Dear Chair Jones and Modernization and Risk Analysis Committee Members:

The Revenue Interim Committee (RIC) looks forward to working closely with the Modernization and Risk Analysis Committee (MARA) this interim and learning more about the topics of interest to MARA.

RIC adopted a [work plan](#) that calls for our committee staff to coordinate with MARA staff so the committees' work is complimentary and not duplicative. Our staff will also attend MARA meetings and is available to update MARA on RIC activities. We also request that MARA committee staff update RIC on MARA's work.

At this time, our work plan does not include a joint meeting because the committees' schedules do not align well and RIC's schedule accounts for member and staff availability. RIC members are encouraged to participate remotely in MARA meetings if interested in doing so, and MARA members are welcome to attend RIC meetings. The tentative RIC meeting schedule is:

- September 23-24, 2021
- November 9, 2021
- January 20-21, 2022
- April 14-15, 2022
- June 16-17, 2022
- September 15, 2022.

Thank you and we look forward to a productive interim.

Sincerely,
