Other comments: This is a student allegedly in a sexual relationship with her tenured high school math teacher. Despite multiple attempts to investigate by law enforcement, neither the student nor her parents have cooperated at all. They have refused an initial forensic interview even to determine if further investigation is warranted. They refuse to be interviewed or do any written statements. The alleged victim has denied everything that has been reported. CPS has also reached out and has been completely rebuffed. If at any point they change their minds, this case will be re-opened.
