#### 1. Purpose:
Clarify application of the post-retirement limitations to independent contractors working in a TRS-reportable position, and to retirees working concurrently in a TRS-reportable position and a non-TRS-reportable position with the same employer.

#### 2. Background:
Legislation passed in 2011, HB 86 and HB 116, provided for application of post-retirement earnings limitations to TRS retirees working as independent contractors and retirees working concurrently in a TRS-reportable position and a non-TRS-reportable position with the same employer. Implementation of these changes has proved difficult for the TRS, employers and retired members, and requires additional statutory clarification.

#### 3. Fiscal Impact by Fund Type:
This impact should be as specific as possible.
None
