1. *Problem or issue:*

While it is currently assumed that an administrative subpoena issued by the Commissioner of Political Practices pursuant to his or her authority under MCA 13-37-111 would be enforceable in the district court, the statute does not expressly state that.

2. *Legislation intends to do what?*

Specifically state that in case of disobedience of a subpoena issued by the commissioner, the **commissioner may apply to the district court for an order to compel** compliance with the subpoena.

3. *What section of MCA?*

MCA 13-37-111

4. *Funding?*

No additional funding required.

5. *Previously introduced? Model act?*

We can draft this proposal.
