

**MCA Statutes  
Related to Placement of Youth  
with a Mental Disorder in a Youth Correctional Facility**

**41-5-1504. Finding of suffering from mental disorder and meeting other criteria -- rights -- limitation on placement.** (1) A youth who is found to be suffering from a mental disorder, as defined in 53-21-102, and who meets the criteria in 53-21-126(1) is entitled to all rights provided by 53-21-114 through 53-21-119.

(2) A youth who, prior to placement or sentencing, is found to be suffering from a mental disorder, as defined in 53-21-102, and who meets the criteria in 53-21-126(1) may not be committed or sentenced to a state youth correctional facility.

(3) A youth who is found to be suffering from a mental disorder, as defined in 53-21-102, and who meets the criteria in 53-21-126(1) after placement in or sentencing to a state youth correctional facility must be moved to a more appropriate placement in response to the youth's mental health needs and consistent with the disposition alternatives available in 53-21-127.

**41-5-1512. Disposition of youth in need of intervention or youth who violate consent adjustments.** (1) If a youth is found to be a youth in need of intervention or to have violated a consent adjustment, the youth court may enter its judgment making one or more of the following dispositions:

(a) place the youth on probation. The youth court shall retain jurisdiction in a disposition under this subsection.

(b) place the youth in a residence that ensures that the youth is accountable, that provides for rehabilitation, and that protects the public. Before placement, the sentencing judge shall seek and consider placement recommendations from the youth placement committee.

(c) commit the youth to the youth court for the purposes of placement in a private, out-of-home facility subject to the conditions in 41-5-1522. In an order committing a youth to the youth court, the court shall determine whether continuation in the youth's own home would be contrary to the welfare of the youth and whether reasonable efforts have been made to prevent or eliminate the need for removal of the youth from the youth's home.

(d) order restitution for damages that result from the offense for which the youth is disposed by the youth or by the person who contributed to the delinquency of the youth;

(e) require the performance of community service;

(f) require the youth, the youth's parents or guardians, or the persons having legal custody of the youth to receive counseling services;

(g) require the medical and psychological evaluation of the youth, the youth's parents or guardians, or the persons having legal custody of the youth;

(h) require the parents, guardians, or other persons having legal custody of the youth to furnish services the court may designate;

(i) order further care, treatment, evaluation, or relief that the court considers beneficial to the youth and the community;

(j) subject to the provisions of 41-5-1504, commit the youth to a mental health facility if, based upon the testimony of a professional person as defined in 53-21-102, the court finds that

the youth is found to be suffering from a mental disorder, as defined in 53-21-102, and meets the criteria in 53-21-126(1);

(k) place the youth under home arrest as provided in Title 46, chapter 18, part 10;

(l) order confiscation of the youth's driver's license, if the youth has one, by the probation officer for a specified period of time, not to exceed 90 days. The probation officer shall notify the department of justice of the confiscation and its duration. The department of justice may not enter the confiscation on the youth's driving record. The probation officer shall notify the department of justice when the confiscated driver's license has been returned to the youth. A youth's driver's license may be confiscated under this subsection more than once. The probation officer may, in the probation officer's discretion and with the concurrence of a parent or guardian, return a youth's confiscated driver's license before the termination of the time period for which it had been confiscated. The confiscation may not be used by an insurer as a factor in determining the premium or part of a premium to be paid for motor vehicle insurance covering the youth or a vehicle or vehicles driven by the youth and may not be used as grounds for denying coverage for an accident or other occurrence under an existing policy.

(m) order the youth to pay a contribution covering all or a part of the costs for adjudication, disposition, and attorney fees for the costs of prosecuting or defending the youth and costs of detention, supervision, care, custody, and treatment of the youth, including the costs of counseling;

(n) order the youth to pay a contribution covering all or a part of the costs of a victim's counseling;

(o) defer imposition of sentence for up to 45 days for a placement evaluation at a suitable program or facility with the following conditions:

(i) The court may not order placement for evaluation at a youth correctional facility of a youth who has committed an offense that would not be a criminal offense if committed by an adult or a youth who has violated a consent adjustment.

(ii) The placement for evaluation must be on a space-available basis. Except as provided in subsection (1)(o)(iii), the court shall pay the cost of the placement for evaluation from its judicial district's allocation provided for in 41-5-130 or 41-5-2012.

(iii) The court may require the youth's parents or guardians to pay a contribution covering all or a part of the costs of the evaluation if the court determines after an examination of financial ability that the parents or guardians are able to pay the contribution. Any remaining unpaid costs of evaluation are the financial responsibility of the judicial district of the court that ordered the evaluation.

(p) order placement of a youth in a youth assessment center for up to 10 days;

(q) order the youth to participate in mediation that is appropriate for the offense committed.

(2) The court may not order a local government entity to pay for care, treatment, intervention, or placement. A court may not order a local government entity to pay for evaluation and in-state transportation of a youth.

(3) The court may not order a state government entity to pay for care, treatment, intervention, placement, or evaluation that results in a deficit in the annual allocation established for that district under 41-5-130 without approval from the cost containment review panel.

**41-5-1513. Disposition -- delinquent youth -- restrictions.** (1) If a youth is found to be

a delinquent youth, the youth court may enter its judgment making one or more of the following dispositions:

(a) any one or more of the dispositions provided in 41-5-1512;

(b) subject to 41-5-1504, 41-5-1512(1)(o)(i), and 41-5-1522, commit the youth to the department for placement in a state youth correctional facility and recommend to the department that the youth not be released until the youth reaches 18 years of age. The provisions of 41-5-355 relating to alternative placements apply to placements under this subsection (1)(b). The court may not place a youth adjudicated to be a delinquent youth in a state youth correctional facility for an act that would be a misdemeanor if committed by an adult unless:

(i) the youth committed four or more misdemeanors in the prior 12 months;

(ii) a psychiatrist or a psychologist licensed by the state or a licensed clinical professional counselor or a licensed clinical social worker has evaluated the youth and recommends placement in a state youth correctional facility; and

(iii) the court finds that the youth will present a danger to the public if the youth is not placed in a state youth correctional facility.

(c) subject to the provisions of subsection (5), require a youth found to be a delinquent youth, as the result of the commission of an offense that would be a violent offense, as defined in 46-23-502, if committed by an adult, to register and remain registered as a violent offender pursuant to Title 46, chapter 23, part 5. The youth court shall retain jurisdiction in a disposition under this subsection to ensure registration compliance.

(d) in the case of a delinquent youth who has been adjudicated for a sexual offense, as defined in 46-23-502, and is required to register as a sexual offender pursuant to Title 46, chapter 23, part 5, exempt the youth from the duty to register if the court finds that:

(i) the youth has not previously been found to have committed or been adjudicated for a sexual offense, as defined in 46-23-502; and

(ii) registration is not necessary for protection of the public and that relief from registration is in the public's best interest;

(e) in the case of a delinquent youth who is determined by the court to be a serious juvenile offender, the judge may specify that the youth be placed in a state youth correctional facility, subject to the provisions of subsection (2), if the judge finds that the placement is necessary for the protection of the public. The court may order the department to notify the court within 5 working days before the proposed release of a youth from a youth correctional facility. Once a youth is committed to the department for placement in a state youth correctional facility, the department is responsible for determining an appropriate date of release or an alternative placement.

(f) impose a fine as authorized by law if the violation alleged would constitute a criminal offense if committed by an adult.

(2) If a youth has been adjudicated for a sexual offense, as defined in 46-23-502, the youth court shall:

(a) prior to disposition, order a psychosexual evaluation that must comply with the provisions of 46-18-111;

(b) designate the youth's risk level pursuant to 46-23-509; and

(c) require completion of sexual offender treatment.

(3) The court may not order a local government entity to pay for care, treatment, intervention, or placement. A court may not order a local government entity to pay for evaluation

and in-state transportation of a youth, except as provided in 52-5-109.

(4) The court may not order a state government entity to pay for care, treatment, intervention, placement, or evaluation that results in a deficit in the annual allocation established for that district under 41-5-130 without approval from the cost containment review panel.

(5) The duration of registration for a youth who is required to register as a sexual or violent offender must be as provided in 46-23-506, except that the court may, based on specific findings of fact, order a lesser duration of registration.

**53-21-126. Trial or hearing on petition.** (1) The respondent must be present unless the respondent's presence has been waived as provided in 53-21-119(2), and the respondent must be represented by counsel at all stages of the trial. The trial must be limited to the determination of whether or not the respondent is suffering from a mental disorder and requires commitment. At the trial, the court shall consider all the facts relevant to the issues of whether the respondent is suffering from a mental disorder. If the court determines that the respondent is suffering from a mental disorder, the court shall then determine whether the respondent requires commitment. In determining whether the respondent requires commitment and the appropriate disposition under 53-21-127, the court shall consider the following:

(a) whether the respondent, because of a mental disorder, is substantially unable to provide for the respondent's own basic needs of food, clothing, shelter, health, or safety;

(b) whether the respondent has recently, because of a mental disorder and through an act or an omission, caused self-injury or injury to others;

(c) whether, because of a mental disorder, there is an imminent threat of injury to the respondent or to others because of the respondent's acts or omissions; and
