Dear Members of the State Tribal Relations Committee:

We recently learned that the proposed dates for visitation of the Fort Peck tribe (15 and 16 of September) are not workable for the tribe. We are currently working to find a time that will enable as many committee members as possible to attend and coincide with a convenient time for the tribe. Possibilities at this point include 3-4 October and 24-25 October.

Please let me know of any personal scheduling restrictions that may suggest best times for our visit. I can be reached at (406) 444-5367 or clohse@mt.gov.

Thank you, and my apologies in advance for any scheduling dilemmas this may create for you.

Best wishes,

Christopher Lohse
