tangible documents, goods, instruments, or a security certificate takes free of a security interest or
agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(3) Except as otherwise provided in subsection (5), a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

(4) A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic documents, general intangibles, or investment property collateral other than tangible chattel paper, tangible documents, goods, instruments, or a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.

(5) Except as otherwise provided in 30-9A-320 and 30-9A-321, if a person files a financing statement with respect to a purchase-money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor that arise between the time the security interest attaches and the time of filing.”

Section 8. Section 30-9A-326, MCA, is amended to read:

“30-9A-326. Priority of security interests created by new debtor. (1) Subject to subsection (2), a security interest that is created by a new debtor that is in collateral in which the new debtor has or acquires rights and is perfected solely by a filed financing statement that is effective solely under 30-9A-508 in collateral in which a new debtor has or acquires rights would be ineffective to perfect the security interest but for the application of 30-9A-316(9)(a) or 30-9A-508 is subordinate to a security interest in the same collateral that is perfected other than by another method such a filed financing statement.

(2) If more than one security interest in the same collateral is subordinate under subsection (1), the other provisions of this part, as applicable, determine the priority among the subordinated security interests. The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements described in subsection (1). However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor’s having become bound.”

Section 9. Section 30-9A-406, MCA, is amended to read:

“30-9A-406. Discharge of account debtor — notification of assignment — identification and proof of assignment — restrictions on assignment of accounts, chattel paper, payment intangibles, and promissory notes ineffective. (1) Subject to subsections (2) through (9), an account debtor on an account, chattel paper, or payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, authenticated by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(2) Subject to subsection (8), notification is ineffective under subsection (1):

(a) if it does not reasonably identify the rights assigned;
(b) to the extent that an agreement between an account debtor and a seller of
a payment intangible limits the account debtor’s duty to pay a person other than
the seller and the limitation is effective under law other than this chapter; or
(c) at the option of an account debtor, if the notification notifies the account
debtor to make less than the full amount of any installment or other periodic
payment to the assignee, even if:
   (i) only a portion of the account, chattel paper, or payment intangible has
       been assigned to that assignee;
   (ii) a portion has been assigned to another assignee; or
   (iii) the account debtor knows that the assignment to that assignee is
       limited.

(3) Subject to subsection (8), if requested by the account debtor, an assignee
shall seasonably furnish reasonable proof that the assignment has been made.
Unless the assignee complies, the account debtor may discharge its obligation
by paying the assignor, even if the account debtor has received a notification
under subsection (1).

(4) Except as otherwise provided in 30-2A-303, 30-9A-407, and subsection
(5) of this section, and subject to subsection (8) of this section, a term in an
agreement between an account debtor and an assignor or in a promissory note is
ineffective to the extent that it:
   (a) prohibits, restricts, or requires the consent of the account debtor or
       person obligated on the promissory note to the assignment or transfer of,
       or the creation, attachment, perfection, or enforcement of a security interest in,
       the account, chattel paper, payment intangible, or promissory note; or
   (b) provides that the assignment or transfer or the creation, attachment,
       perfection, or enforcement of the security interest may give rise to a default,
       breach, right of recoupment, claim, defense, termination, right of termination,
       or remedy under the account, chattel paper, payment intangible, or promissory
       note.

(5) Subsection (4) does not apply to:
   (a) the assignment or transfer or the creation, attachment, perfection, or
       enforcement of a security interest in:
       (i) a claim or right to receive compensation for injuries or sickness as
           described in 26 U.S.C. 104(a)(2); or
       (ii) a claim or right to receive benefits under a special needs trust as
           described in 42 U.S.C. 1396p(d)(4); or
   (b) the sale of a payment intangible or promissory note, other than a sale
       pursuant to a disposition under 30-9A-610 or an acceptance of collateral under
       30-9A-620.

(6) Except as otherwise provided in 30-2A-303 and 30-9A-407 and subject to
subsections (8) and (9), a rule of law, statute, or regulation that prohibits,
restricts, or requires the consent of a government, governmental body or official,
or account debtor to the assignment or transfer of, or creation of a security
interest in, an account or chattel paper is ineffective to the extent that the rule of
law, statute, or regulation:
   (a) prohibits, restricts, or requires the consent of the government,
       governmental body or official, or account debtor to the assignment or transfer of,
       or the creation, attachment, perfection, or enforcement of a security interest in
       the account or chattel paper; or
(b) provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(7) Subject to subsection (8), an account debtor may not waive or vary its option under subsection (2)(c).

(8) This section is subject to law other than this chapter that establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(9) This section does not apply to an assignment of a health-care-insurance receivable.”

Section 10. Section 30-9A-408, MCA, is amended to read:

“30-9A-408. Restrictions on assignment of promissory notes, health-care-insurance receivables, and certain general intangibles ineffective. (1) Except as otherwise provided in subsection (2), a term in a promissory note or in an agreement between an account debtor and a debtor that relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license, or franchise, and that prohibits, restricts, or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or the creation, attachment, or perfection of a security interest in, the promissory note, health-care-insurance receivable, or general intangible is ineffective to the extent that the term:

(a) would impair the creation, attachment, or perfection of a security interest; or

(b) provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(2) Subsection (1) applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note, other than a sale pursuant to a disposition under 30-9A-610 or an acceptance of collateral under 30-9A-620.

(3) A rule of law, including a provision in a statute or governmental rule or regulation, that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable, or general intangible, including a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute, or regulation:

(a) would impair the creation, attachment, or perfection of a security interest; or

(b) provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(4) To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor that relates to a health-care-insurance receivable or general intangible or a rule of law described in subsection (3) would be effective under law other than this chapter but is ineffective under subsection
(1) or (3), the creation, attachment, or perfection of a security interest in the promissory note, health-care-insurance receivable, or general intangible:

(a) is not enforceable against the person obligated on the promissory note or the account debtor;

(b) does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(c) does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;

(d) does not entitle the secured party to use or assign the debtor’s rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;

(e) does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(f) does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable, or general intangible.

(5) Subsections (1) and (3) do not apply to the assignment or transfer or the creation, attachment, or perfection of a security interest in:

(a) a claim or right to receive compensation for injuries or sickness as described in 26 U.S.C. 104(a)(2);

(b) a claim or right to receive benefits under a special needs trust as described in 42 U.S.C. 1396p(d)(4).

(6) This section prevails over any inconsistent provisions of other statutes or rules.”

(b) provides the name of the secured party or a representative of the secured party; and

(c) indicates the collateral covered by the financing statement.

(2) Except as otherwise provided in 30-9A-501(2), to be sufficient, a financing statement that covers as-extracted collateral or timber to be cut or that is filed as a fixture filing and covers goods that are or are to become fixtures must comply with the requirements of subsection (1) and also:

(a) indicate that it covers this type of collateral;

(b) indicate that it is to be filed for record in the real property records;

(c) provide a description of the real property to which the collateral is related sufficient to give constructive notice of the mortgage under the law of this state if the description were contained in a record of the mortgage of the real property; and

(d) if the debtor does not have an interest of record in the real property, provide the name of a record owner.
(3) A record of mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:
   (a) the record indicates the goods or accounts that it covers;
   (b) the goods are or are to become fixtures related to the real property described in the record or the collateral is related to the real property described in the record and is as-extracted collateral or timber to be cut;
   (c) the record complies with the requirements for a financing statement in this section, but:
      (i) other than an indication the record need not indicate that it is to be filed in the real property records; and
      (ii) the record sufficiently provides the name of a debtor who is an individual if it provides the individual name of the debtor or the surname and first personal name of the debtor, even if the debtor is an individual to whom 30-9A-503(1)(d) applies; and
   (d) the record is recorded.

(4) A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

Section 12. Section 30-9A-503, MCA, is amended to read:

“30-9A-503. Name of debtor and secured party. (1) A financing statement sufficiently provides the name of the debtor:
   (a) except as otherwise provided in subsection (1)(c), if the debtor is a registered organization, or the collateral is held in a trust that is a registered organization, only if the financing statement provides the name of the debtor if it provides the individual name of the debtor or the surname and first personal name of the debtor, even if the debtor is an individual to whom 30-9A-503(1)(d) applies; and
   (b) subject to subsection (6), if the debtor is a decedent’s estate, collateral is being administered by the personal representative of a decedent, only if the financing statement provides, as the name of the debtor, the name of the decedent and, in a separate part of the financing statement, indicates that the debtor is an estate; collateral is being administered by a personal representative;
   (c) if the debtor is a trust or a trustee acting with respect to property held in trust, only if the financing statement:
      (i) provides the name, if any, specified for the trust in its organic documents or, if no name is specified, provides the name of the settlor and additional information sufficient to distinguish the debtor from other trusts having one or more of the same settlors; and
      (ii) indicates, in the debtor’s name or otherwise, that the debtor is a trust or a trustee acting with respect to property held in trust and collateral is held in a trust that is not a registered organization, only if the financing statement:
         (i) provides, as the name of the debtor:
            (A) if the organic record of the trust specifies a name for the trust, the name specified; or
            (B) if the organic record of the trust does not specify a name for the trust, the name of the settlor or testator; and
         (ii) in a separate part of the financing statement:
(A) if the name is provided in accordance with subsection (1)(c)(i)(A), indicates that the collateral is held in a trust; or

(B) if the name is provided in accordance with subsection (1)(c)(i)(B), provides additional information sufficient to distinguish the trust from other trusts having one or more of the same settlors or the same testator and indicates that the collateral is held in a trust, unless the additional information so indicates;

(d) subject to subsection (7), if the debtor is an individual to whom this state has issued a driver’s license or state identification card that has not expired or to whom a tribe has issued a tribal identification card that has not expired, only if the financing statement provides the name of the individual which is indicated on the driver’s license, state identification card, or tribal identification card;

(e) if the debtor is an individual to whom subsection (1)(d) does not apply, only if the financing statement provides the individual name of the debtor or the surname and first personal name of the debtor; and

(f) in other cases:

(i) if the debtor has a name, only if it the financing statement provides the individual or organizational name of the debtor; and

(ii) if the debtor does not have a name, only if it provides the names of the partners, members, associates, or other persons comprising the debtor, in a manner that each name provided would be sufficient if the person named were the debtor.

(2) A financing statement that provides the name of the debtor in accordance with subsection (1) is not rendered ineffective by the absence of:

(a) a trade name or other name of the debtor; or

(b) unless required under subsection (1)(b)(ii), (1)(f)(ii), names of partners, members, associates, or other persons comprising the debtor.

(3) A financing statement that provides only the debtor’s trade name does not sufficiently provide the name of the debtor.

(4) Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.

(5) A financing statement may provide the name of more than one debtor and the name of more than one secured party.

(6) The name of the decedent indicated on the order appointing the personal representative of the decedent issued by the court having jurisdiction over the collateral is sufficient as the “name of the decedent” under subsection (1)(b).

(7) If this state has issued to an individual more than one driver’s license or state identification card of a kind described in subsection (1)(d), or if a tribe has issued more than one tribal identification card of a kind described in subsection (1)(d), the one that was issued most recently is the one to which subsection (1)(d) refers.

“30-9A-507. Effect of certain events on effectiveness of financing statement. (1) A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed, or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

(2) Except as otherwise provided in 30-9A-508 and subsection (3) of this section, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under the standard set forth in 30-9A-506.

(3) If a debtor so changes its name that a filed financing statement provides for a debtor becomes insufficient as the name of the debtor under 30-9A-503(1) so that the financing statement becomes seriously misleading under the standard set forth in 30-9A-506:

(a) the financing statement is effective to perfect a security interest in collateral acquired by the debtor before or within 4 months after the change filed financing statement becomes seriously misleading; and

(b) the financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than 4 months after the change filed financing statement becomes seriously misleading, unless an amendment to the financing statement that renders the financing statement not seriously misleading is filed within 4 months after the change.

Section 14. Section 30-9A-515, MCA, is amended to read:

“30-9A-515. Duration and effectiveness of financing statement — effect of lapsed financing statement. (1) Except as otherwise provided in subsections (2), (5), (6), and (7), a filed financing statement is effective for a period of 5 years after the date of filing.

(2) Except as otherwise provided in subsections (5), (6), and (7), an initial financing statement filed in connection with a public-finance transaction or manufactured-home transaction is effective for a period of 30 years after the date of filing if it indicates that it is filed in connection with a public-finance transaction or manufactured-home transaction.

(3) The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection (4). Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected without filing. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

(4) A continuation statement may be filed only within 6 months before the expiration of the 5-year period specified in subsection (1) or the 30-year period specified in subsection (2), whichever is applicable.

(5) Except as otherwise provided in 30-9A-510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of 5 years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the 5-year period, the financing statement lapses in the same manner as provided in subsection (3), unless, before the lapse, another continuation statement is filed pursuant to subsection (4). Succeeding
continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

(6) If a debtor is a transmitting utility and a filed initial financing statement so indicates, the financing statement is effective until a termination statement is filed.

(7) A record of mortgage that is effective as a fixture filing under 30-9A-502(3) remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property."

Section 15. Section 30-9A-516, MCA, is amended to read:

“30-9A-516. What constitutes filing — effectiveness of filing. (1) Except as otherwise provided in subsection (2), communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(2) Filing does not occur with respect to a record that a filing office refuses to accept because:

(a) the record is not communicated by a method or medium of communication authorized by the filing office;

(b) an amount equal to or greater than the applicable filing fee is not tendered;

(c) the filing office is unable to index the record because:

(i) in the case of an initial financing statement, the record does not provide a name for the debtor;

(ii) in the case of an amendment or correction information statement, the record:

(A) does not identify the initial financing statement as required by 30-9A-512 or 30-9A-518, as applicable; or

(B) identifies an initial financing statement whose effectiveness has lapsed under 30-9A-515;

(iii) in the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual that was not previously provided in the financing statement to which the record relates, the record does not identify the debtor's last name surname; or

(iv) in the case of a record filed or recorded in the filing office described in 30-9A-501(1)(a), the record does not provide a sufficient description of the real property to which it relates;

(d) in the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(e) in the case of an initial financing statement or an amendment that provides a name of a debtor that was not previously provided in the financing statement to which the amendment relates, the record does not:

(i) provide a mailing address for the debtor; or

(ii) indicate whether the name provided as the name of the debtor is the name of an individual or an organization; or

(iii) if the financing statement indicates that the debtor is an organization, provide:

(A) a type of organization for the debtor;
(B) a jurisdiction of organization for the debtor; or

(C) an organizational identification number for the debtor or indicate that
the debtor has none;

(f) in the case of an assignment reflected in an initial financing statement
under 30-9A-514(1) or an amendment filed under 30-9A-514(2), the record does
not provide a name and mailing address for the assignee; or

(g) in the case of a continuation statement, the record is not filed within the
6-month period prescribed by 30-9A-515(4).

(3) For purposes of subsection (2):

(a) a record does not provide information if the filing office is unable to read
or decipher the information; and

(b) a record that does not indicate that it is an amendment or identify an
initial financing statement to which it relates, as required by 30-9A-512,
30-9A-514, or 30-9A-518, is an initial financing statement.

(4) A record that is communicated to the filing office with tender of the filing
fee, but that the filing office refuses to accept for a reason other than one set
forth in subsection (2), is effective as a filed record except as against a purchaser
of the collateral that gives value in reasonable reliance upon the absence of the
record from the files.”

Section 16. Section 30-9A-518, MCA, is amended to read:

“30-9A-518. Claim concerning inaccurate or wrongfully filed
record. (1) A person may file in the filing office a correction an information
statement with respect to a record indexed there under the person’s name if the
person believes that the record is inaccurate or was wrongfully filed.

(2) A correction An information statement under subsection (1)
must:

(a) identify the record to which it relates by:

(i) the file number assigned to the initial financing statement to which the
record relates; and

(ii) if the correction information statement relates to a record filed in a filing
office described in 30-9A-501(1)(a), the date that the initial financing statement
was filed or recorded and the information specified in 30-9A-502(2);

(b) indicate that it is a correction an information statement; and

(c) provide the basis for the person’s belief that the record is inaccurate and
indicate the manner in which the person believes the record should be amended
to cure any inaccuracy or provide the basis for the person’s belief that the record
was wrongfully filed.

(3) A person may file in the filing office an information statement with respect
to a record filed there if the person is a secured party of record with respect to the
financing statement to which the record relates and believes that the person that
filed the record was not entitled to do so under 30-9A-509(4).

(4) An information statement under subsection (3) must:

(a) identify the record to which it relates by:

(i) the file number assigned to the initial financing statement to which the
record relates; and

(ii) if the information statement relates to a record filed in a filing office
described in 30-9A-501(1)(a), the date that the initial financing statement was
filed and the information specified in 30-9A-502(2);

(b) indicate that it is an information statement; and
(c) provide the basis for the person’s belief that the person that filed the record was not entitled to do so under 30-9A-509(4).

(5) The filing of a correction an information statement does not affect the effectiveness of an initial financing statement or other filed record.”

Section 17. Section 30-9A-521, MCA, is amended to read:

“30-9A-521. Uniform form of written financing statement and amendment. (1) A filing office that accepts written records may not refuse to accept a written initial financing statement in the model form and format adopted by the secretary of state set forth in the official text of the 2010 amendments to Article 9 of the Uniform Commercial Code promulgated by The American Law Institute and the National Conference of Commissioners on Uniform State Laws, except for a reason set forth in 30-9A-502 and 30-9A-516(2).

(2) A filing office that accepts written records may not refuse to accept a written record in the model form and format adopted by the secretary of state set forth as Form UCC3 and Form UCC3Ad in the final official text of the 2010 amendments to Article 9 of the Uniform Commercial Code promulgated by The American Law Institute and the National Conference of Commissioners on Uniform State Laws, except for a reason set forth in 30-9A-502 and 30-9A-516(2).”

Section 18. Section 30-9A-607, MCA, is amended to read:

“30-9A-607. Collection and enforcement by secured party. (1) If so agreed, and in any event on default, a secured party:

(a) may notify an account debtor or other person obligated on collateral to make payment or otherwise render performance to or for the benefit of the secured party;

(b) may take any proceeds to which the secured party is entitled under 30-9A-315;

(c) may enforce the obligations of an account debtor or other person obligated on collateral and exercise the rights and remedies of the debtor with respect to the obligation of the account debtor or other person obligated on collateral to make payment or otherwise render performance to the debtor and with respect to any property that secures the obligations of the account debtor or other person obligated on the collateral;

(d) if it holds a security interest in a deposit account perfected by control under 30-9A-104(1)(a), may apply the balance of the deposit account to the obligation secured by the deposit account; and

(e) if it holds a security interest in a deposit account perfected by control under 30-9A-104(1)(b) or (1)(c), may instruct the bank to pay the balance of the deposit account to or for the benefit of the secured party.

(2) If necessary to enable a secured party to exercise under subsection (1)(c) the right of a debtor to enforce nonjudicially any mortgage, the secured party may record in the office in which the mortgage is recorded:

(a) a copy of the security agreement that creates or provides for a security interest in the obligation secured by the mortgage; and

(b) the secured party’s sworn affidavit in recordable form stating that:

(i) a default has occurred with respect to the obligation secured by the mortgage; and

(ii) the secured party is entitled to enforce the mortgage nonjudicially.
(3) A secured party shall proceed in a commercially reasonable manner if the secured party:
(a) undertakes to collect from or enforce an obligation of an account debtor or other person obligated on collateral; and
(b) is entitled to charge back uncollected collateral or otherwise to full or limited recourse against the debtor or a secondary obligor.

(4) A secured party may deduct from the collections made pursuant to subsection (3) reasonable expenses of collection and enforcement, including reasonable attorneys fees and legal expenses incurred by the secured party.

(5) This section does not determine whether an account debtor, bank, or other person obligated on collateral owes a duty to a secured party.”

Section 19. Security interest perfected before effective date. (1) A security interest that is a perfected security interest immediately before [the effective date of this act] is a perfected security interest under this chapter if, on [the effective date of this act], the applicable requirements for attachment and perfection under this chapter are satisfied without further action.

(2) Except as otherwise provided in [section 20], if, immediately before [the effective date of this act], a security interest is a perfected security interest, but the applicable requirements for perfection under this chapter are not satisfied on [the effective date of this act], the security interest remains perfected thereafter only if the applicable requirements for perfection under this chapter are satisfied within 1 year after [the effective date of this act].

Section 20. Security interest unperfected before effective date. A security interest that is an unperfected security interest immediately before [the effective date of this act] becomes a perfected security interest:
(1) without further action on [the effective date of this act] if the applicable requirements for perfection under this chapter are satisfied before or at that time; or
(2) when the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

Section 21. Effectiveness of action taken before effective date. (1) The filing of a financing statement before [the effective date of this act] is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this chapter.

(2) This chapter does not render ineffective an effective financing statement that, before [the effective date of this act], is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former chapter 9A. However, except as otherwise provided in [section 22] and subsections (3) and (4) of this section, the financing statement ceases to be effective:
(a) if the financing statement is filed in this state, at the time the financing statement would have ceased to be effective had [this act] not taken effect; or
(b) if the financing statement is filed in another jurisdiction, at the earlier of:
(i) the time the financing statement would have ceased to be effective under the law of that jurisdiction; or

(3) The filing of a continuation statement after [the effective date of this act] does not continue the effectiveness of a financing statement filed before [the effective date of this act]. However, upon the timely filing of a continuation statement after [the effective date of this act] and in accordance with the law of
the jurisdiction governing perfection as provided in this chapter, the effectiveness of a financing statement filed in the same office in that jurisdiction before [the effective date of this act] continues for the period provided by the law of that jurisdiction.

(4) Subsection (2)(b)(ii) applies to a financing statement that, before [the effective date of this act], is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in former chapter 9A, only to the extent that this chapter provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

(5) A financing statement that includes a financing statement filed before [the effective date of this act] and a continuation statement filed after [the effective date of this act] is effective only to the extent that this chapter provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

Section 22. When initial financing statement suffices to continue effectiveness of financing statement. (1) The filing of an initial financing statement in the office specified in 30-9A-501 continues the effectiveness of a financing statement filed before [the effective date of this act] if:

(a) the filing of an initial financing statement in that office would be effective to perfect a security interest under this chapter.

(b) the pre-effective-date financing statement was filed in an office in another state; and

(c) the initial financing statement satisfies subsection (3).

(2) The filing of an initial financing statement under subsection (1) continues the effectiveness of the pre-effective-date financing statement:

(a) if the initial financing statement is filed before [the effective date of this act], for the period provided in former 30-9A-515 with respect to an initial financing statement; and

(b) if the initial financing statement is filed after [the effective date of this act], for the period provided in 30-9A-515 with respect to an initial financing statement.

(3) To be effective for purposes of subsection (1), an initial financing statement must:

(a) satisfy the requirements of Title 30, chapter 9A, part 5, for an initial financing statement;

(b) identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(c) indicate that the pre-effective-date financing statement remains effective.
Section 23. Amendment of pre-effective-date financing statement.

(1) In this section, “pre-effective-date financing statement” means a financing statement filed before [the effective date of this act].

(2) After [the effective date of this act], a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in Title 30, chapter 9A. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

(3) Except as otherwise provided in subsection (4), if the law of this state governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended after [the effective date of this act] only if:

(a) the pre-effective-date financing statement and an amendment are filed in the office specified in section 30-9A-501;

(b) an amendment is filed in the office specified in section 30-9A-501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies [section 22(3)]; or

(c) an initial financing statement that provides the information as amended and satisfies [section 22(3)] is filed in the office specified in 30-9A-501.

(4) If the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under [section 21(3)] and [section 21(5)] or [section 22].

(5) Whether or not the law of this state governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this state may be terminated after [the effective date of this act] by filing a termination statement in the office in which the pre-effective-date financing statement is filed unless an initial financing statement that satisfies [section 22(3)] has been filed in the office specified by the law of the jurisdiction governing perfection as provided in Title 30, chapter 9A, as the office in which to file a financing statement.

Section 24. Person entitled to file initial financing statement or continuation statement. A person may file an initial financing statement or a continuation statement under [sections 19 through 25] if:

(1) the secured party of record authorizes the filing; and

(2) the filing is necessary under this part:

(a) to continue the effectiveness of a financing statement filed before [the effective date of this act]; or

(b) to perfect or continue the perfection of a security interest.

Section 25. Priority. This chapter determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before [the effective date of this act], Title 30, former chapter 9A, determines priority.

Section 26. Savings provisions. (1) Except as otherwise provided in [sections 19 through 25], this chapter applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before [the effective date of this act].

(2) This chapter does not affect an action, case, or proceeding commenced before [the effective date of this act].
Section 27. Codification instruction. [Sections 19 through 25] are intended to be codified as an integral part of Title 30, chapter 9A, and the provisions of Title 30, chapter 9A, apply to [sections 19 through 25].

Section 28. Effective date. [This act] is effective July 1, 2013.

AN ACT PROVIDING THAT A CHARGE FOR UNEMPLOYMENT INSURANCE MAY NOT BE MADE AGAINST A BUSINESS IMPACTED BY A PRESIDENTIALLY DECLARED NATURAL DISASTER IF EMPLOYEE LAYOFFS ARE DIRECTLY RELATED TO THE DISASTER; REQUIRING VERIFICATION OF EMPLOYER LOCATION IN DISASTER AREA; AMENDING SECTIONS 39-51-301, 39-51-1213, AND 39-51-1214, MCA; AND PROVIDING A RETROACTIVE APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-51-301, MCA, is amended to read:

“39-51-301. Administration — duties and powers of department — duties and powers of board — emergency provisions. (1) It is the duty of the department to administer this chapter. The department may adopt, amend, or rescind rules to employ persons, make expenditures, require reports, make investigations, and take action that the department considers necessary or suitable in administering this chapter.

(2) The department shall determine its own organization and methods of procedure in accordance with the provisions of this chapter and must have an official seal, which is judicially noticed.

(3) Whenever the department believes that a change in contribution or benefit rates is necessary to protect the solvency of the fund, the department shall promptly inform the governor and the legislature and make recommendations with respect to the change.

(4) (a) The department and the board may jointly or individually issue subpoenas and compel testimony and the production of evidence, including books, records, papers, documents, and other objects that may be necessary and proper in regard to any investigation or proceeding under this chapter.

(b) If a subpoena issued and served under this section is disobeyed or if a witness refuses to testify to any matter for which the witness may be interrogated in a proceeding before the department, the department may apply to a district court for an order to compel compliance with the subpoena or testimony. Disobedience of the court's order constitutes contempt of court.
(a) In the aftermath of a disaster, as defined in 10-3-103, the department may waive, suspend, or modify its rules concerning the filing of a claim for benefits, filing continued claims, registration for work, or work search if all of the following conditions are met:

(i) the president of the United States declares a disaster pursuant to 42 U.S.C. 5170, et seq.; and

(ii) the governor issues an executive order directing the department to waive, suspend, or modify rules relating to claims.

(b) In a disaster declared under subsection (5)(a), the department may waive, suspend, or modify its rules relating to claims in portions of the state named by the department as appropriate to address the nature of the disaster and the purposes of unemployment insurance laws.

(c) The department shall verify that an employer who has laid off employees because of a disaster declared under subsection (5)(a) is in the portion of the state covered by the disaster order. If the employer is eligible, the department shall implement the provisions of 39-51-1214(2)(h)."

Section 2. Section 39-51-1213, MCA, is amended to read:

“39-51-1213. Classification of employers for experience rating purposes. (1) The department shall for each calendar year classify employers in accordance with their actual experience in the payment of contributions and with respect to benefits charged against their accounts, with contribution rates reflecting benefit experience. Each employer's rate for a calendar year must be determined on the basis of the employer's record as of October 1 of the preceding calendar year.

(2) In making the classification, each eligible and deficit employer's contribution rate is determined in the manner set forth below:

(a) Each employer is given an “experience factor”, which is contributions paid since October 1, 1981, minus benefits charged on each employer's account since October 1, 1981, divided by the employer's average annual taxable payroll rounded to the next lower dollar amount for the 3 federal fiscal years immediately preceding the computation date. The computation of the “experience factor” must be to six decimal places.

(b) Schedules must be prepared listing all eligible and deficit employers in inverse numerical order of their experience factors. There must be listed on the schedules for each employer in addition to the experience factor:

(i) the amount of the employer's taxable payroll for the federal fiscal year ending on the computation date; and

(ii) the cumulative total consisting of the sum of the employer's taxable payroll for the federal fiscal year ending on the computation date and the corresponding taxable payrolls for all other employers preceding that employer on the schedules.

(3) The cumulative taxable payroll amounts listed on the schedules provided for in 39-51-1218 must be segregated into groups that will yield approximately the average tax rate according to the tax schedule assigned for that particular taxable year. Each group must be identified by the rate class number listed in the table that represents the percentage limits of each group. Each employer on the schedules is assigned that contribution rate opposite that employer's rate class for the tax schedule in effect for the taxable year.

(4) (a) If the grouping of rate classes requires the inclusion of exactly one-half of an employer's taxable payroll, the employer is assigned the lower of
the two rates designated for the two classes in which the halves of that employer's taxable payroll are required.

(b) If the group of rate classes requires the inclusion of a portion other than exactly one-half of an employer's taxable payroll, the employer is assigned the rate designated for the class in which the greater part of that employer's taxable payroll is required.

(c) If one or more employers on the schedules have experience factors identical to that of the last employer included in a particular rate class, those employers are included in and assigned the contribution rate specified for the class, notwithstanding the provisions of 39-51-1214.

(5) If the taxable payroll amount, the experience factor, or both of any eligible or deficit employer listed on the schedules is changed, the employer is placed in that position on the schedules that the employer would have occupied had that employer's taxable payroll amount or experience factor as changed been used in determining that employer's position in the first instance. However, the change does not affect the position or rate classification of any other employer listed on the schedules and does not affect the rate determination for previous years.

(6) An employer who has not filed all required payroll reports or paid all taxes, penalties, and interest due by the cutoff date must be assigned a contribution rate in effect for the taxable year for the employer's classification as an eligible, deficit, or new employer, plus an additional assessment of 50% of the employer's assigned contribution rate, rounded to the nearest 1/100 of 1%.

Section 3. Section 39-51-1214, MCA, is amended to read:

“39-51-1214. Benefit payments chargeable to employer experience rating accounts. (1) Except for cost reimbursement, benefits paid must be charged to the account of each of the claimant’s base period employers. The benefit charged must be based on the percentage of wages paid by the employer as compared to the total wages paid by all employers in the claimant’s base period.

(2) The account of an employer with an experience rating as provided in 39-51-1213 may not be charged with respect to benefits paid under the following situations:

(a) if paid to a worker who terminated services voluntarily without good cause attributable to a covered employer or who had been discharged for misconduct in connection with services;

(b) if paid in accordance with the extended benefit program triggered by either national or state indicators;

(c) if the base period employer continues to provide employment with no reduction in hours or wages;

(d) if benefits are paid to claimants who are in training approved under 39-51-2307;

(e) if the base period employer is ordered to military service, as defined in 10-1-1003;

(f) if benefits are paid to an employee laid off as the result of the return to work of a permanent employee who:

(i) was called to military service, as defined in 10-1-1003; and

(ii) had completed 4 or more weeks of military service and exercised reemployment rights under Title 10, chapter 1, part 10; or

213 MONTANA SESSION LAWS 2013 Ch. 81
(g) if the worker separates from employment as a result of domestic violence, a sexual assault, or stalking pursuant to 39-51-2111;

(h) if benefits are paid to a claimant laid off as a direct result of a major natural disaster declared by the president pursuant to 42 U.S.C. 5170, et seq., if the recipient of the benefits would have been eligible for federal disaster unemployment assistance with respect to that unemployment except for their receipt of state unemployment insurance benefits.”

Section 4. Retroactive applicability. [This act] applies retroactively, within the meaning of 1-2-109, to any claims filed on or after January 1, 2011, that were charged to the account of an employer with an experience rating if that employer was in an area covered by a disaster declaration under 42 U.S.C. 5170, et seq.

Section 4. Section 87-2-903, MCA, is amended to read:

“87-2-903. Compensation, fees, and duties of agents — penalty for late submission of license money. (1) License agents, except salaried employees of the department, must receive for all services rendered a commission of 50 cents for each transaction, plus any additional amount as determined under subsection (9) and by rules adopted pursuant to subsection (10).

(2) A license agent may charge a convenience fee of up to 3% of the total amount of a transaction if a purchase is made with a credit card or a debit card. A financial institution or credit card company may not prohibit collection of the convenience fee provided for in this subsection.

(3) Each license agent shall submit to the department the money received from the sale of licenses and donations received pursuant to [section 1], less the appropriate commission and convenience fee.

(4) Each license agent shall submit to the department copies of each paper license sold.

(5) The department may charge license agents appointed after March 1, 1998, an electronic license system fee not to exceed actual costs.

(6) The department may designate classes of license agents and may establish a protocol for each class of agent. Each license agent shall keep the license account open at all reasonable hours to inspection by the department, the director, the wardens, or the legislative auditor.

(7) For purposes of this section, the term “transaction” includes the sale of any license or permit, collection of any data or fee, or issuance of any certificate prescribed by the department. The term does not include donations collected pursuant to [section 1].
(8) If a license agent fails to submit to the department all money received from the declared sale of licenses and from donations received pursuant to [section 1], less the appropriate commission and convenience fee, by the deadline established by the department, an interest charge equal to the rate charged under 15-1-216 may be assessed. Acceptance of late payments with interest does not preclude the department from summarily revoking the appointment of a license agent under 87-2-904.

(9) A license agent, except for an electronic service provider, must receive a commission of 50 cents for each ticket the agent processes for a hunting license lottery held pursuant to 87-1-271.

(10) The department may adopt rules necessary to implement this section.”

CHAPTER NO. 88

[HB 330]

AN ACT REVISING LAWS RELATED TO DISSOLUTION PROCEEDINGS; REQUIRING THAT CERTAIN SENSITIVE DATA PRODUCED IN A DISSOLUTION PROCEEDING BE SEALED FROM PUBLIC ACCESS; REVISING CERTAIN DEADLINES; AMENDING SECTIONS 40-4-105, 40-4-121, 40-4-201, 40-4-202, 40-4-203, 40-4-204, 40-4-205, 40-4-215, 40-4-219, AND 40-4-220, MCA; AND PROVIDING AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 40-4-105, MCA, is amended to read:

"40-4-105. Procedure — commencement — pleadings — abolition of existing defenses. (1) The verified petition in a proceeding for dissolution of marriage or legal separation must allege that the marriage is irretrievably broken and must set forth:

(a) the age, occupation, and residence of each party and the party’s length of residence in this state;

(b) the date of the marriage and the place at which it was registered;

(c) that the jurisdictional requirements of 40-4-104 exist and that the marriage is irretrievably broken in that either:

(i) the parties have lived separate and apart for a period of more than 180 days preceding the commencement of this proceeding; or

(ii) there is serious marital discord that adversely affects the attitude of one or both of the parties towards the marriage, and there is no reasonable prospect of reconciliation;

(d) the names, ages, and addresses of all living children of the marriage and whether the wife is pregnant;

(e) any arrangements as to support of the children and maintenance of a spouse;

(f) a proposed parenting plan, if applicable; and

(g) the relief sought.

(2) Either or both parties to the marriage may initiate the proceeding.

(3) If a proceeding is commenced by one of the parties, the other party must be served in the manner provided by the Montana Rules of Civil Procedure and may within 20 days after the date of service file a verified response. A decree may not be entered until 20 days after the date of service.

(4) Previously existing defenses to divorce and legal separation, including but not limited to condonation, connivance, collusion, recrimination, insanity, and lapse of time, are abolished.
Section 2. Section 40-4-121, MCA, is amended to read:

“40-4-121. Temporary order for maintenance or support, temporary injunction, or temporary restraining order. (1) In a proceeding for dissolution of marriage or for legal separation or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court that lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance, temporary support of a child of the marriage entitled to support, or a temporary family support order. When a party is receiving public assistance, as defined in 40-5-201, for the minor children at issue or when a party receives public assistance during the life of a temporary family support order, the temporary family support order must designate separately the amounts of temporary child support and temporary maintenance, if any. The temporary child support order or the designated child support portion of the family support order must be determined as required in 40-4-204. The motion must be accompanied by an affidavit setting forth the factual basis for the motion, the amounts requested, a list of marital estate liabilities, a statement of sources of income of the parties and of a child of the marriage entitled to support, and, in the case of a motion for a temporary family support order, a proposal designating the party responsible for paying each liability. If ordered by a court, a temporary family support order must, without prejudice, direct one or both parties to pay, out of certain income sources, liabilities of the marital estate during the pendency of the action, including maintenance liabilities for a party or support of a child of the marriage entitled to support. If income sources are insufficient to meet the marital estate periodic liabilities, the temporary family support order may direct that certain liabilities be paid from assets of the marital estate. At any time during the proceedings, the court may order any temporary family support payments to be designated as temporary maintenance, temporary child support, or partial property distribution, retroactive to the date of the motion for a temporary family support order. When a party obtains public assistance, as defined in 40-5-201, or applies for services under Title IV-D of the Social Security Act, after the court has issued
a temporary family support order, the petitioner shall promptly move the court for designation of the parts, if any, of the temporary family support order that are maintenance and child support and the court shall promptly so designate, determining the child support obligation as required in 40-4-204.

(2) As a part of a motion for temporary maintenance, temporary support of a child, or a temporary family support order or by independent motion accompanied by affidavit, either party may request that the court issue a temporary injunction for any of the following relief:

(a) restraining a person from transferring, encumbering, concealing, or otherwise disposing of any property, except in the usual course of business or for the necessities of life, and if so restrained, requiring the person to notify the moving party of any proposed extraordinary expenditures made after the order is issued;

(b) restraining both parties from cashing, borrowing against, canceling, transferring, disposing of, or changing the beneficiaries of any insurance or other coverage, including life, health, automobile, and disability coverage held for the benefit of a party or a child of a party for whom support may be ordered;

(c) enjoining a party from molesting or disturbing the peace of the other party or of any family member or from stalking, as defined in 45-5-220;

(d) excluding a party from the family home or from the home of the other party upon a showing that physical or emotional harm would otherwise result;

(e) enjoining a party from removing a child from the jurisdiction of the court;

(f) ordering a party to complete counseling, including alcohol or chemical dependency counseling or treatment;

(g) providing other injunctive relief proper in the circumstances; and

(h) providing additional relief available under Title 40, chapter 15.

(3) When the clerk of the district court issues a summons pursuant to this chapter, the clerk shall issue and include with the summons a temporary restraining order:

(a) restraining both parties from transferring, encumbering, hypothecating, concealing, or in any way disposing of any property, real or personal, whether jointly or separately held, without either the consent of the other party or an order of the court, except in the usual course of business or for the necessities of life. The restraining order must require each party to notify the other party of any proposed extraordinary expenditures at least 5 business days before incurring the expenditures and to account to the court for all extraordinary expenditures made after service of the summons. However, the restraining order may not preclude either party from using any property to pay reasonable attorney fees in order to retain counsel in the proceeding.

(b) restraining both parties from cashing, borrowing against, canceling, transferring, disposing of, or changing the beneficiaries of any insurance or other coverage, including life, health, automobile, and disability coverage held for the benefit of a party or a child of a party for whom support may be ordered. However, nothing in this subsection (3) adversely affects the rights, title, or interest of a purchaser, encumbrancer, or lessee for value if the purchaser, encumbrancer, or lessee does not have actual knowledge of the restraining order.

(4) A person may seek the relief provided for in subsection (2) without filing a petition under this part for a dissolution of marriage or legal separation by filing a verified petition requesting relief under Title 27, chapter 19, part 3. Any temporary injunction entered under this subsection must be for a fixed period of
time, not to exceed 1 year, and may be modified as provided in Title 27, chapter 19, part 4, and 40-4-208, as appropriate.

(5) The court may issue a temporary restraining order for a period not to exceed 20 days without requiring notice to the other party only if it finds on the basis of the moving affidavit or other evidence that irreparable injury will result to the moving party if an order is not issued until the time for responding has elapsed.

(6) The party against whom a temporary injunction is sought must be served with notice and a copy of the motion and is entitled to a hearing on the motion. A response may be filed within 20 days after service of notice of motion or at the time specified in the temporary restraining order.

(7) At the time of the hearing, the court shall:
   a. inform both parties that the temporary injunction may contain a provision or provisions that limit the rights of one or both parties relating to firearms under state law or a provision or provisions that may subject one or both parties to state or federal laws that limit their rights relating to firearms; and
   b. determine whether good cause exists for the injunction to continue for 1 year.

(8) On the basis of the showing made and in conformity with 40-4-203 and 40-4-204, the court may issue a temporary injunction and an order for temporary maintenance, temporary child support, or temporary family support in amounts and on terms just and proper in the circumstance.

(9) A temporary order or injunction, entered pursuant to Title 40, chapter 15, or this section:
   a. may be revoked or modified on a showing by affidavit of the facts necessary to revocation or modification of a final decree under 40-4-208;
   b. terminates upon order of the court or when the petition is voluntarily dismissed and, in the case of a temporary family support order, upon entry of the decree of dissolution; and
   c. when issued under this section, must conspicuously bear the following: “Violation of this order is a criminal offense under 45-5-220 or 45-5-626.”

(10) When the petitioner has fled the parties’ residence, notice of the petitioner’s new residence must be withheld except by order of the court for good cause shown.

(11) The court shall seal any qualified domestic relations order, as defined in section 414(p) of the Internal Revenue Code, 26 U.S.C. 414(p), that is issued under this part except for access by the pension plan administrator of the plan for which benefits are being distributed by the order, the child support enforcement division, the parties, and each party’s counsel of record.”

Section 3. Section 40-4-201, MCA, is amended to read:

“40-4-201. Separation agreement. (1) To promote amicable settlement of disputes between parties to a marriage attendant upon their separation or the dissolution of their marriage, the parties may enter into a written separation agreement containing provisions for disposition of any property owned by either of them, maintenance of either of them, and support, parenting, and parental contact with their children. In cases in which children are involved, the separation agreement may contain a parenting plan as required in 40-4-234.

(2) Subject to subsection (7), in a proceeding for dissolution of marriage or for legal separation, the terms of the separation agreement, except those providing
for the support, parenting, and parental contact with children, are binding upon the court unless it finds, after considering the economic circumstances of the parties and any other relevant evidence produced by the parties, on their own motion or on request of the court, that the separation agreement is unconscionable.

(3) If the court finds the separation agreement unconscionable, it may request that the parties submit a revised separation agreement or it may make orders for the disposition of property, maintenance, and support.

(4) If the court finds that the separation agreement is not unconscionable as to disposition of property or maintenance and not unsatisfactory as to support:
   (a) unless the separation agreement provides to the contrary, its terms must be set forth in the decree of dissolution or legal separation and the parties ordered to perform them; or
   (b) if the separation agreement provides that its terms may not be set forth in the decree, the decree must identify the separation agreement and state that the court has found the terms not unconscionable.

(5) Terms of the agreement set forth in the decree are enforceable by all remedies available for enforcement of a judgment, including contempt, and are enforceable as contract terms.

(6) Except as provided in subsection (7) and except for terms concerning the support, parenting, or parental contact with the children, the decree may expressly preclude or limit modification of terms set forth in the decree if provided for in the separation agreement. Otherwise, terms of a separation agreement set forth in the decree are automatically modified by modification of the decree.

(7) The decree may be modified, as provided in 40-4-251 through 40-4-258, for failure to disclose assets and liabilities.

(8) The court shall seal any qualified domestic relations order, as defined in section 414(p) of the Internal Revenue Code, 26 U.S.C. 414(p), that is issued under this part except for access by the pension plan administrator of the plan for which benefits are being distributed by the order, the child support enforcement division, the parties, and each party’s counsel of record.”

Section 4. Section 40-4-202, MCA, is amended to read:

“40-4-202. Division of property. (1) In a proceeding for dissolution of a marriage, legal separation, or division of property following a decree of dissolution of marriage or legal separation by a court which lacked personal jurisdiction over the absent spouse or lacked jurisdiction to divide the property, the court, without regard to marital misconduct, shall, and in a proceeding for legal separation may, finally equitably apportion between the parties the property and assets belonging to either or both, however and whenever acquired and whether the title thereto to the property and assets is in the name of the husband or wife or both. In making apportionment, the court shall consider the duration of the marriage and prior marriage of either party, the age, health, station, occupation, amount and sources of income, vocational skills, employability, estate, liabilities, and needs of each of the parties, custodial provisions, whether the apportionment is in lieu of or in addition to maintenance, and the opportunity of each for future acquisition of capital assets and income. The court shall also consider the contribution or dissipation of value of the respective estates and the contribution of a spouse as a homemaker or to the family unit. In dividing property acquired prior to the marriage, property acquired by gift, bequest, devise, or descent, property
acquired in exchange for property acquired before the marriage or in exchange for property acquired by gift, bequest, devise, or descent, the increased value of property acquired prior to marriage, and property acquired by a spouse after a decree of legal separation, the court shall consider those contributions of the other spouse to the marriage, including:

(a) the nonmonetary contribution of a homemaker;
(b) the extent to which such contributions have facilitated the maintenance of the property; and
(c) whether or not the property division serves as an alternative to maintenance arrangements.

(2) In a proceeding, the court may protect and promote the best interests of the children by setting aside a portion of the jointly and separately held estates of the parties in a separate fund or trust for the support, maintenance, education, and general welfare of any minor, dependent, or incompetent children of the parties.

(3) Each spouse is considered to have a common ownership in marital property that vests immediately preceding the entry of the decree of dissolution or declaration of invalidity. The extent of the vested interest must be determined and made final by the court pursuant to this section.

(4) The division and apportionment of marital property caused by or incident to a decree of dissolution, a decree of legal separation, or a declaration of invalidity is not a sale, exchange, transfer, or disposition of or dealing in property but is a division of the common ownership of the parties for purposes of:

(a) the property laws of this state;
(b) the income tax laws of this state; and
(c) the federal income tax laws.

(5) Premarital agreements must be enforced as provided in Title 40, chapter 2, part 6.

(6) The court shall seal any qualified domestic relations order, as defined in section 414(p) of the Internal Revenue Code, 26 U.S.C. 414(p), that is issued under this part except for access by the pension plan administrator of the plan for which benefits are being distributed by the order, the child support enforcement division, the parties, and each party’s counsel of record.”

Section 5. Section 40-4-203, MCA, is amended to read:

“40-4-203. Maintenance. (1) In a proceeding for dissolution of marriage or legal separation or a proceeding for maintenance following dissolution of the marriage by a court that lacked personal jurisdiction over the absent spouse, the court may grant a maintenance order for either spouse only if it finds that the spouse seeking maintenance:

(a) lacks sufficient property to provide for the spouse’s reasonable needs; and
(b) is unable to be self-supporting through appropriate employment or is the custodian of a child whose condition or circumstances make it appropriate that the custodian not be required to seek employment outside the home.

(2) The maintenance order must be in amounts and for periods of time that the court considers just, without regard to marital misconduct, and after considering all relevant facts, including:

(a) the financial resources of the party seeking maintenance, including marital property apportioned to that party, and the party’s ability to meet the party’s needs independently, including the extent to which a provision for
support of a child living with the party includes a sum for that party as custodian;

(b) the time necessary to acquire sufficient education or training to enable the party seeking maintenance to find appropriate employment;

(c) the standard of living established during the marriage;

(d) the duration of the marriage;

(e) the age and the physical and emotional condition of the spouse seeking maintenance; and

(f) the ability of the spouse from whom maintenance is sought to meet the spouse's own needs while meeting those of the spouse seeking maintenance.

(3) The court shall seal any qualified domestic relations order, as defined in section 414(p) of the Internal Revenue Code, 26 U.S.C. 414(p), that is issued under this part except for access by the pension plan administrator of the plan for which benefits are being distributed by the order, the child support enforcement division, the parties, and each party's counsel of record.”

Section 6. Section 40-4-204, MCA, is amended to read:

“40-4-204. Child support — orders to address health insurance — withholding of child support. (1) In a proceeding for dissolution of marriage, legal separation, maintenance, or child support, the court shall order either or both parents owing a duty of support to a child to pay an amount reasonable or necessary for the child's support, without regard to marital misconduct.

(2) The court shall consider all relevant factors, including:

(a) the financial resources of the child;

(b) the financial resources of the parents;

(c) the standard of living that the child would have enjoyed had the marriage not been dissolved;

(d) the physical and emotional condition of the child and the child's educational and medical needs;

(e) the age of the child;

(f) the cost of day care for the child;

(g) any parenting plan that is ordered or decided upon; and

(h) the needs of any person, other than the child, whom either parent is legally obligated to support.

(3) (a) Whenever a court issues or modifies an order concerning child support, the court shall determine the child support obligation by applying the standards in this section and the uniform child support guidelines adopted by the department of public health and human services pursuant to 40-5-209. The guidelines must be used in all cases, including cases in which the order is entered upon the default of a party and those in which the parties have entered into an agreement regarding the support amount. A verified representation of the defaulting parent's income, based on the best information available, may be used when a parent fails to provide financial information for use in applying the guidelines. The amount determined under the guidelines is presumed to be an adequate and reasonable support award, unless the court finds by clear and convincing evidence that the application of the standards and guidelines is unjust to the child or to any of the parties or that it is inappropriate in that particular case.

(b) If the court finds that the guideline amount is unjust or inappropriate in a particular case, it shall state its reasons for that finding. Similar reasons must
also be stated in a case in which the parties have agreed to a support amount that varies from the guideline amount. Findings that rebut and vary the guideline amount must include a statement of the amount of support that would have ordinarily been ordered under the guidelines.

(c) If the court does not order a parent owing a duty of support to a child to pay any amount for the child's support, the court shall state its reasons for not ordering child support.

(d) Child support obligations established under this section are subject to the registration and processing provisions of Title 40, chapter 5, part 9.

(4) Each temporary or final district court judgment, decree, or order establishing a child support obligation under this title and each modification of a final order for child support must include a medical support order as provided for in Title 40, chapter 5, part 8.

(5) (a) Unless the court makes a written exception under 40-5-315 or 40-5-411 and the exception is included in the support order, a support obligation established by judgment, decree, or order under this section, whether temporary or final, and each modification of an existing support obligation under 40-4-208 must be enforced by immediate or delinquency income withholding, or both, under Title 40, chapter 5, part 3 or 4. A support order that omits the written exceptions provided in 40-5-315 or 40-5-411 or that provides for a payment arrangement inconsistent with this section is nevertheless subject to withholding for the payment of support without need for an amendment to the support order or for any further action by the court.

(b) If an obligor is exempt from immediate income withholding, the district court judgment or order must include a warning statement that if the obligor is delinquent in the payment of support, the obligor's income may be subject to income-withholding procedures under Title 40, chapter 5, part 3 or 4. Failure to include a warning statement in a judgment or order does not preclude the use of withholding procedures.

(c) If a support order subject to income withholding is expressed in terms of a monthly obligation, the order may be annualized and withheld on a weekly or biweekly basis, corresponding to the obligor's regular pay period. When an order is annualized and withheld on a weekly or biweekly basis under this section, the support withheld from the obligor may be retained by the obligee when it exceeds the obligor's monthly support obligation if the excess support is a result of annualized withholding.

(d) If an obligor is exempted from paying support through income withholding, the support order must include a requirement that whenever the case is receiving services under Title IV-D of the Social Security Act, support payments must be paid through the department of public health and human services as provided in 40-5-909.

(6) (a) Each district court judgment, decree, or order that establishes paternity or establishes or modifies a child support obligation must include a provision requiring the parties to promptly file with the court and to update, as necessary, information on:

(i) the party's identity, residential and mailing addresses, telephone number, [social security number,] and driver's license number;

(ii) the name, address, and telephone number of the party's employer; and

(iii) if the child is covered by a health or medical insurance plan, the name of the insurance carrier or health benefit plan, the policy identification number, the names of the persons covered, and any other pertinent information
regarding coverage or, if the child is not covered, information as to the availability of coverage for the child through the party’s employer.

(b) The court shall keep the information provided under subsection (6)(a) confidential except that the information may be provided to the department of public health and human services for use in administering Title IV-D of the Social Security Act, to the parties, and to each party’s counsel of record. The information provided under subsection (6)(a) may be included on the case registry and vital statistics reporting form filed with the court pursuant to 40-5-908(1).

(c) The order must also require that in any subsequent child support enforcement action, upon sufficient showing that diligent effort has been made to ascertain the location of the party, the district court or the department of public health and human services, if the department is providing services under Title IV-D of the Social Security Act, may consider due process requirements for notice and service of process met with respect to the party upon delivery of written notice by regular mail to the most recent address of the party or the party’s employer’s address reported to the court.

(7) A judgment, decree, or order establishing a child support obligation under this part may be modified or adjusted as provided in 40-4-208 or, if the department of public health and human services is providing services under Title IV-D of the Social Security Act, may be modified or adjusted by the department as provided for in 40-5-271 through 40-5-273, 40-5-277, and 40-5-278.

(8) (a) A district court judgment, decree, or order that establishes or modifies a child support obligation must include a provision requiring the child support obligation to be paid, without need for further court order:

(i) to the person with whom the child resides by legal order;

(ii) if the person with whom the child legally resides voluntarily or involuntarily relinquishes physical care and control of the child to another person, organization, or agency, to the person, organization, or agency to whom physical custody has been relinquished;

(iii) if any other person, organization, or agency is entitled by law, assignment, or similar reason to receive or collect the child support obligation, to the person, organization, or agency having the right to receive or collect the payment; or

(iv) to the court for the benefit of the minor child.

(b) When the department of public health and human services is providing services under Title IV-D of the Social Security Act, payment of support must be made through the department for distribution to the person, organization, or agency entitled to the payment.

(c) A judgment, decree, or order that omits the provision required by subsection (8)(a) is subject to the requirements of subsection (8)(a) without need for an amendment to the judgment, decree, or order or for any further action by the court.

(9) A judgment, decree, or order that establishes or modifies a child support obligation must include a provision that if a parent or guardian is the obligee under a child support order and is obligated to pay a contribution for the same child under 41-3-438, 41-5-1304, or 41-5-1512, the parent or guardian assigns and transfers to the department of public health and human services all rights that the parent or guardian may have to child support that are not otherwise assigned under 53-2-613.
Section 7. Section 40-4-205, MCA, is amended to read:

“40-4-205. Guardian ad litem. (1) The court may appoint a guardian ad litem to represent the interests of a minor dependent child with respect to the child's support, parenting, and parental contact. The guardian ad litem may be an attorney. The county attorney, a deputy county attorney, if any, or the department of public health and human services or any of its staff may not be appointed for this purpose.

(2) The guardian ad litem has the following general duties:

(a) to conduct investigations that the guardian ad litem considers necessary to ascertain the facts related to the child's support, parenting, and parental contact;

(b) to interview or observe the child who is the subject of the proceeding;

(c) to make written reports to the court concerning the child's support, parenting, and parental contact;

(d) to appear and participate in all proceedings to the degree necessary to adequately represent the child and make recommendations to the court concerning the child's support, parenting, and parental contact; and

(e) to perform other duties as directed by the court.

(3) The guardian ad litem has access to court, medical, psychological, law enforcement, social services, and school records pertaining to the child and the child's siblings and parents or caretakers.

(4) The court shall enter an order for costs and fees in favor of the child's guardian ad litem. The order must be made against either or both parents, except that if the responsible party is indigent, the costs must be waived.

(5) The guardian ad litem shall mail the report to counsel and to any party not represented by counsel at least 10 days prior to the hearing.”

Section 8. Section 40-4-215, MCA, is amended to read:

“40-4-215. Investigations and reports. (1) If a parent or a court-appointed third party requests, or if the court finds that a parenting proceeding is contested, the court may order an investigation and report concerning parenting arrangements for the child. The investigator may be the child's guardian ad litem or other professional considered appropriate by the court. The department of public health and human services may not be ordered to conduct the investigation or draft a report unless the person requesting the investigation is a recipient of financial assistance, as defined in 53-4-201, or a participant in the food stamp program, as defined in 53-2-902, and all reasonable options for payment of the investigation, if conducted by a person not employed by the department, are exhausted. The department may consult with any investigator and share information relevant to the child’s best interests. The cost of the investigation and report must be paid according to the final order. The cost of the educational evaluation under subsection (2)(a) must be paid by the state as provided in 3-5-901.
(2) The court shall determine, if appropriate, the level of evaluation necessary for adequate investigation and preparation of the report, which may include one or more of the following:

(a) parenting education;
(b) mediation pursuant to 40-4-301;
(c) factfinding by the investigator; and
(d) psychological evaluation of the parties.

(3) In preparing a report concerning a child, the investigator may consult any person who has information about the child and the child’s potential parenting arrangements. Upon order of the court, the investigator may refer the child to professional personnel for diagnosis. Except as required for children 16 years of age or older, the investigator may consult with and obtain information from medical, psychiatric, or other expert persons who have served the child in the past without obtaining the consent of the persons or entities authorized by law to grant or withhold access to the records. The child’s consent must be obtained if the child is 16 years of age or older unless the court finds that the child lacks mental capacity to consent. If the requirements of subsection (4) are fulfilled, the investigator’s report may be received in evidence at the hearing.

(4) The investigator shall mail the investigator’s report to counsel and to any party not represented by counsel at least 10 days prior to the hearing. When consistent with state and federal law, the investigator shall make available to counsel and to any party not represented by counsel the investigator’s file of underlying data and reports, complete texts of diagnostic reports made to the investigator pursuant to the provisions of subsection (3), and the names and addresses of all persons whom the investigator has consulted. Any party to the proceeding may call the investigator and any person the investigator has consulted for cross-examination. A party may not waive the right of cross-examination prior to the hearing. The results of the investigation must be included in the court record and may, without objection, be sealed.

Section 9. Section 40-4-219, MCA, is amended to read:

“40-4-219. Amendment of parenting plan — mediation. (1) The court may in its discretion amend a prior parenting plan if it finds, upon the basis of facts that have arisen since the prior plan or that were unknown to the court at the time of entry of the prior plan, that a change has occurred in the circumstances of the child and that the amendment is necessary to serve the best interest of the child. In determining the child’s best interest under this section, the court may, in addition to the criteria in 40-4-212, also consider whether:

(a) the parents agree to the amendment;
(b) the child has been integrated into the family of the petitioner with consent of the parents;
(c) the child is 14 years of age or older and desires the amendment;
(d) one parent has willfully and consistently:
   (i) refused to allow the child to have any contact with the other parent; or
   (ii) attempted to frustrate or deny contact with the child by the other parent;
   or

(e) one parent has changed or intends to change the child’s residence in a manner that significantly affects the child’s contact with the other parent.

(2) A court may modify a de facto parenting arrangement in accordance with the factors set forth in 40-4-212.
(3) The court shall presume a parent is not acting in the child’s best interest if the parent does any of the acts specified in subsection (1)(d) or (8).

(4) The court may amend the prior parenting plan based on subsection (1)(e) to provide a new residential schedule for parental contact with the child and to apportion transportation costs between the parents.

(5) Attorney fees and costs must be assessed against a party seeking frivolous or repeated amendment if the court finds that the amendment action is vexatious and constitutes harassment.

(6) A parenting plan may be amended upon the death of one parent pursuant to 40-4-221.

(7) As used in this section, “prior parenting plan” means a parenting determination contained in a judicial decree or order made in a parenting proceeding. In proceedings for amendment under this section, a proposed amended parenting plan must be filed and served with the motion for amendment and with the response to the motion for amendment. Preference must be given to carrying out the parenting plan.

(8) (a) If a parent or other person residing in that parent’s household has been convicted of any of the crimes listed in subsection (8)(b), the other parent or any other person who has been granted rights to the child pursuant to court order may file an objection to the current parenting order with the court. The parent or other person having rights to the child pursuant to court order shall give notice to the other parent of the objection as provided by the Montana Rules of Civil Procedure, and the other parent has 20 days from the notice to respond. If the parent who receives notice of objection fails to respond within 20 days, the parenting rights of that parent are suspended until further order of the court. If that parent responds and objects, a hearing must be held within 30 days of the response.

(b) This subsection (8) applies to the following crimes:
   (i) deliberate homicide, as described in 45-5-102;
   (ii) mitigated deliberate homicide, as described in 45-5-103;
   (iii) sexual assault, as described in 45-5-502;
   (iv) sexual intercourse without consent, as described in 45-5-503;
   (v) deviate sexual conduct with an animal, as described in 45-2-101 and prohibited under 45-5-505;
   (vi) incest, as described in 45-5-507;
   (vii) aggravated promotion of prostitution of a child, as described in 45-5-603(1)(b);
   (viii) endangering the welfare of children, as described in 45-5-622;
   (ix) partner or family member assault of the type described in 45-5-206(1)(a);
   (x) sexual abuse of children, as described in 45-5-625.

(9) Except in cases of physical abuse or threat of physical abuse by one parent against the other parent or the child, or when a parent has been convicted of a crime enumerated in subsection (8)(b), the court may, in its discretion, order the parties to participate in a dispute resolution process to assist in resolving any conflicts between the parties regarding amendment of the parenting plan. The dispute resolution process may include counseling or mediation by a specified person or agency, and court action.

(10) (a) Except as provided in subsection (10)(b), a court-ordered or de facto modification of a parenting plan based in whole or in part on military service orders of a parent is temporary and reverts to the previous parenting plan at the
end of the military service. If a motion for an amendment of a parenting plan is
filed after a parent returns from military service, the court may not consider a
parent's absence due to that military service in its determination of the best
interest of the child.

(b) A parent who has performed or is performing military service, as defined
in 10-1-1003, may consent to a temporary or permanent modification of a
parenting plan:

(i) for the duration of the military service; or
(ii) that continues past the end of the military service.”

Section 10. Section 40-4-220, MCA, is amended to read:

“40-4-220. Affidavit practice. (1) Unless the parties agree to an interim
parenting plan or an amended parenting plan, the moving party seeking an
interim parenting plan or amendment of a final parenting plan shall submit,
together with the moving papers, an affidavit setting forth facts supporting the
requested plan or amendment and shall give notice, together with a copy of the
affidavit, to other parties to the proceeding, who may file opposing affidavits.
The court shall deny the motion unless it finds that adequate cause for hearing
the motion is established by the affidavits, based on the best interests of the
child, in which case it shall set a date for hearing on an order to show cause why
the requested plan or amendment should not be granted.

(2) (a) A party seeking an interim parenting plan may request that the court
grant a temporary order providing for living arrangements for the child ex
parte. The party shall make the request in the moving papers and shall submit
an affidavit showing that:

(i) no previous parenting plan has been ordered by a court and it would be in
the child's best interest under the standards of 40-4-212 if temporary living
arrangements for the child were as proposed by the moving party; or

(ii) although a previous parenting plan has been ordered, an emergency
situation has arisen in the child's present environment that endangers the
child's physical, mental, or emotional health and an immediate change in the
parenting plan is necessary to protect the child.

(b) If the court finds from the affidavits submitted by the moving party that
the interim parenting plan proposed by the moving party would be in the child's
best interest under the standards of 40-4-212 and that the child's present
environment endangers the child's physical, mental, or emotional health and the
child would be protected by the interim parenting plan, the court shall make
an order implementing the interim parenting plan proposed by the moving
party. The court shall require all parties to appear and show cause within 20
days from the execution of the interim parenting plan why the interim
parenting plan should not remain in effect until further order of court.”

Section 11. Applicability. [This act] applies to proceedings filed after [the
effective date of this act].

Section 12. Contingent termination. The amendments to 40-4-105(6)
terminate on the occurrence of the contingency contained in section 1, Ch. 27, L.

AN ACT REVISING LAWS PERTAINING TO THE DISPOSITION OF PERSONAL PROPERTY ABANDONED BY A TENANT AFTER TERMINATION OF A RENTAL AGREEMENT; CLARIFYING THE RESPONSIBILITIES OF A LANDLORD WITH RESPECT TO A TENANT’S ABANDONED PROPERTY; AND AMENDING SECTION 70-24-430, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 70-24-430, MCA, is amended to read:

“70-24-430. Disposition of personal property abandoned by tenant after termination. (1) (a) If a tenancy terminates in any manner except by court order and the landlord reasonably believes has clear and convincing evidence that the tenant has abandoned all personal property that the tenant has left on the premises and a period of time of at least 5 days has elapsed since the occurrence of events upon which the landlord formed that belief, the landlord may remove the property from the premises immediately remove the abandoned property from the premises and immediately dispose of any trash or personal property that is hazardous, perishable, or valueless.

(b) An item that is clearly labeled “rent to own” or “leased” or likewise identified may be discarded only with confirmation from the lessor that the item does not have a lien, provided that the lessor can be easily identified from the label and the landlord makes a reasonable effort to contact the lessor.

(c) For the purposes of this subsection (1), the following definitions apply:

(i) “Hazardous” means any item that is potentially or actually flammable, a biohazard, or an item otherwise capable of inflicting personal harm or injury.

(ii) “Perishable” means any item requiring refrigeration or any food item with a marked expiration date.

(iii) “Valueless” means any item that has an insubstantial resale value but does not include personal photos, jewelry, or other small items that are irreplaceable.

(2) The landlord shall inventory and store all goods, chattels, and abandoned personal property of the tenant that the landlord reasonably believes is valuable in a place of safekeeping and shall exercise reasonable care for the property. The landlord may charge a reasonable storage and labor charge if the property is stored by the landlord, plus the cost of removal of the property to the place of storage. The landlord may store the property in a commercial storage
company, in which case the storage cost includes the actual storage charge plus the cost of removal of the property to the place of storage.

(3) After complying with subsections (1) and subsection (2), the landlord shall:

(a) make a reasonable attempt to notify the tenant in writing that the property must be removed from the place of safekeeping;

(b) notify the local law enforcement office of the property held by the landlord;

(c) make a reasonable effort to determine if the property is secured or otherwise encumbered; and

(d) send by sending a notice with a certificate of mailing or by certified mail to the last-known address of the tenant, stating that at a specified time, not less than 10 days after mailing the notice, the property will be disposed of if not removed.

(4) The landlord may dispose of the property after complying with subsection (3) by:

(a) selling all or part of the property at a public or private sale; or

(b) destroying or otherwise disposing of all or part of the property if the landlord reasonably believes that the value of the property is so low that the cost of storage or sale exceeds the reasonable value of the property.

(5) If the tenant, upon receipt of the notice provided in subsection (3), responds in writing to the landlord on or before the day specified in the notice that the tenant intends to remove the property and does not do so within 7 days after delivery of the tenant’s response, the tenant’s property whether of value or not is conclusively presumed to be abandoned. If the tenant removes the property, the landlord is entitled to storage costs for the period that the property remains in safekeeping, plus the cost of removal of the property to the place of storage. Reasonable storage costs are allowed a landlord who stores the property in a commercial storage company. A landlord is entitled to payment of the storage costs allowed under this subsection before the tenant may remove the property.

(7) A public or private sale authorized by this section must be conducted under the provisions of 30-9A-601 or the sheriff’s sale provisions of Title 25, chapter 13, part 7.

(8) The landlord may deduct from the proceeds of the sale the reasonable costs of notice, storage, labor, and sale and any delinquent rent or damages owing on the premises and shall remit to the tenant the remaining proceeds, if any, together with an itemized accounting. If the tenant cannot after due diligence be found, the remaining proceeds must be deposited with the county treasurer of the county in which the sale occurred and, if not claimed within 3 years, must revert to the general fund of the county available for general purposes.

(9) The landlord shall ensure that the terms of this section are included in plain and understandable language as a notification in any lease or rental agreement at the time of the agreement or when the tenant occupies the property.
The landlord shall provide the same notification upon termination of the lease or rental agreement.

(ii) the capability of the land prior to any mining to support a variety of uses, giving consideration to soil characteristics, topography, and vegetative cover; and

(iii) the productivity of the land prior to mining, including appropriate classification as prime farm land, as well as the average yield of food, fiber, forage, or wood products from land under high levels of management;

(q) a coal conservation plan; and

(r) other or further information as the department may require.

(g) show the proposed location of waste or refuse area;

(h) show the proposed location of temporary subsoil and topsoil storage area;

(i) show the proposed location of all facilities;

The department may reject a map as incomplete if its accuracy is not attested by the signed certification.

(n) contain other or further information as the department may require.

(3) If the department finds that the probable total annual production at all locations of any strip-mining or underground-coal-mining operation applied for will not exceed 100,000 tons, any determination of probable hydrologic consequences that the department requires and the statement of result of test borings or core samplings must, upon written request of the operator, be performed by a qualified public or private laboratory designated by the department. (5) Each applicant for a coal mining permit shall submit as part of the application a certificate issued by an insurance company authorized to do business in the state, certifying that the applicant has in force for the strip-mining or underground-mining and reclamation operations for which the permit is sought a public liability insurance policy or evidence that the applicant has satisfied other state or federal self-insurance requirements. This policy must provide for personal injury and property damage protection in an amount adequate to compensate any persons damaged as a result of strip-mining or underground-coal-mining and reclamation operations, including use of explosives, and entitled to compensation under applicable provisions of state law. The permittee shall maintain the policy in full force and effect during the term of the permit and any renewal until all reclamation operations have been completed.

program administered under this chapter and in accordance with Title XIX of
the Social Security Act, 42 U.S.C. 1396, et seq. The department shall administer
the Montana medicaid program.

(2) The department and the legislature shall consider the following funding
principles when considering changes in medicaid policy that either increase or
reduce services:

(a) protecting those persons who are most vulnerable and most in need, as
defined by a combination of economic, social, and medical circumstances;
(b) giving preference to the elimination or restoration of an entire medicaid
program or service, rather than sacrifice or augment the quality of care for
several programs or services through dilution of funding; and
(c) giving priority to services that employ the science of prevention to reduce
disability and illness, services that treat life-threatening conditions, and
services that support independent or assisted living, including pain
management, to reduce the need for acute inpatient or residential care.

(3) Medical assistance provided by the Montana medicaid program includes

(q) any additional medical service or aid allowable under or provided by the federal Social Security Act.

(5) Services for persons qualifying for medicaid under the medically needy category of assistance, as described in 53-6-131, may be more limited in amount, scope, and duration than services provided to others qualifying for assistance under the Montana medicaid program. The department is not required to provide all of the services listed in subsections (3) and (4) to persons qualifying for medicaid under the medically needy category of assistance.

(6) In accordance with federal law or waivers of federal law that are granted by the secretary of the U.S. department of health and human services, the department may implement limited medicaid benefits, to be known as basic medicaid, for adult recipients who are eligible because they are receiving
financial assistance, as defined in 53-4-201, as the specified caretaker relative of a dependent child under the FAIM project and for all adult recipients of medical assistance only who are covered under a group related to a program providing financial assistance, as defined in 53-4-201. Basic medicaid benefits consist of all mandatory services listed in subsections (3)(a) through (3)(l) subsection (3) but may include those optional services listed in subsections (4)(a) through (4)(q) that the department in its discretion specifies by rule. The department, in exercising its discretion, may consider the amount of funds appropriated by the legislature, whether approval has been received, as provided in 53-1-612, and whether the provision of a particular service is commonly covered by private health insurance plans. However, a recipient who is pregnant, meets the criteria for disability provided in Title II of the Social Security Act, 42 U.S.C. 416, et seq., or is less than 21 years of age is entitled to full medicaid coverage.

(7) The department may implement, as provided for in Title XIX of the Social Security Act, 42 U.S.C. 1396, et seq., as may be amended, a program under medicaid for payment of medicare premiums, deductibles, and coinsurance for persons not otherwise eligible for medicaid.

(8) The department may set rates for medical and other services provided to recipients of medicaid and may enter into contracts for delivery of services to individual recipients or groups of recipients.

(9) The services provided under this part may be only those that are medically necessary and that are the most efficient and cost-effective.

(10) The amount, scope, and duration of services provided under this part must be determined by the department in accordance with Title XIX of the Social Security Act, 42 U.S.C. 1396, et seq., as may be amended.

(11) Services, procedures, and items of an experimental or cosmetic nature may not be provided.

(12) If available funds are not sufficient to provide medical assistance for all eligible persons, the department may set priorities to limit, reduce, or otherwise curtail the amount, scope, or duration of the medical services made available under the Montana medicaid program after taking into consideration the funding principles set forth in subsection (2).”

Section 8. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 33, chapter 22, part 1, and the provisions of Title 33, chapter 22, apply to [section 1].

In addition, each application for an underground-mining permit must be accompanied by cross sections and maps showing the proposed underground locations of all shafts, entries, and haulageways or other excavations to be excavated during the permit period. These cross sections must also include all existing shafts, entries, and haulageways.

(l) the name and date of a daily newspaper of general circulation within the county in the locality of the proposed activity in which the applicant will prominently publish at least once a week for 4 successive weeks after submission of the application an announcement of the applicant’s application for a strip-mining or underground-mining permit and a detailed description of the area of land to be affected if a permit is granted; If that newspaper is not published in Montana, the applicant shall also provide the name of a newspaper of general circulation in the county in which the proposed operation is located that is published in Montana in which the applicant will publish an announcement and description in accordance with this subsection.

(m) a determination of the probable hydrologic consequences of coal mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime and quantity and quality of water in surface water and ground water systems, including the dissolved and suspended solids under seasonal flow conditions and the collection of sufficient data for the mine site and surrounding areas, so that cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability can be made. However, this determination is not required until hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. The permit may not be approved until the information is available and is incorporated into the application. The determination of probable hydrologic consequences must include findings on:

(i) whether adverse impacts may occur to the hydrologic balance;

(ii) whether acid-forming or toxic-forming materials are present that could result in the contamination of ground water or surface water supplies;

(iii) whether the proposed operation may proximately result in contamination, diminution, or interruption of an underground or surface source of water within the proposed permit or adjacent areas that is used for domestic, agricultural, industrial, or other beneficial use; and

(iv) what impact the operation will have on:
(A) sediment yields from the disturbed area;
(B) acidity, total suspended and dissolved solids, and other important water quality parameters of local impact;
(C) flooding or streamflow alteration;
(D) ground water and surface water availability; and
(E) other characteristics required by the department that potentially affect beneficial uses of water in and adjacent to the permit area;

(n) a plan for monitoring ground water and surface water, based upon the determination of probable hydrologic consequences required under subsection
(1)(m). The plan must provide for the monitoring of parameters that relate to the availability and suitability of ground water and surface water for current and approved postmining land uses and the objectives for protection of the hydrologic balance.

(o) a map depicting the projected postmining topography, using cross sections, range diagrams, or other methods approved by the department, showing the manner of spoil placement, showing removal of coal volume and overburden swell, and including:

(i) locations and elevations of tie-in points with adjacent unmined drainageways;

(ii) approximate locations of primary or highest order drainageways and associated drainage divides in the reclaimed topography; and

(iii) projected elevations of primary drainageways and associated drainage divides and generalized slopes with the level of detail appropriate to project the approximate original contour;

(p) the condition of the land to be covered by the permit prior to any mining, including:

(i) the land uses existing at the time of the application and, if the land has a history of previous mining, the uses that preceded any mining;

(ii) the capability of the land prior to any mining to support a variety of uses, giving consideration to soil characteristics, topography, and vegetative cover; and

(iii) the productivity of the land prior to mining, including appropriate classification as prime farm land, as well as the average yield of food, fiber, forage, or wood products from land under high levels of management;

(q) a coal conservation plan; and

(r) other or further information as the department may require.

(2) The application for a permit must be accompanied by two copies of all maps meeting the requirements of subsections (2)(a) through (2)(n). The maps must:

(a) identify the area to correspond with the application;

(b) show any adjacent deep mining or surface mining, the boundaries of surface properties, and names of owners of record of the affected area and within 1,000 feet of any part of the affected area;

(c) show the names and locations of all streams, creeks, or other bodies of water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within 1,000 feet of the area;

(d) show by appropriate markings the boundaries of the area of land affected, any cropline of the seam or deposit of mineral to be mined, and the total number of acres involved in the area of land affected;

(e) show the date on which the map was prepared and the north point;

(f) show the final surface and underground water drainage plan on and away from the area of land affected. This plan must indicate the directional and volume flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.

(g) show the proposed location of waste or refuse area;

(h) show the proposed location of temporary subsoil and topsoil storage area;

(i) show the proposed location of all facilities;

(j) show the location of test boring holes;
(k) show the surface location lines of any geologic cross sections that have been submitted;

(l) show a listing of plant varieties species encountered in the area to be affected and their relative dominance in the area, together with an enumeration of tree varieties species and the approximate number of each variety species occurring per acre on the area to be affected, and the locations generally of the various kinds and varieties species of plants, including but not limited to grasses, shrubs, legumes, forbs, and trees;

(m) be certified as follows: “I, the undersigned, hereby certify that this map is correct and shows to the best of my knowledge and belief all the information required by the mining laws of this state.” The certification must be signed and notarized. The department may reject a map as incomplete if its accuracy is not attested.

(m) be certified by a professional engineer or professional land surveyor licensed as provided by Title 37, chapter 67; and

(n) contain other or further information as the department may require.

(3) If the department finds that the probable total annual production at all locations of any strip-mining or underground-coal-mining operation applied for will not exceed 100,000 tons, any determination of probable hydrologic consequences that the department requires and the statement of result of test borings or core samplings must, upon written request of the operator, be performed by a qualified public or private laboratory designated by the department. The department shall assume the cost of the determination and statement to the extent that it has received funds for this purpose.

(4) In addition to the information and maps required by this section, each application for a permit must be accompanied by detailed plans or proposals showing the method of operation, the manner, time or distance, and estimated cost for backfilling, subsidence stabilization, water control, grading work, highwall reduction, topsoiling, planting, and revegetating, and a reclamation plan for the area affected by the operation, which proposals must meet the requirements of this part and rules adopted under this part. The reclamation plan must address the life of the operation and indicate the size, sequence, and the timing of the subareas for which it is anticipated that individual permits will be sought.

(5) Each applicant for a coal mining permit shall submit as part of the application a certificate issued by an insurance company authorized to do business in the state, certifying that the applicant has in force for the strip-mining or underground-mining and reclamation operations for which the permit is sought a public liability insurance policy or evidence that the applicant has satisfied other state or federal self-insurance requirements. This policy must provide for personal injury and property damage protection in an amount adequate to compensate any persons damaged as a result of strip-mining or underground-coal-mining and reclamation operations, including use of explosives, and entitled to compensation under applicable provisions of state law. The permittee shall maintain the policy in full force and effect during the term of the permit and any renewal until all reclamation operations have been completed.

(6) An applicant may revise an application for a permit, a permit amendment, or a permit revision that is pending on January 1, 2004, in order to incorporate the provisions of this part.
(7) A permittee may apply to revise and the department may approve an application to incorporate the provisions of this part into a reclamation plan approved before January 1, 2004. The reclamation plan may be revised whether or not reclamation has been completed pursuant to the reclamation plan.

(8) Each applicant for a strip-mining or underground-mining reclamation permit shall file a copy of the applicant's application for public inspection with the clerk and recorder at the courthouse of the county in which the major portion of mining is proposed to occur or at another accessible public office or facility approved by the department."

Section 2. Section 82-4-226, MCA, is amended to read:

“82-4-226. Prospecting permit. (1) Except as provided in subsection (7), prospecting by any person on land not included in a valid strip-mining or underground-mining permit is unlawful without possessing a valid prospecting permit issued by the department as provided in this section. A prospecting permit may not be issued until the person submits an application, the application is examined, amended if necessary, and approved by the department, and an adequate reclamation performance bond is posted, all of which prerequisites must be done in conformity with the requirements of this part.

(2) Except for an application filed pursuant to subsection (8), an application for a prospecting permit filed pursuant to subsection (1) must be made in writing, notarized, and submitted to the department in duplicate upon forms prepared and furnished by it. The application must include among other things a prospecting map and a prospecting reclamation plan of substantially the same character as required for a surface-mining or underground-mining map and reclamation plan under this part. The department shall determine by rules the precise nature of the required prospecting map and reclamation plan. Any applicant who intends to prospect by means of core drilling shall specify the location and number of holes to be drilled, methods to be used in sealing aquifers, and other information that may be required by the department. The applicant shall state what types of prospecting and excavating techniques will be employed on the affected land. The application must also include any other or further information that the department may require.

(3) Before the department gives final approval to the prospecting permit application, the applicant shall file with the department a reclamation and revegetation bond in a form and in an amount as determined in the same manner for strip-mining or underground-mining reclamation and revegetation bonds under this part.

(4) In the event that the holder of a prospecting permit desires to strip mine or underground mine the area covered by the prospecting permit and has fulfilled all the requirements for a strip-mining or underground-mining permit, the department may permit the postponement of the reclamation of the acreage prospected if that acreage is incorporated into the complete reclamation plan submitted with the application for a strip-mining or underground-mining permit. Any land actually affected by prospecting or excavating under a prospecting permit and not covered by the strip-mining or underground-mining reclamation plan must be promptly reclaimed.

(5) The prospecting permit is valid for 1 year and is subject to renewal, suspension, and revocation in the same manner as strip-mining or underground-mining permits under this part.
(6) The holder of the prospecting permit shall file with the department the same progress reports, maps, and revegetation progress reports as are required of strip-mining or underground-mining operators under this part.

(7) (a) Prospecting that is not conducted in an area designated unsuitable for coal mining pursuant to 82-4-227 or 82-4-228, that is not conducted for the purpose of determining the location, quality, or quantity of a mineral deposit, and that does not remove more than 250 tons of coal is not subject to subsections (1) through (6). In addition, coal prospecting that is conducted to determine the location, quality, or quantity of a mineral deposit outside an area designated unsuitable, that does not remove more than 250 tons of coal, and that does not substantially disturb the natural land surface is not subject to subsections (1) through (6). However, except for a prospecting operation for which a permit is required by subsection (7)(b), a person who conducts prospecting described in this subsection (7)(a) shall file with the department a notice of intent to prospect that contains the information required by the department before commencing prospecting operations. If this prospecting substantially disturbs the natural land surface, it must be conducted in accordance with the performance standards of the board’s rules regulating the conduct and reclamation of prospecting operations that remove coal. The department may inspect these prospecting and reclamation operations at any reasonable time.

(b) (i) Prospecting conducted to determine the location, quality, or quantity of coal outside an area designated unsuitable that is not included in a valid strip-mining or underground-mining permit, that does not remove more than 250 tons of coal and that does not substantially disturb the land surface, is not subject to subsections (1) and (2) but may not be conducted without a valid prospecting permit issued pursuant to subsection (8).

(ii) For purposes of this subsection (7)(b), the drilling of coal prospecting holes, the installation and use of associated disposal pits, and the installation of ground water monitoring wells does not constitute substantial disturbance.

(8) (a) An application for a coal prospecting permit required by subsection (7)(b) must contain:

(i) the name, address, and telephone number of the person who seeks to prospect;

(ii) the name, address, and telephone number of the person’s representative who will be present at and responsible for conducting the prospecting activities;

(iii) a narrative describing the proposed prospecting area or a map of the prospecting area at a scale of 1:24,000 or greater showing:

(A) the general location of drill holes and trenches;

(B) existing and proposed roads;

(C) occupied dwellings;

(D) topographic features;

(E) bodies of water; and

(F) pipelines;

(iv) a copy of the documents upon which the applicant bases its legal right to prospect, including documentation that the owners of the land affected have been notified and understand that the department will make investigations and inspections to ensure compliance;

(v) a statement of the period of intended prospecting; and

(vi) a description of the method of prospecting to be used and the practices that will be followed to protect the environment and reclaim disturbed areas,
including plugging of prospecting holes, in accordance with rules adopted by the board.

(b) Within 10 working days of receipt of an application, the department shall notify the applicant in writing as to whether the application is complete and preliminarily acceptable. If the department determines that the application is not complete or not preliminarily acceptable, the department shall include a detailed identification of information necessary to cure the deficiency.

(c) Within 5 working days of receipt of the applicant’s response to the identified deficiencies, the department shall review the response and notify the person as to whether the application is complete and preliminarily acceptable. If the department determines the application is not complete or preliminarily acceptable, the department shall notify the person in writing and include a detailed identification of information necessary to make the application complete and preliminarily acceptable.

(d) When the department determines that the application is complete and preliminarily acceptable, the department shall notify the applicant in writing. The notification must include the amount of bond that is required to be posted in order for the permit to be issued.

(e) Upon receipt of the department’s determination of preliminary acceptability, the applicant shall place an advertisement in a newspaper of general circulation in the locality of the proposed prospecting. The notice must describe the application and a place in the locality where the public may examine the application and must notify the public that it may submit written comments by delivering or mailing them to the department within 10 days following publication of the notice.

(f) After close of the public comment period, the department shall notify the applicant as to whether the application is acceptable. The department shall issue the notification within 5 working days of the close of the comment period if no comments are received and within 10 working days if comments are received. In the notice of acceptability, the department shall notify the applicant of any adjustment in the amount of the bond.

(g) A permit issued pursuant to this subsection (8) is subject to subsections (3) through (6).”

Section 3. Section 82-4-227, MCA, is amended to read:

“82-4-227. Refusal of permit — applicant violator system. (1) An application for a prospecting, strip-mining, or underground-mining permit or major revision may not be approved by the department unless, on the basis of the information set forth in the application, in an onsite inspection, and in an evaluation of the operation by the department, the applicant has affirmatively demonstrated that the requirements of this part and rules will be observed and that the proposed method of operation, backfilling, grading, subsidence stabilization, water control, highwall reduction, topsoiling, revegetation, or reclamation of the affected area can be carried out consistently with the purpose of this part. The applicant for a permit or major revision has the burden of establishing that the application is in compliance with this part and the rules adopted under it.

(2) The department may not approve the application for a prospecting, strip-mining, or underground-mining permit when the area of land described in the application includes land that has special, exceptional, critical, or unique characteristics or when mining or prospecting on that area would adversely affect the use, enjoyment, or fundamental character of neighboring land that
has special, exceptional, critical, or unique characteristics. For the purposes of this part, land is defined as having these characteristics if it possesses special, exceptional, critical, or unique:

(a) biological productivity, the loss of which would jeopardize certain species of wildlife or domestic stock;

(b) ecological fragility, in the sense that the land, once adversely affected, could not return to its former ecological role in the reasonably foreseeable future;

(c) ecological importance, in the sense that the particular land has such a strong influence on the total ecosystem of which it is a part that even temporary effects felt by it could precipitate a systemwide reaction of unpredictable scope or dimensions; or

(d) scenic, historic, archaeologic, topographic, geologic, ethnologic, scientific, cultural, or recreational significance. In applying the provisions of this subsection (d), particular attention should be paid to the inadequate preservation previously accorded Plains Indian history and culture.

(3) The department may not approve an application for a strip- or underground-coal-mining permit or major revision unless the application affirmatively demonstrates that:

(a) the assessment of the probable cumulative impact of all anticipated mining in the area on the hydrologic balance has been made by the department and the proposed operation of the mining operation has been designed to prevent material damage to the hydrologic balance outside the permit area; and

(b) the proposed strip- or underground-coal-mining operation would not:

(i) interrupt, discontinue, or preclude farming on alluvial valley floors that are irrigated or naturally subirrigated, excluding undeveloped rangelands that are not significant to farming on alluvial valley floors and excluding land about which the department finds that if any farming will be interrupted, discontinued, or precluded, it is of such small acreage as to be of negligible impact on the farm’s agricultural production; or

(ii) materially damage the quantity or quality of water in surface water or underground water systems that supply the valley floors described in subsection (3)(b)(i).

(4) Subsection (3)(b) does not affect those strip- or underground-coal-mining operations that in the year preceding the enactment of Public Law 95-87 produced coal in commercial quantities and were located within or adjacent to alluvial valley floors or had obtained specific permit approval by the department to conduct strip- or underground-coal-mining operations within alluvial valley floors. If coal deposits are precluded from being mined under this subsection, the director of the department shall certify to the secretary of interior that the mineral owner or lessee may be eligible for participation in coal exchange programs pursuant to section 510(5) of Public Law 95-87.

(5) (a) If the area proposed to be mined contains prime farmland, the department may not grant a permit to mine coal on the prime farmland unless it finds in writing that the applicant:

(i) has the technological capability to restore the mined area, within a reasonable time, to levels of yield equivalent to or higher than nonmined prime farmland in the surrounding area under equivalent levels of management; and

(ii) can meet the soil reconstruction standards of 82-4-232(3).
(b) Nothing in this subsection (5) applies to a permit issued prior to August 3, 1977, or to any revisions or renewals of the permit or to any existing strip- or underground-mining operations for which a permit was issued prior to August 3, 1977.

(6) If the department finds that the overburden on any part of the area of land described in the application for a prospecting, strip-mining, or underground-mining permit is such that experience in the state with a similar type of operation upon land with similar overburden shows that substantial deposition of sediment in streambeds, subsidence, landslides, or water pollution cannot feasibly be prevented, the department shall delete that part of the land described in the application upon which the overburden exists. The burden is on the applicant to demonstrate that any area should not be deleted under this subsection.

(7) If the department finds that the operation will constitute a hazard to a dwelling, public building, school, church, cemetery, commercial or institutional building, public road, stream, lake, or other public property, the department shall delete those areas from the prospecting, strip-mining, or underground-mining permit application before it can be approved. Strip- or underground-coal-mining may not be allowed:

(a) within 300 feet of an occupied dwelling, unless waived by the owner;
(b) within 300 feet of any public building, school, church, community, or institutional building, or public park;
(c) within 100 feet of a cemetery;
(d) within 100 feet of the outside right-of-way line of any public road, except where mine access roads or haulage roads join the right-of-way line. The department may permit the roads to be relocated or the area affected to lie within 100 feet of the road if, after public notice and opportunity for public hearing in the locality, a written finding is made that the interests of the public and the landowners affected will be protected.

(8) Strip mining or underground-mining may not be conducted within 500 feet of active or abandoned underground mines in order to prevent breakthroughs and to protect health or safety of miners. However, the department shall permit an operator to mine near, through, or partially through an abandoned underground mine or closer to an active underground mine if:

(a) the nature, timing, and sequencing of specific strip-mine activities and specific underground-mine activities are jointly approved by the department and the regulatory authority concerned with the health and safety of underground miners; and
(b) the operations will result in improved resource recovery, abatement of water pollution, or elimination of hazards to the health and safety of the public.

(9) The department may not approve an application for a strip- or underground-coal-mining operation if the area proposed to be mined is included:

(a) within an area designated unsuitable for strip or underground coal mining; or
(b) within an area under review for this designation under an administrative proceeding, unless in an area as to which an administrative proceeding has commenced pursuant to this part, the operator making the permit application demonstrates that prior to January 1, 1977, the operator made substantial legal and financial commitments in relation to the operation for which the operator is applying for a permit.
(10) A permit or major permit revision for a strip- or underground-coal-mining operation may not be issued unless the applicant has affirmatively demonstrated by its coal conservation plan that failure to conserve coal will not occur. The department may require the applicant to submit any information it considers necessary for review of the coal conservation plan.

(11) Whenever information available to the department indicates that a strip- or underground-coal-mining operation that is owned or controlled by the applicant or by any person who owns or controls the applicant is currently in violation of Public Law 95-87, as amended, any state law required by Public Law 95-87, as amended, or any law, rule, or regulation of the United States or of any department or agency in the United States pertaining to air or water environmental protection, the department may not issue a strip- or underground-coal-mining permit or amendment, other than an incidental boundary revision, until the applicant submits proof that the violation has been corrected or is in the process of being corrected to the satisfaction of the administering agency.

(12) The department may not issue a strip- or underground-coal-mining permit or amendment, other than an incidental boundary revision, to any applicant that it finds, after an opportunity for hearing, owns or controls any strip- or underground-coal-mining operation that has demonstrated a pattern of willful violations of Public Law 95-87, as amended, or any state law required by Public Law 95-87, as amended, when the nature and duration of the violations and resulting irreparable damage to the environment indicate an intent not to comply with the provisions of this part.

(13) Subject to valid existing rights, no strip- or underground-coal-mining operations except those that existed as of August 3, 1977, may be conducted:

(a) on lands within the boundaries of units of the national park system, the national wildlife refuge system, the national wilderness preservation system, the national system of trails, the wild and scenic rivers system, including study rivers designated under section 5(a) of the Wild and Scenic Rivers Act or study rivers or study river corridors established in any guidelines issued under that act, or national recreation areas designated by an act of congress; or

(b) on any federal lands within national forests, subject to the exceptions and limitations of 30 CFR 761.11(b) and the procedures of 30 CFR 761.13.

(14) (a) A person who is listed by the department in the applicant violator system maintained by the office of surface mining reclamation and enforcement of the U.S. department of interior pursuant to the Surface Mining Control and Reclamation Act of 1977, 30 U.S.C. 1201, et seq., as owning or controlling a strip-mining or underground-mining operation may challenge the ownership or control listing by filing a written request with the department for review of the listing. In the request, the person must include a written explanation of the basis for the challenge and any evidence the person wishes the department to consider. The department shall provide a written response within 60 days of receipt of the request for review.

(b) Within 30 days of receipt of the response pursuant to (14)(a), the person who is listed may request a hearing before the board by submitting to the board a written request for hearing that states the reason for the request. The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to the hearing."
Section 4. Section 82-4-237, MCA, is amended to read:

“82-4-237. Operator to file annual reports. (1) An operator shall file an annual report with the department within 30 days of the anniversary date of each permit. In lieu of an annual report for each permit, the department may allow the operator to file an annual report for each operation on a date determined by the department. Included within an An annual report shall be must include:

(a) the name and address of the operator and permit number or numbers; and

(b) a report in such with detail as the required by the department shall require, supplemented with maps, cross sections, or other material indicating the extent to which mining operations have been carried out, the progress of all reclamation work, including the type of planting or seeding, mixture and amount of seed, date of planting or seeding, and area of land planted, the extent to which expectations and predictions made in the original application have been fulfilled and any deviation therefrom, and the number of acres affected; and

(c) a revised schedule or timetable of operations and reclamation and an estimate of the number of acres to be affected during the next 1 year period.

(2) Upon receipt of the annual report, the department may make further inquiry and request further additional information and, if it does so, shall allow a reasonable opportunity for the operator to respond to the request.

(3) When problem situations problems are revealed by review of new information or as a result of field inspections, the department may order such necessary changes in the mining and reclamation plans as are necessary to ensure compliance with this part.”

Section 5. Section 82-4-253, MCA, is amended to read:

“82-4-253. Suit for damage to water supply. (1) An owner of an interest in real property who obtains all or part of a supply of water for domestic, agricultural, industrial, or other legitimate use from an underground source other than a subterranean stream having a permanent, distinct, and known channel may sue an operator to recover damages for contamination, diminution, or interruption of the water supply, proximately resulting from strip mining or underground mining.

(2) Prima facie evidence of injury in a suit under this section is established by the removal of coal or disruption of overlying aquifer from designated ground water areas as prescribed in Title 85, chapter 2, part 5. If the area is not a designated ground water area, a showing that the coal or overlying strata is an aquifer in that geographical location and that the coal or the overlying strata has been removed or disrupted shifts the burden to the defendant (operator) to show that the plaintiff’s (owner’s) water supply was not injured thereby.

(3) An owner of water rights adversely affected may file a complaint detailing the loss of water in quality and quantity with the department. Upon receipt of this complaint the department shall:

(a) investigate the complaint using all available information including monitoring data gathered at the mine site;

(b) require the defendant (operator) to install monitoring wells or other practices that may be needed to determine the cause of water loss, if there is a loss, in terms of quantity or quality;

(c) issue within 90 days a written finding specifying the cause of the water loss, if there is a loss, in terms of quantity or quality;
(d) order the mining operator in compliance with chapter 2 of Title 85 to replace the water immediately on a temporary basis to provide the needed water and within a reasonable time, replace the water in like quality, quantity, and duration, if the loss is caused by the surface coal mining strip- or underground-coal-mining operation; and

(e) order the suspension of the operator’s permit for failure to replace the water, until such time as the operator provides substitute water.

(4) A servient tract of land is not bound to receive surface water contaminated by strip mining or underground mining on a dominant tract of land, and the owner of the servient tract may sue an operator to recover the damages proximately resulting from the natural drainage from the dominant tract of surface waters contaminated by strip mining or underground mining on the dominant tract.

(5) This section and 82-4-252 do not create, modify, or affect any right, liability, or remedy other than as expressly provided.”

Section 6. Notification to tribal governments. The secretary of state shall send a copy of [this act] to each tribal government located on the seven Montana reservations and to the Little Shell Chippewa tribe.

(a) natural persons authorized by law of this or any other state, a territory of the United States, or the District of Columbia to render a professional service permitted by the articles of incorporation of the corporation;

(b) general partnerships in which all the partners are authorized by law of this or any other state, a territory of the United States, or the District of Columbia to render a professional service permitted by the articles of incorporation and in which at least one partner is authorized by law in this state to render a professional service permitted by the articles of incorporation of the corporation; and

(c) professional corporations, domestic or foreign, authorized by law in this state to render a professional service permitted by the articles of incorporation of the corporation.

(2) The licensing authority may by rule further restrict or condition the issuance of shares in order to preserve ethical standards, but the rule may not cause a person holding shares at the time the rule becomes effective to become a disqualified person.

(3) A shareholder of a professional corporation may transfer or pledge shares, fractional shares, and rights or options to purchase shares of the corporation only to natural persons, general partnerships, and professional
corporations qualified to hold shares issued directly to them by the corporation. This subsection does not prohibit the transfer of shares of a professional corporation by operation of law or court decree.

(4) Each certificate representing shares of a professional corporation must state conspicuously upon its face that the shares are subject to restrictions on transfer imposed by this chapter and to restrictions on transfer imposed by the licensing authority pursuant to this chapter.

(5) Any issuance or transfer of shares in violation of this section or a rule promulgated under this section is void.”

Section 1. Section 81-8-901, MCA, is amended to read:

“81-8-901. Beef promotion and marketing — powers and duties of department — contract. (1) The department shall:

(a) enter into a contract with the Montana beef council to collect on behalf of the beef council an assessment of $1 for each head of Montana cattle sold as established in the national Beef Promotion and Research Act of 1985, 7 U.S.C. 2901 through 2911, also referred to as the national beef check-off, and 7 CFR, part 1260, subpart A;

(b) adopt rules necessary for the administration of this section.

Section 1. Section 76-3-504, MCA, is amended to read:
“76-3-504. Subdivision regulations — contents. (1) The subdivision regulations adopted under this chapter must, at a minimum:

(a) list the materials that must be included in a subdivision application in order for the application to be determined to contain the required elements for the purposes of the review required in 76-3-604(1);

(b) except as provided in 76-3-509, 76-3-609, or 76-3-616, require the subdivider to submit to the governing body an environmental assessment as prescribed in 76-3-603;

(c) establish procedures consistent with this chapter for the submission and review of subdivision applications and amended applications;

(d) prescribe the form and contents of preliminary plats and the documents to accompany final plats;

(e) provide for the identification of areas that, because of natural or human-caused hazards, are unsuitable for subdivision development. The regulations must prohibit subdivisions in these areas unless the hazards can be eliminated or overcome by approved construction techniques or other mitigation measures authorized under 76-3-608(4) and (5). Approved construction techniques or other mitigation measures may not include building regulations as defined in 50-60-101 other than those identified by the department of labor and industry as provided in 50-60-901.

(f) prohibit subdivisions for building purposes in areas located within the floodway of a flood of 100-year frequency, as defined by Title 76, chapter 5, or determined to be subject to flooding by the governing body;

(g) prescribe standards for:

(i) the design and arrangement of lots, streets, and roads;

(ii) grading and drainage;

(iii) subject to the provisions of 76-3-511, water supply and sewage and solid waste disposal that meet the:

(A) regulations adopted by the department of environmental quality under 76-4-104 for subdivisions that will create one or more parcels containing less than 20 acres; and

(B) standards provided in 76-3-604 and 76-3-622 for subdivisions that will create one or more parcels containing 20 acres or more and less than 160 acres; and

(iv) the location and installation of public utilities;

(h) provide procedures for the administration of the park and open-space requirements of this chapter;

(i) provide for the review of subdivision applications by affected public utilities and those agencies of local, state, and federal government identified during the preapplication consultation conducted pursuant to subsection (1)(q) or those having a substantial interest in a proposed subdivision. A public utility or agency review may not delay the governing body’s action on the application beyond the time limits specified in this chapter, and the failure of any agency to complete a review of an application may not be a basis for rejection of the application by the governing body.

(j) when a subdivision creates parcels with lot sizes averaging less than 5 acres, require the subdivider to:

(i) reserve all or a portion of the appropriation water rights owned by the owner of the land to be subdivided and transfer the water rights to a single
entity for use by landowners within the subdivision who have a legal right to the
water and reserve and sever any remaining surface water rights from the land;
(ii) if the land to be subdivided is subject to a contract or interest in a public or
private entity formed to provide the use of a water right on the subdivision lots,
establish a landowner’s water use agreement administered through a single
entity that specifies administration and the rights and responsibilities of
landowners within the subdivision who have a legal right and access to the
water; or
(iii) reserve and sever all surface water rights from the land;
(k) (i) except as provided in subsection (1)(k)(ii), require the subdivider to
establish ditch easements in the subdivision that:
(A) are in locations of appropriate topographic characteristics and sufficient
width to allow the physical placement and unobstructed maintenance of open
ditches or belowground pipelines for the delivery of water for irrigation to
persons and lands legally entitled to the water under an appropriated water
right or permit of an irrigation district or other private or public entity formed to
provide for the use of the water right on the subdivision lots;
(B) are a sufficient distance from the centerline of the ditch to allow for
construction, repair, maintenance, and inspection of the ditch; and
(C) prohibit the placement of structures or the planting of vegetation other
than grass within the ditch easement without the written permission of the
ditch owner.
(ii) Establishment of easements pursuant to this subsection (1)(k) is not
required if:
(A) the average lot size is 1 acre or less and the subdivider provides for
disclosure, in a manner acceptable to the governing body, that adequately
notifies potential buyers of lots that are classified as irrigated land and may
continue to be assessed for irrigation water delivery even though the water may
not be deliverable; or
(B) the water rights are removed or the process has been initiated to remove
the water rights from the subdivided land through an appropriate legal or
administrative process and if the removal or intended removal is denoted on the
preliminary plat. If removal of water rights is not complete upon filing of the
final plat, the subdivider shall provide written notification to prospective buyers
of the intent to remove the water right and shall document that intent, when
applicable, in agreements and legal documents for related sales transactions.
(l) require the subdivider, unless otherwise provided for under separate
written agreement or filed easement, to file and record ditch easements for
unobstructed use and maintenance of existing water delivery ditches, pipelines,
and facilities in the subdivision that are necessary to convey water through the
subdivision to lands adjacent to or beyond the subdivision boundaries in
quantities and in a manner that are consistent with historic and legal rights;
(m) require the subdivider to describe, dimension, and show public utility
easements in the subdivision on the final plat in their true and correct location.
The public utility easements must be of sufficient width to allow the physical
placement and unobstructed maintenance of public utility facilities for the
provision of public utility services within the subdivision.
(n) establish whether the governing body, its authorized agent or agency, or
both will hold public hearings;
(o) establish procedures describing how the governing body or its agent or agency will address information presented at the hearing or hearings held pursuant to 76-3-605 and 76-3-615;

(p) establish criteria that the governing body or reviewing authority will use to determine whether a proposed method of disposition using the exemptions provided in 76-3-201 or 76-3-207 is an attempt to evade the requirements of this chapter. The regulations must provide for an appeals process to the governing body if the reviewing authority is not the governing body.

(q) establish a preapplication process that:

(i) requires a subdivider to meet with the authorized agent or agency, other than the governing body, that is designated by the governing body to review subdivision applications prior to the subdivider submitting the application;

(ii) requires, for informational purposes only, identification of the state laws, local regulations, and growth policy provisions, if a growth policy has been adopted, that may apply to the subdivision review process;

(iii) requires a list to be made available to the subdivider of the public utilities, those agencies of local, state, and federal government, and any other entities that may be contacted for comment on the subdivision application and the timeframes that the public utilities, agencies, and other entities are given to respond. If, during the review of the application, the agent or agency designated by the governing body contacts a public utility, agency, or other entity that was not included on the list originally made available to the subdivider, the agent or agency shall notify the subdivider of the contact and the timeframe for response.

(iv) requires that a preapplication meeting take place no more than 30 days from the date that the authorized agent or agency receives a written request for a preapplication meeting from the subdivider; and

(v) establishes a time limit after a preapplication meeting by which an application must be submitted as provided in 76-3-604;

(r) requires that the written decision required by 76-3-620 must be provided to the applicant within 30 working days following a decision by the governing body to approve, conditionally approve, or deny a subdivision.

(2) In order to accomplish the purposes described in 76-3-501, the subdivision regulations adopted under 76-3-509 and this section may include provisions that are consistent with this section that promote cluster development.

(3) The governing body may establish deadlines for submittal of subdivision applications.

Section 2. Section 76-3-601, MCA, is amended to read:

“76-3-601. Submission of application and preliminary plat for review — water and sanitation information required. (1) Subject to the submittal deadlines established as provided in 76-3-504(3), the subdivider shall present to the governing body or to the agent or agency designated by the governing body the subdivision application, including the preliminary plat of the proposed subdivision, for local review. The preliminary plat must show all pertinent features of the proposed subdivision and all proposed improvements and must be accompanied by the preliminary water and sanitation information required under 76-3-622.

(2) (a) When the proposed subdivision lies within the boundaries of an incorporated city or town, the application and preliminary plat must be submitted to and approved by the city or town governing body.
(b) When the proposed subdivision is situated entirely in an unincorporated area, the application and preliminary plat must be submitted to and approved by the governing body of the county. However, if the proposed subdivision lies within 1 mile of a third-class city or town, within 2 miles of a second-class city, or within 3 miles of a first-class city, the county governing body shall submit the application and preliminary plat to the city or town governing body or its designated agent for review and comment. If the proposed subdivision is situated within a rural school district, as described in 20-9-615, the county governing body shall provide a summary of the information contained in the application and preliminary plat to school district trustees.

(c) If the proposed subdivision lies partly within an incorporated city or town, the application and preliminary plat must be submitted to and approved by both the city or town and the county governing bodies.

(d) When a proposed subdivision is also proposed to be annexed to a municipality, the governing body of the municipality shall coordinate the subdivision review and annexation procedures to minimize duplication of hearings, reports, and other requirements whenever possible.

(3) The provisions of 76-3-604, 76-3-605, 76-3-608 through 76-3-610, and this section do not limit the authority of certain municipalities to regulate subdivisions beyond their corporate limits pursuant to 7-3-4444.”

Section 3. Section 76-3-604, MCA, is amended to read:

“76-3-604. Review of subdivision application — review for required elements and sufficiency of information. (1) (a) Within 5 working days of receipt of a subdivision application submitted in accordance with any deadlines established pursuant to 76-3-504(3) and receipt of the review fee submitted as provided in 76-3-602, the reviewing agent or agency shall determine whether the application contains all of the listed materials as required by 76-3-504(1)(a) and shall notify the subdivider or, with the subdivider’s written permission, the subdivider’s agent of the reviewing agent’s or agency’s determination.

(b) Within 5 working days of receipt of a subdivision application, the reviewing agent or agency shall determine whether the application contains all of the listed materials as required by 76-3-504(1)(a) and shall notify the subdivider or, with the subdivider’s written permission, the subdivider’s agent of the reviewing agent’s or agency’s determination.

4(a) If the reviewing agent or agency determines that elements are missing from the application, the reviewing agent or agency shall identify those elements in the notification.

(2) (a) Within 15 working days after the reviewing agent or agency notifies the subdivider or the subdivider’s agent that the application contains all of the required elements as provided in subsection (1), the reviewing agent or agency shall determine whether the application and required elements contain detailed, supporting information that is sufficient to allow for the review of the proposed subdivision under the provisions of this chapter and the local regulations adopted pursuant to this chapter and shall notify the subdivider or, with the subdivider’s written permission, the subdivider’s agent of the reviewing agent’s or agency’s determination.

(b) If the reviewing agent or agency determines that information in the application is not sufficient to allow for review of the proposed subdivision, the reviewing agent or agency shall identify the insufficient information in its notification.
(c) A determination that an application contains sufficient information for review as provided in this subsection (2) does not ensure that the proposed subdivision will be approved or conditionally approved by the governing body and does not limit the ability of the reviewing agent or agency or the governing body to request additional information during the review process.

(3) The time limits provided in subsections (1) and (2) apply to each submittal of the application until:

(a) a determination is made that the application contains the required elements and sufficient information; and

(b) the subdivider or the subdivider's agent is notified.

(4) After the reviewing agent or agency has notified the subdivider or the subdivider's agent that an application contains sufficient information as provided in subsection (2), the governing body shall approve, conditionally approve, or deny the proposed subdivision within 60 working days or 80 working days if the proposed subdivision contains 50 or more lots, based on its determination of whether the application conforms to the provisions of this chapter and to the local regulations adopted pursuant to this chapter, unless:

(a) the subdivider and the reviewing agent or agency agree to an extension or suspension of the review period, not to exceed 1 year; or

(b) a subsequent public hearing is scheduled and held as provided in 76-3-615.

(5) (a) If the governing body fails to comply with the time limits under subsection (4), the governing body shall pay to the subdivider a financial penalty of $50 per lot per month or a pro rata portion of a month, not to exceed the total amount of the subdivision review fee collected by the governing body for the subdivision application, until the governing body denies, approves, or conditionally approves the subdivision.

(b) The provisions of subsection (5)(a) do not apply if the review period is extended or suspended pursuant to subsection (4).

(6) If the governing body denies or conditionally approves the proposed subdivision, it shall send the subdivider a letter, with the appropriate signature, that complies with the provisions of 76-3-620.

(7) (a) The governing body shall collect public comment submitted at a hearing or hearings regarding the information presented pursuant to 76-3-622 and shall make any comments submitted or a summary of the comments submitted available to the subdivider within 30 days after conditional approval or approval of the subdivision application and preliminary plat.

(b) The subdivider shall, as part of the subdivider's application for sanitation approval, forward the comments or the summary provided by the governing body to the:

(i) reviewing authority provided for in Title 76, chapter 4, for subdivisions that will create one or more parcels containing less than 20 acres; and

(ii) local health department or board of health for proposed subdivisions that will create one or more parcels containing 20 acres or more and less than 160 acres.

(8) (a) For a proposed subdivision that will create one or more parcels containing less than 20 acres, the governing body may require approval by the department of environmental quality as a condition of approval of the final plat.

(b) For a proposed subdivision that will create one or more parcels containing 20 acres or more, the governing body may condition approval of the
final plat upon the subdivider demonstrating, pursuant to 76-3-622, that there is an adequate water source and at least one area for a septic system and a replacement drainfield for each lot.

(9) (a) Review and approval, conditional approval, or denial of a proposed subdivision under this chapter may occur only under those regulations in effect at the time a subdivision application is determined to contain sufficient information for review as provided in subsection (2).

(b) If regulations change during the review periods provided in subsections (1) and (2), the determination of whether the application contains the required elements and sufficient information must be based on the new regulations.”

Section 4. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 5. Effective date. [This act] is effective on passage and approval.

Section 6. Applicability. [This act] applies to subdivision applications submitted on or after July 1, 2013.

Approved March 28, 2013
(2) The advertisement must be published as provided in 7-1-4127, and the second publication must be made not less than 5 days or more than 12 days before the consideration of bids. If the advertisement is made by posting, 15 days must elapse, including the day of posting, between the time of the posting of the advertisement and the day set for considering bids.

(3) The council may:
(a) postpone awarding a contract until the next regular meeting after bids are received in response to the advertisement;
(b) reject any or all bids; and
(c) readvertise as provided in this section.”

Section 3. Section 20-9-204, MCA, is amended to read:

“20-9-204. Conflicts of interests, letting contracts, and calling for bids — exceptions. (1) It is unlawful for a trustee to:
(a) have any pecuniary interest, either directly or indirectly, in any contract made by the trustee while acting in that official capacity or by the board of trustees of which the trustee is a member; or
(b) be employed in any capacity by the trustee’s own school district, with the exception of officiating at athletic competitions under the auspices of the Montana officials association.

(2) For the purposes of subsection (1):
(a) “contract” does not include:
(i) merchandise sold to the highest bidder at public auctions;
(ii) investments or deposits in financial institutions that are in the business of loaning or receiving money when the investments or deposits are made on a rotating or ratable basis among financial institutions in the community or when there is only one financial institution in the community; or
(iii) contracts for professional services, other than salaried services, or for maintenance or repair services or supplies when the services or supplies are not reasonably available from other sources if the interest of any board member and a determination of the lack of availability are entered in the minutes of the board meeting at which the contract is considered; and
(b) “pecuniary interest” does not include holding an interest of 10% or less in a corporation.

(3) (a) Except for district needs that must be met because of an unforeseen emergency, as defined in 20-3-322(5), or as provided in subsections (4) and (6) of this section, whenever any building, furnishing, repairing, or other work for the benefit of the district or purchasing of supplies for the district is necessary, the work done or the purchase made must be by contract if the sum exceeds $50,000.

(b) Except as provided in Title 18, chapter 2, part 5, each contract must be let to the lowest responsible bidder after advertisement for bids. The advertisement for bids under this subsection (3)(b) must be published in the newspaper that will give notice to the largest number of people of the district as determined by the trustees. The advertisement must be made once each week for 2 consecutive weeks, and the second publication must be made not less than 5 days or more than 12 days before consideration of bids. A contract not let pursuant to this section is void. The bidding requirements applicable to services performed for the benefit of the district under this section do not apply to:

(i) a registered professional engineer, surveyor, real estate appraiser, or registered architect;
(ii) a physician, dentist, pharmacist, or other medical, dental, or health care provider;

(iii) an attorney;

(iv) a consulting actuary;

(v) a private investigator licensed by any jurisdiction;

(vi) a claims adjuster;

(vii) an accountant licensed under Title 37, chapter 50; or

(viii) a project, as defined in 18-2-501, for which a governing body, as defined in 18-2-501, enters into an alternative project delivery contract pursuant to Title 18, chapter 2, part 5.

(4) A district may enter into a cooperative purchasing contract for the procurement of supplies or services with one or more districts. A district participating in a cooperative purchasing group may purchase supplies and services through the group without complying with the provisions of subsection (3) if the cooperative purchasing group has a publicly available master list of items available with pricing included and provides an opportunity at least twice yearly for any vendor, including a Montana vendor, to compete, based on a lowest responsible bidder standard, for inclusion of the vendor’s supplies and services on the cooperative purchasing group’s master list.

(5) This section may not require the board of trustees to let a contract for any routine and regularly performed maintenance or repair project or service that can be accomplished by district staff whose regular employment with the school district is related to the routine performance of maintenance for the district.

(6) Subsection (3) does not apply to the solicitation or award of a contract for an investment grade energy audit or an energy performance contract pursuant to Title 90, chapter 4, part 11, including construction and installation of conservation measures pursuant to the energy performance contract.”

Section 4. Effective date. [This act] is effective on passage and approval.

CHAPTER NO. 112

[SB 146]

AN ACT REVISING CRITERIA FOR LOCAL SUBDIVISION REVIEW TO REQUIRE THAT CERTAIN INFORMATION SUBMITTED BY A GOVERNMENTAL ENTITY BE USED BY A GOVERNING BODY ONLY IF IT IS SCIENTIFIC INFORMATION; REQUIRING A GOVERNMENTAL ENTITY THAT HAS BEEN INVOLVED IN CERTAIN PROPERTY ACQUISITION EFFORTS TO DISCLOSE THAT INFORMATION TO THE LOCAL GOVERNING BODY; AMENDING SECTION 76-3-608, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 76-3-608, MCA, is amended to read:

“76-3-608. Criteria for local government review. (1) The basis for the governing body’s decision to approve, conditionally approve, or deny a proposed subdivision is whether the subdivision application, preliminary plat, applicable environmental assessment, public hearing, planning board recommendations, or additional information demonstrates that development of the proposed subdivision meets the requirements of this chapter. A governing body may not deny approval of a proposed subdivision based solely on the subdivision’s impacts on educational services or based solely on parcels within the subdivision having been designated as wildland-urban interface parcels under 76-13-145.

(2) The governing body shall issue written findings of fact that weigh the criteria in subsection (3), as applicable.

(3) A subdivision proposal must undergo review for the following primary criteria:

(a) except when the governing body has established an exemption pursuant to subsection (6) of this section or except as provided in 76-3-509, 76-3-609(2) or (4), or 76-3-616, the impact on agriculture, agricultural water user facilities, local services, the natural environment, wildlife, wildlife habitat, and public health and safety;

(b) compliance with:

(i) the survey requirements provided for in part 4 of this chapter;

(ii) the local subdivision regulations provided for in part 5 of this chapter; and
(iii) the local subdivision review procedure provided for in this part;

(c) the provision of easements within and to the proposed subdivision for the location and installation of any planned utilities; and

(d) the provision of legal and physical access to each parcel within the proposed subdivision and the required notation of that access on the applicable plat and any instrument of transfer concerning the parcel.

(4) The governing body may require the subdivider to design the proposed subdivision to reasonably minimize potentially significant adverse impacts identified through the review required under subsection (3). The governing body shall issue written findings to justify the reasonable mitigation required under this subsection (4).

(5) (a) In reviewing a proposed subdivision under subsection (3) and when requiring mitigation under subsection (4), a governing body may not unreasonably restrict a landowner’s ability to develop land, but it is recognized in some instances the unmitigated impacts of a proposed development may be unacceptable and will preclude approval of the subdivision.

(b) When requiring mitigation under subsection (4), a governing body shall consult with the subdivider and shall give due weight and consideration to the expressed preference of the subdivider.

(6) A governing body may conditionally approve or deny a proposed subdivision as a result of the water and sanitation information provided pursuant to 76-3-622 or public comment received pursuant to 76-3-604 on the information provided pursuant to 76-3-622 only if the conditional approval or denial is based on existing subdivision, zoning, or other regulations that the governing body has the authority to enforce.

(7) A governing body may not require as a condition of subdivision approval that a property owner waive a right to protest the creation of a special improvement district or a rural improvement district for capital improvement projects that does not identify the specific capital improvements for which protest is being waived. A waiver of a right to protest may not be valid for a time period longer than 20 years after the date that the final subdivision plat is filed with the county clerk and recorder.

Section 3. Applicability. (1) Except as provided in subsection (2), [sections 1 through 6] apply to an audit of the records of a pharmacy licensed under Title 37, chapter 7.

(2) [Sections 1 through 6] do not apply to an audit of pharmacy records when fraud or other intentional and willful misrepresentation is evidenced by the review of claims data, statements, physical review, or other investigative methods.

Section 4. Audit of pharmacy records. (1) An entity conducting an audit of pharmacy records shall audit a pharmacy using the same standards and parameters as used by the entity in auditing other pharmacies on behalf of the same audit client.

The date of receipt of the report must be determined by the postmark date or the date of the electronic transmission if transferred electronically.

(3) If an audit results in the dispute or denial of a claim, the entity conducting the audit shall allow the pharmacy, for 30 days following receipt of
the preliminary audit report, to produce additional claims documentation using any commercially reasonable method, including fax, mail, or e-mail.

(4) (a) Within 120 days after the completion of the appeals process under subsection (5), a final audit report must be delivered to the pharmacy or its corporate office of record.

(b) The final audit report must include a disclosure of any money recovered by the entity that conducted the audit.

(5) An entity that audits a pharmacy shall establish a written policy for a pharmacy to appeal a final audit report. If no remedies are specified by contract or in the pharmacy services manual, the pharmacy may seek to resolve the dispute through mediation.

[HB 367]

AN ACT GENERALLY REVISING MOTOR VEHICLE SALVAGE TITLE LAWS; CLARIFYING THE SALVAGE CERTIFICATE APPLICATION PROCESS; AND AMENDING SECTION 61-3-211, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-3-211, MCA, is amended to read:

“61-3-211. Surrender of certificate of title — issuance of salvage certificate — salvage retitling requirements. (1) An insurer
acquiring ownership of a motor vehicle that is less than 15 years of age and that the insurer determines has been determined to be a salvage vehicle, the insurer shall surrender the certificate of title to the department within 15 days after acquiring the certificate of title. If the insurer has not sold the salvage vehicle prior to the time of surrendering the certificate of title, the insurer shall apply for a salvage certificate on a form prescribed by the department. The application must be accompanied by a certificate of title assigned to the insurer unless the application indicates that the insurer was unable to obtain the certificate of title after making at least two attempts to do so following oral or written acceptance by the owner of the salvage vehicle of the settlement offer for the salvage vehicle. If the certificate of title or electronic record of title maintained by the department names one or more holders of a perfected security interest in the motor vehicle, the insurer shall secure and deliver to the department a release from each secured party of the secured interest.

(2) Upon receipt of a properly executed certificate of title and a salvage certificate application from an insurer, the department shall issue a salvage certificate to the insurer within 5 working days of the date of receipt of the application. Upon receipt of a salvage certificate issued by the department, an insurer may possess, retain, transport, sell, transfer, or otherwise dispose of the salvage vehicle. The salvage certificate is prima facie evidence of ownership of a salvage vehicle.

(3) If the insurer sells a salvage vehicle before a salvage certificate is obtained under subsections (1) and (2), within the 15-day period established in subsection (1) prior to surrendering the certificate of title, the insurer shall complete a salvage receipt on a form prescribed by the department. The insurer shall deliver the original salvage receipt to the salvage vehicle purchaser only after obtaining a release has been obtained from each secured party of any security interest in the salvage vehicle clear title and lien release. Prior to disposing of the salvage vehicle, the salvage vehicle purchaser shall apply for a salvage certificate by completing the salvage receipt and submitting it to the department. The insurer shall then deliver to the department a copy of the salvage receipt, any security releases, and a certificate of title assigned to the insurer unless the insurer was unable to obtain the certificate of title after making at least two attempts to do so following oral or written acceptance by the owner of the salvage vehicle of the settlement offer for the salvage vehicle with the surrendered certificate of title to the department. Upon submission of the original salvage receipt of the certificate of title from the insurer and the application from the salvage vehicle purchaser, the department shall issue a salvage certificate to the salvage vehicle purchaser that is prima facie evidence of ownership. A salvage certificate must be obtained before the salvage vehicle purchaser disposes of the salvage vehicle.

(4) If an insurer determines that a salvage vehicle will remain with the owner after an agreed settlement, the insurer shall notify the department of the settlement on a form prescribed by the department. Upon receipt of the notice, the department may require the owner to surrender the certificate of title in compliance with this part, regardless of whether ownership of the salvage vehicle was obtained in a jurisdiction not requiring the surrender of the certificate of title or a comparable ownership document.

(5) At the time of surrender of a certificate of title for a salvage vehicle not acquired by an insurer, the department shall issue a salvage certificate to the owner. Upon receipt of a salvage certificate issued by the department to a noninsurer, the owner may possess, retain, transport, sell, transfer, or
otherwise dispose of the salvage vehicle. A salvage certificate is prima facie evidence of ownership of a salvage vehicle.

(6) A fee of $5 must be paid to the department for the issuance of a salvage certificate.

(7) A salvage vehicle owned by or in the inventory of a motor vehicle wrecking facility on October 1, 1991, is exempt from the provisions of this section if the owner of the facility has complied with the provisions of 61-3-225.”

Section 2. Section 2-17-101, MCA, is amended to read:

“2-17-101. Allocation of space — leasing — definition. (1) The department of administration shall determine the space required by state agencies other than the university system and shall allocate space in buildings owned or leased by the state, based on each agency’s need. To efficiently and effectively allocate space, the department shall identify the amount, location, and nature of space used by each agency, including summary information on average cost per square foot for each municipality, and report this to the office of budget and program planning and to the legislative fiscal analyst by September 1 of each even-numbered year. The report must be provided in an electronic format.

(2) An agency requiring additional space shall notify the department. The department, in consultation with the agency, shall determine the amount and nature of the space needed and locate space within a building owned or leased by the state, including buildings in Helena and in other areas, to meet the agency’s requirements. If space is not available in a building owned or leased by the state, the department shall locate space to be leased in an appropriate existing building or a build-to-lease building, including buildings in Helena and in other areas, or recommend alternatives to leasing, such as remodeling or exchanging space with another agency. A state agency may not lease, rent, or purchase real property without prior approval of the department.

(4) The department shall consolidate the offices of state agencies in a single, central location within a municipality whenever the consolidation would result in a cost savings to the state while permitting sufficient space and facilities for the agencies. The department may purchase, lease, or acquire, by exchange or otherwise, land and buildings in a municipality to achieve consolidation. Offices of the law enforcement services division and motor vehicle division of the department of justice are exempted from consolidation.

(5) Any lease for more than 40,000 square feet or for a term of more than 20 years must be submitted as part of the long-range building program and approved by the legislature before the department of administration may proceed with the lease. Multiple leases in the same building entered into within any 60-day period are to be aggregated for purposes of this threshold calculation. When immediate relocation of agency employees is required due to a public exigency, the requirements of this subsection do not apply, but the new lease must be reported as required by subsection (1).

(6) The department shall include language in every lease providing that if funds are not appropriated or otherwise made available to support continued performance of the lease in subsequent fiscal periods, the lease must be canceled.

**Section 4.** Section 17-1-102, MCA, is amended to read:

“17-1-102. Uniform accounting system and expenditure control. (1) The department shall establish a system of financial control so that the functioning of the various agencies of the state may be improved, duplications of work by different state agencies and employees may be eliminated, public service may be improved, and the cost of government may be reduced.

2. The department shall prescribe and install a uniform accounting and reporting system for all state agencies and institutions, reporting the receipt, use, and disposition of all public money and property in accordance with generally accepted accounting principles.

3. The uniform accounting and reporting system must contain three levels of expenditure. The first level must include general categories, such as personal services, operating expenses, equipment, capital outlay, local assistance, grants, benefits and claims, transfers, and debt service. The second level of expenditure must include specific categories of expenditures within each first-level category. The third level of expenditure must include specific items of expenditure within each category of the second level.

4. All state agencies, including units of the university system but excluding community colleges, shall input all necessary transactions to the accounting system prescribed in subsection (2) before the accounts are closed at the end of the fiscal year in order to present the receipt, use, and disposition of all money and property for which the agency is accountable in accordance with generally accepted accounting principles, except that for budgetary control purposes, encumbrances that are required by generally accepted accounting principles to be reported as a reservation of fund balance must be recorded as expenditures
and liabilities on the accounting records in accordance with the following requirements:

(a) Goods and services, grants, and local assistance that are paid for with the general fund, in whole or in part, may be encumbered. The general fund encumbrances must be reviewed by the department, and a specific extension plan must be presented by the encumbering agency to the department prior to the fiscal yearend. If a valid extension plan is not received and approved, the department shall delete the encumbrance at fiscal yearend. The department shall present a fiscal yearend report to the office of budget and program planning and to the legislative finance committee fiscal analyst on each general fund encumbrance remaining at fiscal yearend. The report must be provided in an electronic format.

(b) Nongeneral fund encumbrances also require a valid extension plan approved by the department at the end of each fiscal year. After 3 years, approved extensions must be included by the department in its fiscal yearend report to the office of budget and program planning and to the legislative finance committee.

Section 5. Section 17-1-505, MCA, is amended to read:

“17-1-505. Review of dedicated revenue provisions. (1) The legislature recognizes that dedicated revenue provisions are subject to review by:

(2) To avoid unnecessary and unjustified use of dedicated revenue provisions, the entities listed in subsection (1) shall, in the course of current duties, consider the principles in 17-1-507 and the criteria listed in this subsection for each new or existing dedicated revenue provision. If an entity referred to in subsection (1) determines that the use of a dedicated revenue provision is not justified, the use or proposed use must be reported to the legislative fiscal analyst. The legislative fiscal analyst shall maintain a list of unjustified dedicated revenue provisions and shall report on the unjustified dedicated revenue provisions to the legislative finance committee no later than October 31 of the year preceding a regular legislative session. A dedicated revenue provision should not give a program or activity an unfair advantage for funding. The expenditures from a dedicated revenue provision must be based on requirements for meeting a legislatively established outcome. Statutorily mandated programs or activities funded through dedicated revenue provisions from general revenue sources must be reviewed to the same extent as programs or activities funded from the general fund. The use of a dedicated revenue provision may be justified if it satisfies one or more of the following:

(a) The program or activity funded provides direct benefits for those who pay the dedicated tax, fee, or assessment, and the tax, fee, or assessment is commensurate with the costs of the program or activity.
(b) The use of the dedicated revenue provision provides special information or other advantages that could not be obtained if the revenue were allocated to the general fund.

c) The dedicated revenue provision provides program funding at a level equivalent to the expenditures established by the legislature.

d) The dedicated revenue provision involves collection and allocation formulas that are appropriate to the present circumstances and current priorities in state government.

(e) The dedicated revenue provision does not impair the legislature’s ability to scrutinize budgets, control expenditures, and establish priorities for state spending.

(f) The dedicated revenue provision results in an appropriate projected ending fund balance.

(g) The dedicated revenue provision fulfills a continuing, legislatively recognized need.

(h) The dedicated revenue provision does not result in accounting or auditing inefficiency.

3) A local government dedicated revenue provision may be justified if it satisfies any of the following:

(a) The program or activity funded provides direct benefits or services for those who pay the dedicated tax, fee, or assessment, and the tax, fee, or assessment is commensurate with the costs of the program or activity.

(b) The provision provides necessary information or other advantages that could not be obtained if the revenue were allocated to the state general fund.

(c) The provision involves collection and allocation formulas that are appropriate to the present circumstances and current priorities of state and local government.

(d) The provision does not impair the ability of the legislature to scrutinize budgets, control expenditures, and establish state spending priorities.

(e) The provision fulfills a legislatively recognized continuing need.

(f) The provision does not result in accounting or auditing inefficiency or unnecessary complexity and instability of local government funding structures.”

Section 6. Section 17-2-107, MCA, is amended to read:

“17-2-107. Accurate accounting records and interentity loans. (1) The department shall record receipts and disbursements for treasury funds and for accounting entities within treasury funds and shall maintain records in a manner that reflects the total cash and invested balance of each fund and each accounting entity. The department shall adopt the necessary procedures to ensure that interdepartmental or intradepartmental transfers of money or loans do not result in inflation of figures reflecting total governmental costs and revenue.

(2) (a) Except as provided in 77-1-108 and subject to 17-2-105, when the expenditure of an appropriation from a fund designated in 17-2-102(1) through (3) is necessary and the cash balance in the accounting entity from which the appropriation was made is insufficient, the department may authorize a temporary loan, bearing no interest, of unrestricted money from other accounting entities if there is reasonable evidence that the income will be sufficient to repay the loan within 1 calendar year and if the loan is recorded in the state accounting records. An accounting entity receiving a loan or an
accounting entity from which a loan is made may not be so impaired that all proper demands on the accounting entity cannot be met even if the loan is extended.

(b) (i) When an expenditure from a fund or subfund designated in 17-2-102(4) is necessary and the cash balance in the fund or subfund from which the expenditure is to be made is insufficient, the commissioner of higher education may authorize a temporary loan, bearing interest as provided in subsection (4) of this section, of money from the agency’s other funds or subfunds if there is reasonable evidence that the income will be sufficient to repay the loan within 1 calendar year and if the loan is recorded in the state accounting records. A fund or subfund receiving a loan or from which a loan is made may not be so impaired that all proper demands on the fund or subfund cannot be met even if the loan is extended.

(ii) One accounting entity within each fund or subfund designated in 17-2-102(4) must be established for the sole purpose of recording loans between the funds or subfunds. This accounting entity is the only accounting entity within each fund or subfund that may receive a loan or from which a loan may be made.

(c) A loan made under subsection (2)(a) or (2)(b) must be repaid within 1 calendar year of the date on which the loan is approved unless it is extended under subsection (3) or by specific legislative authorization.

(3) Under unusual circumstances, the director of the department or the board of regents may grant one extension for up to 1 year for a loan made under subsection (2)(a) or (2)(b). The director or board shall prepare a written justification and proposed repayment plan for each loan extension authorized and shall furnish a copy of the written justification and proposed repayment plan to the house appropriations and senate finance and claims committees at the next legislative session.

(4) Any loan from the current unrestricted subfund to funds designated in 17-2-102(4)(a)(iv) and (4)(b) through (4)(f) must bear interest at a rate equivalent to the previous fiscal year’s average rate of return on the board of investments’ short-term investment pool.

(5) If for 2 consecutive fiscal yearends a loan or an extension of a loan has been authorized to the same accounting entity as provided in subsection (2) or (3), the department or the commissioner of higher education shall submit to the legislative finance committee fiscal analyst by September 1 of the following fiscal year a written report containing an explanation as to why the second loan or extension was made, an analysis of the solvency of the accounting entity or accounting entities within the university fund or subfund, and a plan for repaying the loans. The report must be provided in an electronic format.

(6) If for 2 consecutive fiscal yearends an accounting entity in a fund or subfund designated in 17-2-102(4) has a negative cash balance, the commissioner of higher education shall submit to the legislative finance committee fiscal analyst by September 1 of the following fiscal year a written report containing an explanation as to why the accounting entity has a negative cash balance, an analysis of the solvency of the accounting entity, and a plan to address any problems concerning the accounting entity’s negative cash balance or solvency. The report must be provided in an electronic format.

(7) (a) An accounting entity in a fund designated in 17-2-102(1) through (3) may not have a negative cash balance at fiscal yearend. The department may, however, allow a fund type within each agency to carry a negative balance at any
point during the fiscal year if the negative cash balance does not exist for more than 7 working days.

(b) (i) Except as provided in subsection (7)(b)(ii) of this section, a unit of the university system shall maintain a positive cash balance in the funds and subfunds designated in 17-2-102(4).

(ii) If a fund or subfund inadvertently has a negative cash balance, the department may allow the fund or subfund to carry the negative cash balance for no more than 7 working days. If the negative cash balance exists for more than 7 working days, a transaction may not be processed through the statewide accounting system for that fund or subfund.

(8) Notwithstanding the provisions of subsections (2) through (4), the department may authorize loans to accounting entities in the federal and state special revenue funds with long-term repayment whenever necessary because of the timing of the receipt of agreed-upon reimbursements from federal, private, or other governmental entity sources for disbursements made. If possible, the loans must be made from funds other than the general fund. The department may approve the loans if the requesting agency can demonstrate that the total loan balance does not exceed total receivables from federal, private, or other governmental entity sources and receivables have been billed on a timely basis. The loan must be repaid under terms and conditions that may be determined by the department or by specific legislative authorization.

(9) A loan may not be authorized under this section to any fund or accounting entity that is owed federal or other third-party funds unless the requesting agency certifies to the agency approving the loan that it has and will continue to bill the federal government or other third party for the requesting agency’s share of costs incurred in the fund or accounting entity on the earliest date allowable under federal or other third-party regulations applicable to the program. The requesting agency shall recertify its timely billing status to the agency that approved the loan at least monthly during the term of the loan. If at any time the requesting agency fails to recertify the timely billing, the agency that approved the loan shall cancel the loan and return the money to its original source. 

Section 7. Section 17-2-304, MCA, is amended to read:

“17-2-304. Reports required. (1) The approving authority for a state agency shall annually report in writing to the legislative fiscal analyst by September 15:

(a) each state agency that had a cash balance in a state charge for services fund contrary to the limitation provided in 17-2-302(1) during the previous 12 months;

(b) the facts certified for each state agency by the approving authority pursuant to 17-2-302(2);

(c) each state agency that has complied with the requirements of 17-2-303 and the circumstances of the agency’s compliance;

(d) each state agency that has not complied with 17-2-303 and the circumstances of the agency’s noncompliance; and

(e) all expenditures made by the state agency in the preceding 12 months that are related to the production and distribution of public service announcements;

(f) the report must be provided in an electronic format.

(2) The director of the department of administration shall report to the legislature at the time and in the manner required by 5-11-210 a list of each local
government entity that had a balance in a local charge for services fund contrary to the limitation provided by 17-2-302(1) or that failed to reduce the charge as provided in 17-2-303, or both, during the previous 12 months.

Section 8. Section 17-5-820, MCA, is amended to read:

"17-5-820. Authorization of bonds. (1) The board of examiners is authorized to issue and sell general obligation bonds in an amount not exceeding $20 million in accordance with the terms and in the manner required by Title 17, chapter 5, part 8, for the purpose of financing and acquiring infrastructure improvements as enumerated in 7-15-4288 for aerospace transportation and technology infrastructure development projects recommended by the department of commerce in accordance with the authority granted to the board by this section. The bonds are in addition to any other authorization to the board to issue and sell general obligation bonds and subject to the conditions set forth in this section.

(2) The department of commerce may request the board of examiners to issue the bonds for one or more specified projects in one or more series, but the total amount of bonds issued may not exceed $20 million. Bond proceeds must be appropriated to the department of commerce, and the department of commerce is authorized to acquire or construct the infrastructure improvements, to contract with the incorporated city or town, county, or city-county consolidated local government in which a project is located, to contract with an airport authority as defined in 67-1-101, a local port authority as described in 7-14-1101, or a regional port authority as described in 7-14-1102, to contract with a certified regional development corporation as defined in 90-1-116, or, upon a determination that it is in the best interest of the project, to contract with the developer of an approved project for the acquisition or construction of the infrastructure improvement. The plans and specifications for the infrastructure to be financed from the proceeds of the bonds must be prepared by an engineer or architect who is licensed and bonded in Montana, and the state must be named as an additional insured under any contract, performance bond, or other documents for the design of any improvements to be financed by the state. The plans and specifications must be reviewed and approved by the department of commerce after consultation with the architecture and engineering division of the department of administration. The design and acquisition or construction of the infrastructure for approved projects are not, with the exception of Title 18, chapter 2, part 4, subject to the public procurement requirements contained in Title 18. All construction contracts entered into for the construction of improvements to be financed under this section must name the state as an additional insured if the state is not otherwise party to the contract. All improvements financed with bond proceeds must be owned by the state, and the use must be governed by a development agreement between the state and the developer of the project. The agreement may provide for the lease or the use of the infrastructure at less than fair market value, taking into consideration the number of jobs to be created by the project, the salary range of the jobs, the amount of capital contributed by the developer, and the projected tax revenue to be received by the state and local governments from the project over the term of the lease or use agreement. The agreement must require the contractor to insure for liability and workers’ compensation claims during construction and must provide the project developer with the right of first refusal for the purchase of any real property and improvements financed by the bonds at fair market value. Fair market value must be determined by a certified appraiser. For purposes of this section, state and local governments may not provide
telecommunications or other services in competition with private providers unless private providers cannot provide the services.

(3) It is the intent of the legislature that state individual and corporate income taxes and state property taxes generated by the aerospace transportation and technology infrastructure development projects will be at least equal to the projected amount of the debt service to be paid by the state for the bonds authorized by this section over the term of the bonds. Prior to requesting the board of examiners to issue the bonds, the department of commerce shall determine that the developer of a proposed project has the financial ability to implement the project based upon the audited financial statements of the developer. When requesting the board to issue the bonds, the department of commerce shall present to the legislative finance committee and to the department of administration for presentation to the board the following:

(a) evidence satisfactory to the board that the developer of each aerospace transportation and technology infrastructure development project has committed itself to locate its project in Montana; and

(b) a certificate signed by the director of the office of budget and program planning that the proposed project will, over the term of the bonds, generate state individual and corporate income taxes and state property taxes at least equal to the total aggregate amount of principal and interest on the bonds over the term of the bonds. In preparing the analysis for the report on the projected tax revenue from the project, the multiplier effect may be taken into account, using the number of jobs, the salary levels for the jobs, and the estimated date of hire for each position that the developer will commit to create as part of the development agreement. The development agreement must provide that if the developer has not created the total number of jobs at the estimated salaries by the date specified in the development agreement and assumed for purposes of meeting the projections, the state may terminate the lease or use of the improvements upon 30 days’ notice. If the department of commerce is unable to enter into a new lease or use agreement for the improvements that is advantageous to the state, the state may sell the facility to the highest and best bidder and use the proceeds of the sale to redeem the outstanding bonds.

(4) In determining whether to recommend to the board of examiners that improvements should be constructed by the state from the proceeds of the bonds for a project, the department of commerce may take into consideration only the following factors:

(a) whether the project is eligible for financing;

(b) whether there is sufficient evidence to demonstrate the developer’s ability to implement the project;

(c) the projected tax revenue report;

(d) whether the project as proposed and situated can obtain the necessary zoning, building, and environmental permits required; and

(e) whether the project is in the public interest.

(5) In recommending the amount of bonds to be issued for a qualified project, the department of commerce shall independently determine that the proposed estimated cost of the project is not in excess of what is required for the project and independently verify the projected costs of designing and constructing the improvements proposed to be financed exclusive of any development fee to the developer. The authorized bond proceeds must be used for projects on a first-come, first-served basis.”
Section 9. Section 17-7-140, MCA, is amended to read:

“17-7-140. Reduction in spending. (1) (a) As the chief budget officer of the state, the governor shall ensure that the expenditure of appropriations does not exceed available revenue. Except as provided in subsection (2), in the event of a projected general fund budget deficit, the governor, taking into account the criteria provided in subsection (1)(b), shall direct agencies to reduce spending in an amount that ensures that the projected ending general fund balance for the biennium will be at least 1% of all general fund appropriations during the biennium. An agency may not be required to reduce general fund spending for any program, as defined in each general appropriations act, by more than 10% during a biennium. Departments or agencies headed by elected officials or the board of regents may not be required to reduce general fund spending by a percentage greater than the percentage of general fund spending reductions required for the total of all other executive branch agencies. The legislature may exempt from a reduction an appropriation item within a program or may direct that the appropriation item may not be reduced by more than 10%.

(b) The governor shall direct agencies to manage their budgets in order to reduce general fund expenditures. Prior to directing agencies to reduce spending as provided in subsection (1)(a), the governor shall direct each agency to analyze the nature of each program that receives a general fund appropriation to determine whether the program is mandatory or permissive and to analyze the impact of the proposed reduction in spending on the purpose of the program. An agency shall submit its analysis to the office of budget and program planning and shall at the same time provide a copy of the analysis to the legislative fiscal analyst. The report must be submitted in an electronic format. The office of budget and program planning shall review each agency’s analysis, and the budget director shall submit to the governor a copy of the office of budget and program planning’s recommendations for reductions in spending. The budget director shall provide a copy of the recommendations to the legislative fiscal analyst at the time that the recommendations are submitted to the governor and shall provide the legislative fiscal analyst with any proposed changes to the recommendations. The recommendations must be provided in an electronic format. The legislative finance committee shall meet within 20 days of the date that the proposed changes to the recommendations for reductions in spending are provided to the legislative fiscal analyst. The legislative fiscal analyst shall provide a copy of the legislative fiscal analyst’s review of the proposed reductions in spending to the budget director at least 5 days before the meeting of the legislative finance committee. The committee may make recommendations concerning the proposed reductions in spending. The governor shall consider each agency’s analysis and the recommendations of the office of budget and program planning and the legislative finance committee in determining the agency’s reduction in spending. Reductions in spending must be designed to have the least adverse impact on the provision of services determined to be most integral to the discharge of the agency’s statutory responsibilities.

(2) Reductions in spending for the following may not be directed by the governor:
(a) payment of interest and principal on state debt;
(b) the legislative branch;
(c) the judicial branch;
(d) the school BASE funding program, including special education;
(e) salaries of elected officials during their terms of office; and
(f) the Montana school for the deaf and blind.

(3) (a) As used in this section, “projected general fund budget deficit” means an amount, certified by the budget director to the governor, by which the projected ending general fund balance for the biennium is less than:

(i) 2% of the general fund appropriations for the second fiscal year of the biennium prior to October of the year preceding a legislative session;

(ii) 3/4 of 1% in October of the year preceding a legislative session;

(iii) 1/2 of 1% in January of the year in which a legislative session is convened; and

(iv) 1/4 of 1% in March of the year in which a legislative session is convened.

(b) In determining the amount of the projected general fund budget deficit, the budget director shall take into account revenue, established levels of appropriation, anticipated supplemental appropriations for school equalization aid, and anticipated reversions.

(4) If the budget director determines that an amount of actual or projected receipts will result in an amount less than the amount projected to be received in the revenue estimate established pursuant to 5-5-227, the budget director shall notify the revenue and transportation interim committee of the estimated amount. Within 20 days of notification, the revenue and transportation interim committee shall provide the budget director with any recommendations concerning the amount. The budget director shall consider any recommendations of the revenue and transportation interim committee prior to certifying a projected general fund budget deficit to the governor.”

Section 10. Section 17-8-101, MCA, is amended to read:

“17-8-101. Appropriation and disbursement of money from treasury. (1) For purposes of complying with Article VIII, section 14, of the Montana constitution, money deposited in the general fund, the special revenue fund type (except money deposited in the treasury from nonstate and nonfederal sources restricted by law or by the terms of an agreement, such as a contract, trust agreement, or donation), and the capital projects fund type, with the exception of refunds authorized in subsection (4), may be paid out of the treasury only on appropriation made by law.

(2) Subject to the provisions of subsection (8), money deposited in the enterprise fund type, debt service fund type, internal service fund type, private purpose trust fund type, agency fund type, and state special revenue fund from nonstate and nonfederal sources restricted by law or by the terms of an agreement, such as a contract, trust agreement, or donation, may be paid out of the treasury:

(a) by appropriation; or

(b) under general laws, or contracts entered into in pursuance of law, permitting the disbursement if a subclass is established on the state financial system.

(3) The pension trust fund type is not considered a part of the state treasury for appropriation purposes. Money deposited in the pension trust fund type may be paid out of the treasury pursuant to general laws, trust agreement, or contract.

(4) Money paid into the state treasury through error or under circumstances such that the state is not legally entitled to retain it and a refund procedure is not otherwise provided by law may be refunded upon the submission of a verified claim approved by the department.
Authority to expend appropriated money may be transferred from one state agency to another, provided that the original purpose of the appropriation is maintained. The office of budget and program planning shall report semiannually to the legislative finance committee concerning all appropriations transferred under the provisions of this section.

Fees and charges for services deposited in the internal service fund type must be based upon commensurate costs. The legislative auditor, during regularly scheduled audits of state agencies, shall audit and report on the reasonableness of internal service fund type fees and charges and on the fund equity balances.

The creation of accounts in the enterprise fund or the internal service fund must be approved by the department, using conformity with generally accepted accounting principles as the primary approval criteria. The department shall report annually to the office of budget and program planning and the legislative finance committee fiscal analyst on the nature, status, and justification for all new accounts in the enterprise fund and the internal service fund. The report must be provided in an electronic format.

Enterprise and internal service funds must be appropriated if they are used as a part of a program that is not an enterprise or internal service function and that otherwise requires an appropriation. An enterprise fund that is required by law to transfer money to the general fund or to any other appropriated fund is subject to appropriation. The payment of funds into an internal service fund must be authorized by law."

The lead carrier shall provide these services for a period of at least 3 years, unless a request to terminate is approved by the association and the commissioner. The association and the commissioner shall approve or deny a request to terminate within 90 days of the receipt of the request. A failure to make a final decision on a request to terminate within the specified period is considered an approval. The association shall invite submissions of policy forms from members of the association, including the lead carrier, 6 months prior to the expiration of each 3-year period. The association shall follow the procedure provided in subsection (1) in selecting a lead carrier for the subsequent 3-year period or, if a request to terminate is approved, on or before the end of the 3-year period.

(3) The lead carrier shall provide all eligible persons involved in the association plan and the association portability plan an individual certificate setting forth a statement as to the insurance protection to which the person is entitled, the method and place of filing claims, and to whom benefits are payable. The certificate must indicate that coverage was obtained through the association.

(4) The lead carrier shall submit to the association, the legislative finance committee fiscal analyst, and the commissioner on a semiannual basis a report
of the operation of the association plan and the association portability plan. The report must be provided in an electronic format. The association shall determine the specific information to be contained in the report prior to the effective date of the association plan and the association portability plan.

(5) The lead carrier shall pay all claims pursuant to this part and shall indicate that the claim was paid by the association plan or the association portability plan. Each claim payment must include information specifying the procedure involved if a dispute arises over the amount of payment.

(6) The lead carrier must be reimbursed from the association plan and the association portability plan premiums received for its direct and indirect expenses. Direct and indirect expenses include a prorated reimbursement for the portion of the lead carrier’s administrative, printing, claims administration, management, and building overhead expenses, which are assignable to the maintenance and administration of the association plan and the association portability plan. The association shall approve cost accounting methods to substantiate the lead carrier’s cost reports consistent with generally accepted accounting principles. Direct and indirect expenses may not include costs directly related to the original submission of policy forms prior to selection as the lead carrier.

(7) The lead carrier is, when carrying out its duties under this part, an independent contractor for the association and is individually liable for the lead carrier’s actions, subject to the laws of this state.”

eligibility for mental health services may provide for eligibility for households
not eligible for medicaid with family income that does not exceed 160% of the
federal poverty threshold or that does not exceed a lesser amount determined at
the discretion of the department. The department may by rule specify under
what circumstances deductions for medical expenses should be used to reduce

for services. The fees, premiums, or copayments may vary according to family income.

(3) The department shall establish the amount, scope, and duration of services to be provided under the program. (b) The advisory council under this section may be administered so as to fulfill any federal advisory council requirements to obtain federal funds for this program.

(c) Geographic representation must be considered when appointing members to the advisory council in order to provide the widest possible representation.

(d) The advisory council shall provide a summary of each meeting and a copy of any recommendations made to the department to the legislative finance committee and any other designated appropriate legislative interim committee. (ii) For all taxes other than individual income taxes not paid when due, including delinquent taxes and deficiency assessments, the interest rate is 12%.

(b) Interest on delinquent taxes and on deficiency assessments is computed from the original due date of the return until the tax is paid. Except as provided in 15-30-2604(2)(c), interest accrues daily on the unpaid tax from the original due date of the return regardless of whether the taxpayer has received an extension of time for filing the return.

(5) (a) Except as provided in subsection (5)(b), this section applies to taxes, fees, and other assessments imposed under Titles 15 and 16 [and the former 85-2-276].

(b) This section does not apply to:

(i) property taxes; or

(ii) gasoline and vehicle fuel taxes collected by the department of transportation pursuant to Title 15, chapter 70.

(6) Any changes to interest rates apply to any current outstanding tax balance, regardless of the rate in effect at the time the tax accrued.

(7) Except as provided in 15-30-2604, penalty and interest must be calculated and assessed commencing with the due date of the return.

(8) Deficiency assessments are due and payable 30 days from the date of the deficiency assessment.

(9) Interest allowed for the overpayment of taxes or fees is the same rate as is charged for unpaid or delinquent taxes. For the purposes of this subsection, interest charged for unpaid or delinquent taxes is the interest rate determined in subsection (4)(a)(i). (Bracketed language in subsection (5)(a) terminates June 30, 2020—sec. 18, Ch. 288, L. 2005.)

(b) (i) If the due date of the return falls on a holiday that defers a filing date as recognized by the Internal Revenue Service and that is not observed in Montana, the return may be made on the first business day after the holiday.

(ii) The department may extend filing dates and defer or waive interest, penalties, and other effects of late filing for a period not exceeding 1 year for taxpayers affected by a federally declared disaster or a terroristic or military action recognized for federal tax purposes under 26 U.S.C. 7508A.

(2) The return must set forth those facts that the department considers necessary for the proper enforcement of this chapter. An affidavit or affirmation must be attached to the return from the persons making the return verifying that the statements contained in the return are true. Blank forms of return must be furnished by the department upon application, but failure to secure the form does not relieve the taxpayer of the obligation to make a return required under this chapter. A taxpayer liable for a tax under this chapter shall pay a minimum tax of $1.

(3) (a) Subject to subsection (3)(b) subsections (3)(b) and (3)(c), a taxpayer is allowed an automatic extension of time for filing the taxpayer's return of up to 6 months following the date prescribed for filing of the tax return.
(b) (i) Except as provided in subsection (3)(c), on or before the due date of the return, the taxpayer shall pay by estimated tax payments, withholding tax, or a combination of estimated tax payments and withholding tax 90% of the current year's tax liability or 100% of the previous year's tax liability.

(ii) The remaining tax, penalty, and interest of the current year's tax liability not paid under subsection (3)(b)(ii) must be paid when the return is filed. Penalty and interest must be added to the tax due as provided in 15-1-216.

(c) A taxpayer that has a tax liability of $200 or less for the current year may pay the entire amount of the tax, without penalty or interest under 15-1-216, on or before the due date of the return under subsection (3)(a). If the tax is not paid on or before the due date of the return under subsection (3)(a), penalty and interest must be added to the tax due as provided in 15-1-216 from the original due date of the return.

(4) The department may grant an additional extension of time for the filing of a return whenever in its judgment good cause exists.

CHAPTER NO. 124

[SB 86]

AN ACT DISTINGUISHING AGISTERS’ LIENS FROM MECHANICS LIENS AND OTHER LIENS FOR SERVICE; AND AMENDING SECTION 71-3-1201, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Agister’s lien — finding — who may hold lien. (1) The legislature finds that agisters’ liens require expeditious action to protect the welfare of the stock and to ensure that the cost to feed and care for the stock covered by the lien does not exceed the market value of the stock.

(2) (a) If there is an express or implied contract for keeping, feeding, herding, pasturing, or ranching stock, a rancher, farmer, agister, herder, hotelkeeper, livery, stablekeeper, or reproductive technology business to whom any horses, mules, cattle, sheep, hogs, or other stock are entrusted has an agister’s lien upon the stock for the amount due for keeping, feeding, herding, pasturing, or ranching the stock.

(b) A person holding an agister’s lien pursuant to subsection (2)(a) may retain possession of the stock until the amount due is paid.

Section 2. Priority. (1) An agister’s lien created under [section 1] does not take precedence over perfected security interests under the Uniform Commercial Code—Secured Transactions or other recorded liens on the stock involved unless, within 30 days from the time of receiving the stock, the person desiring to assert a lien upon the stock gives notice in writing to the secured party or other lienholder stating the intention to assert a lien on the stock under the terms of [sections 1 through 4] and stating the nature and approximate amount of the work performed or feed furnished or other services furnished or intended to be performed or furnished.

(2) A new notice is not required for the offspring of the stock covered in the initial notice, but all other additional stock must be noticed separately.

(3) Service may be made either by personal service or by mailing a copy of the notice by certified mail to the secured party or other lienholder at the last-known post-office address. Service is considered complete upon the deposit of the notice in the post office.
(4) Within 20 days after the date of mailing or 10 days after personal service, the secured party or other lienholder or the secured party’s or other lienholder’s representative has the right to take possession of the stock upon payment of the amount of the lien. A failure on the part of the secured party or other lienholder to take possession of the stock constitutes a waiver of the priority of the security interest or other lien over the lien created by [sections 1 through 4].

Section 3. Enforcement of agister’s lien — sale. If payment for keeping, feeding, herding, pasturing, or ranching stock is not made within 30 days after the performance of the keeping, feeding, herding, pasturing, or ranching, the person entitled to a lien under the provisions of [sections 1 through 4] may enforce the lien in the following manner:

1. The person shall deliver to the sheriff of the county in which the property is located an affidavit of the amount of the person’s claim against the stock and the name of the owner of the stock or of the person at whose request the feed or material was furnished.

2. Upon receipt of the affidavit, the sheriff shall advertise and sell at public auction as much of the stock covered by the lien as will satisfy the lien.

3. Notice of the sale must be provided in the manner prescribed in 25-13-701(1)(b).

4. (a) Before the sheriff sells the stock at public auction, the sheriff shall give notice of the sale to the owner or person at whose request the feed or material was furnished.

(b) Notice must be given at least 10 days before the sale to the owner or person at whose request the feed or material was furnished and to any other person holding a lien on the animals.

(c) The notice must state:
   (i) the time and place of the sale;
   (ii) the amount of the claim against the stock;
   (iii) a description of the stock;

(2) If the employment of a mortgage loan originator is terminated, the sponsoring mortgage broker or the mortgage lender shall remove sponsorship of the mortgage loan originator on the nationwide mortgage licensing system and registry NMLS within 5 business days of the termination. The mortgage loan originator’s license must be placed in “Approved-Inactive” status until the license is sponsored by a mortgage broker or mortgage lender. If at the end of the next renewal period the license is not sponsored by a mortgage broker or mortgage lender, it must be automatically placed in “Terminated-Expired” status for failure to renew. The removal of sponsorship of the license of any mortgage loan originator extinguishes the right of the mortgage loan originator to engage in any residential mortgage loan origination activity until nationwide mortgage licensing system and registry NMLS procedures have been followed to sponsor the license. (See compiler’s comment regarding contingent suspension.)

Section 15. Section 32-9-120, MCA, is amended to read:

“32-9-120. Denial of mortgage broker, mortgage lender, mortgage servicer, or mortgage loan originator license application or license renewal. (1) The department may not issue or renew any mortgage broker, mortgage lender, mortgage servicer, or mortgage loan originator license if any of the following facts are found during the application procedure:

(a) the applicant has ever had a mortgage broker, mortgage lender, mortgage servicer, or mortgage loan originator license or an equivalent license revoked in any governmental jurisdiction. A subsequent formal vacation of a revocation means that the revocation may not be considered a revocation. The department may by order vacate a revocation of a license and enter an appropriate order.

(b) the applicant has been convicted of or pled guilty or nolo contendere to a felony in a domestic, foreign, or military court during the 7-year period preceding the date of the application for licensing or renewal or at any time preceding the date of application if the felony involved an act of fraud, dishonesty, a breach of trust, or money laundering. The pardon or expungement of a conviction is not a conviction for the purposes of this subsection (1)(b). When determining the eligibility of the applicant for licensure under subsection (1)(c) or this subsection (1)(b), the department may consider the underlying crime, facts, or circumstances of a pardoned or expunged felony conviction.

(c) the applicant has failed to demonstrate financial responsibility, character, and general fitness to command the confidence of the community and to warrant a determination that the mortgage broker, mortgage lender, mortgage servicer, or mortgage loan originator will operate honestly, fairly, and efficiently within the purposes of this section;

(d) the applicant has not provided and maintained the surety bond as required pursuant to 32-9-123;

(g) the applicant made a material misstatement of fact or material omission of fact in the application; or

(h) the applicant has been found to have violated:
(i) any rule of conduct for persons taking the mortgage loan originator national or state test under the federal Secure and Fair Enforcement for Mortgage Licensing Act; or

(ii) the nationwide multistate licensing system industry terms of use as they pertain to enrolling, scheduling, or taking the mortgage loan originator national or state test under the Secure and Fair Enforcement for Mortgage Licensing Act.

(2) The department shall determine that the applicant has demonstrated the qualities of financial responsibility, character, and general fitness referred to in subsection (1)(c) if all other requirements for licensure under this section have been satisfied and the department’s investigation does not reveal a specific problem on the applicant’s part with respect to subsection (1)(c). The department may consider an application abandoned if an applicant fails to provide or respond to a request for additional information within the time period specified by the department by rule.

(3) For purposes of subsection (1)(b), a pardoned or expunged felony conviction does not necessitate denial of the license application. The department may consider the underlying crime, facts, or circumstances of a pardoned or expunged felony conviction when determining the eligibility of an applicant for licensure under subsection (1)(b) or (1)(c). Whether a particular crime is classified as a felony must be determined by the law of the jurisdiction in which an individual is convicted. (See compiler’s comment regarding contingent suspension.)

Whenever a licensee’s usual business location is outside of this state the licensee shall, at its election, either maintain its books and records at a location in this state or reimburse the department for expenses incurred, including but not limited to staff time, transportation, food, and lodging expenses, relating to an examination or investigation under this part.

The custodian of records shall preserve records required under this part and allow the department access for examination and investigation purposes upon request of the department.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 46-16-105, MCA, is amended to read:

“46-16-105. Plea of guilty — use of two-way electronic audio-video communication. (1) Before or during trial, a plea of guilty must be accepted, and a plea of no contest or no contest or nolo contendere must be accepted with the consent of the court and the prosecutor, when:

(a) subject to the provisions of subsection (3), the defendant enters a plea of guilty or nolo contendere in open court; and

(b) the court has informed the defendant of the consequences of the plea and of the maximum penalty provided by law that may be imposed upon acceptance of the plea.

(2) At any time before judgment or, except when a claim of innocence is supported by evidence of a fundamental miscarriage of justice, within 1 year after judgment becomes final, the court may, for good cause shown, permit the plea of guilty or no contest or nolo contendere to be withdrawn and a plea of not guilty substituted. A judgment becomes final for purposes of this subsection (2):

(a) when the time for appeal to the Montana supreme court expires;

(b) if an appeal is taken to the Montana supreme court, when the time for petitioning the United States supreme court for review expires; or

(c) if review is sought in the United States supreme court, on the date that that court issues its final order in the case.
(3) For purposes of this section, an entry of a plea of guilty or nolo contendere through the use of two-way electronic audio-video communication, allowing all of the participants to be heard in the courtroom by all present and allowing the party speaking to be seen, is considered to be an entry of a plea of guilty or nolo contendere in open court. Audio-video communication may be used if neither party objects and the court agrees to its use and has informed the defendant that the defendant has the right to object to its use. The audio-video communication must operate as provided in 46-12-201.

(b) the court has informed the defendant of the consequences of the plea and of the maximum penalty provided by law that may be imposed upon acceptance of the plea.
(2) (a) Subject to subsection (2)(b), a plea of guilty or nolo contendere in a justice’s court, city court, or other court of limited jurisdiction waives the right of trial de novo in district court. A defendant must be informed of the waiver before the plea is accepted, and the justice or judge shall question the defendant to ensure that the plea and waiver are entered voluntarily.
(b) A defendant who claims that a plea of guilty or nolo contendere was not entered voluntarily may move to withdraw the plea. If the motion to withdraw is denied, the defendant may, within 90 days of the denial of the motion, appeal the denial of a motion to withdraw the plea to district court. The district court may order the office of state public defender, provided for in 47-1-201, to assign counsel pursuant to the Montana Public Defender Act, Title 47, chapter 1, hold a hearing, and enter appropriate findings of fact, conclusions of law, and a decision affirming or reversing the denial of the defendant’s motion to withdraw the plea by the court of limited jurisdiction. The district court may remand the case, or the defendant may appeal the decision of the district court.
(3) For purposes of this section, in cases in which the defendant is charged with a misdemeanor offense, an entry of a plea of guilty or nolo contendere through the use of two-way electronic audio-video communication, allowing all of the participants to be observed and heard in the courtroom by all present, is considered to be an entry of a plea of guilty or nolo contendere in open court. Audio-video communication may be used if neither party objects and the court agrees to its use. The audio-video communication must operate as provided in 46-12-201.”

If the court of original jurisdiction is a court within a consolidated city-county government within the meaning of Title 7, chapter 3, the charges collected under subsection (1) must be deposited with the finance officer or treasurer of the consolidated government.

(6) (a) A city or town finance officer or treasurer may retain the charges collected under subsections (1)(a) and (1)(b) by a city municipal court or a city or town court and may use that money for the payment of salaries of the city or town attorney and deputies.

(b) Each county finance officer or treasurer may retain the charges collected under subsections (1)(a) and (1)(b) by district courts for crimes committed or alleged to have been committed within that county. The county finance officer or treasurer shall use the money for the payment of salaries of its deputy county attorneys and for the payment of other salaries in the office of the county attorney, and any funds not needed for those salaries may be used for the payment of any other county salaries.

(7) (a) Except as provided in subsection (7)(b), each county, city, or town finance officer or treasurer may retain the charges collected under subsection (1)(c) for payment of the expenses of a victim and witness advocate program, including a program operated by a private, nonprofit organization, that provides the services specified in Title 40, chapter 15, and Title 46, chapter 24, and that is operated or used by the county, city, or town.

(b) The appropriate county, city, or town finance officer or treasurer shall deposit $1 of each charge collected under subsection (1)(c) in the collecting
court’s fund for mitigation of administrative costs incurred by the court in the collection of the charge. The funds deposited under this subsection (7)(b) are not subject to allocation under 46-18-251.

(c) Except as provided in subsection (7)(b), if the county, city, or town does not operate or use a victim and witness advocate program, all charges collected under subsection (1)(c) must be paid to the crime victims compensation and assistance program in the department of justice for deposit in the account provided for in 53-9-113. (Terminates June 30, 2015—sec. 14, Ch. 374, L. 2009.)

46-18-236. (Effective July 1, 2015) Imposition of charge upon conviction or forfeiture — administration. (1) Except as provided in subsection (2), there must be imposed by all courts of original jurisdiction on a person upon conviction for any conduct made criminal by state statute or upon forfeiture of bond or bail a charge that is in addition to other taxable court costs, fees, or fines, as follows:

(a) $15 for each misdemeanor charge;
(b) the greater of $20 or 10% of the fine levied for each felony charge; and
(c) an additional $50 for each misdemeanor and felony charge under Title 45, 61-8-401, or § 61-8-406, or [section 1].

(2) If a convicting court determines under 46-18-231 and 46-18-232 that the person is not able to pay the fine and costs or that the person is unable to pay within a reasonable time, the court shall waive payment of the charge imposed by this section.

(3) The charges imposed by this section are not fines and must be imposed in addition to any fine and may not be used in determining the jurisdiction of any court.

(4) When the payment of a fine is to be made in installments over a period of time, the charges imposed by this section must be collected from the first payment made and each subsequent payment as necessary if the first payment is not sufficient to cover the charges.

(5) The charges collected under subsection (1), except those collected under subsections (1)(a) and (1)(b) by a justice’s court, must be deposited with the appropriate local government finance officer or treasurer. If a city municipal court or city or town court is the court of original jurisdiction, the charges collected under subsection (1) must be deposited with the city or town finance officer or treasurer. If a district court or justice’s court is the court of original jurisdiction, the charges collected under subsection (1) must be deposited with the county finance officer or treasurer. If the court of original jurisdiction is a court within a consolidated city-county government within the meaning of Title 7, chapter 3, the charges collected under subsection (1) must be deposited with the finance officer or treasurer of the consolidated government.

(6) (a) A city or town finance officer or treasurer may retain the charges collected under subsections (1)(a) and (1)(b) by a city municipal court or a city or town court and may use that money for the payment of salaries of the city or town attorney and deputies.

(b) Each county finance officer or treasurer may retain the charges collected under subsections (1)(a) and (1)(b) by district courts for crimes committed or alleged to have been committed within that county. The county finance officer or treasurer shall use the money for the payment of salaries of its deputy county attorneys and for the payment of other salaries in the office of the county attorney, and any funds not needed for those salaries may be used for the payment of any other county salaries.
(7) (a) Except as provided in subsection (7)(b), each county, city, or town finance officer or treasurer may retain the charges collected under subsection (1)(c) for payment of the expenses of a victim and witness advocate program, including a program operated by a private, nonprofit organization, that provides the services specified in Title 40, chapter 15, and Title 46, chapter 24, and that is operated or used by the county, city, or town.

(b) The appropriate county, city, or town finance officer or treasurer shall deposit $1 of each charge collected under subsection (1)(c) in the collecting court’s fund for mitigation of administrative costs incurred by the court in the collection of the charge. The funds deposited under this subsection (7)(b) are not subject to allocation under 46-18-251.

(c) Except as provided in subsection (7)(b), if the county, city, or town does not operate or use a victim and witness advocate program, all charges collected under subsection (1)(c) must be paid to the crime victims compensation and assistance program in the department of justice for deposit in the state general fund to be used to provide services to crime victims as provided in Title 53, chapter 9, part 1.

(3) A hospice or residential care facility licensed under Title 50, chapter 5, may adopt a policy that allows use of marijuana by a registered cardholder.

(7) (a) A law enforcement officer who has reasonable cause to believe that a person with a valid registry identification card is driving under the influence of marijuana may apply for a search warrant to require the person to provide a sample of the person’s blood for testing pursuant to the provisions of 61-8-405. A person with a tetrahydrocannabinol (THC) delta-9-tetrahydrocannabinol level of 5 ng/ml may be charged with a violation of 61-8-401 or [section 1].

(b) A registered cardholder, provider, or marijuana-infused products provider who violates subsection (1)(a) is subject to revocation of the person’s registry identification card if the individual is convicted of or pleads guilty to any offense related to driving under the influence of alcohol or drugs when the initial offense with which the individual was charged was a violation of 61-8-401, 61-8-406, or [section 1]. A revocation under this section must be for the period of suspension or revocation set forth:

(i) in 61-5-208 for a violation of 61-8-401, 61-8-406, or [section 1]; or

Section 7. Section 61-2-302, MCA, is amended to read:

“61-2-302. Establishment of driver rehabilitation and improvement program — participation by offending drivers. (1) The department may establish by administrative rules a driver rehabilitation and improvement program or programs. The programs may consist of classroom instruction in rules of the road, driving techniques, defensive driving, driver attitudes and habits, actual on-the-road driver’s training, and other subjects or tasks designed to contribute to proper driving attitudes, habits, and techniques and must include the requirements for obtaining a restricted probationary driver’s license.

(2) Except when otherwise provided or restricted by statute, a person whose driver’s license is suspended or revoked by the department, unless the suspension or revocation was for an offense under 61-8-401, 61-8-406, or
may participate in any driver rehabilitation and improvement program established under this section if the person’s license is:

(a) suspended as a result of a violation of the traffic laws of this state, unless the suspension was imposed under the authority provided in Title 61, chapter 8, part 8; or

(b) revoked and the person has:

(i) completed at least 3 months of a 1-year revocation; or

(ii) completed 1 year of a 3-year revocation; and

(3) Notwithstanding any provision of this part inconsistent with any other law of the state of Montana, the enforcement of any suspension or revocation order that constitutes the basis for any person’s participation in the driver rehabilitation and improvement program provided for in this section may be stayed if that person complies with the requirements established for the driver rehabilitation and improvement program and meets the eligibility requirements of subsection (2).

(4) If a person’s driver’s license has been surrendered before the person’s selection for participation in the driver rehabilitation and improvement program, the license may be returned upon receipt of the person’s agreement to participate in the program.

(6) This part does not create a right to be included in any program established under this part.

(7) The department may establish a schedule of fees that may be charged to those persons participating in the driver improvement and rehabilitation program. The fees must be used to help defray costs of maintaining the program.

(8) A person may be referred to this program by a driver improvement analyst, city judge, justice of the peace, youth court judge, judge of a district court of the state, or hearing examiner of the department.

(9) (a) Except as provided in subsection (9)(b), the department may issue a restricted probationary license to any person who enrolls and participates in the driver rehabilitation and improvement program. Upon issuance of a probationary license under this section, the licensee is subject to the restrictions set forth on the license.

(b) The department may not issue a restricted probationary license that would permit an individual to drive a commercial motor vehicle during a period in which:

(i) the individual is disqualified from operating a commercial motor vehicle under state or federal law; or

(ii) the individual’s driver’s license or driving privilege is revoked, suspended, or canceled.

(10) It is a misdemeanor for a person to operate a motor vehicle in any manner in violation of the restrictions imposed on a restricted license issued to the person under this section.”
Section 8. Section 61-5-205, MCA, is amended to read:

“61-5-205. Mandatory revocation or suspension of license upon certain convictions — duration of action — exceptions. (1) The department shall revoke an individual’s driver’s license or driving privilege if the department receives notice from a court or another licensing jurisdiction that the individual has been convicted of any of the following offenses:

(a) negligent homicide resulting from the operation of a motor vehicle;
(b) any felony in the commission of which a motor vehicle is used;
(c) failure to stop and render aid as required under the laws of this state in the event of a motor vehicle accident resulting in the death or personal injury of another;

(e) fleeing from or eluding a peace officer; or
(f) negligent vehicular assault as defined in 45-5-205 involving a motor vehicle.

(2) The department shall suspend an individual’s driver’s license or driving privilege if the department receives notice from a court or another licensing jurisdiction that the individual has been convicted of any of the following offenses:

(a) a driving offense under 61-8-401, or 61-8-406, or [section 1];
(b) three reckless driving offenses committed within a period of 12 months; or
(c) a theft offense under 45-6-301 if the theft consisted of theft of motor vehicle fuel and a motor vehicle was used in the commission of the offense.

(3) A revocation under subsections (1)(a), (1)(b), and (1)(d) through (1)(f) must be for a period of 1 year. A revocation under subsection (1)(c) must be for a period of 2 years if the offender received a felony conviction under 61-7-103.

(4) (a) Except as provided in subsections (4)(b) and (4)(c), a suspension under subsection (2) must be for a period of 1 year.

(b) A suspension under subsection (2)(a) must be for the period set forth in 61-5-208.

(c) A suspension under subsection (2)(c) must be for one of the following periods:

Section 9. Section 61-5-208, MCA, is amended to read:

“61-5-208. Period of suspension or revocation — limitation on issuance of probationary license — notation on driver's license. (1) The department may not suspend or revoke a driver’s license or privilege to drive a motor vehicle on the public highways, except as permitted by law.

(2) (a) Except as provided in 44-4-1205 and 61-2-302 and except as otherwise provided in this section, a person whose license or privilege to drive a motor vehicle on the public highways has been suspended or revoked may not have the license, endorsement, or privilege renewed or restored until the revocation or suspension period has been completed.

(b) Subject to 61-5-231 and except as provided in subsection (4) of this section:
(i) upon receiving a report of a person’s conviction or forfeiture of bail or collateral not vacated for a first offense of violating 61-8-401, or 61-8-406, or [section 1], the department shall suspend the driver’s license or driving privilege of the person for a period of 6 months;

(ii) upon receiving a report of a person’s conviction or forfeiture of bail or collateral not vacated for a second offense of violating 61-8-401, or 61-8-406, or [section 1] within the time period specified in 61-8-734, the department shall suspend the driver’s license or driving privilege of the person for a period of 1 year and may not issue a probationary license during the period of suspension unless the person completes at least 45 days of the 1-year suspension and the report of conviction includes a recommendation from the court that a probationary driver’s license be issued subject to the requirements of 61-8-442. If the 1-year suspension period passes and the person has not completed a chemical dependency education course, treatment, or both, as required under 61-8-732, the license suspension remains in effect until the course or treatment, or both, are completed.

(iii) upon receiving a report of a person’s conviction or forfeiture of bail or collateral not vacated for a third or subsequent offense of violating 61-8-401, or 61-8-406, or [section 1] within the time period specified in 61-8-734, the department shall suspend the driver’s license or driving privilege of the person for a period of 1 year and may not issue a probationary license during the period of suspension unless the person completes at least 90 days of the 1-year suspension and the report of conviction includes a recommendation from the court that a probationary driver’s license be issued subject to the requirements of 61-8-442. If the 1-year suspension period passes and the person has not completed a chemical dependency education course or treatment, or both, as required under 61-8-732, the license suspension remains in effect until the course or treatment, or both, are completed.

(3) (a) Except as provided in subsection (3)(b), the period of suspension or revocation for a person convicted of any offense that makes mandatory the suspension or revocation of the person’s driver’s license commences from the date of conviction or forfeiture of bail.

(b) A suspension commences from the last day of the prior suspension or revocation period if the suspension is for a conviction of driving with a suspended or revoked license.

(4) If a person is convicted of a violation of 61-8-401, or 61-8-406, or [section 1] while operating a commercial motor vehicle, the department shall suspend the person’s driver’s license as provided in 61-8-802.

(5) (a) A driver’s license that is issued after a license revocation to a person described in subsection (5)(b) must be clearly marked with a notation that conveys the term of the person’s probation restrictions.

(b) The provisions of subsection (5)(a) apply to a license issued to a person for whom a court has reported a felony conviction under 61-8-731, the judgment for which has as a condition of probation that the person may not operate a motor vehicle unless:

(i) operation is authorized by the person’s probation officer; or

(ii) a motor vehicle operated by the person is equipped with an ignition interlock device.”

Section 10. Section 61-5-212, MCA, is amended to read:

“61-5-212. Driving while license suspended or revoked — penalty — second offense of driving without valid license or licensing exemption
— seizure of vehicle or rendering vehicle inoperable. (1) (a) A person commits the offense of driving a motor vehicle without a valid license or without statutory exemption or during a suspension or revocation period if the person drives:

(i) a motor vehicle on any public highway of this state at a time when the person’s privilege to drive or apply for and be issued a driver’s license is suspended or revoked in this state or any other state;

(ii) a commercial motor vehicle while the person’s commercial driver’s license is revoked, suspended, or canceled in this state or any other state or the person is disqualified from operating a commercial motor vehicle or from obtaining a commercial driver’s license; or

(iii) a motor vehicle on any public highway of this state without possessing a valid driver’s license, as provided in 61-5-102, or without proof of a statutory exemption, as provided in 61-5-104.

(b) (i) Except as provided in subsection (1)(b)(ii), a person convicted of the offense of driving a motor vehicle without a valid driver’s license or without proof of a statutory exemption for the second time or driving during a suspension or revocation period shall be punished by imprisonment for not less than 2 days or more than 6 months and may be fined not more than $500.

(ii) If the reason for the suspension or revocation was that the person was convicted of a violation of 61-8-401, or 61-8-406, or [section 1] or a similar offense under the laws of any other state or the suspension was under 61-8-402 or 61-8-409 or a similar law of any other state for refusal to take a test for alcohol or drugs requested by a peace officer who believed that the person might be driving under the influence, the person shall be punished by imprisonment for a term of not less than 2 days or more than 6 months or a fine not to exceed $2,000, or both, and in addition, the court may order the person to perform up to 40 hours of community service.

(2) (a) Upon receiving a record of the conviction of any person under this section upon a charge of driving a noncommercial vehicle while the person’s driver’s license, privilege to drive, or privilege to apply for and be issued a driver’s license was suspended or revoked, the department shall extend the period of suspension or revocation for an additional 1-year period.

(b) Upon receiving a record of the conviction of any person under this section upon a charge of driving a commercial motor vehicle while the person’s commercial driver’s license was revoked, suspended, or canceled or the person was disqualified from operating a commercial motor vehicle under federal regulations, the department shall suspend the person’s commercial driver’s license in accordance with 61-8-802.

(3) The vehicle owned and operated at the time of an offense under this section by a person whose driver’s license is suspended for violating the provisions of 61-8-401, 61-8-402, 61-8-406, 61-8-409, or [section 1] must, upon a person’s first conviction, be seized or rendered inoperable by the county sheriff of the convicted person’s county of residence for a period of 30 days.

(4) The sentencing court shall order the action provided for under subsection (3) and shall specify the date on which the vehicle is to be returned or again rendered operable. The vehicle must be seized or rendered inoperable by the sheriff within 10 days after the conviction.

(5) A convicted person is responsible for all costs associated with actions taken under subsection (3). Joint ownership of the vehicle with another person
does not prohibit the actions required by subsection (3) unless the sentencing
court determines that those actions would constitute an extreme hardship on a
joint owner who is determined to be without fault.

(6) A court may not suspend or defer imposition of penalties provided by this
section.”

Section 11. Section 61-5-231, MCA, is amended to read:

“61-5-231. Authorization of probationary license by DUI court —
definition. (1) If a person convicted of a second or subsequent misdemeanor
offense of driving under the influence of alcohol or drugs under 61-8-401 or
[section 1] or driving with excessive alcohol concentration under 61-8-406 is
participating in a DUI court, the court may, in the court’s discretion, authorize a
probationary driver’s license for the participant subject to 61-8-442 and any
other conditions imposed within the scope of the court’s authority.

(2) If the participant fails to comply with the court’s conditions, the court
may revoke the probationary driver’s license and impose a driver’s license
suspension for the time period established pursuant to 61-5-208 commencing
from the date of the court’s revocation of the probationary license.

(3) For purposes of this section, “DUI court” means any court that has
established a special docket for handling cases involving persons charged with
violations under 61-8-401, or [section 1] and that implements a
program of incentives and sanctions intended to assist a participant in
completing treatment ordered pursuant to 61-8-732 and ending the
participant’s criminal behavior associated with driving under the influence of
alcohol or drugs or with excessive alcohol concentration.”

Section 12. Section 61-8-401, MCA, is amended to read:

“61-8-401. Driving under influence of alcohol or drugs —
definitions. (1) It is unlawful and punishable, as provided in 61-8-442,
61-8-714, and 61-8-731 through 61-8-734, for a person who is under the
influence of:

(a) alcohol to drive or be in actual physical control of a vehicle upon the ways
of this state open to the public;

(b) a dangerous drug to drive or be in actual physical control of a vehicle
within this state;

(c) any other drug to drive or be in actual physical control of a vehicle within
this state; or

(d) alcohol and any dangerous or other drug to drive or be in actual physical
control of a vehicle within this state.

(2) The fact that any person charged with a violation of subsection (1) is or
has been entitled to use alcohol or a drug under the laws of this state does not
constitute a defense against any charge of violating subsection (1).

(3) (a) “Under the influence” means that as a result of taking into the body
alcohol, drugs, or any combination of alcohol and drugs, a person’s ability to
safely operate a vehicle has been diminished.

(b) Subject to 61-8-440, as used in this part, “vehicle” has the meaning
provided in 61-1-101, except that the term does not include a bicycle.

(4) Upon the trial of any civil or criminal action or proceeding arising out of
acts alleged to have been committed by any person driving or in actual physical
control of a vehicle while under the influence of alcohol, the concentration of
alcohol in the person at the time of a test, as shown by analysis of a sample of the
person’s blood or breath drawn or taken within a reasonable time after the alleged act, gives rise to the following inferences:

(a) If there was at that time an alcohol concentration of 0.04 or less, it may be inferred that the person was not under the influence of alcohol.

(b) If there was at that time an alcohol concentration in excess of 0.04 but less than 0.08, that fact may not give rise to any inference that the person was or was not under the influence of alcohol, but the fact may be considered with other competent evidence in determining the guilt or innocence of the person.

(c) If there was at that time an alcohol concentration of 0.08 or more, it may be inferred that the person was under the influence of alcohol. The inference is rebuttable.

(5) The provisions of subsection (4) do not limit the introduction of any other competent evidence bearing upon the issue of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and drugs.

(6) Each municipality in this state is given authority to enact 61-8-406, 61-8-408, 61-8-410, [section 1], 61-8-714, 61-8-722, 61-8-731 through 61-8-734, and subsections (1) through (5) of this section, with the word “state” in 61-8-406, [section 1], and subsection (1) of this section changed to read “municipality”, as an ordinance and is given jurisdiction of the enforcement of the ordinance and of the imposition of the fines and penalties provided in the ordinance.

(7) Absolute liability as provided in 45-2-104 will be imposed for a violation of this section.”

Section 13. Section 61-8-402, MCA, is amended to read:

“61-8-402. Implied consent — blood or breath tests for alcohol, drugs, or both — refusal to submit to test — administrative license suspension. (1) A person who operates or is in actual physical control of a vehicle upon ways of this state open to the public is considered to have given consent to a test or tests of the person’s blood or breath for the purpose of determining any measured amount or detected presence of alcohol or drugs in the person’s body.

(2) (a) The test or tests must be administered at the direction of a peace officer when:

(i) the officer has reasonable grounds to believe that the person has been driving or has been in actual physical control of a vehicle upon ways of this state open to the public while under the influence of alcohol, drugs, or a combination of the two and the person has been placed under arrest for a violation of 61-8-401 or 61-8-465;

(ii) the person is under the age of 21 and has been placed under arrest for a violation of 61-8-410; or

(iii) the officer has probable cause to believe that the person was driving or in actual physical control of a vehicle:

(A) in violation of 61-8-401 and the person has been involved in a motor vehicle accident or collision resulting in property damage;

(B) involved in a motor vehicle accident or collision resulting in serious bodily injury, as defined in 45-2-101, or death; or

(C) in violation of 61-8-465.

(b) The arresting or investigating officer may designate which test or tests are administered.
(3) A person who is unconscious or who is otherwise in a condition rendering
the person incapable of refusal is considered not to have withdrawn the consent
provided by subsection (1).

(4) If an arrested person refuses to submit to one or more tests requested and
designated by the officer as provided in subsection (2), the refused test or tests
may not be given except as provided in subsection (5), but the officer shall, on
behalf of the department, immediately seize the person's driver's license. The
peace officer shall immediately forward the license to the department, along
with a report certified under penalty of law stating which of the conditions set
forth in subsection (2)(a) provides the basis for the testing request and
confirming that the person refused to submit to one or more tests requested and
designated by the peace officer. Upon receipt of the report, the department shall
suspend the license for the period provided in subsection (7).

(5) If the arrested person has refused to provide a breath, blood, or urine
sample under 61-8-409 or this section in a prior investigation in this state or
under a substantially similar statute in another jurisdiction or the arrested
person has a prior conviction or pending offense for a violation of 45-5-104,
45-5-106, 45-5-205, 61-8-401, or [section 1]
473 MONTANA SESSION LAWS 2013 Ch. 153
or [section 1] or a similar statute in
another jurisdiction, the officer may apply for a search warrant to be issued
pursuant to 46-5-224 to collect a sample of the person's blood for testing.

(6) Upon seizure of a driver's license, the peace officer shall issue, on behalf
of the department, a temporary driving permit, which is effective 12 hours after
issuance and is valid for 5 days following the date of issuance, and shall provide
the driver with written notice of the license suspension and the right to a
hearing provided in 61-8-403.

(7) (a) Except as provided in subsection (7)(b), the following suspension
periods are applicable upon refusal to submit to one or more tests:

(i) upon a first refusal, a suspension of 6 months with no provision for a
restricted probationary license;

(ii) upon a second or subsequent refusal within 5 years of a previous refusal,
as determined from the records of the department, a suspension of 1 year with
no provision for a restricted probationary license.

(b) If a person who refuses to submit to one or more tests under this section is
the holder of a commercial driver's license, in addition to any action taken
against the driver's noncommercial driving privileges, the department shall:

(i) upon a first refusal, suspend the person's commercial driver's license for a
1-year period; and

(ii) upon a second or subsequent refusal, suspend the person's commercial
driver's license for life, subject to department rules adopted to implement
federal rules allowing for license reinstatement, if the person is otherwise
eligible, upon completion of a minimum suspension period of 10 years. If the
person has a prior conviction of a major offense listed in 61-8-802(2) arising from
a separate incident, the conviction has the same effect as a previous testing
refusal for purposes of this subsection (7)(b).

(8) A nonresident driver's license seized under this section must be sent by
the department to the licensing authority of the nonresident's home state with a
report of the nonresident's refusal to submit to one or more tests.

(9) The department may recognize the seizure of a license of a tribal member
by a peace officer acting under the authority of a tribal government or an order
issued by a tribal court suspending, revoking, or reinstating a license or
adjudicating a license seizure if the actions are conducted pursuant to tribal law
or regulation requiring alcohol or drug testing of motor vehicle operators and the conduct giving rise to the actions occurred within the exterior boundaries of a federally recognized Indian reservation in this state. Action by the department under this subsection is not reviewable under 61-8-403.

(10) A suspension under this section is subject to review as provided in this part.

(11) This section does not apply to tests, samples, and analyses of blood or breath used for purposes of medical treatment or care of an injured motorist, related to a lawful seizure for a suspected violation of an offense not in this part, or performed pursuant to a search warrant.

(12) This section does not prohibit the release of information obtained from tests, samples, and analyses of blood or breath for law enforcement purposes as provided in 46-4-301 and 61-8-405(6).

Section 14. Section 61-8-404, MCA, is amended to read:

“61-8-404. Evidence admissible — conditions of admissibility. (1) Upon the trial of a criminal action or other proceeding arising out of acts alleged to have been committed by a person in violation of 61-8-401, 61-8-406, 61-8-410, [section 1], 61-8-465, or 61-8-805:

(a) evidence of any measured amount or detected presence of alcohol, drugs, or a combination of alcohol and drugs in the person at the time of a test, as shown by an analysis of the person’s blood or breath, is admissible. A positive test result does not, in itself, prove that the person was under the influence of a drug or drugs at the time the person was in control of a motor vehicle. A person may not be convicted of a violation of 61-8-401 based upon the presence of a drug or drugs in the person unless some other competent evidence exists that tends to establish that the person was under the influence of a drug or drugs while driving or in actual physical control of a motor vehicle within this state.

(b) a report of the facts and results of one or more tests of a person’s blood or breath is admissible in evidence if:

(i) a breath test or preliminary alcohol screening test was performed by a person certified by the forensic sciences division of the department to administer the test;

(ii) a blood sample was analyzed in a laboratory operated or certified by the department or in a laboratory exempt from certification under the rules of the department and the blood was withdrawn from the person by a person competent to do so under 61-8-405(1);

(c) a report of the facts and results of a physical, psychomotor, or physiological assessment of a person is admissible in evidence if it was made by a person trained by the department or by a person who has received training recognized by the department.

(2) If the person under arrest refused to submit to one or more tests under 61-8-402, whether or not a sample was subsequently collected for any purpose, proof of refusal is admissible in any criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a vehicle upon the ways of this state open to the public, while under the influence of alcohol, drugs, or a combination of alcohol and drugs. The trier of fact may infer from the refusal that the person was under the influence. The inference is rebuttable.

(3) The provisions of this part do not limit the introduction of any other competent evidence bearing on the question of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and drugs.”
Section 15. Section 61-8-405, MCA, is amended to read:

“61-8-405. Administration of tests. (1) Only a physician, registered nurse, or other qualified person acting under the supervision and direction of a physician or registered nurse may, at the request of a peace officer, withdraw blood for the purpose of determining any measured amount or detected presence of alcohol, drugs, or any combination of alcohol and drugs in the person. This limitation does not apply to the sampling of breath.

(2) In addition to any test administered at the direction of a peace officer, a person may request that an independent blood sample be drawn by a physician or registered nurse for the purpose of determining any measured amount or detected presence of alcohol, drugs, or any combination of alcohol and drugs in the person. The peace officer may not unreasonably impede the person’s right to obtain an independent blood test. The officer may but has no duty to transport the person to a medical facility or otherwise assist the person in obtaining the test. The cost of an independent blood test is the sole responsibility of the person requesting the test. The failure or inability to obtain an independent test by a person does not preclude the admissibility in evidence of any test given at the direction of a peace officer.

(3) Upon the request of the person tested, full information concerning any test given at the direction of the peace officer must be made available to the person or the person’s attorney.

(4) A physician, registered nurse, or other qualified person acting under the supervision and direction of a physician or registered nurse does not incur any civil or criminal liability as a result of the proper administering of a blood test when requested in writing by a peace officer to administer a test.

(5) The department in cooperation with any appropriate agency shall adopt uniform rules for the giving of tests and may require certification of training to administer the tests as considered necessary.

(6) If a peace officer has probable cause to believe that a person has violated 61-8-401, 61-8-406, 61-8-410, [section 1], or 61-8-805 and a sample of blood, breath, urine, or other bodily substance is taken from that person for any reason, a portion of that sample sufficient for analysis must be provided to a peace officer if requested for law enforcement purposes and upon issuance of a subpoena as provided in 46-4-301.”

Section 16. Section 61-8-408, MCA, is amended to read:

“61-8-408. Multiple convictions prohibited. When the same acts may establish the commission of an offense under both 61-8-401 and 61-8-406 or 61-8-401 and [section 1], a person charged with the conduct may be prosecuted for a violation of both 61-8-401 and 61-8-406 or 61-8-401 and [section 1]. However, the person may only be convicted of an only one offense under either 61-8-401, or 61-8-406, or [section 1].”

Section 17. Section 61-8-421, MCA, is amended to read:

“61-8-421. Forfeiture procedure. (1) A motor vehicle forfeited under 61-8-733 must be seized by the arresting agency within 10 days after the conviction and disposed of as provided in Title 44, chapter 12, part 2. Except as provided in this section, the provisions of Title 44, chapter 12, part 2, apply to the extent applicable.

(2) Forfeiture proceedings under 44-12-201(1) must be instituted by the arresting agency within 20 days after the seizure of the motor vehicle.

(3) For purposes of 44-12-203 and 44-12-204, there is a rebuttable presumption of forfeiture. The owner of the motor vehicle may rebut the
presumption by proving a defense under 61-8-733(2) or by proving that the owner was not convicted of a second or subsequent offense under 61-8-401, or 61-8-406, or [section 1]. It is not a defense that the convicted person owns the motor vehicle jointly with another person.

(4) (a) For purposes of 44-12-206, the proceeds of the sale of the motor vehicle must be distributed first to the holders of security interests who have presented proper proof of their claims, up to the amount of the interests or the amount received from the sale, whichever is less, and the remainder to the general fund of the arresting agency.

(b) A holder of a security interest may petition the sentencing court for transfer of title to the motor vehicle to the holder of the security interest if the secured interest is equal to or greater than the estimated value of the motor vehicle.

(5) Actions the court may take under 44-12-205(3) to protect the rights of innocent persons include return of the motor vehicle without a sale to an owner who is unable to present an adequate defense under this section but is found by the court to be without fault.”

Section 18. Section 61-8-442, MCA, is amended to read:

“61-8-442. Driving under influence of alcohol or drugs — driving with excessive alcohol concentration — ignition interlock device. (1) In addition to the punishments provided in 61-8-714 and 61-8-722, regardless of disposition and if a probationary license is recommended by the court, the court may, for a person convicted of a first offense under 61-8-401, or 61-8-406, or [section 1], restrict the person to driving only a motor vehicle equipped with a functioning ignition interlock device during the probationary period and require the person to pay the reasonable cost of leasing, installing, and maintaining the device.

(2) If a person is convicted of a second or subsequent violation of 61-8-401, or 61-8-406, or [section 1], in addition to the punishments provided in 61-8-714 and 61-8-722, regardless of disposition, the court shall:

(a) if recommending that a probationary license be issued to the person, restrict the person to driving only a motor vehicle equipped with a functioning ignition interlock device during the probationary period and require the person to pay the reasonable cost of leasing, installing, and maintaining the device; or

(b) order that each motor vehicle owned by the person at the time of the offense be seized and subjected to the forfeiture procedure provided under 61-8-421.

(3) Any restriction imposed under this section must be included in a report of the conviction made by the court to the department in accordance with 61-11-101 and placed upon the person’s driving record maintained by the department in accordance with 61-11-102.

(4) The duration of a restriction imposed under this section must be monitored by the department.”

Section 19. Section 61-8-465, MCA, is amended to read:

“61-8-465. Aggravated DUI. (1) A person commits the offense of aggravated driving under the influence if the person is in violation of 61-8-401, or 61-8-406, or [section 1] and at the time of the offense:

(a) the person’s blood alcohol concentration is 0.16 or more;

(b) the person is under the order of a court or the department to equip any motor vehicle the person operates with an approved ignition interlock device;
(c) the person’s driver’s license or privilege to drive is suspended, canceled, or revoked as a result of a prior violation of 61-8-401, 61-8-402, or 61-8-406, or [section 1];

(d) the person refuses to provide a breath or blood sample as required in 61-8-402 and the person’s driver’s license or privilege to drive was suspended, canceled, or revoked under 61-8-402 within 10 years of the commission of the present offense; or

(e) the person has one prior conviction or pending charge for a violation of 45-5-106, 45-5-205, 61-8-401, 61-8-406, [section 1], or this section within 3 years of the commission of the present offense, or has two or more prior convictions or pending charges, or any combination thereof, for violations of 45-5-106, 45-5-205, 61-8-401, 61-8-406, [section 1], or this section within 7 years of the commission of the present offense.

(2) A person convicted of the offense of aggravated driving under the influence shall be punished by:

(a) a fine of $1,000; and

(b) a term of imprisonment of not more than 1 year, part of which may be suspended, except for the mandatory minimum sentences set forth in 61-8-714.

(3) During the suspended sentence imposed by the court under subsection (2)(b):

(a) the person is subject to all conditions of the suspended sentence imposed by the court, including mandatory participation in drug or DUI courts if available;

(b) the person is subject to all conditions of the 24/7 sobriety program if available and if imposed by the court; and

(c) if the person violates any condition of the suspended sentence or any treatment requirement, the court may impose the remainder of any imprisonment term that was imposed and suspended.

(4) Absolute liability, as provided for in 45-2-104, is imposed for a violation of this section.”

Section 20. Section 61-8-722, MCA, is amended to read:

“61-8-722. Penalty for driving with excessive alcohol concentration or delta-9-tetrahydrocannabinol level — first through third offense. (1) Except as provided in subsection (4) or (5), a person convicted of a first violation of 61-8-406 or [section 1] shall be punished by imprisonment for not more than 6 months and by a fine of not less than $300 or more than $1,000, except that if one or more passengers under 16 years of age were in the vehicle at the time of the offense, the person shall be punished by imprisonment for not more than 6 months and by a fine of not less than $600 or more than $2,000.

(2) (a) Except as provided in subsection (4) or (5), a person convicted of a second violation of 61-8-406 or [section 1] shall be punished by imprisonment for not less than 5 days or more than 1 year and by a fine of not less than $600 or more than $1,000, except that if one or more passengers under 16 years of age were in the vehicle at the time of the offense, the person shall be punished by imprisonment for not less than 10 days or more than 1 year and by a fine of not less than $1,200 or more than $2,000.

(b) The mandatory minimum imprisonment sentence may not be served under home arrest and may not be suspended unless the judge finds that imposition of the imprisonment sentence will pose a risk to the person’s physical or mental well-being.
(c) The remainder of the imprisonment sentence may be suspended for a period of up to 1 year pending the person’s successful completion of a chemical dependency treatment program pursuant to 61-8-732.

(3) (a) Except as provided in subsection (4) or (5), a person convicted of a third violation of 61-8-406 or [section 1] shall be punished by imprisonment for not less than 30 days or more than 1 year and by a fine of not less than $1,000 or more than $5,000, except that if one or more passengers under 16 years of age were in the vehicle at the time of the offense, the person shall be punished by imprisonment for not less than 60 days or more than 1 year and by a fine of not less than $2,000 or more than $10,000.

(b) The mandatory minimum imprisonment sentence may not be served under home arrest and may not be suspended unless the judge finds that imposition of the imprisonment sentence will pose a risk to the person’s physical or mental well-being.

(c) The remainder of the imprisonment sentence may be suspended for a period of up to 1 year pending the person’s successful completion of a chemical dependency treatment program pursuant to 61-8-732.

(4) If the person has a prior conviction under 45-5-106, the person shall be punished as provided in 61-8-731 for a fourth or subsequent offense of driving under the influence of alcohol or drugs or with an excessive alcohol concentration.

(5) If the person has a prior conviction or pending charge for a violation of 61-8-465, the person shall be punished as provided in 61-8-465.

Section 21. Section 61-8-731, MCA, is amended to read:

“61-8-731. Driving under influence of alcohol or drugs — driving with excessive alcohol concentration — penalty for fourth or subsequent offense. (1) Except as provided in subsection (3), if a person is convicted of a violation of 61-8-401, or 61-8-406, or [section 1], the person has either a single conviction under 45-5-106 or any combination of three or more prior convictions under 45-5-104, 45-5-205, 61-8-401, 61-8-406, or 61-8-465, and the offense under 45-5-104 occurred while the person was operating a vehicle while under the influence of alcohol, a dangerous drug, any other drug, or any combination of the three, as provided in 61-8-401(1), the person is guilty of a felony and shall be punished by:

(a) sentencing the person to the department of corrections for placement in an appropriate correctional facility or program for a term of 13 months. The court shall order that if the person successfully completes a residential alcohol treatment program operated or approved by the department of corrections, the remainder of the 13-month sentence must be served on probation. The imposition or execution of the 13-month sentence may not be deferred or suspended, and the person is not eligible for parole. 

(b) sentencing the person to either the department of corrections or the Montana state prison or Montana women’s prison for a term of not more than 5 years, all of which must be suspended, to run consecutively to the term imposed under subsection (1)(a); and

(c) a fine in an amount of not less than $1,000 or more than $10,000.

(2) The department of corrections may place an offender sentenced under subsection (1)(a) in a residential alcohol treatment program operated or approved by the department of corrections or in a state prison.

(3) If a person is convicted of a violation of 61-8-401, or 61-8-406, or [section 1], the person has either a single conviction under 45-5-106 or any combination
of four or more prior convictions under 45-5-104, 45-5-205, 61-8-401, 61-8-406, or 61-8-465, and the offense under 45-5-104 occurred while the person was operating a vehicle while under the influence of alcohol, a dangerous drug, any other drug, or any combination of the three, as provided in 61-8-401(1), and the person was, upon a prior conviction, placed in a residential alcohol treatment program under subsection (2), whether or not the person successfully completed the program, the person shall be sentenced to the department of corrections for a term of not less than 13 months or more than 5 years or be fined an amount of not less than $1,000 or more than $10,000, or both.

(4) The court shall, as a condition of probation, order:
   (a) that the person abide by the standard conditions of probation promulgated by the department of corrections;
   (b) a person who is financially able to pay the costs of imprisonment, probation, and alcohol treatment under this section;
   (c) that the person may not frequent an establishment where alcoholic beverages are served;
   (d) that the person may not consume alcoholic beverages;
   (e) that the person may not operate a motor vehicle unless authorized by the person’s probation officer;
   (f) that the person enter in and remain in an aftercare treatment program for the entirety of the probationary period;
   (g) that the person submit to random or routine drug and alcohol testing; and
   (h) that if the person is permitted to operate a motor vehicle, the vehicle be equipped with an ignition interlock system.

(5) The sentencing judge may impose upon the defendant any other reasonable restrictions or conditions during the period of probation. Reasonable restrictions or conditions may include but are not limited to:
   (a) payment of a fine as provided in 46-18-231;
   (b) payment of costs as provided in 46-18-232 and 46-18-233;
   (c) payment of costs of assigned counsel as provided in 46-8-113;
   (d) community service;
   (e) any other reasonable restrictions or conditions considered necessary for rehabilitation or for the protection of society; or
   (f) any combination of the restrictions or conditions listed in subsections (5)(a) through (5)(e).

(6) Following initial placement of a defendant in a treatment facility under subsection (2), the department of corrections may, at its discretion, place the offender in another facility or program.

(7) The provisions of 46-18-203, 46-23-1001 through 46-23-1005, 46-23-1011 through 46-23-1014, and 46-23-1031 apply to persons sentenced under this section.”

Section 22. Section 61-8-732, MCA, is amended to read:

“61-8-732. Driving under influence of alcohol or drugs — driving with excessive alcohol concentration — assessment, education, and treatment required. (1) In addition to the punishments provided in 61-8-714, 61-8-722, and 61-8-731, regardless of disposition, a defendant convicted of a violation of 61-8-401, or 61-8-406, or [section 1] shall complete:
   (a) a chemical dependency assessment;
(b) a chemical dependency education course; and

c) on a second or subsequent conviction for a violation of 61-8-401, or 61-8-406, or [section 1], except a fourth or subsequent conviction for which the defendant completes a residential alcohol treatment program under 61-8-731(2), or as required by subsection (8) of this section, chemical dependency treatment.

2) The sentencing judge may, in the judge’s discretion, require the defendant to complete the chemical dependency assessment prior to sentencing the defendant. If the assessment is not ordered or completed before sentencing, the judge shall order the chemical dependency assessment as part of the sentence.

3) The chemical dependency assessment and the chemical dependency education course must be completed at a treatment program approved by the department of public health and human services and must be conducted by a licensed addiction counselor. The defendant may attend a treatment program of the defendant’s choice as long as the treatment services are provided by a licensed addiction counselor. The defendant shall pay the cost of the assessment, the education course, and chemical dependency treatment.

4) The assessment must describe the defendant’s level of addiction, if any, and contain a recommendation as to education, treatment, or both. A defendant who disagrees with the initial assessment may, at the defendant’s cost, obtain a second assessment provided by a licensed addiction counselor or a program approved by the department of public health and human services.

5) The treatment provided to the defendant at a treatment program must be at a level appropriate to the defendant’s alcohol or drug problem, or both, as determined by a licensed addiction counselor pursuant to diagnosis and patient placement rules adopted by the department of public health and human services. Upon determination, the court shall order the defendant’s appropriate level of treatment. If more than one counselor makes a determination as provided in this subsection, the court shall order an appropriate level of treatment based upon the determination of one of the counselors.

6) Each counselor providing education or treatment shall, at the commencement of the education or treatment, notify the court that the defendant has been enrolled in a chemical dependency education course or treatment program. If the defendant fails to attend the education course or treatment program, the counselor shall notify the court of the failure.

7) A court or counselor may not require attendance at a self-help program other than at an “open meeting”, as that term is defined by the self-help program. A defendant may voluntarily participate in self-help programs.

8) Chemical dependency treatment must be ordered for a first-time offender convicted of a violation of 61-8-401, or 61-8-406, or [section 1] upon a finding of chemical dependency made by a licensed addiction counselor pursuant to diagnosis and patient placement rules adopted by the department of public health and human services.

9) (a) On a second or subsequent conviction, the treatment program provided for in subsection (5) must be followed by monthly monitoring for a period of at least 1 year from the date of admission to the program.

(b) If a defendant fails to comply with the monitoring program imposed under subsection (9)(a), the court shall revoke the suspended sentence, if any, impose any remaining portion of the suspended sentence, and may include additional monthly monitoring for up to an additional 1 year.
(10) Notwithstanding 46-18-201(2), whenever a judge suspends a sentence imposed under 61-8-714 and orders the person to complete chemical dependency treatment under this section, the judge retains jurisdiction to impose any suspended sentence for up to 1 year."

Section 23. Section 61-8-733, MCA, is amended to read:

“61-8-733. Driving under influence of alcohol or drugs — driving with excessive alcohol concentration — forfeiture of vehicle. (1) On the second or subsequent conviction of a violation of 61-8-401, or 61-8-406, or [section 1] or a second or subsequent conviction under 61-5-212 when the reason for the suspension or revocation was that the person was convicted of a violation of 61-8-401, or 61-8-406, or [section 1] or a similar offense under the laws of any other state or the suspension was under 61-8-402 or 61-8-409 or a similar law of any other state for refusal to take a test for alcohol or drugs requested by a peace officer who believed that the person might be driving under the influence, the court, in addition to the punishments provided in 61-5-212, 61-8-714, and 61-8-722 and any other penalty imposed by law, shall:

(a) if recommending that a probationary license be issued to the person, restrict the person to driving only a motor vehicle equipped with a functioning ignition interlock device during the probationary period and require the person to pay the reasonable cost of leasing, installing, and maintaining the device; or

(b) order that each motor vehicle owned by the person at the time of the offense be seized and subjected to the procedure provided under 61-8-421.

(2) A vehicle used by a person as a common carrier in the transaction of business as a common carrier is not subject to forfeiture unless it appears that the owner or other person in charge of the vehicle consented to or was privy to the violation. A vehicle may not be forfeited under this section for any act or omission established by the owner to have been committed or omitted by a person other than the owner while the vehicle was unlawfully in the possession of a person other than the owner in violation of the criminal laws of this state or the United States.

(3) Forfeiture of a vehicle encumbered by a security interest is subject to the secured person’s interest if the person did not know and could not have reasonably known of the unlawful possession, use, or other act on which the forfeiture is sought.”

Section 24. Section 61-8-734, MCA, is amended to read:

“61-8-734. Driving under influence of alcohol or drugs — driving with excessive alcohol concentration — conviction defined — place of imprisonment — home arrest — exceptions — deferral of sentence not allowed. (1) (a) For the purpose of determining the number of convictions for prior offenses referred to in 61-8-465, 61-8-714, 61-8-722, or 61-8-731, “conviction” means a final conviction, as defined in 45-2-101, in this state, conviction for a violation of a similar statute or regulation in another state or on a federally recognized Indian reservation, or a forfeiture of bail or collateral deposited to secure the defendant’s appearance in court in this state, in another state, or on a federally recognized Indian reservation, which forfeiture has not been vacated.

(b) An offender is considered to have been previously convicted for the purposes of sentencing if less than 5 years have elapsed between the commission of the present offense and a previous conviction, unless the offense is the offender’s fourth or subsequent offense, in which case all previous convictions must be used for sentencing purposes.
(c) A previous conviction under 61-8-714 or 61-8-722 for violation of 61-8-401, or 61-8-406, or section 1 may be counted for purposes of determining the number of a subsequent conviction for violation of either 61-8-401, or 61-8-406, or section 1.

(2) Except as provided in 61-8-731, the court may order that a term of imprisonment imposed under 61-8-714, 61-8-722, or 61-8-731 be served in another facility made available by the county and approved by the sentencing court. The defendant, if financially able, shall bear the expense of the imprisonment in the facility. The court may impose restrictions on the defendant’s ability to leave the premises of the facility and require that the defendant follow the rules of that facility. The facility may be, but is not required to be, a community-based prerelease center as provided for in 53-1-203. The prerelease center may accept or reject a defendant referred by the sentencing court.

(3) Subject to the limitations set forth in 61-8-714 and 61-8-722 concerning minimum periods of imprisonment, the court may order that a term of imprisonment imposed under either section be served by imprisonment under home arrest, as provided in Title 46, chapter 18, part 10.

(4) A court may not defer imposition of sentence under 61-8-714, 61-8-722, or 61-8-731.

(5) The provisions of 61-2-107, 61-5-205(2), and 61-5-208(2), relating to suspension of driver’s licenses and later reinstatement of driving privileges, apply to any conviction under 61-8-714 or 61-8-722 for a violation of 61-8-401, or 61-8-406, or section 1.”

Section 25. Section 61-8-741, MCA, is amended to read:

“61-8-741. Suspension of imprisonment sentence for DUI court participation — DUI court defined. person does not possess a driver's license, the court shall indicate that fact in its report to the department.

Section 3. Conditions of grants. Disbursement of grant funds under [sections 1 through 4] is subject to the following conditions that must be met by the project sponsor:

(1) A scope of work and budget for the project must be approved by the department of natural resources and conservation. Any changes in scope of work or budget subsequent to legislative approval may not change project goals and objectives. Changes in activities that would reduce the public or natural resource benefits may result in a proportional reduction in the grant amount.

(2) The project sponsor shall show satisfactory completion of conditions described in the recommendation section of the project narrative of the reclamation and development grants program report to the legislature for the biennium ending June 30, 2015.

(3) The project sponsor must have a fully executed grant agreement with the department.
(4) Any other specific requirements considered necessary by the department must be met to accomplish the purpose of the grant as evidenced from the application to the department or from the proposal as presented to the legislature.

Section 4. Other appropriations. There is appropriated to any entity of state government that receives a grant under [sections 1 through 3] the amount of the grant upon award of the grant by the department of natural resources and conservation. Grants to entities from a prior biennium are reauthorized for completion of contract work.

(b) the degree to which the project will provide public benefits;

(c) the degree to which the project will promote, enhance, or advance the policies and purposes of the reclamation and development grants program;

(d) the degree to which the project will provide for the conservation of natural resources;

(e) the degree of need and urgency for the project;

(f) the extent to which the project sponsor or local entity is contributing to the costs of the project or is generating additional nonstate funds;

(g) the degree to which jobs are created for persons who need job training, receive public assistance, or are chronically unemployed; and

(h) any other criteria that the department considers necessary to carry out the policies and purposes of the reclamation and development grants program.

(2) (a) Subject to the conditions of this part, the department shall give priority to grant requests, not to exceed a total of $600,000 for the biennium, from the board of oil and gas conservation beginning on July 1, 2015. The board of oil and gas conservation shall use a grant that received priority under this subsection (2)(a) for oil and gas reclamation projects. The board may use a maximum of 2.5% of the amount of a grant for administrative costs associated with implementing the projects covered in the grant.

(b) Any unobligated fund balance of a grant that received priority under subsection (2)(a) remaining at the end of the current biennium must be included as part of the $600,000 limitation for the next biennium.

(c) The priority given to the board of oil and gas conservation under subsection (2)(a) does not preclude the board of oil and gas conservation from submitting additional grant requests. The department shall evaluate additional grant requests from the board of oil and gas conservation in accordance with the provisions of subsection (1).

(3) Subject to the conditions of this part, the department shall give priority to grant requests not to exceed a total of $800,000 for the biennium for abandoned mine reclamation projects. A grant may not be used for personnel costs or general operating expenses.”

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-1-409, MCA, is amended to read:

"33-1-409. Examination reports — hearings — confidentiality — publication. (1) All examination reports must be composed only of facts appearing upon the books, records, or other documents of the company, its agents, or other persons examined or as ascertained from the testimony of its officers or agents or other persons examined concerning its affairs. The report must contain the conclusions and recommendations that the examiners find reasonably warranted from the facts.

(2) Not later than 60 days following completion of the examination, the examiner in charge shall file with the department a verified written report of examination under oath. Upon receipt of the verified report, the department shall transmit the report to the company examined, together with a notice that
gives the company examined a reasonable opportunity, but not more than 30 days, to make a written submission or rebuttal with respect to any matters contained in the examination report.

(3) Within 30 days of the end of the period allowed for the receipt of written submissions or rebuttals, the commissioner shall fully consider and review the report, together with any written submissions or rebuttals and any relevant portions of the examiner’s workpapers and enter an order:

(a) adopting the examination report as filed or with modification or corrections. If the examination report reveals that the company is operating in violation of any law, regulation, or prior order of the commissioner, the commissioner may order the company to take any action the commissioner considers necessary and appropriate to cure the violation.

(b) rejecting the examination report with directions to the examiners to reopen the examination for purposes of obtaining additional data, documentation, information, or testimony and of refiling pursuant to subsection (2); or

(c) calling for an investigatory hearing with no less than 20 days’ notice to the company for purposes of obtaining additional data, documentation, information, and testimony.

(4) (a) All orders entered pursuant to subsection (3)(a) must be accompanied by findings and conclusions resulting from the commissioner’s consideration and review of the examination report, relevant examiner workpapers, and any written submissions or rebuttals. An order must be considered a final administrative decision and may be appealed pursuant to Title 33, chapter 1, part 7, and must be served upon the company by certified mail, together with a copy of the adopted examination report. Within 30 days of the issuance of the adopted report, the company shall file affidavits executed by each of its directors stating under oath that they have received a copy of the adopted report and related orders.

(b) (i) A hearing conducted under subsection (3)(c) by the commissioner or an authorized representative must be conducted as a nonadversarial, confidential, investigatory proceeding as necessary for the resolution of any inconsistencies, discrepancies, or disputed issues apparent upon the face of the filed examination report or raised by or as a result of the commissioner’s review of relevant workpapers or by the written submission or rebuttal of the company. Within 20 days of the conclusion of the hearing, the commissioner shall enter an order pursuant to subsection (3)(a).

(ii) The commissioner may not appoint an examiner as an authorized representative to conduct the hearing. The hearing must proceed expeditiously with discovery by the company limited to the examiner’s workpapers that tend to substantiate any assertions set forth in any written submission or rebuttal. The commissioner or the commissioner’s representative may issue subpoenas for the attendance of witnesses or the production of documents considered relevant to the investigation, whether under the control of the department, the company, or other persons. The documents produced must be included in the record, and testimony taken by the commissioner or the commissioner’s representative must be under oath and preserved for the record. This section does not require the department to disclose any information or records that would indicate or show the existence or content of an investigation or activity of a criminal justice agency.

(iii) The hearing must proceed with the commissioner or the commissioner’s representative posing questions to the persons subpoenaed. The company and
the department may present testimony relevant to the investigation. Cross-examination may be conducted only by the commissioner or the commissioner’s representative. The company and the department must be permitted to make closing statements and may be represented by counsel of their choice.

(5) (a) Upon the adoption of the examination report under subsection (3)(a), the commissioner shall continue to hold the content of the examination report as private and confidential information for a period of 30 days, except to the extent provided in subsection (2). After 30 days, the commissioner shall open the report for public inspection as long as a court of competent jurisdiction has not stayed its publication.

(b) This title does not prevent and may not be construed as prohibiting the commissioner from disclosing the content of an examination report or preliminary examination report, the results of an examination, or any matter relating to a report or results to the insurance department of this state or of any other state or country, to law enforcement officials of this state or of any other state, or to an agency of the federal government at any time as long as the agency or office receiving the report or matters relating to the report agrees in writing to hold it in a manner consistent with this part.

(c) If the commissioner determines that regulatory action is appropriate as a result of an examination, the commissioner may initiate any proceedings or actions as provided by law.

(6) (a) Working papers must be given confidential treatment, are not subject to subpoena, are not discoverable or admissible as evidence in any private action, and may not be made public by the commissioner or any other person except to the extent provided in 33-1-311(5) and subsection (5) of this section. Section 17. Section 33-22-1811, MCA, is amended to read:

“33-22-1811. Availability of coverage — required plans. (1) (a) As a condition of transacting business in this state with small employers, each small employer carrier must have approved for issuance to small employer groups at least two health benefit plans. One plan must be a basic health benefit plan, and one plan must be a standard health benefit plan.

(b) (i) A small employer carrier shall issue all plans marketed under this part to any eligible small employer that applies for a plan and agrees to make the
required premium payments and to satisfy the other reasonable provisions of
the health benefit plan not inconsistent with this part.

(ii) In the case of a small employer carrier that establishes more than one
class of business pursuant to 33-22-1808, the small employer carrier shall
maintain and offer to eligible small employers all plans marketed under this
part in each established class of business. A small employer carrier may apply
reasonable criteria in determining whether to accept a small employer into a
class of business, provided that:

(A) the criteria are not intended to discourage or prevent acceptance of small
employers applying for a health benefit plan;

(B) the criteria are not related to the health status or claims experience of
the small employers' employees;

(C) the criteria are applied consistently to all small employers that apply for
coverage in that class of business; and

(D) the small employer carrier provides for the acceptance of all eligible
small employers into one or more classes of business.

(iii) The provisions of subsection (1)(b)(ii) may not be applied to a class of
business into which the small employer carrier is no longer enrolling new small
businesses.

(c) A small employer carrier that elects not to comply with the requirements
of subsections (1)(a) and (1)(b) may continue to provide coverage under health
benefit plans previously issued to small employers in this state for a period of no
more than 7 years from October 1, 1995, if the carrier:

(i) complies with all other applicable provisions of this part, except
33-22-1810, 33-22-1813, and subsections (2) through (4) of this section;

(ii) does not amend or alter the benefits and coverages of the previously
issued health benefit plans unless required to do so by law or rule; and

(iii) complies with all applicable provisions of Public Law 104-191.

(2) (a) A small employer carrier shall, pursuant to 33-1-501, file the basic
health benefit plans and the standard health benefit plans to be used by the
small employer carrier.

(b) The commissioner may at any time, after providing notice and an
opportunity for a hearing to the small employer carrier, disapprove the
continued use by a small employer carrier of a basic or standard health benefit
plan on the grounds that the plan does not meet the requirements of this part.

(3) Health benefit plans covering small employers must comply with the
following provisions:

(a) A health benefit plan may not:

(i) because of a preexisting condition, deny, exclude, or limit benefits for a
covered individual for losses incurred more than 12 months following the
individual's enrollment date. A health benefit plan may not define a preexisting
condition exclusion more restrictively than 33-22-140.

(ii) use a preexisting condition exclusion more restrictive than exclusions
allowed under 33-22-514.

(b) A health benefit plan must waive any time period applicable to a
preexisting condition exclusion or limitation period with respect to particular
services for the period of time that an individual was previously covered by
creditable coverage that provided benefits with respect to those services if the
creditable coverage was continuous to a date not more than 63 days prior to the
submission of an application for new coverage. A health benefit plan may
determine waivers of time periods applicable to preexisting condition exclusions or limitations on the basis of prior coverage of benefits within each of several classes or categories as specified in regulations implementing Public Law 104-191, rather than as provided in this subsection (3)(b). This subsection (3)(b) does not preclude application of any waiting period applicable to all new enrollees under the health benefit plan.

(c) A health benefit plan may exclude coverage for late enrollees for 18 months or for an 18-month preexisting condition exclusion, provided that if both a period of exclusion from coverage and a preexisting condition exclusion are applicable to a late enrollee, the combined period may not exceed 18 months from the date on which the individual enrolls for coverage under the health benefit plan.

(d) (i) Requirements used by a small employer carrier in determining whether to provide coverage to a small employer, including requirements for minimum participation of eligible employees and minimum employer contributions, must be applied uniformly among all small employers that have the same number of eligible employees and that apply for coverage or receive coverage from the small employer carrier. For the purpose of meeting minimum participation requirements of groups of four or more, a small employer carrier may not consider employees who, because they are covered under another health plan, waive coverage under the small employer’s plan as part of the group of eligible employees. However, a small employer carrier may require at least two eligible employees to participate in a plan.

(ii) A small employer carrier may vary the application of minimum participation requirements and minimum employer contribution requirements only by the size of the small employer group.

(e) (i) If a small employer carrier offers coverage to a small employer, the small employer carrier shall offer coverage to all of the eligible employees of a small employer and their dependents. A small employer carrier may not offer coverage only to certain individuals in a small employer group or only to part of the group, except in the case of late enrollees as provided in subsection (3)(c).

(ii) A small employer carrier may not modify a plan marketed under this part with respect to a small employer or any eligible employee or dependent, through riders, endorsements, or otherwise, to restrict or exclude coverage for certain diseases or medical conditions otherwise covered by the health benefit plan.

(iii) A small employer carrier shall secure a waiver of coverage from each eligible employee who declines, at the sole discretion of the eligible employee, an offer of coverage under a health benefit plan provided by the small employer. The waiver must be signed by the eligible employee and must certify that the employee was informed of the availability of coverage under the health benefit plan and of the penalties for late enrollment. The waiver may not require the eligible employee to disclose the reasons for declining coverage.

(iv) A small employer carrier may not issue coverage to a small employer if the carrier or a producer for the carrier has evidence that the small employer induced or pressured an eligible employee to decline coverage due to the health status or risk characteristics of the eligible employee or of the dependents of the eligible employee.

(4) (a) A small employer carrier may not be required to offer coverage or accept applications pursuant to subsection (1) in the case of the following:
(i) to an employer whose employees do not work or reside within the small employer carrier's established geographic service area for a network plan, as defined in 33-22-140; or

(ii) within an area where the small employer carrier reasonably anticipates and demonstrates to the satisfaction of the commissioner that it will not have the capacity within its established geographic service area to deliver service adequately to the members of a group because of its obligations to existing group policyholders and enrollees. The small employer carrier may not deny coverage under this subsection unless the small employer carrier acts uniformly without regard to claims experience or health status-related factors of employers, employees, or dependents.

(b) A small employer carrier may not be required to provide coverage to small employers pursuant to subsection (1) for which the commissioner determines that the small employer carrier does not have the financial reserves necessary to underwrite additional coverage and that the small employer carrier has denied coverage of small employers uniformly throughout the state and without regard to the claims experience and health status-related factors of the applicant small employer groups. The small employer carrier exempted from providing coverage under this subsection may not offer coverage to small employer groups in this state for 180 days after the date on which coverage is denied or until the small employer carrier has demonstrated to the commissioner that the small employer carrier has sufficient financial reserves to underwrite additional coverage, whichever is later.”

   (g) in the case of a captive reinsurance company, not less than 50% of the capital that would be required for that type of captive insurance company.

(2) The commissioner may require additional capital and surplus based upon the type, volume, and nature of insurance business transacted.

(3) Capital and surplus may be in the form of cash, cash equivalent, or an irrevocable letter of credit issued by a bank chartered by the state of Montana or a member bank of the federal reserve system and approved by the commissioner.”

“33-28-202. Legal investments. (1) (a) An industrial insured captive insurance company, an association captive insurance company, and a captive risk retention group shall comply with the investment requirements contained in Title 33, chapter 12, and the rules promulgated in accordance with these provisions.

(b) The commissioner may approve the use of alternative reliable methods of valuation and rating.

(c) When a captive insurance company’s admitted assets total less than $5 million, the commissioner may approve an investment of up to 20% of admitted assets in rated credit instruments in any one investment that meets the requirements of 33-12-303(1)(c).

(2) A pure captive insurance company or protected cell captive insurance company is not subject to any restrictions on allowable investments, except that the commissioner may prohibit or limit any investment that threatens the solvency or liquidity of the company.

(3) Only a pure captive insurance company may make loans to its parent company or any of its affiliates. Loans to a parent company or any affiliate may not be made without prior written approval of the commissioner and must be evidenced by a note in a form approved by the commissioner. Loans of minimum capital and surplus funds required by 33-28-104 are prohibited.”

Section 21. Section 33-28-301, MCA, is amended to read:

“33-28-301. Protected cell captive insurance company. (1) One or more sponsors may form a protected cell captive insurance company, which may be incorporated or unincorporated.

(2) A protected cell captive insurance company formed or licensed under the provisions of this chapter is subject to the following:

(a) (i) A protected cell captive insurance company may establish one or more protected cells with the prior written approval of the commissioner of a plan of operation or amendments submitted by the protected cell captive insurance company with respect to each protected cell.

(ii) Upon the written approval of the commissioner of the plan of operation, which must include but is not limited to the specific business objectives and investment guidelines of the protected cell, the protected cell captive insurance company in accordance with the approved plan of operation may attribute to the protected cell insurance obligations with respect to its insurance business.

(iii) A protected cell must have its own distinct name or designation that must include the words “protected cell” or “incorporated cell”.

(iv) The protected cell captive insurance company shall transfer all assets attributable to a protected cell to one or more separately established and identified protected cell accounts bearing the name or designation of that protected cell. Protected cell assets must be held in the protected cell accounts for the purpose of satisfying the obligations of that protected cell.

(v) An incorporated protected cell may be organized and operated in any form of business organization authorized by the commissioner. Each incorporated protected cell of a protected cell captive insurance company must be treated as a captive insurance company for purposes of this chapter, except for the application of 33-28-201. Unless otherwise permitted by the articles of incorporation or other organizational document of a protected cell captive insurance company, each incorporated protected cell of the protected cell
captive insurance company must have the same directors, secretary, and registered office as the protected cell captive insurance company.

(b) All attributions of assets and liabilities between a protected cell and the protected cell captive insurance company’s general account must be in accordance with the plan of operation and participant contracts approved by the commissioner. No other attribution of assets and liabilities may be made by a protected cell captive insurance company between the protected cell captive insurance company’s general account and its protected cells. Any attribution of assets and liabilities between the general account and a protected cell must be in cash or in readily marketable securities with established market values.

(c) The creation of a protected cell does not create, with respect to that protected cell, a legal person separate from the protected cell captive insurance company unless the protected cell is an incorporated cell. Amounts attributed to a protected cell under this chapter, including assets transferred to a protected cell account, are owned by the protected cell, and the protected cell captive insurance company may not be a trustee or hold itself out to be a trustee with respect to those protected cell assets of that protected cell account. A protected cell captive insurance company may allow for a security interest to attach to protected cell assets or a protected cell account when the security interest is in favor of a creditor of the protected cell and is otherwise allowed under applicable law.

(d) This chapter may not be construed to prohibit the protected cell captive insurance company from contracting with or arranging for an investment adviser, commodity trading adviser, or other third party to manage the protected cell assets of a protected cell if all remuneration, expenses, and other compensation of the third party are payable from the protected cell assets of that protected cell and not from the protected cell assets of other protected cells or the assets of the protected cell captive insurance company’s general account.

(e) (i) A protected cell captive insurance company shall establish administrative and accounting procedures necessary to properly identify the one or more protected cells of the protected cell captive insurance company and the protected cell assets and protected cell liabilities attributable to the protected cells. The directors of a protected cell captive insurance company shall keep protected cell assets and protected cell liabilities:

(A) separate and separately identifiable from the assets and liabilities of the protected cell captive insurance company’s general account; and

(B) attributable to one protected cell separate and separately identifiable from protected cell assets and protected cell liabilities attributable to other protected cells.

(ii) If the provisions of this subsection (2)(e) are violated, the remedy of tracing is applicable to protected cell assets commingled with protected cell assets of other protected cells or the assets of the protected cell captive insurance company’s general account. The remedy of tracing may not be construed as an exclusive remedy.

(f) When establishing a protected cell, the protected cell captive insurance company shall attribute to the protected cell assets with a value at least equal to the reserves attributed to that protected cell.

(3) Each protected cell must be accounted for separately on the books and records of the protected cell captive insurance company to reflect the financial condition and result of operations of the protected cell, including but not limited to the net income or loss, dividends or other distributions to participants, and
any other factor provided in the participant contract or required by the commissioner.

(4) The assets of a protected cell may not be chargeable with liabilities arising from any other insurance business of the protected cell captive insurance company.

(5) A sale, exchange, or other transfer of assets may not be made by a protected cell captive insurance company among any of its protected cells without the consent of the participants of each affected protected cell.

(6) A sale, exchange, transfer of assets, dividend, or distribution may not be made from a protected cell to a sponsor or a participant without the commissioner’s prior written approval, which may not be given if the sale, exchange, transfer, dividend, or distribution would result in insolvency or impairment with respect to the protected cell.

(7) Each protected cell captive insurance company shall file annually with the commissioner any financial reports required by the commissioner and shall include, without limitation, accounting statements detailing the financial experience of each protected cell.

(8) Each protected cell captive insurance company shall notify the commissioner in writing within 20 business days from the time that a protected cell has become impaired or insolvent or is otherwise unable to meets its claim or expense obligations.

(9) A participant contract may not take effect without the commissioner's prior written approval.

(10) An addition of each new protected cell or the withdrawal of any participant of an existing protected cell constitutes a change in the business plan of the protected cell captive insurance company and may not be effective without the commissioner's prior written approval.

(11) The business written by a protected cell captive insurance company, with respect to each cell, must be:

(a) fronted by an insurance company licensed under the laws of any state or approved by the commissioner;

(b) reinsured by a reinsurer authorized or approved by the commissioner;

(c) secured by a trust fund in the United States for the benefit of policyholders and claimants, which must be funded by an irrevocable letter of credit or other asset that is acceptable to the commissioner, and with the following requirements:

(i) the amount of the security provided by the trust fund may not be less than the reserves associated with the liabilities that are not fronted or reinsured, including but not limited to reserves for losses that are allocated for loss adjustment expenses, incurred but not reported losses, and unearned premiums for business written through the participant’s protected cell;

(ii) the commissioner may require the protected cell captive insurance company to increase the funding of any trust;

(iii) if the form of security in the trust is a letter of credit, the letter of credit must be established, issued, or confirmed by a bank chartered in this state, a member of the federal reserve system, or a bank chartered by another state if that state-chartered bank is acceptable to the commissioner, and

(iv) the trust and trust instrument must be in a form and with terms approved by the commissioner.
(12) If a protected cell captive insurance company’s business is reinsured, with respect to each cell it must be:
(a) reinsured by a reinsurer authorized or approved by the commissioner; or
(b) secured by a trust fund in the United States for the benefit of policyholders and claimants, which must be funded by an irrevocable letter of credit or other asset that is acceptable to the commissioner, and subject to the following:
(i) the amount of the security provided by the trust fund may not be less than the reserves associated with the liabilities that are not fronted or reinsured, including but not limited to reserves for losses that are allocated for loss adjustment expenses, incurred but not reported losses, and unearned premiums for business written through the participant’s protected cell;
(ii) the commissioner may require the protected cell captive insurance company to increase the funding of any trust;
(iii) if the form of security in the trust is a letter of credit, the letter of credit must be established, issued, or confirmed by a bank chartered in this state, a member of the federal reserve system, or a bank chartered by another state if that state-chartered bank is acceptable to the commissioner; and
(iv) the trust and trust instrument must be in a form and with terms approved by the commissioner.”

CHAPTER NO. 170

[HB 194]
AN ACT INCREASING THE CONTRACT AMOUNT FOR WHICH A LOCAL GOVERNMENT PROJECT MUST BE PUT TO A BID IF THE PROJECT IS FUNDED WITH GASOLINE TAXES; AMENDING 15-70-101, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-70-101, MCA, is amended to read:

“15-70-101. Disposition of funds. (1) All taxes collected under this chapter must, in accordance with the provisions of 17-2-124, be placed in a highway revenue account in the state special revenue fund to the credit of the department of transportation. All interest and income earned on the account must be deposited to the credit of the account and any unexpended balance in the account must remain in the account. Those funds allocated to cities, towns, counties, and consolidated city-county governments in this section must, in accordance with the provisions of 17-2-124, be paid by the department of transportation from the state special revenue fund to the cities, towns, counties, and consolidated city-county governments.

(2) The amount of $16,766,000 of the taxes collected under this chapter is statutorily appropriated, as provided in 17-7-502, to the department of transportation and must be allocated each fiscal year on a monthly basis to the counties, incorporated cities and towns, and consolidated city-county governments in Montana for construction, reconstruction, maintenance, and
repair of rural roads and city or town streets and alleys, as provided in subsections (2)(a) through (2)(c):

(a) The amount of $100,000 must be designated for the purposes and functions of the Montana local technical assistance transportation program in Bozeman.

(b) The amount of $6,306,000 must be divided among the various counties in the following manner:

(i) 40% in the ratio that the rural road mileage in each county, exclusive of the national highway system and the primary system, bears to the total rural road mileage in the state, exclusive of the national highway system and the primary system;

(ii) 40% in the ratio that the rural population in each county outside incorporated cities and towns bears to the total rural population in the state outside incorporated cities and towns;

(iii) 20% in the ratio that the land area of each county bears to the total land area of the state.

(c) The amount of $10,360,000 must be divided among the incorporated cities and towns in the following manner:

(i) 50% of the sum in the ratio that the population within the corporate limits of the city or town bears to the total population within corporate limits of all the cities and towns in Montana;

(ii) 50% in the ratio that the city or town street and alley mileage, exclusive of the national highway system and the primary system, within corporate limits bears to the total street and alley mileage, exclusive of the national highway system and primary system, within the corporate limits of all cities and towns in Montana.

(3) (a) For the purpose of allocating the funds in subsections (2)(b) and (2)(c) to a consolidated city-county government, each entity must be considered to have separate city and county boundaries. The city limit boundaries are the last official city limit boundaries for the former city unless revised boundaries based on the location of the urban area have been approved by the department of transportation and must be used to determine city and county populations and road mileages in the following manner:

(i) Percentage factors must be calculated to determine separate populations for the city and rural county by using the last official decennial federal census population figures that recognized an incorporated city and the rural county. The factors must be based on the ratio of the city to the rural county population, considering the total population in the county minus the population of any other incorporated city or town in the county.

(ii) The city and county populations must be calculated by multiplying the total county population, as determined by the latest official decennial census or the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census, minus the population of any other incorporated city or town in that county, by the factors established in subsection (3)(a)(i).

(b) The amount allocated by this method for the city and the county must be combined, and single monthly payments must be made to the consolidated city-county government.

(4) All funds allocated by this section to counties, cities, towns, and consolidated city-county governments must be used for the construction, reconstruction, maintenance, and repair of rural roads or city or town streets
and alleys or for the share that the city, town, county, or consolidated city-county government might otherwise expend for proportionate matching of federal funds allocated for the construction of roads or streets that are part of the primary or secondary highway system or urban extensions to those systems. The governing body of a town or third-class city, as defined in 7-1-4111, may each year expend no more than 25% of the funds allocated to that town or third-class city for the purchase of capital equipment and supplies to be used for the maintenance and repair of town or third-class city streets and alleys. The governing body of a town or third-class city may place all or a part of the 25% in a restricted asset account within the gas tax apportionment fund that is carried forward until there is a need for the expenditure.

(5) All funds allocated by this section to counties, cities, towns, and consolidated city-county governments must be disbursed to the lowest responsible bidder according to applicable bidding procedures followed in all cases in which the contract for construction, reconstruction, maintenance, or repair is in excess of $25,000 in the amounts provided in 7-5-2301 and 7-5-4302.

(6) For the purposes of this section in which distribution of funds is made on a basis related to population, the population must be determined annually for counties and biennially for cities according to the latest official decennial census or the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(7) For the purposes of this section in which determination of mileage is necessary for distribution of funds, it is the responsibility of the cities, towns, counties, and consolidated city-county governments to furnish to the department of transportation a yearly certified statement indicating the total mileage within their respective areas applicable to this chapter. All mileage submitted is subject to review and approval by the department of transportation.

(8) Except by a town or third-class city as provided in subsection (4), the funds authorized by this section may not be used for the purchase of capital equipment.

(9) Funds authorized by this section must be used for construction and maintenance programs.”

Section 2. Effective date. [This act] is effective July 1, 2013.

[HB 323]

AN ACT ADDING LIVESTOCK LOSSES DUE TO GRIZZLY BEAR PREDATION TO THE LIVESTOCK LOSS PROGRAMS; AND AMENDING SECTIONS 2-15-3110, 2-15-3111, 2-15-3112, 2-15-3113, AND 81-1-110, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-15-3110, MCA, is amended to read:

(1) There is a livestock loss board. The purpose of the board is to administer the programs called for in the Montana gray wolf and grizzly bear management plans and established in 2-15-3111 through 2-15-3113, with funds provided through the accounts established in 81-1-110, in order to minimize losses caused by wolves and grizzly bears to livestock producers and to reimburse livestock producers for livestock losses from wolf and grizzly bear predation.

(2) The board consists of seven members, appointed by the governor, as follows:

(a) three members from a list of names recommended by the board of livestock;
(b) three members from a list of names recommended by the fish, wildlife, and parks commission; and
(c) one member of the general public.

(3) Each board member must have knowledge of or have experience in at least one of the following:

(a) the raising of livestock in Montana;
(b) livestock marketing, valuations, sales, or breeding associations;
(c) the interaction of wolves and grizzly bears with livestock and livestock mortality caused by wolves and grizzly bears;
(d) wildlife conservation;
(e) administration; and
(f) fundraising.

(4) The board is designated as a quasi-judicial board for the purposes of 2-15-124. Notwithstanding the provisions of 2-15-124(1), the governor is not required to appoint an attorney to serve as a member of the board.

(5) The board is allocated to the department of livestock for administrative purposes only as provided in 2-15-121.

(6) The board shall adopt rules to implement the provisions of 2-15-3110 through 2-15-3114 and 81-1-110 through 81-1-112.”

Section 2. Section 2-15-3111, MCA, is amended to read:

“2-15-3111. Livestock loss reduction program. The livestock loss board shall establish and administer a program to cost-share with individuals or incorporated entities in implementing measures to prevent wolf and grizzly bear predation on livestock, including:

(1) eligibility requirements for program participation;
(2) application procedures for program participation and procedures for awarding grants for wolf and grizzly bear predation prevention measures, subject to grant priorities and the availability of funds;
(3) criteria for the selection of projects and program participants, which may include establishment of grant priorities based on factors such as chronic depredation, multiple depredation incidents, single depredation incidents, and potential high-risk geographical or habitat location;

(4) grant guidelines for prevention measures on public and private lands, including:

(a) grant terms that clearly set out the obligations of the livestock producer and that provide for a term of up to 12 months subject to renewal based on availability of funds, satisfaction of program requirements, and prioritization of the project;

(b) cost-share for prevention measures, which may be a combination of grant and livestock producer responsibility, payable in cash or in appropriate services, such as labor to install or implement preventive measures, unless the board adjusts the cost-share because of extenuating circumstances related to chronic or multiple depredation; and

(c) proactive preventive measures, including but not limited to fencing, fladry, night penning, increased human presence in the form of livestock herders and riders, guard animals, providing hay and dog food, rental of private land or alternative pasture allotments, delayed turnouts, and other preventive measures as information on new or different successful prevention measures becomes available; and

(5) reporting requirements for program participants to assist in determining the effectiveness of loss reduction relative to each grant.”

Section 3. Section 2-15-3112, MCA, is amended to read:

“2-15-3112. Livestock loss mitigation program — definitions. The livestock loss board shall establish and administer a program to reimburse livestock producers for livestock losses caused by wolves and grizzly bears, subject to the following provisions:

(1) The board shall establish eligibility requirements for reimbursement, which must provide that all Montana livestock producers are eligible for coverage for losses by wolves and grizzly bears to cattle, swine, horses, mules, sheep, goats, llamas, and livestock guard animals on state, federal, and private land and on tribal land that is eligible through agreement pursuant to 2-15-3113(2).

(2) Confirmed and probable livestock losses must be reimbursed at an amount not to exceed fair market value as determined by the board.

(3) Other losses may be reimbursed at rates determined by the board.

(4) A claim process must be established to be used when a livestock producer suffers a livestock loss for which wolves or grizzly bears may be responsible. The claim process must set out a clear and concise method for documenting and processing claims for reimbursement for livestock losses.

(5) A process must be established to allow livestock producers to appeal reimbursement decisions. A producer may appeal a staff adjuster’s decision by notifying the staff adjuster and the board in writing, stating the reasons for the appeal and providing documentation supporting the appeal. If the documentation is incomplete, the board or a producer may consult with the U.S. department of agriculture wildlife services to complete the documentation. The board may not accept any appeal on the question of whether the loss was or was not a confirmed or probable loss because that final determination lies solely with the U.S. department of agriculture wildlife services and may not be changed by the board. The board shall hold a hearing on the appeal within 90 days of receipt
of the written appeal, allowing the staff adjuster and the producer to present their positions. A decision must be rendered by the board within 30 days after the hearing. The producer must be notified in writing of the board’s decision.

(6) As used in this section, the following definitions apply:

(a) “Confirmed” means reasonable physical evidence that livestock was actually attacked or killed by a wolf or grizzly bear, including but not limited to the presence of bite marks indicative of the spacing of canine tooth punctures of wolves or grizzly bears and associated subcutaneous hemorrhaging and tissue damage indicating that the attack occurred while the animal was alive, feeding patterns on the carcass, fresh tracks, scat, hair rubbed off on fences or brush, eyewitness accounts, or other physical evidence that allows a reasonable inference of wolf or grizzly bear predation on an animal that has been largely consumed.

(b) “Fair market value” means:

(i) for commercial sheep more than 1 year old, the average price of sheep of similar age and sex paid at the most recent Billings livestock sale ring or other ring as determined by the board;

(ii) for commercial lambs, the average market weaning value;

(iii) for registered sheep, the average price paid to the specific breeder for sheep of similar age and sex during the past year at public or private sales for that registered breed;

(iv) for commercial cattle more than 1 year old, the average price of cattle of similar age and sex paid at the most recent Billings livestock sale ring or other ring as determined by the board;

(v) for commercial calves, the average market weaning value;

(vi) for registered cattle, the average price paid to the owner for cattle of similar age and sex during the past year at public or private sales for that registered breed;

(vii) for other registered livestock, the average price paid to the producer at public or private sales for animals of similar age and sex. A producer may provide documentation that a registered animal has a fair market value in excess of the average price, in which case the board shall seek additional verification of the value of the animal from independent sources. If the board determines that the value of that animal is greater than the average price, then the increased value must be accepted as the fair market value for that animal.

(viii) for other livestock, the average price paid at the most recent public auction for the type of animal lost or the replacement price as determined by the board.

(c) “Probable” means the presence of some evidence to suggest possible predation but a lack of sufficient evidence to clearly confirm predation by a particular species. A kill may be classified as probable depending on factors including but not limited to recent confirmed predation by the suspected depredating species in the same or a nearby area, recent observation of the livestock by the owner or the owner’s employees, and telemetry monitoring data, sightings, howling, or fresh tracks suggesting that the suspected depredating species may have been in the area when the depredation occurred.”

Section 4. Section 2-15-3113, MCA, is amended to read:

“2-15-3113. Additional powers and duties of livestock loss board. (1) The livestock loss board shall:

(a) process claims;
(b) seek information necessary to ensure that claim documentation is complete;
(c) provide payments authorized by the board for confirmed and probable livestock losses, along with a written explanation of payment;
(d) submit monthly and annual reports to the board of livestock summarizing claims and expenditures and the results of action taken on claims and maintain files of all claims received, including supporting documentation;
(e) provide information to the board of livestock regarding appealed claims and implement any decision by the board;
(f) prepare the annual budget for the board; and
(g) provide proper documentation of staff time and expenditures.

(2) The livestock loss board may enter into an agreement with any Montana tribe, if the tribe has adopted a wolf or grizzly bear management plan for reservation lands that is consistent with the state wolf or grizzly bear management plan, to provide that tribal lands within reservation boundaries are eligible for mitigation grants pursuant to 2-15-3111 and that livestock losses on tribal lands within reservation boundaries are eligible for reimbursement payments pursuant to 2-15-3112.

(3) The livestock loss board shall:
(a) coordinate and share information with state, federal, and tribal officials, livestock producers, nongovernmental organizations, and the general public in an effort to reduce livestock losses caused by wolves and grizzly bears;
(b) establish an annual budget for the prevention, mitigation, and reimbursement of livestock losses caused by wolves and grizzly bears;
(c) perform or contract for the performance of periodic program audits and reviews of program expenditures, including payments to individuals, incorporated entities, and producers who receive loss reduction grants and reimbursement payments;
(d) adjudicate appeals of claims;
(e) investigate alternative or enhanced funding sources, including possible agreements with public entities and private wildlife or livestock organizations that have active livestock loss reimbursement programs in place;
(f) meet as necessary to conduct business; and
(g) report annually to the governor, the legislature, members of the Montana congressional delegation, the board of livestock, the fish, wildlife, and parks commission, and the public regarding results of the programs established in 2-15-3111 through 2-15-3113.

(4) The livestock loss board may sell or auction any wolf carcasses or parts of wolf carcasses received pursuant to 87-1-217. The proceeds, minus the costs of the sale including the preparation of the carcass or part of the carcass for sale, must be deposited into the livestock loss reduction and mitigation special revenue account established in 81-1-110(2) and used for the purposes of 2-15-3111 through 2-15-3114.

Section 5. Section 81-1-110, MCA, is amended to read:

“81-1-110. Livestock loss reduction and mitigation accounts. (1) There are livestock loss reduction and mitigation special revenue accounts administered by the department within the state special revenue fund and the federal special revenue fund established in 17-2-102.

(2) (a) All state proceeds allocated or budgeted for the purposes of 2-15-3110 through 2-15-3114, 81-1-110, and 81-1-111, except those transferred to the
section (1) of this section.

(b) Money received by the state in the form of gifts, grants, reimbursements, or allocations from any source intended to be used for the purposes of 2-15-3111 through 2-15-3113 must be deposited in the appropriate account provided for in subsection (1) of this section.

(c) All federal funds awarded to the state for compensation for wolf or grizzly bear depredations on livestock must be deposited in the federal special revenue account provided for in subsection (1) of this section.

(3) The livestock loss board may spend funds in the accounts only to carry out the provisions of 2-15-3111 through 2-15-3113.

Section 6. Saving clause. [This act] does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before [the effective date of this act].

(d) become an endorser or surety as to or in any manner an obligor for investments for the pension trust funds; or

(e) engage in a transaction prohibited by section 503(b) of the Internal Revenue Code.

(2) The assets of the retirement systems, including the assets of retirement accounts, may not be used for or diverted to any purpose other than for the exclusive benefit of the members and their beneficiaries and for paying the reasonable administrative expenses of the retirement systems administered by the board.

(3) The assets of the retirement systems remain in trust until a warrant has been negotiated or an electronic funds transfer has been deposited in accordance with law.

(4) Retirement benefits not claimed within 5 years after the member's death are forfeited and revert to the retirement system trust fund.
The accumulated contributions of a vested or nonvested member that are not claimed within 5 years after the member’s death are forfeited and revert to the retirement system trust fund.

This section does not prevent the administration of an investment alternative within the defined contribution plan to the same extent that all other investment alternatives within the defined contribution plan are managed.

Section 5. Section 19-2-706, MCA, is amended to read:

“19-2-706. Additional service credit for active member involuntarily terminated from employment. (1) The provisions of subsection (3) apply to an employee of the state or university system if:

(a) the employee is an active member of the public employees’ defined benefit plan or the game wardens’ and peace officers’; sheriffs’, firefighters’ unified, or highway patrol officers’ retirement system;

(b) the employee has involuntarily terminated from employment because of elimination of the employee’s position as a result of privatization, reorganization of an agency, closure of or a reduction in force at an agency, or other actions by the legislature or, in the case of a member who is a legislator, the legislator is terminated from office in either one of the houses of the legislature because of term limits;

(c) the employee is eligible for service retirement or early retirement under the applicable provisions of the retirement system to which the member belongs; and

(d) the employee waives the rights and benefits for which the employee would otherwise be eligible under the State Employee Protection Act.

(2) The cost of each year of service credit purchased under this section is the total actuarial cost of purchasing the service credit based on the most recent actuarial valuation of the retirement system.

(3) The employer of an eligible member under subsection (1) shall pay a portion of the total cost of purchasing up to 3 years of additional service credit that the member was qualified to purchase under 19-3-513, 19-6-804, 19-7-804, 19-8-904, or 19-13-405. The employer-paid portion must be calculated using the formula A x B x C when:

(a) A is equal to a maximum of 3 additional years of service credit that the member is eligible to purchase;

(b) B is equal to the sum of the employer and employee contribution rates in the member’s retirement system; and

(c) C is equal to the member’s gross compensation paid during the immediate preceding 12 months of membership service. The employer may not be charged more than the total actuarial cost of the service credit purchased.

(4) The member shall pay the difference, if any, between the full actuarial cost of the service credit to be purchased and the contribution required from the employer under subsection (3). The member may elect to purchase less than the full amount of service for which the member is eligible under this section, but the election may not reduce the amount of the employer’s contribution as calculated under subsection (3).

(5) The board may allow an employer to pay the contributions required under subsection (3) in installments for up to 10 years and may charge interest at a rate set by the board pursuant to 19-2-403.
(6) (a) A member who has received additional service credit under this section and who returns to employment for the same jurisdiction for 960 or more hours in a calendar year in any retirement system forfeits the additional service credit. The employer’s contribution to purchase that member’s additional service credit, minus the proportional amount of retirement benefits related to the additional service purchased under this section and already paid, must be credited to the employer.

(b) As used in subsection (6)(a), the term “same jurisdiction” means all agencies of the state, including the university system.”

Section 6. Section 19-2-801, MCA, is amended to read:

“19-2-801. Designation of beneficiary. (1) In the absence of any statutory beneficiaries, designated beneficiaries are the natural persons, charitable organizations, estate of the payment recipient, or trusts for the benefit of natural living persons that the member or payment recipient designates on the membership card or other form provided by the board.

(2) Unless otherwise provided by statute or by a valid temporary restraining order issued pursuant to 40-4-121, a member or payment recipient may revoke the designation and name different designated beneficiaries by filing with the board a new membership card or other form provided by the board.

(3) If a person returns to covered employment in the same retirement system pursuant to 19-2-603, the board shall reference the membership card executed by the person prior to initial termination of membership for the same purposes as prior to termination. Beneficiaries nominated on that membership card continue until changed as provided in subsection (2) of this section.

(4) (a) Except as provided in subsections (4)(b) and (4)(c), the beneficiary designation on the most recent membership card filed with the board is effective for all purposes until the member retires.

(b) A member may elect to either override or retain the member’s existing beneficiary designation when completing a membership card for temporary or secondary employment with another employer within the same Title 19 retirement system.

(c) When a member retires, the designated beneficiaries or contingent annuitants named on the retirement application become effective.

(5) If a statutory or designated beneficiary predeceases the member or payment recipient, the predeceased beneficiary’s share must be paid to the remaining statutory or designated beneficiaries in amounts proportional to each remaining statutory or designated beneficiary’s original share.

(6) A statutory or designated beneficiary who renounces an interest in the payment rights of a member or payment recipient will be considered, with respect to that interest, as having predeceased the member or payment recipient.

(7) A contingent annuitant of a retired member who elected option 2, 3, or 4 pursuant to 19-3-1501, 19-5-701, 19-7-1001, or 19-8-801 may not renounce the contingent annuitant’s interest in the payment rights of the member.”

Section 7. Section 19-2-907, MCA, is amended to read:

“19-2-907. Alternate payees — family law orders — rulemaking. (1) A participant in a retirement system may have the participant’s rights modified or recognized by a family law order.

(2) For purposes of this section:
(a) “family law order” means a judgment, decree, or order of a court of competent jurisdiction under Title 40 concerning child support, parental support, spousal maintenance, or marital property rights that includes a transfer of all or a portion of a participant’s payment rights in a retirement system to an alternate payee in compliance with this section and with section 414(p) of the Internal Revenue Code, 26 U.S.C. 414(p); and

(b) “participant” means an identified person who is a member or an actual or potential beneficiary, survivor, or contingent annuitant of a retirement system or plan designated pursuant to Title 19, chapter 3, 5, 6, 7, 8, 9, 13, or 17.

(3) A family law order must identify a participant and an alternate payee by full name, current address, date of birth, and social security number. An alternate payee’s rights and interests granted in compliance with this section are not subject to assignment, execution, garnishment, attachment, or other process. An alternate payee’s rights or interests may be modified only by a family law order amending the family law order that established the right or interest.

(4) Except as provided in subsection (6)(a), a family law order may not require:

(a) a type or form of benefit, option, or payment not available to the affected participant under the appropriate retirement system or plan; or

(b) an amount or duration of payment greater than that available to a participant under the appropriate retirement system or plan.

(5) With respect to a defined benefit plan, a family law order may provide for payment to an alternate payee only as follows:

(a) Retirement benefit payments or refunds may be apportioned by directing payment of either a percentage of the amount payable or a fixed amount of no more than the amount payable to the participant. Payments to an alternate payee may be limited to a specific amount each month if the number of payments is specified.

(b) The maximum amount of disability or survivorship benefits that may be paid to alternate payees is the monthly benefit amount that would have been payable on the date of termination of service if the member had retired without disability or death. The maximum amount paid may be zero, depending on the member’s age and service credit at the time of disability or death. Conversion of a disability retirement to a service retirement pursuant to 19-2-406(4), 19-3-1015(2), 19-6-612(2), or 19-8-712(2) does not increase the maximum monthly amount that may be paid to an alternate payee.

(c) Retirement benefit adjustments for which a participant is eligible after retirement may be paid as a percentage only if existing benefit payments are paid as a percentage. The adjustments must be paid as a percentage in the same ratio as existing benefit payments.

(d) The participant may be required to choose a specified form of benefit payment or designate a beneficiary or contingent annuitant if the retirement system or plan allows for that option.

(6) With respect to a defined contribution plan, a family law order may provide for payment to an alternate payee only as follows:

(a) The vested account of the participant may be apportioned by directing payment of either a percentage or a fixed amount. The total amount paid may not exceed the amount in the participant’s vested account. The alternate payee may receive the payment only as a direct payment, rollover, or transfer. The alternate payee’s portion must be totally disbursed to the alternate payee as
soon as administratively feasible upon the board’s approval of the family law order.

(b) If the participant is receiving periodic payments or an annuity provided under the plan, those payments may be apportioned as a percentage of the amount payable to the participant. Payments to the alternate payee may be limited to a specific amount each month if the number of payments is specified. Payments may not total more than the amount payable to the payee.

(7) The duration of monthly payments paid from a defined benefit or defined contribution plan participant to an alternate payee may not exceed the lifetime of the appropriate participant. The duration of the monthly payments may be further limited only to a specified maximum time, the life of the alternate payee, or the life of another specified participant. The alternate payee’s rights and interests survive the alternate payee’s death and may be transferred by inheritance.

(8) The board may assess a participant or an alternate payee for all costs of reviewing and administering a family law order, including reasonable attorney fees. The board may adopt rules to implement this section.

(9) Each family law order establishing a final obligation concerning payments by the retirement system must contain a statement that the order is subject to review and approval by the board.

(10) The board shall adopt rules to provide for the administration of family law orders.”

Section 8. Section 19-3-412, MCA, is amended to read:

“19-3-412. Optional membership. (1) Except as provided in 5-2-304 and subsection (2) of this section, the following employees and elected officials in covered positions shall elect either to become active members of the retirement system or to decline this optional membership by filing an irrevocable, written application with the board in the manner prescribed in subsection (3):

(a) elected officials of the state or local governments, including individuals appointed to fill the unexpired term of elected officials, who:
   (i) are paid on a salary or wage basis rather than on a per diem or other reimbursement basis; or
   (ii) were members receiving retirement benefits under the defined benefit plan or a distribution under the defined contribution plan at the time of their election;

(b) employees serving in employment that does not cumulatively exceed a total of 960 hours of covered employment with all employers under this chapter in any fiscal year;

(c) employees directly appointed by the governor;

(d) employees working 10 months or less for the legislative branch to perform work related to the legislative session;

(e) the chief administrative officer of any city or county;

(f) employees of county hospitals or rest homes.

(2) A member who is elected to a local government position in which the member works less than 960 hours in a calendar fiscal year may, within 90 days of taking office, decline optional membership with respect to the member’s elected position.

(3) (a) The board shall prescribe the form of the written application required pursuant to subsection (1) and provide written application forms to each employer.
(b) Each employee or elected official in a position covered under subsection (1) shall obtain the written application form from the employer and complete and return it to the board.

(c) The written application must be filed with the board:

(i) for an employee described in subsection (1)(d), within 90 days of the commencement of the employee’s employment; and

(ii) for an employee or elected official described in subsection (1)(a), (1)(b), (1)(c), (1)(e), or (1)(f), within 90 days of the commencement of the employee’s or elected official’s employment.

(d) The employer shall retain a copy of the employee’s or elected official’s written application.

(4) If the employee or elected official fails to file the written application required under subsection (1) with the board within the time allowed in subsection (3), the employee or elected official waives membership.

(5) An employee or elected official who declines optional membership may not receive membership service or service credit for the employment for which membership was declined.

(6) An employee or elected official who declined optional membership but later becomes a member may purchase service credit for the period of time beginning with the date of employment in which membership was declined to the commencement of membership. Purchase of service credit pursuant to this subsection must comply with 19-3-505.

(7) Except as provided in subsection (2), membership in the retirement system is not optional for an employee or elected official who is already a member. Upon employment in a position for which membership is optional:

(a) a member who was an active member before the employment remains an active member;

(b) a member who was an inactive member before the employment becomes an active member; and

(c) a member who was a retired member before the employment is subject to part 11 of this chapter.

(8) (a) An employee who declines membership for a position for which membership is optional may not later become a member while still employed with the same employer but in a different optional membership position.

(b) An elected official who declines membership for a position for which membership is optional may not later become a member if reelected to the same optional membership position.

(c) If, after termination from employment for 30 days or more, an employee who was employed in an optional membership position is reemployed in the same position or is employed in a different position for which membership is optional, the employee shall again choose or decline membership.

(d) If the termination from employment is less than 30 days, an employee who declined membership is bound by the employee’s original decision to decline membership.

(9) An employee accepting a position that requires membership must become a member even if the employee previously declined membership and did not have a 30-day break in service.”

Section 9. Section 19-3-512, MCA, is amended to read:

“19-3-512. Purchase of service credit from other public retirement systems. (1) Subject to 19-3-514, a member with at least 5 years of membership
service in the public employees' retirement system may purchase service credit for:

(a) public service employment covered under a public retirement system other than a system provided for in Title 19 for which the member received a refund of the member's membership contribution; and

(b) public service employment that occurred before the public employer adopted a public retirement system.

(2) A member may not purchase more than 5 years of service credit under this section. To purchase this service credit, a member shall:

(a) at any time before retirement, file a written application with the board; and

(b) pay the actuarial cost of the service credit in the public employees' retirement system, as determined by the board, based on the system's most recent actuarial valuation.

(3) Service credit purchased under this section may not be used to qualify a member to purchase military service under 19-3-503.

(4) Service credit purchased under this section may not be used in calculating a member's retirement benefit unless the member's last 5 years of service credit were earned under the public employees' retirement system. If, upon the member's retirement, the member's purchased service credit cannot be used in calculating the member's retirement benefit, the member must receive a refund of the amount paid to purchase the service credit, plus regular interest on that amount.

Section 10. Section 19-3-908, MCA, is amended to read:

“19-3-908. Retirement incentive program — window of eligibility. (1) Except as provided in subsection (4), a person who is an active member on February 1, 1993, and who voluntarily terminates service or who is involuntarily terminated from service because of a reduction in force on or after June 25, 1993, but before January 1, 1994, and who is eligible for a normal service retirement under 19-3-901 or early retirement under 19-3-902 is entitled to the retirement incentive provided in subsection (2).

(2) (a) The employer of an eligible member under subsection (1) shall pay the total cost of purchasing up to 3 years of additional service credit that the member is qualified to purchase under 19-3-513.

(b) The department of revenue shall pay the cost of purchasing up to 3 years of additional service credit for qualifying county assessors and deputy assessors eligible under subsection (1) whose employing county has not elected for participation in the incentive program as provided in subsection (4).

(c) A member is entitled to a refund for that portion of previously purchased additional service that would otherwise cause the member to be unqualified to receive all or part of the additional service credit provided in this section.

(3) An active member who is involuntarily terminated from service because of a reduction in force on or after March 1, 1993, but before June 25, 1993, and who, if the member had not been terminated from service, would have been eligible under subsection (1) for the retirement incentive is entitled to the retirement incentive under subsection (2) if the member was, at the time of termination from service, eligible for service retirement under 19-3-901 or early retirement under 19-3-902 and retires on or after June 25, 1993.

(4) Subject to subsection (2)(b), a contracting employer's participation in the incentive program described in this section is optional. A contracting employer
may elect to provide the incentive by filing with the board a written notice of election on or before June 1, 1993, and complying with rules adopted pursuant to subsection (6).

(5) County assessors and deputy assessors are eligible for the incentive program even if the employing county has not elected to participate in the incentive program.

(6) The board may allow an employer to pay the contributions required under subsection (2)(a) in installments for up to 10 years and may charge interest at a rate set by the board pursuant to 19-2-403. The board shall adopt rules to implement the provisions of this section.

(7) A member who has received additional service under this section and who returns to employment for the same jurisdiction for 960 or more hours in a calendar year in a position covered by the public employees' retirement system or for 600 or more hours in a calendar year in a position covered under any other retirement system shall forfeit the additional service. The employer's contributions to purchase that member's additional service credit, minus any
the proportional amount of retirement benefits related to the additional service purchased under this section and already paid, must be refunded to the employer. For purposes of this subsection, all agencies of the state, including the university system, are considered the same jurisdiction and other public employers contracting with the retirement system are each considered separate jurisdictions.

Section 11. Section 19-3-1103, MCA, is amended to read:

“19-3-1103. Disability benefit reduced by earnings. (1) (a) If the recipient of a disability retirement benefit engages in a gainful occupation or is self-employed or employed in a position not covered by the retirement system, the recipient shall submit to the board an annual earnings statement, and any other documentation requested by the board, covering each month during which the recipient was self-employed or employed in the position.

(b) The amount of the recipient’s retirement benefit for each month of employment must be reduced to an amount that, when added to the compensation earned by the recipient in that occupation, does not exceed the amount of the recipient’s monthly compensation at the time of the recipient’s retirement.

(c) The board shall annually adjust the recipient’s monthly compensation as it was at the time of retirement by an inflationary factor if the recipient has been receiving a disability retirement benefit for more than 36 consecutive months.

(d) If the disability benefit recipient fails to submit the documentation as required under subsection (1)(a), the board may suspend the benefit payments until it receives the documentation.

(2) Benefit adjustments granted by the legislature may not be included in calculations required under this section.”

Section 12. Section 19-3-1106, MCA, is amended to read:

“19-3-1106. Limited reemployment — reduction of service retirement benefit upon exceeding limits — reporting obligations — liability — exceptions. (1) A retired member under 65 years of age who was hired prior to July 1, 2011, who has been terminated from employment for at least 90 days, and who is receiving a service retirement benefit or early retirement benefit may return to employment covered by the retirement system
for a period not to exceed 960 hours in any calendar year without returning to active service and without any effect to the retiree's retirement benefit. The retirement benefit for any retiree exceeding this 960-hour limitation in any calendar year after retirement must be temporarily reduced $1 for each $1 earned after working 960 hours in that calendar year.

(2) A retired member who is 65 years of age or older but less than 70 1/2 years of age, who has been terminated from employment for at least 90 days, and who returns to employment covered by the retirement system is either subject to the 960-hour limitation of subsection (1) or may earn in any calendar year an amount that, when added to the retiree's current annual retirement benefit, will not exceed the member's annualized highest average compensation, adjusted for inflation as of January 1 of the current calendar year, whichever limitation provides the higher limit on earned compensation to the retiree. Upon reaching the applicable limitation, the retiree's benefits must be temporarily reduced $1 for each $1 of compensation earned in service beyond the applicable limitation during that calendar year.

(3) (a) The employer of a retiree returning to employment covered by the retirement system shall certify to the board the number of hours worked by the retiree and the gross compensation paid to the retiree in that employment during any pay period after retirement. The certification of hours and compensation may be submitted electronically pursuant to rules adopted by the board.

(b) An employer that fails to timely or accurately report the employment of, time worked by, or compensation paid to a retired member as required under subsection (3)(a) is jointly and severally liable with the retired member for repayment to the retirement system of retirement benefits paid to which the member was not entitled, plus interest.

(4) A retiree returning to employment covered by the retirement system may elect to return to active membership at any time during this period of covered employment.

(5) The following members who return to employment covered by the retirement system are not subject to the hour or earnings limitations in subsections (1) and (2) or the reporting requirements in subsection (3):

(a) a retired member who is 70 1/2 years of age or older; or

(b) an elected official in a covered position who, as a retired member, declines optional membership as provided in 19-3-412.

(6) Except as provided in subsection (5), if a retired member is employed by an employer in a position that is reportable to the retirement system and the retired member is concurrently working for the employer in another position that is not reportable to the system, the position that is not reportable is considered to be part of the position that is reportable to the retirement system. All earnings of the retired member that are generated by these positions are reportable to the retirement system.

(7) For the purposes of this section, "employment covered by the retirement system" includes:

(a) work performed by a retiree through a professional employer arrangement, an employee leasing arrangement, or a temporary service contractor as those terms are defined in 39-8-102; and

(b) services performed by a retiree as an independent contractor for an employer participating in the system."
Section 13. Section 19-3-1210, MCA, is amended to read:

“19-3-1210. Death payments to designated beneficiaries of retired members. (1) When a retired member receiving an option 1 retirement benefit under 19-3-1501 dies, the member's designated beneficiary or, if there is no surviving designated beneficiary, the member's estate must be paid the amount, if any, of the member's accumulated contributions calculated as of the day of the member's retirement minus the total of any retirement benefits already paid from the member's account.

(2) If a retired member receiving an option 2 or 3 retirement benefit under 19-3-1501 dies without designating a contingent annuitant under 19-3-1501 with no surviving contingent annuitant, the member's designated beneficiary or, if there is no surviving designated beneficiary, the member's estate must be paid the amount, if any, of the member's accumulated contributions calculated as of the day of the member's retirement minus the total of any retirement benefits already paid from the member's account.

(3) This section does not apply if the member was receiving a disability benefit.”

Section 14. Section 19-3-1501, MCA, is amended to read:

“19-3-1501. Optional forms of benefits — designation of contingent annuitant. (1) The retirement benefit of a member or the survivorship benefit of a designated beneficiary who so elects must be converted, in lieu of all other benefits under this chapter, into an optional retirement benefit that is the actuarial equivalent of the original benefit. If the member does not elect an optional retirement benefit pursuant to subsection (2), the member’s retirement benefit is known as an option 1 benefit.

(2) An optional retirement benefit under this subsection (2) is initially payable during the member’s or designated beneficiary’s lifetime, with a subsequent benefit, depending on the option selected, to a contingent annuitant as follows:

(a) option 2—a continuation of the optional retirement benefit after the death of the initial payee and payable during the lifetime of the named contingent annuitant. This option may be the chosen benefit only if the adjusted age difference between the member or designated beneficiary and the contingent annuitant, other than the member’s or designated beneficiary’s spouse, is 10 years or less. The adjusted age difference is either:

(i) the excess of the age of the member or designated beneficiary over the age of the nonspouse contingent annuitant based on their ages on their birthdays in a calendar year; or

(ii) if the member or designated beneficiary is under 70 years of age, the age difference determined in subsection (1)(a)(i) reduced by the number of years that the member or designated beneficiary is under 70 years of age on the member’s or beneficiary’s birthday in the calendar year that contains the benefit starting date.

(b) option 3—a continuation of one-half of the optional retirement benefit after the death of the initial payee and payable during the lifetime of the named contingent annuitant;

(c) option 4—a continuation of the optional retirement benefit to one or more contingent annuitants in the event of the initial payee’s death before the end of a period certain, determined as follows:

(i) the period certain commences at the time that the initial payee first begins receiving the retirement benefit and is available as either:
(A) a 10-year period certain if the member retired at 75 years of age or younger; or
(B) a 20-year period certain if the member retired at 65 years of age or younger;

(ii) if there is more than one surviving contingent annuitant, each contingent annuitant must receive a proportion of the initial payee’s benefit on a share-and-share-alike basis;

(iii) if all surviving contingent annuitants die prior to the end of the period certain and the last remaining contingent annuitant has failed to name a designated beneficiary, the remaining payments must be converted to an equivalent lump-sum amount and paid to the estate of the last surviving contingent annuitant.

(2) The member or the designated beneficiary who elects an optional retirement benefit under subsection (2) shall file a written application with the board prior to the first payment of the benefit. A contingent annuitant must be identified on the application.

(3) If the member or designated beneficiary or the named contingent annuitant dies before the first payment has been made under option 2 or 3, the election of the option is automatically canceled.

(4) If the member dies after retirement and within 30 days from the date that the member’s written application electing or changing an election of an optional retirement benefit under subsection (2) is received by the board, then the election is void.

(5) After the member or designated beneficiary has received and accepted an initial retirement benefit payment, the member may not change the selected option except as provided in subsection (7).

(6) A retired member receiving an optional retirement benefit pursuant to subsection (1)(a) or (1)(b) may file a written application with the board to have the member’s optional retirement benefit revert to the regular retirement benefit available at the time of the member’s retirement if:

(a) the original contingent annuitant has died, in which case the optional benefit must revert effective on the first day of the month following the contingent annuitant’s death; or

(b) the member’s marriage to the original contingent annuitant has been dissolved and the original contingent annuitant has not been granted the right to receive the optional retirement benefit as part of a family law order, as defined in 19-2-907. The benefit must then revert effective on the first day of the month following receipt of the written application and verification that the family law order does not grant the optional benefit to the original contingent annuitant.

(7) A member who applies to revert under subsection (6) shall, at the time of the application, choose one of the following alternatives:

(a) revert to the member’s original option 1 retirement benefit, increased by the amount of any adjustments received by the member since the effective date of the member’s retirement;

(b) retain the same option 2 or option 3 originally selected but name a new contingent annuitant; or

(c) select a different option under subsection (2) and name a new contingent annuitant.
If the member selects an alternative under subsection (6)(b) or (6)(c), the member’s retirement benefit must be calculated based on the member’s and the new contingent annuitant’s ages at the time of this election.

(9) A written application pursuant to subsection (5)(7) must be filed with the board within 18 months of the death of or dissolution of marriage to the contingent annuitant.”

Section 15. Section 19-3-2133, MCA, is amended to read:

“19-3-2133. Employee investment advisory council. (1) The board shall create an employee investment advisory council. The advisory council shall meet at least four times a year to:

(a) advise the board concerning the operation of the defined contribution plan, including the selection of the initial investment alternatives to be provided pursuant to 19-3-2122;

(b) advise the board about negotiating, contracting, or modifying services for the state deferred compensation plan provided for in chapter 50; and

(c) review existing deferred compensation plans and to advise the board on the administration of the program.

(2) The advisory council is not subject to 2-15-122, except for payment of travel expenses.”

Section 16. Section 19-3-2141, MCA, is amended to read:

“19-3-2141. Long-term disability plan — benefit amount — eligibility — administration and rulemaking. (1) For members hired prior to July 1, 2011:

(a) except as provided in subsection (1)(b), a disabled member eligible under the provisions of this section is entitled to a disability benefit equal to one fifty-sixth of the member’s highest average compensation, as defined in 19-3-108, multiplied by the member’s years of service credit, including any service credit purchased under 19-3-513;

(b) an eligible member with at least 25 years of membership service is entitled to a disability benefit equal to 2% of the member’s highest average compensation, as defined in 19-3-108, multiplied by the member’s years of service credit, including any service credit purchased under 19-3-513.

(2) For members hired on or after July 1, 2011, the monthly disability benefit payable to a disabled member eligible under the provisions of this section who has:

(a) more than 5 but less than 10 years of membership service is equal to 1.5% of the member’s highest average compensation multiplied by the member’s years of service credit, including any additional service credit purchased under 19-3-513;

(2) Except as provided in subsections (1) and (3), in the case of the disability of a vested or nonvested member, if the disability is a direct result of any service or duty for the Montana judiciary, the member's disability retirement benefit must be the greater of one-half of the member's current salary or one-half of the member's highest average compensation.

(3) If the member was retired at the time of becoming disabled, the member must continue to receive the same retirement benefit previously elected.”

Section 18. Section 19-5-701, MCA, is amended to read:

“19-5-701. Optional forms of benefits — designation of contingent annuitant. (1) The retirement benefit of a member or the survivorship benefit of a designated beneficiary who so elects must be converted, in lieu of all other benefits under this chapter, into an optional retirement benefit that is the actuarial equivalent of the original benefit. If the member does not elect an optional retirement benefit pursuant to subsection (2), the member's retirement benefit is known as an option 1 benefit.
(2) An optional retirement benefit under this subsection (2) is initially payable during the member's or designated beneficiary's lifetime, with a subsequent benefit, depending on the option selected, to a contingent annuitant as follows:

(a) option 2—a continuation of the optional retirement benefit after the death of the initial payee and payable during the lifetime of the named contingent annuitant. This option may be the chosen benefit only if the adjusted age difference between the member or designated beneficiary and the contingent annuitant, other than the member's or designated beneficiary's spouse, is 10 years or less. The adjusted age difference is either:

(i) the excess of the age of the member or designated beneficiary over the age of the nonspouse contingent annuitant based on their ages on their birthdays in a calendar year; or

(ii) if the member or designated beneficiary is under 70 years of age, the age difference determined in subsection (a)(i) reduced by the number of years that the member or designated beneficiary is under 70 years of age on the member's or beneficiary's birthday in the calendar year that contains the benefit starting date.

(b) option 3—a continuation of one-half of the optional retirement benefit after the death of the initial payee and payable during the lifetime of the named contingent annuitant;

(c) option 4—a continuation of the optional retirement benefit to one or more contingent annuitants in the event of the initial payee's death before the end of a period certain, determined as follows:

(i) the period certain commences at the time that the initial payee first begins receiving the retirement benefit and is available as either:

(A) a 10-year period certain if the member retired at 75 years of age or younger; or

(B) a 20-year period certain if the member retired at 65 years of age or younger;

(ii) if there is more than one surviving contingent annuitant, each contingent annuitant must receive a proportion of the initial payee's benefit on a share-and-share-alike basis;

(iii) if all surviving contingent annuitants die prior to the end of the period certain and the last remaining contingent annuitant has failed to name a designated beneficiary, the remaining payments must be converted to an equivalent lump-sum amount and paid to the estate of the last surviving contingent annuitant.

(3) The member or designated beneficiary who elects an optional retirement benefit under subsection (2) shall file a written application with the board prior to the first payment of the benefit. A contingent annuitant must be identified on the application.

(4) If the member or designated beneficiary or the named contingent annuitant dies before the first payment has been made under option 2 or 3, the election of the option is automatically canceled.

(5) If the member dies after retirement and within 30 days from the date that the member’s written application electing or changing an election of an optional retirement benefit under subsection (2) is received by the board, the election is void.
(6) After the member or designated beneficiary has received and accepted an initial retirement benefit payment, the member may not change the selected option except as provided in subsection (7).

(7) A retired member receiving an optional retirement benefit pursuant to subsection (1)(a) (2)(a) or (1)(b) (2)(b) may file a written application with the board to have the member’s optional retirement benefit revert to the regular retirement benefit available at the time of the member’s retirement if:

(b) the member’s marriage to the original contingent annuitant has been dissolved and the original contingent annuitant has not been granted the right to receive the optional retirement benefit as part of a family law order, as defined in 19-2-907. The benefit must then revert effective on the first day of the month following receipt of the written application and verification that the family law order does not grant the optional benefit to the original contingent annuitant.

(8) A member who applies to revert under subsection (7) shall, at the time of the application, choose one of the following alternatives:

(a) revert to the member’s original option 1 retirement benefit, increased by the amount of any adjustments received by the member since the effective date of the member’s retirement;

(b) retain the same option 2 or option 3 originally selected but name a new contingent annuitant; or

(c) select a different option under subsection (2) and name a new contingent annuitant.

(9) If the member selects an alternative under subsection (8)(b) or (8)(c), the member’s retirement benefit must be calculated based on the member’s and the new contingent annuitant’s ages at the time of this election.

(10) A written application pursuant to subsection (7) must be filed with the board within 18 months of the death of or dissolution of marriage to the contingent annuitant.

(2) The survivorship benefit is the member’s service retirement benefit standing to the member’s credit on the date of death.

(2) When a retired member not covered under 19-5-901 and receiving an option 1 retirement under 19-5-701 dies without designating a contingent annuitant under 19-5-701(2), the member’s designated beneficiary must be paid

AN ACT PROVIDING AUTHORITY TO DISTRICT COURTS TO DESIGNATE SEX OFFENDERS AS LEVEL 1, 2, OR 3 WHEN THOSE SEX OFFENDERS
DO NOT HAVE A DESIGNATION; AMENDING SECTION 46-23-509, MCA; AND PROVIDING AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 46-23-509, MCA, is amended to read:

“46-23-509. Sexual offender evaluations and designations — rulemaking authority. (1) The department shall adopt rules for the qualification of sexual offender evaluators who conduct sexual offender and sexually violent predator evaluations and for determinations by sexual offender evaluators of the risk of a repeat offense and the threat that an offender poses to the public safety.

(2) Prior to sentencing of a person convicted of a sexual offense, the department or a sexual offender evaluator shall provide the court with a sexual offender evaluation report recommending one of the following levels of designation for the offender:

(a) level 1, the risk of a repeat sexual offense is low;
(b) level 2, the risk of a repeat sexual offense is moderate;
(c) level 3, the risk of a repeat sexual offense is high, there is a threat to public safety, and the sexual offender evaluator believes that the offender is a sexually violent predator.

(3) Upon sentencing the offender, the court shall:

(a) review the sexual offender evaluation report, any statement by a victim, and any statement by the offender;
(b) designate the offender as level 1, 2, or 3; and
(c) designate a level 3 offender as a sexually violent predator.

(4) An offender designated as a level 2 offender or given a level designation by another state, the federal government, or the department under subsection (6) that is determined by the court to be similar to level 2 may petition the sentencing court or the district court for the judicial district in which the offender resides to change the offender’s designation if the offender has enrolled in and successfully completed the treatment phase of either the prison’s sexual offender treatment program or of an equivalent program approved by the department. After considering the petition, the court may change the offender’s risk level designation if the court finds by clear and convincing evidence that the offender’s risk of committing a repeat sexual offense has changed since the time sentence was imposed. The court shall impose one of the three risk levels specified in this section.

(5) If, at the time of sentencing, the sentencing judge did not apply a level designation to a sexual offender who is required to register under this part and who was sentenced prior to October 1, 1997, the department shall designate the offender as level 1, 2, or 3 when the offender is released from confinement. If, at the time of sentencing, the sentencing judge did not apply a level designation to a sexual offender who is required to register under this part and who was sentenced prior to October 1, 1997, the department shall designate the offender as level 1, 2, or 3 when the offender is released from confinement.

(6) If an offense is covered by 46-23-502(9)(b), the offender registers under 46-23-504(1)(c), and the offender was given a risk level designation after conviction by another state or the federal government, the department of justice may give the offender the risk level designation assigned by the other state or the federal government.
(7) The lack of a fixed residence is a factor that may be considered by the sentencing court or by the department in determining the risk level to be assigned to an offender pursuant to this section.

(8) Upon obtaining information that indicates that a sexual offender who is required to register under this part does not have a level 1, 2, or 3 designation, the attorney general, the county attorney that prosecuted the offender and obtained a conviction for a sexual offense, or the county attorney for the county in which the offender resides may, at any time, petition the district court that sentenced the offender for a sexual offense or the district court for the judicial district in which the offender resides to designate the offender as level 1, 2, or 3. Upon the filing of the petition, the court may order a sexual offender evaluation report at the petitioner’s expense. The court shall provide the offender with an opportunity for a hearing prior to designating the offender. The petitioner shall provide the offender with notice of the petition and notice of the hearing."

Section 2. Applicability. [This act] applies to proceedings begun on or after [the effective date of this act].

Section 7. Section 35-8-304, MCA, is amended to read:

“35-8-304. Liability of members, and managers, and series of members to third parties. (1) Except as provided in 39-51-1105 and subsection (3) of this section, a person who is a member or manager, or both, of a limited liability company is not liable, solely by reason of being a member or manager, or both, under a judgment, decree or order of a court, or in any other manner, for a debt, obligation, or liability of the limited liability company, whether arising in contract, tort, or otherwise or for the acts or omissions of any other member, manager, agent, or employee of the limited liability company.

(2) The failure of a limited liability company to observe the usual company formalities or requirements relating to the exercise of its company powers or management of its business is not a ground for imposing personal liability on the members or managers of the limited liability company.

(3) All or specified members of a limited liability company are liable in their capacity as members for all or specified debts, obligations, or liabilities of the company if:

(a) a provision to that effect is contained in the articles of organization; and
(b) a member named as liable has consented in writing to the adoption of the provision or to be bound by the provision.

(4) The debts, liabilities, obligations, and expenses incurred, contracted for, or otherwise existing with respect to a particular series of members are enforceable against the assets of that series of members only and not against the assets of the company generally or any other series of members if:

(a) separate and distinct records are maintained for the series of members and the assets associated with the series of members are held, directly or indirectly, including through a nominee or otherwise, and accounted for separately from the other assets of the company and any other series of members; and

(b) unless otherwise provided in the articles of organization or operating agreement, debts, liabilities, obligations, and expenses incurred, contracted for, or otherwise existing with respect to the company generally or another series of members are not enforceable against the assets of the series of members.”

Section 8. Section 35-8-307, MCA, is amended to read:

“35-8-307. Management and voting. (1) Unless the articles of organization or the operating agreement provide otherwise, in a member-managed company:

(a) each member has equal rights in the management and conduct of the company's business; and

(b) except as provided in subsection (3), any matter relating to the business of the company may be decided by a majority of the members.

(2) Unless the articles of organization or the operating agreement provide otherwise, in a manager-managed company:

(a) each manager has equal rights in the management and conduct of the company's business;

(b) except as provided in subsection (3), any matter relating to the business of the company may be exclusively decided by the manager or, if there is more than one manager, by a majority of the managers; and

(c) a manager:

(i) must be designated, appointed, elected, removed, or replaced by a vote, approval, or consent of a majority of the members; and

(ii) holds office until a successor has been elected and qualified, unless the manager sooner resigns or is removed.

(3) Unless the articles of organization or the operating agreement provide otherwise, the only matters of a member-managed or manager-managed company's business requiring the consent of all of the members are:

(a) the amendment of the operating agreement under 35-8-109;

(b) the authorization or ratification of acts or transactions under 35-8-109(3)(b)(ii) that would otherwise violate the duty of loyalty;

(c) an amendment to the articles of organization under 35-8-203;

(d) the compromise of an obligation to make a contribution under 35-8-502;

(e) the compromise, as among members, of an obligation to make a contribution or return money or other property paid or distributed in violation of this chapter;

(f) the making of interim distributions under 35-8-601, including the redemption or repurchase of an interest;

(g) the admission of a new member;
(h) the use of the company’s property to redeem an interest subject to a charging order;
(i) the consent to dissolve the company under 35-8-901;
(j) a waiver of the right to have the company’s business wound up and the company terminated under 35-8-901;
(k) the consent of members to merge with another entity under 35-8-1201; and
(l) the sale, lease, exchange, or other disposal of all, or substantially all, of the company’s property with or without goodwill.

(4) Unless the articles of organization or the operating agreement provide otherwise, the management of a series of members is vested in the members associated with the series in proportion to their contribution to the capital of the series as adjusted from time to time to reflect properly any additional contributions or withdrawals from the assets or income of the series by the members associated with the series.

(4)(5) Action requiring the consent of members or managers under this chapter may be taken without a meeting.

(5)(6) A member or manager may appoint a proxy to vote or otherwise act for the member or manager by signing an appointment instrument, either personally or by the member’s or manager’s attorney-in-fact.

(7) (a) The articles of organization or operating agreement of a limited liability company may:
(i) create one or more series of members; or
(ii) vest authority in one or more members or managers of the company or in other persons to create one or more series of members that may include, without limitation, rights, powers, and duties senior to any existing series of members.

(b) The articles of organization or operating agreement may provide that any member associated with a series of members has no voting rights or has voting rights that differ from other members or other series of members.

(c) A series of members may have separate powers, rights, or duties with respect to specified property or obligations of the company or profits and losses associated with specified property or obligations, and any series of members may have a separate business purpose or investment objective.”

Section 9. Section 35-8-503, MCA, is amended to read:

“35-8-503. Sharing of profits and losses. (1) Unless otherwise provided in the articles of organization or a written operating agreement, each member must be repaid that member’s contributions to capital and share equally in the profits, losses, and surpluses remaining after all liabilities, including those to members, are satisfied.

(2) A distribution of the contributions and profits of a series of members of a limited liability company may not be made if, after giving the distribution effect:
(a) the limited liability company would not be able to pay the debts of the series of members from assets of the series of members as debts of the series become due in the usual course of business; or
(b) except as otherwise specifically permitted by the articles of organization or operating agreement, the total assets of the series of members would be less than the sum of the total liabilities of the series.”

Section 10. Section 35-8-803, MCA, is amended to read:
“35-8-803. Events causing member’s dissociation. (1) A member is dissociated from a limited liability company upon the occurrence of any of the following events:

(1) the company’s having notice of the member’s express will to withdraw upon the date of notice or on a later date if specified by the member;

(2) an event agreed to in the operating agreement as causing the member’s dissociation;

(3) upon transfer of all of a member’s distributional interest, other than a transfer for security purposes or pursuant to a court order charging the member’s distributional interest that has not been foreclosed;

(4) the member’s expulsion pursuant to the operating agreement;

(5) the member’s expulsion by unanimous vote of the other members if:

(i) it is unlawful to carry on the company’s business with the member;

(ii) there has been a transfer of substantially all of the member’s distributional interest, other than a transfer for security purposes or pursuant to a court order charging the member’s distributional interest, which has not been foreclosed;

(iii) within 90 days after the company notifies a corporate member that it will be expelled because it has filed a certificate of dissolution or the equivalent, its charter has been revoked, or its right to conduct business has been suspended by the jurisdiction of its incorporation, the member fails to obtain a revocation of the certificate of dissolution or a reinstatement of its charter or its right to conduct business; or

(iv) a partnership or a limited liability company that is a member has been dissolved, and its business is being wound up;

(6) on application by the company or another member, the member’s expulsion by judicial determination because the member:

(i) engaged in wrongful conduct that adversely and materially affected the company’s business;

(ii) willfully or persistently committed a material breach of the operating agreement or of a duty owed to the company or the other members under 35-8-310; or

(iii) engaged in conduct relating to the company’s business that makes it not reasonably practicable to carry on the business with the member;

(7) the member’s:

(i) becoming a debtor in bankruptcy;

(ii) executing an assignment for the benefit of creditors;

(iii) seeking, consenting to, or acquiescing in the appointment of a trustee, receiver, or liquidator of all or substantially all of the member’s property; or

(iv) failing, within 90 days after the appointment, to have vacated or stayed the appointment of a trustee, receiver, or liquidator of all or substantially all of the member’s property; or

(v) failing, within 90 days after the appointment, to have vacated or stayed the appointment of a trustee, receiver, or liquidator of all or substantially all of the member’s property obtained without the member’s consent or acquiescence or failing within 90 days after the expiration of stay to have the appointment vacated;

(8) in the case of a member who is an individual:

(i) the member’s death;

(ii) the appointment of a guardian or general conservator for the member; or
(a)(iii) a judicial determination that the member has otherwise become incapable of performing the member’s duties under the operating agreement;

(9)(i) in the case of a member that is a trust or is acting as a member by virtue of being a trustee of a trust, distribution of the trust’s entire rights to receive distributions from the company, except that this subsection does not apply to the substitution of a successor trustee;

(10)(j) in the case of a member that is an estate or is acting as a member by virtue of being a personal representative of an estate, distribution of the estate’s entire rights to receive distributions from the company, but not merely the substitution of a successor personal representative; or

(11)(k) termination of the existence of a member if the member is not an individual, estate, or trust other than a business trust.

(2) (a) Unless otherwise provided in the articles of organization or operating agreement, any event described in this chapter or in the articles of organization or operating agreement that causes a manager to cease to be a manager with respect to a series of members does not, in itself, cause the manager to cease to be a manager with respect to the limited liability company or with respect to any other series of members.

(b) Unless otherwise provided in the articles of organization or operating agreement, any event described in this chapter or in the articles of organization or operating agreement that causes a manager to cease to be associated with a series of members does not, in itself, cause any member to cease to be associated with any other series of members, terminate the continued membership of any member in the limited liability company, or cause the termination of the series of members, regardless of whether the member was the last remaining member associated with the series.”

Section 11. Section 35-8-804, MCA, is amended to read:

“35-8-804. Member’s power to dissociate — wrongful dissociation. (1) Unless otherwise provided in the operating agreement, a member has the power to dissociate from a limited liability company at any time, rightfully or wrongfully, pursuant to 35-8-803(1)(a).

(2) If the operating agreement has not eliminated a member’s power to dissociate, the member’s dissociation from a limited liability company is wrongful only if:

(a) it is in breach of an express provision of the agreement; or

(b) before the expiration of the specified term of a term company:

(i) the member withdraws by express will;

(ii) the member is expelled by judicial determination under 35-8-803(1)(f);

(iii) the member is dissociated by becoming a debtor in bankruptcy; or

(iv) in the case of a member that is not an individual, trust, other than a business trust, or estate, the member is expelled or otherwise dissociated because it willfully dissolved or terminated its existence.

(3) A member that wrongfully dissociates from a limited liability company is liable to the company and to the other members for damages caused by the dissociation. The liability is in addition to any other obligation of the member to the company or to the other members.

(4) If a limited liability company does not dissolve and wind up its business as a result of a member’s wrongful dissociation under subsection (2), damages
“Section 12. Section 35-8-901, MCA, is amended to read:

“35-8-901. Dissolution. (1) A limited liability company is dissolved and its affairs must be wound up when one of the following occurs:

(a) at the time or upon the occurrence of events specified in writing in the articles of organization or operating agreement;

(b) consent of the number or percentage of members specified in the operating agreement;

(c) an event that makes it unlawful for all or substantially all of the business of the company to be continued, but any cure of illegality within 90 days after notice to the company of the event is effective retroactively to the date of the event for purposes of this section;

(d) the expiration of the term specified in the articles of organization; or

(e) entry of a decree of judicial dissolution under 35-8-902.

(2) Subject to subsection (3), a limited liability company continues after dissolution only for the purpose of winding up its business.

(3) At any time after the dissolution of a limited liability company and before the winding up of its business is completed, the members, including a dissociated member whose dissociation caused the dissolution, may unanimously waive the right to have the company's business wound up and the company terminated. In that case:

(a) the limited liability company resumes carrying on its business as if dissolution had never occurred, and any liability incurred by the company or a member after the dissolution and before the waiver is determined as if the dissolution had never occurred; and

(b) the rights of a third party accruing under the provisions of 35-8-904(1) or arising out of conduct by the third party in reliance on the dissolution before the third party knew or received a notification of the waiver are not adversely affected.

(4) The affairs of a series of members of a limited liability company must be wound up:

(a) at the time, if any, specified in the articles of organization;

(b) upon the occurrence of an event specified in the operating agreement;

(c) unless otherwise provided in the articles of organization or operating agreement, upon the affirmative vote or written agreement of all the members associated with the series of members; or

(d) upon entry of a decree of judicial termination of the series of members pursuant to 35-8-902.

(5) (a) Unless otherwise provided in the articles of organization or operating agreement, upon the occurrence of an event requiring the affairs of a series of members to be wound up, a manager of the series who has not wrongfully terminated the series or, if there is not a manager, the members associated with the series, or a person approved by all of the members of the series may wind up the affairs of the series.

(b) Unless otherwise provided in the articles of organization or operating agreement, the person or persons winding up the affairs of a series of members:

(i) may take all actions necessary or proper to wind up the affairs of the series; and
(ii) shall distribute the assets of the series of members to the creditors of the
series and the members associated with the series.”

Section 13. Section 35-8-902, MCA, is amended to read:

“35-8-902. Judicial dissolution. (1) On application by or for a member or a
dissociated member, a district court may order dissolution of a limited liability
company, or other appropriate relief, when:

(a) the economic purpose of the company is likely to be unreasonably
frustrated;

(b) another member has engaged in conduct relating to the company's
business that makes it not reasonably practicable to carry on the company's
business with that member remaining as a member;

(c) it is not otherwise reasonably practicable to carry on the company's
business in conformity with the articles of organization and the operating
agreement;

(d) the company failed to purchase the petitioner's distributional interest as
required by 35-8-805; or

(e) the members or managers in control of the company have acted, are
acting, or will act in a manner that is illegal, oppressive, fraudulent, or unfairly
prejudicial to the petitioner.

(2) On application by a transferee of a member's interest, a district court
may determine that it is equitable to wind up the company's business:

(a) after the expiration of the specified term, if the company was for a
specified term at the time that the applicant became a transferee by member
dissociation, transfer, or entry of a charging order that gave rise to the transfer; or

(b) at any time, if the company was at will at the time that the applicant
became a transferee by member dissociation, transfer, or entry of a charging
order that gave rise to the transfer.

(3) Whenever it is not reasonably practicable to carry on the business of a
series of members in conformity with the articles of organization or operating
agreement and upon application by or for a member of the series of members, a
district court may decree only the termination of the series of members and may
not decree the dissolution of the limited liability company.”

16-3-402, 16-3-411, 16-4-107, 16-4-901, 16-4-902, 16-4-903, 16-4-906, AND
16-6-301, MCA.

Be it enacted by the Legislature of the State of Montana:
**Section 1. Direct shipment endorsement for wineries — definition.**

(1) A winery licensed or registered in Montana under 16-4-107 may sell and ship under a direct shipment endorsement up to 18 9-liter cases of table wine annually to an individual in Montana who is at least 21 years of age for the individual's personal use and not for resale.

(2) The shipment of table wine directly to an individual in Montana from a winery that does not possess a current direct shipment endorsement is prohibited and penalties may be assessed as provided in [section 3].

(3) The shipment of table wine directly to an individual in Montana under a direct shipment endorsement that is not conspicuously labeled as required under [section 2(2)] is prohibited and subject to penalties as provided in [section 3].

(4) For the purposes of [sections 2 and 3] and this section, a “direct shipment endorsement” is permission issued by the department to a winery licensed or registered pursuant to 16-4-107 under which the winery is allowed to sell and ship table wine directly to an individual in Montana.

**Section 2. Requirements for direct shipment endorsements — fee — labeling — taxes — recordkeeping.**

(1) A winery licensed or registered under 16-4-107 shall before shipping table wine directly to an individual in Montana:

   (a) remit an annual direct shipment endorsement fee of $50;

   (b) submit to the department a written statement acknowledging that the winery will contract only with common carriers that agree that any delivery of table wine will be made only to an individual in Montana who is at least 21 years of age and who signs a form acknowledging receipt of the table wine; and

   (c) receive from the department a direct shipment endorsement.

(2) A shipment of table wine under [sections 1 through 3] must be conspicuously labeled with the words “Contains Alcohol: Signature of Person Age 21 or Older Required for Delivery”.

(3) (a) In addition to maintaining records required under 16-3-411 or 16-4-107, a winery with a direct shipment endorsement shall maintain records of any sales or shipments to an individual in Montana.

   (b) The winery shall, by the 15th day of each month following a month in which a shipment was made, report to the department in the manner and form prescribed by the department information on direct shipments in the preceding month and pay the tax required under 16-1-411(1)(a). The information reported to the department must include the names and addresses of the individual to whom the table wine was shipped and any other information that the department determines is necessary to verify that direct shipment of table wine conforms to the requirements of Title 16. Failure to pay taxes or file the information required in this subsection subjects the winery holding the direct shipment endorsement to the penalties and interest provided for in 15-1-216.

(4) A winery with a direct shipment endorsement shall allow the department to perform an audit of the record of shipments made under [section 1]. The shipment records must be retained for 3 years.

(5) If a winery with a direct shipment endorsement uses a bonded wine warehouse to fill table wine orders shipped to an individual in Montana, the winery shall provide written notice to the department of the name and the address of the bonded wine warehouse. The winery is responsible for compliance with [sections 1 through 3].

**Section 3. Enforcement — penalty — rulemaking.** (1) Subject to a right to a hearing and the appeal process provided by the Montana Administrative
Procedure Act in Title 2, chapter 4, the department may enforce the requirements of [sections 1 through 3] by suspending or revoking the direct shipment endorsement or imposing a civil penalty not to exceed $1,500.

(2) A winery that has a direct shipment endorsement is considered to have consented to the jurisdiction of the department or any other state agency and the Montana courts concerning enforcement of [sections 1 through 3] and related rules or regulations.

(3) The owner of a winery is guilty of a misdemeanor if the winery makes a direct shipment without having a direct shipment endorsement.

(4) The department may adopt rules to implement [sections 1 through 3].

Section 4. Section 16-1-411, MCA, is amended to read:

“16-1-411. Tax on wine and hard cider — penalty and interest. (1) (a) A tax of 27 cents per liter is imposed on table wine, except hard cider, imported by a table wine distributor or the department and on table wine shipped directly by a winery with a direct shipment endorsement.

(b) A tax of 3.7 cents per liter is imposed on hard cider imported by a table wine distributor or the department.

(2) The tax imposed in subsection (1) must be paid by the winery with a direct shipment endorsement or a table wine distributor by the 15th day of the month following shipment by the winery with the direct shipment endorsement or sale of the table wine or hard cider from the table wine distributor’s warehouse. Failure to file a tax return or failure to pay the tax required by this section subjects the winery with the direct shipment endorsement or the table wine distributor to the penalties and interest provided for in 15-1-216.

(3) The tax paid by a winery with a direct shipment endorsement or by a table wine distributor in accordance with subsection (2) must, in accordance with the provisions of 17-2-124, be distributed as follows:

(a) 69% to the state general fund; and

(b) 31% to the state special revenue fund to the credit of the department of public health and human services for the treatment, rehabilitation, and prevention of alcoholism and chemical dependency.

(4) The tax computed and paid in accordance with this section is the only tax imposed by the state or any of its subdivisions, including cities and towns.

(5) For purposes of this section, “table wine” has the meaning assigned in 16-1-106, but does not include hard cider.”

Section 5. Section 16-3-402, MCA, is amended to read:

“16-3-402. Importation of wine — records. (1) Except as provided in 16-3-411 and 16-1-411 [sections 1 through 3], all table wine manufactured outside of Montana and shipped into Montana must be consigned to and shipped to a licensed table wine distributor and be unloaded by the distributor into the distributor’s warehouse in Montana or subwarehouse in Montana. The distributor shall distribute the table wine from the warehouse or subwarehouse.

(2) The distributor shall keep records at the distributor’s principal place of business of all table wine, including the name or kind received, on hand, sold, and distributed. The records may at all times be inspected by the department.

(3) Table wine that has been shipped into Montana in violation of this code must be seized by any peace officer or representative of the department and may be confiscated in the manner as provided for the confiscation of intoxicating liquor.”

Section 6. Section 16-3-411, MCA, is amended to read:
"16-3-411. Winery. (1) A winery located in Montana and licensed pursuant to 16-4-107 may:
   (a) import in bulk, bottle, produce, blend, store, transport, or export wine it produces;
   (b) sell wine it produces at wholesale to wine distributors;
   (c) sell wine it produces at retail at the winery directly to the consumer for consumption on or off the premises;
   (d) provide, without charge, wine it produces for consumption at the winery;
   (e) purchase from the department or its licensees brandy or other distilled spirits for fortifying wine it produces;
   (f) obtain a special event permit under 16-4-301;
   (g) perform those operations and cellar treatments that are permitted for bonded winery premises under applicable regulations of the United States department of the treasury; or
   (h) sell wine at the winery to a licensed retailer who presents the retailer's license or a photocopy of the license; or
   (i) obtain a direct shipment endorsement to ship table wine as provided in [sections 1 through 3] directly to an individual in Montana who is at least 21 years of age.

   (2) (a) A winery licensed pursuant to 16-4-107 may sell and deliver wine produced by the winery directly to licensed retailers if the winery:
      (i) uses the winery's own equipment, trucks, and employees to deliver the wine and the wine delivered pursuant to this subsection (2)(a)(i) does not exceed 4,500 cases a year;
      (ii) contracts with a licensed table wine distributor to ship and deliver the winery's wine to the retailer; or
      (iii) contracts with a common carrier to ship and deliver the winery's wine to the retailer and:
         (A) the wine shipped and delivered by common carrier is shipped directly from the producer's winery or bonded warehouse;
         (B) individual shipments delivered by common carrier are limited to three cases a day for each licensed retailer; and
         (C) the shipments delivered by common carrier do not exceed 4,500 cases a year.
      
      (b) A winery making sales to retail licensees under the provisions of this subsection (2) is considered a table wine distributor for the purposes of collecting taxes on table wine, as provided in 16-1-411.
      (c) If a winery uses a common carrier for delivery of the wine to licensed table wine distributors and retailers, the shipment must be:
         (i) in boxes that are marked with the words: "Wine Shipment From Montana-Licensed Winery to Montana Licensee";
         (ii) delivered to the premises of a licensed table wine distributor or licensed retailer who is in good standing; and
         (iii) signed for by the wine distributor or retailer or its employee or agent.
      (d) In addition to any records required to be maintained under 16-4-107, a winery that distributes wine within the state under this subsection (2) shall maintain records of all sales and shipments. The winery shall, on or before the 15th day of each month, in the manner and form prescribed by the department, make a return reporting the amount of wine that it shipped in the state during
the preceding month, names and addresses of consignees or retailers, and other
information that the department may determine to be necessary to ensure that
distribution of table wines within this state conforms to the requirements of this
code.”

Section 7. Section 16-4-107, MCA, is amended to read:

“16-4-107. Winery license — winery and importer registration. (1) (a)
Wine, other than for personal consumption in conformity with federal
exemptions from holding a basic permit as a bonded winery, may be
manufactured or directly distributed to retailers within the state only by a
licensed winery and table wine may be shipped directly by a winery with a direct
shipment endorsement as provided in [section 1] to an individual in Montana
who is at least 21 years of age. An application for a winery license must be
accompanied by a fee of $400, which constitutes the first annual license fee, and
a licensee shall in each succeeding year pay an annual fee as provided in
16-4-501. Winery licensees located in Montana must hold the appropriate basic
permit required by the United States department of the treasury and be
qualified for a license in accordance with the provisions of 16-4-401(4). Winery
licensees located in another state must hold the appropriate basic permit
required by the United States department of the treasury and the appropriate

shall provide all other information required by the department.

(b) A winery located in Montana that is licensed to do business in the state
shall, each quarter and in the manner and form prescribed by the department,
report to the department the amount of wine manufactured or imported by the
winery in the previous quarter and the winery’s inventory. The department may
at any time examine a winery’s books.

(2) (a) A winery that is not located in the state or an importer of table wines
that holds the appropriate license from the United States department of the
treasury and that desires to distribute its table wines within this state through
licensed table wine distributors only shall apply to the department of revenue
for registration on forms to be prepared and furnished by the department.

(b) Each winery shall furnish the department with a copy of each container
label currently used by the winery on its products imported into Montana. The
department shall require the winery or importer to agree to furnish monthly
and other reports concerning quantities and prices of table wine that it ships
into the state, names and addresses of consignees, and any other information
that the department may determine to be necessary to ensure that importation
and distribution of table wines within this state conform to the requirements of
this code.

(c) A winery or importer of table wines may not ship table wines into this
state until the registration is granted by the department. The registration may
be canceled or suspended by the department upon a finding after notice and
hearing that the registrant has not complied with the terms of its registration.

(3) A winery that is not located in Montana, that holds the appropriate
license from the United States department of the treasury, that is not already
registered with the department, and that desires to sell and ship table wine
directly to individuals in Montana who are at least 21 years of age shall apply to
the department for registration pursuant to subsection (2) and for a direct
shipment endorsement pursuant to [section 1].”

Section 8. Section 16-4-901, MCA, is amended to read:
“16-4-901. Connoisseur’s licenses — application — fees. (1) A person in this state desiring to receive direct shipments of beer only, wine only, or both beer and wine from an out-of-state brewery or winery for the person’s own consumption and not for resale shall file with the department an application for a connoisseur’s license. The application must be accompanied by a registration fee in the amount of:
   (a) $50 for a beer connoisseur’s license;
   (b) $50 for a wine connoisseur’s license; or
   (c) $100 for a beer and wine connoisseur’s license.

(2) Each application for a license must be on a form prescribed by the department and must set forth the name of the applicant, the applicant’s home or business address, proof that the applicant is at least 21 years of age, and other information that the department may require.

(3) A connoisseur’s license expires on June 30 of each calendar year. A licensee may annually renew a license with the department by paying a $25 renewal fee for a beer connoisseur’s license or a wine connoisseur’s license and a $50 renewal fee for a beer and wine connoisseur’s license.

WHEREAS, Article II, section 17, of the Montana Constitution provides “No person shall be deprived of life, liberty, or property without due process of law” and Section 1 of the Fourteenth Amendment to the United States Constitution provides “nor shall any State deprive any person of life, liberty, or property, without due process of law”; and

WHEREAS, in light of these constitutional due process provisions, the United States District Court for the District of Montana in Cox v. Yellowstone County, 795 F. Supp. 2d 1128 (2011), held that the Court “can conceive of no set of circumstances under which Montana’s agisters’ lien statute could pass constitutional muster in view of procedural due process requirements. WHEREAS, the Court in Cox v. Yellowstone County further held that “the enforcement provision of Montana’s agisters’ lien statute, Mont. Code Ann. § 71-3-1203, is unconstitutional as written”; and

WHEREAS, this Act revises Montana’s agisters’ lien enforcement laws to conform with the due process provisions of the Montana and United States Constitutions.

(3) A person or entity may not use any facility without paying the rate established for the facility. In the event of nonpayment, the board may order the discontinuance of water or sewer service, or both, to the property and may require that all delinquent charges, interest, penalties, and deposits be paid before restoration of the service.

(6) Notwithstanding any other section of part 22 or this part or any limitation imposed in part 22 or this part, when the board has applied for and received from the federal government any money for the construction, operation, and maintenance of facilities, the board may adopt a system of charges and rates to require that each recipient of facility services pays its proportionate share of the costs of operation, maintenance, and replacement and may require industrial users of facilities to pay the portion of the cost of construction of the facilities that is allocable to the treatment of that industrial user’s wastes.”

(3) The document must be typewritten or printed unless an electronic form is allowed by the secretary of state.

(4) The document must be in the English language. However, a corporate name does not need to be in English if it is written in English letters or Arabic or Roman numerals. The certificate of existence required of foreign corporations does not need to be in English if it is accompanied by a reasonably authenticated English translation.

(5) (a) Except as provided in subsection (5)(b), the document must be executed:

(i) by the presiding officer of the corporation's board of directors, its president, or another of its officers;

(ii) if directors have not been selected or the corporation has not been formed, by an incorporator; or

(2) Before adopting a resolution proposing an amendment described in subsection (1), the board of a mutual benefit corporation shall give notice of the general nature of the amendment to the members.

(3) After adopting a resolution proposing an amendment described in subsection (1), the notice to members proposing the amendment must include one statement of up to 500 words opposing the proposed amendment if the statement is submitted by any five members or members having 3% or more of the voting power, whichever is less, not later than 20 days after the board has voted to submit the amendment to the members for their approval. In public
benefit corporations, the production, and mailing, or electronic transaction costs must be paid by the corporation.

(4) Any amendment under this section must be approved by the members by two-thirds of the votes cast by each class.

(5) The provisions of 35-2-520 do not apply to any amendment that meets the requirements of this chapter.”

(1) A member of a public benefit corporation or mutual benefit corporation may not be expelled or suspended and membership in these corporations may not be terminated or suspended except pursuant to a procedure that is fair and reasonable and is carried out in good faith.

(2) A procedure is fair and reasonable when either:

(a) the articles or bylaws set forth a procedure that provides:

(i) not less than 15 days’ prior written notice of the expulsion, suspension, or termination and the reasons for it; and

(ii) an opportunity for the member to be heard, orally or in writing, not less than 5 days before the effective date of the expulsion, suspension, or termination by a person or persons authorized to decide that the proposed expulsion, termination, or suspension not take place; or

(b) it takes into consideration all relevant facts and circumstances.

(3) Except as provided in subsection (3)(b), a written notice given by mail must be given by first-class or certified mail sent to the last address of the member shown on the corporation’s records.

(b) Written notice may be given to any authenticated electronic identification as shown on the corporation’s records.

Section 6. Section 35-2-526, MCA, is amended to read:

“35-2-526. Annual and regular meetings. (1) A corporation with members shall hold a membership meeting annually at a time stated in or fixed in accordance with the bylaws.

(2) A corporation with members may hold regular membership meetings at the times stated in or fixed in accordance with the bylaws.

(3) Annual and regular membership meetings may be held in the state or out of the state, at the place stated in or fixed in accordance with the bylaws. If a place is not stated in or fixed in accordance with the bylaws, annual and regular meetings must be held at the corporation’s principal office. To the extent authorized in the articles or bylaws, the board may determine that an annual meeting of members will be held solely by means of remote communication.

(4) At the annual meeting:

(a) the president and chief financial officer shall report on the activities and financial condition of the corporation; and
(b) the members shall consider and act upon other matters that are raised consistent with the notice and voting requirements of 35-2-530 and 35-2-538(2).

(5) At regular meetings, the members shall consider and act upon matters raised consistent with the notice and voting requirements of 35-2-530 and 35-2-538(2).

(6) The failure to hold an annual or regular meeting at a time stated in or fixed in accordance with a corporation’s bylaws does not affect the validity of any corporate action.

(7) If the corporation has 50 or fewer members and if permitted by the bylaws, members may participate in a meeting of the members by means of a conference telephone call or similar remote communication equipment through which all persons participating in the meeting can hear each other at the same time. Participation in this manner constitutes presence in person at a meeting.”

Section 7. Section 35-2-527, MCA, is amended to read:

“35-2-527. Special meeting. (1) A corporation with members shall hold a special meeting of members:

(a) on the call of its board or of the person authorized to do so by the articles or bylaws; or

(b) except as provided in the articles or bylaws of a religious corporation, if the holders of at least 5% of the voting power of any corporation sign, date, and deliver to any corporate officer one or more written demands for the meeting that describe the purpose or purposes for which it is to be held.

(2) For purposes of determining whether the 5% requirement of subsection (1) has been met, the record date is at the close of business on the 30th day before delivery of the demand or demands for a special meeting to any corporate officer.

(3) If a notice for a special meeting demanded under subsection (1)(b) is not given pursuant to 35-2-530 within 30 days after the date the written demand is delivered to a corporate officer, regardless of the requirements of subsection (4), a person signing the demand or demands may set the time and place of the meeting and give notice pursuant to 35-2-530.

(4) Special meetings of members may be held in the state or out of the state, at the place stated in or fixed in accordance with the bylaws. If a place is not stated or fixed in accordance with the bylaws, special meetings must be held at the corporation’s principal office. Member participation and presence at a special meeting must be the same as allowed under 35-2-526(7).

(5) Only those matters that are within the purpose or purposes described in the meeting notice required by 35-2-530 may be conducted at a special meeting of members.”

Section 8. Section 35-2-533, MCA, is amended to read:

“35-2-533. Action by written ballot. (1) Unless prohibited or limited by the articles or bylaws, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the corporation delivers a written ballot to every member entitled to vote on the matter.

(2) A corporation may deliver a written ballot by electronic communication as long as a member gives consent. Consent by a member to receive notice by electronic communication in a certain manner constitutes consent to receive a ballot by electronic communication in the same manner.

(2) A written ballot must:

(a) set forth each proposed action; and
(b) provide an opportunity to vote for or against each proposed action.

(3) Approval by written ballot pursuant to this section is valid only when:

(a) the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action; and

(b) the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(4) All solicitations for votes by written ballot must:

(a) indicate the number of responses needed to meet the quorum requirements;

(b) state the percentage of approvals necessary to approve each matter other than election of directors; and

(c) specify the time by which a ballot must be received by the corporation in order to be counted.

(5) Except as otherwise provided in the articles or bylaws, a written ballot may not be revoked.”

Section 9. Section 35-2-535, MCA, is amended to read:

“35-2-535. Members’ list for meeting. (1) After fixing a record date for a notice of a meeting, a corporation shall prepare an alphabetical list of the names of all its members who are entitled to notice of the meeting. The list must show the address or authenticated electronic identification and number of votes each member is entitled to vote at the meeting. The corporation shall prepare, on a current basis through the time of the membership meeting, a list of members, if any, who are entitled to vote at the meeting but not entitled to notice of the meeting. This list must be prepared on the same basis and be part of the list of members.

(2) The list of members must be available:

(a) for inspection by any member for the purpose of communication with other members concerning the meeting, beginning 2 business days after notice is given of the meeting for which the list was prepared and continuing through the meeting; and

(b) at the corporation’s principal office or at a reasonable place identified in the meeting notice in the city where the meeting will be held. A member, a member’s agent, or a member’s attorney is entitled, on written demand, to inspect and, subject to the limitations of 35-2-907(3) and 35-2-910, to copy the list, at a reasonable time and at the member’s expense, during the period it is available for inspection.

(3) The corporation shall make the list of members available at the meeting, and any member, a member’s agent, or a member’s attorney is entitled to inspect the list at any time during the meeting or any adjournment.

(4) If the corporation refuses to allow a member, a member’s agent, or a member’s attorney to inspect the list of members before or at the meeting or to copy the list as permitted by subsection (2), the district court for the judicial district of the county where a corporation’s principal office is located or, if the principal office is not located in this state, in Lewis and Clark County, on application of the member, may summarily order the inspection or copying at the corporation’s expense, may postpone the meeting for which the list was prepared until the inspection or copying is complete, and may order the corporation to pay the member’s costs, including reasonable attorney fees, incurred to obtain the order.
(5) Unless a written demand to inspect and copy a membership list has been made under subsection (2) prior to the membership meeting and a corporation improperly refuses to comply with the demand, refusal or failure to comply with this section does not affect the validity of action taken at the meeting.

(6) The articles or bylaws of a religious corporation may limit or abolish the rights of a member under this section to inspect and copy any corporate record.”

Section 10. Section 35-2-539, MCA, is amended to read:

“35-2-539. Proxies. (1) Unless the articles or bylaws prohibit or limit proxy voting, a member may appoint a proxy to vote or otherwise act for the member by signing an appointment form, either personally or by an attorney-in-fact.

(2) An appointment of a proxy is effective when received by the secretary or other officer or agent authorized to tabulate votes. An appointment is valid for 11 months unless a different period is expressly provided in the appointment form. However, a proxy is not valid for more than 3 years from its date of execution.

(3) An appointment of a proxy is revocable by the member.

(4) The death or incapacity of the member appointing a proxy does not affect the right of the corporation to accept the proxy’s authority unless notice of the death or incapacity is received by the secretary or other officer or agent authorized to tabulate votes before the proxy exercises authority under the appointment.

(5) Appointment of a proxy is revoked by the person appointing the proxy:

(a) attending being present at any meeting and voting in person; or

(b) signing and delivering to the secretary or other officer or agent authorized to tabulate proxy votes either a writing stating that the appointment of the proxy is revoked or a subsequent appointment form.

(6) Subject to 35-2-542 and any express limitation on the proxy’s authority appearing on the face of the appointment form, a corporation is entitled to accept the proxy’s vote or other action as that of the member who made the appointment.”

Section 11. Section 35-2-542, MCA, is amended to read:

“35-2-542. Corporation’s acceptance of votes. (1) If the name signed on a vote, consent, waiver, or proxy appointment corresponds to the name of a member or is the authenticated electronic identification of a member, the corporation, if acting in good faith, is entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the member.

(2) If the name signed on a vote, consent, waiver, or proxy appointment does not correspond to the record name of a member or is not the authenticated electronic identification of a member, the corporation, if acting in good faith, is nevertheless entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the member if:

(a) the member is an entity and the name signed or electronic identification used purports to be that of an attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory’s authority to sign for the member has been presented with respect to the vote, consent, waiver, or proxy appointment;

(b) the name signed or electronic identification used purports to be that of an attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory’s authority to sign for the member
has been presented with respect to the vote, consent, waiver, or proxy appointment;
(c) two or more persons hold the membership as cotenants or fiduciaries and:
   (i) the name signed or electronic identification used purports to be the name of at least one of the coholders; and
   (ii) the person signing or using the electronic identification appears to be acting on behalf of all the coholders; or
(d) in the case of a mutual benefit corporation:
   (i) the name signed or electronic identification used purports to be that of an administrator, executor, guardian, or conservator representing the member and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment; or
   (ii) the name signed or electronic identification used purports to be that of a receiver or trustee in bankruptcy of the member and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment.

(3) The corporation is entitled to reject a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature or electronic identification or about the signatory's authority to sign for the member.

(4) The corporation and its officer or agent who accepts or rejects a vote, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section are not liable in damages to the member for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a vote, consent, waiver, or proxy appointment under this section is valid unless a court of competent jurisdiction determines otherwise.

Section 12. Section 35-2-911, MCA, is amended to read:
“35-2-911. Financial statements for members. Upon the written request of any member of the corporation, the corporation shall deliver to the member its most recent financial statements showing in reasonable detail its assets and liabilities and the results of the operations.”

CHAPTER NO. 191
[SB 185]

AN ACT REVISIGN VETERANS’ PREFERENCE HIRING LAWS; ALLOWING PUBLIC EMPLOYERS TO EXTEND A JOB INTERVIEW TO A VETERAN FOR EXISTING JOB VACANCIES FOR WHICH THE VETERAN QUALIFIES; INCLUDING A DISABLED VETERAN AS A PERSON WITH A DISABILITY; CLARIFYING THE ORDER OF PREFERENCES BETWEEN DISABLED VETERANS, PEOPLE WITH DISABILITIES, AND OTHERS ELIGIBLE FOR A HIRING PREFERENCE; EXTENDING RULEMAKING; AND AMENDING SECTIONS 39-29-102, 39-29-103, 39-29-112, 39-30-103, 39-30-107, AND 39-30-201, MCA.

Be it enacted by the Legislature of the State of Montana:
Section 1. Section 39-29-102, MCA, is amended to read:

“39-29-102. Point preference or alternative preference in initial hiring for certain applicants — substantially equivalent selection procedure. (1) Subject to the restrictions in subsections (2) and (3), whenever a public employer uses a scored procedure, an applicant for an initial hiring, as defined in 39-30-103, must have added to the applicant’s score the following percentage points of the total possible points that may be granted in the scored procedure:

(a) 5 percentage points if the applicant is a veteran; and
(b) 10 percentage points if the applicant is a disabled veteran or an eligible relative.

(2) A veteran, disabled veteran, or eligible relative may not receive the percentage points provided for in subsection (1) unless the person:
(a) is a United States citizen; and
(b) meets the minimum qualifications required for the position. If no applicant meets the minimum qualifications and the public employer fills a training position, veterans’ preference must be applied.

(3) A disabled veteran who receives 10 percentage points under subsection (1)(b) may not receive an additional 5 percentage points under subsection (1)(a).

(4) Whenever a public employer uses a selection procedure other than a scored procedure, the public employer shall give preference to a disabled veteran, a person with a disability, a veteran, an eligible relative as defined in 39-29-101, and an eligible spouse as defined in 39-30-103, or veteran, in that order, over any nonpreferred applicant holding substantially equal qualifications, as defined in 39-30-103.

(5) The preference under this section may include a guaranteed job interview for a veteran who meets the required qualifications for the position and has requested a preference, as provided in 39-29-101, and an eligible spouse as defined in 39-30-103, or veteran, in that order, over any nonpreferred applicant holding substantially equal qualifications, as defined in 39-30-103.

Section 2. Section 39-29-103, MCA, is amended to read:

“39-29-103. Notice and claim of preference. (1) A public employer shall, by posting or on the application form, give notice of the preference provided in 39-29-102.

(2) A job applicant who believes that the applicant is eligible to receive a preference shall claim the preference in writing before the time for filing applications for the position involved has passed. Failure to make a timely preference claim for a position is a complete defense to an action instituted by an applicant under 39-29-104 with regard to that position.

(3) If an applicant for a position makes a timely written preference claim, the public employer:

(a) may, under an existing rule or ordinance implementing this subsection (3)(a), guarantee to a veteran a job interview for a position for which the veteran meets the required qualifications and has submitted a preference claim; and
(b) shall give written notice of its hiring decision to the applicant claiming preference.”

Section 3. Section 39-29-112, MCA, is amended to read:

“39-29-112. Adoption of rules. The department of administration shall adopt rules implementing this chapter, except that the decision of whether to
guarantee a job interview to a veteran is a decision that may be made by a local
government by ordinance. The department’s rules apply to all local and state
public employers.”

Section 4. Section 39-30-103, MCA, is amended to read:

“39-30-103. Definitions. For the purposes of this chapter, the following

an individual’s cognitive or volitional functions.

(b) The term mental impairment does not include alcoholism or drug
addiction and does not include any mental impairment, disease, or defect that
has been asserted by the individual claiming the preference as a defense to any
criminal charge.

(4) “Person with a disability” means:

(a) an individual certified by the department of public health and human
services to have a physical or mental impairment that substantially limits one
or more major life activities, such as writing, seeing, hearing, speaking, or

employment; or

veteran must be discharged under honorable conditions as defined in 39-29-101.

(5) “Position” means a position occupied by a permanent or seasonal
employee as defined in 2-18-101 for the state or a position occupied by a similar
permanent or seasonal employee with a public employer other than the state.
However, the term does not include:

(b) a state or local elected official;

(c) employment as an elected official's immediate secretary, legal adviser, court reporter, or administrative, legislative, or other immediate or first-line aide;

(d) appointment by an elected official to a body such as a board, commission, committee, or council;

(e) appointment by an elected official to a public office if the appointment is provided for by law;

(f) a department head appointment by the governor or an executive department head appointment by a mayor, city manager, county commissioner, or other chief administrative or executive officer of a local government;

(g) engagement as an independent contractor or employment by an independent contractor; or

(h) a position occupied by a student intern, as defined in 2-18-101.

(6) (a) “Public employer” means:

(i) any department, office, board, bureau, commission, agency, or other instrumentality of the executive, judicial, or legislative branch of the government of the state of Montana; and

(ii) any county, city, or town.

(b) The term does not include a school district, a vocational-technical program, a community college, the board of regents of higher education, the Montana university system, a special purpose district, an authority, or any political subdivision of the state other than a county, city, or town.

(7) “Substantially equal qualifications” means the qualifications of two or more persons among whom the public employer cannot make a reasonable determination that the qualifications held by one person are significantly better suited for the position than the qualifications held by the other persons.”

Section 5. Section 39-30-107, MCA, is amended to read:

“39-30-107. Certification of persons with disabilities. The department of public health and human services shall certify persons with disabilities for the purpose of employment preference as provided in this chapter.”

Section 6. Section 39-30-201, MCA, is amended to read:

“39-30-201. Employment preference in initial hiring. (1) (a) Except as provided in 10-2-402 and subsection (3) of this section, in an initial hiring for a position, if a job applicant who is a person with a disability or eligible spouse meets the eligibility requirements contained in 39-30-202 and claims a preference as required by 39-30-206, a public employer shall hire the applicant over any other applicant with substantially equal qualifications who is not a preference-eligible applicant.

(b) In an initial hiring, a public employer shall hire a person with a disability over any other preference-eligible applicant with substantially equal qualifications.

(2) The employment preference provided for in subsection (1) does not apply to a personnel action described in 39-30-103(2)(b) or to any other personnel action that is not an initial hiring.
(3) To minimize confusion between 39-29-102 and this section, if a public employer in an initial hiring for a position uses a scoring procedure, the employer shall follow the guidelines in 39-29-102 if an applicant requests a veterans' or disabled veterans' preference. If a scoring procedure is not used, the employer shall provide preference first to a disabled veteran, then to a person with a disability, a veteran, an eligible relative as defined in 39-29-101, and an eligible spouse as defined in 39-30-103, in that order, over any applicant that does not have preference eligibility and that has substantially equal qualifications.”

(1) On the motion of a person, a court may vacate the person’s conviction of the offense of prostitution under 45-5-601 if the court finds that the person’s participation in the offense was a result of having been a victim of trafficking for commercial sexual activity under 45-5-306 or of sex trafficking under the federal Trafficking Victims Protection Act, 22 U.S.C. 7103 through 7112.

(2) The motion must:

(a) be made within a reasonable time after the person ceased to be involved in trafficking for commercial sexual activity or sought services for trafficking victims, subject to reasonable concerns for the safety of the person, family members of the person, or other victims of trafficking who could be jeopardized by filing a motion under this section; and
(b) state why the facts giving rise to the motion were not presented to the court during the prosecution of the person.

(3) Official documentation from a local government or a state or federal agency of the person’s status as a victim of trafficking for commercial sexual activity creates a rebuttable presumption that the person’s participation in the offense of prostitution was a result of having been a victim of trafficking for commercial sexual activity.

(4) If a court vacates a conviction of prostitution under this section, the court shall:

   (a) send a copy of the order vacating the conviction to the prosecutor and the department of justice accompanied by a form prepared by the department of justice and containing identifying information about the person; and

   (b) inform the person whose conviction has been vacated under this section that the person may be eligible for certain state and federal programs and services and provide the person with information for contacting appropriate state and federal victim services organizations. After the conviction is vacated, all records and data relating to the conviction are confidential criminal justice information, as defined in 44-5-103, and the public access to the information may be obtained only by district court order upon good cause shown.

Section 2. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 46, chapter 18, and the provisions of Title 46, chapter 18, apply to [section 1].

AN ACT REVISING DRIVER LICENSING LAWS; AUTHORIZING DRIVER’S TEST WAIVERS PURSUANT TO A RECIPROCITY AGREEMENT WITH A FOREIGN COUNTRY; CLARIFYING PROCEDURES FOR ANATOMICAL GIFT OR LIVING WILL DECLARATIONS ON DRIVER’S LICENSES AND IDENTIFICATION CARDS; CLARIFYING REPORTING STANDARDS FOR TRAFFIC CONVICTIONS; AMENDING SECTIONS 61-5-110, 61-5-301, AND 61-11-101, MCA; AND PROVIDING EFFECTIVE DATES.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-5-110, MCA, is amended to read:

“61-5-110. Records check of applicants — examination of applicants — cooperative driver testing programs — reciprocal agreement with foreign country. (1) Prior to examining an applicant for a driver’s license, the department shall conduct a check of the applicant’s driving record by querying the national driver register, established under 49 U.S.C. 30302, and the commercial driver’s license information system, established under 49 U.S.C. 31309.

(2) (a) The department shall examine each applicant for a driver’s license or motorcycle endorsement, except as otherwise provided in this section. The examination must include a test of the applicant’s eyesight, a knowledge test examining the applicant’s ability to read and understand highway signs and the applicant’s knowledge of the traffic laws of this state, and, except as provided in 61-5-118, a road test or a skills test demonstrating the applicant’s ability to exercise ordinary and reasonable control in the safe operation of a motor vehicle...
or motorcycle. The road test or skills test must be performed by the applicant in a motor vehicle that the applicant certifies is representative of the class and type of motor vehicle for which the applicant is seeking a license or endorsement.

(b) The knowledge test, road test, or skills test may be waived by the department upon:

(i) upon certification of the applicant’s successful completion of the test by a certified cooperative driver testing program, as provided in subsection (3) or by a certified third-party commercial driver testing program as provided in 61-5-118; or

(ii) in accordance with a driver’s license reciprocity agreement between the department and a foreign country.

(3) The department is authorized to certify as a cooperative driver testing program any state-approved high school traffic education course offered by or in cooperation with a school district that employs an approved instructor who has current endorsement from the superintendent of public instruction as a teacher of traffic education or any motorcycle safety training course approved by the board of regents and that employs an approved instructor of motorcycle safety training and who agrees to:

(a) administer standardized knowledge and road tests or skills tests required by the department to students participating in the district’s high school traffic education courses or motorcycle safety training courses approved by the board of regents;

(b) certify the test results to the department; and

(c) comply with regulations of the department, the superintendent of public instruction, and the board of regents.

(4) (a) Except as otherwise provided by law, an applicant who has a valid driver’s license issued by another jurisdiction may surrender that license for a Montana license of the same class, type, and endorsement upon payment of the required fees and successful completion of a vision examination. In addition, an applicant surrendering a commercial driver’s license issued by another jurisdiction shall successfully complete any examination required by federal regulations before being issued a commercial driver’s license by the department.

(b) The department may require an applicant who surrenders a valid driver’s license issued by another jurisdiction to submit to a knowledge and road or skills test if:

(i) the applicant has a physical or mental disability, limitation, or condition that impairs, or may impair, the applicant’s ability to exercise ordinary and reasonable control in the safe operation of a motor vehicle on the highway; and

(ii) the surrendered license does not include readily discernible adaptive equipment or operational restrictions appropriate to the applicant’s functional abilities; or

(iii) the applicant wants to remove or modify a restriction imposed on the surrendered license.

(c) When a license from another jurisdiction is surrendered, the department shall notify the issuing agency from the other jurisdiction that the applicant has surrendered the license. If the applicant wants to retain the license from another jurisdiction for identification or other nondriving purposes, the department shall place a distinctive mark on the license, indicating that the license may be used for nondriving purposes only, and return the marked license to the applicant.
(5) The department may enter into a reciprocity agreement with a foreign country to provide for the mutual recognition and exchange of a valid driver's license issued by this state or the foreign country if the department determines that the licensing standards of the foreign country are comparable to those of this state. The agreement may not include the reciprocal exchange of a commercial driver's license.”

Section 2. Section 61-5-301, MCA, is amended to read:

“61-5-301. Indication on driver's license or identification card of intent to make anatomical gift or of living will declaration. (1) The department of justice shall provide on each application furnished by the department for the issuance or renewal of a driver's license under this chapter or for the issuance of an identification card under Title 61, chapter 12, part 5, must include spaces for indicating when the licensee has:

(a) executed a document under 72-17-201 of intent to make a gift of all or part of the driver's body under the Uniform Anatomical Gift Act; or

(b) executed a declaration under 50-9-103 relating to the use of life-sustaining treatment.

(2) The department shall provide each applicant, at the time of application for a new driver's license when applying for or renewing a driver's license or for a renewal when applying for an identification card, printed information calling the applicant's attention to the provisions of this section. Each applicant must be asked orally if the applicant wishes to make an anatomical gift and if the applicant has executed the declaration under 50-9-103 relating to the use of life-sustaining treatment.

(3) Each applicant must be given an opportunity to indicate in the spaces provided under subsection (1) the applicant's intent to make an anatomical gift or that the applicant has executed the declaration under 50-9-103 relating to the use of life-sustaining treatment.

(4) The department shall issue to each applicant who indicates an intent to make an anatomical gift a statement that, when signed by the licensee in the manner prescribed in 72-17-201, constitutes a document of anatomical gift. This statement must be printed on a sticker that the donor may attach permanently to the back of the donor's driver's license or identification card.

(5) The department shall electronically transfer the information of all persons who volunteer, upon application for a driver's license or an identification card, to donate organs or tissue to the organ and tissue donation registry created in 72-17-105 and 72-17-106 and any subsequent changes to the applicant's donor status.”

Section 3. Section 61-11-101, MCA, is amended to read:

“61-11-101. Report of convictions and suspension or revocation of driver's licenses — surrender of licenses. (1) If a person is convicted of an offense for which chapter 5 or chapter 8, part 8, makes mandatory the suspension or revocation of the driver's license or commercial driver's license of the person by the department, the court in which the conviction occurs shall require the surrender to it of all driver's licenses then held by the convicted person. The court shall, within 5 days after the conviction becomes final, forward the license and a record of the conviction to the department. If the person does not possess a driver's license, the court shall indicate that fact in its report to the department.
(2) A court having jurisdiction over offenses committed under a statute of this state or a municipal ordinance regulating the operation of motor vehicles on highways, except for standing or parking statutes or ordinances, shall forward a record of the conviction, as defined in 61-5-213, to the department within 5 days after the conviction becomes final. The court may recommend that the department issue a restricted probationary license on the condition that the individual comply with the requirement that the person attend and complete a chemical dependency education course, treatment, or both, as ordered by the court under 61-8-732.

(3) A court or other agency of this state or of a subdivision of the state that has jurisdiction to take any action suspending, revoking, or otherwise limiting a license to drive shall report an action and the adjudication upon which it is based to the department within 5 days on forms furnished by the department.

(4) A conviction becomes final for the purposes of this part upon the later of:
   (a) expiration of the time for appeal of the court's judgment or sentence to the next highest court;
   (b) forfeiture of bail that is not vacated; or
   (c) imposition of a fine or court cost as a condition of a deferred imposition of a sentence or a suspended execution of a sentence.

(5) (4) (a) On a conviction referred to in subsection (1) of a person who holds a commercial driver's license or who is required to hold a commercial driver's license, a court may not take any action, including deferring imposition of judgment, that would prevent a conviction for any violation of a state or local traffic control law or ordinance, except a parking law or ordinance, in any type of motor vehicle, from appearing on the person's driving record. The provisions of this subsection (5)(a) (4)(a) apply only to the conviction of a person who holds a commercial driver's license or who is required to hold a commercial driver's license and do not apply to the conviction of a person who holds any other type of driver's license.

   (b) For purposes of this subsection (5) (4), “who is required to hold a commercial driver’s license” refers to a person who did not have a commercial driver's license but who was operating a commercial motor vehicle at the time of a violation of a state or local traffic control law or ordinance resulting in a conviction referred to in subsection (1).

(6) (5) (a) If a person who holds a valid registry identification card issued pursuant to 50-46-307 or 50-46-308 is convicted of or pleads guilty to any offense related to driving under the influence of alcohol or drugs when the initial offense with which the person was charged was a violation of 61-8-401, 61-8-406, or 61-8-410, the court in which the conviction occurs shall require the person to surrender the registry identification card.

   (b) Within 5 days after the conviction becomes final, the court shall forward the registry identification card and a copy of the conviction to the department of public health and human services.”

Section 4. Effective dates. (1) Except as provided in subsection (2), [this act] is effective on passage and approval.

(2) [Section 3] is effective October 1, 2013.

Section 2. Section 76-3-608, MCA, is amended to read:

“76-3-608. Criteria for local government review. (1) The basis for the governing body's decision to approve, conditionally approve, or deny a proposed subdivision is whether the subdivision application, preliminary plat, applicable environmental assessment, public hearing, planning board recommendations, or additional information demonstrates that development of the proposed subdivision meets the requirements of this chapter. A governing body may not deny approval of a proposed subdivision based solely on the subdivision's impacts on educational services or based solely on parcels within the subdivision having been designated as wildland-urban interface parcels under 76-13-145.

(2) The governing body shall issue written findings of fact that weigh the criteria in subsection (3), as applicable.

(3) A subdivision proposal must undergo review for the following primary criteria:

(a) except when the governing body has established an exemption pursuant to subsection (6) of this section or except as provided in 76-3-509, 76-3-609(2) or (4), or 76-3-616, the impact on agriculture, agricultural water user facilities, local services, the natural environment, wildlife, wildlife habitat, and public health and safety;

(d) the provision of legal and physical access to each parcel within the proposed subdivision and the required notation of that access on the applicable plat and any instrument of transfer concerning the parcel.

(4) The governing body may require the subdivider to design the proposed subdivision to reasonably minimize potentially significant adverse impacts identified through the review required under subsection (3). The governing body shall issue written findings to justify the reasonable mitigation required under this subsection (4).

(5) (a) In reviewing a proposed subdivision under subsection (3) and when requiring mitigation under subsection (4), a governing body may not unreasonably restrict a landowner's ability to develop land, but it is recognized that in some instances the unmitigated impacts of a proposed development may be unacceptable and will preclude approval of the subdivision.

(b) When requiring mitigation under subsection (4), a governing body shall consult with the subdivider and shall give due weight and consideration to the expressed preference of the subdivider.

(6) A governing body may conditionally approve or deny a proposed subdivision as a result of the water and sanitation information provided pursuant to 76-3-622 or public comment received pursuant to 76-3-604 on the information provided pursuant to 76-3-622 only if the conditional approval or
(7) A governing body may not require as a condition of subdivision approval that a property owner waive a right to protest the creation of a special improvement district or a rural improvement district for capital improvement projects that does not identify the specific capital improvements for which protest is being waived. A waiver of a right to protest may not be valid for a time period longer than 20 years after the date that the final subdivision plat is filed with the county clerk and recorder.

(8) A governing body may not approve a proposed subdivision if any of the features and improvements of the subdivision encroach onto adjoining private property in a manner that is not otherwise provided for under chapter 4 or this chapter or if the well isolation zone of any proposed well to be drilled for the proposed subdivision encroaches onto adjoining private property unless the owner of the private property authorizes the encroachment. For the purposes of this section, “well isolation zone” has the meaning provided in 76-4-102.”

      boundaries of the proposed subdivision where the drainfield or well is located. A

Upon receipt of a salvage certificate issued by the department to a noninsurer, the owner may possess, retain, transport, sell, transfer, or otherwise dispose of the salvage vehicle. through (13) of this section, a graduated renewable energy standard is established for public utilities and competitive electricity suppliers as provided in subsections (2) through (4) of this section.

(2) In each compliance year beginning January 1, 2008, through December 31, 2009, each public utility and competitive electricity supplier shall procure a minimum of 5% of its retail sales of electrical energy in Montana from eligible renewable resources.

(3) (a) In each compliance year beginning January 1, 2010, through December 31, 2014, each public utility and competitive electricity supplier, except as provided in subsection (13), shall procure a minimum of 10% of its retail sales of electrical energy in Montana from eligible renewable resources.

(b) Beginning January 1, 2012, as part of their compliance with subsection (3)(a), public utilities shall purchase both the renewable energy credits and the electricity output from community renewable energy projects that total at least 50 megawatts in nameplate capacity.

(c) Public utilities shall proportionately allocate the purchase required under subsection (3)(b) based on each public utility’s retail sales of electrical energy in Montana in the calendar year 2011.

(4) (a) In the compliance year beginning January 1, 2015, and in each succeeding compliance year, each public utility and competitive electricity supplier, except as provided in subsection (13), shall procure a minimum of 15% of its retail sales of electrical energy in Montana from eligible renewable resources.

(b) (i) As part of their compliance with subsection (4)(a), public utilities shall purchase both the renewable energy credits and the electricity output from community renewable energy projects that total at least 75 megawatts in nameplate capacity.

(ii) In meeting the standard in subsection (4)(b)(i), a public utility may include purchases made under subsection (3)(b).

(c) Public utilities shall proportionately allocate the purchase required under subsection (4)(b) based on each public utility’s retail sales of electrical energy in Montana in the calendar year 2014.

(5) (a) In complying with the standards required under subsections (2) through (4), a public utility or competitive electricity supplier shall, for any given compliance year, calculate its procurement requirement based on the public utility’s or competitive electricity supplier’s previous year’s sales of electrical energy to retail customers in Montana.

(b) The standards in subsections (2) through (4) must be calculated on a delivered-energy basis after accounting for any line losses.

(6) A public utility or competitive electricity supplier has until 3 months following the end of each compliance year to purchase renewable energy credits for that compliance year.

(7) (a) In order to meet the standards established in subsections (2) through (4), a public utility or competitive electricity supplier may only use:

(i) electricity from an eligible renewable resource in which the associated renewable energy credits have not been sold separately;

(ii) renewable energy credits created by an eligible renewable resource purchased separately from the associated electricity; or
(iii) any combination of subsections (7)(a)(i) and (7)(a)(ii).

(b) A public utility or competitive electricity supplier may not resell renewable energy credits and count those sold credits against the public utility’s or the competitive electricity supplier’s obligation to meet the standards established in subsections (2) through (4).

(c) Renewable energy credits sold through a voluntary service such as the one provided for in 69-8-210(2) may not be applied against a public utility’s or competitive electricity supplier’s obligation to meet the standards established in subsections (2) through (4).

(8) Nothing in this part limits a public utility or competitive electricity supplier from exceeding the standards established in subsections (2) through (4).

(9) If a public utility or competitive electricity supplier exceeds a standard established in subsections (2) through (4) in any compliance year, the public utility or competitive electricity supplier may carry forward the amount by which the standard was exceeded to comply with the standard in either or both of the 2 subsequent compliance years. The carryforward may not be double-counted.

(10) Except as provided in subsections (11) and (12), if a public utility or competitive electricity supplier is unable to meet the standards established in subsections (2) through (4) in any compliance year, that public utility or competitive electricity supplier shall pay an administrative penalty, assessed by the commission, of $10 for each megawatt hour of renewable energy credits that the public utility or competitive electricity supplier failed to procure. A public utility may not recover this penalty in electricity rates. Money generated from these penalties must be deposited in the universal low-income energy assistance fund established in 69-8-412(1)(b).

(11) A public utility or competitive electricity supplier may petition the commission for a short-term waiver from full compliance with the standards in subsections (2) through (4) and the penalties levied under subsection (10). The petition must demonstrate that the:

(a) public utility or competitive electricity supplier has undertaken all reasonable steps to procure renewable energy credits under long-term contract, but full compliance cannot be achieved either because renewable energy credits cannot be procured or for other legitimate reasons that are outside the control of the public utility or competitive electricity supplier; or

(b) integration of additional eligible renewable resources into the electrical grid will clearly and demonstrably jeopardize the reliability of the electrical system and that the public utility or competitive electricity supplier has undertaken all reasonable steps to mitigate the reliability concerns.

(12) (a) Retail sales made by a competitive electricity supplier according to prices, terms, and conditions of a written contract executed prior to April 25, 2007, are exempt from the standards in subsections (2) through (4).

(b) The exemption provided for in subsection (12)(a) is terminated upon modification after April 25, 2007, of the prices, terms, or conditions in a written contract.

(13) (a) A competitive electricity supplier with four or fewer small customers in Montana is exempt from the requirements of subsections (2) through (4).

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-14-2124, MCA, is amended to read:

“7-14-2124. Disposition of surplus crushed rock and gravel. (1) Any crushed rock or gravel not directly used or needed by the county in the construction, repair, or maintenance of its roads may be sold by the board of county commissioners at not less than actual cost of production to only a:

Section 2. Section 82-4-403, MCA, is amended to read:

“82-4-403. Definitions. When used in this part, unless a different meaning clearly appears from the context, the following definitions apply:

1. “Affected land” means the area of land and land covered by water that is disturbed by opencut operations, including the area from which overburden or materials are to be or have been removed and upon which the overburden is to be or has been deposited, existing private roads that are used and roads constructed to gain access to the materials, areas of processing facilities on or contiguous to the opencut mine, treatment and sedimentation ponds, soil and materials stockpile areas on or contiguous to the opencut mine, and any other surface or subsurface disturbance associated with opencut operations.    (c) processing of materials within the area that is to be mined or contiguous to the area that is to be mined or the access road mined from the natural deposits, except that processing facilities located more than 300 feet from where materials were mined or are permitted to be mined are not part of the opencut operation;
   (d) transporting, depositing, staging, and stockpiling of overburden and materials unless the activity occurs more than 300 feet from where the materials were mined or are permitted to be mined;
   (d) transportation of materials on areas referred to in subsections (7)(a) through (7)(e);

(8) “Operator” means a person engaged in or controlling an opencut operation. When a permit has been issued for an operation, a person who removes materials from the site under the control of the operator is not considered an operator who holds a permit issued pursuant to this part. For purposes of enforcing the provisions of this part, the term also includes any person conducting opencut operations on affected land that is not covered by a permit.
(9) “Overburden” means the earth that lies above a natural deposit of materials.

“82-4-425. Inspection of opencut operations. The department or its accredited representatives may enter upon lands subjected to opencut operations at all reasonable times for the purpose of inspection to determine whether the provisions of this part have been complied with. The department shall attempt to provide reasonable notice to a permitted operator when practicable under the circumstances.”

Section 4. Section 82-4-427, MCA, is amended to read:

“82-4-427. Hearing — appeal — venue. (1) (a) Subject to subsections (1)(b) and (1)(c), a person whose interests are or may be adversely affected by a final decision of the department to approve or disapprove a permit application and accompanying material or a permit amendment application and accompanying material under this part is entitled to a hearing before the board if a written request stating the reasons for the appeal is submitted to the board within 30 days of the department’s decision.

(b) If an application was noticed publicly as required by this part, to be eligible to file for an appeal a person must have either submitted comments to the department on an application or submitted comments at a public meeting held under 82-4-432.

(3) The operator or the landowner may request a hearing before the board on a decision on a bond release application.

(4) The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing held under this section.

If an activity is proposed to occur in more than one county, the action may be brought in any of the counties in which the activity is proposed to occur.

(6) The petition for judicial review must include the party to whom the permit was issued or the applicant unless otherwise agreed to by the permitholder or applicant. All judicial challenges of permits for projects with a project cost, as determined by the court, of more than $1 million must have precedence over any civil cause of a different nature pending in that court. If the court determines that the challenge was without merit or was for an improper purpose, such as to harass, to cause unnecessary delay, or to impose needless or increased cost in litigation, the court may award attorney fees and costs incurred in defending the action.

Section 5. Section 82-4-431, MCA, is amended to read:

“82-4-431. Permit for mining, processing, and reclamation required.

(1) An operator may not conduct an opencut operation that results in the removal of a total of 10,000 cubic yards or more of materials and overburden until the department has issued a permit to the operator. An operator may not, without a permit, remove materials or overburden from a site from which a total of 10,000 cubic yards or more of materials and overburden in the aggregate has been removed. An operator conducting a number of opencut operations, each of which results in the removal of less than 10,000 cubic yards of materials and overburden but that result in the removal of 10,000 cubic yards or more of materials and overburden in the aggregate, is subject to the provisions of this part, except as provided in this section.

A permit is required for an operator who:

(a) conducts an opencut operation that results in the removal of more than 10,000 cubic yards of materials and overburden;

(b) conducts more than one opencut operation where each of the operations results in the removal of less than 10,000 cubic yards of materials and overburden but the operations result in the removal of 10,000 cubic yards or more of materials and overburden in the aggregate; or

(c) removes materials or overburden at a previously mined site where the removal, combined with the amount of previously mined materials and overburden, exceeds 10,000 cubic yards.

(a) the area to be disturbed by the limited opencut operation is located more than 1 mile from the operator’s nearest existing limited opencut operation;

(b) the total amount of materials and overburden removed from the site does not exceed 5,000 to 10,000 cubic yards and the total area from which the materials and overburden are removed does not exceed 5 acres; and

the graded land into the surrounding topography, replaces an appropriate
amount of overburden and all soil, and reclaims to conditions present prior to
mining all access roads used for the operation unless the landowner requests in
writing that specific roads or portions of the roads remain open. Roads left open
at the landowner’s request must be sized to support the use of the road after
opencut operations.

(iii) at the first seasonal opportunity, seeds or plants all affected land with
vegetative species that meet the requirements of 82-4-434.

(3) At the operator’s request and with department approval, the operator may
have up to 1 additional year to perform the reclamation required by subsection
(2)(c), provided the operator does not apply to extend or continue the limited
opencut operation pursuant to subsection (4).

(4) (a) An operator who commences a limited opencut operation pursuant to
subsection (2) may apply for a permit to continue or expand that opencut
operation pursuant to the provisions of this subsection (4).

(b) The permit application must be complete within 180 days of the
department’s receipt of the limited opencut operation form.

(c) If the complete permit application is acceptable within 1 year of the
department’s receipt of the limited opencut operation form, the provisions of
subsections (2)(c)(ii) and (2)(c)(iii) do not apply and reclamation must be
conducted as prescribed in the permit.

(d) If the complete permit application is not acceptable within 1 year of the
department’s receipt of the limited opencut operation form, the application is
considered abandoned and void. Starting 3 days after the department notifies
the applicant that the application is considered abandoned and void, the
applicant has 180 days to complete the reclamation provided for in subsections
(2)(c)(ii) and (2)(c)(iii).

(e) If the permit application is withdrawn by the applicant within 1 year of
the department’s receipt of the limited opencut operation form, the reclamation
provided for in subsections (2)(c)(ii) and (2)(c)(iii) must be completed within 180
days of the date of the withdrawal.

(5) The department may refuse to approve an application for issuance of a
permit under subsection (1) or may prohibit the operator from conducting an
opencut operation under subsection (2) if, at the time of notification by the
operator to the department, the operator has a pattern of violations or is in
current violation of this part, rules adopted under this part, or provisions of a
permit.

(6) The department may require an additional bond as a condition for the
conduct of an opencut operation under subsection (2).

(7) Opencut operations described in subsection (2) may not occur:

(a) in ephemeral, intermittent, or perennial streams;

(b) in an area where the opencut operation will intercept surface water,
ground water, or any slope that is steeper than 3:1; or

(c) in any area where mining would be restricted by other laws.

(8) Sand and gravel opencut operations must meet applicable local zoning
regulations adopted under Title 76, chapter 2.”

(6) (a) A levy upon the earnings of a judgment debtor continues in effect for 120 days or until the judgment is satisfied, whichever occurs first. The levy applies to earnings due on or after the date of service through the expiration of the writ. (b) the benefit cost for all past years of governmental entities electing to pay contributions compared with total payrolls reported for all past years by these governmental entities used as a median, with the rates fixed using the median so that the rates will, when applied to the total annual payroll for subject governmental entities, yield total paid contributions equaling approximately the total benefit costs.

(2) New governmental entities electing to pay contributions must be assigned the median rate for the year in which they become subject.

(3) The minimum rate may not be less than 0.06% and the maximum rate may not be greater than 1.5%. The rates are to be graduated at one-tenth intervals.

(7) If a hearing panel denies parole, it may order that the prisoner serve up to 6 years before a hearing panel conducts another hearing or review. The board shall adopt by administrative rule a process by which a prisoner may request an earlier hearing or review.”

Be it enacted by the Legislature of the State of Montana:

Section 1. Sudden change in river or stream. (1) If a river or stream abandons its channel and forms a new channel as a result of an avulsion and if the segment of the river or stream where the avulsion occurred has been adjudicated as navigable for title purposes by a court of competent jurisdiction, the land constituting the old channel belongs to the owner of the shores through which the old channel flowed or, if the shores are owned by different owners, to the owners on two sides, divided by an imaginary line drawn through the middle of the old river or stream channel.

(2) An affected owner seeking title to the land described in subsection (1) shall notify the department of natural resources and conservation and describe with particularity the event that resulted in the formation of the new channel. The affected owner shall also provide the department with a survey and any other information the department considers necessary.

(3) Upon receiving the information from the affected owner, the department shall verify the information and determine whether the new channel was created by an avulsion. If the department determines that the new channel was formed by an avulsion and the old channel is abandoned, the department shall recommend to the board of land commissioners that the state and the affected owner exchange quitclaim deeds for the properties affected by the avulsion.

(4) Upon approval by the board and the exchange of quitclaim deeds, the affected owner shall notify the department of revenue and the clerk and recorder of the county in which the affected property is located of the change in ownership and submit any information necessary to update the applicable ownership records.

(5) The land constituting the old channel is subject to property taxation payable by the affected owner from the date the quitclaim deeds are exchanged.

(6) The department of natural resources and conservation and the department of revenue may adopt rules to implement the provisions of this section.
(7) Ownership remains unchanged for land that constituted an island before the avulsion occurred and that is not wholly surrounded by water after the river abandoned the old channel.

(8) (a) If an avulsion occurs on a segment of a river or stream that has not been adjudicated as navigable for title purposes by a court of competent jurisdiction, an owner may seek to clarify title to the property affected by the avulsion.

(b) To seek title clarification, the affected owner shall submit the information to the department as required by subsection (2).

(c) If the department determines that the new channel was formed by an avulsion and that the old channel is abandoned, the department shall recommend to the board that the board issue a disclaimer of interest for the abandoned channel.

(d) Upon approval by the board, the affected owner may cite the disclaimer of interest to support an ownership claim in a quiet title action filed in a district court.

(e) Upon obtaining a quiet title judgment on the abandoned channel, the affected owner shall notify the department of revenue and the clerk and recorder of the county in which the affected property is located of the change in ownership and submit any information necessary to update the applicable ownership records.

(f) The land constituting the old channel is subject to property taxation payable by the affected owner from the date of the quiet title judgement.

(a) “abandoned bed” means a riverbed, streambed, or lakebed with no water over it at the low-water mark;

(b) “avulsion” means a sudden and perceptible change in the course of a river or stream that creates a new river or stream channel and that results in an abandoned bed along the course of the old channel.

Section 2. Section 77-1-102, MCA, is amended to read:

“77-1-102. Ownership of certain islands, abandoned riverbeds, and riverbeds. (1) The following lands belong to the state of Montana to be held in trust for the benefit of the public schools of the state:

(b) all islands existing in the navigable streams or lakes in this state that have not been surveyed by the government of the United States; and

(c) all lands that at any time in the past constituted an island or part of an island in a navigable stream or lake, except those lands that are occupied by and belong to the adjacent landowners as accretions.

(2) This section does not apply to lands that are occupied by and belong to riparian landowners if the lands were formed by accretions.

(3) State-owned riverbeds are public lands of the state that are held in trust for the people as provided in Article X, section 11, of the Montana constitution.”

(4) The board shall allow the Montana facility finance authority to administer $15 million of the permanent coal tax trust fund for capital projects. Until the authority makes a loan pursuant to the provisions of Title 90, chapter 7, the funds under its administration must be invested by the board pursuant to the provisions of 17-6-201. As loans for capital projects made pursuant to this subsection are repaid, the principal and interest payments on the loans must be deposited in the coal severance tax permanent fund until all principal and interest have been repaid. The board and the authority shall calculate the amount of the interest charge. Individual loan amounts may not exceed 10% of the amount administered under this subsection.

As a loan made pursuant to this part is repaid, the principal payments on the loan must be deposited in the trust fund until all of the principal of the loan is repaid. Interest received on the loan may be used by a participating financial institution and the board, in amounts determined by the board in accordance with 90-6-605, to pay for the origination and servicing of a loan by a participating financial institution and to pay the reasonable costs of the board for the administration of the program. After payment of associated expenses, interest received on the loan must be deposited into the trust fund.

(3) Interest on a home mortgage loan made pursuant to this part must be charged at 1% less than the federal national mortgage association’s delivery rate or 1% lower than the lowest interest rate charged by the board for the purposes of other home loan mortgage programs administered by the board, whichever is less. CHAPTER NO. 214

[SB 239]

Be it enacted by the Legislature of the State of Montana:

Section 1. Short title. [Sections 1 through 4] may be cited as the “Targeted Economic Development District Act”.

Section 2. Legislative findings — purpose. The legislature finds and declares that:
(1) infrastructure-deficient areas exist in the local governments of the state and constitute a serious impediment to the development of infrastructure-intensive, value-adding economic development in Montana;
(2) local governments lack sufficient capital to rectify the infrastructure shortage in infrastructure-deficient areas, thus impeding their ability to achieve economic growth through the development of value-adding industries;
(3) the creation of infrastructure in support of value-adding economic development is a matter of state policy and state concern because the state and its local governments will continue to suffer economic dislocation due to the lack of value-adding industries; and
(4) the state’s tax increment financing laws should be used to encourage the creation of areas in which needed infrastructure for value-adding industries could be developed.

Section 3. Targeted economic development districts. (1) A local government may, by ordinance and following a public hearing, authorize the creation of a targeted economic development district in support of value-adding economic development projects. The purpose of the district is the development of infrastructure to encourage the location and retention of value-adding projects in the state.
(2) A targeted economic development district:
(a) must consist of a continuous area with an accurately described boundary that is large enough to host a diversified tenant base of multiple independent tenants;
(b) must be zoned for use in accordance with the area growth policy, as defined in 76-1-103;
(c) may not comprise any property included within an existing tax increment financing district;
(d) must, prior to its creation, be found to be deficient in infrastructure improvements as stated in the resolution of necessity adopted under [section 4];
(e) must, prior to its creation, have in place a comprehensive development plan adopted by the local governments that ensures that the district can host a diversified tenant base of multiple independent tenants; and

(f) may not be designed to serve the needs of a single district tenant or group of nonindependent tenants.

(3) The local government may use tax increment financing pursuant to the provisions of 7-15-4282 through 7-15-4294 for the targeted economic development district. If the local government uses tax increment financing, the use of and purpose for tax increment financing must be specified in the comprehensive development plan required in subsection (2)(e).

(4) For the purposes of [sections 1 through 4]:

(a) “secondary value-added products or commodities” means products or commodities that are manufactured, processed, produced, or created by changing the form of raw materials or intermediate products into more valuable products or commodities that are capable of being sold or traded in interstate commerce;

(b) “secondary value-adding industry” means a business that produces secondary value-added products or commodities or a business or organization that is engaged in technology-based operations within Montana that, through the employment of knowledge or labor, adds value to a product, process, or export service resulting in the creation of new wealth.

Section 4. Resolution of necessity required for targeted economic development district. A local government may not exercise the powers provided in part 43 or this part unless it has adopted a resolution of necessity finding that:

(1) one or more infrastructure-deficient areas exist in the local government; and

(2) the infrastructure improvement of the area is necessary for the welfare of the residents of the local government.

Section 5. Section 7-15-4282, MCA, is amended to read:

“7-15-4282. Authorization for tax increment financing. (1) An urban renewal plan as defined in 7-15-4206, industrial district ordinance adopted pursuant to 7-15-4209, technology district ordinance adopted pursuant to 7-15-4205, or aerospace transportation and technology district ordinance adopted pursuant to 7-15-4206 or a targeted economic development district comprehensive development plan created as provided in [section 3] may contain a provision or be amended to contain a provision for the segregation and application of tax increments as provided in 7-15-4282 through 7-15-4294.

(2) If a tax increment financing district created after January 1, 2002, has not issued bonds, the governing body of a municipality local government may request the department of revenue to adjust the base taxable value to account for a loss of taxable revenue resulting from the state granting property in the area or district tax-exempt status within the first year of creation of the tax increment financing district. If reconstruction of the property is only partially completed as of January 1 of the tax year, the department of revenue shall determine the base taxable value of the property for that tax year by multiplying the percentage of completion, expressed as a decimal equivalent, of reconstruction of the property by the original base taxable value of the property. The addition to the base taxable value under this subsection (3)(b) is limited to the amount of the original base taxable value of each parcel before the disaster occurred."

property based on the minimum value of the property expressed in the agreement and the property taxes that are imposed on the property based on the market value established by the department of revenue.

(2) The property that is the subject of the agreement must be located or installed in an urban renewal area, an industrial district, a technology district, an aerospace transportation and technology district, or any other area or targeted economic development district that is subject to a tax increment financing provision.

(3) The minimum value established by the agreement may be fixed or may increase or decrease in later years from the initial minimum value as provided in the agreement.

(4) The agreement creates a lien on the property pursuant to 71-3-1506 and must be filed and recorded in the office of the county clerk and recorder in each county in which the property or any part of the property is located. Recording an agreement constitutes notice of the agreement to anyone who acquires any interest in the property that is the subject of the agreement, and the agreement is binding upon the person acquiring the interest.

(5) An agreement made pursuant to subsection (1) may be modified or terminated by mutual consent of the current parties to the agreement. Modification or termination of an agreement must be approved by the governing body of the municipality. A document modifying or terminating an agreement must be filed in the office of the county clerk and recorder in each county in which the property or any part of the property is located.

(6) An agreement entered into pursuant to subsection (1) or modified pursuant to subsection (5) terminates on the earliest of:

(a) the date on which conditions in the agreement for termination are satisfied;
(b) the termination date specified in the agreement; or
(c) the date when the tax increment is no longer paid to the municipality under 7-15-4292.

(7) This section does not limit a municipality’s authority to enter into contracts other than tax deficiency agreements as described in this section.”

Payment of the bonds, both as to principal and interest, may be further secured by a pledge of any loan, grant, or contribution from the federal government or other source in aid of any urban renewal projects, industrial infrastructure development projects, technology infrastructure development project, or aerospace transportation and technology infrastructure development or targeted economic development district projects of the local government or municipality under Title 7, chapter 15, part 42, and this part or by a mortgage on all or part of any projects.

(3) Bonds issued under this section must be authorized by resolution or ordinance of the local governing body.

(4) If applicable, the governing body of the local government or municipality shall specify whether the bonds are tax credit bonds as provided in 17-5-117, recovery zone economic development bonds or recovery zone facility bonds as provided in 7-7-140, or qualified energy conservation bonds as provided in 7-7-141.”

(b) The department may issue to dealers in implements of husbandry and self-propelled machinery oversize permits. The permits may be transferred from unit to unit by the dealer, for the fee set forth in 61-10-124. These oversize permits may not restrict dealers in implements of husbandry or self-propelled machinery from being a resident of the state. A post-office box number is not a permanent address under this section.

(2) The applicant for a special permit shall specifically describe the powered vehicle or towing vehicle and generally describe the type of vehicle, combination of vehicles, load, object, or other thing to be operated or moved and the particular state highways over which the vehicle, combination of vehicles, load, object, or other thing is to be moved and whether the permit is required for a single trip or for continuous operation.
(3) Issuance of a permit pursuant to this section is exempt from the provisions of Title 75, chapter 1, parts 1 and 2, when existing roads through existing rights-of-way are used.

(4) The department may enter into a contract with a private party to act as an agent of the department for the purpose of issuing, in writing, a special permit allowed under this section.”

[SB 88]

AN ACT ADOPTING THE UPPER MISSOURI RIVER BREAKS NATIONAL MONUMENT COMPACT; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. United States of America, Bureau of Land Management, Upper Missouri River Breaks National Monument — Montana compact — ratified. This Compact is entered into by the state of Montana and the United States of America to settle for all time any and all claims to federal reserved water rights for the Upper Missouri River Breaks National Monument administered by the U.S. Bureau of Land Management within the state of Montana.

ARTICLE I

RECITALS

WHEREAS, the State of Montana, in 1979 pursuant to Title 85, chapter 2, of the Montana Code Annotated, commenced a general adjudication of the rights
to the use of water within the State of Montana including all federal reserved and appropriative water rights;

WHEREAS, 85-2-228, MCA, provides that a federal reserved water right with a priority date of July 1, 1973, or later be subject to the same process and adjudication as a federal reserved water right with a priority date before July 1, 1973;

WHEREAS, 85-2-703 and 85-2-228(3), MCA, provide that the State may negotiate settlement of claims by the federal government to non-Indian reserved waters within the State of Montana;

WHEREAS, the United States wishes to quantify and have decreed the amount of water necessary to fulfill the purposes of the Upper Missouri River Breaks National Monument as articulated in the Proclamation of January 17, 2001;

WHEREAS, the Attorney General, or a duly designated official of the United States Department of Justice, has authority to execute this Compact on behalf of the United States pursuant to the authority to settle litigation contained in 28 U.S.C. 516-517 (1968);

WHEREAS, the Secretary of the Interior, or a duly designated official of the United States Department of Interior, has authority to execute this Compact on behalf of the United States Department of Interior pursuant to 43 U.S.C. 1457 (1986, Supp. 1992);

NOW THEREFORE, the State of Montana and the United States agree as follows:

ARTICLE II
DEFINITIONS

For Purposes of this Compact only, the following definitions shall apply:

(2) “Acre-foot” or “Acre-feet” or “AF” means the amount of water necessary to cover one acre to a depth of one foot and is equivalent to 43,560 cubic feet of water.

(3) “Arrow Creek Basin” means the watershed of Arrow Creek designated as Montana Water Court Basin 41R.

(4) “BLM” means the United States Department of Interior, Bureau of Land Management or its successor.

(5) “Concurrent” means occurring or existing simultaneously or side by side. As applied to this compact, “Concurrent” rights to instream flow are non-additive water rights that constitute a usufructuary interest held by two or more parties in the same volume of water.

(6) “Department” means the Montana Department of Natural Resources and Conservation or its successor.

(7) “Effective Date” means the date on which the Compact is given ratification by the Montana Legislature, written approval by the United States Department of the Interior, and written approval by the United States Department of Justice, whichever occurs later.

(8) “Groundwater” means any water that is beneath the ground surface.
ARTICLE III
WATER RIGHT

The Parties agree that the following water rights are in settlement of the reserved water rights claims of the United States for the Monument. All water rights described in this Article are subject to Article IV of this Compact as well as any specific additional conditions set forth below.

A. Priority Date. The United States’ water rights for instream flow purposes within the Upper Missouri River Breaks National Monument that are described herein have a priority date of January 17, 2001. The United States’ January 17, 2001, water rights are subordinate in priority to water rights Recognized Under
State Law existing on June 1, 2012. Accordingly, any water right Recognized
Under State Law with a priority date before June 1, 2012, is not subject to call by
the United States in the exercise of the Reserved Water Right.

B. Instream Flow. The United States has water rights for minimum
instream flows in the Judith River and Arrow Creek as follows:

1. The Judith River. From the point furthest upstream where the
Monument boundary crosses the mainstem river channel on the southern
boundary of the NW 1/4 SE 1/4 of section 2, T.21N., R.16E., MPM, to the
confluence with the Missouri River. The water right is in the amount of an
instream flow rate of one hundred and sixty (160) cubic feet per second (cfs), to
be measured at the United States Geological Survey (USGS) Gaging Station
#06114700 near the confluence of the Judith River with the Missouri River. The
period of use for this right is from January 1 to December 31.

2. Arrow Creek. From the point furthest upstream where the Monument
Boundary crosses the mainstem creek channel on the western boundary of the
SW 1/4 of section 6, T.20N., R.15E., MPM, to the confluence with the Missouri
River. The water right is in the amount of an instream flow rate of five (5) cfs
enforceable at the point immediately upstream of the confluence of Arrow Creek
and Flat Creek in the SE 1/4 NE 1/4 of section 6, T.22N., R15E., MPM (the
designated enforcement point). The period of use for this right is from March 1 to
July 31.

   i. Provision for Alternate Enforcement Location. The parties recognize that
measurement at the confluence of Arrow Creek and Flat Creek may be difficult
to administer and that measurement at an upstream point may be more
feasible. The enforceable level of the flow rate shall be adjusted to an amount
proportional to the 5 cfs if measurement is conducted at an upstream
measurement point rather than at the designated enforcement point described
above. The Proportionally Enforceable Stream Flow shall be determined jointly
by the BLM and the Department, after additional stream flow monitoring is
conducted by the BLM to provide the Parties sufficient data to make a
determination. Prior to implementing a Proportionally Enforceable Stream
Flow, the Parties shall: (1) provide notice to water users in the affected basin of
the proposed revision to the enforceable amount; (2) hold at least one meeting in
Stanford, Montana, preceded by such notice as may be required under State law
for public meetings, at which the Parties shall explain the proposed revision;
and (3) provide a reasonable period for receipt of any written public comment
concerning the proposed revision. Any future revision of the designated
enforcement point and implementation of a Proportionally Enforceable Stream
Flow as provided in this section shall be based solely on stream flow monitoring
considerations and shall be subject to the same conditions as provided above.
Such future revision shall not be considered a modification of this Compact or an
enlargement or diminution of the 5 cfs instream flow right in Arrow Creek.

C. Stream Reaches on which new mainstem impoundments will be
prohibited after the Effective Date of the Compact.

1. The Judith River. From the confluence of the Middle and South Forks of
the Judith River downstream to its confluence with the Missouri River.

2. Arrow Creek. From its confluence with Hay Creek downstream to its
confluence with the Missouri River.

D. Conditions to be applied to permits issued after the Effective Date of the
Compact.
1. Direct from source diversions from the Judith River or Arrow Creek that have a diversion capacity greater than 20 cfs shall be operated as a Ramped Diversion. The permit conditions shall require such diversions to be implemented incrementally with an increase of no more than 20 cfs in any 24-hour period.

ARTICLE IV
COMPACT IMPLEMENTATION

A. Judith River. Judith River flows that are not already appropriated as of the Effective Date of this Compact will be available for future development, subject to the Reserved Water Right and applicable permit conditions as described herein. The Department may approve new uses after the Effective Date of this Compact, but the Department shall condition any permit or approval of new uses to provide that such uses may not cause the flow of the Judith River to fall below one hundred and sixty (160) cfs from January 1 through December 31 at the United States Geological Survey gaging station #06114700 on the lower Judith River near the mouth of the Judith River near Winifred, Montana; and, if required, with the diversion restrictions described under Article III.C. Appropriations occurring after June 1, 2012, shall be subject to a call by the United States in the exercise of the Reserved Water Right at any time streamflow falls below the minimum instream flow requirement for five (5) consecutive days.

B. Arrow Creek. Arrow Creek flows that are not already appropriated as of the Effective Date of this Compact will be available for future development subject to the Reserved Water Right and applicable permit conditions as described herein. The Department may approve new uses after the Effective Date of this Compact but shall condition any permit or approval of new uses to provide that such uses may not cause the flow of Arrow Creek to fall below five (5) cfs if measured at the confluence of Arrow Creek and Flat Creek at the designated enforcement point described in Article III.B.2 above—or if measured at an alternate enforcement location as described in Article III.B.2.i above, a Proportionally Enforceable Stream Flow amount as described therein—from March 1 through July 31; and, if required, with the diversion restrictions described under Article III.C. New appropriations occurring after June 1, 2012, shall be subject to a call by the United States in the exercise of the Reserved Water Right at any time stream flow falls below the minimum instream flow requirement as measured at the designated enforcement point as described in Article III.B.2 above, or at an alternate enforcement point provided for in Article III.B.2.1.

C. Conditions to be applied to permits issued after the Effective Date of the Compact.

1. Direct from source diversions from the Judith River or Arrow Creek that have a diversion capacity greater than twenty (20) cfs shall be operated as a Ramped Diversion. The permit conditions shall require that diversions be implemented incrementally with an increase of no more than 20 cfs in any 24-hour period.

D. Uses exempted from curtailment by the United States’ exercise of the Reserved Water Right during times of shortage. During times when there is insufficient water to satisfy the Reserved Water Right, and curtailment of junior water rights is otherwise contemplated under Articles III.A and B, the following water rights shall not be subject to call or curtailment for the benefit of the Reserved Water Right:
1. Non-Consumptive Uses located upstream of the instream flow reaches identified in Article III.
2. Groundwater Uses developed pursuant to 85-2-306, MCA. Water permits/certificates under the provisions of 85-2-306, MCA, shall not be subject to call by the Reserved Water Right. Should the Montana Legislature amend the requirements of this section to a more restrictive standard than that in effect under this subsection on the Effective Date of this Compact (35 gallons per minute or less and not to exceed 10 acre-feet per year), the more restrictive standard shall apply to appropriations permitted after the effective date of the amending legislation when determining whether the right is subject to curtailment by the United States in the exercise of the Reserved Right.
3. Stockwater impoundments of less than 15 acre-feet capacity and total appropriation less than 30 acre-feet per year.
   a. Stockwater impoundments of less than 15 acre-feet capacity and a total appropriation of less than 30 acre-feet per year that are not diverted from a perennial flowing stream and that are constructed on and will be accessible to a parcel of land that is owned or under control of the applicant and that is 40 surface acres or larger shall not be subject to call by the Reserved Water Right.
4. Temporary Emergency Appropriations under 85-2-113(3), MCA.
5. An Application submitted pursuant to 85-20-1401, MCA, Article VI.
6. An application for a permit to appropriate surface water to conduct response actions related to natural resource restoration required for:
   b. Aquatic resource activities carried out in compliance with and as required by the federal Clean Water Act of 1977, 33 U.S.C. 1251 through 1387; or
   c. Remedial actions taken pursuant to Title 75, chapter 10, part 7, of the Montana Code Annotated.
E. Prohibition on Future Mainstem Impoundment. DNRC may permit no new impoundments that do not meet the permit exception requirements of 85-2-306, MCA, on the mainstem of the Judith River or Arrow Creek as described in Article III.C. Reclamation, repair, or rehabilitation of an existing impoundment shall not be considered a new impoundment, provided that reclamation, repair, or rehabilitation shall not cause the impoundment to exceed the storage volume listed on the statement of claim.
F. Action for enforcement of Provisions of Article III. The United States may file an original action in a court of competent jurisdiction to enforce the provisions of Article III at any time. The United States shall not be required to exhaust any available administrative remedies in order to enforce Article III of this Compact.

ARTICLE V
GENERAL PROVISIONS
A. No Effect on Tribal Rights or Other Federal Reserved Water Rights.

WHEREAS, 85-2-228, MCA, provides that a federal reserved water right with a priority date of July 1, 1973, or later be subject to the same process and adjudication as a federal reserved water right with a priority date before July 1, 1973;

4) “Coextensive” means equal or coincident in space, time or scope. As applied to this compact, “Coextensive” rights to instream flow are non-additive water rights that constitute a usufructuary interest held by two or more parties with each party being subject to the same limits on quantity of water regardless of whether one or both parties are exercising the right.
(5) “Department” means the Montana Department of Natural Resources and Conservation or its successor.

(6) “Effective Date” means the date on which the compact is given ratification by the Montana Legislature, written approval by the United States Department of the Interior, and written approval by the United States Department of Justice, whichever occurs later.

(7) “Groundwater” means any water that is beneath the ground surface.

(8) “Instream Flow” means the water that the Parties agree must remain in the stream for non-consumptive uses to protect and maintain water flow and Wildlife Habitat throughout the Refuge for the purposes of the federal reservation.

(9) “Non-Consumptive Use” means a beneficial use of water that does not cause a reduction in the source of supply or result in a reduction in the quantity or quality of water and in which substantially all of the water returns without delay to the source of supply, causing little or no disruption in stream conditions.

(10) “Order” means Executive Order 7509, withdrawing from the public domain the Fort Peck Game Range, signed December 11, 1936.

(11) “Parties” means the State of Montana and the United States.

**ARTICLE III**

**WATER RIGHT**

The Parties agree that the following water rights are in settlement of the reserved water rights claims of the United States for the Refuge. All water rights described in this Article are subject to Article IV of this compact as well as any specific additional conditions set forth below.
A. Priority date. The Reserved Right for stock, wildlife, and Wildlife Habitat uses within the Refuge described herein has a priority date of December 11, 1936. The United States agrees to subordinate its 1936 Reserved Right to water rights Recognized Under State Law existing on the Effective Date of this compact. Accordingly, any water right Recognized Under State Law with a priority date prior to the Effective Date of this compact is functionally senior in priority to any component of the Reserved Right and is not subject to a call for enforcement or administration by the United States in the exercise of the Reserved Right. The final decree for the United States’ Reserved Right must include the above prohibition on call.

B. Quantified instream rights. The United States holds water rights in the following named streams from the point furthest upstream where the Refuge boundary crosses the mainstem stream channel to its confluence with Fort Peck Lake or the Missouri River. The water right is in the amount of one (1) or one-half (1/2) cubic feet per second (cfs) for instream use for the purposes of stock, wildlife, and Wildlife Habitat as set forth in Table 1 and the Abstracts attached to this compact as Appendix 1, and as depicted in Appendix 4. The period of use is from March 1 to June 30. The United States may exercise its quantified instream rights during the period of use provided by this Compact if water is available.

*The downstream end of the quantified reaches of Telegraph Creek and Valentine Creek end at their confluence with Fourchette Creek.

C. Instream Flow right on Musselshell River. The United States holds a water right in the Musselshell River from the point furthest upstream where the mainstem river channel enters U.S. Fish and Wildlife Service owned land within the Refuge (near the SESE of section 11, T.18N, R.29E) to its confluence with Fort Peck Lake as described in the Abstract attached to this compact as...
Appendix 2. The water right is in the amount of a minimum instream flow of seventy (70) cfs. The water right is for the purposes of stock, wildlife, and Wildlife Habitat and must be Coextensive with any other non-consumptive instream uses during the specified period of use. The period of use for this right is from March 1 to June 30.

D. Wells, ponds, and springs. Water rights for wells, developed springs, and ponds will be recognized and quantified as set forth in the Abstracts attached to this compact as Appendix 3.

E. Conditions to be applied to permits issued after the Effective Date of the Compact. On the Restricted Reaches set forth in Table 2 and depicted in Appendix 5, no new on-stream impoundments may be constructed after the Effective Date of this Compact, except as provided by Article IV.C.

2. Off-stream impoundments larger than the capacity and appropriation limits excepted from permitting by 85-2-306, MCA, may be constructed and filled in accordance with state permitting requirements from a diversion works located on the stream reaches identified in Table 2 and Appendix 5; and

Be it enacted by the Legislature of the State of Montana:

**Section 1.** Section 75-20-303, MCA, is amended to read:

“75-20-303. Opinion issued with decision — contents. (1) In rendering a decision on an application for a certificate, the department shall issue an opinion stating its reasons for the action taken.

(2) If the department has found that any regional or local law or regulation that would be otherwise applicable is unreasonably restrictive, it shall state in its opinion the reasons that it is unreasonably restrictive.

(3) A certificate issued by the department must include the following:

(a) an environmental evaluation statement related to the facility being certified. The statement must include but is not limited to analysis of the following information:

(i) the environmental impact of the proposed facility; and

(ii) any adverse environmental effects that cannot be avoided by issuance of the certificate;

(b) a plan for monitoring environmental effects of the proposed facility;
(c) a plan for monitoring the certified facility site between the time of certification and completion of construction;  
(d) a time limit as provided in subsection (4); and  
(e) a statement confirming that notice was provided pursuant to subsection (5); and  
(f) a statement signed by the applicant showing agreement to comply with the requirements of this chapter and the conditions of the certificate.

(4) (a) The department shall issue as part of the certificate the following time limits:

(i) For a facility as defined in 75-20-104(8)(a) that is more than 30 miles in length and for a facility defined in 75-20-104(8)(b), construction must be completed within 10 years.

(ii) For a facility as defined in 75-20-104(8)(a) that is 30 miles or less in length, construction must be completed within 5 years.

(iii) For a facility as defined in 75-20-104(8)(c), construction must begin within 6 years and continue with due diligence in accordance with preliminary construction plans established in the certificate.

(b) Unless extended, a certificate lapses and is void if the facility is not constructed or if construction of the facility is not commenced within the time limits provided in this section.

(c) The time limit may be extended for a reasonable period upon a showing by the applicant to the department that a good faith effort is being undertaken to complete construction under subsections (4)(a)(i) and (4)(a)(ii). Under this subsection, a good faith effort includes the process of acquiring any necessary state or federal permit or certificate for the facility and the process of judicial review of a permit or certificate.

(d) Construction may begin immediately upon issuance of a certificate unless the department finds that there is substantial and convincing evidence that a delay in the commencement of construction is necessary and should be established for a particular facility.

(5) (a) For a facility defined in 75-20-104(8)(a) and (8)(b), the environmental review conducted pursuant to Title 75, chapter 1, parts 1 through 3, prepared by the department must designate a 1-mile-wide facility siting corridor along the facility route.

(b) The department shall provide written notice of the availability of the draft environmental review to each owner of property within the 1-mile-wide facility siting corridor identified in the environmental review as the department’s preferred alternative facility siting corridor. No more than 60 days prior to the availability of the draft environmental review, the names and addresses of the property owners must be obtained from the property tax rolls of the county where the property is located. Except as provided in subsection (5)(c), the notice must:

(ii) inform the property owner that the property owner’s property is located within the department’s preferred alternative 1-mile-wide facility siting corridor;

(iii) inform the property owner about how a copy of the environmental review may be obtained; and
(iv) inform the property owner of the property owner’s rights under this chapter concerning the location of the facility and that more information concerning those rights may be obtained from the department.

(c) If there is more than one name listed on the property tax rolls for a single property, the notice must be mailed to the first listed property owner at the address on the property tax rolls.

(d) By mailing the notice as provided in subsection (5)(c), the notice requirements in subsection (5)(b) are satisfied.

(e) The department shall site a corridor of at least 500 feet in width for the facility within the 1-mile-wide corridor in accordance with 75-20-301. If the department determines that it will select a facility siting corridor that is completely or partially different from the preferred alternative facility siting corridor described in the draft environmental review, it shall, before issuing the certificate, provide notice of its intended facility siting corridor and an opportunity to comment to property owners within the 1-mile-wide facility siting corridor that deviates from the preferred alternative. Property owners must be determined and notice must be given in the same manner as provided in subsection (5)(b).

(f) If the certificate holder complies with subsection (6), a certificate holder may modify the siting of the facility within the 1-mile-wide corridor without complying with the provisions of 75-20-219 if the alternate siting is done in a manner that minimizes the impact on residential areas, crop land, and sensitive sites.

(6) (a) A certificate holder may submit an adjustment of the location of a facility outside the corridor designated pursuant to subsection (5) to the department. The adjustment must be accompanied by the written agreement of the affected property owner and all contiguous property owners that would be affected. The submission must include a map showing the approved facility location and the proposed adjustment.

(b) The certificate holder may construct the facility as described in the submission unless the department notifies the certificate holder within 15 days of the submission that the department has determined that:

(i) the adjustment would change the basis of any finding required under 75-20-301 to the extent that the department would have selected a different location for the facility; or

(ii) the adjustment would materially increase unmitigated adverse impacts.

(c) Siting of a facility within the corridor designated pursuant to subsection (5) or an adjustment pursuant to subsection (6)(a) is not subject to:

(i) Title 75, chapter 1, part 2;

(ii) a certificate amendment under 75-20-219; or

(iii) a board review under 75-20-223.”

Section 2. Effective date. [This act] is effective on passage and approval.

A flood plain adjacent to surface waters is not considered to lie within the surface waters’ high-water marks.

(2) The department, with the consent of the commission board, may acquire by condemnation, as provided in Title 70, chapter 30, land or structures for the preservation of historical or archaeological sites that are threatened with destruction or alteration.

(3) (a) Subject to section 2(3), Chapter 560, Laws of 2005, the department, with the consent of the commission or the board, may dispose of land and water rights acquired by it on those terms after public notice as required by subsection (3)(b) of this section, without regard to other laws that provide for sale or disposal of state land and with or without reservation, as it considers necessary and advisable. The department, with the consent of the commission or the board, may convey department land and water rights for full market value to other governmental entities or to adjacent landowners without regard to the requirements of subsection (3)(b) or (3)(c) if the land is less than 10 acres or if the full market value of the interest to be conveyed is less than $20,000. When the department conveys land or water rights to another governmental entity or to an adjacent landowner pursuant to this subsection, the department, in addition to giving notice pursuant to subsection (3)(b), shall give notice by mail to the landowners whose property adjoins the department property being conveyed.

(b) Subject to section 2(3), Chapter 560, Laws of 2005, notice of sale describing the land or water rights to be disposed of must be published once a week for 3 successive weeks in a newspaper with general circulation printed and published in the county where the land or water right is situated or, if a newspaper is not published in that county, then in any newspaper with general circulation in that county.

(c) The notice must advertise for cash bids to be presented to the director within 60 days from the date of the first publication. Each bid must be accompanied by a cashier's check or cash deposit in an amount equal to 10% of the amount bid. The highest bid must be accepted upon payment of the balance due within 10 days after mailing notice by certified mail to the highest bidder. If that bidder defaults on payment of the balance due, then the next highest bidders must be similarly notified in succession until a sale is completed. Deposits must be returned to the unsuccessful bidders except bidders defaulting after notification.

(d) The department shall reserve the right to reject any bids that do not equal or exceed the full market value of the land or water right as determined by the department. If the department does not receive a bid that equals or exceeds fair market value, it may then sell the land or water rights at private sale. The price accepted on any private sale must exceed the highest bid rejected in the bid process.

(4) When necessary and advisable for the management and use of department property, the director is authorized to grant or acquire from willing sellers right-of-way easements for purposes of utilities, roads, drainage facilities, ditches for water conveyance, and pipelines if the full market value of the interest to be acquired is less than $20,000. Whenever possible, easements must include a weed management plan. Approval of the commission or the board is not required for grants and acquisitions made pursuant to this subsection. In granting any right-of-way pursuant to this subsection, the department shall obtain a fair market value, but the department is not otherwise required to follow the disposal requirements of subsection (3). The director shall report any easement grant or acquisition made pursuant to this subsection to the commission or the board at its next regular meeting.
The department shall convey land and water rights without covenants of warranty by deed executed by the governor or in the governor's absence or disability by the lieutenant governor, attested by the secretary of state and further countersigned by the director.

Subject to 87-1-218, the department, with the consent of the commission, is authorized to utilize the installment contract method to facilitate the acquisition of wildlife management areas in which game and nongame fur-bearing animals and game and nongame birds may breed and replenish and areas that provide access to fishing sites for the public. The total cost of installment contracts may not exceed the cost of purchases authorized by the department and appropriated by the legislature.

The department is authorized to enter into leases of land under its control in exchange for services to be provided by the lessee on the leased land.

Approval of the board for the acquisition or disposal of land or water pursuant to this section is required only for land and water administered under Title 23, chapter 1, or Title 23, chapter 2, parts 1 and 4. (Terminates June 30, 2013—sec. 8, Ch. 427, L. 2009.)

The department, with the consent of the commission or the board, may convey department lands and water rights for full market value to other governmental entities or to adjacent landowners without regard to the requirements of subsection (3)(b) or (3)(c) if the land is less than 10 acres or if the full market value of the interest to be conveyed is less than $20,000. When the department conveys land or water rights to another governmental entity or to an adjacent landowner pursuant to this subsection, the department, in addition
to giving notice pursuant to subsection (3)(b), shall give notice by mail to the
landowners whose property adjoins the department property being conveyed.

(b) Subject to section 2(3), Chapter 560, Laws of 2005, notice of sale
describing the lands or waters to be disposed of must be published once a week
for 3 successive weeks in a newspaper with general circulation printed and
published in the county where the lands or waters are situated or, if a
newspaper is not published in that county, then in any newspaper with general
circulation in that county.

(c) The notice must advertise for cash bids to be presented to the director
within 60 days from the date of the first publication. Each bid must be
accompanied by a cashier’s check or cash deposit in an amount equal to 10% of
the amount bid. The highest bid must be accepted upon payment of the balance
due within 10 days after mailing notice by certified mail to the highest bidder. If
that bidder defaults on payment of the balance due, then the next highest
bidders must be similarly notified in succession until a sale is completed.
Deposits must be returned to the unsuccessful bidders except bidders defaulting
after notification.

(d) The department shall reserve the right to reject any bids that do not
equal or exceed the full market value of the lands and waters as determined by
the department. If the department does not receive a bid that equals or exceeds
fair market value, it may then sell the lands or water rights at private sale. The
price accepted on any private sale must exceed the highest bid rejected in the bid
process.

(4) When necessary and advisable for the management and use of
department property, the director is authorized to grant or acquire from willing
sellers right-of-way easements for purposes of utilities, roads, drainage
facilities, ditches for water conveyance, and pipelines if the full market value of
the interest to be acquired is less than $20,000. Whenever possible, easements
must include a weed management plan. Approval of the commission or the board
is not required for grants and acquisitions made pursuant to this subsection. In
granting any right-of-way pursuant to this subsection, the department shall
obtain a fair market value, but the department is not otherwise required to
follow the disposal requirements of subsection (3). The director shall report any
easement grant or acquisition made pursuant to this subsection to the
commission or the board at its next regular meeting.

(5) The department shall convey lands and water rights without covenants
of warranty by deed executed by the governor or in the governor’s absence or
disability by the lieutenant governor, attested by the secretary of state and
further countersigned by the director.

(6) Subject to 87-1-218, the department, with the consent of the commission,
is authorized to utilize the installment contract method to facilitate the
acquisition of wildlife management areas in which game and nongame
fur-bearing animals and game and nongame birds may breed and replenish and
areas that provide access to fishing sites for the public. The total cost of
installment contracts may not exceed the cost of purchases authorized by the
department and appropriated by the legislature.

(7) The department is authorized to enter into leases of land under its
control in exchange for services to be provided by the lessee on the leased land.

(8) Approval of the board for the acquisition or disposal of land or water

(b) an estimate of the measures and costs the department plans to undertake in furtherance of the proposed use, including operating, staffing, and maintenance costs;

(c) an estimate of the property taxes payable on the proposed acquisition and a statement that if the department acquires the land pursuant to 87-1-603, the department would pay a sum equal to the amount of taxes that would be payable on the county assessment of the property if it was taxable to a private citizen; and

(d) a draft agenda of the meeting at which the proposed acquisition will be presented to the commission or the board and information on how the board of county commissioners may provide comment.”

(c) except as provided in [section 2] and 87-1-303(3), shall establish the rules of the department governing the use of lands owned or controlled by the department and waters under the jurisdiction of the department;

(h) shall manage elk, deer, and antelope populations based on habitat estimates determined as provided in 87-1-322 and maintain elk, deer, and antelope population numbers at or below population estimates as provided in 87-1-323. In developing or implementing an elk management plan, the commission shall consider landowner tolerance when deciding whether to restrict elk hunting on surrounding public land in a particular hunting district. As used in this subsection (1)(h), “landowner tolerance” means the written or
documented verbal opinion of an affected landowner regarding the impact upon the landowner's property within the particular hunting district where a restriction on elk hunting on public property is proposed.

(2) The commission may adopt rules regarding the use and type of archery equipment that may be employed for hunting and fishing purposes, taking into account applicable standards as technical innovations in archery equipment change.

(3) The commission may adopt rules regarding the establishment of special licenses or permits, seasons, conditions, programs, or other provisions that the commission considers appropriate to promote or enhance hunting by Montana’s youth and persons with disabilities.

(4) (a) The commission may adopt rules regarding nonresident big game combination licenses to:

(i) separate deer licenses from nonresident elk combination licenses;

(ii) set the fees for the separated deer combination licenses and the elk combination licenses without the deer tag;

(iii) condition the use of the deer licenses; and

(iv) limit the number of licenses sold.

(b) The commission may exercise the rulemaking authority in subsection (4)(a) when it is necessary and appropriate to regulate the harvest by nonresident big game combination license holders:

(i) for the biologically sound management of big game populations of elk, deer, and antelope;

(ii) to control the impacts of those elk, deer, and antelope populations on uses of private property; and

(iii) to ensure that elk, deer, and antelope populations are at a sustainable level as provided in 87-1-321 through 87-1-325.

(5) (a) Subject to the provisions of 87-2-115, the commission may adopt rules establishing license preference systems to distribute hunting licenses and permits:

(ii) giving a qualifying landowner a preference in drawings. As used in this subsection (5)(a), “qualifying landowner” means the owner of land that provides some significant habitat benefit for wildlife, as determined by the commission.

(b) The commission shall square the number of points purchased by an applicant per species when conducting drawings for licenses and permits.

(6) (a) The commission may adopt rules to:

(i) limit the number of nonresident mountain lion hunters in designated hunting districts; and

(iv) historical outfitter use;
(v) conflicts among hunter groups;
(vi) availability of public and private lands; and
(vii) whether restrictions on nonresident hunters are more appropriate than restrictions on all hunters.

(7) The commission may not regulate the use or possession of firearms, firearm accessories, or ammunition, including the chemical elements of ammunition used for hunting. This does not prevent:

(a) the restriction of certain hunting seasons to the use of specified hunting arms, such as the establishment of special archery seasons;
(b) for human safety, the restriction of certain areas to the use of only specified hunting arms, including bows and arrows, traditional handguns, and muzzleloading rifles;

These rules must be adopted in the interest of public health, public safety, public welfare, and protection of property and public resources in regulating swimming, hunting, fishing, trapping, boating, including but not limited to boating speed regulations, the operation of motor-driven boats, the operation of personal watercraft, the resolution of conflicts between users of motorized and nonmotorized boats, waterskiing, surfboarding, picnicking, camping, sanitation, and use of firearms on the reservoirs, lakes, rivers, and streams. Areas regulated pursuant to the authority contained in this section must be areas that are legally accessible to the public. These rules are subject to review and approval by the department of public health and human services with regard to issues of public health and sanitation before becoming effective. Copies of the rules must show that endorsement.
(3) (a) The commission may not regulate or classify domestic livestock trailing as a commercial activity or commercial use that is subject to licensing, permitting, or fee requirements. Domestic livestock trailing on land owned or controlled by the department is exempt from the requirements of Title 75, chapter 1, parts 1 through 3.

(b) The commission may authorize domestic livestock trailing across land owned or controlled by the department that is designated as a wildlife management area. The commission may adopt rules governing the timing of and the route to be used for domestic livestock trailing activities to the extent that the rules are necessary both to enable the trailing of domestic livestock across the designated wildlife management area and to protect and enhance state lands. (3) The annual timber sale requirement for the timber sale program administered by the department to address fire mitigation, pine beetle infestation, and wildlife habitat enhancement may not exceed the annual sustainable yield.

(4) The commission and the board shall review and redetermine the annual sustainable yield for lands under their jurisdiction at least once every 5 years.

(5) Expenditures necessary to meet the requirements of this section are authorized to be made by the department pursuant to 87-1-601.

(6) For the purposes of this section, the term “annual sustainable yield” means the quantity of timber that can be harvested from forested department lands each year, taking into account the ability of forested lands to generate replacement tree growth and in accordance with:

(a) Antiquities permits may be granted only for work to be undertaken by reputable museums, universities, colleges, or other historical, scientific, or educational institutions, societies, or persons with a view toward dissemination of knowledge about cultural properties, provided a permit may not be granted unless the historic preservation officer is satisfied that the applicant possesses the necessary qualifications to guarantee the proper excavation of those sites and objects that may add substantially to knowledge about Montana and its antiquities.

(b) The antiquities permit must specify that a summary report of the investigations, containing relevant maps, documents, drawings, and photographs, must be submitted to the historic preservation officer. The historic preservation officer shall determine the appropriate time period allowable between all work undertaken and submission of the summary report.

(3) All heritage property and paleontological remains collected under an antiquities permit are the permanent property of the state and must be deposited in museums or other institutions within the state or loaned to qualified institutions outside the state, unless otherwise provided for in the antiquities permit.

CHAPTER NO. 236

AN ACT ALLOWING A TEMPORARY CHANGE OF USE OF A WATER RIGHT THROUGH A LEASE; ESTABLISHING REQUIREMENTS FOR A TEMPORARY LEASE; REQUIRING PUBLIC NOTICE; PROVIDING RULEMAKING AUTHORITY; AND PROVIDING AN EFFECTIVE DATE AND A TERMINATION DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Temporary lease of appropriation right — requirements — rulemaking. (1) Applications to temporarily lease an appropriation right that comply with the requirements of this section are not subject to the provisions of 85-2-402, 85-2-407, 85-2-408, or 85-2-436. After obtaining department approval pursuant to this section, an appropriator may temporarily lease an appropriation right.

(2) The amount of water leased may not exceed the total consumptive use of the appropriation right. For an irrigation right, the consumptive volume may not exceed 1 acre-foot per acre irrigated. The department shall determine the consumptive volume limits for other uses by rule.

(3) (a) Each appropriation right leased pursuant to this section:

(i) must have been used within the 5 years prior to the application date;

(ii) may be leased only during the period of diversion for the appropriation right; and

(iii) may not be leased for more than 2 years one time during any consecutive 10-year period.

(b) The volume of water leased may not exceed 180 acre-feet per year.

(c) The point of diversion for the appropriation right may not be changed.

(4) The use of any appropriation rights on the place of use associated with a leased appropriation right is forbidden during the term of the lease.

(5) Storage may not be added to the leased appropriation right at the point of diversion or the original place of use.

(6) This section does not apply to changes in an appropriation right that would result in leased water being transported outside Montana. Proposed out-of-state uses are subject to the provisions of 85-2-402.

(7) Water leased pursuant to this section must be measured at the point of diversion by a meter approved by the department. The appropriator shall report the amount of water measured at the end of the year in which the lease occurred or upon request of the department.

(8) An applicant proposing to lease an appropriation right pursuant to this section shall submit a correct and complete application on a form provided by the department and a fee as established by rule. The application must include:

(a) the name and address of each lessee;

(b) the name of all owners of each appropriation right;
(c) the number of each appropriation right;
(d) the proposed use and the place of use for the leased water;
(e) the source of water to be appropriated;
(f) the start and end dates of the proposed lease;
(g) the proposed diversion flow rate and volume of water to be used during the lease;
(h) evidence that the appropriation right has been used within the last 5 years;
(i) a description of how the existing use of the appropriation rights would cease at the place of use during the lease period, including the number and location of acres to be removed from irrigation, if applicable; and
(j) an analysis of potential adverse effects and description of planned actions to mitigate potential adverse effects.

(9) Within 30 days of receiving the application, the department shall approve or deny the application. An approved application must be correct and complete and meet the requirements of this section. The department may approve an application with conditions.

(10) After approval, the department shall provide notice of the proposed lease that includes the information in subsections (8)(a) through (8)(g). The department shall:
(a) mail individual notice to potentially affected appropriators identified by the department in the area of the point of diversion; and
(b) post the notice on the department’s website.

(11) (a) For 60 days from the date that notice is mailed pursuant to subsection (10), the department shall accept correct and complete objections to the proposed lease from any person whose property, water rights, or interests would be adversely affected by the proposed appropriation. The objection must be made on a form provided by the department.

(b) The department shall determine if an objection is valid. A valid objection contains facts indicating that the rights of other appropriators would be adversely affected by the lease of the appropriation right. If the department determines that an objection is valid, the approval for the use of the appropriation right under the lease is canceled and no water may be used pursuant to the lease.

(c) The owner of an appropriation right whose approval is canceled under subsection (11)(b) may request a hearing on the objection pursuant to 2-4-604 within 15 days of notice of the cancellation. The department shall issue an order reinstating approval for the use of the appropriation right under the lease if the applicant proves by a preponderance of the evidence that the water rights of other appropriators will not be adversely affected by the lease.

(12) Leased water may not be put to use until a final determination is made pursuant to subsection (11). The lessee shall provide the department with a copy of the executed lease agreement before the leased water is put to use.

(13) Violations of this section are subject to the provisions of 85-2-114 and 85-2-122. This subsection does not limit the remedies available to an appropriator to enjoin or seek damages from the owner of an appropriation right who leased the water or from a lessee.

(14) The department shall adopt rules to implement this section. The rules must include definitions of consumptive uses and criteria for determining if an
appropria
ion right has been used in the 5 years prior to the temporary lease application.

(15) The department shall report annually to the water policy interim committee provided for in 5-5-231. The report must include the number of leases, the amount of water leased, and the number of irrigated acres taken out of production.

Section 2. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 85, chapter 2, part 4, and the provisions of Title 85, chapter 2, part 4, apply to [section 1].

Section 3. Effective date. [This act] is effective July 1, 2013.

Section 4. Termination. [This act] terminates July 1, 2019.

WHEREAS, the Committee found that restorative justice programs have been established in Gallatin County, Lewis and Clark County, Missoula County, and Flathead County; and

WHEREAS, the Committee found that these programs have proven successful in significantly reducing incarceration rates and the risk that offenders will reoffend;

WHEREAS, this saves the state money that would otherwise need to be spent on providing additional jail and prison capacity at a per-inmate cost averaging about $90 a day or about $33,000 a year; and

WHEREAS, the local programs were initially supported by federal grant money passed through the Montana Board of Crime Control and technical assistance was provided by the Office of Restorative Justice established by the Legislature in 2001 and placed under the Department of Justice; and

Criminal justice practices that elevate the role of crime victims and community members in the criminal justice process, hold offenders directly accountable to the people and communities they have harmed, restore emotional and material losses, and provide a range of opportunities for victim, offender, and community dialogue, negotiation, and problem solving to bring about a greater sense of justice, repair harm, provide restitution, reduce incarceration and recidivism rates, and increase public safety.

(b) Restorative justice is intended to improve the ability of the justice system to meet the needs of victims, to encourage community and victim participation in the criminal justice process, to reduce crime and increase the public sense of safety, to hold offenders accountable, and to provide rehabilitation and reintegration of offenders back into the community.

(3)(3) Restorative justice programs A restorative justice program eligible for grant funding pursuant to this section shall use evidence-based practices, which may include but are not limited to facilitated victim-offender meetings, family group conferencing, sentencing circles, use of victim and community impact statement panels, offender accountability letters, restitution programs, constructive community service, victim awareness education, victim empathy programs, school expulsion alternatives, peer mediation, diversion programs, and community panels.

(5) The board shall produce a biennial report summarizing the grants provided, how the grant money was spent, and the program data and information reported by grant recipients.

(6) The board shall report annually to the law and justice interim committee regarding the status and performance of the restorative justice grant programs established in this section.”

Section 3. Section 46-15-411, MCA, is amended to read:

“46-15-411. Payment for medical evidence — alleged sexual offenses. (1) The local law enforcement agency within whose jurisdiction an alleged incident of sexual intercourse without consent, sexual assault, or incest occurs shall pay for the medical examination of a victim of the alleged offense when the examination is directed by the agency or when evidence obtained by the examination is used for the investigation, prosecution, or resolution of an offense.

(3) [Except as provided in 19-20-732,] the retirement benefit of a retired member:

(a) employed and earning more than allowed by subsections (1) and (2) must be temporarily reduced by $1 for each dollar earned over the maximum allowed. Monthly benefits must be reduced beginning as soon as practical after the excess earnings have been reported to the retirement system by the employer. The retirement benefit must be suspended if the retired member’s earnings over the maximum allowed exceed the gross monthly benefit amount.
Section 2. Break-in-service requirements. (1) Except as provided in [19-20-732 and] subsection (2), a retired member who first applies for retirement benefits or applies for resumed or recalculated retirement benefits pursuant to 19-20-733 based on a date of termination of January 1, 2014, or later may not be employed in a position reportable to the retirement system pursuant to 19-20-731 until the employee has a break in service of 150 calendar days commencing on the first day following the member’s date of termination.

(2) A retired member may be employed by an employer during the break-in-service period only if:

(3) If a retired member is employed in a position reportable to the retirement system in violation of this section:

(a) the retired member must be returned to active member status with the retirement system retroactive to the member’s date of retirement or the date of resumption of retirement benefits, whichever is later, and the member’s retirement benefits must be terminated;

(b) the member shall repay all retirement benefits received in violation of this section, plus interest at the actuarially assumed rate; and

(2) Except as provided in subsection (4), upon termination and retirement of a previously retired member who was reinstated to active membership pursuant to 19-20-731 before July 1, 2009:

(a) if the member earned less than 1 year of creditable service, the original benefit and retirement option that the member was receiving at the time of suspension of benefits must be reinstated beginning either the first of the month following termination or on July 1 following the date on which the retired member was reemployed, whichever is later; or

(b) if the member earned 1 year or more of creditable service, retirement benefits must be recalculated under 19-20-804 if the member would qualify for a service retirement benefit under 19-20-801 or under 19-20-802 if the member is eligible for early retirement. The recalculated benefit must include the service credit accumulated at the time of the member’s previous retirement, plus any service credit accumulated subsequent to reemployment. The recalculated benefit amount must be increased by the amount of any benefit enhancement received pursuant to 19-20-719 that the retired member was receiving when the member’s benefits were suspended.

(3) (a) Except as provided in subsection (4), upon the subsequent retirement of a formerly retired member who was reinstated to active membership pursuant to 19-20-731 on or after July 1, 2009, and earned:

(4) If a member dies during the period of reemployment following an initial retirement, the member must be considered as retiring on the day preceding the date of death and benefits must be determined according to the following:

(a) If the member elected the normal form benefit prior to reemployment, the member’s designated beneficiary must receive an amount equal to the member’s accumulated contributions on deposit.

(b) If the member elected a retirement option pursuant to 19-20-702 prior to reemployment, the benefits due are payable in accordance with the terms of the original option elected and this subsection (3).

(4) If a retired member who has not attained normal retirement age is reemployed with the same employer within 30 days from the member’s effective date of retirement or if that member is guaranteed reemployment with the same employer, the member must be considered to have continued in the status of an active member and not to have separated from service. Any retirement allowance payments received by the member must be repaid to the system, together with interest, at the actuarially assumed rate, and the retirement allowance must be canceled. (Bracketed language terminates June 30, 2015—sec. 5, Ch. 129, L. 2009.)”

(3) School districts shall ensure access to a training program consistent with subsection (1). Each coach, athletic trainer, and official participating in organized youth athletic activities shall complete the training program at least once each school year.

(4) School districts may invite the participation of appropriate advocacy groups and appropriate sports governing bodies to facilitate the requirements of subsections (1) through (3).

Section 5. Youth athletes — removal from participation following concussion — medical clearance required before return to participation. (1) An athletic trainer, coach, or official shall remove a youth athlete from participation in any organized youth athletic activity at the time
the youth athlete exhibits signs, symptoms, or behaviors consistent with a concussion.

(2) A youth athlete who has been removed from participation in an organized youth athletic activity after exhibiting signs, symptoms, or behaviors consistent with a concussion may not return to organized youth athletic activities until the youth athlete:

(a) no longer exhibits signs, symptoms, or behaviors consistent with a concussion; and

(b) receives an evaluation by a licensed health care professional and receives written clearance to return to play from the licensed health care professional. The written clearance must state:

(i) that the licensed health care professional has evaluated the youth athlete; and

(ii) that in the licensed health care professional’s opinion, the youth athlete is capable of safely resuming participation in organized youth athletic activities.

Section 6. Codification instruction. [Sections 2 through 5] are intended to be codified as an integral part of Title 20, and the provisions of Title 20 apply to [sections 2 through 5].

Section 7. Effective date. [This act] is effective on passage and approval.

CHAPTER NO. 261

[SB 161]

AN ACT CHANGING THE REQUIREMENTS FOR ESTABLISHING A SPECIAL SPEED ZONE; AND AMENDING SECTION 61-8-309, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-8-309, MCA, is amended to read:

“61-8-309. Establishment of special speed zones — engineering and traffic investigation. (1) If the commission determines upon the basis of an engineering and traffic investigation that a speed limit set by 61-8-303 is greater or less than is reasonable or safe under the conditions found to exist at an intersection, curve, or dangerous location or on a segment of a highway less than 50 miles in length under its jurisdiction, the commission may set a reasonable and safe special speed limit at that location. In the case of a school zone adjacent to a state highway, the commission is not required to base its speed limit determination solely upon the results of the engineering and traffic investigation.

(b) If a local authority requests the department of transportation or an engineer, as provided in subsection (1)(c)(i), to conduct an engineering and traffic investigation based on the belief that a speed limit on a highway under the jurisdiction of the department of transportation is greater than is reasonable or safe, the commission may not increase the speed limit under consideration as a result of the investigation.

(c) (i) A local authority may request at its own expense that an engineering and traffic investigation be completed by a licensed professional engineer selected from a list compiled and approved by a committee as provided in subsection (1)(c)(ii).
(ii) A committee containing two department of transportation staff appointed by the director and two representatives of associations whose membership comprises cities, towns, and counties, as authorized by 7-5-2141 and 7-5-4141, shall review credentials submitted by licensed professional engineers and shall determine who appears on the list of individuals authorized to conduct engineering and traffic investigations for local governments. The list must be updated every 2 years.

(iii) Upon completion of an engineering and traffic investigation conducted for a local government, the department of transportation shall submit a report to the commission with findings and recommendations. The commission shall decide on an appropriate speed limit based on the traffic investigation within 120 days from the date the investigation is submitted to the department of transportation.

(d) A local authority may request a temporary special reduced or increased speed zone for a route or route segment that is under consideration for a reduced or increased speed limit under subsection (1)(a), (1)(b), or (1)(c). If a local authority makes multiple requests for temporary special reduced or increased speed zones, the local authority shall prioritize the requests. The department of transportation shall conduct a preliminary visual and engineering review of a route or a route segment for which a temporary special speed zone is requested. The reviewing party must include a representative of the local authority. Upon completion of the preliminary review, if the department of transportation concurs with the local authority that a temporary special reduced or increased speed limit is warranted, a temporary special reduced or increased speed zone may be established upon formal approval by the commission. The temporary special reduced or increased speed limit remains in effect until a complete traffic and engineering study has been done on the route or route segment and the commission has made a determination on changing the speed limit.

(2) The department of transportation shall erect and maintain appropriate signs giving notice of special limits. If the special limits apply to a school zone, the department shall consider the use of electronic signs in lieu of or in addition to other appropriate signs. When the signs are erected, the limits are effective for those zones at all times or at other times that the commission sets.

(3) The authority of the commission under this section includes the authority to set reduced nighttime speed limits on curves and other dangerous locations.

(4) This section does not authorize the commission to set a statewide speed limit.”

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 20-9-533, MCA, is amended to read:

“20-9-533. Technology acquisition and depreciation fund — limitations. (1) The trustees of a district may establish a technology acquisition and depreciation fund for school district expenditures incurred and depreciation accrued for:

(a) the purchase, rental, repair, and maintenance, and depreciation of technological equipment, including computers and computer network access; and

(b) cloud computing services for technology infrastructure, platform, software, network, storage, security, data, database, test environment, curriculum, or desktop virtualization purposes, including any subscription or any license-based or pay-per-use service that is accessed over the internet or other remote network to meet the district’s information technology and other needs; and

(c) associated technical training for school district personnel.

(2) Any expenditures from the technology acquisition and depreciation fund must be made in accordance with the financial administration requirements for a budgeted fund pursuant to this title. The trustees of a district shall fund the technology acquisition and depreciation fund with:

(a) the state money received under 20-9-534; and

(b) other local, state, private, and federal funds received for the purpose of funding technology or technology-associated training.

(3) In depreciating the technological equipment of a school district for levies approved prior to [the effective date of this act], the trustees may include in the district’s budget, contingent upon voter approval of a levy under subsection (6) and pursuant to the school budgeting requirements of this title, an amount each fiscal year that does not exceed 20% of the original cost of any technological equipment, including computers and computer network access, that is owned by the district. The amount budgeted pursuant to levies approved prior to [the effective date of this act] may not, over time, exceed 150% of the original cost of the equipment.

(4) The annual revenue requirement for each district’s technology acquisition and depreciation fund determined within the limitations of this section must be reported by the county superintendent of schools to the board of county commissioners on or before the later of the first Tuesday in September or within 30 calendar days after receiving certified taxable values as the technology acquisition and depreciation fund levy requirement for that district, and a levy must be made by the county commissioners in accordance with 20-9-142.

(5) Any expenditure of technology acquisition and depreciation fund money must be within the limitations of the district’s final technology acquisition and depreciation fund budget and the school financial administration provisions of this title.

(6) In addition to the funds received pursuant to subsection (2), the trustees of a school district may submit a proposition to the qualified electors of the district to approve an additional levy to fund costs of providing the technologies included in subsection (1) the depreciation of technological equipment authorized under this section. The election must be called and conducted in the
manner prescribed by this title for school elections and in the manner prescribed by 15-10-425.  

(7) The technology proposition is approved if a majority of those electors voting at the election approve the levy.  Notwithstanding any other provision of law, the levy under subsection (6) is subject to 15-10-420.

(8) A district whose qualified electors have previously approved a technology levy of perpetual duration prior to [the effective date of this act] may submit a proposition to the qualified electors on or after [the effective date of this act] for an increase in the amount of the levy to cover the costs of providing technologies under subsections (1)(b) and (1)(c) or to seek relief from the obligation of tracking depreciation of equipment under a levy approved prior to [the effective date of this act].  In seeking approval of the proposition, the district shall specify a proposed revised duration of the underlying perpetual levy previously approved and a proposed duration for the proposed increase in the amount of the levy, neither of which may exceed 10 years.  If the proposition is approved by the qualified electors, both the underlying levy previously approved for a perpetual duration and the increase in the amount of the levy are subject to the revised durational limit specified on the ballot.

(9) The trustees of a district may not use revenue in the technology acquisition and depreciation fund to finance contributions to the teachers' retirement system, the public employees' retirement system, or the federal social security system or for unemployment compensation insurance."

Section 2. Saving clause.  [This act] does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before [the effective date of this act].

Section 3. Effective date.  [This act] is effective July 1, 2013.

Section 4. Applicability.  [This act] applies to a school district technology levy authorized after [the effective date of this act].

[SB 207]

AN ACT GENERALLY REVISING PROPERTY PARTITION LAWS; ADOPTING THE UNIFORM PARTITION OF HEIRS PROPERTY ACT; REQUIRING A COURT TO DETERMINE WHETHER PROPERTY TO BE PARTITIONED IS HEIRS PROPERTY; REQUIRING HEIRS PROPERTY TO BE PARTITIONED UNDER THE UNIFORM PARTITION OF HEIRS PROPERTY ACT; PROVIDING FOR INCONSISTENCIES IN EXISTING PARTITION LAWS TO BE RESOLVED IN FAVOR OF THE UNIFORM LAW; PROVIDING FOR NOTICE BY PUBLICATION AND POSTING; IMPOSING CERTAIN CONDITIONS ON REFEREES APPOINTED BY THE COURT; PROVIDING PROCEDURES FOR DETERMINING THE VALUE OF HEIRS PROPERTY; PROVIDING A PROCEDURE FOR COTENANT BUYOUTS; PROVIDING PARTITION ALTERNATIVES; PROVIDING CONSIDERATIONS FOR PARTITIONS IN KIND; PROVIDING PROCEDURES FOR OPEN-MARKET SALE, SEALED BIDS, OR AUCTIONS; PROVIDING FOR UNIFORMITY OF APPLICATION AND CONSTRUCTION; ADDRESSING CERTAIN FEDERAL ACTS; AND PROVIDING AN APPLICABILITY DATE.
Be it enacted by the Legislature of the State of Montana:

Section 1. Short title. [Sections 1 through 13] may be cited as the “Uniform Partition of Heirs Property Act”.

Section 2. Definitions. As used in [sections 1 through 13], the following definitions apply:

1. “Ascendant” means an individual who precedes another individual in lineage, in the direct line of ascent from the other individual.
2. “Collateral” means an individual who is related to another individual under the law of intestate succession of this state but who is not the other individual’s ascendant or descendant.
3. “Descendant” means an individual who follows another individual in lineage, in the direct line of descent from the other individual.
4. “Determination of value” means a court order determining the fair market value of heirs property under [section 6 or 10] or adopting the valuation of the property agreed to by all cotenants.
5. “Heirs property” means real property held in tenancy in common that satisfies all of the following requirements as of the filing of a partition action:
   a. there is no agreement in a record binding all the cotenants that governs the partition of the property;
   b. one or more of the cotenants acquired title from a relative, whether living or deceased; and
   c. any of the following applies:
      i. 20% or more of the interests are held by cotenants who are relatives;
      ii. 20% or more of the interests are held by an individual who acquired title from a relative, whether living or deceased; or
      iii. 20% or more of the cotenants are relatives.
6. “Partition by sale” means a court-ordered sale of the entire heirs property, whether by auction, sealed bids, or open-market sale conducted under [section 10].

9. “Relative” means an ascendant, descendant, or collateral or an individual otherwise related to another individual by blood, marriage, adoption, or law of this state other than [sections 1 through 13].

Section 3. Applicability — relation to other laws. (1) [Sections 1 through 13] apply to partition actions filed on or after [the effective date of this act].

2. In an action to partition real property under Title 70, chapter 29, parts 1 through 3, the court shall determine whether the property is heirs property. If the court determines that the property is heirs property, the property must be partitioned under [sections 1 through 13] unless all of the cotenants otherwise agree in a record.

3. [Sections 1 through 13] supplement Title 70, chapter 29, parts 1 through 3, and, if an action is governed by [sections 1 through 13], replace provisions of Title 70, chapter 29, parts 1 through 3, that are inconsistent with [sections 1 through 13].
Section 4. Service — notice by posting. (1) [Sections 1 through 13] do not limit or affect the method by which service of a complaint in a partition action may be made.

(2) If the plaintiff in a partition action seeks notice by publication and the court determines that the property may be heirs property, the plaintiff, not later than 10 days after the court’s determination, shall post and maintain while the action is pending a conspicuous sign on the property that is the subject of the action. The sign must state that the action has commenced and identify the name and address of the court and the common designation by which the property is known. The court may require the plaintiff to publish on the sign the name of the plaintiff and the known defendants.

Section 5. Referees. If the court appoints referees pursuant to 70-29-202, each referee, in addition to the requirements and disqualifications applicable to referees in Title 70, chapter 29, part 2, must be disinterested and impartial and not a party to or a participant in the action.

Section 6. Determination of value. (1) Except as otherwise provided in subsections (2) and (3), if the court determines that the property that is the subject of a partition action is heirs property, the court shall determine the fair market value of the property by ordering an appraisal pursuant to subsection (4).

(2) If all cotenants have agreed to the value of the property or to another method of valuation, the court shall adopt that value or the value produced by the agreed method of valuation.

(3) If the court determines that the evidentiary value of an appraisal is outweighed by the cost of the appraisal, the court, after an evidentiary hearing, shall determine the fair market value of the property and send notice to the parties of the value.

(4) If the court orders an appraisal, the court shall appoint a disinterested real estate appraiser licensed in this state to determine the fair market value of the property assuming sole ownership of the fee simple estate. On completion of the appraisal, the appraiser shall file a sworn or verified appraisal with the court.

(5) If an appraisal is conducted pursuant to subsection (4), not later than 10 days after the appraisal is filed, the court shall send notice to each party with a known address stating:

(a) the appraised fair market value of the property;

(b) that the appraisal is available at the clerk's office; and

(c) that a party may file with the court an objection to the appraisal, not later than 30 days after the notice is sent, stating the grounds for the objection.

(6) If an appraisal is filed with the court pursuant to subsection (4), the court shall conduct a hearing to determine the fair market value of the property not sooner than 30 days after a copy of the notice of the appraisal is sent to each party under subsection (5), whether or not an objection to the appraisal is filed under subsection (5)(c). In addition to the court-ordered appraisal, the court may consider any other evidence of value offered by a party.

(7) After a hearing under subsection (6), but before considering the merits of the partition action, the court shall determine the fair market value of the property and send notice to the parties of the value.

Section 7. Buyout by cotenant. (1) If any cotenant requested partition by sale, after the determination of value under [section 6], the court shall send notice to the parties that any cotenant except a cotenant that requested
partition by sale may buy all the interests of the cotenants that requested partition by sale.

(2) Not later than 45 days after the notice is sent under subsection (1), any cotenant except a cotenant that requested partition by sale may give notice to the court that it elects to buy all the interests of the cotenants that requested partition by sale.

(3) The purchase price for each of the interests of a cotenant that requested partition by sale is the value of the entire parcel determined under [section 6] multiplied by the cotenant’s fractional ownership of the entire parcel.

(4) After expiration of the period in subsection (2), the following rules apply:

(a) If only one cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall notify all the parties of that fact.

(b) If more than one cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall allocate the right to buy those interests among the electing cotenants based on each electing cotenant’s existing fractional ownership of the entire parcel divided by the total existing fractional ownership of all cotenants electing to buy and send notice to all the parties of that fact and of the price to be paid by each electing cotenant.

(c) If no cotenant elects to buy all the interests of the cotenants that requested partition by sale, the court shall send notice to all the parties of that fact and resolve the partition action under [sections 8(1) and (2)].

(5) If the court sends notice to the parties under subsection (4)(a) or (b), the court shall set a date, not sooner than 60 days after the date the notice was sent, by which electing cotenants shall pay their apportioned price into the court. After this date, the following rules apply:

(a) If all electing cotenants timely pay their apportioned price into court, the court shall issue an order reallocating all the interests of the cotenants and disburse the amounts held by the court to the persons entitled to them.

(b) If no electing cotenant timely pays its apportioned price, the court shall resolve the partition action under [sections 8(1) and (2)] as if the interests of the cotenants that requested partition by sale were not purchased.

(c) If one or more but not all of the electing cotenants fail to pay their apportioned price on time, the court shall give notice to the electing cotenants that paid their apportioned price of the interest remaining and the price for all that interest.

(6) Not later than 20 days after the court gives notice pursuant to subsection (5)(c), any cotenant that paid may elect to purchase all of the remaining interest by paying the entire price into the court. After the 20-day period, the following rules apply:

(a) If only one cotenant pays the entire price for the remaining interest, the court shall issue an order reallocating the remaining interest to that cotenant. The court shall issue promptly an order reallocating the interests of all of the cotenants and disburse the amounts held by it to the persons entitled to them.

(b) If no cotenant pays the entire price for the remaining interest, the court shall resolve the partition action under [sections 8(1) and (2)] as if the interests of the cotenants that requested partition by sale were not purchased.

(c) If more than one cotenant pays the entire price for the remaining interest, the court shall reapportion the remaining interest among those paying cotenants, based on each paying cotenant’s original fractional ownership of the entire parcel divided by the total original fractional ownership of all cotenants.
that paid the entire price for the remaining interest. The court shall issue promptly an order reallocating all of the cotenants’ interests, disburse the amounts held by it to the persons entitled to them, and promptly refund any excess payment held by the court.

(7) Not later than 45 days after the court sends notice to the parties pursuant to subsection (1), any cotenant entitled to buy an interest under this section may request the court to authorize the sale as part of the pending action of the interests of cotenants named as defendants and served with the complaint but that did not appear in the action.

(8) If the court receives a timely request under subsection (7), the court, after hearing, may deny the request or authorize the requested additional sale on such terms as the court determines are fair and reasonable, subject to the following limitations:

(a) a sale authorized under this subsection may occur only after the purchase prices for all interests subject to sale under subsections (1) through (6) have been paid into court and those interests have been reallocated among the cotenants as provided in those subsections; and

(b) the purchase price for the interest of a nonappearing cotenant is based on the court’s determination of value under [section 6].

Section 8. Partition alternatives. (1) If all the interests of all cotenants that requested partition by sale are not purchased by other cotenants pursuant to [section 7], or if after conclusion of the buyout under [section 7], a cotenant remains that has requested partition in kind, the court shall order partition in kind unless the court, after consideration of the factors listed in [section 9], finds that partition in kind will result in great prejudice to the cotenants as a group. In considering whether to order partition in kind, the court shall approve a request by two or more parties to have their individual interests aggregated.

(2) If the court does not order partition in kind under subsection (1), the court shall order partition by sale pursuant to [section 10] or, if no cotenant requested partition by sale, the court shall dismiss the action.

(3) If the court orders partition in kind pursuant to subsection (1), the court may require that one or more cotenants pay one or more other cotenants amounts so that the payments, taken together with the value of the in-kind distributions to the cotenants, will make the partition in kind just and proportionate in value to the fractional interests held.

(4) If the court orders partition in kind, the court shall allocate to the cotenants that are unknown, unlocatable, or the subject of a default judgment, if their interests were not bought out pursuant to [section 7], a part of the property representing the combined interests of these cotenants as determined by the court and this part of the property must remain undivided.

Section 9. Partition in kind — considerations. (1) In determining under [section 8(1)] whether partition in kind would result in great prejudice to the cotenants as a group, the court shall consider the following:

(a) whether the heirs property practicably can be divided among the cotenants;

(b) whether partition in kind would apportion the property in such a way that the aggregate fair market value of the parcels resulting from the division would be materially less than the value of the property if it were sold as a whole, taking into account the condition under which a court-ordered sale likely would occur;
(c) evidence of the collective duration of ownership or possession of the property by a cotenant and one or more predecessors in title or predecessors in possession to the cotenant who are or were relatives of the cotenant or each other;

(d) a cotenant’s sentimental attachment to the property, including any attachment arising because the property has ancestral or other unique or special value to the cotenant;

(e) the lawful use being made of the property by a cotenant and the degree to which the cotenant would be harmed if the cotenant could not continue the same use of the property;

(f) the degree to which the cotenants have contributed their pro rata share of the property taxes, insurance, and other expenses associated with maintaining ownership of the property or have contributed to the physical improvement, maintenance, or upkeep of the property; and

(g) any other relevant factor.

(2) The court may not consider any one factor in subsection (1) to be dispositive without weighing the totality of all relevant factors and circumstances.

Section 10. Open market sale — sealed bids — auction. (1) If the court orders a sale of heirs property, the sale must be an open-market sale unless the court finds that a sale by sealed bids or an auction would be more economically advantageous and in the best interest of the cotenants as a group.

(2) If the court orders an open-market sale and the parties, not later than 10 days after the entry of the order, agree on a real estate broker licensed in this state to offer the property for sale, the court shall appoint the broker and establish a reasonable commission. If the parties do not agree on a broker, the court shall appoint a disinterested real estate broker licensed in this state to offer the property for sale and shall establish a reasonable commission. The broker shall offer the property for sale in a commercially reasonable manner at a price no lower than the determination of value and on the terms and conditions established by the court.

(3) If the broker appointed under subsection (2) obtains within a reasonable time an offer to purchase the property for at least the determination of value:

(a) the broker shall comply with the reporting requirements in [section 11]; and

(b) the sale may be completed in accordance with state law other than [sections 1 through 13].

(4) If the broker appointed under subsection (2) does not obtain within a reasonable time an offer to purchase the property for at least the determination of value, the court, after hearing, may:

(a) approve the highest outstanding offer, if any;

(b) redetermine the value of the property and order that the property continue to be offered for an additional time; or

(c) order that the property be sold by sealed bids or at an auction.

(5) If the court orders a sale by sealed bids or an auction, the court shall set terms and conditions of the sale. If the court orders an auction, the auction must be conducted under 70-29-301.

(6) If a purchaser is entitled to a share of the proceeds of the sale, the purchaser is entitled to a credit against the price in an amount equal to the purchaser’s share of the proceeds.
Section 11. Report of open-market sale. (1) Unless required to do so within a shorter time by any other law of this state, a broker appointed under [section 10(2)] to offer heirs property for open-market sale shall file a report with the court not later than 7 days after receiving an offer to purchase the property for at least the value determined under [section 6 or 10].

(2) The report required by subsection (1) must contain the following information:
   (a) a description of the property to be sold to each buyer;
   (b) the name of each buyer;
   (c) the proposed purchase price;
   (d) the terms and conditions of the proposed sale, including the terms of any owner financing;
   (e) the amounts to be paid to lienholders;
   (f) a statement of contractual or other arrangements or conditions of the broker’s commission; and
   (g) other material facts relevant to the sale.

Section 12. Uniformity of application and construction. In applying and construing [sections 1 through 13], consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

Section 14. Codification instruction. [Sections 1 through 13] are intended to be codified as an integral part of Title 70, chapter 29, and the provisions of Title 70, chapter 29, apply to [sections 1 through 13].

Section 15. Applicability. [This act] applies to proceedings begun on or after [the effective date of this act].

(c) would be a distributee or permissible distributee of trust income or principal if the trust terminated on that date.

(17) “Revocable”, as applied to a trust, means revocable by the settlor without the consent of the trustee or a person holding an adverse interest.

(18) “Settlor” means a person, including a testator, who creates or contributes property to a trust. If more than one person creates or contributes property to a trust, each person is a settlor of the portion of the trust property attributable to that person’s contribution except to the extent another person has the power to revoke or withdraw that portion.

(19) “Spendthrift provision” means a term of a trust that restrains both voluntary and involuntary transfer of a beneficiary’s interest.

(20) “State” means a state of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States. The term includes an Indian tribe or band recognized by federal law or formally acknowledged by a state.

(21) “Terms of a trust” means the manifestation of the settlor’s intent regarding a trust’s provisions as expressed in the trust instrument or as may be established by other evidence that would be admissible in a judicial proceeding.

(22) “Trust instrument” means an instrument executed by the settlor that contains terms of the trust, including any amendments thereto.

(23) “Trustee” includes an original, additional, and successor trustee and a cotrustee.

Section 4. Knowledge. (1) Subject to subsection (2), a person has knowledge of or knows a fact if the person:

(a) has actual knowledge of it;

(b) has received a notice or notification of it; or

(c) from all the facts and circumstances known to the person at the time in question, has reason to know it.

(2) An organization that conducts activities through employees has notice or knowledge of a fact involving a trust only from the time the information was received by an employee having responsibility to act for the trust or would have been brought to the employee’s attention if the organization had exercised reasonable diligence. An organization exercises reasonable diligence if it maintains reasonable routines for communicating significant information to the employee having responsibility to act for the trust and there is reasonable compliance with the routines. Reasonable diligence does not require an employee of the organization to communicate information unless the communication is part of the individual’s regular duties or the individual knows a matter involving the trust would be materially affected by the information.

Section 5. Default and mandatory rules. (1) Except as otherwise provided in the terms of the trust, [sections 1 through 132] govern the duties and powers of a trustee, relations among trustees, and the rights and interests of a beneficiary.

(2) The terms of a trust prevail over any provision of [sections 1 through 132] except:

(a) the requirements for creating a trust;

(b) the duty of a trustee to act in good faith and in accordance with the terms and purposes of the trust and the interests of the beneficiaries;
Section 6. Common law of trusts — principles of equity. The common law of trusts and principles of equity supplement [sections 1 through 132] except to the extent modified by [sections 1 through 132] or another statute of this state.

Section 7. Governing law. The meaning and effect of the terms of a trust are determined by:

1. the law of the jurisdiction designated in the terms unless the designation of that jurisdiction’s law is contrary to a strong public policy of the jurisdiction having the most significant relationship to the matter at issue; or

2. in the absence of a controlling designation in the terms of the trust, the law of the jurisdiction having the most significant relationship to the matter at issue.

Section 8. Principal place of administration. (1) Without precluding other means for establishing a sufficient connection with the designated jurisdiction, terms of a trust designating the principal place of administration are valid and controlling if:

(a) a trustee’s principal place of business is located in or a trustee is a resident of the designated jurisdiction; or

(b) all or part of the administration occurs in the designated jurisdiction.

(2) A trustee is under a continuing duty to administer the trust at a place appropriate to its purposes, its administration, and the interests of the beneficiaries.

(3) Without precluding the right of the court to order, approve, or disapprove a transfer, the trustee, in furtherance of the duty prescribed by subsection (2), may transfer the trust’s principal place of administration to another state or to a jurisdiction outside of the United States.

(4) The trustee shall notify the qualified beneficiaries of a proposed transfer of a trust’s principal place of administration not less than 60 days before initiating the transfer. The notice of proposed transfer must include:
(a) the name of the jurisdiction to which the principal place of
administration is to be transferred;
(b) the address and telephone number at the new location at which the
trustee can be contacted;
(c) an explanation of the reasons for the proposed transfer;
(d) the date on which the proposed transfer is anticipated to occur; and
(e) the date, not less than 60 days after the giving of the notice, by which the
qualified beneficiary shall notify the trustee of an objection to the proposed
transfer.

(5) The authority of a trustee under this section to transfer a trust’s
principal place of administration terminates if a qualified beneficiary notifies
the trustee of an objection to the proposed transfer on or before the date specified
in the notice.

(6) In connection with a transfer of the trust’s principal place of
administration, the trustee may transfer some or all of the trust property to a
successor trustee designated in the terms of the trust or appointed pursuant to
[section 82].

Section 9. Methods and waiver of notice. (1) (a) Notice to a person under
[sections 1 through 132] or the sending of a document to a person under [sections
1 through 132] must be accomplished in a manner reasonably suitable under the
circumstances and likely to result in receipt of the notice or document.

(b) Permissible methods of notice or for sending a document include
first-class mail, personal delivery, delivery to the person’s last-known place of
residence or place of business, or a properly directed electronic message.

(c) Notice of at least 30 days prior to the event for which notice is given must
be reasonable unless otherwise specifically provided in [sections 1 through 132].

(2) Notice otherwise required under [sections 1 through 132] or a document
otherwise required to be sent under [sections 1 through 132] need not be
provided to a person whose identity or location is unknown to and not
reasonably ascertainable by the trustee.

(3) Notice under [sections 1 through 132] or the sending of a document under
[sections 1 through 132] may be waived by the person to be notified or sent the
document.

(4) Notice of a judicial proceeding must be given as provided in [sections 31
through 35].

Section 10. Others treated as qualified beneficiaries. (1) Except for
[section 100], whenever notice to qualified beneficiaries of a trust is required
under [sections 1 through 132], the trustee shall also give notice to any other
beneficiary who has sent the trustee a request for notice.

(2) A charitable organization expressly designated to receive distributions
under the terms of a charitable trust has the rights of a beneficiary and a
qualified beneficiary under [sections 1 through 132] if the charitable
organization, on the date the charitable organization’s qualification is being
determined:

(a) is a distributee or permissible distributee of trust income or principal;
(b) would be a distributee or permissible distributee of trust income or
principal upon the termination of the interests of other distributees or
permissible distributees then receiving or eligible to receive distributions; or
(c) would be a distributee or permissible distributee of trust income or
principal if the trust terminated on that date.
(3) A person appointed to enforce a trust created for the care of an animal or another noncharitable purpose as provided in [section 57 or 58] has the rights of a qualified beneficiary under [sections 1 through 132].

(4) With respect to a charitable trust having its principal place of administration in this state:
   (a) The attorney general of this state has the rights of a beneficiary.
   (b) The attorney general of this state has the following two rights of a qualified beneficiary:
      (i) the right to request information pursuant to [subsection 100(1)]; and
      (ii) the right to request a copy of the annual report pursuant to [section 100(3)].
   (c) The attorney general of this state has all of the rights of a qualified beneficiary if, on the date that a determination is being made as to the rights of the attorney general under this subsection:
      (i) any charitable organization:
         (A) is a distributee or permissible distributee of trust income or principal; or
         (B) would be a distributee or permissible distributee of trust income or principal if the trust terminated on that date; and
      (ii) no charitable organization expressly designated to receive distributions under the terms of the charitable trust:
         (A) is a distributee or permissible distributee of trust income or principal; or
         (B) would be a distributee or permissible distributee of trust income or principal if the trust terminated on that date.

Section 11. Nonjudicial settlement agreements. (1) For purposes of this section, “interested persons” means persons whose consent would be required in order to achieve a binding settlement were the settlement to be approved by the court.

(2) Except as otherwise provided in subsection (4)(c), interested persons may enter into a binding nonjudicial settlement agreement with respect to any matter involving a trust.

(3) Except as provided in [section 60(1)], a nonjudicial settlement agreement is valid only to the extent it does not violate a material purpose of the trust and includes terms and conditions that could be properly approved by the court under [sections 1 through 132].

(4) Matters that may be resolved by a nonjudicial settlement agreement include but are not limited to:
   (a) the interpretation or construction of the terms of the trust;
   (b) the approval of a trustee’s report or accounting;
   (c) direction to a trustee to refrain from performing a particular act or the grant to a trustee of any necessary or desirable power;
   (d) the resignation or appointment of a trustee and the determination of a trustee’s compensation;
   (e) transfer of a trust’s principal place of administration; and
   (f) liability of a trustee for an action relating to the trust.

(5) Any interested person may request the court to approve a nonjudicial settlement agreement, to determine whether the representation as provided in [sections 45 through 49] was adequate, and to determine whether the agreement contains terms and conditions the court could have properly approved.
Section 12. Rules of construction. The rules of construction that apply in this state to the interpretation of and disposition of property by will also apply as appropriate to the interpretation of the terms of a trust and the disposition of the trust property.

Section 13. Insurable interest of trustee. (1) In this section, “settlor” means a person who executes a trust instrument. The term includes a person for which a fiduciary or agent is acting.

(2) A trustee of a trust has an insurable interest in the life of an individual insured under a life insurance policy that is owned by the trustee of the trust acting in a fiduciary capacity or that designates the trust itself as the owner if, on the date the policy is issued:

(a) the insured is:
(i) a settlor of the trust; or
(ii) an individual in whom a settlor of the trust has, or would have had if living at the time the policy was issued, an insurable interest; and

(b) the life insurance proceeds are primarily for the benefit of one or more trust beneficiaries who have an insurable interest in the life of the insured as provided in 33-15-201.

Section 14. Resulting trust upon failure of trust. When the owner of property gratuitously transfers it and manifests in the trust instrument an intention that the transferee should hold the property in trust but the trust fails, the transferee holds the trust estate as a resulting trust for the transferor or the transferor’s estate unless:

(1) the transferor manifested in the trust instrument an intention that no resulting trust should arise; or

(2) the intended trust fails for illegality and the policy against unjust enrichment of the transferee is outweighed by the policy against giving relief to a person who has entered into an illegal transaction.

Section 15. Resulting trust upon full performance of trust. When the owner of property gratuitously transfers it subject to a trust that is properly declared and that is fully performed without exhausting the trust estate, the trustee holds the surplus as a resulting trust for the transferor or the transferor’s estate unless the transferor manifested in the trust instrument an intention that no resulting trust of the surplus should arise.

Section 16. Purchase money resulting trust. (1) When a transfer of property is made to one person and the purchase price is paid by another, a resulting trust arises in favor of the person who paid the purchase price.

(2) Subsection (1) does not apply in any of the following circumstances:

(a) whenever the party paying the purchase price manifests an intention that no resulting trust should arise;

(b) whenever the transferee is a spouse, child, or other natural object of the bounty of the person who paid the purchase price; or

(c) whenever the transfer is made in order to accomplish an illegal purpose and the policy against unjust enrichment of the transferee is outweighed by the policy against giving relief to a person who has entered into an illegal transaction.

(3) Subsection (2)(b) does not apply if the party paying the purchase price manifested an intention that the transferee should not have the beneficial interest in the property.
Section 17. Constructive trust. A constructive trust arises when a person holding title to property is subject to an equitable duty to convey it to another on the ground that the person holding title would be unjustly enriched if the holder were permitted to retain it.

Section 18. Resulting trusts — constructive trusts — statute of frauds. Resulting trusts and constructive trusts are considered to arise by operation of law and are valid under [section 56(3)].

Section 19. Scope and effect of part — proposed action or inaction described. (1) Subject to [section 20(2)], a trustee may give a notice of proposed action or notice of proposed inaction regarding a matter governed by [sections 88 through 104], [sections 112 through 117], the provisions of Title 72, chapter 3, part 4, or any other provision of law or [sections 1 through 132] under which a trustee has discretion to act as provided in [sections 19 through 23].

(2) For the purpose of [sections 19 through 23], a proposed action includes a course of action or a decision not to take action. [Sections 19 through 23] do not preclude an application or assertion of any other rights or remedies available to an interested party as otherwise provided in [sections 1 through 132] regarding an action to be taken or not to be taken by the trustee.

Section 20. When use of notice authorized. (1) The trustee who elects to provide notice pursuant to this part shall provide notice of the proposed action or notice of proposed inaction to each qualified beneficiary as provided in [sections 19 through 23].

(2) Notwithstanding any other provisions of [sections 19 through 23], the trustee may not use a notice of proposed action or notice of proposed inaction in any of the following circumstances:

(a) allowance of the trustee’s compensation;
(b) allowance of compensation of the attorney for the trustee;
(c) settlement of accounts or reports;
(d) preliminary and final distributions and discharge;
(e) sale of property of the trust to the trustee or to the attorney for the trustee;
(f) exchange of property of the trust for property of the trustee or for property of the attorney for the trustee;
(g) grant of an option to purchase property of the trust to the trustee or to the attorney for the trustee;
(h) allowance, payment, or compromise of a claim of the trustee, or the attorney for the trustee, against the trust;
(i) compromise of settlement of a claim, action, or proceeding by the trust against the trustee or against the attorney for the trust; and
(j) extension, renewal, or modification of the terms of a debt or other obligation of the trustee, or the attorney for the trustee, owing to or in favor of the trust.

(3) Notice of proposed action or notice of proposed inaction is not required to be given to a qualified beneficiary who consents in writing to the proposed action or inaction. The consent may be executed at any time before or after the effective date of the proposed action or inaction.

(4) A trustee is not required to provide a copy of the notice of the proposed action or notice of proposed inaction to a qualified beneficiary who is known to the trustee but who cannot be located by the trustee after reasonable diligence or who is unknown to the trustee.
Section 21. Content of notice. The notice of proposed action or notice of proposed inaction must state that it is given pursuant to this part and must include all of the following:

1. the name and mailing address of the trustee;
2. the name and telephone number of a person who may be contacted for additional information;
3. a description of the action or inaction proposed, the material facts upon which the trustee has relied in making its decision regarding the proposed action or inaction, and an explanation of the reasons for the action or inaction;
4. a statement that failure of a qualified beneficiary to object within the allowed time bars the qualified beneficiary from taking any legal action against the trustee for liability within the scope of [section 22] except as provided in [section 22(3)] and that a qualified beneficiary may want to seek independent legal advice regarding the matter at the qualified beneficiary's expense;
5. the time within which objections to the proposed action or inaction can be made, which must be at least 30 days from providing the notice of proposed action or notice of proposed inaction;
6. the time within which objections to the proposed action or inaction can be made, which must be at least 30 days from providing the notice of proposed action or notice of proposed inaction; and
7. the date on or after which the proposed action or inaction is effective.

Section 22. Objection to proposed action or inaction — petition — liability of trustee. (1) A qualified beneficiary may object to the proposed action or inaction by providing a written objection to the trustee at the address stated in the notice of proposed action or notice of proposed inaction within the time period specified in the notice of proposed action or notice of proposed inaction. The written objection may take any form reasonably calculated to communicate the objection but need not give any reason for the objection.

2. Except as provided in subsection (3), a trustee is not liable to a qualified beneficiary for an action or inaction regarding a matter governed by this part if the trustee does not receive a written objection to the proposed action or inaction from the qualified beneficiary within the applicable period and the other requirements of this part are satisfied. Except as provided in subsection (3), if no qualified beneficiary objects under this section, the trustee is not liable to any qualified beneficiary with respect to the proposed action or inaction. This section does not apply to an unborn or minor child or an incapacitated adult unless notice of the proposed action is provided to an appropriate representative pursuant to [section 47].

3. The failure of a qualified beneficiary to object does not preclude the qualified beneficiary from holding the trustee liable for a breach of trust in any of the following circumstances:
   a. if the qualified beneficiary at the time of the qualified beneficiary's failure to object did not have notice of the proposed action as prescribed in [sections 19 through 23]; or
   b. if the qualified beneficiary's failure to object was induced by improper conduct of the trustee.

4. If the trustee receives a written objection to a notice of proposed action within the applicable period, either the trustee or a qualified beneficiary may petition the court to have the proposed action taken as proposed, taken with modifications, or denied. In the proceeding, the trustee has the burden of proving that the trustee's proposed action should be taken. A qualified
beneficiary who has not objected is not estopped from opposing the proposed action in the proceeding.  

(5) If the trustee decides not to implement the proposed action, the trustee shall notify the qualified beneficiaries of the decision not to take the action and the reasons for the decision, and the trustee’s decision not to implement the proposed action does not itself give rise to liability to any beneficiary. A qualified beneficiary may petition the court to have the action taken, and the qualified beneficiary has the burden of proving that it should be taken.  

(6) If the trustee receives a written objection to a notice of proposed inaction within the applicable period, either the trustee or a qualified beneficiary may petition the court to approve the proposed inaction. In the proceeding, the trustee has the burden of proving that the trustee should not act. A qualified beneficiary who has not objected is not estopped from opposing the proposed inaction in the proceeding.  

(7) If after providing a notice of proposed inaction, the trustee decides to act, the trustee shall notify the qualified beneficiaries of the decision to act and the reasons for the decision, and the trustee’s decision does not itself give rise to liability to any beneficiary. A qualified beneficiary may petition the court to direct the trustee not to act, and the qualified beneficiary has the burden of proof.  

Section 23. Procedures not required. [Sections 19 through 23] does not require a trustee to use these procedures prior to taking any action or deciding not to act.  

Section 24. Subject matter jurisdiction. (1) The district court having jurisdiction over the trust pursuant to [sections 1 through 132] has exclusive jurisdiction of proceedings concerning the internal affairs of trusts.  

(2) The district court having jurisdiction over the trust pursuant to [sections 1 through 132] has concurrent jurisdiction of the following:  

(a) actions and proceedings to determine the existence of trusts;  
(b) actions and proceedings by or against creditors or debtors of trusts; and  
(c) other actions and proceedings involving trustees and third persons.  

Section 25. Powers of court. In proceedings concerning the internal affairs of trusts commenced pursuant to [sections 1 through 132], the court has all the powers of a district court exercising its general jurisdiction.  

Section 26. Jurisdiction over trustees and beneficiaries. Subject to [section 27]:  

(1) by accepting the trusteeship of a trust having its principal place of administration in this state, the trustee submits personally to the jurisdiction of the court under [sections 1 through 132];  

(2) to the extent of their interests in the trust, all beneficiaries of a trust having its principal place of administration in this state are subject to the jurisdiction of the court under [sections 1 through 132]; and  

(3) by accepting a distribution from a trust having its principal place of administration in this state, the recipient submits personally to the jurisdiction of the courts of this state regarding any matter involving the trust.  

Section 28. Venue. (1) Except as otherwise provided in subsection (2), venue for a judicial proceeding involving a trust is in the county of this state in which the trust’s principal place of administration is or will be located and, if the trust is created by will and the estate is not yet closed, in the county in which the decedent’s estate is being administered.

(2) If a trust has no trustee, venue for a judicial proceeding for the appointment of a trustee is in a county of this state in which a beneficiary resides, in a county in which any trust property is located, and if the trust is created by will, in the county in which the decedent’s estate was or is being administered.

(3) Except as otherwise provided in subsections (1) and (2), the proper county for commencement of a proceeding pursuant to [sections 1 through 132] is determined by the rules applicable to civil actions generally.

Section 29. Rules of procedure in trust proceedings. (1) The pleadings described in [section 37] are permitted pleadings in judicial proceedings under [sections 1 through 132].

(2) Unless specifically provided to the contrary in [sections 1 through 132] or unless inconsistent with [sections 1 through 132], the rules of civil procedure, including the rules concerning vacation of orders and appellate review, govern proceedings under [sections 1 through 132].

Section 30. Jury trial. There is no right to a jury trial in proceedings under [sections 1 through 132] concerning the internal affairs of trusts.

Section 31. Application. [Sections 32 through 35] apply to notice in proceedings commenced pursuant to [sections 24 through 44].

Section 32. Notice — method and time of giving. (1) If notice of a hearing on any petition is required and except for specific notice requirements as otherwise provided in [sections 1 through 132], the petitioner shall cause notice of the time and place of hearing of any petition to be given to any interested person or the person’s attorney if the person has appeared by attorney or requested that notice be sent to the person’s attorney.

(2) Notice must be given:

(a) by mailing a copy of the notice at least 14 days before the time set for the hearing by certified mail or ordinary first-class mail addressed to the person being notified at the post-office address given in the person’s demand for notice, if any, or at the person’s office or place of residence, if known;

(b) by delivering a copy of the notice to the person being notified personally at least 14 days before the time set for the hearing; or

(c) if the address or identity of any person is not known and cannot be ascertained with reasonable diligence, by publishing the notice in a weekly paper once a week for 3 consecutive weeks and, if in a newspaper published more often than once a week, by publishing on at least 3 different days of publication. There must be at least 10 days from the first to the last day of publication, both the first and last day being included.

(3) The court for good cause shown may provide for a different method or time of giving notice for any hearing.

(4) Proof of the giving of notice must be made on or before the hearing and filed in the proceeding. If it appears to the satisfaction of the court that notice has been regularly given or that the party entitled to notice has waived, the court shall so find in its order. When the order becomes final, it is conclusive on all persons, whether or not in being.
Section 33. Waiver of notice. A person, including a guardian ad litem, conservator, or other fiduciary, may waive notice by a writing signed by the person or the person's attorney and filed in the proceeding.

Section 34. Pleadings — when orders or notice binding one binds another — representation. In proceedings involving trusts, the following apply:

(1) Interests to be affected must be described in pleadings that give reasonable information to owners by name or class, by reference to the instrument creating the interests, or in other appropriate manner.

(2) Persons are bound by orders binding others in the following cases:

(a) Orders binding the sole holder or all coholders of a power of revocation or a presently exercisable general power of appointment, including one in the form of a power of amendment, bind other persons to the extent their interests, as objects, takers in default, or otherwise, are subject to the power.

(b) (i) To the extent there is no conflict of interest between them or among persons represented, orders binding a:

(A) conservator bind the person whose estate the conservator controls;

(B) guardian bind the ward if a conservator of the ward's estate has not been appointed;

(C) trustee bind beneficiaries of the trust in proceedings establishing or adding to a trust, to review the acts or accounts of a prior fiduciary, and in proceedings involving creditors or other third parties; and

(D) personal representative bind persons interested in the undistributed assets of a decedent's estate in actions or proceedings by or against the estate.

(ii) If there is no conflict of interest and a conservator or guardian has not been appointed, a parent may represent the parent's minor child.

(c) An unborn or unascertained person who is not otherwise represented is bound by an order to the extent the person's interest is adequately represented by another party having a substantially identical interest in the proceeding.

(3) Notice is required as follows:

(a) Notice as prescribed by [section 32] must be given to every interested person or to one who can bind an interested person as described in subsection (2)(a) or (2)(b). Notice may be given both to a person and to another who may bind the person.

(b) Notice is given to unborn or unascertained persons who are not represented under subsection (2)(a) or (2)(b) by giving notice to all known persons whose interests in the proceedings are substantially identical to those of the unborn or unascertained persons.

(4) At any point in a proceeding, a court may appoint a guardian ad litem to represent the interest of a minor, an incapacitated, unborn, or unascertained person, or a person whose identity or address is unknown if the court determines that representation of the interest otherwise would be inadequate. If not precluded by conflict of interests, a guardian ad litem may be appointed to represent several persons or interests. The court shall set out its reasons for appointing a guardian ad litem as a part of the record of the proceeding. The guardian ad litem is entitled to reasonable compensation and to costs and expenses, including attorney fees.

(5) The notice for a petition and hearing requesting the court to settle reports or pass upon the acts of the trustee or that otherwise may affect substantive property rights of a beneficiary or other interested party must state
that fact in the notice and must further state that failure to appear and object bars any further claims against the trustee relating to the subject matter of the petition.

Section 35. Additional notice. (1) The court may, on its own motion or on motion of a trustee or other person interested in the trust, require that further or additional notice be given at any stage of the proceeding. The court may prescribe the form and method of the notice to be given.

(2) A petitioner or other person required to give notice may cause notice to be given to any person interested in the trust without the need for a court order.

Section 36. Petitioners — grounds for petition. (1) Except as provided in [section 75], a trustee or beneficiary of a trust may petition the court under [sections 1 through 132] concerning the internal affairs of the trust or to determine the existence of the trust.

(2) Proceedings concerning the internal affairs of a trust include but are not limited to proceedings for any of the following purposes:

(a) determining questions of construction of a trust instrument;
(b) determining the existence or nonexistence of any immunity, power, privilege, duty, or right;
(c) determining the validity of a trust provision;
(d) ascertaining beneficiaries and determining to whom property must pass or be delivered upon final or partial termination of the trust, to the extent the determination is not made by the trust instrument;
(e) settling the accounts and passing upon the acts of the trustee, including the exercise of discretionary powers;
(f) instructing the trustee;
(g) compelling the trustee to provide information about the trust or submit a report to a qualified beneficiary if:
   (i) the trustee has failed to provide information or submit a requested report within 60 days after written request of the qualified beneficiary; and
   (ii) in the case of a report, no report has been made within 6 months preceding the request;
(h) granting powers to the trustee;
(i) fixing or allowing payment of the trustee’s compensation;
(j) appointing or removing a trustee;
(k) accepting the resignation of a trustee;
(l) compelling redress of a breach of the trust by any available remedy;
(m) approving or directing the modification or termination of the trust;
(n) approving or directing the combination or division of trusts;
(o) amending or conforming the trust instrument in the manner required to qualify a decedent’s estate for the charitable estate tax deduction under federal law, including the addition of mandatory governing instrument requirements for a charitable remainder trust as required by final regulations and rulings of the United States Internal Revenue Service, in any case in which all parties interested in the trust have submitted written agreement to the proposed changes or written disclaimer of interest;
(p) authorizing or directing transfer of a trust or trust property to or from another jurisdiction;
(q) directing transfer of a testamentary trust subject to continuing court jurisdiction from one county to another;
(r) approving removal of a testamentary trust from continuing court jurisdiction; or

(a) reforming or excusing compliance with the governing instrument of an organization pursuant to [section 110].

Section 37. Commencement of proceedings. (1) A proceeding under [sections 1 through 132] is commenced by filing a verified petition stating facts showing that the petition is authorized under [sections 1 through 132] and the grounds of the petition.

(2) The following pleadings are specifically permitted:

(a) a petition filed pursuant to [sections 1 through 132];

(b) a report or account filed in regard to a petition filed pursuant to [sections 1 through 132]; and

(c) an objection or response filed in regard to a petition, report, or account filed pursuant to [sections 1 through 132].

(3) When a petition that requires a hearing is filed with the court clerk, the clerk shall set the matter for hearing.

(4) Except as provided in 25-4-203 regarding verification by an agent or attorney, all pleadings described in subsection (2) must be verified as follows:

(a) A petition must be verified by the petitioner or, if there are two or more parties joining in the petition, by any one of the petitioners.

(b) A report or account must be verified by the person who has the duty to make the report or, if there are two or more persons having a duty to report, by any one of the persons having the duty.

(c) An objection or response must be verified by the objector or respondent or, if there are two or more parties joining in the objection or response, by any one of the objectors or respondents.

(5) In any trust proceeding, an affidavit or verified petition must be received as evidence when offered in an uncontested proceeding under [sections 1 through 132].

(6) In addition to the verification required by 25-4-203 and subsection (5), every pleading filed in connection with any trust proceeding must be signed by the attorney of the person filing the pleading if the person is represented by an attorney.

(7) Nothing in [sections 1 through 132] precludes the commencement, within a decedent’s probate, of a trust proceeding for the construction of a testamentary trust, provided the probate has not previously been closed pursuant to Title 72, chapter 3, part 10.

Section 38. Dismissal of petition. The court may dismiss a petition if it appears that the proceeding is not reasonably necessary for the protection of the interests of the trustee or beneficiary.

Section 39. Request for special notice. (1) If proceedings involving a trust are pending, a beneficiary of the trust may, in person or by attorney, serve on the trustee or the trustee’s attorney and file with the court clerk where the proceedings are pending a written request stating that the beneficiary desires special notice of the filing of all pleadings in the proceeding relating to any or all of the purposes described in [section 36] and giving an address for receiving notice by mail. Proof of service of the request on the trustee must be filed with the court clerk when the request is filed.
Except as provided in subsection (3), after serving and filing a request and proof of service pursuant to subsection (1), the beneficiary is entitled to notice pursuant to [section 32].

(3) A request for special notice made by a beneficiary whose right to notice is restricted by [section 75] is not effective.

**Section 40. Request for copy of petition.** If a trustee or beneficiary has served and filed either a notice of appearance, in person or by counsel, directed to the petitioner or the petitioner’s counsel in connection with a particular petition and proceeding or a written request for a copy of the petition and has given an address to which notice or a copy of the petition may be mailed or delivered, the petitioner shall mail a copy of the petition to the trustee or beneficiary within 5 days after service of the notice of appearance or receipt of the request.

**Section 41. Authority to make necessary orders — temporary trustee.** The court in its discretion may make any orders and take any other action necessary or proper to dispose of the matters presented by the petition, including appointment of a temporary trustee to administer the trust in whole or in part.

**Section 42. Appeal.** An appeal may be taken from the grant or denial of any final order made under [sections 1 through 132] except the following:

1. compelling the trustee to provide information or submit a report to a qualified beneficiary pursuant to [section 36(2)(g)];
2. accepting the resignation of a trustee pursuant to [section 36(2)(k)]; or
3. approving removal of a testamentary trust from continuing court jurisdiction pursuant to [section 36(2)(r)].

**Section 43. Intermittent judicial intervention in trust administration.** The administration of trusts is intended to proceed expeditiously and free of judicial intervention, subject to the jurisdiction of the court.

**Section 44. Enforcement of beneficiary’s rights under charitable trust by attorney general.** In a case involving a charitable trust subject to the jurisdiction of the attorney general, the attorney general may petition under [sections 1 through 132].

**Section 45. Representation — basic effect.** (1) Notice to a person who may represent and bind another person under [sections 45 through 49] has the same effect as if notice were given directly to the other person.

2. The consent of a person who may represent and bind another person under [sections 45 through 49] is binding on the person represented unless the person represented objects to the representation by notifying the trustee or representative before the consent would otherwise have become effective.

3. Except as otherwise provided in [sections 59 and 74], a person who under [sections 45 through 49] may represent a settlor who lacks capacity may receive notice and give a binding consent on the settlor’s behalf.

4. A settlor may not represent and bind a beneficiary under [sections 45 through 49] with respect to the termination or modification of a trust under [section 59(1)].

**Section 46. Representation by holder of general testamentary power of appointment.** To the extent there is no conflict of interest between the holder of a general testamentary power of appointment and the persons represented with respect to the particular question or dispute, the holder may
Section 47. Representation by fiduciaries and parents. To the extent there is no conflict of interest between the representative and the person represented or among those being represented with respect to a particular question or dispute:

(1) a conservator may represent and bind the estate that the conservator controls;

(2) a guardian may represent and bind the ward if a conservator of the ward’s estate has not been appointed;

(3) an agent having authority to act with respect to the particular question or dispute may represent and bind the principal;

(4) a trustee may represent and bind the beneficiaries of the trust;

(5) a personal representative of a decedent’s estate may represent and bind persons interested in the estate; and

(6) a parent may represent and bind the parent’s minor or unborn child if a conservator or guardian for the child has not been appointed. The parent entitled to represent and bind the child is determined in the following order of priority:

(a) the parent who is a lineal descendant of a settlor;

(b) the parent who is a beneficiary of the trust that is the subject of the representation;

(c) the parent with legal custody of the child; and

(d) if one parent cannot be determined pursuant to the preceding criteria and if a disagreement arises between the parents seeking to represent the same child, a guardian ad litem must be appointed to represent the minor child.

Section 48. Representation by person having substantially identical interest. Unless otherwise represented, a minor, incapacitated, or unborn individual or a person whose identity or location is unknown and not reasonably ascertainable may be represented by and bound by another having a substantially identical interest with respect to the particular question or dispute, but only to the extent there is no conflict of interest between the representative and the person represented.

Section 49. Appointment of representative. (1) If the court determines that an interest is not represented under [sections 45 through 49] or that the otherwise available representation might be inadequate, the court may appoint a representative to receive notice, give consent, and otherwise represent, bind, and act on behalf of a minor, incapacitated, or unborn individual or a person whose identity or location is unknown. A representative may be appointed to represent several persons or interests.

(2) A representative may act on behalf of the individual represented with respect to any matter arising under [sections 1 through 132], whether or not a judicial proceeding concerning the trust is pending.

(3) In making decisions, a representative may consider general benefit accruing to the living members of the individual’s family.

Section 50. Methods of creating trust. A trust may be created by:

(1) transfer of property to a person as trustee during the settlor’s lifetime or by will or other disposition taking effect upon the settlor’s death;

(2) declaration by the owner of property that the owner holds identifiable property as trustee; or
Section 51. Requirements for creation. (1) A trust is created only if:
   (a) the settlor has capacity to create a trust;
   (b) the settlor indicates an intention to create the trust;
   (c) the trust has a definite beneficiary or is:
      (i) a charitable trust;
      (ii) a trust for the care of an animal, as provided in [section 57]; or
      (iii) a trust for a noncharitable purpose, as provided in [section 58];
   (d) the trustee has duties to perform; and
   (e) the same person is not the sole trustee and sole beneficiary.

(2) A beneficiary is definite if the beneficiary can be ascertained now or in the future, subject to any applicable rule against perpetuities.

(3) A power in a trustee to select a beneficiary from an indefinite class is valid. If the power is not exercised within a reasonable time, the power fails and the property subject to the power passes to the persons who would have taken the property had the power not been conferred.

(4) A conservation easement created or conveyed under Title 76, chapter 6, does not create a charitable trust unless the settlor expresses a clear intention in the conservation easement instrument to create or convey the conservation easement as a charitable trust.

Section 52. Trusts created in other jurisdictions. A trust not created by will is validly created if its creation complies with the law of the jurisdiction in which the trust instrument was executed or the law of the jurisdiction in which, at the time of creation:

   (1) the settlor was domiciled, had a place of abode, or was a national;
   (2) a trustee was domiciled or had a place of business; or
   (3) any trust property was located.

Section 53. Trust purposes. A trust may be created only to the extent its purposes are lawful, not contrary to public policy, and possible to achieve. A trust and its terms must be for the benefit of its beneficiaries.

Section 54. Charitable purposes — enforcement. (1) A charitable trust may be created for the relief of poverty, the advancement of education or religion, the promotion of health, governmental or municipal purposes, or other purposes the achievement of which is beneficial to the community.

   (2) If the terms of a charitable trust do not indicate a particular charitable purpose or beneficiary, the court may select one or more charitable purposes or beneficiaries. The selection must be consistent with the settlor’s intention to the extent it can be ascertained.

   (3) A proceeding to enforce a charitable trust may be brought by the settlor, the attorney general, a charitable organization expressly named in the trust to receive distributions, or any other person with standing.

Section 55. Creation of trust induced by fraud, duress, or undue influence. A trust is void to the extent its creation was induced by fraud, duress, or undue influence.

Section 56. Statute of frauds. A trust is not valid unless evidenced by one of the following methods:

   (1) by a written instrument signed by the trustee or by the trustee’s agent if authorized in writing to do so;
Section 57. Trust for care of animal. (1) A trust may be created to provide for the care of an animal alive during the settlor's lifetime. The trust terminates upon the death of the animal or, if the trust was created to provide for the care of more than one animal alive during the settlor's lifetime, upon the death of the last surviving animal.

(2) A trust authorized by this section may be enforced by a person appointed in the terms of the trust or, if no person is so appointed, by a person appointed by the court. A person having an interest in the welfare of the animal may request the court to appoint a person to enforce the trust or to remove a person appointed.

(3) Property of a trust authorized by this section may be applied only to its intended use, except to the extent the court determines that the value of the trust property exceeds the amount required for the intended use. Except as otherwise provided in the terms of the trust, property not required for the intended use must be distributed to the settlor, if then living, and otherwise to the settlor's successors in interest.

Section 58. Noncharitable trust without ascertainable beneficiary. Except as otherwise provided in [section 57] or by another statute, the following rules apply:

(1) A trust may be created for a noncharitable purpose without a definite or definitely ascertainable beneficiary or for a noncharitable but otherwise valid purpose to be selected by the trustee. The trust may not be enforced for more than 21 years.

(2) A trust authorized by this section may be enforced by a person appointed in the terms of the trust or, if no person is so appointed, by a person appointed by the court.

(3) Property of a trust authorized by this section may be applied only to its intended use, except to the extent the court determines that the value of the trust property exceeds the amount required for the intended use. Except as otherwise provided in the terms of the trust, property not required for the intended use must be distributed to the settlor, if then living, and otherwise to the settlor's successors in interest.

Section 59. Modification or termination of trust — proceedings for approval or disapproval. (1) In addition to the methods of termination prescribed by [sections 60 through 63], a trust terminates to the extent the trust is revoked or expires pursuant to its terms, no purpose of the trust remains to be achieved, or the purposes of the trust have become unlawful, contrary to public policy, or impossible to achieve.

(2) A proceeding to approve or disapprove a proposed modification or termination under [sections 60 through 65] or a trust combination or division under [section 66] may be commenced by a trustee or beneficiary, and a proceeding to approve or disapprove a proposed modification or termination under [section 60] may be commenced by the settlor. The settlor of a charitable trust may maintain a proceeding to modify the trust under [section 62].

Section 60. Modification or termination of irrevocable trust by consent. (1) An irrevocable trust may be modified or terminated upon consent of the settlor and all beneficiaries, even if the modification or termination is inconsistent with a material noncharitable purpose of the trust. Modification or
termination of a charitable trust requires the consent of the attorney general. A settlor’s power to consent to a trust’s modification or termination may be exercised by an agent under a power of attorney only to the extent expressly authorized by the power of attorney and the terms of the trust; by the settlor’s conservator with the approval of the court supervising the conservatorship if an agent is not so authorized; or by the settlor’s guardian with the approval of the court supervising the guardianship if an agent is not so authorized and a conservator has not been appointed. This subsection does not apply to irrevocable trusts created before or to revocable trusts that became irrevocable before October 1, 1989.

(2) An irrevocable trust may be terminated upon consent of all of the beneficiaries if the court concludes that continuance of the trust is not necessary to achieve any material purpose of the trust. An irrevocable trust may be modified upon consent of all of the beneficiaries if the court concludes that modification is not inconsistent with a material purpose of the trust. Modification or termination of a charitable trust requires the consent of the attorney general.

(3) A spendthrift provision in the terms of the trust is presumed to constitute a material purpose of the trust.

(4) Upon termination of a trust under subsection (1) or (2), the trustee shall distribute the trust property as agreed by the beneficiaries. In the case of a charitable trust, the trust property must be distributed in accord with the terms of the trust, and in the absence of applicable terms, consistent with the charitable purposes of the trust as agreed by the attorney general and the beneficiaries or, if there are no charitable organizations with the rights of a beneficiary and the termination is pursuant to subsection (1), then as agreed by the settlor and the attorney general, but if the termination is pursuant to subsection (2), then as decided by the court.

(5) If not all of the beneficiaries consent to a proposed modification or termination of the trust under subsection (1) or (2), the modification or termination may be approved by the court if the court is satisfied that:

(a) if all of the beneficiaries had consented, the trust could have been modified or terminated under this section; and

(b) the interests of a beneficiary who does not consent will be adequately protected.

Section 61. Modification or termination because of unanticipated circumstances or inability to administer trust effectively. (1) The court may modify the administrative or dispositive terms of a trust or terminate the trust if, because of circumstances not anticipated by the settlor, modification or termination will further the purposes of the trust. To the extent practicable, the modification must be made in accordance with the settlor’s probable intention.

(2) The court may modify the administrative terms of a trust if continuation of the trust on its existing terms would be impracticable or wasteful or impair the trust’s administration.

(3) Upon termination of a trust under this section, the trustee shall distribute the trust property in a manner consistent with the purposes of the trust.

Section 62. Cy pres. (1) Except as otherwise provided in subsection (2), if a particular charitable purpose becomes unlawful, impracticable, impossible to achieve, or wasteful:

(a) the trust does not fail, in whole or in part;
(b) the trust property does not revert to the settlor or the settlor's successors in interest; and

c) the court may apply cy pres to modify or terminate the trust by directing that the trust property be applied or distributed, in whole or in part, in a manner consistent with the settlor's charitable purposes.

(2) A provision in the terms of a charitable trust that would result in distribution of the trust property to a noncharitable beneficiary prevails over the power of the court under subsection (1) to apply cy pres to modify or terminate the trust only if, when the provision takes effect:

(a) the trust property is to revert to the settlor and the settlor is still living; or

(b) fewer than 21 years have elapsed since the date of the trust's creation.

Section 63. Modification or termination of uneconomic trust. (1) After notice to the qualified beneficiaries, the trustee of a trust consisting of trust property having a total value less than $100,000 may terminate the trust if the trustee concludes that the value of the trust property is insufficient to justify the cost of administration.

(2) The court may modify or terminate a trust or remove the trustee and appoint a different trustee if it determines that the value of the trust property is insufficient to justify the cost of administration.

(3) Upon termination of a trust under this section, the trustee shall distribute the trust property in a manner consistent with the purposes of the trust.

Section 64. Reformation to correct mistakes. The court may reform the terms of a trust, even if unambiguous, to conform the terms to the settlor's intention if it is proved by clear and convincing evidence what the settlor's intention was and that the terms of the trust were affected by a mistake of fact or law, whether in expression or inducement.

Section 65. Modification to achieve settlor's tax objectives. To achieve the settlor's tax objectives, the court may modify the terms of a trust in a manner that is not contrary to the settlor's probable intention. The court may provide that the modification has retroactive effect.

Section 66. Combination and division of trusts. After notice to the qualified beneficiaries, a trustee may combine two or more trusts into a single trust or divide a trust into two or more separate trusts if the result does not impair rights of any beneficiary or adversely affect achievement of the purposes of the trust.

Section 67. Rights of beneficiary's creditor or assignee. To the extent a beneficiary's interest is not subject to a spendthrift provision, the court may authorize a creditor or assignee of the beneficiary to reach the beneficiary's interest by attachment of present or future distributions to or for the benefit of the beneficiary or other means. The court may limit the award to the relief that is appropriate under the circumstances.

Section 68. Spendthrift provision. (1) A spendthrift provision is valid only if it restrains both voluntary and involuntary transfer of a beneficiary's interest.

(2) A term of a trust providing that the interest of a beneficiary is held subject to a “spendthrift trust”, or words of similar import, is sufficient to restrain both voluntary and involuntary transfer of the beneficiary's interest.

(3) A beneficiary may not transfer an interest in a trust in violation of a valid spendthrift provision, and except as otherwise provided in [sections 67 through
Section 69. Discretionary trusts — effect of standard. (1) Whether or not a trust contains a spendthrift provision, a creditor of a beneficiary may not compel a distribution that is subject to the trustee's discretion even if:

(a) the discretion is expressed in the form of a standard of distribution; or

(b) the trustee has abused the discretion.

(2) This section does not limit the right of a beneficiary to maintain a judicial proceeding against a trustee for an abuse of discretion or failure to comply with a standard for distribution.

(3) If the trustee's or cotrustee's discretion to make distributions for the trustee's or cotrustee's own benefit is limited by an ascertainable standard, a creditor may not reach or compel distribution of the beneficial interest except to the extent the interest would be subject to the creditor's claim were the beneficiary not acting as trustee or cotrustee.

Section 70. Creditor's claim against settlor. (1) Whether or not the terms of a trust contain a spendthrift provision, the following rules apply:

(a) During the lifetime of the settlor, the property of a revocable trust is subject to claims of the settlor's creditors.

(b) With respect to an irrevocable trust, a creditor or assignee of the settlor may reach the maximum amount that can be distributed to or for the settlor's benefit. If a trust has more than one settlor, the amount the creditor or assignee of a particular settlor may reach may not exceed the settlor's interest in the portion of the trust attributable to that settlor's contribution. A trustee's discretionary authority to pay directly or to reimburse the settlor for any tax that is payable by the settlor on trust income or principal may not be considered to be an amount that can be distributed to or for the settlor's benefit, and a creditor or assignee of the settlor is not entitled to reach any amount solely by reason of this discretionary authority.

(c) After the death of a settlor, and subject to the settlor's right to direct the source from which liabilities will be paid, the property of a trust that was revocable at the settlor's death is subject to claims of the settlor's creditors, costs of administration of the settlor's estate, the expenses of the settlor's funeral and disposal of remains, and statutory allowances to a surviving spouse and children to the extent the settlor's probate estate is inadequate to satisfy those claims, costs, expenses, and allowances.

(2) For purposes of this section:

(a) during the period the power may be exercised, the holder of a power of withdrawal is treated in the same manner as the settlor of a revocable trust to the extent of the property subject to the power; and

(b) upon the lapse, release, or waiver of the power, the holder is treated as the settlor of the trust only to the extent the value of the property affected by the lapse, release, or waiver exceeds the greater of the amount specified in section 2041(b)(2) or 2514(e) of the Internal Revenue Code of 1986, or section 2503(b) of the Internal Revenue Code of 1986, in each case as in effect on the effective date of [sections 1 through 132] or as later amended.

Section 71. Overdue distribution. (1) (a) In this section, “mandatory distribution” means a distribution of income or principal that the trustee is required to make to a beneficiary under the terms of the trust, including a distribution upon termination of the trust.
(b) The term does not include a distribution subject to the exercise of the trustee’s discretion even if:
   (i) the discretion is expressed in the form of a standard of distribution; or
   (ii) the terms of the trust authorizing a distribution couple language of
discretion with language of direction.

(2) Whether or not a trust contains a spendthrift provision, a creditor or
assignee of a beneficiary may reach a mandatory distribution of income or
principal, including a distribution upon termination of the trust, if the trustee
has not made the distribution to the beneficiary within a reasonable time after
the designated distribution date.

Section 72. Personal obligations of trustee. Trust property is not
subject to personal obligations of the trustee, even if the trustee becomes
insolvent or bankrupt.

Section 73. Capacity of settlor of revocable trust. The capacity
required to create, amend, revoke, or add property to a revocable trust or to
direct the actions of the trustee of a revocable trust is the same as that required
to make a will.

Section 74. Revocation or amendment of revocable trust. (1) Unless
the terms of a trust expressly provide that the trust is irrevocable, the settlor
may revoke or amend the trust. This subsection does not apply to a trust created
under an instrument executed before October 1, 1989.

(2) If a revocable trust is created or funded by more than one settlor:
   (a) to the extent the trust consists of community property, the trust may be
       revoked by either party acting alone but may be amended only by joint action of
       both parties;
   (b) to the extent the trust consists of property other than community
       property, each settlor may revoke or amend the trust with regard the portion of
       the trust property attributable to that settlor’s contribution; and
   (c) upon the revocation or amendment of the trust by fewer than all of the
       settlors, the trustee shall promptly provide notice to the other settlors of the
       revocation or amendment.

(3) The settlor may revoke or amend a revocable trust:
   (a) by substantial compliance with a method provided in the terms of the
       trust; or
   (b) if the terms of the trust do not provide a method, by a writing delivered to
       the trustee manifesting clear and convincing evidence of the settlor’s intent.

(4) Upon revocation of a revocable trust, the trustee shall deliver the trust
property as the settlor directs. However, with respect to community property
under subsection (2)(a), the trustee shall deliver the property to the respective
spouses, proportionate to their respective shares of the community property as
prescribed by the laws of the state out of which the community property interest
arose, and the nonrevoking spouse may elect to have the trust continue with
respect to that spouse’s share of the community property.

(5) A settlor’s powers with respect to revocation, amendment, or distribution
of trust property may be exercised by an agent under a power of attorney only to
the extent expressly authorized by the terms of the trust and the power of
attorney.

(6) A conservator of the settlor or, if no conservator has been appointed, a
 guardian of the settlor may exercise a settlor’s powers with respect to
revocation, amendment, or distribution of trust property only with the approval of the court supervising the conservatorship or guardianship.

(7) A trustee who does not know that a trust has been revoked or amended is not liable to the settlor or settlor’s successors in interest for distributions made and other actions taken on the assumption that the trust had not been amended or revoked.

Section 75. Settlor’s powers — powers of withdrawal. (1) Notwithstanding any other provision in [sections 1 through 132], while a trust is revocable, all rights of the beneficiaries, including the right to consent to any action, are exercisable solely by the settlor, and all duties of the trustee, including the duty to provide notice, are owed exclusively to the settlor.

(2) During the period the power may be exercised, the holder of a power of withdrawal has the rights of a settlor of a revocable trust under this section to the extent of the property subject to the power.

Section 76. Limitation on action contesting validity of revocable trust — distribution of trust property. (1) A person may commence a judicial proceeding to contest the validity of a trust that was revocable at the settlor’s death within the earlier of:

(a) 3 years after the settlor’s death; or

(b) 120 days after the trustee sent the person a copy of the trust instrument and a notice informing the person of the trust’s existence, of the trustee’s name and address, and of the time allowed for commencing a proceeding.

(2) Upon the death of the settlor of a trust that was revocable at the settlor’s death, the trustee may proceed to distribute the trust property in accordance with the terms of the trust. The trustee is not subject to liability for doing so unless:

(a) the trustee knows of a pending judicial proceeding contesting the validity of the trust; or

(b) a potential contestant has notified the trustee of a possible judicial proceeding to contest the trust and a judicial proceeding is commenced within 60 days after the contestant sent the notification.

(3) A beneficiary of a trust that is determined to have been invalid is liable to return any distribution received.

Section 77. Fees and expenses — by whom paid. When the validity of a trust that was revocable at the settlor’s death is contested through a judicial proceeding, the attorney fees and costs, as provided in 25-10-201, incurred in defending the validity of the trust must be paid by the party contesting the validity of the trust if the trust is found valid. If the trust is found invalid, costs as provided in 25-10-201, but not attorney fees of the objecting party, must be paid by the party who defended the validity of the trust or out of the trust property, as the court directs.

Section 78. Separate writing identifying disposition of tangible personal property. (1) A revocable trust instrument may refer to a written statement or list to dispose of items of tangible personal property not otherwise specifically disposed of by the trust, other than money.

(2) To be admissible under this section as evidence of the intended disposition, the writing must be signed by the settlor and must describe the items and the devisees with reasonable certainty.

(3) The writing may be:

(a) referred to as one to be in existence at the time of the settlor’s death;
(b) prepared before or after the execution of the trust;
(c) altered by the settlor after its preparation; and
(d) a writing that has no significance apart from its effect upon the dispositions made by the trust.

Section 79. Accepting or declining trusteeship. (1) Except as otherwise provided in subsection (3), a person designated as trustee accepts the trusteeship:
(a) by substantially complying with a method of acceptance provided in the terms of the trust; or
(b) if the terms of the trust do not provide a method or the method provided in the terms is not expressly made exclusive, by accepting delivery of the trust property, exercising powers or performing duties as trustee, or otherwise indicating acceptance of the trusteeship.

(2) A person designated as trustee who has not yet accepted the trusteeship may reject the trusteeship. A designated trustee who does not accept the trusteeship within a reasonable time after knowing of the designation is considered to have rejected the trusteeship.

(3) A person designated as trustee, without accepting the trusteeship, may:
(a) act to preserve the trust property if, within a reasonable time after acting, the person sends a rejection of the trusteeship to the settlor or, if the settlor is dead or lacks capacity, to a qualified beneficiary; and
(b) inspect or investigate trust property to determine potential liability under environmental or other law or for any other purpose.

Section 80. Trustee’s bond. (1) A trustee shall give bond to secure performance of the trustee’s duties only if the court finds that a bond is needed to protect the interests of the beneficiaries or is required by the terms of the trust and the court has not dispensed with the requirement.

(2) The court may specify the amount of a bond, its liabilities, and whether sureties are necessary. The court may modify or terminate a bond at any time.

(3) A regulated financial-service institution qualified to do trust business in this state need not give bond, even if required by the terms of the trust.

Section 81. Cotrustees. (1) Cotrustees who are unable to reach a unanimous decision may act by majority decision.

(2) If a vacancy occurs in a cotrusteeship, the remaining cotrustees may act for the trust.

(3) A cotrustee shall participate in the performance of a trustee’s function unless the cotrustee is unavailable to perform the function because of absence, illness, disqualification under other law, or other temporary incapacity or the cotrustee has properly delegated the performance of the function to another trustee.

(4) If a cotrustee is unavailable to perform duties because of absence, illness, disqualification under other law, or other temporary incapacity and prompt action is necessary to achieve the purposes of the trust or to avoid injury to the trust property, the remaining cotrustee or a majority of the remaining cotrustees may act for the trust.

(5) A trustee may not delegate to a cotrustee the performance of a function the settlor reasonably expected the trustees to perform jointly. Unless a delegation was irrevocable, a trustee may revoke a delegation previously made.

(6) Except as otherwise provided in subsection (7), a trustee who does not join in an action of another trustee is not liable for the action.
(7) Each trustee shall exercise reasonable care to:
   (a) prevent a cotrustee from committing a serious breach of trust; and
   (b) compel a cotrustee to redress a serious breach of trust.

(8) A dissenting trustee who joins in an action at the direction of the majority of the trustees and who notifies any cotrustee of the dissent at or before the time of the action is not liable for the action unless the action is a serious breach of trust.

Section 82. Vacancy in trusteeship — appointment of successor. (1) A vacancy in a trusteeship occurs if:
   (a) a person designated as trustee rejects the trusteeship;
   (b) a person designated as trustee cannot be identified or does not exist;
   (c) a trustee resigns;
   (d) a trustee is disqualified or removed;
   (e) a trustee dies;
   (f) a guardian or conservator is appointed for an individual serving as trustee; or
   (g) a trustee has been ordered committed as provided in 53-21-102.

(2) If one or more cotrustees remain in office, a vacancy in a trusteeship need not be filled. A vacancy in a trusteeship must be filled if the trust has no remaining trustee.

(3) A vacancy in a trusteeship of a trust that is required to be filled must be filled in the following order of priority:
   (a) by a person designated in the terms of the trust to act as successor trustee;
   (b) by a person appointed by unanimous agreement of the qualified beneficiaries; or
   (c) by a person appointed by the court.

(4) Whether or not a vacancy in a trusteeship exists or is required to be filled, the court may appoint an additional trustee or special fiduciary whenever the court considers the appointment necessary for the administration of the trust.

Section 83. Resignation of trustee. (1) A trustee may resign:
   (a) upon at least 30 days’ notice to the qualified beneficiaries, the settlor, if living, and all cotrustees; or
   (b) with the approval of the court.

(2) In approving a resignation, the court may issue orders and impose conditions reasonably necessary for the protection of the trust property.

(3) Any liability of a resigning trustee or of any sureties on the trustee’s bond for acts or omissions of the trustee is not discharged or affected by the trustee’s resignation.

Section 84. Removal of trustee. (1) The settlor, a cotrustee, or a beneficiary may request the court to remove a trustee, or a trustee may be removed by the court on its own initiative.

(2) The court may remove a trustee if:
   (a) the trustee has committed a serious breach of trust;
   (b) lack of cooperation among cotrustees substantially impairs the administration of the trust;
(c) because of unfitness, unwillingness, or persistent failure of the trustee to administer the trust effectively and impartially, the court determines that removal of the trustee best serves the interests of the beneficiaries; or

(d) there has been a substantial change of circumstances or removal is requested by all of the qualified beneficiaries, the court finds that removal of the trustee best serves the interests of all of the beneficiaries and is not inconsistent with a material purpose of the trust, and a suitable cotrustee or successor trustee is available.

(3) Pending a final decision on a request to remove a trustee or in lieu of or in addition to removing a trustee, the court may order appropriate relief under [section 118(2)] as may be necessary to protect the trust property or the interests of the beneficiaries.

Section 85. Delivery of property by former trustee. (1) Unless a cotrustee remains in office or the court otherwise orders, and until the trust property is delivered to a successor trustee or other person entitled to it, a trustee who has resigned or been removed has the duties of a trustee and the powers necessary to protect the trust property.

(2) A trustee who has resigned or been removed shall proceed expeditiously to deliver the trust property within the trustee’s possession to the cotrustee, successor trustee, or other person entitled to it. If a trustee fails to deliver trust property as required in this subsection:

(a) the resigned or removed trustee is personally liable for the actual damages incurred as a result of the failure to deliver trust property; and

(b) the court, in its discretion, may order the resigned or removed trustee personally to pay the reasonable attorney fees incurred in enforcing the resigned or removed trustee’s duty to deliver trust property.

Section 86. Compensation of trustee. (1) If the terms of a trust do not specify the trustee’s compensation, a trustee is entitled to compensation that is reasonable under the circumstances.

(2) If the terms of a trust specify the trustee’s compensation, the trustee is entitled to be compensated as specified, but the court may allow more or less compensation if:

(a) the duties of the trustee are substantially different from those contemplated when the trust was created; or

(b) the compensation specified by the terms of the trust would be unreasonably low or high.

Section 87. Reimbursement of expenses. (1) A trustee is entitled to be reimbursed out of the trust property, with interest as appropriate, for:

(a) expenses that were properly incurred in the administration of the trust; and

(b) to the extent necessary to prevent unjust enrichment of the trust, expenses that were not properly incurred in the administration of the trust.

(2) An advance by the trustee of money for the protection of the trust gives rise to a lien against trust property to secure reimbursement with reasonable interest.

Section 88. Duty to administer trust. Upon acceptance of a trusteeship, the trustee shall administer the trust expeditiously and in good faith, in accordance with its terms and purposes and the interests of the beneficiaries, and in accordance with [sections 1 through 132].
Section 89. Duty of loyalty. (1) A trustee shall administer the trust solely in the interests of the beneficiaries.

(2) Subject to the rights of persons dealing with or assisting the trustee as provided in [section 130], a sale, encumbrance, or other transaction involving the investment or management of trust property entered into by the trustee for the trustee’s own personal account or that is otherwise affected by a conflict between the trustee’s fiduciary and personal interests is voidable by a beneficiary affected by the transaction unless:

(a) the transaction was authorized by the terms of the trust;
(b) the transaction was approved by the court;
(c) the beneficiary did not commence a judicial proceeding within the time allowed by [section 122];
(d) the beneficiary consented to the trustee’s conduct, ratified the transaction, or released the trustee in compliance with [section 126]; or
(e) the transaction involves a contract entered into or claim acquired by the trustee before the person became or contemplated becoming trustee.

(3) A sale, encumbrance, or other transaction involving the investment or management of trust property is presumed to be affected by a conflict between personal and fiduciary interests if it is entered into by the trustee with:

(a) the trustee’s spouse;
(b) the trustee’s descendants, siblings, parents, or their spouses;
(c) an agent or attorney of the trustee; or
(d) a corporation or other person or enterprise in which the trustee, or a person who owns a significant interest in the trustee, has an interest that might affect the trustee’s best judgment.

(4) A transaction between a trustee and a beneficiary that does not concern trust property but that occurs during the existence of the trust or while the trustee retains significant influence over the beneficiary and from which the trustee obtains an advantage is voidable by the beneficiary unless the trustee establishes that the transaction was fair to the beneficiary. However, a beneficiary’s gift to charity or to a trust for a charity’s benefit is not voidable by this subsection even though the charity may be, or may have been, serving as trustee of a trust created for the benefit of the beneficiary.

(5) A transaction not concerning trust property in which the trustee engages in the trustee’s individual capacity involves a conflict between personal and fiduciary interests if the transaction concerns an opportunity properly belonging to the trust.

(6) An investment by a trustee in securities of an investment company or investment trust to which the trustee or its affiliate provides services in a capacity other than as trustee is not presumed to be affected by a conflict between personal and fiduciary interests if the investment otherwise complies with the prudent investor rule of [sections 112 through 117]. In addition to its compensation for acting as trustee, the trustee may be compensated by the investment company or investment trust for providing those services out of fees charged to the trust. If the trustee receives compensation from the investment company or investment trust for providing investment advisory or investment management services, the trustee must at least annually notify the persons entitled under [section 100] to receive a copy of the trustee’s annual report of the rate and method by which that compensation was determined.
(7) In voting shares of stock or in exercising powers of control over similar interests in other forms of enterprise, the trustee shall act in the best interests of the beneficiaries. If the trust is the sole owner of a corporation or other form of enterprise, the trustee shall elect or appoint directors or other managers who will manage the corporation or enterprise in the best interests of the beneficiaries.

(8) This section does not preclude the following transactions, if fair to the beneficiaries:
   (a) an agreement between a trustee and a beneficiary relating to the appointment or compensation of the trustee;
   (b) payment of reasonable compensation to the trustee;
   (c) a transaction between a trust and another trust, decedent’s estate, or conservatorship of which the trustee is a fiduciary or in which a beneficiary has an interest;
   (d) a deposit of trust money in a regulated financial-service institution operated by the trustee; or
   (e) an advance by the trustee of money for the protection of the trust.

(9) The court may appoint a special fiduciary to make a decision with respect to any proposed transaction that might violate this section if entered into by the trustee.

Section 90. Impartiality. If a trust has two or more beneficiaries, the trustee shall act impartially in investing, managing, and distributing the trust property, giving due regard to the beneficiaries’ respective interests.

Section 91. Prudent administration. A trustee shall administer the trust as a prudent person would, by considering the purposes, terms, distributional requirements, and other circumstances of the trust. In satisfying this standard, the trustee shall exercise reasonable care, skill, and caution.

Section 92. Costs of administration. In administering a trust, the trustee may incur only costs that are reasonable in relation to the trust property, the purposes of the trust, and the skills of the trustee.

Section 93. Trustee’s skills. A trustee who has special skills or expertise or is named trustee in reliance upon the trustee’s representation that the trustee has special skills or expertise shall use those special skills or expertise.

Section 94. Delegation by trustee. (1) A trustee may delegate duties and powers that a prudent trustee of comparable skills could properly delegate under the circumstances. The trustee shall exercise reasonable care, skill, and caution in:
   (a) selecting an agent;
   (b) establishing the scope and terms of the delegation, consistent with the purposes and terms of the trust; and
   (c) periodically reviewing the agent’s actions in order to monitor the agent’s performance and compliance with the terms of the delegation.

   (2) In performing a delegated function, an agent owes a duty to the trust to exercise reasonable care to comply with the terms of the delegation.

   (3) A trustee who complies with subsection (1) is not liable to the beneficiaries or to the trust for an action of the agent to whom the function was delegated.

   (4) By accepting a delegation of powers or duties from the trustee of a trust that is subject to the law of this state, an agent submits to the jurisdiction of the courts of this state.
Section 95. Powers to direct. (1) While a trust is revocable, the trustee may follow a direction of the settlor that is contrary to the terms of the trust.

(2) If the terms of a trust confer upon a person other than the settlor of a revocable trust the power to direct certain actions of the trustee, the trustee shall act in accordance with an exercise of the power unless the attempted exercise is manifestly contrary to the terms of the trust or the trustee knows the attempted exercise would constitute a serious breach of a fiduciary duty that the person holding the power owes to the beneficiaries of the trust.

(3) The terms of a trust may confer upon a trustee or other person a power to direct the modification or termination of the trust.

(4) A person other than a beneficiary who holds a power to direct is presumptively a fiduciary who, as such, is required to act in good faith with regard to the purposes of the trust and the interests of the beneficiaries. The holder of a power to direct is liable for any loss that results from breach of a fiduciary duty.

Section 96. Control and protection of trust property. A trustee shall take reasonable steps to take control of and protect the trust property.

Section 97. Recordkeeping and identification of trust property. (1) A trustee shall keep adequate records of the administration of the trust.

(2) A trustee shall keep trust property separate from the trustee's own property.

(3) Except as otherwise provided in subsection (4), a trustee shall designate the trust property so that the interest of the trust, to the extent feasible, appears in records maintained by a party other than a trustee or beneficiary.

(4) If the trustee maintains records clearly indicating the respective interests, a trustee may invest as a whole the property of two or more separate trusts.

Section 98. Enforcement and defense claims. A trustee shall take reasonable steps to enforce claims of the trust and to defend claims against the trust.

Section 99. Collecting trust property. A trustee shall take reasonable steps to compel a former trustee or other person to deliver trust property to the trustee and to redress a breach of trust known to the trustee to have been committed by a former trustee.

Section 100. Duty to inform and report. A trustee shall comply with the following provisions unless the trust instrument specifically limits or waives any of these requirements:

(1) A trustee shall keep the qualified beneficiaries of the trust reasonably informed about the administration of the trust and of the material facts necessary for them to protect their interests. A trustee shall promptly respond to a qualified beneficiary’s request for information that is reasonably necessary to enable the qualified beneficiary to enforce the rights of the qualified beneficiary under the trust or to prevent or redress a breach of trust.

(2) A trustee:

(a) upon request of any beneficiary, shall promptly furnish to the beneficiary a copy of the portions of the trust instrument that describe or affect the beneficiary’s interest;

(b) within 60 days after accepting a trusteeship, shall notify the qualified beneficiaries of the acceptance and of the trustee’s name, address, and telephone number;
(c) within 60 days after the date the trustee acquires knowledge of the creation of an irrevocable trust or the date the trustee acquires knowledge that a formerly revocable trust has become irrevocable, whether by the death of the settlor or otherwise, shall notify the qualified beneficiaries of the trust's existence, of the identity of the settlor or settlors, of the right to request a copy of portions of the trust instrument as provided in subsection (2)(a), and of the right to a trustee's report as provided in subsection (3); and

(d) shall notify the qualified beneficiaries in advance of any change in the method or rate of the trustee's compensation.

(3) A trustee shall send to the distributees or permissible distributees of trust income or principal and to other qualified beneficiaries who request it, at least annually, on a calendar year or fiscal year basis consistent with tax reporting requirements and at the termination of the trust, a report of the trust property, liabilities, receipts, and disbursements, including the source and amount of the trustee's compensation, a listing of the trust assets and, if feasible, their respective market values including any cash, cash equivalents, stocks, bonds, mutual funds, or other securities, investments, or investment property held by the trustee as of the last business day of the calendar year or fiscal period, if the fair market value is readily ascertainable or the property is traded on an established public market. An appraisal or statement of fair market value may not be required for any real estate, closely held business, or other property held by the trustee as of that date if the fair market value is not readily ascertainable or traded on an established public market. A qualified beneficiary must also receive, upon request, copies of any applicable income, estate, or transfer tax returns relevant to the administration of the trust. Upon a vacancy in a trusteeship, unless a cotrustee remains in office, a report must be sent to the qualified beneficiaries by the former trustee. A personal representative, conservator, or guardian may send the qualified beneficiaries a report on behalf of a deceased or incapacitated trustee.

(4) A qualified beneficiary may waive the right to a trustee's report or other information otherwise required to be furnished under this section. A qualified beneficiary, with respect to future reports and other information, may withdraw a waiver previously given.

(5) Subsections (2)(b) and (2)(c) do not apply to a trustee who accepts a trusteeship before October 1, 2013, to an irrevocable trust created before October 1, 2013, or to a revocable trust that becomes irrevocable before October 1, 2013.

Section 101. Discretionary powers — tax savings. (1) Notwithstanding the breadth of discretion granted to a trustee in the terms of the trust, including the use of such terms as "absolute", "sole", or "uncontrolled", the trustee shall exercise a discretionary power in good faith and in accordance with the terms and purposes of the trust and the interests of the beneficiaries.

(2) Subject to subsection (4) and unless the terms of the trust expressly indicate that a rule in this subsection does not apply:

(a) a person other than a settlor who is a beneficiary and trustee of a trust that confers on the trustee a power to make discretionary distributions to or for the trustee's personal benefit may exercise the power only in accordance with an ascertainable standard; and

(b) a trustee may not exercise a power to make discretionary distributions to satisfy a legal obligation of support that the trustee personally owes another person.
(3) A power whose exercise is limited or prohibited by subsection (2) may be exercised by a majority of the remaining trustees whose exercise of the power is not so limited or prohibited. If the power of all trustees is so limited or prohibited, the court may appoint a special fiduciary with authority to exercise the power.

(4) Subsection (2) does not apply to:
   (a) a power held by the settlor’s spouse who is the trustee of a trust for which a marital deduction, as defined in section 2056(b)(5) or 2523(e) of the Internal Revenue Code of 1986, as in effect on the effective date of [sections 1 through 132] or as later amended, was previously allowed;
   (b) any trust during any period that the trust may be revoked or amended by its settlor; or
   (c) a trust if contributions to the trust qualify for the annual exclusion under section 2503(c) of the Internal Revenue Code of 1986, as in effect on the effective date of [sections 1 through 132] or as later amended.

Section 102. General powers of trustee. (1) A trustee, without authorization by the court, may exercise:
   (a) powers conferred by the terms of the trust; and
   (b) except as limited by the terms of the trust:
       (i) all powers over the trust property that an unmarried competent owner has over individually owned property;
       (ii) any other powers appropriate to achieve the proper investment, management, and distribution of the trust property; and
       (iii) any other powers conferred by [sections 1 through 132].

(2) The exercise of a power is subject to the fiduciary duties prescribed by [sections 88 through 104].

Section 103. Specific powers of trustee. Without limiting the authority conferred by [section 102], a trustee may:
   (1) collect trust property and accept or reject additions to the trust property from a settlor or any other person;
   (2) acquire or sell property, for cash or on credit, at public or private sale;
   (3) exchange, partition, or otherwise change the character of trust property;
   (4) deposit trust money in an account in a regulated financial-service institution;
   (5) borrow money, with or without security, and mortgage or pledge trust property for a period within or extending beyond the duration of the trust;
   (6) with respect to an interest in a proprietorship, partnership, limited liability company, business trust, corporation, or other form of business or enterprise, continue the business or other enterprise and take any action that may be taken by shareholders, members, or property owners, including merging, dissolving, or otherwise changing the form of business organization or contributing additional capital;
   (7) with respect to stocks or other securities, exercise the rights of an absolute owner, including the right to:
       (a) vote or give proxies to vote, with or without power of substitution, or enter into or continue a voting trust agreement;
       (b) hold a security in the name of a nominee or in other form without disclosure of the trust so that title may pass by delivery;
(c) pay calls, assessments, and other sums chargeable or accruing against the securities and sell or exercise stock subscription or conversion rights; and

(d) deposit the securities with a depositary or other regulated financial-service institution;

(8) with respect to an interest in real property, construct or make ordinary or extraordinary repairs to, alterations to, or improvements in, buildings or other structures, demolish improvements, raze existing or erect new party walls or buildings, subdivide or develop land, dedicate land to public use or grant public or private easements, and make or vacate plats and adjust boundaries;

(9) enter into a lease for any purpose as lessor or lessee, including a lease or other arrangement for exploration and removal of natural resources, with or without the option to purchase or renew, for a period within or extending beyond the duration of the trust;

(10) grant an option involving a sale, lease, or other disposition of trust property or acquire an option for the acquisition of property, including an option exercisable beyond the duration of the trust, and exercise an option so acquired;

(11) insure the property of the trust against damage or loss and insure the trustee, the trustee’s agents, and beneficiaries against liability arising from the administration of the trust;

(12) abandon or decline to administer property of no value or of insufficient value to justify its collection or continued administration;

(13) with respect to possible liability for violation of environmental law:

(a) inspect or investigate property the trustee holds or has been asked to hold, or property owned or operated by an organization in which the trustee holds or has been asked to hold an interest, for the purpose of determining the application of environmental law with respect to the property;

(b) take action to prevent, abate, or otherwise remedy any actual or potential violation of any environmental law affecting property held directly or indirectly by the trustee, whether taken before or after the assertion of a claim or the initiation of governmental enforcement;

(c) decline to accept property into trust or disclaim any power with respect to property that is or may be burdened with liability for violation of environmental law;

(d) compromise claims against the trust that may be asserted for an alleged violation of environmental law; and

(e) pay the expense of any inspection, review, abatement, or remedial action to comply with environmental law;

(14) pay or contest any claim, settle a claim by or against the trust, and release, in whole or in part, a claim belonging to the trust;

(15) pay taxes, assessments, compensation of the trustee and of employees and agents of the trust, and other expenses incurred in the administration of the trust;

(16) exercise elections with respect to federal, state, and local taxes;

(17) select a mode of payment under any employee benefit or retirement plan, annuity, or life insurance payable to the trustee, exercise rights thereunder, including exercise of the right to indemnification for expenses and against liabilities, and take appropriate action to collect the proceeds;

(18) make loans out of trust property, including loans to a beneficiary on terms and conditions the trustee considers to be fair and reasonable under the
circumstances, and assert a lien on future distributions for repayment of those loans;

(19) pledge trust property to guarantee loans made by others to the beneficiary;

(20) appoint a trustee to act in another jurisdiction with respect to trust property located in the other jurisdiction, confer upon the appointed trustee all of the powers and duties of the appointing trustee, require that the appointed trustee furnish security, and remove any trustee so appointed;

(21) pay an amount distributable to a beneficiary who is under a legal disability, or who the trustee reasonably believes is incapacitated, by paying it directly to the beneficiary or applying it for the beneficiary's benefit or by:

(a) paying it to the beneficiary's conservator or, if the beneficiary does not have a conservator, the beneficiary's guardian;

(b) paying it to the beneficiary's custodian named under the Uniform Transfers to Minors Act or to a custodial trustee pursuant to the laws of any state and, for that purpose, creating a custodianship or custodial trust;

(c) if the trustee does not know of a conservator, guardian, custodian, or custodial trustee, paying it to an adult relative or other person having legal or physical care or custody of the beneficiary, to be expended on the beneficiary's behalf;

(d) managing it as a separate fund on the beneficiary's behalf, subject to the beneficiary's continuing right to withdraw the distribution;

(22) on distribution of trust property or the division or termination of a trust, make distributions in divided or undivided interests, allocate particular assets in proportionate or disproportionate shares, value the trust property for those purposes, and adjust for resulting differences in valuation;

(23) resolve a dispute concerning the interpretation of the trust or its administration by mediation, arbitration, or other procedure for alternative dispute resolution;

(24) prosecute or defend an action, claim, or judicial proceeding in any jurisdiction to protect trust property and the trustee in the performance of the trustee's duties;

(25) sign and deliver contracts and other instruments that are useful to achieve or facilitate the exercise of the trustee's powers; and

(26) on termination of the trust, exercise the powers appropriate to wind up the administration of the trust and distribute the trust property to the persons entitled to it.

Section 104. Distribution upon termination. (1) Upon termination or partial termination of a trust, the trustee may send to the beneficiaries a proposal for distribution. The right of any beneficiary to object to the proposed distribution terminates if the beneficiary does not notify the trustee of an objection within 30 days after the proposal was sent but only if the proposal informed the beneficiary of the right to object and of the time allowed for objection.

(2) Upon the occurrence of an event terminating or partially terminating a trust, the trustee shall proceed expeditiously to distribute the trust property to the persons entitled to it, subject to the right of the trustee to retain a reasonable reserve for the payment of debts, expenses, and taxes.

(3) A release by a beneficiary of a trustee from liability for breach of trust is invalid to the extent:
(a) it was induced by improper conduct of the trustee; or
(b) the beneficiary, at the time of the release, did not know of the beneficiary's rights or of the material facts relating to the breach.

Section 105. Definitions. As used in [sections 105 through 111], the following definitions apply:

(1) “Charitable trust” means a charitable trust as described in section 4947(a)(1) of the Internal Revenue Code.
(2) “Private foundation” means a private foundation as defined in section 509 of the Internal Revenue Code.
(3) “Split-interest trust” means a split-interest trust as described in section 4947(a)(2) of the Internal Revenue Code.

Section 106. Distribution under charitable trust or private foundation. During any period when a trust is considered to be a charitable trust or a private foundation, the trustee shall distribute its income for each taxable year (and principal if necessary) at a time and in a manner that will not subject the property of the trust to tax under section 4942 of the Internal Revenue Code.

Section 107. Restrictions on trustees under charitable trust, private foundations, or split-interest trust. During any period when a trust is considered to be a charitable trust, a private foundation, or a split-interest trust, the trustee may not do any of the following:

(1) engage in any act of self-dealing as defined in section 4941(d) of the Internal Revenue Code;
(2) retain any excess business holdings as defined in section 4943(c) of the Internal Revenue Code;
(3) make any investments in a manner that subjects the property of the trust to tax under section 4944 of the Internal Revenue Code; or
(4) make any taxable expenditure as defined in section 4945(d) of the Internal Revenue Code.

Section 108. Exceptions applicable to split-interest trusts. (1) [Section 107(2) and (3)] do not apply to any trust described in section 4947(b)(3) of the Internal Revenue Code.
(2) [Section 107] does not apply with respect to any of the following:
   (a) any amounts payable under the terms of a trust to income beneficiaries unless a deduction was allowed under section 170(f)(2)(B), 2055(e)(2)(B), or 2522(c)(2)(B) of the Internal Revenue Code;
   (b) any amounts in trust other than amounts for which a deduction was allowed under section 170, 545(b)(2), 556(b)(2), 642(c), 2055, 2106(a)(2), or 2522 of the Internal Revenue Code if the amounts are segregated, as that term is defined in section 4947(a)(3) of the Internal Revenue Code, from amounts for which no deduction was allowable; or
   (c) any amounts irrevocably transferred in trust before May 27, 1969.

Section 109. Incorporation in trust instruments. The provisions of [sections 106 through 108 and 111] must be considered to be contained in the terms of the trust to which [sections 105 through 111] applies. Any term of the trust inconsistent with or contrary to [sections 105 through 111] is without effect unless that term is more restrictive.

Section 110. Proceedings. (1) A proceeding contemplated by section 101(l)(3) of the federal Tax Reform Act of 1969 (Public Law 91-172) may be commenced pursuant to [section 36] by the organization involved. All
specifically named beneficiaries of the organization and the attorney general must be parties to the proceedings. Notwithstanding [section 24], this provision is not exclusive and does not limit any jurisdiction that otherwise exists.

(2) If an instrument creating a trust affected by this section has been recorded, a notice of pendency of judicial proceedings under this section must be recorded in a similar manner within 10 days from the commencement of the proceedings. A duly certified copy of any final judgment or decree in the proceedings must be similarly recorded.

Section 111. Disposition of property upon termination of a charitable trust, private foundation, or split-interest trust. At the termination of a charitable trust, private foundation organized as a trust, or any other trust described in section 501(c)(3) of the Internal Revenue Code, the trust property must be distributed for one or more exempt purposes or to organizations that are organized and operated exclusively for exempt purposes within the meaning of section 501(c)(3) of the Internal Revenue Code or must be distributed to the federal government or to a state or local government for a public purpose. At the termination of a split-interest trust, the charitable portion of the trust property must be distributed to one or more organizations described in sections 170(c), 2055(a), and 2522(a) of the Internal Revenue Code.

Section 112. Prudent investor rule. (1) Except as provided in subsection (2), a trustee who invests and manages trust assets owes a duty to the beneficiaries of the trust to comply with the prudent investor rule.

(2) The settlor may expand or restrict the prudent investor rule by express provisions in the trust instrument. A trustee is not liable to a beneficiary for the trustee’s good faith reliance on these express provisions.

Section 113. Standard of care — investments and management — considerations. (1) A trustee shall invest and manage trust assets as a prudent investor would, by considering the purposes, terms, distribution requirements, and other circumstances of the trust. In satisfying this standard, the trustee shall exercise reasonable care, skill, and caution.

(2) A trustee’s investment and management decisions respecting individual assets and courses of action must be evaluated not in isolation, but in the context of the trust portfolio as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to the trust.

(3) Among circumstances that are appropriate to consider in investing and managing trust assets are the following, to the extent relevant to the trust or its beneficiaries:

(a) general economic conditions;
(b) the possible effect of inflation or deflation;
(c) the expected tax consequences of investment decisions or strategies;
(d) the role that each investment or course of action plays within the overall trust portfolio;
(e) the expected total return from income and the appreciation of capital;
(f) other resources of the beneficiaries known to the trustee as determined from information provided by the beneficiaries;
(g) needs for liquidity, regularity of income, and preservation or appreciation of capital; and
(h) an asset’s special relationship or special value, if any, to the purposes of the trust or to one or more of the beneficiaries.
(4) A trustee shall make a reasonable effort to ascertain facts relevant to the investment and management of trust assets.

(5) A trustee may invest in any kind of property or type of investment or engage in any course of action or investment strategy consistent with the standards of this Act.

Section 114. Diversification — duty of trustee — exception. (1) Subject to subsection (2), in making and implementing investment decisions, the trustee has a duty to diversify the investments of the trust unless, under the circumstances, it is not prudent to do so.

(2) If trust assets include farm or ranch property, a closely held family business, timber interests, or interests in oil, gas, or minerals, the trustee may elect to retain those assets. A trustee's exercise of discretion to retain assets of the character described in this subsection is not a breach of the trustee's duty to diversify investments.

Section 115. Review of assets — time for compliance. Within a reasonable time after accepting a trusteeship or receiving trust assets, a trustee shall review the trust assets and make and implement decisions concerning the retention and disposition of assets in order to bring the trust portfolio into compliance with the purposes, terms, distribution requirements, and other circumstances of the trust and with the requirements of [sections 112 through 117].

Section 116. Compliance determinations — standards. Compliance with the prudent investor rule is determined in light of the facts and circumstances existing at the time of a trustee's decision or action and not by hindsight.

Section 117. Interpretation of trust terms construing legal investments. The following terms or comparable language in the provisions of a trust, unless otherwise limited or modified, must be construed as authorizing any investment or strategy permitted under [sections 112 through 117]: “investments permissible by law for investment of trust funds”, “legal investments”, “authorized investments”, “using the judgment and care under the circumstances then prevailing that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital”, “prudent man rule”, “prudent trustee rule”, “prudent person rule”, and “prudent investor rule”.

Section 118. Remedies for breach of trust. (1) A violation by a trustee of a duty the trustee owes to a beneficiary is a breach of trust.

(2) To remedy a breach of trust that has occurred or may occur, the court may:
   (a) compel the trustee to perform the trustee’s duties;
   (b) enjoin the trustee from committing a breach of trust;
   (c) compel the trustee to redress a breach of trust by paying money, restoring property, or other means;
   (d) order a trustee to account;
   (e) appoint a special fiduciary to take possession of the trust property and administer the trust;
   (f) suspend the trustee;
   (g) remove the trustee as provided in [section 84];
(h) reduce or deny compensation to the trustee;
(i) subject to [section 129], void an act of the trustee, impose a lien or a
constructive trust on trust property, or trace trust property wrongfully disposed
of and recover the property or its proceeds; or
(j) order any other appropriate relief.

Section 119. Damages for breach of trust. (1) A trustee who commits a
breach of trust is liable to the beneficiaries affected for the greater of:
(a) any loss or depreciation in value of the trust estate resulting from the
breach of trust, with interest;
(b) the profit the trustee made by reason of the breach of trust, with interest;
or
(c) any profit that would have accrued to the trust estate if the loss of profit is
the result of the breach of trust.
(2) Except as otherwise provided in this subsection, if more than one trustee
is liable to the beneficiaries for a breach of trust, a trustee is entitled to
contribution from the other trustee or trustees. A trustee is not entitled to
contribution if the trustee was substantially more at fault than another trustee
or if the trustee committed the breach of trust in bad faith or with reckless
indifference to the fiduciary duties of the trustee, the terms or purposes of the
trust, or the interests of the beneficiaries. A trustee who received a benefit from
the breach of trust is not entitled to contribution from another trustee to the
extent of the benefit received.
(3) If the trustee is liable for interest pursuant to this section, interest must
be determined as the greater of the following amounts:
(a) the amount of interest that accrues at the legal rate on judgments; or
(b) the amount of interest the trustee actually received as a result of the
breach of trust.

Section 120. Damages in absence of breach. (1) A trustee is accountable
to an affected beneficiary for any profit made by the trustee arising from the
administration of the trust, even absent a breach of trust.
(2) Absent a breach of trust, a trustee is not liable to a beneficiary for a loss or
depreciation in the value of trust property or for not having made a profit.

Section 121. Attorney’s fees and costs. In a judicial proceeding involving
the administration of a trust, the court, as justice and equity may require, may
award costs and expenses, including reasonable attorney fees, to any party, to be
paid by another party or from the trust that is the subject of the controversy.

Section 122. Limitation of action against trustee. (1) A beneficiary
may not commence a proceeding against a trustee for breach of trust more than
3 years after the date the beneficiary or a representative of the beneficiary was
sent a report that adequately disclosed the existence of a potential claim for
breach of trust and informed the beneficiary of the time allowed for commencing
a proceeding.
(2) A report adequately discloses the existence of a potential claim for breach
of trust if it provides sufficient information so that the beneficiary or
representative knows of the potential claim or should have inquired into its
existence.
(3) If subsection (1) does not apply, a judicial proceeding by a beneficiary
against a trustee for breach of trust must be commenced within 5 years after the
first to occur of:
(a) the removal, resignation, or death of the trustee;
(b) the termination of the beneficiary's interest in the trust; or
(c) the termination of the trust.

Section 123. Reliance on trust instrument. A trustee who acts in reasonable reliance on the terms of the trust as expressed in the trust instrument is not liable to a beneficiary for a breach of trust to the extent the breach resulted from the reliance.

Section 124. Event affecting administration or distribution. If the happening of an event, including marriage, divorce, performance of educational requirements, or death, affects the administration or distribution of a trust, a trustee who has exercised reasonable care to ascertain the happening of the event is not liable for a loss resulting from the trustee's lack of knowledge.

Section 125. Exculpation of trustee. (1) A term of a trust relieving a trustee of liability for breach of trust is unenforceable to the extent that it:
(a) relieves the trustee of liability for breach of trust committed in bad faith or with reckless indifference to the fiduciary duties of the trustee, the terms or purposes of the trust, or the interests of the beneficiaries;
(b) was inserted as the result of an abuse by the trustee of a fiduciary or confidential relationship to the settlor; or
(c) relieves the trustee of accountability for profits derived from a breach of trust.

(2) An exculpatory term drafted or caused to be drafted by the trustee is invalid as an abuse of a fiduciary or confidential relationship unless the trustee proves that the exculpatory term is fair under the circumstances, that its existence and contents were adequately communicated to the settlor, and that the settlor was represented by independent legal counsel before adopting the exculpatory term.

Section 126. Beneficiary's consent, release, or ratification. A trustee is not liable to a beneficiary for breach of trust if the beneficiary consented to the conduct constituting the breach, released the trustee from liability for the breach, or ratified the transaction constituting the breach unless:

(1) the consent, release, or ratification of the beneficiary was induced by improper conduct of the trustee; or

(2) at the time of the consent, release, or ratification, the beneficiary did not know of the beneficiary's rights or of the material facts relating to the breach.

Section 127. Limitation on personal liability of trustee. (1) Except as otherwise provided in the contract, a trustee is not personally liable on a contract properly entered into in the trustee's fiduciary capacity in the course of administering the trust if the trustee in the contract disclosed the fiduciary capacity.

(2) A trustee is personally liable for torts committed in the course of administering a trust or for obligations arising from ownership or control of trust property, including liability for violation of environmental law, only if the trustee is personally at fault.

(3) A claim based on a contract entered into by a trustee in the trustee's fiduciary capacity, on an obligation arising from ownership or control of trust property, or on a tort committed in the course of administering a trust, may be asserted in a judicial proceeding against the trustee in the trustee's fiduciary capacity, whether or not the trustee is personally liable for the claim.

Section 128. Interest as general partner. (1) Unless personal liability is imposed in the contract, a trustee who in the trustee's fiduciary capacity holds
an interest as a general partner in a general or limited partnership is not personally liable on a contract entered into by the partnership after the trust’s acquisition of the interest if the fiduciary capacity was disclosed in the contract or in a statement previously filed pursuant to the Montana Uniform Partnership Act or the Montana Uniform Limited Partnership Act. The addition of the phrase “trustee” or “as trustee” or a similar designation to the signature of a trustee on a written contract is satisfactory disclosure of the fiduciary capacity.

(2) A trustee who, in the trustee’s fiduciary capacity, holds an interest as a general partner is not personally liable for torts committed by the partnership or for obligations arising from ownership or control of the interest, but this does not affect the liability of the trustee for the trustee’s own negligence, wrongful act, or misconduct.

(3) If the trustee of a revocable trust holds an interest as a general partner, the settlor is personally liable for contracts and other obligations of the partnership as if the settlor were a general partner.

Section 129. Protection of person dealing with trustee. (1) A person other than a beneficiary who in good faith assists a trustee or who in good faith and for value deals with a trustee without knowledge that the trustee is exceeding or improperly exercising the trustee’s powers is protected from liability as if the trustee properly exercised the power.

(2) A person other than a beneficiary who in good faith deals with a trustee is not required to inquire into the extent of the trustee’s powers or the propriety of their exercise.

(3) A person who in good faith delivers assets to a trustee need not ensure their proper application.

(4) A person other than a beneficiary who in good faith assists a former trustee or who in good faith and for value deals with a former trustee without knowledge that the trusteeship has terminated is protected from liability as if the former trustee were still a trustee.

(5) Comparable protective provisions of other laws relating to commercial transactions or transfer of securities by fiduciaries prevail over the protection provided by this section.

Section 130. Certification of trust. (1) Instead of furnishing a copy of the trust instrument to a person other than a beneficiary, the trustee may furnish to the person a certification of trust containing the following information:

(a) that the trust exists and the date the trust instrument was executed;
(b) the identity of the settlor;
(c) the identity and address of the currently acting trustee;
(d) the relevant powers of the trustee;
(e) the revocability or irrevocability of the trust and the identity of any person holding a power to revoke the trust; and
(f) the authority of cotrustees to sign or otherwise authenticate and whether all or less than all are required in order to exercise powers of the trustee.

(2) A certification of trust may be signed or otherwise authenticated by any trustee. Upon request, the trustee shall acknowledge the certification in order that the certification may be recorded.

(3) A certification of trust must state that the trust has not been revoked, modified, or amended in any manner that would cause the representations contained in the certification of trust to be incorrect.
(4) A certification of trust need not contain the dispositive terms of a trust.

(5) A recipient of a certification of trust may require the trustee to furnish copies of those excerpts from the original trust instrument and later amendments that designate the trustee and confer upon the trustee the power to act in the pending transaction.

(6) A person who acts in reliance upon a certification of trust without knowledge that the representations contained therein are incorrect is not liable to any person for so acting and may assume without inquiry the existence of the facts contained in the certification. Knowledge of the terms of the trust may not be inferred solely from the fact that a copy of all or part of the trust instrument is held by the person relying upon the certification.

(7) A person who in good faith enters into a transaction in reliance upon a certification of trust may enforce the transaction against the trust property as if the representations contained in the certification were correct.

(8) A person making a demand for the trust instrument in addition to a certification of trust or excerpts is liable for damages if the court determines that the person did not act in good faith in demanding the trust instrument.

(9) This section does not limit the right of a person to obtain a copy of the trust instrument when required to be furnished by law or in a judicial proceeding concerning the trust.

Section 131. Uniformity of application and construction. In applying and construing [sections 1 through 132], consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

Section 132. Electronic records and signatures. The provisions of [sections 1 through 132] governing the legal effect, validity, or enforceability of electronic records or electronic signatures and of contracts formed or performed with the use of such records or signatures conform to the requirements of section 102 of the Electronic Signatures in Global and National Commerce Act (15 U.S.C. 7002) and supersede, modify, and limit the requirements of the Electronic Signatures in Global and National Commerce Act.

Section 133. Petition to authorize proposed action — substituted judgment. (1) The conservator or other interested person may file a petition under [sections 133 through 139] for an order of the court authorizing or requiring the conservator to take a proposed action for any one or more of the following purposes:

(a) benefiting the protected person or the estate;

(b) minimizing current or prospective taxes or expenses of administration of the conservatorship estate or of the estate upon the death of the protected person; or

(c) providing gifts for any purposes and to any charities, relatives (including the protected person’s spouse, descendants, or ancestors), friends, or other objects of bounty as would be likely beneficiaries of gifts from the protected person.

(2) The action proposed in the petition may include but is not limited to the following:

(a) making gifts of principal or income, or both, of the estate, outright or in trust;
(h) conveying or releasing the protected person’s contingent and expectant interests in property, including marital property rights and any right of survivorship incident to joint tenancy or tenancy by the entirety;
(c) exercising or releasing the protected person’s powers as donee of a power of appointment;
(d) entering into contracts;
(e) creating for the benefit of the protected person or others revocable or irrevocable trusts of the property of the estate that may extend beyond the protected person’s disability or life;
(f) transferring to a trust created by the conservator or protected person any property unintentionally omitted from the trust;
(g) exercising options of the protected person to purchase or exchange securities or other property;
(h) exercising the rights of the protected person to elect benefit or payment options, to terminate or to change beneficiaries or ownership, to assign rights, to borrow, or to receive cash value in return for a surrender of rights under any of the following:
(i) life insurance policies, plans, or benefits;
(ii) annuity policies, plans, or benefits;
(iii) mutual fund and other dividend investment plans; or
(iv) retirement, profit sharing, and employee welfare plans and benefits;
(i) exercising the right of the protected person to disclaim any interest that may be disclaimed;
(j) exercising the right of the protected person to revoke or modify a revocable trust or to surrender the right to revoke or modify a revocable trust. The court may not authorize or require the conservator to exercise the right to revoke or modify a revocable trust if the instrument governing the trust:
(i) evidences an intent to reserve the right of revocation or modification exclusively to the protected person;
(ii) provides expressly that a conservator may not revoke or modify the trust; or
(iii) otherwise evidences an intent that would be inconsistent with authorizing or requiring the conservator to exercise the right to revoke or modify the trust.
(3) If an existing trust has been or is being amended, the order of the court may authorize the conservator to execute, after the trust amendment, a new “pour over” will or codicil that devides to the trustee of the amended trust other property of the protected person that had not previously been transferred to the trust.

Section 134. Notice of hearing. Notice of the hearing of the petition must be given, regardless of age, for the period and in the manner provided by 72-1-301 to all of the following:
(1) the persons required to be named in a petition for the appointment of a conservator;
(2) so far as is known to the petitioner, beneficiaries under any document executed by the protected person that may have testamentary effect unless the court for good cause dispenses with such notice;
(3) if the proposed action involves a trust, to all persons entitled to receive notice with respect to such an action under [sections 1 through 132];
so far as is known to the petitioner, the persons who, if the protected person were to die immediately, would be the protected person’s heirs under the laws of intestate succession unless the court for good cause dispenses with the notice; and

(5) other persons as the court may order.

**Section 135. Consent or lack of capacity of protected person — adequate provision for protected person and dependents.** The court may make an order authorizing or requiring the proposed action under [sections 133 through 139] only if the court determines all of the following:

1. the protected person either:
   a. is not opposed to the proposed action; or
   b. if opposed to the proposed action, lacks legal capacity for the proposed action; and

2. either the proposed action will have no adverse effect on the estate or the estate remaining after the proposed action is taken will be adequate to provide for the needs of the protected person and for the support of those legally entitled to support, maintenance, and education from the protected person, taking into account the age, physical condition, standards of living, and all other relevant circumstances of the protected person and of those legally entitled to support, maintenance, and education from the protected person.

**Section 136. Circumstances to be considered in determining whether to authorize or require proposed action.** In determining whether to authorize or require a proposed action under [sections 133 through 139], the court shall take into consideration all of the relevant circumstances, which may include but are not limited to the following:

1. whether the protected person has legal capacity for the proposed transaction and, if not, the probability of the protected person’s recovery of legal capacity;

2. the past donative declarations, practices, and conduct of the protected person;

3. the traits of the protected person;

4. the relationship and intimacy of the prospective donees with the protected person, their standards of living, and the extent to which they would be natural objects of the protected person’s bounty by any objective test based on the relationship, intimacy, and standards of living;

5. the wishes of the protected person;

6. any known estate plan of the protected person, including but not limited to:
   a. the protected person’s will;
   b. any trust of which the protected person is the settlor or beneficiary;
   c. any power of appointment created by or exercisable by the protected person; and
   d. any contract, transfer, or joint ownership arrangement with provisions for payment or transfer of benefits or interests at the protected person’s death to another or others that the protected person may have originated;

7. the manner in which the estate would devolve upon the protected person’s death, giving consideration to the age and the mental and physical condition of the protected person, the prospective devisees or heirs of the protected person, and the prospective donees;
(8) the value, liquidity, and productiveness of the estate;
(9) the minimization of current or prospective income, estate, inheritance, or other taxes or expenses of administration;
(10) changes of tax laws and other laws that would likely have motivated the protected person to alter the protected person’s estate plan;
(11) the likelihood from all the circumstances that the protected person as a reasonably prudent person would take the proposed action if the protected person had the capacity to do so;
(12) whether any beneficiary is the spouse of the protected person;
(13) whether a beneficiary has committed physical abuse, neglect, false imprisonment, or financial abuse against the protected person after the protected person was substantially unable to manage his or her financial resources or resist fraud or undue influence and whether the protected person’s disability persisted throughout the time of the hearing on the proposed action; or
(14) the mandate of [section 135] that if the proposed action is taken, the remaining assets of the estate will be adequate to provide for the needs of the protected person and for the support, maintenance and education of those legally entitled to receive such from the protected person.

Section 137. Order. After hearing, the court in its discretion may approve, modify and approve, or disapprove the proposed action and may authorize or direct the conservator to transfer or dispose of assets or take other action as provided in the court’s order.

Section 138. No duty to propose action. Nothing in [sections 133 through 139] imposes any duty on the conservator to propose any action under [sections 133 through 139], and the conservator is not liable for failure to propose any action under [sections 133 through 139].

Section 139. Production of protected person’s other relevant estate plan documents. (1) As used in this section, “estate plan of the protected person” includes but is not limited to:
(a) the protected person’s will;
(b) any trust of which the protected person is the settlor or beneficiary;
(c) any power of appointment created by or exercisable by the protected person; and
(d) any contract, transfer, or joint ownership arrangement with provisions for payment or transfer of benefits or interests at the protected person’s death to another or others that the protected person may have originated.
(2) Notwithstanding 26-1-803 or any case law relating to the attorney-client privilege, the court in its discretion may order that any person having possession of any document constituting all or part of the estate plan of the protected person shall deliver the document to the court for examination by the court and, in the discretion of the court, by the attorneys for the persons who have appeared in the proceedings under [sections 133 through 139] in connection with the petition filed under [sections 133 through 139].
(3) Unless the court otherwise orders, a person who examines any document produced pursuant to an order under this section may not disclose the contents of the document to any other person. If that disclosure is made, the court may adjudge the person making the disclosure to be in contempt of court.
(4) For good cause, the court may order that a document constituting all or part of the estate plan of the protected person, whether or not produced
pursuant to an order under this section, must be delivered for safekeeping to the
custodian designated by the court. The court may impose conditions that it
determines are appropriate for holding and safeguarding the document. The
court may authorize the conservator to take any action a depositor may take
under Montana law.

Section 140. Liability for creditor claims and statutory allowances.
A grantee beneficiary of a beneficiary deed is liable for an allowed claim against
the transferor’s probate estate and statutory allowances to a surviving spouse
and children to the extent provided in [section 141].

Section 141. Liability of nonprobate transferees for creditor claims
and statutory allowances. (1) As used in this section, “nonprobate transfer”
means a valid transfer effective at death, other than a transfer of a survivorship
interest in a joint tenancy of real estate, by a transferor whose last domicile was
in this state to the extent that the transferor immediately before death had
power, acting alone, to prevent the transfer by revocation or withdrawal and
instead to use the property for the benefit of the transferor or apply it to
discharge claims against the transferor’s probate estate.

(2) Except as otherwise provided by statute, a transferee of a nonprobate
transfer is subject to liability to any probate estate of the decedent for allowed
claims against the decedent’s probate estate and statutory allowances to the
decedent’s spouse and children to the extent the estate is insufficient to satisfy
those claims and allowances. The liability of a nonprobate transferee may not
exceed the value of nonprobate transfers received or controlled by that
transferee.

(3) Nonprobate transferees are liable for the insufficiency described in
subsection (2) in the following order of priority:

(a) a transferee designated in the decedent’s will or any other governing
instrument, as provided in the instrument;

(b) the trustee of a trust serving as the principal nonprobate instrument in
the decedent’s estate plan as shown by its designation as devisee of the
decedent’s residuary estate or by other facts or circumstances, to the extent of
the value of the nonprobate transfer received or controlled;

(c) other nonprobate transferees in proportion to the values received.

(4) Unless otherwise provided by the trust instrument, interests of
beneficiaries in all trusts incurring liabilities under this section abate as
necessary to satisfy the liability, as if all of the trust instruments were a single
will and the interests were devises under it.

(5) A provision made in one instrument may direct the apportionment of the
liability among the nonprobate transferees taking under that or any other
governing instrument. If a provision in one instrument conflicts with a
provision in another, the later one prevails.

(6) Upon due notice to a nonprobate transferee, the liability imposed by this
section is enforceable in proceedings in this state, whether or not the transferee
is located in this state.

(7) A proceeding under this section may not be commenced unless the
personal representative of the decedent’s estate has received a written demand
for the proceeding from the surviving spouse or a child, to the extent that
statutory allowances are affected, or a creditor. If the personal representative
decides or fails to commence a proceeding after demand, a person making
demand may commence the proceeding in the name of the decedent’s estate, at
the expense of the person making the demand and not of the estate. A personal
representative who declines in good faith to commence a requested proceeding incurs no personal liability for declining.

(8) A proceeding under this section must be commenced within 1 year after the decedent's death, but a proceeding on behalf of a creditor whose claim was allowed after proceedings challenging disallowance of the claim may be commenced within 60 days after final allowance of the claim.

(9) Unless a written notice asserting that a decedent's probate estate is nonexistent or insufficient to pay allowed claims and statutory allowances has been received from the decedent's personal representative, the following provisions apply:

(a) Payment or delivery of assets by a financial institution, registrar, or other obligor to a nonprobate transferee in accordance with the terms of the governing instrument controlling the transfer releases the obligor from all claims for amounts paid or assets delivered.

(b) A trustee receiving or controlling a nonprobate transfer is released from liability under this section with respect to any assets distributed to the trust's beneficiaries. Each beneficiary, to the extent of the distribution received, becomes liable for the amount of the trustee's liability attributable to assets received by the beneficiary.

Section 142. Section 31-2-209, MCA, is amended to read:

“31-2-209. Assignment — when void. An assignment for the benefit of creditors is void against any creditor of the assignor not assenting to the assignment in the following cases:

(1) if the assignment gives a preference dependent upon any condition or contingency or with any power of revocation reserved;

(2) if the assignment tends to coerce any creditor to release or compromise the creditor's demand;

(3) if the assignment provides for the payment of any claim known by the assignor to be false or fraudulent or for the payment of more upon any claim than is known to be justly due from the assignor;

(4) if the assignment reserves any interest in the assigned property or in any part of the property to the assignor or for the assignor's benefit before all existing debts are paid;

(5) if the assignment confers upon the assignee any power that, if exercised, might prevent or delay the immediate conversion of the assigned property to the purposes of the trust;

(6) if the assignment exempts the assignor from liability for neglect of duty or misconduct;

(7) if the assignment violates 72-34-105.”

Section 143. Section 32-1-102, MCA, is amended to read:

“32-1-102. Institutions to which chapter is applicable. (1) The word “bank” as used in this chapter means any corporation that has been incorporated to conduct the business of receiving money on deposit or transacting a trust or investment business, as defined in this chapter.

(2) The soliciting, receiving, or accepting of money or its equivalent on deposit as a regular business is doing a commercial or savings bank business, whether the deposit is made subject to check or is evidenced by a certificate of deposit, a passbook, a note, or other receipt. This section does not apply to or include money or its equivalent left in escrow or left with an agent pending investment in real estate or securities for or on account of the agent's principal.
It is unlawful for any corporation, partnership, firm, or individual to engage in or transact a banking business within this state except by means of a corporation duly organized for that purpose.

Banks are divided into the following classes:
(a) commercial banks;
(b) savings banks;
(c) trust companies;
(d) investment companies.

Section 144. Section 32-3-506, MCA, is amended to read:

“32-3-506. Shares in trust. (1) Shares may be issued in the name of a revocable trust if the trustor is a member, or shares may be issued in the name of an irrevocable trust if either the trustor or the beneficiary is a member. A beneficiary, unless a member in the beneficiary's own right, may not be permitted to vote, obtain loans, or hold office or be required to pay an entrance or membership fee.

(2) Payment of part or all of the shares described in subsection (1) to a trustee, to the extent of the payment, discharges the liability of the credit union to the trustee and the beneficiary, and the credit union is not obligated to see to the application of the payment.”

Section 145. Section 35-2-118, MCA, is amended to read:

“35-2-118. General powers. (1) Unless its articles of incorporation provide otherwise, a corporation has perpetual duration and succession in its corporate name and has the same powers as an individual to do all things necessary or convenient to carry out its affairs including, without limitation, power:
(a) to sue and be sued, complain, and defend in its corporate name;
(b) to have a corporate seal, which may be altered at will, and to use it or a facsimile of the seal by impressing, affixing, or in any other manner reproducing it;
(c) to make and amend bylaws, consistent with its articles of incorporation or with the laws of this state, for regulating and managing the affairs of the corporation;
(d) to purchase, receive, lease, or otherwise acquire and to own, hold, improve, use, and otherwise deal with real or personal property or any legal or equitable interest in property, wherever located;

(f) to purchase, receive, subscribe for, or otherwise acquire any other entity; to own, hold, vote, use, sell, mortgage, lend, pledge, or otherwise dispose of any other entity; and to deal in and with shares or other interests in or obligations of any other entity;

(r) to do all things necessary or convenient consistent with law to further the activities and affairs of the corporation.

(2) A corporation may not have or issue shares of stock.”

Section 146. Section 72-1-103, MCA, is amended to read:

“72-1-103. General definitions. Subject to additional definitions contained in the subsequent chapters that are applicable to specific chapters, parts, or sections and unless the context otherwise requires, in chapters 1 through 5, the following definitions apply:

(1) “Agent” includes an attorney-in-fact under a durable or nondurable power of attorney, an individual authorized to make decisions concerning another’s health care, and an individual authorized to make decisions for another under a natural death act.

Section 153. Section 72-34-424, MCA, is amended to read:

“72-34-424. Adjustments between principal and income. (1) Subject to subsection (2), a trustee may make an adjustment between principal and income to the extent the trustee considers necessary if all of the following conditions are satisfied:

(a) the trustee invests and manages trust assets under the prudent investor rule under 72-34-603 [section 112];

(b) the trust describes the amount that must or may be distributed to a beneficiary by referring to the trust’s income; and

(c) the trustee determines, after applying the rules in 72-34-423(1) and considering any power the trustee may have under the trust to invade principal or accumulate income, that the trustee is unable to comply with 72-34-423(2).

(2) A trustee may not make an adjustment between principal and income in any of the following circumstances:

(a) when it would diminish the income interest in a trust:

(i) that requires all of the income to be paid at least annually to a spouse; and

(ii) for which, if the trustee did not have the power to make the adjustment, an estate tax or gift tax marital deduction would be allowed, in whole or in part;

(b) when it would reduce the actuarial value of the income interest in a trust to which a person transfers property with the intent to qualify for a gift tax exclusion;
(c) when it would change the amount payable to a beneficiary as a fixed annuity or a fixed fraction of the value of the trust assets;

(d) when it would be made from any amount that is permanently set aside for charitable purposes under a will or trust, unless both income and principal are set aside;

(e) when possessing or exercising the power to make an adjustment would cause an individual to be treated as the owner of all or part of the trust for income tax purposes and the individual would not be treated as the owner if the trustee did not possess the power to make an adjustment;

(f) when possessing or exercising the power to make an adjustment would cause all or part of the trust assets to be included for estate tax purposes in the estate of an individual who has the power to remove a trustee or appoint a trustee, or both, and the assets would not be included in the estate of the individual if the trustee did not possess the power to make an adjustment; or

(g) when the trustee is a beneficiary of the trust.

(3) Notwithstanding 72-33-611, if subsection (2)(e), (2)(f), or (2)(g) of this section applies to a trustee and there is more than one trustee, a cotrustee to whom the provision does not apply may make the adjustment unless the exercise of the power by the remaining trustee or trustees is not permitted by the trust.

(4) A trustee may release the entire power conferred by subsection (1) or may release only the power to adjust from income to principal or the power to adjust from principal to income in either of the following circumstances:

(a) if the trustee is uncertain about whether possessing or exercising the power will cause a result described in subsections (2)(a) through (2)(f); or

(b) if the trustee determines that possessing or exercising the power will or may deprive the trust of a tax benefit or impose a tax burden not described in subsection (2).

(5) A release under subsection (4) may be permanent or for a specified period, including a period measured by the life of an individual.

(6) A trust that limits the power of a trustee to make an adjustment between principal and income does not affect the application of this section unless it is clear from the trust that it is intended to deny the trustee the power of adjustment provided by subsection (1).

(7) In deciding whether and to what extent to exercise the power to make adjustments under this section, the trustee may consider, but is not limited to considering, any of the following:

(a) the nature, purpose, and expected duration of the trust;

(b) the intent of the trustor settlor;

(c) the identity and circumstances of the beneficiaries;

(d) the needs for liquidity, regularity of income, and preservation and appreciation of capital;

(e) the assets held in the trust, the extent to which the assets consist of financial assets, interests in closely held enterprises, tangible and intangible personal property, or real property, the extent to which an asset is used by a beneficiary, and whether an asset was purchased by the trustee or received from the trustor settlor;

(f) the net amount allocated to income under other statutes and the increase or decrease in the value of the principal assets, which the trustee may estimate as to assets for which market values are not readily available;
(g) whether and to what extent the trust gives the trustee the power to invade principal or accumulate income or prohibits the trustee from invading principal or accumulating income and the extent to which the trustee has exercised a power from time to time to invade principal or accumulate income;

(h) the actual and anticipated effect of economic conditions on principal and income and effects of inflation and deflation; or

(i) the anticipated tax consequences of an adjustment.

(8) Nothing in this part or this section is intended to create or imply a duty to make an adjustment, and a trustee is not liable for not considering whether to make an adjustment or for choosing not to make an adjustment.”

Section 154. Section 72-34-446, MCA, is amended to read:

“72-34-446. Transactions in derivatives — allocations of receipts and disbursements — options to buy or sell property — allocation of amounts received or paid. (1) In this section, “derivative” means a contract or financial instrument or a combination of contracts and financial instruments that gives a trust the right or obligation to participate in some or all changes in the price of a tangible or intangible asset or group of assets or changes in a rate, an index of prices or rates, or other market indicator for an asset or a group of assets.

(2) To the extent that a trustee does not account under 72-34-435 for transactions in derivatives, the trustee shall allocate to principal receipts from and disbursements made in connection with those transactions.

(3) If a trustee grants an option to buy property from the trust, whether or not the trust owns the property when the option is granted, grants an option that permits another person to sell property to the trust, or acquires an option to buy property for the trust or an option to sell an asset owned by the trust and the trustee or other owner of the asset is required to deliver the asset if the option is exercised, an amount received for granting the option must be allocated to principal. An amount paid to acquire the option must be paid from principal. A gain or loss realized upon the exercise of an option, including an option granted to a trustor settlor of the trust for services rendered, must be allocated to principal.”

Section 155. Section 72-36-206, MCA, is amended to read:

“72-36-206. Effects on real property transactions. (1) This section relates only to conveyances of real property to or from a trust and supplements but does not modify other substantive provisions of Title 72, chapters 33 through 36 [sections 1 through 132] relating to the creation or validity of trusts.

(2) Except as otherwise provided in Title 72, chapters 33 through 36 [sections 1 through 132], a conveyance of real property to a trustee designated as such in the conveyance vests the whole estate conveyed in the trustee, subject only to the trustee’s duties. The beneficiaries of the trust take no estate or interest in the real property, but may determine or enforce the terms of the trust as provided in chapters 33 through 36 [sections 1 through 132].

(3) An instrument creating or amending a trust need not be recorded, but may be recorded if properly acknowledged.

(4) If there is no clear reference to or designation of a grantee as trustee in a conveyance or in a separately recorded instrument recorded in the same county as the conveyance and describing the same property as described in the conveyance, the conveyance must be considered to be absolute to the grantee, in favor of purchasers or encumbrancers from the grantee, who were without
actual knowledge and who acted for a valuable consideration, despite any valid trust that may exist.

(5) Unless limitations upon a trustee’s power or authority are set forth in the recorded conveyance of real property to the trustee or in a separate trust instrument, portion of a separate trust instrument, or abstract of a separate trust instrument recorded in the same county, there are no limitations upon the trustee’s power or authority to convey or encumber the real property in favor of third persons who were without actual knowledge and who acted for a valuable consideration. A separate trust instrument incorporated by reference in a conveyance to a trustee may not limit the trustee’s power or authority to convey or encumber unless the limitations are set forth in the trust instrument, portion of a trust instrument, or abstract of a trust instrument that is also recorded in the county where the real property is located. An amendment to a recorded trust instrument may not affect the power or authority of a trustee to convey or encumber unless it is also recorded in the same place.

(6) A subsequent conveyance from a person designated in the original conveyance as trustee or from the successor trustee conveys the whole estate vested in the trustee, except as limited by the terms of the conveyance. The identity of a successor trustee may be established by a recorded affidavit of the successor trustee specifying the successor trustee’s name and address and the date and circumstances of succession and confirming that the successor trustee is currently lawfully serving in that capacity.

(7) In an action or proceeding by a third person involving the real property granted to a trustee, the person designated as trustee in the original conveyance, or the successor trustee as established in subsection (6), or, if none, the person then actually serving as trustee, or, if none, any beneficiary designated by the court to represent the interests of the beneficiaries is considered the only necessary representative of the trust and of all persons with an interest in the trust. A judgment is binding upon and conclusive against the trust and all persons interested in the trust as to all matters finally adjudicated in the judgment.

(8) The designation of the name of a trust in a recorded conveyance vests the estate in the trustee of the trust. A subsequent conveyance may be made by the trustee. The identity of a party serving as trustee may be established by a recorded affidavit of the party or by another recorded instrument specifying the trustee’s name and address and confirming that the party is currently serving as the trustee.”

Section 156. Section 77-1-219, MCA, is amended to read:

“77-1-219. Public school land purchases — considerations — distributions. (1) The board may request the board of examiners to issue bonds for the purpose of purchasing interests in and appurtenances to real property selected by the board in accordance with the requirements of this section. Upon issuance of the bonds, the board shall purchase the real property and its appurtenances.

(2) Prior to requesting the issuance of bonds under subsection (1), the board shall consider the following:

(a) the income-generating potential of the real property and appurtenances;
(b) the opportunity for sustainable forest management activities and outcomes as described in 76-13-701 and 76-13-702; and
(c) the opportunity for recreational use of the real property and appurtenances consistent with Title 77, chapter 1, part 8.
(3) Prior to requesting the issuance of bonds, the board or the department, at
the board’s direction, shall complete a cost-benefit analysis of potential real
property and appurtenance purchases. This cost-benefit analysis must be made
available to the public upon request.

(4) Prior to purchasing any real property and appurtenances, the board shall
determine that the benefits of the purchase are significant and that the financial
risks are prudent. In order to reach that determination, the board shall examine
the purchase of any real property and appurtenances as if the board had a
fiduciary duty as a reasonably prudent trustee of a perpetual trust. For the
purposes of this section, that duty requires the board to:

(a) discharge its duties with the care, skill, and diligence that a prudent
person acting in a similar capacity with the same resources and familiar with
similar matters should exercise in the conduct of an enterprise of similar
character and aims;

(b) manage the land holdings purchased pursuant to 77-1-218 and this
section in accordance with an asset management plan to minimize the risk of
loss and maximize the sustained rate of return;

(c) discharge its duties and powers solely in the interest of and for the benefit
of the trust; and

(d) discharge its duties subject to the fiduciary standards set forth in
72-34-114 [section 88].

appropriation, the board is authorized to evaluate potential purchases and
purchase interests in and appurtenances to real property from the proceeds of
the account established in 77-1-228 pursuant to the limitations of 77-1-220,
77-1-228, and this section. Transactional costs may not exceed 7% of the
purchase price of acquired property. Prior to purchasing interests in and
appurtenances to real property, the board shall consider the following:

(a) the income-generating potential of the real property and appurtenances;

(b) the opportunity for sustainable forest management activities and
outcomes as described in 76-13-701 and 76-13-702;

(c) the opportunity for recreational use of the real property and
appurtenances consistent with Title 77, chapter 1, part 8; and

(d) the cost-benefits of potential real property and appurtenance purchases.
This cost-benefit analysis must be made available to the public upon request.

(2) Prior to purchasing any real property and appurtenances, the board shall
determine that the benefits of the purchase are significant and outweigh the
financial risks. In order to reach that determination, the board shall examine
the purchase of any real property and appurtenances as if the board had a
fiduciary duty as a reasonably prudent trustee of a perpetual trust. For the
purposes of this section, that duty requires the board to:

(a) discharge its duties with the care, skill, and diligence that a prudent
person acting in a similar capacity with the same resources and familiar with
similar matters should exercise in the conduct of an enterprise of similar
character and aims;

975 MONTANA SESSION LAWS 2013 Ch. 264
(b) manage the land holdings purchased pursuant to this section in accordance with an asset management plan to minimize the risk of loss and maximize the sustained rate of return;
(c) discharge its duties and powers solely in the interest of and for the benefit of the public land trust;
(d) discharge its duties subject to the fiduciary standards set forth in Section 88; and
(e) determine the potential for job creation.

(3) All interests in real property and appurtenances acquired under this section must be managed pursuant to this title and are subject to the provisions of Article X, section 11, of the Montana constitution.

(4) After deductions for administrative costs pursuant to 77-1-109, the net interest and income earned on real property and appurtenances purchased with funds from the account established in 77-1-228 must be distributed to the guarantee account provided for in 20-9-622 for distribution to public schools.”

Section 158. Section 77-2-364, MCA, is amended to read:

“77-2-364. Land banking purchases. (1) The board may select and purchase, lease, receive by donation, hold in trust, or in any manner acquire for and in the name of the state of Montana, in trust for the beneficiaries specified in sections 10 through 19 of The Enabling Act of Congress (approved February 22, 1889, 25 Stat. 676), as amended, any interest in real property and improvements, tracts, and leaseholds of land that the board considers proper in order to best provide prudent, maximum, long-term revenue for the beneficiaries.

(2) Sales of state land may be initiated only by the board, by the department, or at the request of a lessee, pursuant to 77-1-202, 77-1-301, 77-2-301, or 77-2-308. The board shall ensure that the full market value of the land sold is realized for each trust by using the appraisal, sale, advertising, and competitive bid procedures contained within 77-2-303, 77-2-321, 77-2-322, 77-2-323, and 77-2-324. The estimated fair market value must be determined by a Montana-licensed and Montana-certified appraiser.

(3) When it is not inconsistent with the purpose of the trust, the board shall purchase land possessing legal access for all legal purposes.

(4) When purchasing land, easements, or improvements for the existing trusts, the board shall develop and apply appraisal and revenue projection procedures to ensure that the land or easements proposed for purchase or that the improvements proposed to be acquired are likely to produce more net revenue for the affected trust than the revenue that was produced from the land that was sold. The board may not purchase land, easements, or improvements pursuant to 77-2-361 through 77-2-367 unless it has first prudently determined that the land, easements, or improvements are likely to produce a greater or equal annual rate of return, as may be reasonably expected over a 20-year accounting period for Class 1, 3, and 4 lands and over a 60-year accounting period for Class 2 lands, as described in 77-1-401, with an acceptable level of risk for the affected trust, than the current annual rate of return from the state land that has been sold pursuant to 77-2-363. As guidance, the board shall use generally accepted accounting standards and the Uniform Appraisal Standards for Federal Land Acquisitions published by the U.S. department of justice and the appraisal institute.

(5) Prior to purchasing any land, easements, or improvements, the board shall determine that the financial risks and benefits of the purchase are
prudent, financially productive investments that are consistent with the board's fiduciary duty as a reasonably prudent trustee of a perpetual trust. For the purposes of implementing 77-2-361 through 77-2-367, that duty requires the board to:

(a) discharge its duties with the care, skill, prudence, and diligence that a prudent person acting in a similar capacity with the same resources and familiar with similar matters should exercise in the conduct of an enterprise of similar character and aims;

(b) diversify the land holdings of each trust to minimize the risk of loss and maximize the sustained rate of return;

(c) discharge its duties and powers solely in the interest of and for the benefit of the trust managed;

(d) discharge its duties subject to the fiduciary standards set forth in 72-34-114 [section 88]; and

(e) maintain, as closely as possible, the existing land base of each trust, consistent with the state’s fiduciary duty.

(6) Prior to purchasing a parcel of land in excess of 160 acres in any particular county, the board shall consult with the county commissioners of the county in which the parcel is located.”

Section 159. Section 82-1-304, MCA, is amended to read:

(2) Trustee or attorney fees may not be paid from the trust proceeds.

(3) All bonuses, rental payments, royalties, and other income must be paid to the trustee until the trust is terminated and notice of its termination given to all interested parties. The trustee shall distribute all money held in the trust to the person or persons entitled to the money upon the order of the district court.

(4) A trust in favor of unlocatable owners must be kept in force until the unlocatable owners of the mineral interest in question have successfully claimed their share of the funds held in trust and have filed the notice, as provided in 82-1-306.

(5) The trustee shall invest funds in a prudent manner, as provided in 72-34-114 [section 113]. WHEREAS, the Montana Legislature adopted Montana's peer review statutes over 50 years ago, noting that peer review is in the interest of the public health; and

WHEREAS, in Sistok v. Kalispell Regional Hospital, 251 Mont. 38, 823 P.2d 251 (1991), the Montana Supreme Court held that Montana's peer review statutes confer a privilege on data created by or at the request of a medical review committee; and

WHEREAS, in Sistok v. Kalispell Regional Hospital, the Montana Supreme Court also observed that the statute providing for confidentiality was developed and the privilege was conferred by the Legislature as a matter of public policy to encourage health care providers to join medical review committees in an effort to ensure the responsive and full discourse among the professionals involved and to promote an atmosphere free of apprehension so that constructive criticism could occur; and

WHEREAS, in Sistok v. Kalispell Regional Hospital, 2000 MT 158, 300 Mont. 212, 4 P.3d 1193, the Montana Supreme Court found that Montana's peer review statutes are typical of the statutes adopted by various states to encourage candor in medical review committees that review and evaluate the quality of medical care provided in their hospitals; and

WHEREAS, in Huether v. District Court, 2000 MT 158, 300 Mont. 212, 4 P.3d 1193, the Montana Supreme Court also noted that the goal of Montana's peer review statutes is to promote continuous improvement in the quality of health care delivery through review of standardized health care operations and the performance of doctors and staff; and
