Ms. McCann responded that Montana is one of 31 states who have implemented the reporting.

Sen. Glimm asked if the other states that are not on the program if they are on an inferior program.

McCann responded to Sen. Glimm that Montana understands the critical circumstances and has a data team that focuses on the data coming in.

Sen. Glimm asked if Montana was at the forefront or behind. He asked what is unique about Montana in provider services.

Ms. McCann stated that Montana is at the forefront and explained the procurement. She said Montana led the first Medicaid enterprise system for that procurement.

Sen. Glimm asked why we are having to figure all this out on our own if the feds are requiring it. He asked why we continually blow the budget on IT programs.

Director Meier explained that there are differences in each state.

Sen. Keenan asked Ms. McCann what services are provided of the vendor and at what cost. He asked if the contract has been modified since January of 2017.

Ms. McCann stated yes the vendor was modified and the original contract expired.

Sen. Keenan asked what services they were providing.

Ms. McCann responded that they provided overarching program of evaluation and validation of requirements.

Director Meier explained the requirements of CMS.

Sen. Keenan asked about the base amount in the contract and if it was billable hours.

Ms. McCann responded that it is based on task orders.

Rep. Caferro asked if budget questions could be taken now or later.

Director Meier responded that questions can be asked now.

Rep. Caferro asked Ms. McCann if the presentation was required by the federal government.

Ms. McCann stated that it was a combination of the Department of Health and Human Recourse’s visions and that of the federal government.
Rep. Caferro asked if Montana already had a data warehouse.

Ms. McCann responded that the data warehouse was implemented in 2018 and was actually the Department of Health and Human Resources.

Rep. Caferro referred to the budget report and asked about the MMIS revised budget, where $30 million came from and why it was such a steep increase.

Director Meier responded the number was from the original MMIS replacement.

Mr. Poulette responded that it was from the SITSD dashboard and will find out about the data.

Rep. Caferro asked what the original budget was and when did the change happen and why.

Mr. Poulette responded that it goes back long ago.

Rep. Caferro referred to the revised completion date of 2024 and suggested the dashboard should state when it was changed and why.

Mr. Poulette agreed with Rep. Caferro and explained the way SITSD organized the components.

Ms. McCann agreed that 2024 was final delivery date.

Sen. Keenan asked Brian Hannon, OBPP staff, if that kind of adjustment was made in HB 10.

Kim Aiken, Chief Financial Officer, responded there was some history. She said the increase was primarily federal dollars and schedules that lay it out would be available.

Director Meier added that the date change goes back to 2016 when a change to modularity system occurred.

Rep. Caferro asked for more information.

Ms. Aiken responded.

Rep. Caferro used an example of accrual to confirm meaning.

Ms. McCann continued with her presentation.

Chairman Regier asked Director Meier if the department could come back later in afternoon.

Director Meier responded to Sen. McNally that reimbursement would be retroactive.

Sen. Glimm asked Ms. Aiken if FMAP was through fiscal year.

Ms. Aiken responded the numbers are through the end of the fiscal year.

Sen. Glimm asked if that was an indication the department has gotten.

Ms. Aiken responded that the indication was through March 31 of 2022.

Sen. Glimm asked Director Meier if rolls would stay the same, if FMAP was a quarter to quarter process and if Montana can drop out.

Director Meier responded that once FMAP is accepted it would be better to stay with it.

Sen. Glimm asked that once FMAP stops are we no longer bound.

Director Meier explained the provisions.
Mr. Poulette explained the impact document is online.
Sen. Glimm asked if they were forcing Montana on the rolls, and is the state being penalized on the 90/10 match.
Director Meier confirmed Sen. Glimm’s question.
Chairman Regier commented that it was an interesting point.
Rep. Caferro thanked Director Meier and team for how they have handled CSCT.
Sen. Glimm asked Director Meier about out of state placement and if we pay more.
Director Meier explained that the department pays an out of state rate. He explained the process and said the first choice is to keep them in state.
Chairman Regier asked if the department is hoping that for 2023 the Medicaid rolls will equal out the overspend.
Director Meier spoke that it is more than just eligibility.
Director Meier responded.
Brian Hannan, Office of Budget & Program Planning, commented on the plan to track inflation.
Rep. Moore asked for an idea on contracts and payments.
Director Meier responded that is a task at hand.
