[HB 555]

AN ACT CHANGING THE AMOUNT THAT MAY BE CHARGED FOR A PAST-DUE LOAN PAYMENT FROM 5 PERCENT OF THE AMOUNT PAST DUE TO THE GREATER OF 5 PERCENT OF THE AMOUNT PAST DUE OR $15; AND AMENDING SECTION 32-5-301, MCA.

Be it enacted by the Legislature of the State of Montana:

**Section 1.** Section 32-5-301, MCA, is amended to read:

**“32-5-301. Charges, refunds, penalties, filing fees.** (1) A licensee or holder of a supplementary license under this part may contract for and receive on any loan of money interest charges as provided under 31-1-112.

(2) Charges in subsection (1) must be computed at the applicable rates on the full, original principal amount of the loan from the date of the loan to the due date of the final scheduled installment irrespective of the fact that the loan is payable in installments. The charges must be added to the principal of the loan and may not be discounted or deducted from the principal or paid or received at the time the loan is made. For the purpose of computing charges for a fraction of a month, a day is considered one-thirtieth of a month.

(3) (a) When any loan contract, new loan, renewal, or otherwise for a period of not more than 61 months is paid in full by cash 1 month or more before the final installment date, the licensee shall refund or credit the borrower with that portion of the total charges that is due the borrower as determined by schedules prepared under the rule of 78ths or sum of the digits principle as follows: the amount of the refund or credit must be as great a proportion of the total charges originally contracted for as the sum of the consecutive monthly balances of the contract scheduled to follow the date of prepayment bears to the sum of all the consecutive monthly balances of the contract, both sums to be determined according to the payment schedule originally contracted for.

(b) When any loan contract, new loan, renewal, or otherwise for a period of more than 61 months is paid in full by cash 1 month or more before the final installment date, the licensee shall refund or credit the borrower with that portion of the total charges that is due the borrower that is applicable to all fully unexpired months in the contract as originally scheduled or, if deferred, as deferred, following the date of prepayment. For this purpose the applicable charge is the charge that would have been earned for that contract if charges had not been precomputed, by applying to the unpaid principal balance, by the actuarial method, the annual percentage rate disclosed pursuant to federal law, based on the assumption that all payments were made as originally scheduled.
For all loans that may be subject to this section, charges are computed initially in the same manner used to determine the annual percentage rate.

(4) If the contract so provides, the additional charge for any amount past due according to the original terms of the contract, whether by reason of default or extension agreement, may be the greater of 5% of the amount past due or $15, and that amount may be charged only once.

(5) (a) The licensee may include in the principal amount of any loan:

   (i) the actual fees paid a public official or agency of the state for filing, recording, or releasing any instrument securing the loan; or

   (ii) the premium for insurance in lieu of filing or recording any instrument securing the loan to the extent that the premium does not exceed the fees that would otherwise be payable for filing, recording, or releasing any instrument securing the loan.

     (b) The licensee may include in the principal amount of any loan bona fide charges related to real estate security and paid to third parties, including:

        (i) fees or premiums for title examination, title insurance, or similar purposes, including survey;

        (ii) fees for preparation of a deed, settlement statement, or other documents;

        (iii) fees for notarizing deeds and other documents;

        (iv) appraisal fees;

        (v) fees for credit reports; and

        (vi) fees paid to a trustee for release of a trust deed.

(6) Further or other charges may not be directly or indirectly contracted for or received by any licensee except those specifically authorized by this chapter. A licensee may not divide into separate parts any contract made for the purpose of or with the effect of obtaining charges in excess of those authorized by this chapter. If any amount in excess of the charges permitted by this chapter is charged, contracted for, and received, except as the result of an accidental and bona fide error of computation, the licensee may not collect or receive any charges.

(7) Subsections (2), (3), and (6) of this section apply only to loans on which charges are made on an add-on basis and do not apply to loans on which charges are made on an interest-bearing basis.

(8) If a consumer loan is prepaid in whole or in part for any reason, including after a default, prior to the final payment due date and the amount of prepayment exceeds 10% of the then-outstanding principal balance of the loan, a licensee may charge a prepayment charge as follows:

   (a) 10% of the then-outstanding principal balance of the loan if the prepayment occurs during the first 6 months after the date of the loan;

   (b) 7% of the then-outstanding principal balance of the loan if the prepayment occurs more than 6 months after the date of the loan, but on or before 18 months after the date of the loan; or

   (c) 3.5% of the then-outstanding principal balance of the loan if the prepayment occurs more than 18 months after the date of the loan, but before 61 months after the date of the loan.

(9) A prepayment charge may not be collected if:
(a) the prepayment results solely because of the enforcement of a “due on sale” clause in a real estate mortgage or deed of trust that secures the loan;

(b) the loan provided is prepaid by another loan made by the same licensee or an affiliate of the licensee; or

(c) prepayment occurs as a result of a payment made by a credit life insurance policy or other insurance policy.”

[HB 579]

AN ACT PROVIDING THAT THE PARTIES TO A DIVORCE OR SEPARATION IN WHICH A TEMPORARY INJUNCTION IS SOUGHT MUST BE INFORMED BY THE COURT AT THE HEARING ON THE INJUNCTION THAT THE INJUNCTION MIGHT LIMIT OR RESULT IN LIMITS ON THE RIGHTS OF ONE OR BOTH PARTIES RELATING TO FIREARMS UNDER STATE AND FEDERAL LAW; CLARIFYING THAT A PARTY AGAINST WHOM AN INJUNCTION IS SOUGHT IS ENTITLED TO NOTICE AND HEARING; PROVIDING THAT A PERSON CHARGED WITH AN OFFENSE MUST BE INFORMED BY THE COURT THAT CONVICTIION MAY RESULT IN THE LOSS OF VARIOUS RIGHTS REGARDING FIREARMS UNDER STATE AND FEDERAL LAW; AND AMENDING SECTIONS 40-4-121 AND 46-7-102, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 40-4-121, MCA, is amended to read:

“40-4-121. Temporary order for maintenance or support, temporary injunction, or temporary restraining order. (1) In a proceeding for dissolution of marriage or for legal separation or in a proceeding for disposition of property or for maintenance or support following dissolution of the marriage by a court that lacked personal jurisdiction over the absent spouse, either party may move for temporary maintenance, temporary support of a child of the marriage entitled to support, or a temporary family support order. When a party is receiving public assistance, as defined in 40-5-201(12), for the minor children at issue or when a party receives public assistance during the life of a temporary family support order, the temporary family support order must designate separately the amounts of temporary child support and temporary maintenance, if any. The temporary child support order or the designated child support portion of the family support order must be determined as required in 40-4-204. The motion must be accompanied by an affidavit setting forth the factual basis for the motion, the amounts requested, a list of marital estate liabilities, a statement of sources of income of the parties and of a child of the marriage entitled to support, and, in the case of a motion for a temporary family support order, a proposal designating the party responsible for paying each liability. If ordered by a court, a temporary family support order must, without prejudice, direct one or both parties to pay, out of certain income sources, liabilities of the marital estate during the pendency of the action, including maintenance liabilities for a party or support of a child of the marriage entitled to support. If income sources are insufficient to meet the marital estate periodic liabilities, the temporary family support order may direct that certain liabilities
be paid from assets of the marital estate. At any time during the proceedings, the court may order any temporary family support payments to be designated as temporary maintenance, temporary child support, or partial property distribution, retroactive to the date of the motion for a temporary family support order. When a party obtains public assistance, as defined in 40-5-201(12), or applies for services under Title IV-D of the Social Security Act, after the court has issued a temporary family support order, the petitioner shall promptly move the court for designation of the party, if any, of the temporary family support order that are maintenance and child support and the court shall promptly so designate, determining the child support obligation as required in 40-4-204.

(2) As a part of a motion for temporary maintenance, temporary support of a child, or a temporary family support order or by independent motion accompanied by affidavit, either party may request that the court issue a temporary injunction for any of the following relief:

(a) restraining a person from transferring, encumbering, concealing, or otherwise disposing of any property, except in the usual course of business or for the necessities of life, and, if so restrained, requiring the person to notify the moving party of any proposed extraordinary expenditures made after the order is issued;

(b) restraining both parties from cashing, borrowing against, canceling, transferring, disposing of, or changing the beneficiaries of any insurance or other coverage, including life, health, automobile, and disability coverage held for the benefit of a party or a child of a party for whom support may be ordered;

(c) enjoining a party from molesting or disturbing the peace of the other party or of any family member or from stalking, as defined in 45-5-220;

(d) excluding a party from the family home or from the home of the other party upon a showing that physical or emotional harm would otherwise result;

(e) enjoining a party from removing a child from the jurisdiction of the court;

(f) ordering a party to complete counseling, including alcohol or chemical dependency counseling or treatment;

(g) providing other injunctive relief proper in the circumstances; and

(h) providing additional relief available under Title 40, chapter 15.

(3) When the clerk of the district court issues a summons pursuant to this chapter, the clerk shall issue and include with the summons a temporary restraining order:

(a) restraining both parties from transferring, encumbering, hypothecating, concealing, or in any way disposing of any property, real or personal, whether jointly or separately held, without either the consent of the other party or an order of the court, except in the usual course of business or for the necessities of life. The restraining order must require each party to notify the other party of any proposed extraordinary expenditures at least 5 business days before incurring the expenditures and to account to the court for all extraordinary expenditures made after service of the summons. However, the restraining order may not preclude either party from using any property to pay reasonable attorney fees in order to retain counsel in the proceeding.

(b) restraining both parties from cashing, borrowing against, canceling, transferring, disposing of, or changing the beneficiaries of any insurance or other coverage, including life, health, automobile, and disability coverage held for the benefit of a party or a child of a party for whom support may be ordered.
However, nothing in this subsection (3) adversely affects the rights, title, or interest of a purchaser, encumbrancer, or lessee for value if the purchaser, encumbrancer, or lessee does not have actual knowledge of the restraining order.

(4) A person may seek the relief provided for in subsection (2) without filing a petition under this part for a dissolution of marriage or legal separation by filing a verified petition requesting relief under Title 27, chapter 19, part 3. Any temporary injunction entered under this subsection must be for a fixed period of time, not to exceed 1 year, and may be modified as provided in Title 27, chapter 19, part 4, and 40-4-208, as appropriate.

(5) The court may issue a temporary restraining order for a period not to exceed 20 days without requiring notice to the other party only if it finds on the basis of the moving affidavit or other evidence that irreparable injury will result to the moving party if an order is not issued until the time for responding has elapsed.

(6) The party against whom a temporary injunction is sought must be served with notice and a copy of the motion and is entitled to a hearing on the motion. A response may be filed within 20 days after service of notice of motion or at the time specified in the temporary restraining order.

(7) At the time of the hearing, the court shall:

(a) inform both parties that the temporary injunction may contain a provision or provisions that limit the rights of one or both parties relating to firearms under state law or a provision or provisions that may subject one or both parties to state or federal laws that limit their rights relating to firearms; and

(b) determine whether good cause exists for the injunction to continue for 1 year.

(8) On the basis of the showing made and in conformity with 40-4-203 and 40-4-204, the court may issue a temporary injunction and an order for temporary maintenance, temporary child support, or temporary family support in amounts and on terms just and proper in the circumstance.

(9) A temporary order or injunction, entered pursuant to Title 40, chapter 15, or this section:

(a) may be revoked or modified on a showing by affidavit of the facts necessary to revocation or modification of a final decree under 40-4-208;

(b) terminates upon order of the court or when the petition is voluntarily dismissed and, in the case of a temporary family support order, upon entry of the decree of dissolution; and

(c) when issued under this section, must conspicuously bear the following: “Violation of this order is a criminal offense under 45-5-220 or 45-5-626.”

(10) When the petitioner has fled the parties’ residence, notice of the petitioner’s new residence must be withheld except by order of the court for good cause shown.

Section 2. Section 46-7-102, MCA, is amended to read:

“46-7-102. Duty of court. (1) The judge shall inform the defendant:

(a) of the charge or charges against the defendant;

(b) of the defendant’s right to counsel;
of the defendant's right to have counsel assigned by a court of record in accordance with the provisions of 46-8-101;

d) of the general circumstances under which the defendant may obtain pretrial release;

e) of the defendant's right to refuse to make a statement and the fact that any statement made by the defendant may be offered in evidence at the defendant's trial; and

(f) that conviction may result in the loss of various rights regarding firearms under state and federal law; and

(g) of the defendant's right to a judicial determination of whether probable cause exists if the charge is made by a complaint alleging the commission of a felony.

(2) The judge shall admit the defendant to bail as provided by law.”

Be it enacted by the Legislature of the State of Montana:

Section 1.  Common undivided ownership interest — separate assessment — property tax payments. (1) Except as provided in subsection (2), payment of all property taxes on a parcel by any co-owner is considered payment by all owners, whether or not the property is assessed and taxed separately to co-owners or to a single owner. Any payment by a co-owner in excess of the amount assessed to the co-owner must be the total amount due on the parcel or a partial payment amounting to a year of deficiency, as provided in 15-16-102(5)(a). The nonpayment of taxes by a co-owner who is separately assessed and taxed subjects only the interest of the nonpaying co-owner to a tax sale.

(2) (a) A co-owner may receive a tax lien on property in which the co-owner has an undivided interest if:

(i) the co-owner pays the proportional amount of taxes on that co-owner’s interest and on another co-owner’s interest;

(ii) the paying co-owner has notified the nonpaying co-owner of the property tax payments and annually demands reimbursement in writing by certified mail, return receipt requested, addressed to the nonpaying co-owner’s last-known mailing address; and

(iii) the paying co-owner has paid the property taxes for 3 consecutive years without reimbursement.

(b) Upon proof that a co-owner has complied with the provisions of this subsection (2), the paying co-owner is considered the purchaser of a tax lien on the ownership interest of the nonpaying co-owner and the county treasurer shall prepare a tax sale certificate with the paying co-owner as the purchaser. The certificate shall conform to the provisions of 15-17-212, except the certificate need not contain the information required in 15-17-212(1)(a) and (1)(b). The treasurer shall comply with the provisions of 15-17-212(2) regarding the certificate.

(c) For the purposes of this subsection (2), if there are more than two co-owners, single and multiple paying co-owners can receive a tax lien on the undivided interests of single and multiple nonpaying co-owners.

Section 2.  Section 15-7-138, MCA, is amended to read:

(1) (a) (i) Subject to subsection (2), in the case of multiple, undivided interests in a parcel of land, the department shall send the notice of classification and appraisal required by 15-7-102 to a single owner of the land, as provided in this section.

(ii) For multiple undivided interests that are mining claims, upon request of all the owners, the department shall send the notice of classification and appraisal required by 15-7-102 and separate assessments to each owner of an undivided interest.

(iii) Requests for separate assessment and receipt of separate notice under subsection (1)(a)(ii) are limited to mining claims as the multiple undivided
interests existed on or prior to April 30, 2001. Additional division of interests after April 30, 2001, may not result in additional separate assessments.

(b) Except as provided in subsection (1)(c), the owners of the land shall provide to the department the name and address of the owner to whom the notice is to be sent and shall notify the department of a change in name or address. If an address is not provided, then the department shall send the notice to the address to which previous notices were sent.

(c) In the case of multiple, undivided interests in a parcel of land created after April 30, 2001, the department shall send the notice to the name and address shown on the recorded document creating the multiple, undivided interests in the land. If more than one name and address is shown on the document, the department shall send the notice to the first name and address shown on the document.

(2) A copy of the notice must be sent to other persons upon request of an owner of the land. If a parcel of land is located within the boundaries of a federally recognized Indian reservation, each individual fee patent, even when it is an undivided interest, will be treated as a separate assessment and receive a separate notice of classification and appraisal.”

Section 3. Section 15-16-102, MCA, is amended to read:

PRACTICE OF NURSING APPLIES ONLY TO THOSE PRACTICING FOR
COMPENSATION; AMENDING SECTIONS 37-8-102, 37-8-431, AND
37-8-443, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 37-8-102, MCA, is amended to read:

“37-8-102. Definitions. Unless the context requires otherwise, in this
chapter, the following definitions apply:

(1) “Advanced practice registered nurse” means a registered professional
nurse who has completed educational requirements related to the nurse’s
specific practice role, in addition to basic nursing education, as specified by the
board pursuant to 37-8-202(5)(a).

(2) “Board” means the board of nursing provided for in 2-15-1734.

(3) “Department” means the department of labor and industry provided for
in Title 2, chapter 15, part 17.

(4) “Nursing education program” means any board-approved school that
prepares graduates for initial licensure under this chapter. Nursing education
programs for:

(a) professional nursing may be a department, school, division, or other
administrative unit in a junior college, college, or university;

(b) practical nursing may be a department, school, division, or other
administrative unit in a vocational-technical institution or junior college.

(5) “Practice of nursing” embraces two classes of nursing service and
activity, as follows: the practice of practical nursing and the practice of
professional nursing.

(6) (a) “Practice of practical nursing” means the performance for
compensation of services requiring basic knowledge of the biological, physical,
behavioral, psychological, and sociological sciences and of nursing procedures.
Practical nursing practice uses standardized procedures in the observation and
care of the ill, injured, and infirm, in the maintenance of health, in action to
safeguard life and health, and in the administration of medications and
treatments prescribed by a physician, advanced practice registered nurse,
dentist, osteopath, or podiatrist authorized by state law to prescribe medications and treatments. These services are performed under the supervision of a registered nurse or a physician, dentist, osteopath, or podiatrist authorized by state law to prescribe medications and treatments.

(b) These services may include a charge-nurse capacity in a long-term care facility that provides skilled nursing care or intermediate nursing care, as defined in 50-5-101, under the general supervision of a registered nurse.

(7) “Practice of professional nursing” means the performance for compensation of services requiring substantial specialized knowledge of the biological, physical, behavioral, psychological, and sociological sciences and of nursing theory as a basis for the nursing process. The nursing process is the assessment, nursing analysis, planning, nursing intervention, and evaluation in the promotion and maintenance of health, the prevention, casefinding, and management of illness, injury, or infirmity, and the restoration of optimum function. The term also includes administration, teaching, counseling, supervision, delegation, and evaluation of nursing practice and the administration of medications and treatments prescribed by physicians, advanced practice registered nurses, dentists, osteopaths, or podiatrists authorized by state law to prescribe medications and treatments. Each registered nurse is directly accountable and responsible to the consumer for the quality of nursing care rendered. As used in this subsection (5)(b)(7):

(a) “nursing analysis” is the identification of those client problems for which nursing care is indicated and may include referral to medical or community resources;

(b) “nursing intervention” is the implementation of a plan of nursing care necessary to accomplish defined goals.”

Section 2. Section 37-8-431, MCA, is amended to read:

“37-8-431. Renewal of license. (1) The license of a person licensed under this chapter must be renewed on the date set by department rule. At least 30 days prior to the renewal date, the department shall mail an application form for renewal of a license to each person to whom a license was issued or renewed. The applicant shall carefully complete and sign the application form and return it to the department with a renewal fee prescribed by the board on or before the renewal date.

(2) The board may increase or decrease the license fee so as in order to maintain in the state special revenue fund at all times an adequate amount to be used for the purpose of administering, policing, and enforcing the provisions of Title 37, chapter 1, and this chapter. On receipt of the application and fee, the department shall verify the accuracy of the application against its record and from other sources the board considers reliable and issue to the applicant a certificate of renewal. The certificate of renewal renders the holder a legal practitioner of nursing for the period stated in the certificate of renewal.

(3) A licensee who allows the license to lapse by failing to renew the license may be reinstated by the board on satisfactory explanation for the failure to renew the license and on payment of the current renewal fee prescribed by the board.

(4) A person practicing nursing during the time following the date the license has expired is an illegal practitioner and is subject to the penalties provided for violations of this chapter.
The board may establish a reasonable late fee for licensees who fail to renew their license by the renewal date.”

(g) conduct a school of nursing or a course unless the school or course has been approved by the board;

(h) otherwise violate any provision of this chapter.

(3) The several district courts within their respective county jurisdictions may hear, try, and determine such a misdemeanor and impose in full the prescribed punishment and fines prescribed. It is necessary to prove, in any prosecution for misdemeanor under this section, only a single act prohibited by law or a single holding out or an attempt. Be it enacted by the Legislature of the State of Montana:

Section 1. Section 13-27-111, MCA, is amended to read:

“13-27-111. Definitions. As used in 13-27-112, 13-27-113, and this section, unless otherwise indicated by the context, the following definitions apply:

(1) “Commissioner” means the commissioner of political practices provided for in 13-37-101.

(2) “Paid signature gatherer” means a signature gatherer who is compensated in money for the collection of signatures.

(3) “Person” has the meaning provided in 13-1-101, but does not include a candidate and includes a political committee.

(4) “Signature gatherer” means an individual who collects or intends to collect signatures on a petition for the purpose of an initiative, a referendum, or the calling of a constitutional convention.”

Section 2. Section 13-27-201, MCA, is amended to read:

“13-27-201. Form of petition generally. (1) A petition for the initiative, for the referendum, or to call a constitutional convention must be substantially in the form provided by this chapter. Clerical or technical errors that do not
interfere with the ability to judge the sufficiency of signatures on the petition do not render a petition void.

(2) Petition sheets may not exceed 8 1/2 x 14 inches in size. Separate sheets of a petition may be fastened in sections of not more than 25 sheets. Near the top of each sheet containing signature lines must be printed the title of the statute or constitutional amendment proposed or the measure to be referred or a statement that the petition is for the purpose of calling a constitutional convention. If signature lines are printed on both the front and back of a petition sheet, the information required above must appear on both the front and back of the sheet. The complete text of the measure proposed or referred must be attached to or contained within each signature sheet if sheets are circulated separately. The text of the measure must be in the bill form provided in the most recent issue of the bill drafting manual furnished by the legislative services division. If sheets are circulated in sections, the complete text of the measure must be attached to each section.

(3) An internet posting of petition language must include a statement that the petition language and format may not be modified. An internet posting must include an affidavit in substantially the same form as prescribed by the secretary of state pursuant to 13-27-302.

Section 3. Section 13-27-202, MCA, is amended to read:

“13-27-202. Recommendations — approval of form required. (1) Before submission of a sample sheet to the secretary of state pursuant to subsection (3), the following requirements must be fulfilled:

(a) The text of the proposed measure must be submitted to the legislative services division for review.

(b) The legislative services division staff shall review the text for clarity, consistency, and any other factors that the staff considers when drafting proposed legislation.

(c) Within 14 days after submission of the text, the legislative services division staff shall make to the person submitting the text written recommendations for changes in the text or a statement that no changes are recommended.

(d) The person submitting the text shall consider the recommendations and respond in writing to the legislative services division, accepting, rejecting, or modifying each of the recommended changes. If no changes are recommended, no response is required.

(2) The legislative services division shall furnish a copy of the correspondence provided for in subsection (1) to the secretary of state, who shall make a copy of the correspondence available to any person upon request.

(3) Before a petition may be circulated for signatures, a sample sheet containing the text of the proposed measure must be submitted to the secretary of state in the form in which it will be circulated. The sample petition may not be submitted to the secretary of state more than 1 year prior to the final date for filing the signed petition with the county election administrator. The secretary of state shall refer a copy of the petition sheet to the attorney general for approval. The secretary of state and attorney general shall each review the petition for sufficiency as to form and approve or reject the form of the petition, stating the reasons for rejection, if any. The attorney general shall also review the petition as to its legal sufficiency. If the attorney general determines that the petition is legally deficient, the attorney general shall notify the secretary of
state of that fact and provide a copy of the determination to the secretary of state and to the petitioner within the time provided in 13-27-312(8). The petition may not be given final approval by the secretary of state unless the attorney general's determination is overruled pursuant to 13-27-316. As used in this section, “legal sufficiency” means that the petition complies with the statutory prerequisites to submission of the proposed measure to the electors and that the text of the proposed measure complies with constitutional requirements governing submission of ballot measures to the electorate. Review of a petition for legal sufficiency does not include consideration of the merits or application of the measure if adopted by the voters. The secretary of state or the attorney general may not reject the petition solely because the text contains material not submitted to the legislative services division unless the material not submitted to the legislative services division is a substantive change not suggested by the legislative services division.

(4) (a) The secretary of state shall review the comments and statements of the attorney general received pursuant to 13-27-312 and make a final decision as to the approval or rejection of the petition.

(b) The secretary of state shall send written notice to the person who submitted the petition sheet of the approval or rejection of the form of the petition within 28 days after submission of the petition sheet.

(c) If an action is filed challenging the validity of the petition, the secretary of state shall immediately notify the person who submitted the petition sheet.

(5) A petition with technical defects in form may be approved with the condition that those defects will be corrected before the petition is circulated for signatures.

(6) The secretary of state shall upon request provide the person submitting the petition with a sample petition form, including the text of the proposed measure, the statement of purpose, and the statements of implications, all as approved by the secretary of state and the attorney general. The petition may be circulated by a signature gatherer in the form of the sample prepared by the secretary of state. The petition may be circulated by a signature gatherer upon approval of the form of the petition by the secretary of state and the attorney general pending a final determination of its legal sufficiency.”

(4) A health maintenance organization may amend an enrollment form or an evidence of coverage in a separate document if the separate document is filed with and approved by the commissioner and issued to the enrollee.

(5) (a) Except as provided in [section 2], a health maintenance organization shall provide the same coverage for newborn infants, required by subsection (3)(e), as it provides for enrollees, except that for newborn infants, there may be no waiting or elimination periods. A health maintenance organization may not assess a deductible or reduce benefits applicable to the coverage for newborn infants unless the deductible or reduction in benefits is consistent with the deductible or reduction in benefits applicable to all covered persons.

(b) Except as provided in [section 2], a health maintenance organization may not issue or amend an evidence of coverage in this state if it contains any disclaimer, waiver, or other limitation of coverage relative to the accident and sickness coverage or insurability of newborn infants of an enrollee or dependents from and after the moment of birth.
(c) If a health maintenance organization requires payment of a specific fee to provide coverage of a newborn infant beyond 31 days of the date of birth of the infant, the evidence of coverage may contain a provision that requires notification to the health maintenance organization, within 31 days after the date of birth, of the birth of an infant and payment of the required fee.

Covered Except as provided in [section 2], covered persons must have access to emergency care 24 hours a day, 7 days a week. (e) hours of operation; or
(f) the volume of technological and specialty services available to serve the needs of covered persons requiring technologically advanced or specialty care.

(2) Whenever a health carrier has an insufficient number or type of participating providers to provide a covered benefit, the health carrier shall ensure that the covered person obtains the covered benefit at no greater cost to the covered person than if the covered benefit were obtained from participating providers or shall make other arrangements acceptable to the department.

(3) The health carrier shall establish and maintain adequate provider networks to ensure reasonable proximity of participating providers to the businesses or personal residences of covered persons. In determining whether a health carrier has complied with this requirement, consideration must be given to the relative availability of health care providers in the service area under consideration.

(4) A health carrier offering a managed care plan in this state on October 1, 1999, shall file with the department on October 1, 1999, an access plan complying with subsection (6) and the rules of the department. A health carrier offering a managed care plan in this state for the first time after October 1, 1999, shall file with the department an access plan meeting the requirements of

(e) the health carrier's methods for assessing the health care needs of covered persons and their satisfaction with services;
(f) the health carrier's method of informing covered persons of the plan's services and features, including but not limited to the plan's grievance procedures, its process for choosing and changing providers, and its procedures for providing and approving emergency and specialty care;
(g) the health carrier's system for ensuring the coordination and continuity of care for covered persons referred to specialty physicians and for covered persons using ancillary services, including social services and other community resources, and for ensuring appropriate discharge planning;
(h) the health carrier's process for enabling covered persons to change primary care professionals;
(i) the health carrier's proposed plan for providing continuity of care in the event of contract termination between the health carrier and a participating provider or in the event of the health carrier's insolvency or other inability to continue operations. The description must explain how covered persons will be notified of the contract termination or the health carrier's insolvency or other cessation of operations and be transferred to other providers in a timely manner.
(j) any other information required by the department to determine compliance with this part and the rules implementing this part.

(7) The department shall ensure timely and expedited review and approval of the access plan and other requirements in this section.”

If an emergency services screening determines that emergency services or emergency services of a particular type are unnecessary for a covered person, emergency services or emergency services of the type determined unnecessary by the screening need not be covered by the health carrier unless otherwise covered under the health benefit plan. However, if screening determines that emergency services or emergency services of a particular type are necessary, those services must be covered by the health carrier. A health carrier shall cover emergency services if the health carrier, acting through a participating provider or other authorized representative, has authorized the provision of emergency services.

(2) A health carrier shall provide or pay for emergency services obtained from a nonnetwork provider within the service area of a managed care plan and may not require prior authorization of those services if use of a participating provider would result in a delay that would worsen the medical condition of the covered person or if a provision of federal, state, or local law requires the use of a specific provider.

(3) If a participating provider or other authorized representative of a health carrier authorizes emergency services, the health carrier may not subsequently retract its authorization after the emergency services have been provided or reduce payment for an item or health care services furnished in reliance on approval unless the approval was based on a material misrepresentation about the covered person’s medical condition made by the provider of emergency services.

(4) Coverage of emergency services is subject to applicable coinsurance, copayments, and deductibles.

(5) For postevaluation or poststabilization services required immediately after receipt of emergency services, a health carrier shall provide access to an authorized representative 24 hours a day, 7 days a week, to facilitate review.

(6) The provisions of this section do not apply to a limited coverage individual managed care plan as provided in [sections 1 through 3].”

Be it enacted by the Legislature of the State of Montana:

Section 1. Vehicle purchases — leasing guideline. (1) (a) Prior to June 1, 2004, the office of budget and program planning, in conjunction with the motor vehicle pool, shall devise for use by state agencies a leasing preference guideline for light vehicles, as defined in 61-1-139. The guideline is intended to encourage appropriate, cost-effective use of light vehicles. Factors to be addressed include multiple occupant use versus single occupant use, weather conditions at the time of use, and vehicle destination. The guideline must include stringent limitations on the use of personal vehicles at state expense, including a requirement that employees accept substitute vehicles when requested vehicles are not available.

(b) The leasing preference guideline must be submitted for review to the revenue and transportation interim committee by July 1, 2004.

(2) Subsection (1) applies to the motor pools of the Montana university system. The board of regents may exempt a purchase on a case-by-case basis.

Section 2. Effective date. [This act] is effective July 1, 2003.

CHAPTER NO. 329
[SB 13]

AN ACT SUBSTITUTE 0.08 FOR 0.10 IN THE LAWS RELATING TO DRIVING UNDER THE INFLUENCE AND DRIVING WITH AN ILLEGAL ALCOHOL CONCENTRATION IN THE BODY; REDUCING THE BLOOD ALCOHOL CONCENTRATION FROM 0.18 TO 0.16 FOR PURPOSES OF REQUIRING AN IGNITION INTERLOCK DEVICE; AMENDING SECTIONS 61-5-205, 61-5-208, 61-8-401, 61-8-406, 61-8-442, AND 61-11-203, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:
Section 1. Section 61-5-205, MCA, is amended to read:

“61-5-205. Mandatory revocation or suspension of license upon proper authority. (1) The department upon proper authority shall revoke the driver’s license or the operating privilege of a driver upon receiving a record of the driver’s conviction of or forfeiture of bail not vacated for any of the following offenses, when the conviction or forfeiture has become final:

(a) negligent homicide resulting from the operation of a motor vehicle;

(b) driving a motor vehicle while under the influence of alcohol or any drug or a combination of alcohol or drugs, except as provided in 61-5-208, or operation of a motor vehicle by a person with a blood alcohol concentration of 0.08 or more;

(c) any felony in the commission of which a motor vehicle is used;

(d) failure to stop and render aid as required under the laws of this state in the event of a motor vehicle accident resulting in the death or personal injury of another;

(e) perjury or the making of a false affidavit or statement under oath to the department under this chapter or under any other law relating to the ownership or operation of motor vehicles;

(f) conviction or forfeiture of bail not vacated upon three charges of reckless driving committed within a period of 12 months; or

(g) negligent vehicular assault as defined in 45-5-205 involving a motor vehicle.

(2) The department upon proper authority shall suspend the driver’s license or the operating privilege of a driver upon receiving a record of the driver’s conviction of or forfeiture of bail not vacated for a theft offense under 45-6-301 when the conviction or forfeiture has become final if the theft consisted of theft of motor vehicle fuel and a motor vehicle was used in the commission of the offense. The suspension must be for 30 days for a first offense, 6 months for a second offense, and 1 year for a third or subsequent offense.”

Section 2. Section 61-5-208, MCA, is amended to read:

“61-5-208. Period of suspension or revocation — probationary license — ignition interlock device required on second or subsequent offense. (1) The department may not suspend or revoke a driver’s license or the operating privilege of a driver upon receiving a record of the driver’s conviction of or forfeiture of bail not vacated for a theft offense under 45-6-301 when the conviction or forfeiture has become final if the theft consisted of theft of motor vehicle fuel and a motor vehicle was used in the commission of the offense. The suspension must be for 30 days for a first offense, 6 months for a second offense, and 1 year for a third or subsequent offense.”
revoke the license or driving privilege of the person for a period of 1 year and, upon issuance of any restricted probationary license during the period of revocation, restrict the person to driving only a motor vehicle equipped with a functioning ignition interlock device. If the 1-year period passes and the person has not completed a chemical dependency education course, treatment, or both, as ordered by the sentencing court, the license revocation remains in effect until the course, treatment, or both, are completed.

(c) For the purposes of subsection (2)(b), a person is considered to have committed a second, third, or subsequent offense if fewer than 5 years have passed between the date of an offense that resulted in a prior conviction and the date of the offense that resulted in the most recent conviction.

(3) (a) If a person pays the reinstatement fee required in 61-2-107 and provides the department proof of compliance with an ignition interlock restriction imposed under 61-8-442, the department shall stay the license suspension of a person who has been convicted of a violation of 61-8-401 or 61-8-406 and return the person’s driver’s license. The stay must remain in effect until the period of suspension has expired and any required chemical dependency education course, treatment, or both, have been completed.

(b) If the department receives notice from a court, peace officer, or ignition interlock vendor that the person has violated the court-imposed ignition interlock restriction by, including but not limited to operating a motor vehicle not equipped with the device, tampering with the device, or removing the device before the period of restriction has expired, the department shall lift the stay and reinstate the license suspension for the remainder of the time period. The department may not issue a probationary driver’s license to a person whose license suspension has been reinstated because of violation of an ignition interlock restriction.

(4) The period for all revocations made mandatory by 61-5-205 is 1 year except as provided in subsection (2).

(5) The period of revocation for a person convicted of any offense that makes mandatory the revocation of the person’s driver’s license commences from the date of conviction or forfeiture of bail.

(6) If a person is convicted of a violation of 61-8-401 or 61-8-406 while operating a commercial motor vehicle, the department shall suspend the person’s driver’s license as provided in 61-8-802.

Section 3. Section 61-8-401, MCA, is amended to read:

“61-8-401. Driving under influence of alcohol or drugs. (1) It is unlawful and punishable, as provided in 61-8-442, 61-8-714, and 61-8-731 through 61-8-734, for a person who is under the influence of:

(a) alcohol to drive or be in actual physical control of a vehicle upon the ways of this state open to the public;

(b) a dangerous drug to drive or be in actual physical control of a vehicle within this state;

(c) any other drug to drive or be in actual physical control of a vehicle within this state; or

(d) alcohol and any dangerous or other drug to drive or be in actual physical control of a vehicle within this state."
(2) The fact that any person charged with a violation of subsection (1) is or has been entitled to use alcohol or a drug under the laws of this state does not constitute a defense against any charge of violating subsection (1).

(3) “Under the influence” means that as a result of taking into the body alcohol, drugs, or any combination of alcohol and drugs, a person’s ability to safely operate a vehicle has been diminished.

(4) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person driving or in actual physical control of a vehicle while under the influence of alcohol, the concentration of alcohol in the person at the time of a test, as shown by analysis of a sample of the person's blood or breath drawn or taken within a reasonable time after the alleged act, gives rise to the following inferences:

(a) If there was at that time an alcohol concentration of 0.04 or less, it may be inferred that the person was not under the influence of alcohol.

(b) If there was at that time an alcohol concentration in excess of 0.04 but less than 0.10.08, that fact may not give rise to any inference that the person was or was not under the influence of alcohol, but the fact may be considered with other competent evidence in determining the guilt or innocence of the person.

(c) If there was at that time an alcohol concentration of 0.10.09 or more, it may be inferred that the person was under the influence of alcohol. The inference is rebuttable.

(5) The provisions of subsection (4) do not limit the introduction of any other competent evidence bearing upon the issue of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and drugs.

(6) Each municipality in this state is given authority to enact 61-8-406, 61-8-408, 61-8-410, 61-8-714, 61-8-731 through 61-8-734, and subsections (1) through (5) of this section, with the word “state” in 61-8-406 and subsection (1) of this section changed to read “municipality”, as an ordinance and is given jurisdiction of the enforcement of the ordinance and of the imposition of the fines and penalties provided in the ordinance.

(7) Absolute liability as provided in 45-2-104 will be imposed for a violation of this section.”

**Section 4.** Section 61-8-406, MCA, is amended to read:

“61-8-406. Operation of noncommercial vehicle by person with alcohol concentration of 0.10.09 or more — operation of commercial vehicle by person with alcohol concentration of 0.04 or more. (1) It is unlawful and punishable as provided in 61-8-442, 61-8-722, 61-8-723, and 61-8-731 through 61-8-734 for any person to drive or be in actual physical control of:

(a) a noncommercial vehicle upon the ways of this state open to the public while the person’s alcohol concentration, as shown by analysis of the person’s blood, breath, or urine, is 0.10.09 or more; or

(b) a commercial motor vehicle upon the ways of this state open to the public while the person’s alcohol concentration, as shown by analysis of the person’s blood or breath, is 0.04 or more.

(2) Absolute liability, as provided in 45-2-104, will be imposed for a violation of this section.”
Section 5. Section 61-8-442, MCA, is amended to read:

“61-8-442. Driving under the influence of alcohol or drugs — driving with excessive alcohol concentration — ignition interlock device discretionary on first offense. (1) In addition to the punishments provided in 61-8-714 and 61-8-722, regardless of disposition, the court may restrict a defendant to driving only a motor vehicle equipped with a functioning ignition interlock device and require the defendant to pay the reasonable cost of leasing, installing, and maintaining the device if:

(a) the court determines that approved ignition interlock devices are reasonably available;

(b) the defendant’s blood alcohol concentration at the time of the arrest was 0.16 or greater; and

(c) the defendant has not been previously convicted of a violation of 61-8-401 or 61-8-406.

(2) Any restriction imposed under this section must be included in a report of the conviction made by the court to the department in accordance with 61-11-101 and placed upon the person’s driving record maintained by the department in accordance with 61-11-102.

(3) The duration of a restriction imposed under this section must run parallel to the time period for suspension of the driver’s license of the defendant in accordance with 61-2-107, 61-5-205, and 61-5-208 and must be monitored by the department.”

Section 6. Section 61-11-203, MCA, is amended to read:

“61-11-203. Definitions. As used in this part, the following definitions apply:

(1) “Conviction” means a finding of guilt by duly constituted judicial authority, a plea of guilty or nolo contendere, or a forfeiture of bail, bond, or other security deposited to secure appearance by a person charged with having committed any offense relating to the use or operation of a motor vehicle that is prohibited by law, ordinance, or administrative order.

(2) “Driver in need of rehabilitation and improvement” means a person who within a 2-year period accumulates 18 or more conviction points according to the schedule specified in subsection (3).

(3) “Habitual traffic offender” means any person who within a 3-year period accumulates 30 or more conviction points according to the schedule specified in this subsection:

(a) deliberate homicide resulting from the operation of a motor vehicle, 15 points;

(b) mitigated deliberate homicide, negligent homicide resulting from operation of a motor vehicle, or negligent vehicular assault, 12 points;

(c) any offense punishable as a felony under the motor vehicle laws of Montana or any felony in the commission of which a motor vehicle is used, 12 points;

(d) driving while under the influence of intoxicating liquor or narcotics or drugs of any kind or operation of a motor vehicle by a person with alcohol concentration of 0.08 or more, 10 points;
(e) operating a motor vehicle while the license to do so has been suspended or revoked, 6 points;

(f) failure of the driver of a motor vehicle involved in an accident resulting in death or injury to any person to stop at the scene of the accident and give the required information and assistance, as defined in 61-7-105, 8 points;

(g) willful failure of the driver involved in an accident resulting in property damage of $250 to stop at the scene of the accident and give the required information or failure to otherwise report an accident in violation of the law, 4 points;

(h) reckless driving, 5 points;

(i) illegal drag racing or engaging in a speed contest in violation of the law, 5 points;

(j) any of the mandatory motor vehicle liability protection offenses under 61-6-301 and 61-6-302, 5 points;

(k) operating a motor vehicle without a license to do so, 2 points (this subsection (k) does not apply to operating a motor vehicle within a period of 180 days from the date the license expired);

(l) speeding, except as provided in 61-8-725(2), 3 points;

(m) all other moving violations, 2 points.

(4) There may not be multiple application of cumulative points when two or more charges are filed involving a single occurrence. If there are two or more convictions involving a single occurrence, only the number of points for the specific conviction carrying the highest points is chargeable against that defendant.

(5) “License” means any type of license or permit to operate a motor vehicle.

(6) “Moving violation” means a violation of a traffic regulation of this state or another jurisdiction by a person while operating a motor vehicle or in actual physical control of a motor vehicle upon a highway, as the term is defined in 61-1-201.

(7) A traffic regulation includes any provision governing motor vehicle operation, equipment, safety, size, weight, and load restrictions or driver licensing. A traffic regulation does not include provisions governing vehicle registration or local parking.”

Section 7. Code commissioner instruction. The code commissioner is authorized and instructed to change “0.10” to “0.08” in any legislation enacted by the 2003 legislature that contains a reference to an alcohol concentration of 0.10 in a person’s body.

Section 8. Effective date. [This act] is effective on passage and approval.

Approved April 15, 2003
60-4-104, 70-30-302, AND 70-30-311, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 60-4-104, MCA, is amended to read:

“60-4-104. Exercise of right of eminent domain — presumption. (1) Subject to subsections (4) and (5), whenever the department cannot acquire lands or other property or interests in the lands or property at a price or cost which it considers reasonable, it may direct the attorney general or any county attorney to procure the interests by proceedings to be instituted as provided in Title 70, chapter 30, against all nonaccepting landholders.

(2) The department may not so direct the attorney general or any county attorney to procure the interests until it adopts an order declaring that:

(a) public interest and necessity require the construction or completion by the state of the highway or improvement for one of the purposes set forth in 60-4-103;

(b) the interest described in the order and sought to be condemned is necessary for the highway or improvement;

(c) the highway or improvement is planned and located in a manner which will be compatible with the greatest public good and the least private injury.

(3) The order creates and establishes a disputable presumption:

(a) of the public necessity of the proposed highway or improvement;

(b) that the taking of the interest sought is necessary therefor for the project;

(c) that the proposed highway or improvement is planned or located in a manner which will be most compatible with the greatest public good and the least private injury.

(4) (a) Once the department has acquired at least three-fourths of all the parcels needed to construct a project that has been selected by the commission, it may use the procedures outlined in subsection (5) and this subsection (4) to acquire the remaining parcels required for the project.

(b) Not less than 30 days or more than 45 days after service of the summons and complaint provided for in 70-30-203, the department shall deposit into an account and in the manner provided for in 70-30-302 the estimated fair market value of the property that is to be acquired and that is described in the complaint. Once the funds are deposited, the department may request, by motion filed with the court, an order to show cause why the property should not be placed in the possession of the department as requested in the complaint.

(5) (a) If the condemnee does not file an objection to the motion within 10 days, the court shall issue the preliminary condemnation order as provided in 70-30-206 and place the condemnor in possession of the property as provided in 70-30-311.

(b) If the condemnee files an objection to the motion, the court shall schedule a hearing at which the condemnee shall appear and show cause why the property should not be placed in the possession of the department as requested in the complaint. The hearing must take place not less than 20 days or more than 30 days after the objection is filed. The court shall rule on the condemnor’s motion as
soon after the hearing as possible. However, the time between the hearing and the
court’s decision may not exceed 30 days.

(c) The motion shall include a notice specifying that the order sought is a
final order on the issue of possession of the property described in the complaint.”

Section 2. Section 70-30-302, MCA, is amended to read:

(1) For the purpose of assessing compensation, the right to compensation is
considered to have accrued at the date of the service of the summons, and the
property’s current fair market value as of that date is the measure of
compensation for all property to be actually taken and the basis of depreciation
in the current fair market value of property not actually taken but injuriously
affected. This subsection may not be construed to limit the amount of
compensation payable by the department of transportation under the provisions
of any legislation enacted pursuant to the federal Highway Beautification Act of
1965.

(2) If an order is made allowing the condemnor to take possession, as
provided in 60-4-104(4) and (5) and 70-30-311, the full amount finally awarded
must draw interest at the rate of 10% a year from the date of the service of the
summons to the earlier of the following dates:

(a) the date on which the right to appeal to the Montana supreme court
expires or, if an appeal is filed, the date of final decision by the supreme court; or

(b) the date on which the condemnee withdraws from the court the full
amount finally awarded.

(3) If the condemnee withdraws from the court a fraction of the amount
finally awarded, interest on that fraction ceases on the date it is withdrawn but
interest on the remainder of the amount finally awarded continues to the earlier
of the dates referred to in subsections (2)(a) and (2)(b) until the full amount is
withdrawn from the court.

(4) None of the amount finally awarded draws interest after the date on
which the right to appeal to the Montana supreme court expires.

(5) Improvements put upon the property subsequent to the date of the
service of summons may not be included in the assessment of compensation or
depreciation in current fair market value and may not be used as the basis of
computing compensation or depreciation.”

Section 3. Section 70-30-311, MCA, is amended to read:

“70-30-311. Putting condemnor in possession. (1) At any time after the
filing of the preliminary condemnation order pursuant to 70-30-206 or an order
as provided in 60-4-104(4) and (5) and while it retains jurisdiction, the court
upon application of the condemnor may make an order that:

(a) upon payment into court of the amount of compensation claimed by the
condemnee in the condemnee’s statement of claim of just compensation under
70-30-207 or the amount assessed either by the commissioners or by the jury,
the condemnor is authorized:

(1) if already in possession of the property of the condemnee that is sought
to be taken, to continue in possession; or

(2) if not in possession, to take possession of the property and use and
possess the property during the pendency and until the final conclusion of the
proceedings and litigation; and that
all actions and proceedings against the condemnor on account of the possession are stayed until the final conclusion of the proceedings and litigation.

(2) If the condemnee fails to file a statement of claim of just compensation within the time specified in 70-30-207, the condemnor may obtain an order for possession provided for in subsection (1), subject to the condition subsequent that a condemnor’s payment into court must be made within 10 days of receipt of the condemnee’s statement of claim.

(3) However, when an appeal is taken by the condemnee, the court may require the condemnor before continuing or taking possession, in addition to paying into court the amount assessed, to give a bond or undertaking with sufficient sureties approved by the court and in an amount that the court may direct, conditioned to pay the condemnee any additional damages and costs above the amount assessed, which is finally determined as the amount that the condemnee is entitled to for the taking of the property, and all damages that the condemnee may sustain if for any cause the property is not finally taken for public use.

(4) The amount assessed by the commissioners or by the jury on appeal is considered, for the purposes of this section and until reassessed or changed in the further proceedings, as just compensation for the property taken. However, the condemnor, by payment into court of the amount claimed in the answer or the amount assessed or by giving security as provided in subsection (3), may not be prevented from appealing from the assessment but may appeal in the same manner and with the same effect as if money had not been deposited or security had not been given.

(5) (a) Subject to subsection (5)(b), in all cases in which the condemnor deposits the amount of the assessment and continues in possession or takes possession of the property, as provided in this section, the condemnee, if there is no dispute as to the ownership of the property, may at any time demand and receive upon order of the court all or any part of the money deposited. The demand or receipt may not preclude the condemnee’s right of appeal from the assessment. However, if the amount of the assessment is finally reduced on appeal by either party, the condemnee who has received all or any part of the amount deposited is liable to the condemnor for any excess of the amount received over the amount finally assessed, with legal interest on the excess from the time the condemnee received the money deposited. The excess, plus interest, may be recovered by a civil action. Upon any appeal from an assessment by the commissioners to a jury, the jury may make a finding for any amount that it considers appropriate.

(b) The court may not order the delivery to any condemnee of more than 75% of the money deposited on the condemnee’s account except upon posting of bond by the condemnee equal to the amount in excess of 75%, with sureties to be approved by the court, to repay to the condemnor amounts withdrawn that are in excess of the condemnee’s final award in the proceedings.”

Section 4. Effective date. [This act] is effective on passage and approval.

Section 5. Applicability. [This act] applies to actions initiated on or after [the effective date of this act].

CHAPTER NO. 332
[SB 86]
AN ACT REVISION ACCOUNTING, BUDGETING, AND APPROPRIATION LAWS; AUTHORIZING STATE SPECIAL AND OTHER FEDERAL FUND SWITCHES; CHANGING THE DATE FOR STATE AGENCIES TO ANNUALLY REPORT ACCOUNTING INFORMATION TO THE LEGISLATIVE FINANCE COMMITTEE; CLARIFYING THE CALCULATION OF BALANCED FINANCIAL PLANS THAT REDUCE THE PROPOSED BASE BUDGET FOR AGENCIES WITH MORE THAN 20 FTE; PROVIDING BUDGET AMENDMENT EXCEPTIONS FOR STATE SPECIAL REVENUE; AMENDING SECTIONS 17-2-108, 17-2-304, 17-7-111, AND 17-7-402, MCA; AND PROVIDING AN EFFECTIVE DATE.
Be it enacted by the Legislature of the State of Montana:

Section 1. Section 17-2-108, MCA, is amended to read:

“17-2-108. Expenditure of nongeneral fund money first. (1) Except for the exemptions applicable to the Montana historical society in 22-3-114(5) and the Montana state library in 22-1-226(5), an office or entity of the executive, legislative, or judicial branch of state government shall apply expenditures against appropriated nongeneral fund money whenever possible before using general fund appropriations.

(2) The approving authority, as defined in 17-7-102, shall authorize the decrease of the general fund appropriation of an agency by the amount of money received from federal sources in excess of the appropriation in an appropriation act unless the decrease is contrary to federal law, federal rule, or a contract or unless the approving authority certifies that the services to be funded by the additional money are significantly different than those for which the agency received the general fund appropriation. If directed by an appropriation act, the approving authority shall decrease the general fund appropriation of an agency by the amount of money received from nonfederal sources in excess of the appropriation unless the decrease is contrary to state law, state rule, or a
contract or unless the approving authority certifies that the services to be
funded by the additional money are significantly different than those for which
the agency received the general fund appropriation. If the general fund
appropriation of an agency is decreased pursuant to this section, the
appropriation for the fund in which the money is received is increased in the
amount of the general fund decrease.

(3) If directed by an appropriation act, the approving authority may decrease
a state special revenue, proprietary, or other funds appropriation of an agency by
the amount of money received from federal sources in excess of the appropriation
unless the decrease is contrary to state or federal law or federal rule. The
appropriation for the fund in which the money is received is decreased by the
amount of the federal special revenue increase allowed by law, rule, or contract
and approved for the purpose.”

Section 2. Section 17-2-304, MCA, is amended to read:

“17-2-304. Reports required. (1) The approving authority for a state
agency shall annually report in writing to the legislative finance committee by
August 1 September 15:

(a) each state agency that had a cash balance in a state charge for services
fund contrary to the limitation provided in 17-2-302(1) during the previous 12
months;

(b) the facts certified for each state agency by the approving authority
pursuant to 17-2-302(2);

(c) each state agency that has complied with the requirements of 17-2-303
and the circumstances of the agency’s compliance; and

(d) each state agency that has not complied with 17-2-303 and the
circumstances of the agency’s noncompliance.

(2) The director of the department of administration shall report to the
legislature at the time and in the manner required by 5-11-210 a list of each local
government entity that had a balance in a local charge for services fund contrary
to the limitation provided by 17-2-302(1) or that failed to reduce the charge as
provided in 17-2-303, or both, during the previous 12 months.”

Section 3. Section 17-7-111, MCA, is amended to read:

“17-7-111. Preparation of state budget — agency program budgets —
form distribution and contents. (1) (a) To prepare a state budget, the
executive branch, the legislature, and the citizens of the state need information
that is consistent and accurate. Necessary information includes detailed
disbursements by fund type for each agency and program for the appropriate
time period, recommendations for creating a balanced budget, and
recommended disbursements and estimated receipts by fund type and fund
category.

(b) Subject to the requirements of this chapter, the budget director and the
legislative fiscal analyst shall by agreement:

(i) establish necessary standards, formats, and other matters necessary to
share information between the agencies and to ensure that information is
consistent and accurate for the preparation of the state’s budget; and

(ii) provide for the collection and provision of budgetary and financial
information that is in addition to or different from the information otherwise
required to be provided pursuant to this section.
In the preparation of a state budget, the budget director shall, not later than the date specified in 17-7-112(1), distribute to all agencies the proper forms and instructions necessary for the preparation of budget estimates by the budget director. These forms must be prescribed by the budget director to procure the information required by subsection (3). The forms must be submitted to the budget director by the date provided in 17-7-112(2)(a) or the agency’s budget is subject to preparation based upon estimates as provided in 17-7-112(5). The budget director may refuse to accept forms that do not comply with the provisions of this section or the instructions given for completing the forms.

The agency budget request must set forth a balanced financial plan for the agency completing the forms for each fiscal year of the ensuing biennium. The plan must consist of:

(a) a consolidated agency budget summary of funds subject to appropriation or enterprise funds that transfer profits to the general fund or to an account subject to appropriation for the current base budget expenditures, including statutory appropriations, and for each present law adjustment and new proposal request setting forth the aggregate figures of the full-time equivalent personnel positions (FTE) and the budget, showing a balance between the total proposed disbursements and the total anticipated receipts, together with the other means of financing the budget for each fiscal year of the ensuing biennium, contrasted with the corresponding figures for the last completed fiscal year and the fiscal year in progress;

(b) a schedule of the actual and projected receipts, disbursements, and solvency of each fund for the current biennium and estimated for the subsequent biennium;

(c) a statement of the agency mission and a statement of goals and objectives for each program of the agency. The goals and objectives must include, in a concise form, sufficient specific information and quantifiable information to enable the legislature to formulate an appropriations policy regarding the agency and its programs and to allow a determination, at some future date, on whether the agency has succeeded in attaining its goals and objectives.

(d) actual FTE and disbursements for the completed fiscal year of the current biennium, estimated FTE and disbursements for the current fiscal year, and the agency’s request for the ensuing biennium, by program;

(e) by the approving authority for any matter of which the requesting agency had knowledge at a time when the proposal could have been presented to an appropriation subcommittee, the house appropriations committee, or the senate finance and claims committee of the most recent legislative session open to that matter, except when the legislative finance committee is given specific notice by the approving authority that significant identifiable events, specific to Montana and pursuant to provisions or requirements of Montana state law, have occurred since the matter was raised with or presented for consideration by the legislature; or

(f) to extend beyond June 30 of the last year of any biennium, except that budget amendments for federal funds may extend to the end of the federal fiscal year."
2. A general fund loan made pursuant to 17-2-107 does not constitute a significant ascertainable commitment of present general fund support.

3. Subject to subsection (1)(f), all budget amendments must itemize planned expenditures by fiscal year.

4. Each budget amendment must be submitted by the approving authority to the budget director and the legislative fiscal analyst.

5. Money from nonstate or nonfederal sources that would be deposited in the state special revenue fund and that is restricted by law or by the terms of a written agreement, such as a contract, trust agreement, or donation, is exempt from the requirements of this part.

WHEREAS, 63 Class I freight railroads competed in the United States in 1976 and today only 8 Class I railroads traverse this country with limited competition and the control of more than 91% of all U.S. rail freight revenue; and

WHEREAS, in 2001 one railroad posted more than 97% of revenue earned in Montana from rail freight movement in and out of the state, as reported to the Public Service Commission; and

CHAPTER NO. 345

[HB 170]

AN ACT REVISING THE LAW RELATING TO REVOCATION OF A SUSPENDED OR DEFERRED SENTENCE BY PROVIDING THAT RECENT LEGISLATIVE CHANGES TO THE REVOCATION LAW APPLY RETROACTIVELY; AMENDING SECTION 46-18-203, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.
Be it enacted by the Legislature of the State of Montana:

Section 1. Section 46-18-203, MCA, is amended to read:

"46-18-203. Revocation of suspended or deferred sentence. (1) Upon the filing of a petition for revocation showing probable cause that the offender has violated any condition of a sentence or any condition of a deferred imposition of sentence, the judge may issue an order for a hearing on revocation. The order must require the offender to appear at a specified time and place for the hearing and be served by delivering a copy of the petition and order to the offender personally. The judge may also issue an arrest warrant directing any peace officer or a probation and parole officer to arrest the offender and bring the offender before the court.

(2) The petition for a revocation must be filed with the sentencing court during the period of suspension or deferral. Expiration of the period of suspension or deferral after the petition is filed does not deprive the court of its jurisdiction to rule on the petition.

(3) The provisions pertaining to bail, as set forth in Title 46, chapter 9, are applicable to persons arrested pursuant to this section.

(4) Without unnecessary delay, the offender must be brought before the judge, and the offender must be advised of:

(a) the allegations of the petition;
(b) the opportunity to appear and to present evidence in the offender's own behalf;
(c) the opportunity to question adverse witnesses; and
(d) the right to be represented by counsel at the revocation hearing pursuant to Title 46, chapter 8, part 1.

(5) A hearing is required before a suspended or deferred sentence can be revoked or the terms or conditions of the sentence can be modified, unless:

(a) the offender admits the allegations and waives the right to a hearing; or
(b) the relief to be granted is favorable to the offender and the prosecutor, after having been given notice of the proposed relief and a reasonable opportunity to object, has not objected. An extension of the term of probation is not favorable to the offender for the purposes of this subsection (5)(b).

(6) At the hearing, the prosecution shall prove, by a preponderance of the evidence, that there has been a violation of the terms and conditions of the suspended or deferred sentence. However, when a failure to pay restitution is the basis for the petition, the offender may excuse the violation by showing sufficient evidence that the failure to pay restitution was not attributable to a failure on the offender's part to make a good faith effort to obtain sufficient means to make the restitution payments as ordered.

(7) (a) If the judge finds that the offender has violated the terms and conditions of the suspended or deferred sentence, the judge may:

(i) continue the suspended or deferred sentence without a change in conditions;
(ii) continue the suspended sentence with modified or additional terms and conditions;
(iii) revoke the suspension of sentence and require the offender to serve either the sentence imposed or any lesser sentence; or
(iv) if the sentence was deferred, impose any sentence that might have been originally imposed.

(b) If a suspended or deferred sentence is revoked, the judge shall consider any elapsed time and either expressly allow all or part of the time as a credit against the sentence or reject all or part of the time as a credit. The judge shall state the reasons for the judge’s determination in the order. Credit, however, must be allowed for time served in a detention center or home arrest time already served.

(c) If a judge finds that an offender has not violated a term or condition of a suspended or deferred sentence, that judge is not prevented from setting, modifying, or adding conditions of probation as provided in 46-23-1011.

(8) If the judge finds that the prosecution has not proved, by a preponderance of the evidence, that there has been a violation of the terms and conditions of the suspended or deferred sentence, the petition must be dismissed and the offender, if in custody, must be immediately released.

(9) The provisions of this section apply to any offender whose suspended or deferred sentence is subject to revocation regardless of the date of the offender’s conviction and regardless of the terms and conditions of the offender’s original sentence."

Section 2. Effective date. [This act] is effective on passage and approval.

Section 3. Retroactive applicability. [This act] applies retroactively, within the meaning of 1-2-109, to offenders in the custody of or under the supervision of the department of corrections on [the effective date of this act].

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 46-16-105, MCA, is amended to read:

“46-16-105. Plea of guilty — use of two-way electronic audio-video communication. (1) Before or during trial, a plea of guilty or nolo contendere may be accepted when:

(a) subject to the provisions of subsection (3), the defendant enters a plea of guilty or nolo contendere in open court; and

(b) the court has informed the defendant of the consequences of the plea and of the maximum penalty provided by law that may be imposed upon acceptance of the plea.

(2) At any time before or after judgment or, except when a claim of innocence is supported by evidence of a fundamental miscarriage of justice, within 1 year after judgment becomes final, the court may, for good cause shown, permit the
plea of guilty or nolo contendere to be withdrawn and a plea of not guilty substituted. A judgment becomes final for purposes of this subsection (2):

(a) when the time for appeal to the Montana supreme court expires;

(b) if an appeal is taken to the Montana supreme court, when the time for petitioning the United States supreme court for review expires; or

(c) if review is sought in the United States supreme court, on the date that that court issues its final order in the case.

(3) For purposes of this section, in cases in which the defendant is charged with a misdemeanor offense, an entry of a plea of guilty or nolo contendere through the use of two-way electronic audio-video communication, allowing all of the participants to be observed and heard in the courtroom by all present, is considered to be an entry of a plea of guilty or nolo contendere in open court. Audio-video communication may be used if neither party objects and the court agrees to its use. The audio-video communication must operate as provided in 46-12-201.”

Section 2. Effective date. [This act] is effective July 1, 2003.

Section 3. Applicability. [This act] applies to all offenders who plead guilty on or after [the effective date of this act].

(c) A tract owner may file a request with the district to exclude a tract from future services, assessments, and liability of the district. The district may agree with the tract owner on any amount determined appropriate for that exclusion.

(5) The petitioner shall file the petition, proof of mailing pursuant to subsection (4), and a $20 fee with the clerk of the district court for the county in which the irrigation district was created.

(6) Within 45 days of the date of the filing of the petition, the irrigation district may file an objection to the petition. To be valid, the objection must provide sufficient evidence that the provisions of subsection (1) do not apply.

(7) If a valid objection is filed, the district court may hold a hearing if necessary to resolve the facts stated in the petition.

(8) The court shall grant the petition to exclude the tract from future services, assessments, and liability:

(a) if no objections are filed within 45 days of filing the petition; or

(b) upon determination of the district court that the petition is sufficient.

(9) The district court shall forward to the irrigation district:

(a) a copy of the order granting the exclusion; and

“46-17-203. Plea of guilty — use of two-way electronic audio-video communication. (1) Before or during trial, a plea of guilty or nolo contendere may be accepted when:

The district court may remand the case, or the defendant may appeal the decision of the district court.

(3) For purposes of this section, in cases in which the defendant is charged with a misdemeanor offense, an entry of a plea of guilty or nolo contendere through the use of two-way electronic audio-video communication, allowing all of the participants to be observed and heard in the courtroom by all present, is considered to be an entry of a plea of guilty or nolo contendere in open court. Audio-video communication may be used if neither party objects and the court agrees to its use. The audio-video communication must operate as provided in 46-12-201.”

An appeal from a municipal court to the district court is governed by 3-6-110.

(2) The defendant may appeal to the district court by filing written notice of intention to appeal within 10 days after a judgment is rendered following trial or the denial of the motion to withdraw a plea as provided in 46-17-203(2)(b). In the case of an appeal by the prosecution, the notice must be filed within 10 days of the date that the order complained of is given. The prosecution may appeal only in the cases provided for in 46-20-103.

(3) Within 30 days of filing the notice of appeal, the court shall transfer the entire record of the court of limited jurisdiction to the district court.

(4) A defendant may appeal a justice's court or city court revocation of a suspended sentence to the district court. The district court judge shall determine whether the suspended sentence will be revoked. A jury trial is not available in a sentence revocation procedure.”
Section 3. Effective date. [This act] is effective on passage and approval.

Section 5. Section 77-2-301, MCA, is amended to read:

"77-2-301. Sales of state land under board control. The board is hereby vested with the power and authority to decide when sales of state lands are to be held and what state lands are to be offered for sale, subject to the limitations of this title, as the best interests of the state may appear to require. As a general rule and except as provided in 77-2-318, no sale of state lands shall be held unless applications have been made for the purchase of lands within one county by prospective purchasers representing at least 12 families."

Section 6. Section 77-2-306, MCA, is amended to read:

"77-2-306. Who may purchase. (1) State lands shall be sold only to citizens of the United States, persons who have declared their intentions to become citizens, corporations organized under the laws of this state, or towns, cities, counties, or consolidated local governments of this state. No person shall be qualified to purchase state land who has not reached the age of 18 years. As far as possible to determine, the lands shall be sold only to actual settlers or to persons who will improve the same and not to persons who are likely to hold such lands for speculative purposes intending to resell the same at a higher price without having added anything to their value.

(2) State lands may be sold to any sovereign state of the United States or to any board of trustees or public corporation or agency of such state created by such state as an agency or political subdivision thereof. Said lands may be purchased in the quantities set forth in 77-2-307 for use by such state, board of trustees, public corporation, agency, or political subdivision for educational or scientific purposes.

(3) State lands located wholly within the exterior boundaries of the tribal government’s reservation as recognized by the federal government may be sold to a tribal government as defined in 18-11-102. (2) No sale involving land in excess of the acreage limitations in 77-2-307 160 acres may not be made under this section without first consulting with the board of county commissioners of the county or counties in which the lands to be sold are located.

(3) State land may not be sold to the federal government or to an agency of the federal government, except for the purpose of building federal facilities and structures. Nothing in this section prohibits the sale of state land to a tribal government as defined in 18-11-102.

Section 7. Section 77-2-309, MCA, is amended to read:

“77-2-309. Discretion of board with respect to surveying and platting. Except as provided in 77-2-312, it shall be entirely optional with the board of county commissioners of the county or counties in which the state lands are located to determine whether or not state lands or any part thereof shall be surveyed, platted, and laid off into blocks and lots as herein provided, as may appear to be for the best interests of the state.”

Section 8. Section 77-2-323, MCA, is amended to read:

“77-2-323. Sale procedure and limitation. (1) At the time fixed for the sale, the lands state land must be offered for sale at auction in the order that they appear in the notice of sale. Under the direction of the department, the lands state land must be sold to the highest qualified bidder under the following restrictions:

(a) Lands. State land may not be sold for less than the value determined by the board after appraisal by a qualified land appraiser.

(b) Tillable lands capable of producing agricultural crops may not be sold for less than $10 an acre.

(c) Lands principally valuable for grazing purposes may not be sold for less than $5 an acre.

(2) The lands state land must be sold as nearly as practicable according to the subdivisions in which they are advertised, and care must be taken not to subdivide any tract in such a way as to separate remaining portions from a water supply or from section lines or public highways.

(3) The sale may be adjourned from day to day until all the lands state land advertised have been offered for sale.

(4) If any successful bidder at a sale refuses or neglects to make the initial payment required to be made on the land purchased, the successful bidder shall forfeit to the state not less than $50 or more than $1,000, to be determined by the board according to the circumstances of the case. If the forfeiture is not paid when notice of the amount of the forfeiture has been served by the department, the attorney general shall sue for the recovery of the amount in the name of the state. The forfeiture amount must be deposited in the state general fund.”

Section 9. Section 77-2-328, MCA, is amended to read:

“77-2-328. Additional rules — deposit of fees. The board may prescribe any additional rules for the conduct of these sales of state land as in its judgment the interests of the state may demand. Any fees collected by a rule adopted pursuant to this section must be deposited in the state general fund trust land administration account as provided in 77-1-108.”

Section 10. Section 77-2-337, MCA, is amended to read:

“77-2-337. Disposition of sale proceeds. (1) Except as provided in [section 12] and subsection (3) of this section, the proceeds from the state land
land sold, including all subsequent payments on the principal, shall must be credited to the permanent fund arising from the grant to which it belongs and shall must become and forever remain an inseparable and inviolable part thereof of the permanent fund.

(2) All payments on interest must be credited to the proper income fund and shall must be available for use as provided by law.

(3) (a) Proceeds from the sale of any state trust land, as authorized by [sections 11 through 17], must be deposited into the state land bank fund established in [section 12] to be used for the purposes described in [sections 12 and 14] for the long-term financial benefit of the beneficiaries for whom the funds were deposited.

(b) If the proceeds from the sale of state trust land, as authorized by [sections 11 through 17], are not used for the purposes described in [sections 12 and 14], the proceeds from the sale and any earnings on the proceeds must be deposited pursuant to subsection (1) of this section.”

Section 11. Definitions. As used in [sections 11 through 17], the following definitions apply:

(1) “Isolated parcel” means any state land not possessing a legal right of access by the public.

(2) “Land banking” means a process of selling various parcels of state land and using the proceeds from the sales to purchase other land, easements, or improvements that are likely to provide greater or equal trust revenue, as may be reasonably expected over a 20-year accounting period with an acceptable level of risk, for the affected trust and to diversify the land holdings of the various trusts.

(1) There is a state land bank fund. The proceeds from the sale of state trust land authorized by [sections 11 through 17] must be deposited into the state land bank fund. The purpose of the state land bank fund is to temporarily hold proceeds from the sale of trust land pending the purchase of other land, easements, or improvements for the benefit of the beneficiaries of the respective trusts. A separate record of the proceeds received from the sale of trust land for each of the respective trusts must be maintained. Proceeds from the sale of lands that are part of a trust land grant may be used only to purchase land for the same trust.

(2) (a) Proceeds deposited in the state land bank fund, except earnings on those proceeds, are statutorily appropriated, as provided in 17-7-502, to the department for the purposes described in [sections 11 through 17]. All earnings on the proceeds deposited in the state land bank fund are subject to the provisions of Article X, sections 5 and 10, of the Montana constitution.

(b) Except as provided in subsection (2)(c), up to 10% of the proceeds in the state land bank fund may be used by the department to fund the transactional costs of buying, selling, appraising, or marketing real property. Transactional costs may include realtor’s fees, title reports, title insurance, legal fees, and other costs that may be necessary to complete a conveyance of real property.

(c) Proceeds from the sale of lands held pursuant to the Morrill Act of 1862, 7 U.S.C. 301 through 308, and the Morrill Act of 1890, 7 U.S.C. 321 through 328, may not be used for any transactional costs or trust administration purposes for those lands.
(d) The department may hold proceeds from the sale of state land in the state land bank fund for a period not to exceed 10 years after the effective date of each sale. If, by the end of the 10th year, the proceeds from the subject land sale have not been encumbered to purchase other lands, easements, or improvements within the state, the proceeds from that sale must be deposited in the public school fund or in the permanent fund of the respective trust as required by law, along with any earnings on the proceeds from the land sale, unless the time period is extended by the legislature.

(3) The board shall adopt rules providing for the implementation and administration of the state land bank fund, purchases, and sales.

Section 13. Land banking land sales and limitations. (1) The board may not cumulatively sell or dispose of more than 100,000 acres of state land. Seventy-five percent of the acreage cumulatively sold must be isolated parcels that do not have a legal right of access by the public. At any one time during the life of the land banking process, the board may not sell more than 20,000 acres of state land unless the board has acted to use the revenue from that land to make purchases pursuant to [section 14].

(2) (a) A person bidding to purchase state land offered for sale shall 45 days prior to the day of auction deposit with the department a bid bond in the form of a certified check or cashier’s check drawn on any Montana bank equal to at least 50% of the minimum sale price specified by the department pursuant to 77-2-323(1) to guarantee the bidder’s payment of the purchase price.

(b) If the current lessee of the land to be sold has initiated the sale as authorized by [section 14], the lessee may cancel the sale by giving notice to the department at least 30 days prior to the day of the auction. When the sale is canceled by the lessee, the lessee shall pay the costs incurred by the department for the preparation of the sale including any costs incurred for preparation of documents required by 75-1-201.

(c) The department shall retain the bid bond of the successful bidder and shall return the bid bonds of the unsuccessful bidders. If the successful bidder fails to comply with the terms of the sale for any reason, the successful bidder's bid bond must be forfeited and credited to the interest and income account of the proper trust.

(3) Except for a sale that is initiated by the lessee of the parcel of land proposed for sale, prior to the proposed sale of any parcel of state land under the land banking process, the board shall give 60 days’ notice of the proposed sale to the lessee of the parcel to allow the lessee sufficient time to determine whether the lessee wishes to propose an exchange of the land to the board.

(4) For a sale initiated by the board or the department, the lessee of the land must be afforded all the rights and privileges to match the high bid, as provided in 77-2-324.

Section 14. Land banking purchases. (1) The board may select and purchase, lease, receive by donation, hold in trust, or in any manner acquire for and in the name of the state of Montana, in trust for the beneficiaries specified in sections 10 through 19 of The Enabling Act of Congress (approved February 22, 1889, 25 Stat. 676), as amended, any interest in real property and improvements, tracts, and leaseholds of land that the board considers proper in order to best provide prudent, maximum, long-term revenue for the beneficiaries.
(2) Sales of state land may be initiated only by the board, the department, or at the request of a lessee, pursuant to 77-1-202, 77-1-301, 77-2-301, or 77-2-308. The board shall ensure that the full market value of the land sold is realized for each trust by using the appraisal, sale, advertising, and competitive bid procedures contained within 77-2-303, 77-2-321, 77-2-322, 77-2-323, and 77-2-324.

(3) When it is not inconsistent with the purpose of the trust, the board shall purchase land possessing legal access for all legal purposes.

(4) When purchasing land, easements, or improvements for the existing trusts, the board shall develop and apply appraisal and revenue projection procedures to ensure that the land or easements proposed for purchase or that the improvements proposed to be acquired are likely to produce more net revenue for the affected trust than the revenue that was produced from the land that was sold. The board may not purchase land, easements, or improvements pursuant to sections 11 through 17 unless it has first prudently determined that the land, easements, or improvements are likely to produce a greater or equal annual rate of return, as may be reasonably expected over a 20-year accounting period, with an acceptable level of risk for the affected trust, than the current annual rate of return from the state land that has been sold pursuant to section 13. As guidance, the board shall use generally accepted accounting standards and the Uniform Appraisal Standards for Federal Land Acquisitions published by the U.S. department of justice and the appraisal institute.

(5) Prior to purchasing any land, easements, or improvements, the board shall determine that the financial risks and benefits of the purchase are prudent, financially productive investments that are consistent with the board’s fiduciary duty as a reasonably prudent trustee of a perpetual trust. For the purposes of implementing sections 11 through 17, that duty requires the board to:

(a) discharge its duties with the care, skill, prudence, and diligence that a prudent person acting in a similar capacity with the same resources and familiar with similar matters should exercise in the conduct of an enterprise of similar character and aims;

(b) diversify the land holdings of each trust to minimize the risk of loss and maximize the sustained rate of return;

(c) discharge its duties and powers solely in the interest of and for the benefit of the trust managed;

(d) discharge its duties subject to the fiduciary standards set forth in 72-34-114; and

(e) maintain, as closely as possible, the existing land base of each trust, consistent with the state’s fiduciary duty.

(6) Prior to purchasing a parcel of land in excess of 160 acres in any particular county, the board shall consult with the county commissioners of the county in which the parcel is located.

Section 15. Right of access not created. Nothing in sections 11 through 17 creates any express or implied right of access, right-of-way, or easement for the benefit of the board, the department, or any purchaser of state land over or through any other property.

Section 16. Land banking process — time limit — report to environmental quality council. (1) State land may not be sold through the
land banking process pursuant to [sections 11 through 17] after October 1, 2008. Land banking purchases under [section 14] may continue after October 1, 2008, until all the proceeds in the state land bank fund are expended or revert to the public school fund or the permanent fund of the respective trust pursuant to [section 12(2)(d)].

(2) The department shall provide a report to the environmental quality council by July 1, 2008, that describes the results of the land banking program in detail. At a minimum, the report must summarize the sale and purchase transactions made through the program by type, location, acreage, value, and trust beneficiary. The environmental quality council shall make any recommendations that it determines necessary regarding the implementation of the state land banking process, including recommendations for legislation.

Section 17. Road easements on state lands. County roads or easements for county roads on lands purchased from the state of Montana are subject to the provisions of Title 7, chapter 14, part 26, regarding the establishment, alteration, or abandonment of county roads.

Section 18. Repealer. Sections 77-2-307 and 77-2-312, MCA, are repealed.

Section 19. Codification instruction. [Sections 11 through 17] are intended to be codified as an integral part of Title 77, chapter 2, part 3, and the provisions of Title 77, chapter 2, part 3, apply to [sections 11 through 17].

If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 2. Section 69-4-603, MCA, is amended to read:

“69-4-603. Procedure to accomplish move — payment of cost. (1) In order to accomplish moving a house, building, derrick, or other structure through an area in which utility wires, cables, or poles or wires impede the movement, it is the duty of the person, firm, or corporation who owns or controls the poles or wires, cables, or poles and who has received the notice required by 69-4-602, shall furnish competent workers to raise or cut the wires or cables or move the poles as necessary to facilitate moving the house, building, derrick, or other structure.

(c) When the person who owns or controls the poles or wires refuses to raise or cut the wires or move the poles, the person, firm, or corporation who owns or moves the house, building, derrick, or other structure shall ensure that only competent and experienced workers raise or cut the wires or move the poles.

The following procedure must be followed:

(i) The necessary and reasonable expense incurred by the owner or mover of the house, building, derrick, or other structure as a result of raising or cutting the wires or moving the poles must be paid by the owners of the poles or wires handled.

(ii) The work of raising or cutting the wires or moving the poles must be done in a careful manner.

(iii) The poles and wires must be promptly replaced and any damage to the poles or wires must be promptly repaired.

(4) The mover shall make a prepayment of a portion of the total cost estimated under 69-4-602 in advance of the move as follows:

(a) if the structure is moved through or out of the service territory of the owner of the wires, cables, or poles, 100% of the mover's share pursuant to subsection (2); or
(b) if the structure is delivered to a place within the service territory of the owner of the wires, cables, or poles, 50% of the mover’s share pursuant to subsection (2).

(5) The owner of the wires, cables, or poles may waive the prepayment requirement or accept a bond or other financial instrument in lieu of payment.

(6) The mover shall pay the mover’s share of all actual costs under subsection (2) in excess of any prepayment made under subsection (4) within 30 days of the move.

(7) If the prepayment made under subsection (4) exceeds the mover’s share of actual costs under subsection (2), the owner of the wire, cable, or pole shall refund the difference to the mover within 30 days of the move.”

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-4-702, MCA, is amended to read:

“2-4-702. Initiating judicial review of contested cases. (1) (a) A person who has exhausted all administrative remedies available within the agency and who is aggrieved by a final decision in a contested case is entitled to judicial review under this chapter. This section does not limit utilization of or the scope of judicial review available under other means of review, redress, relief, or trial de novo provided by statute.

(b) A party who proceeds before an agency under the terms of a particular statute may not be precluded from questioning the validity of that statute on judicial review, but the party may not raise any other question not raised before the agency unless it is shown to the satisfaction of the court that there was good cause for failure to raise the question before the agency.

(2) (a) Except as provided in subsection (2)(c), proceedings for review must be instituted by filing a petition in district court within 30 days after service of the final decision of the agency or, if a rehearing is requested, within 30 days after the decision is rendered. Except as otherwise provided by statute or subsection (2)(d), the petition must be filed in the district court for the county where the petitioner resides or has the petitioner’s principal place of business or where the agency maintains its principal office. Copies of the petition must be promptly served upon the agency and all parties of record.

(b) The petition must include a concise statement of the facts upon which jurisdiction and venue are based, a statement of the manner in which the petitioner is aggrieved, and the ground or grounds specified in 2-4-704(2) upon which the petitioner contends he is entitled to relief. The petition must demand the relief to which the petitioner believes the petitioner is entitled, and the demand for relief may be in the alternative.

(c) If a petition for review is filed pursuant to 33-16-1012(2)(c), the workers’ compensation court, rather than the district court, has jurisdiction and the provisions of this part apply to the workers’ compensation court in the same manner as the provisions of this part apply to the district court.

(d) If a petition for review is filed challenging a licensing or permitting decision made pursuant to Title 75 or Title 82, the petition for review must be filed in the county where the facility is located or proposed to be located or where the action is proposed to occur.

(3) Unless otherwise provided by statute, the filing of the petition may not stay enforcement of the agency’s decision. The agency may grant or the reviewing court may order a stay upon terms that it considers proper, following notice to the affected parties and an opportunity for hearing. A stay may be issued without notice only if the provisions of 27-19-315, 27-19-316, and 27-19-317 are met.

(4) Within 30 days after the service of the petition or within further time allowed by the court, the agency shall transmit to the reviewing court the
original or a certified copy of the entire record of the proceeding under review. By stipulation of all parties to the review proceedings, the record may be shortened. A party unreasonably refusing to stipulate to limit the record may be taxed required by the court for to pay the additional costs. The court may require or permit subsequent corrections or additions to the record.”

Section 2. Determination of constitutionality. In any action filed in district court invoking the court’s original jurisdiction to challenge the constitutionality of a licensing or permitting decision made pursuant to Title 75 or Title 82 or activities taken pursuant to a license or permit issued under Title 75 or Title 82, the plaintiff shall first establish the unconstitutionality of the underlying statute.

Section 3. Section 2-4-704, MCA, is amended to read:

“2-4-704. Standards of review. (1) The review shall must be conducted by the court without a jury and shall must be confined to the record. In cases of alleged irregularities in procedure before the agency not shown in the record, proof thereof of the irregularities may be taken in the court. The court, upon request, shall hear oral argument and receive written briefs.

(2) The court may not substitute its judgment for that of the agency as to the weight of the evidence on questions of fact. The court may affirm the decision of the agency or remand the case for further proceedings. The court may reverse or modify the decision if substantial rights of the appellant have been prejudiced because:

(a) the administrative findings, inferences, conclusions, or decisions are:
   (i) in violation of constitutional or statutory provisions;
   (ii) in excess of the statutory authority of the agency;
   (iii) made upon unlawful procedure;
   (iv) affected by other error of law;
   (v) clearly erroneous in view of the reliable, probative, and substantial evidence on the whole record;
   (vi) arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion; or

(b) findings of fact, upon issues essential to the decision, were not made although requested.

(3) If a petition for review is filed challenging a licensing or permitting decision made pursuant to Title 75 or Title 82 on the grounds of unconstitutionality, as provided in subsection (2)(a)(i), the petitioner shall first establish the unconstitutionality of the underlying statute.”

Section 4. Section 50-40-102, MCA, is amended to read:

“50-40-102. Purpose Intent — purpose. It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system. The purpose of this part is to protect the health of nonsmokers in public places and to provide for reserved areas in some public places for those who choose to smoke.”

Section 5. Section 75-1-102, MCA, is amended to read:
“75-1-102. Purpose Intent — purpose. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted the Montana Environmental Policy Act. The Montana Environmental Policy Act is procedural, and it is the legislature’s intent that the requirements of parts 1 through 3 of this chapter provide for the adequate review of state actions in order to ensure that environmental attributes are fully considered.

(2) The purpose of parts 1 through 3 of this chapter is to declare a state policy that will encourage productive and enjoyable harmony between humans and their environment, to protect the right to use and enjoy private property free of undue government regulation, to promote efforts that will prevent or eliminate damage to the environment and biosphere and stimulate the health and welfare of humans, to enrich the understanding of the ecological systems and natural resources important to the state, and to establish an environmental quality council.”

Section 6. Section 75-1-103, MCA, is amended to read:

“75-1-103. Policy. (1) The legislature, recognizing the profound impact of human activity on the interrelations of all components of the natural environment, particularly the profound influences of population growth, high-density urbanization, industrial expansion, resource exploitation, and new and expanding technological advances, recognizing the critical importance of restoring and maintaining environmental quality to the overall welfare and human development, and further recognizing that governmental regulation may unnecessarily restrict the use and enjoyment of private property, declares that it is the continuing policy of the state of Montana, in cooperation with the federal government, local governments, and other concerned public and private organizations, to use all practicable means and measures, including financial and technical assistance, in a manner calculated to foster and promote the general welfare, to create and maintain conditions under which humans and nature can coexist in productive harmony, to recognize the right to use and enjoy private property free of undue government regulation, and to fulfill the social, economic, and other requirements of present and future generations of Montanans.

(2) In order to carry out the policy set forth in parts 1 through 3, it is the continuing responsibility of the state of Montana to use all practicable means consistent with other essential considerations of state policy to improve and coordinate state plans, functions, programs, and resources so that the state may:

(a) fulfill the responsibilities of each generation as trustee of the environment for succeeding generations;

(b) ensure for all Montanans safe, healthful, productive, and aesthetically and culturally pleasing surroundings;

(c) attain the widest range of beneficial uses of the environment without degradation, risk to health or safety, or other undesirable and unintended consequences;

(d) protect the right to use and enjoy private property free of undue government regulation;

(e) preserve important historic, cultural, and natural aspects of our unique heritage and maintain, wherever possible, an environment that supports diversity and variety of individual choice;
(f) achieve a balance between population and resource use that will permit high standards of living and a wide sharing of life's amenities; and

(g) enhance the quality of renewable resources and approach the maximum attainable recycling of depletable resources.

(3) The legislature recognizes that each person is entitled to a healthful environment, that each person is entitled to use and enjoy that person's private property free of undue government regulation, that each person has the right to pursue life's basic necessities, and that each person has a responsibility to contribute to the preservation and enhancement of the environment. The implementation of these rights requires the balancing of the competing interests associated with the rights by the legislature in order to protect the public health, safety, and welfare."

Section 7. Section 75-2-102, MCA, is amended to read:

“75-2-102. Policy Intent — policy and purpose. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution has enacted the Clean Air Act of Montana. (2) It is hereby declared to be the public policy of this state and the purpose of this chapter to achieve and maintain such levels of air quality as will protect human health and safety and, to the greatest degree practicable, prevent injury to plant and animal life and property, foster the comfort and convenience of the people, promote the economic and social development of this state, and facilitate the enjoyment of the natural attractions of this state. This policy must be balanced by the legislature with the policy of protecting the ability of the people to pursue life’s basic necessities and to acquire property and to use that property in all lawful ways.

(3) It is also declared that local and regional air pollution control programs are to be supported to the extent practicable as essential instruments for the securing and maintenance of appropriate levels of air quality.

(4) To these ends it is the purpose of this chapter to:

(a) provide for a coordinated statewide program of air pollution prevention, abatement, and control;

(b) provide for an appropriate distribution of responsibilities among the state and local units of government;

(c) facilitate cooperation across jurisdictional lines in dealing with problems of air pollution not confined within single jurisdictions; and

(d) provide a framework within which all values may be balanced in the public interest.”

Section 8. Section 75-2-104, MCA, is amended to read:

“75-2-104. Limitations — personal cause of action unabridged — venue. (1) Nothing in this section shall be construed to:

or arising out of any condition of air contamination or air pollution;

c supercede or limit the applicability of any law or ordinance relating to
sanitation, industrial health, or safety; or

d abridge, limit, impair, create, enlarge, or otherwise affect
substantively or procedurally the right of a person to damages or other relief on
account of injury to persons or property and to maintain an action or other
appropriate proceeding.

A judicial challenge to a permit issued pursuant to this chapter by a party
other than the permit applicant or permitholder must include the party to whom
the permit was issued unless otherwise agreed to by the permit applicant or
permitholder. All judicial challenges of permits for projects with a project cost, as
determined under 75-1-203, of more than $1 million must have precedence over
any civil cause of a different nature pending in that court. If the court determines
that the challenge was without merit or was for an improper purpose, such as to
harass, to cause unnecessary delay, or to impose needless or increased cost in
litigation, the court may award attorney fees and costs incurred in defending the
action.

An action to challenge a permit decision pursuant to this chapter must be
brought in the county in which the permitted activity will occur. If an activity
will occur in more than one county, the action may be brought in any of the
counties in which the activity will occur.

Section 9. Section 75-5-101, MCA, is amended to read:

“75-5-101. Policy. It is the public policy of this state to:

(2) provide a comprehensive program for the prevention, abatement, and
control of water pollution; and

It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) It is hereby found and declared that the health and welfare of Montana citizens are being endangered by improperly operated solid waste management systems and by the improper and unregulated disposal of wastes. It is declared the public policy of this state to control solid waste management systems to protect the public health and safety and to conserve natural resources whenever possible.”

Section 14. Section 75-10-402, MCA, is amended to read:

“75-10-402. Findings Intent, findings, and purpose. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted the Montana Hazardous Waste Act. It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) The legislature finds that the safe and proper management of hazardous wastes and used oil, the permitting of hazardous waste facilities, and the siting of facilities are matters for statewide regulation and are environmental issues that should properly be addressed and controlled by the state rather than by the federal government.”
It is the purpose of this part and it is the policy of this state to protect the public health and safety, the health of living organisms, and the environment from the effects of the improper, inadequate, or unsound management of hazardous wastes and used oil; to establish a program of regulation over used oil and the generation, storage, transportation, treatment, and disposal of hazardous wastes; to ensure the safe and adequate management of hazardous wastes and used oil within this state; and to authorize the department to adopt, administer, and enforce a hazardous waste program pursuant to the federal Resource Conservation and Recovery Act of 1976 (42 U.S.C. 6901 through 6987), as amended."

**Section 15.** Section 75-10-420, MCA, is amended to read:

"75-10-420. Venue for legal actions. All legal actions affecting hazardous waste management facilities in the state must be brought in the county in which the facility is located or is proposed to be located."

**Section 16.** Section 75-10-706, MCA, is amended to read:

"75-10-706. Purpose — intent. (1) The purposes of this part are to:

(1)(a) protect the public health and welfare of all Montana citizens against the dangers arising from releases of hazardous or deleterious substances;

(2)(b) encourage private parties to clean up sites within the state at which releases of hazardous or deleterious substances have occurred, resulting in adverse impacts on the health and welfare of the citizens of the state and on the state's natural, environmental, and biological systems; and

(3)(c) provide for funding to study, plan, and undertake the rehabilitation, removal, and cleanup of sites within the state at which no voluntary action has been taken.

(2) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted the Comprehensive Environmental Cleanup and Responsibility Act. It is the legislature's intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(3) A person who is not subject to an administrative or judicial order may not conduct any remedial action at any facility that is subject to an administrative or judicial order issued pursuant to this part without the written permission of the department. Remedial action performed in accordance with this part is intended to provide for the protection of the environmental life support system from degradation and to prevent unreasonable depletion and degradation of natural resources."

**Section 17.** Section 75-10-902, MCA, is amended to read:

"75-10-902. Purpose Intent — purpose. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted the Montana Megalandfill Siting Act. It is the legislature's intent that the requirements of the Megalandfill Siting Act provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) It is the constitutionally declared policy of this state to maintain and improve a clean and healthful environment for present and future generations,
to protect the environment from degradation and prevent unreasonable depletion and degradation of natural resources, and to provide for administration and enforcement to attain these objectives.

(2) The construction of solid waste facilities that dispose of over 200,000 tons of waste a year (megalandfills) may be necessary to meet increasing state and national needs for solid waste disposal capacity. However, because of the volume of waste processed, megalandfills may adversely affect the environment, surrounding communities, and the welfare of the citizens of this state. Therefore, it is necessary to ensure that the location, construction, and operation of megalandfills will produce minimal adverse effects on the environment and upon the citizens of this state by providing that a megalandfill may not be constructed or operated within this state without a certificate of site acceptability pursuant to 75-10-916 and a license to operate acquired pursuant to 75-10-221 and 75-10-933.

Section 18. Section 75-11-202, MCA, is amended to read:

“75-11-202. Findings Intent, findings and purpose. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted the Montana Underground Storage Tank Installer and Inspector Licensing and Permitting Act. It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) Leaking underground storage tank systems have been identified as a significant source of underground contamination and as a potential hazard for fire and explosion. Government and industry studies show that a major cause of leaking underground storage tanks is improper installation or closure. Proper installation, closure, and inspection require specialized knowledge, training, and experience.

(3) To protect the health of Montana citizens and the quality of state waters and other natural resources, it is the intent of the legislature to require permits for the installation or closure of underground storage tank systems; to limit the conduct of these activities to persons with demonstrated competence, training, and experience; and to provide for permitting, licensing, and inspection activities.”

Section 19. Section 75-11-301, MCA, is amended to read:

“75-11-301. Findings Intent, findings, and purposes. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted this part. It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) The legislature finds that the use of petroleum products stored in tanks contributes significantly to the economic well-being and quality of life of Montana citizens.

(3) The legislature finds that leaks, spills, and other releases of petroleum products from storage tanks endanger public health and safety, ground water quality, and other state resources.”
The legislature finds that current administrative and financial resources of the public and private sectors are inadequate to address problems caused by releases from petroleum storage tanks and need to be supplemented by a major program of release detection and corrective action.

The legislature finds that proper funding for the program is through a petroleum storage tank cleanup fee paid by persons who use and receive the benefits of petroleum products. The legislature further finds that this general use fee, provided for in 75-11-314, is intended solely to support a program to pay for corrective action and damages caused by releases from petroleum storage tanks. The general use fee is collected from distributors for administrative convenience and is not intended as a method for collecting highway revenue pursuant to the provisions of Article VIII, section 6, of the Montana constitution. The fee is intended to implement the legislature’s duty to provide for the administration and enforcement of maintaining and improving a clean and healthful environment for present and future generations, as required by Article IX, section 1, of the Montana constitution.

The purposes of this part are to:

(a) protect public health and safety and the environment by providing prompt detection and cleanup of petroleum tank releases;

(b) provide adequate financial resources and effective procedures through which tank owners and operators may undertake and be reimbursed for corrective action and payment to third parties for damages caused by releases from petroleum storage tanks;

(c) assist certain tank owners and operators in meeting financial assurance requirements under state and federal law governing releases from petroleum storage tanks; and

(d) provide tank owners with incentives to improve petroleum storage tank facilities in order to minimize the likelihood of accidental releases.”

Section 20. Section 75-11-502, MCA, is amended to read:

“75-11-502. Findings Intent, findings, and purpose. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted the Montana Underground Storage Tank Act. It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) The legislature finds that petroleum products and hazardous substances stored in underground tanks are regulated under the federal Resource Conservation and Recovery Act of 1976, as amended, and must be addressed and controlled properly by the state under this part. It is the purpose of this part to authorize the department to establish, administer, and enforce an underground storage tank leak prevention program for these regulated substances. The department may use the authority provided in this part and other appropriate authority provided by law to remedy violations of requirements established under this part.”

Section 21. Section 75-20-102, MCA, is amended to read:

“75-20-102. Policy, intent, and legislative findings. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted the Montana Major Facility Siting
Act. It is the legislature's intent that the requirements of this chapter provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(1) It is the constitutionally declared policy of this state to maintain and improve a clean and healthful environment for present and future generations, to protect the environmental life-support system from degradation and prevent unreasonable depletion and degradation of natural resources, and to provide for administration and enforcement to attain these objectives.

(2) The legislature finds that the construction of additional electric transmission facilities, pipeline facilities, or geothermal facilities may be necessary to meet the increasing need for electricity, energy, and other products and that these facilities have an effect on the environment, an impact on population concentration, and an effect on the welfare of the citizens of this state. Therefore, it is necessary to ensure that the location, construction, and operation of electric transmission facilities, pipeline facilities, or geothermal facilities will not produce unacceptable adverse effects on the environment and upon the citizens of this state by providing that a electric transmission facility, pipeline facility, or geothermal facility may not be constructed or operated within this state without a certificate of environmental compatibility acquired pursuant to this chapter.

(3) The legislature also finds that it is the purpose of this chapter to:
   (a) ensure protection of the state's environmental resources, including but not limited to air, water, animals, plants, and soils;
   (b) ensure consideration of socioeconomic impacts;
   (c) provide citizens with the opportunity to participate in facility siting decisions; and
   (d) establish a coordinated and efficient method for the processing of all authorizations required for regulated facilities under this chapter.”

Section 22. Section 75-20-201, MCA, is amended to read:

“75-20-201. Certificate required — operation in conformance — certificate for nuclear facility — applicability to federal facilities. (1) Except for a facility under diligent onsite physical construction or in operation on January 1, 1973, a person may not commence to construct a facility in the state without first applying for and obtaining a certificate of environmental compatibility issued with respect to the facility by the department.

(2) A facility with respect to which a certificate is issued may not be constructed, operated, or maintained except in conformity with the certificate and any terms, conditions, and modifications contained within the certification.

(3) A certificate may only be issued pursuant to this chapter.

(4) If the department decides to issue a certificate for a nuclear facility, it shall report the recommendation to the applicant and may not issue the certificate until the recommendation is approved by a majority of the voters in a statewide election called by initiative or referendum according to the laws of this state.

(5) A person that proposes to construct an energy-related project that is not defined as a facility pursuant to 75-20-104(8) may petition the department to review the energy-related project under the provisions of this chapter.
(6) This chapter applies, to the fullest extent allowed by federal law, to all federal facilities and to all facilities over which an agency of the federal government has jurisdiction.

(7) All judicial challenges of certificates for projects with a project cost, as determined under 75-1-203, of more than $1 million must have precedence over any civil cause of a different nature pending in that court. If the court determines that the challenge was without merit or was for an improper purpose, such as to harass, to cause unnecessary delay, or to impose needless or increased cost in litigation, the court may award attorney fees and costs incurred in defending the action.

Section 23. Section 75-20-401, MCA, is amended to read:

“75-20-401. Additional requirements by other governmental agencies not permitted after issuance of certificate — exceptions — venue for challenging certificate issuance. (1) Notwithstanding any other law, no state or regional agency or municipality or other local government may require any approval, consent, permit, certificate, or other condition for the construction, operation, or maintenance of a facility authorized by a certificate issued pursuant to this chapter, except that the department and board retain the authority that they have or may be granted to determine compliance of the proposed facility with state and federal standards and implementation plans for air and water quality and to enforce those standards.

(2) This chapter does not prevent the application of state laws for the protection of employees engaged in the construction, operation, or maintenance of a facility.

(3) A judicial challenge to a certificate issued pursuant to this chapter by a party other than the certificate holder or applicant must include the party to whom the certificate was issued as provided in this chapter unless otherwise agreed to by the certificate holder or applicant. All judicial challenges of certificates for projects with a project cost, as determined under 75-1-203, of more than $1 million must have precedence over any civil cause of a different nature pending in that court. If the court determines that the challenge was without merit or was for an improper purpose, such as to harass, to cause unnecessary delay, or to impose needless or increased cost in litigation, the court may award attorney fees and costs incurred in defending the action.

(4) An action to challenge the issuance of a certificate pursuant to this chapter must be brought in the county in which the activity authorized by the certificate will occur. If an activity will occur in more than one county, the action may be brought in any of the counties in which the activity will occur.

Section 24. Section 75-20-406, MCA, is amended to read:

“75-20-406. Judicial review of board decisions. (1) A person aggrieved by the final decision of the board on an application for a certificate may obtain judicial review of that decision by the filing of a petition in a state district court of competent jurisdiction. A challenge to the issuance of a certificate must be brought in the county in which the activity authorized by the certificate will occur. If an activity will occur in more than one county, the action may be brought in any of the counties in which the activity will occur.

(2) The judicial review procedure is the procedure for contested cases under the Montana Administrative Procedure Act.

(3) A judicial challenge to a certificate issued pursuant to this chapter by a party other than the certificate holder or applicant must include the party to
whom the certificate was issued as provided in this chapter unless otherwise agreed to by the certificate holder or applicant. All judicial challenges of certificates for projects with a project cost, as determined under 75-1-203, of more than $1 million must have precedence over any civil cause of a different nature pending in that court. If the court determines that the challenge was without merit or was for an improper purpose, such as to harass, to cause unnecessary delay, or to impose needless or increased cost in litigation, the court may award attorney fees and costs incurred in defending the action.”

Section 25. Section 76-6-102, MCA, is amended to read:

“76-6-102. Findings, Intent, findings and policy. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted the Open-Space Land and Voluntary Conservation Easement Act. It is the legislature’s intent that the requirements of this chapter provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) The legislature finds that:

(a) the rapid growth and spread of urban development are creating critical problems of service and finance for the state and local governments;

(b) the present and future rapid population growth in urban areas is creating severe problems of urban and suburban living;

(c) this population spread and its attendant development are disrupting and altering the remaining natural areas, biotic communities, and geological and geographical formations and thereby providing the potential for the destruction of scientific, educational, aesthetic, and ecological values;

(d) the present and future rapid population spread throughout the state of Montana into its open spaces is creating serious problems of lack of open space and overcrowding of the land;

(e) to lessen congestion and to preserve natural, ecological, geographical, and geological elements, the provision and preservation of open-space lands are necessary to secure park, recreational, historic, and scenic areas and to conserve the land, its biotic communities, its natural resources, and its geological and geographical elements in their natural state;

(f) the acquisition or designation of interests and rights in real property by certain qualifying private organizations and by public bodies to provide or preserve open-space land is essential to the solution of these problems, the accomplishment of these purposes, and the health and welfare of the citizens of the state;

(g) the exercise of authority to acquire or designate interests and rights in real property to provide or preserve open-space land and the expenditure of public funds for these purposes would be for a public purpose; and

(h) the statutory provision enabling certain qualifying private organizations to acquire interests and rights in real property to provide or preserve open-space land is in the public interest.”

Section 26. Section 76-7-102, MCA, is amended to read:

“76-7-102. Findings, Intent, findings and purpose. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article
IX of the Montana constitution, has enacted the Environmental Control Easement Act. It is the legislature’s intent that the requirements of this chapter provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(1) The legislature finds that:

(a) numerous sites throughout the state contain or may contain hazardous wastes or substances that may threaten the public health, safety, or welfare or the environment if certain uses are permitted on these sites or if certain activities are not performed on these sites;

(b) at some sites, protection of the public health, safety, or welfare or the environment may be enhanced by the application and enforcement of certain restrictions on the future use of the site or requirements for performance of certain activities;

(c) the creation of an enforceable easement mechanism for imposing restrictions on the use of a site and requiring performance of operations and maintenance activities may help protect the public health, safety, and welfare and the environment by:

(i) preventing or minimizing the exposure of the public to hazardous wastes or substances;

(ii) preventing the disturbance of important features of remediation work and remedial technologies employed at the site;

(iii) ensuring that the presence of hazardous wastes or substances and the features of remediation work and remedial technologies are properly considered in the future use or development of a site; or

(iv) requiring the performance of certain activities or the prohibition or limitation of certain activities, with respect to the site; and

(d) the expenditure of public funds for the acquisition or designation of interests and rights in real property to protect the public health, safety, and welfare and the environment is in the public’s interest.

(2) It is the purpose of this chapter to authorize and enable federal public entities, other public bodies, and certain qualifying private organizations to provide for:

(a) the monitoring and protection of environmental control sites to ensure that those sites are not used for purposes that may threaten the public health, safety, or welfare or the environment;

(b) a process of reviewing the need for specialized construction, development, use, and safety measures if the owner or user of an environmental control site proposes a new use for which any contamination might present a risk to the public health, safety, or welfare or the environment; and

(c) a mechanism for prohibiting or limiting certain activities or requiring certain activities on an environmental control site to enhance protection of the public health, safety, or welfare or the environment.”

Section 27. Section 82-4-102, MCA, is amended to read:

“82-4-102. Policy Intent — findings — policy and purpose. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted The Strip and Underground Mine Siting Act. It is the legislature’s intent that the requirements
of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) It is the policy of this state to provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(3) It is the purpose of this part:

(a) to vest in the department the authority to review new strip-mine and new underground-mine site locations and reclamation plans and either approve or disapprove those locations and plans and to exercise general administration and enforcement of this part;

(b) to vest in the board the authority to adopt rules;

(c) to satisfy the requirement of Article IX, section 2, of the constitution of this state, that all lands disturbed by the taking of natural resources be reclaimed; and

(d) to ensure that adequate information is available on areas proposed for strip mining or underground mining so that mining and reclamation plans may be properly formulated to accommodate areas that are suitable for strip mining or underground mining.

(4) This part is deemed to be an exercise of the general police power to provide for the health and welfare of the people.”

Section 28. Section 82-4-202, MCA, is amended to read:

“82-4-202. Policy Intent — policy — findings. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted The Montana Strip and Underground Mine Reclamation Act. It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) It is the declared policy of this state and its people to:

(a) maintain and improve the state’s clean and healthful environment for present and future generations;

(b) protect its environmental life-support system from degradation;

(c) prevent unreasonable degradation of its natural resources;

(d) restore, enhance, and preserve its scenic, historic, archaeologic, scientific, cultural, and recreational sites;

(e) demand effective reclamation of all lands disturbed by the taking of natural resources and maintain state administration of the reclamation program;

(f) require the legislature to provide for proper administration and enforcement, create adequate remedies, and set effective requirements and standards (especially as to reclamation of disturbed lands) in order to achieve the aforementioned objectives enumerated in this subsection (2); and
(g) provide for the orderly development of coal resources through strip or underground mining to ensure the wise use of these resources and prevent the failure to conserve coal.

(2)(3) The legislature hereby finds and declares that:

(a) in order to achieve the aforesaid policy objectives enumerated in subsection (2), promote the health and welfare of the people, control erosion and pollution, protect domestic stock and wildlife, preserve agricultural and recreational productivity, save cultural, historic, and aesthetic values, and ensure a long-range dependable tax base, it is reasonably necessary to require, after March 16, 1973, that:

(i) all strip-mining and underground-mining operations be limited to those for which 5-year permits are granted;

(ii) that no permit not be issued until the operator presents a comprehensive plan for reclamation and restoration and a coal conservation plan, together with an adequate performance bond, and the plan is approved;

(iii) that certain other things must be done, that certain remedies are must be available, that and certain lands because of their unique or unusual characteristics may not be strip-mined or underground-mined under any circumstances, all as more particularly appears in the remaining provisions of this part, and

(iv) that the department be given authority to administer and enforce a reclamation program that complies with Public Law 95-87, the Surface Mining Control and Reclamation Act of 1977, as amended;

(b) this part be deemed to be an exercise of the authority granted in the Montana constitution, as adopted June 6, 1972, and, in particular, a response to the mandate expressed in Article IX thereof and also be deemed to be an exercise of the general police power to provide for the health and welfare of the people.”

Section 29. Section 82-4-239, MCA, is amended to read:

“82-4-239. Reclamation. (1) The department may have reclamation work done by its employees, by employees of other governmental agencies, by soil conservation districts, or through contracts with qualified persons. The board may construct, operate, and maintain plants for the control and treatment of water pollution resulting from mine drainage.

(2) Any funds or any public works programs available to the department must be used and expended to reclaim and rehabilitate lands that have been subjected to strip mining or underground mining and that have not been reclaimed and rehabilitated in accordance with the standards of this part. The department shall cooperate with federal, state, and private agencies to engage in cooperative projects under this section.

(3) Agents, employees, or contractors of the department may enter upon any land for the purpose of conducting studies or exploratory work to determine whether the land has been strip- or underground-mined and not reclaimed and rehabilitated in accordance with the requirements of this part and to determine the feasibility of restoration, reclamation, abatement, control, or prevention of any adverse effects of past coal-mining practices. Upon request of the director of the department, the attorney general shall bring an injunctive action to restrain any interference with the exercise of the right to enter and inspect granted in
this subsection. The action must be brought in the county in which the mine is located.

(4) (a) The department shall take the actions described in subsection (4)(b) when it makes a finding of fact that:

(i) land or water resources have been adversely affected by past coal-mining practices;

(ii) the adverse effects are at a stage at which, in the public interest, action to restore, reclaim, abate, control, or prevent should be taken; and

(iii) the owners of the land or water resources where entry must be made to restore, reclaim, abate, control, or prevent the adverse effects of past coal-mining practices are not known or readily available or the owners will not give permission for the department or its agents, employees, or contractors to enter upon the property to restore, reclaim, abate, control, or prevent the adverse effects of past coal-mining practices.

(b) After giving notice by mail to the owner, if known, and any purchaser under contract for deed, if known, or, if neither is known, by posting notice on the premises and advertising in a newspaper of general circulation in the county in which the land lies, the agents, employees, or contractors of the department may enter on the property adversely affected by past coal-mining practices and on any other property necessary for access to the mineral property to do all things necessary or expedient to restore, reclaim, abate, control, or prevent the adverse effects of past coal-mining practices.

(c) Action taken under subsection (4)(b) is not an act of condemnation of property or of trespass, but rather is an exercise of the power granted by sections 1 and 2, Article IX, sections 1 and 2, of the Montana constitution.

(5) (a) Within 6 months after the completion of projects to restore, reclaim, abate, control, or prevent adverse effects of past coal-mining practices on privately owned land, the department shall itemize the money expended and may file a statement of those expenses in the office of the clerk and recorder of the county in which the land lies, together with a notarized appraisal by an independent appraiser of the value of the land before the restoration, reclamation, abatement, control, or prevention of adverse effects of past coal-mining practices if the money expended resulted in a significant increase in property value. The statement constitutes a lien upon the land. The lien may not exceed the amount determined by the appraisal to be the increase in the market value of the land as a result of the restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal-mining practices. A lien under this subsection (5)(a) may not be filed against the property of a person who owned the surface prior to May 2, 1977, and who did not consent to, participate in, or exercise control over the mining operation that necessitated the reclamation performed under this part.

(b) The landowner may petition within 60 days of the filing of the lien to determine the increase in the market value of the land as a result of the restoration, reclamation, abatement, control, or prevention of the adverse effects of past coal-mining practices. The amount reported to be the increase in value of the premises constitutes the amount of the lien and must be recorded with the statement provided for in this section. Any party aggrieved by the decision may appeal as provided by law.

(c) The lien provided in this section must be recorded at the office of the county clerk and recorder. The statement constitutes a lien upon the land as of
the date of the expenditure of the money and has priority as a lien second only to
the lien of real estate taxes imposed upon the land.

(6) The department may acquire the necessary property by gift or purchase.
If the property cannot be acquired by gift or purchase at a reasonable cost,
proceedings may be instituted in the manner provided in Title 70, chapter 30,
against all nonaccepting landholders if:

(a) the property is necessary for successful reclamation;

(b) the acquired land after restoration, reclamation, abatement, control, or
prevention of the adverse effects of past coal-mining practices will serve
recreation and historic purposes or conservation and reclamation purposes or
provide open space benefits; and

(c) (i) permanent facilities, such as treatment plants or relocated stream
channels, will be constructed on the land for the restoration, reclamation,
abatement, control, or prevention of the adverse effects of past strip- or
underground-coal-mining practices; or

(ii) acquisition of coal refuse disposal sites and all coal refuse on the land will
serve the purposes of this part because public ownership is desirable to meet
emergency situations and prevent recurrences of the adverse effects of past
coal-mining practices.”

Section 30. Section 82-4-252, MCA, is amended to read:

“82-4-252. Mandamus. (1) A resident of this state or any person having an
interest which that is or may be adversely affected, with knowledge that a
requirement of this part or a rule adopted under this part is not being enforced
or implemented by a public officer or employee whose duty it is to enforce or

rule, the resident or person having an interest which that is or may be adversely
affected may bring an action of mandamus in the district court of the first
judicial district of this state, in and for the county of Lewis and Clark, or in the
district court of the county in which the land is located. The court, if it finds that
a requirement of this part or a rule adopted under this part is not being enforced,
shall order the public officer or employee whose duty it is to enforce the
requirement or rule to perform his the officer’s or employee’s duties. If he the
officer or employee fails to obey the order, the public officer or employee
shall must be held in contempt of court and is subject to the penalties provided

(3) Any person having an interest that is or may be adversely affected may
commence a civil action on his the person’s own behalf to compel compliance with
this part against any person for the violation of this part or any rule, order, or
permit issued hereunder under this part. However, no such the action may not
commence:

(a) prior to 60 days after the plaintiff has given notice in writing to the
department and to the alleged violator; or
(b) if the department has commenced and is diligently prosecuting a civil action to require compliance with the provisions of this part or any rule, order, or permit issued hereunder under this part. The court may, if a temporary restraining order or preliminary injunction is sought, require the filing of a bond or equivalent security in accordance with the Montana Rules of Civil Procedure.”

Section 31. Section 82-4-301, MCA, is amended to read:

“82-4-301. Legislative intent and findings. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted this part. It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) The extraction of mineral by mining is a basic and essential activity making an important contribution to the economy of the state and the nation. At the same time, proper reclamation of mined land and former exploration areas not brought to mining stage is necessary to prevent undesirable land and surface water conditions detrimental to the general welfare, health, safety, ecology, and property rights of the citizens of the state. Mining and exploration for minerals take place in diverse areas where geological, topographical, climatic, biological, and sociological conditions are significantly different, and reclamation specifications must vary accordingly. It is not practical to extract minerals or explore for minerals required by our society without disturbing the surface or subsurface of the earth and without producing waste materials, and the very character of many types of mining operations precludes complete restoration of the land to its original condition. The legislature finds that land reclamation as provided in this part will allow exploration for and mining of valuable minerals while adequately providing for the subsequent beneficial use of the lands to be reclaimed.”

Section 32. Section 82-4-349, MCA, is amended to read:

“82-4-349. Limitations of actions — venue. (1) Legal actions seeking review of a department decision granting or denying an exploration license or operating permit issued under this part must be filed within 90 days after the decision is made. Summons must be issued and process served on all defendants within 60 days after the action is filed.
(2) An action to challenge the issuance of a license or permit pursuant to this part must be brought in the county in which the exploration or permitted activity is proposed to occur. If an activity is proposed to occur in more than one county, the action may be brought in any of the counties in which the exploration or activity is proposed to occur.

(3) A judicial challenge to an exploration license or operating permit issued pursuant to this part by a party other than the license or permit holder or applicant must include the party to whom the license or permit was issued unless otherwise agreed to by the license or permit holder or applicant. All judicial challenges of licenses or permits for projects with a project cost, as determined under 75-1-203, of more than $1 million must have precedence over any civil cause of a different nature pending in that court. If the court determines that the challenge was without merit or was for an improper purpose, such as to harass, to cause unnecessary delay, or to impose needless or increased cost in litigation, the court may award attorney fees and costs incurred in defending the action."

Section 33. Section 82-4-402, MCA, is amended to read:

“82-4-402. Policy Intent, findings, and policy. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted The Opencut Mining Act. It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) Because the extraction and use of opencut materials is important to the economy of this state, it is the policy of this state to provide for the reclamation and conservation of land subjected to opencut materials mining. Therefore, it is the purpose of this part:

(a) to preserve natural resources;

(b) to aid in the protection of wildlife and aquatic resources;

(c) to safeguard and reclaim through effective means and methods all agricultural, recreational, home, and industrial sites subjected to or that may be affected by opencut materials mining;

(d) to protect and perpetuate the taxable value of property through reclamation;

(e) to protect scenic, scientific, historic, or other unique areas; and

(f) to promote the health, safety, and general welfare of the people of this state.”

Section 34. Section 82-4-427, MCA, is amended to read:

“82-4-427. Hearing — appeal — venue. (1) A person who is aggrieved by a final decision of the department under this part is entitled to a hearing before the board, if a written request is submitted to the board within 30 days of the department’s decision.

(2) The contested case provisions of the Montana Administrative Procedure Act, Title 2, chapter 4, part 6, apply to a hearing held under this section.

(3) An action to challenge the issuance of a permit pursuant to this section must be brought in the county in which the permitted activity is proposed to occur. If an activity is proposed to occur in more than one county, the action may be brought in any of the counties in which the activity is proposed to occur.
(4) A judicial challenge to a permit issued pursuant to this part by a party other than the permitholder or applicant must include the party to whom the permit was issued unless otherwise agreed to by the permitholder or applicant. All judicial challenges of permits for projects with a project cost, as determined under 75-1-203, of more than $1 million must have precedence over any civil cause of a different nature pending in that court. If the court determines that the challenge was without merit or was for an improper purpose, such as to harass, to cause unnecessary delay, or to impose needless or increased cost in litigation, the court may award attorney fees and costs incurred in defending the action.

Section 35. Section 82-4-436, MCA, is amended to read:

“82-4-436. Plan amendments — venue. (1) Unless an amendment to a plan of operation, reclamation plan, or other permit is proposed by the operator, the department may modify only the terms of a plan or permit in compliance with this section.

(2) If the department believes, based on credible evidence, that continued operation under the terms of an existing plan or permit would violate a substantive numerical or narrative state standard or regulation or otherwise violate a purpose of this part, it may propose to the operator an amendment to the plan or permit.

(3) The department shall notify the operator of the proposed amendment in writing. The notice must include:

(a) an identification of the existing plan or permit;

(b) the justification for the amendment, including all test results or other credible evidence that the department relied on in proposing the amendment; and

(c) the text of the proposed amendment.

(4) The operator may, within 15 days of receipt of the department’s amendment notice, request a review of the amendment by the department director. The amendment is not effective or enforceable until 15 days following the issuance of the department’s amendment notice or until after the department director affirms or modifies the amendment if a review by the director is requested. A decision by the department director is subject to the contested case provisions of the Montana Administrative Procedure Act, provided for in Title 2, chapter 4, parts 6 and 7.

(5) If the operator does not appeal the proposed amendment, the amendment becomes effective and enforceable 15 days after the operator receives the notification.

(6) An action to challenge the issuance of an amendment pursuant to this section must be brought in the county in which the activity is proposed to occur. If an activity is proposed to occur in more than one county, the action may be brought in any of the counties in which the activity is proposed to occur.

(7) A judicial challenge to an amendment issued pursuant to this section by a party other than the amendment holder or applicant must include the party to whom the amendment was issued unless otherwise agreed to by the amendment holder or applicant. All judicial challenges of amendments for projects with a project cost, as determined under 75-1-203, of more than $1 million must have precedence over any civil cause of a different nature pending in that court. If the court determines that the challenge was without merit or was for an improper purpose, such as to harass, to cause unnecessary delay, or to impose needless or
increased cost in litigation, the court may award attorney fees and costs incurred in defending the action."

Section 36. Section 87-5-103, MCA, is amended to read:

"87-5-103. Legislative intent, findings, and policy. (1) The legislature, mindful of its constitutional obligations under Article II, section 3, and Article IX of the Montana constitution, has enacted The Nongame and Endangered Species Conservation Act. It is the legislature’s intent that the requirements of this part provide adequate remedies for the protection of the environmental life support system from degradation and provide adequate remedies to prevent unreasonable depletion and degradation of natural resources.

(2) The legislature finds and declares all of the following:

(a) that it is the policy of this state to manage certain nongame wildlife for human enjoyment, for scientific purposes, and to ensure their perpetuation as members of ecosystems;

(b) that species or subspecies of wildlife indigenous to this state which may be found to be endangered within the state should be protected in order to maintain and, to the extent possible, enhance their numbers;

(c) that the state should assist in the protection of species or subspecies of wildlife which are deemed to be endangered elsewhere by prohibiting the taking, possession, transportation, exportation, processing, sale or offer for sale, or shipment within this state of species or subspecies of wildlife unless such actions will assist in preserving or propagating the species or subspecies."

Section 37. Venue. A proceeding to challenge an action taken pursuant to parts 1 through 3 must be brought in the county in which the activity that is the subject of the action is proposed to occur or will occur. If an activity is proposed to occur or will occur in more than one county, the proceeding may be brought in any of the counties in which the activity is proposed to occur or will occur.

Section 38. Codification instruction. (1) [Section 37] is intended to be codified as an integral part of Title 75, chapter 1, part 1, and the provisions of Title 75, chapter 1, part 1, apply to [section 37].

(2) [Section 2] is intended to be codified as an integral part of Title 82 and Title 75, and the provisions of Title 82 and Title 75 apply to [section 2].

Section 39. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 40. Effective date. [This act] is effective on passage and approval.

Section 41. Retroactive applicability. [This act] applies retroactively, within the meaning of 1-2-109, to actions for judicial review or other causes of action challenging the issuance of a permit, petition for review, amendment, license, arbitration, action, certificate, or inspection that are pending but not yet decided on or after [the effective date of this act].

(1) An inmate of the Montana a state prison in Deer Lodge or the women's prison in Billings shall must use the prison inmate trust account system administered by the department of corrections to send money out of or receive money in the facility unless the department grants the inmate an exception. If an inmate accumulates a balance in excess of $200 in the inmate's prison inmate trust account, the excess must, consistent with department rules, be forfeited for the payment of restitution, or the inmate's medical and dental expenses, and the costs of incarceration. The department may charge an inmate a minimum fee, not to exceed $1.60 each month, to administer the inmate's account.  

   (2) (a) Money forfeited under subsection (1) to the payment of restitution must be paid in the following order:
(i) to the victim until the victim's unreimbursed pecuniary loss is satisfied;

(ii) to the crime victims compensation and assistance program in the department of justice for deposit in the state general fund until the state is fully reimbursed for compensation to the victim provided pursuant to Title 53, chapter 9, part 1;

[HB 527]

AN ACT REQUIRING THE DEPARTMENT OF ENVIRONMENTAL QUALITY AND APPLICANTS FOR OPERATING PERMITS UNDER THE METAL MINE RECLAMATION ACT TO CONSIDER THE UTILIZATION OF FACILITIES CONSTRUCTED IN CONJUNCTION WITH MINING OPERATIONS FOR POSTMINING USES IN LIEU OF REQUIRING THE REMOVAL OF THE FACILITIES; PROVIDING THAT ANCILLARY INDUSTRIAL FACILITIES MAY HAVE AN ACCEPTABLE POSTMINING USE; PROVIDING THAT AN AMENDMENT TO AN OPERATING PERMIT FOR THE PURPOSE OF RETENTION OF MINE-RELATED FACILITIES THAT ARE VALUABLE FOR POSTMINING USE IS A MINOR AMENDMENT AND DOES NOT REQUIRE THE PREPARATION OF AN ENVIRONMENTAL REVIEW OR AN ENVIRONMENTAL IMPACT STATEMENT; AMENDING SECTIONS 82-4-303, 82-4-335, 82-4-336, AND 82-4-342, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

WHEREAS, metal mine operators typically construct ancillary industrial facilities in conjunction with the operation of metal mines; and

WHEREAS, facilities may include office buildings, shop buildings, electrical transmission lines, electrical power substations, electronic communication lines and facilities, water lines, water treatment plants, septic systems, roads, parking lots, fencing, security stations, and environmental monitoring sites; and

WHEREAS, these facilities may have significant value when the operator discontinues the mining operations; and

WHEREAS, the continued availability of these facilities may provide economic development opportunities for the residents of the county where the facilities are located and to the people of Montana generally; and
WHEREAS, the metal mine reclamation laws do not include provisions that encourage or require the Department of Environmental Quality or the mine operator to consider the feasibility of a postmining use of these facilities for other industrial purposes instead of simply removing the facilities; and

WHEREAS, the Legislature believes that future beneficial use provisions could be provided for in the metal mine reclamation laws without significantly increasing the cost to the state or to the operator of obtaining and maintaining a mine operating permit.

THEREFORE, the Legislature finds that it is beneficial and appropriate to create these provisions.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 82-4-303, MCA, is amended to read:

“82-4-303. Definitions. As used in this part, unless the context indicates otherwise, the following definitions apply:

(1) “Abandonment of surface or underground mining” may be presumed when it is shown that continued operation will not resume.

(2) “Amendment” means a change to an approved operating or reclamation plan. A major amendment is an amendment that may significantly affect the human environment. A minor amendment is an amendment that will not significantly affect the human environment.

(3) “Board” means the board of environmental review provided for in 2-15-3502.

(a) a statement of the proposed subsequent use of the land after reclamation, which may include use of the land as an industrial site not necessarily related to mining;
(b) plans for surface gradient restoration to a surface suitable for the proposed subsequent use of the land after reclamation is completed and the proposed method of accomplishment;
(c) the manner and type of revegetation or other surface treatment of disturbed areas;
(d) procedures proposed to avoid foreseeable situations of public nuisance, endangerment of public safety, damage to human life or property, or unnecessary damage to flora and fauna in or adjacent to the area;
(e) the method of disposal of mining debris;
(f) the method of diverting surface waters around the disturbed areas when necessary to prevent pollution of those waters or unnecessary erosion;
(g) the method of reclamation of stream channels and stream banks to control erosion, siltation, and pollution;
(h) maps and other supporting documents that may be reasonably required by the department; and
(i) a time schedule for reclamation that meets the requirements of 82-4-336.

(i) an operation that results in not more than 5 acres of the earth's surface being disturbed and unreclaimed; or

(ii) two operations that disturb and leave unreclaimed less than 5 acres for each operation if the respective mining properties are:

(A) the only operations engaged in by the person, firm, or corporation; and

(B) at least 1 mile apart at their closest point.

(b) For the purpose of this definition only, the department shall, in computing the area covered by the operation:

(i) exclude access or haulage roads that are required by a local, state, or federal agency having jurisdiction over that road to be constructed to certain specifications if that public agency notifies the department in writing that it desires to have the road remain in use and will maintain it after mining ceases; and

(ii) exclude access roads for which the person, firm, or corporation submits a bond to the department in the amount of the estimated total cost of reclamation along with a description of the location of the road and the specifications to which it will be constructed.

(c) A small miner may hold an operating permit that allows disturbance of 100 acres or less. The permit may be amended to add new disturbance areas, but the total area permitted for disturbance may not exceed 100 acres at any time.

(16) “Soil materials” means earth material found in the upper soil layers that will support plant growth.

(17) (a) “Surface mining” means all or any part of the process involved in mining of minerals by removing the overburden and mining directly from the mineral deposits exposed, including but not limited to open-pit mining of minerals naturally exposed at the surface of the earth, mining by the auger method, and all similar methods by which earth or minerals exposed at the surface are removed in the course of mining.

(b) Surface mining does not include the extraction of oil, gas, bentonite, clay, coal, sand, gravel, peat, soil materials, or uranium or excavation or grading conducted for onsite farming, onsite road construction, or other onsite building construction.

(18) “Underground mining” means all methods of mining other than surface mining.

(19) “Unit of surface-mined area” means that area of land and surface water included within an operating permit actually disturbed by surface mining during each 12-month period of time, beginning at the date of the issuance of the permit. The term includes the area from which overburden or minerals have been removed, the area covered by mining debris, and all additional areas used in surface mining or underground mining operations that by virtue of mining use are susceptible to erosion in excess of the surrounding undisturbed portions of land.

(20) “Vegetative cover” means the type of vegetation, grass, shrubs, trees, or any other form of natural cover considered suitable at time of reclamation.”

Section 2. Section 82-4-335, MCA, is amended to read:

other metal leaching solvents or reagents, or disturb land in anticipation of those activities in the state without first obtaining an operating permit from the department. A separate operating permit is required for each complex.

(2) A small miner who intends to use a cyanide ore-processing reagent or other metal leaching solvents or reagents shall obtain an operating permit for that part of the small miner's operation where the cyanide ore-processing reagent or other metal leaching solvents or reagents will be used or disposed of.

(3) Prior to receiving an operating permit from the department, a person shall pay the basic permit fee of $500. The department may require a person who is applying for a permit pursuant to subsection (1) to pay an additional fee not to exceed the actual amount of contractor and employee expenses beyond the normal operating expenses of the department whenever those expenses are reasonably necessary to provide for timely and adequate review of the application, including any environmental review conducted under Title 75, chapter 1, parts 1 and 2. The board may further define these expenses by rule. Whenever the department determines that an additional fee is necessary and the additional fee will exceed $5,000, the department shall notify the applicant that a fee must be paid and submit to the applicant an itemized estimate of the proposed expenses. The department shall provide the applicant an opportunity to review the department's estimated expenses. The applicant may indicate which proposed expenses the applicant considers duplicative or excessive, if any.

(4) The person shall submit an application on a form provided by the department, which must contain the following information and any other pertinent data required by rule:

(a) the name and address of the operator and, if a corporation or other business entity, the name and address of its officers, directors, owners of 10% or more of any class of voting stock, partners, and the like and its resident agent for service of process, if required by law;

(b) the minerals expected to be mined;

(f) the names and addresses of the owners of record and any purchasers under contracts for deed of the surface of the land within the permit area and the owners of record and any purchasers under contracts for deed of all surface area within one-half mile of any part of the permit area, provided that the department is not required to verify this information;

(g) the names and addresses of the present owners of record and any purchasers under contracts for deed of all minerals in the land within the permit area, provided that the department is not required to verify this information;

(h) the source of the applicant's legal right to mine the mineral on the land affected by the permit, provided that the department is not required to verify this information;

(i) the types of access roads to be built and manner of reclamation of road sites on abandonment;
(j) a plan that will provide, within limits of normal operating procedures of the industry, for completion of the operation;

(k) ground water and surface water hydrologic data gathered from a sufficient number of sources and length of time to characterize the hydrologic regime;

(l) a plan detailing the design, operation, and monitoring of impounding structures, including but not limited to tailings impoundments and water reservoirs, sufficient to ensure that the structures are safe and stable;

(m) a plan identifying methods to be used to monitor for the accidental discharge of objectionable materials and remedial action plans to be used to control and mitigate discharges to surface or ground water; and

(n) an evaluation of the expected life of any tailings impoundment or waste area and the potential for expansion of the tailings impoundment or waste site; and

(o) an assessment of the potential for the postmining use of mine-related facilities for other industrial purposes, including evidence of consultation with the county commission of the county or counties where the mine or mine-related facilities will be located.

(5) Except as provided in subsection (7), the permit provided for in subsection (1) for a large-scale mineral development as defined in 90-6-302 must be conditioned to provide that activities under the permit may not commence until the impact plan is approved under 90-6-307 and until the permittee has provided a written guarantee to the department and to the hard-rock mining impact board of compliance within the time schedule with the commitment made in the approved impact plan, as provided in 90-6-307. If the permittee does not comply with that commitment within the time scheduled, the department, upon receipt of written notice from the hard-rock mining impact board, shall suspend the permit until it receives written notice from the hard-rock mining impact board that the permittee is in compliance.

(6) When the department determines that a permittee has become or will become a large-scale mineral developer pursuant to 82-4-339 and 90-6-302 and provides notice as required under 82-4-339, within 6 months of receiving the notice, the permittee shall provide the department with proof that the permittee has obtained a waiver of the impact plan requirement from the hard-rock mining impact board or that the permittee has filed an impact plan with the hard-rock mining impact board and the appropriate county or counties. (8) A person may not be issued an operating permit if:

(a) that person's failure, or the failure of any firm or business association of which that person was a principal or controlling member, to comply with the provisions of this part, the rules adopted under this part, or a permit or license
issued under this part has resulted in either the receipt of bond proceeds by the department or the completion of reclamation by the person’s surety or by the department, unless that person meets the conditions described in 82-4-360;

(b) that person has not paid a penalty for which the department has obtained a judgment pursuant to 82-4-361;

c) that person has failed to post a reclamation bond required by 82-4-305; or

d) that person has failed to comply with an abatement order issued pursuant to 82-4-362, unless the department has completed the abatement and the person has reimbursed the department for the cost of abatement.

(9) A person may not be issued a permit under this part unless, at the time of submission of a bond, the person provides the current information required in subsection (4)(a) and:

Section 3. Section 82-4-336, MCA, is amended to read:

“82-4-336. Reclamation plan and specific reclamation requirements. (1) Taking into account the site-specific conditions and circumstances, including the postmining use of the mine site, disturbed lands must be reclaimed consistent with the requirements and standards set forth in this section.

(2) The reclamation plan must provide that reclamation activities, particularly those relating to control of erosion, to the extent feasible, must be conducted simultaneously with the operation and in any case must be initiated promptly after completion or abandonment of the operation on those portions of the complex that will not be subject to further disturbance.

(3) In the absence of an order by the department providing a longer period, the plan must provide that reclamation activities must be completed not more than 2 years after completion or abandonment of the operation on that portion of the complex.

(4) In the absence of emergency or suddenly threatened or existing catastrophe, an operator may not depart from an approved plan without previously obtaining from the department written approval for the proposed change.

(5) Provision must be made to avoid accumulation of stagnant water in the development area to the extent that it serves as a host or breeding ground for mosquitoes or other disease-bearing or noxious insect life.

(6) All final grading must be made with nonnoxious, nonflammable, noncombustible solids unless approval has been granted by the department for a supervised sanitary fill.
(7) When mining has left an open pit exceeding 2 acres of surface area and the composition of the floor or walls of the pit are likely to cause formation of acid, toxic, or otherwise pollutive solutions ("objectionable effluents") on exposure to moisture, the reclamation plan must include provisions that adequately provide for:

(a) insulation of all faces from moisture or water contact by covering the faces with material or fill not susceptible itself to generation of objectionable effluents in order to mitigate the generation of objectionable effluents; or

(b) processing of any objectionable effluents in the pit before they are allowed to flow or be pumped out of the pit to reduce toxic or other objectionable ratios to a level considered safe to humans and the environment by the department; or

(c) drainage of any objectionable effluents to settling or treatment basins when the objectionable effluents must be reduced to levels considered safe by the department before release from the settling basin; or

(d) absorption or evaporation of objectionable effluents in the open pit itself; and

(e) prevention of entrance into the open pit by persons or livestock lawfully upon adjacent lands by fencing, warning signs, and other devices that may reasonably be required by the department.

(8) Provisions for vegetative cover must be required in the reclamation plan if appropriate to the future use of the land as specified in the reclamation plan. The reestablished vegetative cover must meet county standards for noxious weed control.

(9) (a) With regard to disturbed land other than open pits and rock faces, the reclamation plan must provide for the reclamation of all disturbed land to comparable utility and stability as that of adjacent areas. This standard may not be applied to require the removal of mine-related facilities that are valuable for postmining use. If the reclamation plan provides that mine-related facilities will not be removed or that the disturbed land associated with the facilities will not be reclaimed by the permittee, the following apply:

(i) The postmining use of the mine-related facilities must be approved by the department.

(ii) In the absence of a legitimate postmining use of mine-related facilities upon completion of other approved mine reclamation activities, the permittee shall comply with the reclamation requirements of this part and the reclamation plan within the time limits established in subsection (3) for mine-related facilities that had previously been identified as valuable for postmining use.

(b) With regard to open pits and rock faces, the reclamation plan must provide for reclamation to a condition:

(i) of stability structurally competent to withstand geologic and climatic conditions without significant failure that would be a threat to public safety and the environment;

(ii) that affords some utility to humans or the environment; and

(iii) that mitigates postreclamation visual contrasts between reclamation lands and adjacent lands.
(c) The reclamation of open pits and rock faces does not require backfilling, in whole or in part, except and only to the extent necessary to meet the requirements of the applicable provisions of Title 75, chapters 2 and 5.

(10) The reclamation plan must provide sufficient measures to ensure public safety and to prevent the pollution of air or water and the degradation of adjacent lands.

(11) A reclamation plan must be approved by the department if it adequately provides for the accomplishment of the requirements and standards set forth in this section.

(12) The reclamation plan must provide for permanent landscaping and contouring to minimize the amount of precipitation that infiltrates into disturbed areas, including but not limited to tailings impoundments and waste rock dumps. The plan must also provide measures to prevent objectionable postmining ground water discharges.

Section 4. Section 82-4-342, MCA, is amended to read:

“82-4-342. Amendment to operating permits. (1) During the term of an operating permit issued under this part, an operator may apply for an amendment to the permit. The operator may not apply for an amendment to delete disturbed acreage except following reclamation, as required under 82-4-336, and bond release for the disturbance, as required under 82-4-338.

(2) (a) The board may by rule establish criteria for the classification of amendments as major or minor. The board shall adopt rules establishing requirements for the content of applications for major and minor amendments and the procedures for processing minor amendments.

(b) An amendment must be considered minor if:

(i) it is for the purpose of retention of mine-related facilities that are valuable for postmining use;

(ii) evidence is submitted showing that a local government has requested retention of the mine-related facilities for a postmining use; and

(iii) the postmining use of the mine-related facilities meets the requirements provided for in 82-4-336.

(3) Applications for major amendments must be processed pursuant to 82-4-337.

(4) The department shall review an application for a minor amendment and provide a notice of decision on the adequacy of the application within 30 days. If the department does not respond within 30 days, then the permit is revised in accordance with the application.

(5) The department is not required to prepare an environmental assessment or an environmental impact statement for the following categories of action:

(a) actions that qualify for a categorical exclusion as defined by rule or justified by a programmatic review pursuant to Title 75, chapter 1;

(b) administrative actions, such as routine, clerical, or similar functions of a department, including but not limited to administrative procurement, contracts for consulting services, and personnel actions;

(c) repair or maintenance of the permittee’s equipment or facilities;

(d) investigation and enforcement actions, such as data collection, inspection of facilities, or enforcement of environmental standards;
(e) ministerial actions, such as actions in which the agency does not exercise discretion, but acts upon a given state of facts in a prescribed manner;

(f) approval of actions that are primarily social or economic in nature and that do not otherwise affect the human environment;

(g) changes in a permit boundary that increase disturbed acres that are insignificant in impact relative to the entire operation, provided that the increase is less than 10 acres or 5% of the permitted area, whichever is less; and

(h) changes in an approved operating plan or reclamation plan for an activity that was previously permitted, provided that the impacts of the change will be insignificant relative to the impacts of the entire operation and there is less than 10 acres of additional disturbance; and

(i) changes in a permit for the purpose of retention of mine-related facilities that are valuable for postmining use.

Money in the account is available to the department by appropriation and must be used to reimburse remedial action costs claimed pursuant to 75-10-742 through 75-10-752 and to pay costs incurred by the department in defending the orphan share.
(2) There must be deposited in the orphan share account:

If the orphan share fund does not contain sufficient money to reimburse claims for completed remedial actions, a reimbursement may not be made and the orphan share fund, the department, and the state are not liable for making any reimbursement for the costs. The department and the state are not liable for any penalties if the orphan share fund does not contain sufficient money to reimburse claims, and interest may not accrue on outstanding claims.

(8) If the lead liable person under 75-10-746 presents evidence to the department that the person cannot complete the remedial actions without partial reimbursement and that a delay in reimbursement will cause undue financial hardship on the person, the department may allow the submission of claims and may reimburse the claims prior to the completion of all remedial actions. A person is not eligible for early reimbursement unless the person is in substantial compliance with all department-approved remedial action plans.

(9) A person participating in the allocation process who received funds under the mixed funding pilot program provided for in sections 14 through 20, Chapter 584, Laws of 1995, may not claim or receive reimbursement from the orphan share fund for the amount of funds received under the mixed funding pilot program that are later attributed to the orphan share under the allocation process. Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-71-704, MCA, is amended to read:

“39-71-704. Payment of medical, hospital, and related services — fee schedules and hospital rates — fee limitation. (1) In addition to the compensation provided under this chapter and as an additional benefit separate and apart from compensation benefits actually provided, the following must be furnished:

(a) After the happening of a compensable injury and subject to other provisions of this chapter, the insurer shall furnish reasonable primary medical services for conditions resulting from the injury for those periods as the nature of the injury or the process of recovery requires.

(b) The insurer shall furnish secondary medical services only upon a clear demonstration of cost-effectiveness of the services in returning the injured worker to actual employment.
(c) The insurer shall replace or repair prescription eyeglasses, prescription contact lenses, prescription hearing aids, and dentures that are damaged or lost as a result of an injury, as defined in 39-71-119, arising out of and in the course of employment.

(d) (i) The insurer shall reimburse a worker for reasonable travel, lodging, meals, and miscellaneous expenses incurred in travel to a medical provider for treatment of an injury pursuant to rules adopted by the department. Reimbursement must be at the rates allowed for reimbursement for state employees.

(ii) Rules adopted under subsection (1)(d)(i) must provide for submission of claims, within 90 days from the date of travel, following notification to the claimant of reimbursement rules, must provide procedures for reimbursement receipts, and must require the use of the least costly form of travel unless the travel is not suitable for the worker’s medical condition. The rules must exclude from reimbursement:

(A) 100 miles of automobile travel for each calendar month unless the travel is requested or required by the insurer pursuant to 39-71-605;

(B) travel to a medical provider within the community in which the worker resides;

(C) travel outside the community in which the worker resides if comparable medical treatment is available within the community in which the worker resides, unless the travel is requested by the insurer; and

(D) travel for unauthorized treatment or disallowed procedures.

(iii) An insurer is not liable for injuries or conditions that result from an accident that occurs during travel or treatment, except that the insurer retains liability for the compensable injuries and conditions for which the travel and treatment was required.

(e) Except for the repair or replacement of a prosthesis furnished as a result of an industrial injury, the benefits provided for in this section terminate when they are not used for a period of 60 consecutive months.

(f) Notwithstanding subsection (1)(a), the insurer may not be required to furnish, after the worker has achieved medical stability, palliative or maintenance care except:

(i) when provided to a worker who has been determined to be permanently totally disabled and for whom it is medically necessary to monitor administration of prescription medication to maintain the worker in a medically stationary condition;

(ii) when necessary to monitor the status of a prosthetic device; or

(iii) when the worker’s treating physician believes that the care that would otherwise not be compensable under subsection (1)(f) is appropriate to enable the worker to continue current employment or that there is a clear probability of returning the worker to employment. A dispute regarding the compensability of palliative or maintenance care is considered a dispute over which, after mediation pursuant to department rule, the workers’ compensation court has jurisdiction.

(g) Notwithstanding any other provisions of this chapter, the department, by rule and upon the advice of the professional licensing boards of practitioners affected by the rule, may exclude from compensability any medical treatment
that the department finds to be unscientific, unproved, outmoded, or experimental.

(2) The department shall annually establish a schedule of fees for medical services not provided at a hospital that are necessary for the treatment of injured workers. Charges submitted by providers must be the usual and customary charges for nonworkers’ compensation patients. The department may require insurers to submit information to be used in establishing the schedule.

(3) (a) The department shall establish rates for hospital services necessary for the treatment of injured workers.

(b) Except as provided in subsection (3)(g), rates for services provided at a hospital must be the greater of:

(i) 69% of the hospital’s January 1, 1997, usual and customary charges; or

(ii) the discount factor established by the department that was in effect on June 30, 1997, for the hospital. The discount factor for a hospital formed by the merger of two or more existing hospitals is computed by using the weighted average of the discount factors in effect at the time of the merger.

(c) Except as provided in subsection (3)(g), the department shall adjust hospital discount factors so that the rate of payment does not exceed the annual percentage increase in the state’s average weekly wage, as defined in 39-71-116.

(d) The department may establish a fee schedule for hospital outpatient services rendered. The fee schedule must, in the aggregate, provide for fees that are equal to the statewide average discount factors paid to hospitals to provide the same or equivalent procedure to workers’ compensation hospital outpatients.

(e) The discount factors established by the department pursuant to this subsection (3) may not be less than medicaid reimbursement rates.

(f) For services available in Montana, insurers are not required to pay facilities located outside Montana rates that are greater than those allowed for services delivered in Montana.

(g) For a hospital licensed as a medical assistance facility or a critical access hospital pursuant to Title 50, chapter 5, the rate for services is the hospital’s usual and customary charge. Fees paid to a hospital licensed as a medical assistance facility are not subject to the limitation provided in subsection (4).

(4) The percentage increase in medical costs payable under this chapter may not exceed the annual percentage increase in the state’s average weekly wage, as defined in 39-71-116.

(5) Payment pursuant to reimbursement agreements between managed care organizations or preferred provider organizations and insurers is not bound by the provisions of this section.

(6) Disputes between an insurer and a medical service provider regarding the amount of a fee for medical services must be resolved by a hearing before the department upon written application of a party to the dispute.

(7)(a) After the initial visit, the worker is responsible for 20%, but not to exceed $10, of the cost of each subsequent visit to a medical service provider for treatment relating to a compensable injury or occupational disease, unless the visit is to a medical service provider in a managed care organization as
requested by the insurer or is a visit to a preferred provider as requested by the insurer.

(b)(7) (a) After the initial visit, the worker is responsible for $25 of the cost of each subsequent visit to a hospital emergency department for treatment relating to a compensable injury or occupational disease.

Interest payments must be made to the person who receives the claims payment.

(e) pay interest pursuant to 33-18-232(2).

(2) The administrative penalty imposed for violations of 33-18-231 through 33-18-235 may not exceed $1,000 for each separate violation.

(3) If an insurer can demonstrate that it has consistently paid 90% of the total dollar amount outstanding in claims to each claimant within 20 working days and all of the amount within 30 working days of receipt of claims during the 6-month period immediately preceding the hearing date, the insurer is not subject to the fine imposed under subsection (2) described in subsection (1).”

Section 1. Purpose. The purpose of [sections 1 through 4] is to authorize domestic insurance companies to utilize modern systems for holding and transferring securities without physical delivery of securities certificates, subject to appropriate rules adopted by the commissioner.

Section 2. Definitions. As used in this chapter, the following definitions apply:

(1) “Clearing corporation” has the meaning provided in 30-8-112, except that with respect to securities issued by institutions organized or existing under the laws of any foreign country or securities used to meet the deposit requirements pursuant to the laws of a foreign country as a condition of doing business in the foreign country, a clearing corporation may include a corporation that is organized or existing under the laws of any foreign country and is legally qualified under those laws to effect transactions in securities by computerized book entry.

(2) “Direct participant” means a bank, trust company, or other institution that maintains an account in its name in a clearing corporation and through which an insurance company participates in a clearing corporation.
(3) “Federal reserve book-entry system” means the computerized systems sponsored by the United States department of the treasury and certain agencies and instrumentalities of the United States for holding and transferring securities of the United States government and those agencies and instrumentalities, respectively, in federal reserve banks through banks that are members of the federal reserve system or that otherwise have access to the computerized systems.

(4) “Member bank” means a national bank, state bank, or trust company that is a member of the federal reserve system and through which an insurance company participates in the federal reserve book-entry system.

(5) “Security” has the meaning provided in 30-8-112.

Section 3. Use of book-entry systems — rules. (1) (a) Other provisions of law may not be construed as prohibiting a domestic insurance company from depositing or arranging for the deposit of securities held in or purchased for its general account and its separate accounts in a clearing corporation or the federal reserve book-entry system.

(b) When securities are deposited with a clearing corporation, certificates representing securities of the same class of the same issuer may be merged and held in bulk in the name of the nominee of the clearing corporation with any other securities deposited with the clearing corporation by any person, regardless of the ownership of the securities. Certificates representing securities of small denominations may be merged into one or more certificates of larger denominations.

(c) The records of any member bank through which an insurance company holds securities in the federal reserve book-entry system and the records of any custodian bank through which an insurance company holds securities in a clearing corporation at all times must show that the securities are held for the insurance company and for which accounts of the insurance company.

(d) Ownership and other interests in securities subject to this subsection (1) may be transferred by bookkeeping entry on the books of a clearing corporation or in the federal reserve book-entry system without, in either case, physical delivery of certificates representing the securities.

(2) The commissioner may adopt rules that include but are not limited to rules governing the deposit by insurance companies of securities with clearing corporations and in the federal reserve book-entry system and rules pertaining to evidence that must be provided to the commissioner with respect to the recording of securities.

Section 4. Deposit of securities by insurance companies. (1) Securities qualified for deposit under [sections 1 through 4] may be deposited with a clearing corporation or held in the federal reserve book-entry system. Securities deposited with a clearing corporation or held in the federal reserve book-entry system may not be withdrawn by the insurance company without the approval of the commissioner.

(2) An insurance company holding securities in the manner provided for in this section shall provide to the commissioner evidence issued by its custodian or member bank through which the insurance company has deposited the securities in a clearing corporation or through which the securities are held in the federal reserve book-entry system, respectively, in order to establish that the securities are actually recorded in an account in the name of the custodian, other direct participant, or member bank and that the records of the custodian,
other direct participant, or member bank reflect that the securities are held subject to the order of the commissioner.

Section 5. Disability income insurance. "Disability income insurance" means an individual or group policy of insurance that primarily provides payment to or for the benefit of the policyholder or certificate holder based, in whole or in part, upon lost wages or other earned income or business or financial losses as a result of an inability to work due to sickness, injury, or a combination of sickness and injury.

Section 6. Section 33-1-408, MCA, is amended to read:

"33-1-408. Conduct of examinations — records — correction of accounts — appraisals. (1) Upon determining that an examination should be conducted, the commissioner or the commissioner's designee shall issue an examination warrant appointing one or more examiners to perform the examination and instructing them as to the scope of the examination. In conducting the examination, an examiner shall observe the guidelines and procedures set forth in the examiners' handbook adopted by the NAIC. The commissioner may also employ other guidelines or procedures as the commissioner considers appropriate.

(2) Every company or person from whom information is sought and its officers, directors, employees, and agents shall provide to the examiners appointed under subsection (1) timely, convenient, and free access at all reasonable hours at its offices to all books, records, accounts, papers, documents, and any or all computer or other recordings relating to the property, assets, business, and affairs of the company being examined. The officers, directors, employees, and agents of the company or person shall facilitate the examination and aid in the examination so far as it is in their power to do so. The refusal of any company, by its officers, directors, employees, or agents, to submit to examination or to comply with any reasonable written request of the examiners is grounds for suspension, refusal, or nonrenewal of any license or authority held by the company to engage in an insurance or other business subject to the commissioner's jurisdiction. A proceeding for suspension, revocation, or refusal of any license or authority must be conducted pursuant to 33-1-318 and 33-1-701.

(3) The commissioner or any examiner has the power to issue subpoenas, administer oaths, and examine under oath any person concerning any matter pertinent to the examination. Upon the failure or refusal of a person to obey a subpoena, the commissioner may petition a court of competent jurisdiction and, upon proper showing, the court may enter an order compelling the witness to appear and testify or to produce documentary evidence. Failure to obey the court order is punishable as contempt of court.

(4) When making an examination under this part, the commissioner may retain attorneys, appraisers, independent actuaries, independent certified public accountants, or other professionals and specialists as examiners. The cost of retaining the personnel must be borne by the company that is the subject of the examination.

(5) This part may not be construed to limit the commissioner's authority to terminate or suspend any examination in order to pursue other legal or regulatory action pursuant to this title. Findings of fact and conclusions made pursuant to an examination are prima facie evidence in any legal or regulatory action.
(6) This part may not be construed to limit the commissioner’s authority to use and, if appropriate, to make public any final or preliminary examination report, any examiner or company workpapers or other documents, or any other information discovered or developed during the course of any examination in the furtherance of any legal or regulatory action that the commissioner may consider appropriate.”

Notice of such rehearing or reargument shall be given as provided in 33-1-703.”

(a) place the insurer in violation of the laws of this state; or

(b) cause the financial impairment of the insurer to the extent that further transaction of insurance by the insurer injures or is hazardous to its policyholders or to the public.

“33-22-1512. Association plan and association portability plan premium. (1) The association shall establish the schedule of premiums to be charged eligible persons for membership in the association plan. The schedule of association plan premiums for eligible persons may not exceed 200% of the average premium rates charged by the five insurers or health service corporations with the largest premium amount of individual plans of major medical insurance in force in this state. The schedule of association portability plan premiums for federally defined eligible individuals may not at any time exceed 150% of the average premium rates charged by the five insurers or health service corporations with the largest premium amount of individual plans of major medical insurance in force in this state. The premium rates of the five insurers or health service corporations used to establish the premium rates for each type of coverage offered by the association must be determined by the commissioner from information provided annually at the request of the commissioner. The association shall use generally acceptable actuarial principles and structurally compatible rates.

(2) (a) The association, with the approval of the commissioner, may adopt a reduced premium rate schedule that is equitably proportional to the income level for eligible persons who have an income less than or equal to 150% of the federal poverty level. The association may not adopt a reduced premium rate schedule unless it has secured federal or private funding specifically for that purpose and limits participation to the available funding. The association may not adopt a reduced premium rate schedule unless it has secured federal, state, or private funding specifically for that purpose and the use of the reduced premium rate schedule is limited to the available federal, state, or private funding.

(b) The association, with the approval of the commissioner, may adopt as many income categories as it finds necessary.

(c) Any person who qualifies for coverage under this section may apply to the association for a reduced premium. However, eligible persons with coverage in the traditional association plan must receive first priority for reduced premiums. By agreement of the association and the commissioner, reduced premiums may be made available to persons eligible for the portability plan.

(d) The association may grant as many reduced premiums as funding sources allow but may not increase overall premium rates to subsidize the
reduced premium rate schedule. The association may limit the number of people receiving reduced premiums when funds are not available and may establish a waiting list for reduced premiums, if necessary."

**Section 42.** Section 33-22-1513, MCA, is amended to read:

**“33-22-1513. Operation of association plan and association portability plans.** (1) Upon acceptance by the lead carrier under 33-22-1516, an eligible person may enroll in the association plan by payment of the association plan premium to the lead carrier.

(2) Upon application by a federally defined eligible individual to the lead carrier for an association portability plan, the association may not:

(a) decline to offer an association portability plan; or

(b) impose a preexisting condition exclusion with respect to an individual’s association portability plan coverage if application for association portability plan coverage is made within 63 days following termination of the applicant’s most recent prior creditable coverage.

(3) Not less than 88% of the association plan premiums paid to the lead carrier may be used to pay claims and not more than 12% may be used for payment of the lead carrier’s direct and indirect expenses as specified in 33-22-1514.

(4) Any income in excess of the costs incurred by the association in providing reinsurance or administrative services must be held at interest and used by the association to offset past and future losses because of claims expenses of the association plan and the association portability plan or be allocated to reduce association plan premiums.

(5) (a) Each participating member of the association shall share the losses because of claims expenses of the association plan and the association portability plan for plans issued or approved for issuance by the association and shall share in the operating and administrative expenses incurred or estimated to be incurred by the association incident to the conduct of its affairs in the following manner:

(i) Each participating member of the association must be assessed by the association on an annual basis an amount not to exceed 1% of the association member’s total disability insurance premium received from or on behalf of Montana residents as determined by the commissioner. Assessments made under this subsection (5)(a) or funds from any other source must be allocated to the association plan and the association portability plan in proportion to the needs of the two plans. If the needs of the association plan and the association portability plan exceed the funds generated by the 1% assessment, the association is then authorized to spend any funds appropriated by the legislature for the support of the plans. Any appropriation to the association may be expended for the operation of the association plan or the association portability plan.

(ii) (A) Payment of an assessment is due within 30 days of receipt by a member of a written notice of the annual assessment. After 30 days, the association shall charge a member:

(1) a late payment penalty of 1.5% a month or fraction of a month on the unpaid assessment, not to exceed 18% of the assessment due;

(II) interest at the rate of 12% a year on the unpaid assessment, to be accrued at 1% a month or fraction of a month; or
(III) both of the charges in subsections (5)(a)(ii)(A)(I) and (5)(a)(ii)(A)(II).

(B) Failure by a contributing member to tender the association assessment within the 30-day period is grounds for termination of membership. A member terminated for failure to tender the association assessment is ineligible to write health care benefit policies or contracts in this state under 33-22-1503(2).

(iii) An associate member that ceases to do disability insurance business within the state remains liable for assessments through the calendar year in which the member ceased doing disability insurance business. The association may decline to levy an assessment against an association member if the assessment, as determined pursuant to this section, would not exceed $50.

(b) For purposes of this subsection (5), “total disability insurance premium” does not include premiums received from disability income insurance, credit disability insurance, disability waiver insurance, life insurance, medicare risk or other similar medicare health maintenance organization payments, or medicaid health maintenance organization payments.

(c) Any income in excess of the incurred or estimated claims expenses of the association plan and the association portability plan and the operating and administrative expenses of the association must be held at interest and used by the association to offset past and future losses because of claims expenses of the association plan and the association portability plan or be allocated to reduce association plan premiums.

(6) The proportion of the annual assessment allocated to the operation and expenses of the association plan, not to include any amount of late payment penalty or interest charged, may be offset by an association member against the premium tax payable by that association member pursuant to 33-2-705 for the year in which the annual assessment is levied. The commissioner shall report to the office of budget and program planning, as a part of the information required by 17-7-111, the total amount of premium tax offset claimed by association members during the preceding biennium. The proportion of the annual assessment allocated to the operation and expenses of the association portability plan and levied against an association member may not be offset against the premium tax payable by that association member.

(7) The association may also accept funding from the federal government, private foundations, and other private funding sources.

At the discretion of the hearings officer, this hearing may be held by means of interactive video transmission. The purpose of the hearing is to determine whether the youth committed the violation and, if so, whether the violation is of such a nature that the youth should be returned to a youth correctional facility or whether a different plan for custody and supervision of the youth should be pursued by the department of corrections.

(2) Pending the hearing on a violation and pending the department’s decision, a youth may not be detained except when the youth’s detention or care is required to protect the person or property of the youth or of others or when the youth may abscond or be removed from the community. The department shall determine the place and manner of detention pursuant to 41-5-348 and is responsible for the cost of the detention. Procedures for taking a youth into custody and detention of a youth charged with violation of the youth’s parole agreement are as provided in 41-5-321.

(3) The youth, upon advice of an attorney, may waive the right to a hearing.

(4) With regard to this hearing, the youth must be given:

(b) a disclosure of the evidence against the youth and the facts constituting the alleged violation;

(c) the opportunity to be heard in person or by interactive video transmission and to present witnesses and documentary evidence to controvert the evidence against the youth and to show that there are compelling reasons that justify or mitigate the violation;

(d) the opportunity to have the hearings officer subpoena witnesses;
the right to confront and cross-examine adverse witnesses in person or by means of interactive video transmission;

(f) the right to be represented by an attorney;

(g) a record of the hearing; and

(h) notice that a written statement as to the evidence relied upon in reaching the final decision and the reasons for the final decision will be provided by the hearings officer.

(5) The department shall provide a hearings officer to conduct the hearing. The department shall adopt rules necessary to effect a prompt and full review.

(6) (a) If the hearings officer shall make a decision for the placement of the youth if:

(i) after a hearing the hearings officer finds, by a preponderance of the evidence, that the youth did in fact commit the violation, the hearings officer shall make a decision for the placement of the youth; or

(ii) the youth acknowledges, either during the hearing or by written waiver, upon advice of an attorney, that the youth has violated the terms of the youth’s parole agreement.

(b) In making this placement decision, the hearings officer may consider mitigating or aggravating circumstances.

(c) The youth or the youth’s attorney may appeal the hearings officer's decision to the department director. The appeal must be made in writing within 5 days of the hearing. The department director or designee shall grant or deny the appeal within 5 days of receipt of the appeal.

(7) The youth may appeal the decision of the department director to the district court of the county in which the hearing was held by serving and filing a notice of appeal with the court within 10 days of the department director's decision. The youth may obtain a written transcript of the hearing from the department by giving written notice of appeal. The district court, upon receipt of a notice of appeal, shall order the department to promptly certify to the court a record of all proceedings before the department and shall proceed to a prompt hearing on the appeal based upon the record on appeal. The decision of the department may not be altered except for abuse of discretion or manifest injustice.

(8) If the decision made under subsection (6) is to return the youth to a youth correctional facility and the youth appeals that decision, the youth shall await the outcome of the appeal at the facility.

(9) If a decision is made under subsection (6) to revoke the parole of a youth who was placed in and released from an alternative facility under 41-5-355 because of overcrowding in a state youth correctional facility, the youth may be placed in a state youth correctional facility if the state youth correctional facility is no longer overcrowded."

7) (a) A captive insurance company formed as a corporation has the privileges and is subject to the provisions of general corporation law, as well as the applicable provisions contained in this chapter.

(b) In the event of conflict between the provisions of general corporation law and this chapter, the provisions of this chapter control.

8) (a) With respect to a captive insurance company formed as a reciprocal insurer, the organizers shall petition and request that the commissioner issue a certificate that finds that the establishment and maintenance of the proposed association will promote the general good of the state. In reviewing the petition, the commissioner shall consider:

If there is a conflict between Title 33, chapter 5, and this chapter, the provisions of this chapter control. If a reciprocal insurer is determined to be subject to other provisions of Title 33, chapter 5, the other provisions of chapter 5 are not applicable to a reciprocal captive insurance company formed under this chapter unless those provisions of chapter 5 are expressly made applicable to captive insurance companies.
The subscribers’ agreement or other organizing document of a captive insurance company formed as a reciprocal insurer may authorize a quorum of a subscribers’ advisory committee to consist of at least one-third of the number of its members.

The foreign captive insurance company may apply to the secretary of state for a certificate of authority to transact business in this state after the commissioner’s certificate is issued.”

(c) On or before March 1 of each year, each branch captive insurance company shall submit to the commissioner a copy of all reports and statements required to be filed under the laws in which the foreign captive insurance company is formed, verified by oath of two of its executive officers. If the commissioner is satisfied that the annual report filed by the foreign captive insurance company in its domiciliary jurisdiction provides adequate information concerning the financial condition of the foreign captive insurance company, the commissioner may waive the requirement for completion of the captive annual statement for business written in the foreign jurisdiction.”

Section 13. Section 33-28-108, MCA, is amended to read:

“33-28-108. Examinations and investigations. (1) (a) At least once in 3 years, or more frequently if the commissioner considers it prudent, the commissioner or some competent person appointed by the commissioner shall visit each captive insurance company and thoroughly inspect and examine its affairs to ascertain its financial condition, its ability to fulfill its obligations, and whether it has complied with the provisions of this chapter.

(b) The commissioner, upon application and in the commissioner’s discretion, may enlarge the 3-year period to 5 years if the captive insurance company is:
subject to a comprehensive annual audit during the 5-year period of a scope satisfactory to the commissioner; and

(ii) the audit is conducted by independent auditors approved by the commissioner.

(c) The expenses and charges of the examination must be paid by the commissioner by the company or companies examined.

(2) The provisions of Title 33, chapter 1, part 4, apply to examinations conducted under this section.

(3) Except as provided in subsection (4), all examination reports, preliminary examination reports or results, working papers, recorded information, documents, and their copies produced by, obtained by, or disclosed to the commissioner or any other person in the course of an examination made under this section are confidential, are not subject to subpoena, and may not be made public by the commissioner or an employee or agent of the commissioner without the written consent of the company or upon court order.

(4) Subsection (3) does not prevent the commissioner from using information obtained pursuant to this section in furtherance of the commissioner's regulatory authority under Title 33. The commissioner may, in the commissioner's discretion, grant access to information obtained pursuant to this section to public officers having jurisdiction over the regulation of insurance in any other state or country or to law enforcement officers of this state or any other state or agency of the federal government at any time, as long as the officers receiving the information agree in writing to hold it in a manner consistent with this section.

(5) (a) Except as provided in subsection (5)(b), the provisions of this section apply to all business written by a captive insurance company.

(b) The examination for a branch captive insurance company may only be of branch business and branch operations if the branch captive insurance company has satisfied the requirements of 33-28-107(2)(c) to the satisfaction of the commissioner.

Section 14. Section 33-28-201, MCA, is amended to read:

“33-28-201. Tax on premiums collected. (1) (a) Each captive insurance company shall pay to the commissioner, on or before March 1 of each year, a tax on the direct premiums collected or contracted for on policies or contracts of insurance written by the captive insurance company in this state during the year ending December 31, after deducting from the direct premiums subject to the tax the amounts paid to policyholders as return premiums, including dividends on unabsorbed premiums or premium deposits returned or credited to policyholders.

(b) The tax on direct premiums collected in this state must be calculated as follows:

(i) 0.4% on the first 20 million dollars;

(b) A reinsurance tax does not apply to premiums for risks or portions of risks that are subject to taxation on a direct basis pursuant to subsection (1).

(c) A reinsurance premium tax is not payable in connection with the receipt of assets in exchange for the assumption of loss reserves and other liabilities of another insurer under common ownership and control if the transaction is part of a plan to discontinue the operations of the other insurer and if the intent of the parties to the transaction is to renew or maintain the business with the captive insurance company.

(d) The amount of the reinsurance tax must be calculated as follows:

(i) 0.225% on the first 20 million dollars of assumed reinsurance premiums;

(ii) 0.150% on the next 20 million dollars of assumed reinsurance premiums; and

(iii) 0.050% on each subsequent dollar of assumed reinsurance premiums.

(3) If the aggregate taxes to be paid by a captive insurance company calculated under subsections (1) and (2) amount to less than $5,000 in any year, the captive insurance company shall pay a tax of $5,000 for that year.

(4) Two or more captive insurance companies under common ownership and control must be taxed as though they were a single captive insurance company.

(5) For the purposes of this section, “common ownership and control” means:

(a) in the case of stock corporations, the direct or indirect ownership of 80% or more of the outstanding voting stock of two or more corporations by the same shareholder or shareholders; and

(6) Only the branch business of a branch captive insurance company is subject to taxation under the provisions of this section.”

Section 15. Section 33-28-207, MCA, is amended to read:

“33-28-207. Applicable laws. (1) The definitions of property insurance provided in 33-1-210, casualty insurance provided in 33-1-206, life insurance provided in 33-1-208, health insurance coverage provided in 33-22-140, and disability income insurance provided in [section 7], the provisions relating to supervision, rehabilitation, and liquidation of insurance companies as provided for in Title 33, chapter 2, part 13, and the provisions of 33-18-201, 33-18-203, 33-18-205, and 33-18-242 apply to captive insurance companies.

(2) This chapter may not be construed as exempting a captive insurance company, its parent, or affiliated companies from compliance with the laws governing workers’ compensation insurance.

(3) Except as expressly provided in this chapter, the provisions of Title 33 do not apply to captive insurance companies.”

Section 16. Codification instruction. (1) [Sections 1 through 6] are intended to be codified as an integral part of Title 33, chapter 28, and the provisions of Title 33, chapter 28, apply to [sections 1 through 6].

(2) [Section 7] is intended to be codified in Title 33, chapter 1, part 2, and the provisions of Title 33, chapter 1, part 2, apply to [section 7].

[HB 183]

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-22-107, MCA, is amended to read:

“33-22-107. Premium increase restriction — exception — notice of rate increase and policy changes. (1) An insurer or a health service corporation that issues a policy, certificate, or membership contract covering a resident of this state may not increase a premium in an individual’s or an individual’s group disability insurance policy more frequently than once during a 12-month period unless failure to increase the premium more frequently than once during the 12-month period would:

(a) place the insurer in violation of the laws of this state; or

(b) cause the financial impairment of the insurer to the extent that further transaction of insurance by the insurer injures or is hazardous to its policyholders or to the public.

(2) Subsection (1) does not apply to a premium increase necessitated by a state or federal law, court decision, or rule adopted by an agency of competent jurisdiction of the state or federal government.

(3) (a) Every health insurance issuer delivering or issuing for delivery group or individual health insurance coverage shall give a group policyholder at least 60 days' advance notice and an individual policyholder at least 45 days' advance notice of a change in rates or a change in terms or benefits.

(b) A notice given under this subsection (3) must be delivered in the following manner:

(i) it must be mailed to the policyholder's last-known address as shown by the records of the insurer; and

(ii) if a health insurance issuer bills any certificate holder directly at the certificate holder’s home address for premiums, the notice must be mailed by the health insurer directly to each certificate holder's last-known home address.

(c) If the health insurance issuer fails to provide the notice required by this subsection (3), the coverage must remain in effect at the existing rate with the
Section 2. Notice required for cancellation for nonpayment of group health insurance. (1) A health insurance issuer shall provide at least 15 days prior notification of cancellation for nonpayment of premium for group health insurance coverage.

(2) The notice must be sent to the policyholder at the policyholder's last-known address and must specify the date of cancellation of coverage. The insurer shall attach a properly executed proof of mailing to this notice and maintain a copy of the proof of mailing in its records.

(3) The health insurance issuer shall hold for processing of payment any claims received during the 15-day notification period for nonpayment of premium for group health insurance coverage. Upon receipt of the premium, claims held for the 15-day notification period must be processed for payment.

(4) The policy continues in full force and effect, subject to the requirements of subsection (3), until the proper 15-day notice has been given, unless the coverage has already been replaced.

(5) The 15-day period begins to run from the date of the proof of mailing.

(6) The issuer may collect premiums for any time period that the coverage remains in effect.

(7) When coverage is actually canceled, notice must also be mailed to all certificate holders at:

(a) their last-known home addresses if available; or

(b) the business address of the group policyholder.

(8) The notice of cancellation to certificate holders must be separate from the certificate of creditable coverage required in 33-22-142, although it may be mailed simultaneously with the certificate.

Section 3. Section 33-22-122, MCA, is amended to read:

“33-22-122. Contents of notice — proof — limitation on recovery — exemptions. (1) (a) The notice of cancellation shall state:

(i) the amount of the premium, installment, or interest due on such the policy;

(ii) the place where it must be paid; and

(iii) the name and address of the person or company to which the premium is payable.

(b) The notice must also state that unless the premium or other sums are paid to the company or its insurance producer, the policy will lapse or be forfeited.

(2) “Policyowner”, as used in this section, means the owner of the policy or any other person designated as the person to receive premium notices, as shown by the records of the insurance company.

(3) The affidavit of any responsible officer, clerk, or insurance producer of the insurance company authorized to mail the notice that it is the standard practice of the company to mail to policyowners the notice required by this section is prima facie evidence that the notice has been duly given.
An action may not be maintained to recover under a lapsed or forfeited policy on the ground that the insurance company failed to comply with this section unless the action is instituted within 2 years from the due date upon which default was made in paying the premium, installment, or interest for which lapse or forfeiture is claimed.

Section 33-22-121 does not apply to:
(a) group or group-type policies; or
(b) industrial life or industrial disability policies; or
(c) policies upon which premiums are payable monthly or at more frequent intervals.

Section 4. Section 33-22-141, MCA, is amended to read:

"33-22-141. Crediting previous coverage. (1) (a) A period of creditable coverage may not be counted, with respect to enrollment of an individual under a group health plan, if there was a 63-day break in coverage, during which the individual was not covered under any creditable coverage.

(b) The 63-day period provided for in subsection (1)(a) must be counted from the date that the certificate of creditable coverage was issued to the individual.

(2) The time that an individual is in a waiting period for coverage under a group health plan or for group health insurance coverage or is in an affiliation period, as defined in 33-31-102, may not be considered in determining the continuous period under subsection (1).

(3) Except as provided in subsection (4), for the purposes of applying 33-22-514, a group health plan or a health insurance issuer offering group health insurance coverage shall count a period of creditable coverage without regard to the specific benefits coverage during the period.

(4) (a) A group health plan or a health insurance issuer offering group health insurance may elect to apply the provisions of 33-22-514 based on coverage of benefits within each of several classes or categories of benefits specified in regulations implementing Public Law 104-191, rather than as provided under subsection (3). If electing to apply the provisions of 33-22-514 pursuant to this subsection (4), a group health plan or a health insurance issuer shall:

(i) make the election on a uniform basis for all participants and beneficiaries; and

(ii) count a period of creditable coverage with respect to any class or category of benefits if any level of benefits is covered within the class or category.

(b) In the case of an election under this subsection (4), a group health plan shall:

(i) prominently state in a disclosure statement concerning the group health plan to each enrollee at the time of enrollment that the group health plan has made an election; and

(ii) include a description of the effect of the election in the statement.

(c) In the case of an election under this subsection (4), a health insurance issuer shall:

(i) prominently state in a disclosure statement concerning the health insurance coverage to each employer at the time of the offer or sale of the health insurance coverage that the health insurance issuer has made an election; and

(ii) include a description of the effect of the election in the statement.
Section 5. Section 33-22-142, MCA, is amended to read:

“33-22-142. Certification of creditable coverage. (1) A group health plan and a health insurance issuer offering group health insurance coverage shall provide the certification described in subsection (3):

(a) at the time that within 10 days after an individual ceases to be covered under the group health plan or otherwise becomes covered under a COBRA continuation provision;

(b) not later than 10 days after cancellation for nonpayment of premium is effective pursuant to the provisions of [section 2] or after termination of coverage for any other reason;

(c) in the case of an individual becoming covered under a COBRA continuation provision, at the time that the individual ceases to be covered under a COBRA continuation provision; and

(d) at the request on behalf of an individual made not later than 24 months after the date of termination of the coverage described in subsection (1)(a) or (1)(b), whichever is later.

(2) The certification pursuant to subsection (1)(a) may be provided, to the extent practicable, at a time consistent with notices required under any applicable COBRA continuation provision.

(3) Certification is the written:

(a) certification of the period of creditable coverage of the individual under a group health plan and the coverage under the COBRA continuation provision;

(b) certification of the waiting period, if any, and affiliation period, as defined in 33-31-102, if applicable, imposed with respect to the individual for any coverage under a group health plan; and

(c) certification of the date of issuance of the certificate specified on the form; and

(d) notification to the individual of:

(i) the individual’s option to apply to the Montana comprehensive health association, provided for in 33-22-1503, for an association portability plan, as defined in 33-22-1501, within 63 days of issuance of a certificate of creditable coverage;

(ii) the individual’s conversion rights;

(iii) the availability of COBRA continuation coverage;

(iv) the telephone number and address of the Montana comprehensive health association; and

(v) other notification as determined necessary and in the form prescribed by rule by the commissioner.

(4) To the extent that medical care under a group health plan consists of group health insurance coverage, a group health plan satisfies the certification requirement of this section if the health insurance issuer offering the coverage provides the certification in accordance with this section.
(5) In the case of an election described in 33-22-141 by a group health plan or health insurance issuer, if the group health plan or health insurance issuer enrolls an individual for coverage under the group health plan and the individual provides a certification of coverage of the individual, the entity that issued the certification shall upon request of the group health plan or health insurance issuer promptly disclose information on coverage of classes and categories of health benefits available under the certified coverage. The entity may charge the requesting group health plan or health insurance issuer the reasonable cost of disclosing the information.

(6) This section applies to health insurance coverage offered by a health insurance issuer in the individual market in the same manner as it applies to health insurance coverage offered by a health insurance issuer in connection with a group health plan in the group market.”

Section 6. Section 33-30-1007, MCA, is amended to read:

“33-30-1007. Conversion on termination of eligibility. (1) The group hospital or medical service plan contract issued or renewed by a health service corporation after October 1, 1981, must contain a provision that if the insurance or any portion of it on a person or a person’s dependents or family members covered under the policy ceases because of termination of the person’s employment or of a person’s membership in the class or classes eligible for coverage under the policy as a result of an employer discontinuing the employer’s business or as a result of an employer discontinuing the policy issued by the health service corporation and not providing for any other group disability insurance or plan, a person must, if the person has been insured for a period of 3 months and if the person is not insured under another major medical disability insurance policy or plan, be entitled to have issued to the person by the insurer, without evidence of insurability, an individual policy of hospital or medical service insurance on the person or the person’s dependents or family members. Application for the individual policy must be made and the first premium tendered to the insurer within 31 days after the termination of group coverage.

(2) The individual policy must, at the option of the insured, be on any of the forms then customarily issued by the insurer to individual policyholders with the exception of those whose eligibility is determined by their affiliation other than by employment with a particular entity. In addition, the health service corporation shall make available a conversion policy as required by subsection (4).

(3) The premium on the individual policy must not be at no more than 200% of the insurer’s then customary rate applicable to the coverage of the individual policy. If the person entitled to conversion under this section has been insured for more than 3 years, the premium may not be more than 150% of the customary rate. The customary rate is that rate that is normally issued for medically underwritten policies without discount for healthy lifestyles.

(4) The health service corporation shall make available an individual conversion policy that provides the level of benefits provided by its lowest cost basic health benefit plan, as defined in 33-22-1803. If the insurer is not a small employer carrier under chapter 22, part 18, the insurer shall make available an individual conversion policy that provides equivalent benefits to a basic health benefit plan. The conversion rate may not exceed 150% of the highest rate charged for that plan.
(5) The premium rate for an individual policy converted from a group plan in accordance with the provisions of subsection (3) may not be increased during the first 6 months of coverage of the individual policy."

(1) Except as otherwise provided in this chapter, the insurance or health service corporation laws do not apply to a health maintenance organization authorized to transact business under this chapter. This provision does not apply to an insurer or health service corporation licensed and regulated pursuant to the insurance or health service corporation laws of this state except with respect to its health maintenance organization activities authorized and regulated pursuant to this chapter.

(2) Solicitation of enrollees by a health maintenance organization granted a certificate of authority or its representatives is not a violation of any law relating to solicitation or advertising by health professionals.

A health maintenance organization must be considered an insurer for the purposes of 33-3-308 and 33-3-701 through 33-3-704.

(6) This section does not exempt a health maintenance organization from:

(a) prohibitions against interference with certain communications as provided under chapter 1, part 8;

A person to whom information is disclosed pursuant to this subsection shall agree in writing not to further disclose the information, but this requirement for an agreement does not prevent disclosure of information that is necessary to obtain further information for the purposes set forth in this subsection.

(4) (a) Disclosure may be made between licensees if the information disclosed is limited to that which is reasonably necessary:

(i) to detect or prevent criminal activity, fraud, material misrepresentation, or material nondisclosure in connection with insurance transactions; or

(b) A licensee receiving information pursuant to this subsection (4) may not further disclose the information unless otherwise permitted by this section.

(5) Disclosure may be made to a medical care institution, a medical professional, or the individual to whom the information pertains if that information is reasonably necessary for the following purposes:

(a) to protect the interests of a licensee in preventing, investigating, or prosecuting the perpetration of fraud upon a licensee; or
(b) if the licensee or insurance-support organization reasonably believes that illegal activities have been conducted by the individual.

A disclosure allowed by 33-19-307 is governed by that section.

(13) Disclosure that is limited to that which is reasonably necessary may be made to an insurance-support organization to perform insurance-support services for the licensee. The insurance-support organization may redisclose the information to the extent necessary to provide its services to its member or subscriber licensees and other insurance-support organizations or as otherwise permitted by law, but not for a marketing purpose.

(19) If a licensee has to disclose personal or privileged information in order to perform an insurance function and disclosure is not permitted under another
exception in this section, disclosure may be made to a person other than a licensee if the disclosure is limited to that which is reasonably necessary to enable the person to perform services or an insurance function for the disclosing licensee and if the person is notified by the licensee that the person is prohibited from:

(22) Notwithstanding any other provision of this chapter, disclosure for a marketing purpose may be made only as allowed by 33-19-307.

(23) Nothing in this section may be construed to prevent the disclosure of personal information that is otherwise discoverable pursuant to the Montana Rules of Civil Procedure.

(24) The commissioner may adopt rules creating additional exceptions to disclosure restrictions for the purpose of allowing a licensee or insurance-support organization to carry out a necessary insurance function. The commissioner shall adopt rules establishing the methods that must be used by licensees to prevent identification as described in subsection (14)."

A licensee shall adopt, and maintain, and monitor policies and procedures reasonably designed to ensure that third parties with whom the licensee contracts under this subsection comply with the requirements of this section.

(5) A licensee may use or disclose personal information for purposes other than those specified in subsections (2) and (3) through (4) only with an individual’s separate written authorization as described in 33-19-306(2). In addition to meeting the requirements of 33-19-206, the authorization must:

(1) Upon the filing of a petition for revocation showing probable cause that the offender has violated any condition of a sentence or any condition of a deferred imposition of sentence, the judge may issue an order for a hearing on revocation. The order must require the offender to appear at a specified time and place for the hearing and be served by delivering a copy of the petition and order to the offender personally. The judge may also issue an arrest warrant directing any peace officer or a probation and parole officer to arrest the offender and bring the offender before the court.

(2) The petition for a revocation must be filed with the sentencing court during the period of suspension or deferral. Expiration of the period of suspension or deferral after the petition is filed does not deprive the court of its jurisdiction to rule on the petition.

(3) The provisions pertaining to bail, as set forth in Title 46, chapter 9, are applicable to persons arrested pursuant to this section.

(4) Without unnecessary delay, the offender must be brought before the judge, and the offender must be advised of:

(a) the allegations of the petition;

(b) the opportunity to appear and to present evidence in the offender’s own behalf;

(c) the opportunity to question adverse witnesses; and

(d) the right to be represented by counsel at the revocation hearing pursuant to Title 46, chapter 8, part 1.

(5) A hearing is required before a suspended or deferred sentence can be revoked or the terms or conditions of the sentence can be modified, unless:

(a) the offender admits the allegations and waives the right to a hearing; or

(b) the relief to be granted is favorable to the offender and the prosecutor, after having been given notice of the proposed relief and a reasonable opportunity to object, has not objected. An extension of the term of probation is not favorable to the offender for the purposes of this subsection (5)(b).

(6) At the hearing, the prosecution shall prove, by a preponderance of the evidence, that there has been a violation of the terms and conditions of the suspended or deferred sentence. However, when a failure to pay restitution is the basis for the petition, the offender may excuse the violation by showing sufficient evidence that the failure to pay restitution was not attributable to a failure on the offender’s part to make a good faith effort to obtain sufficient means to make the restitution payments as ordered.

(7) (a) If the judge finds that the offender has violated the terms and conditions of the suspended or deferred sentence, the judge may:

(i) continue the suspended or deferred sentence without a change in conditions;
(ii) continue the suspended sentence with modified or additional terms and conditions;

(iii) revoke the suspension of sentence and require the offender to serve either the sentence imposed or any lesser sentence that could have been imposed that does not include a longer imprisonment or commitment term than the original sentence; or

(iv) if the sentence was deferred, impose any sentence that might have been originally imposed.

(b) If a suspended or deferred sentence is revoked, the judge shall consider any elapsed time and either expressly allow all or part of the time as a credit against the sentence or reject all or part of the time as a credit. The judge shall state the reasons for the judge’s determination in the order. Credit, however, must be allowed for time served in a detention center or home arrest time already served.

(c) If a judge finds that an offender has not violated a term or condition of a suspended or deferred sentence, that judge is not prevented from setting, modifying, or adding conditions of probation as provided in 46-23-1011.

(8) If the judge finds that the prosecution has not proved, by a preponderance of the evidence, that there has been a violation of the terms and conditions of the suspended or deferred sentence, the petition must be dismissed and the offender, if in custody, must be immediately released.”

Section 2. Section 46-23-1031, MCA, is amended to read:

“46-23-1031. Supervisory fees — account established. (1) (a) Except as provided in subsection (1)(b), a probationer, parolee, or person committed to the department who is supervised by the department under intensive supervision or conditional release shall pay to the clerk of the district court that has jurisdiction over the person during the person’s supervision a supervisory fee of no less than $120 a year and no more than $360 a year, prorated at no less than $10 a month for the number of months under supervision. A person allowed to transfer supervision to another state shall pay a fee of $50 to cover the cost of processing the transfer. The fee required by this subsection must be collected by the clerk of the district court with jurisdiction during the probationer’s or parolee’s period of supervision under this part department.

(b) The court, department, or the board may reduce or waive the fee required by subsection (1)(a) or suspend the monthly payment of the supervisory fee if it determines that the payment would cause the probationer or parolee a significant financial hardship.

(2) (a) There is an account in the state special revenue fund for the supervisory fees collected under the provisions of this section.

(b) Prior to July 1, 2003, district court clerks shall deduct from the total supervisory fees collected pursuant to subsection (1) the administrative cost of collecting and accounting for the fees and shall deposit the remaining amount into the state special revenue account established in subsection (2)(a). After June 30, 2003, district court clerks shall deposit the total supervisory fees collected pursuant to subsection (1) into the state special revenue account established in subsection (2)(a) as specified by the supreme court administrator.
(ii) After June 30, 2003, district court clerks shall deposit the fees into the state special revenue account established in subsection (2)(a) as specified by the supreme court administrator.

Section 3. Section 53-30-402, MCA, is amended to read:

“53-30-402. Sentence reduction for offenders Completion of boot camp — suspension of sentence. A sentencing court retains jurisdiction for purposes of this section. A sentencing court may order a reduction of sentence for a convicted offender who:

(1) is certified by the department as having successfully completed the boot camp incarceration program; and

(2) applies to the court within 1 year after beginning to serve a sentence at a correctional institution: At the time of sentencing, the sentencing court may order that if the convicted person successfully completes the boot camp incarceration program:

(1) the court will consider a petition from the person, after which the court may suspend all or part of the remainder of the person’s sentence of imprisonment; or

(2) a part or all of the remainder of the person’s sentence of imprisonment, as determined by the court at the time of sentencing, is automatically suspended on conditions imposed by the court at the time of sentencing.”

Section 4. Arrest by probation and parole officer. A probation and parole officer who, while in the course of conducting the officer’s duties, has a reasonable suspicion that a person is interfering or will interfere with the officer’s duties or has probable cause to believe that the person is committing or has committed an offense may detain the person. The probation and parole officer shall immediately notify the nearest available law enforcement agency or peace officer, and the law enforcement agency or peace officer shall either take the person into custody or release the person.

Section 5. Codification instruction. [Section 4] is intended to be codified as an integral part of Title 46, chapter 6, part 5, and the provisions of Title 46 apply to [section 4].

Section 6. Coordination instruction. If House Bill No. 29 and [this act] are both passed and approved, then [section 1 of House Bill No. 29], amending 53-30-402, is void.

Section 7. Effective date. [This act] is effective on passage and approval.

CHAPTER NO. 388

[HB 289]

AN ACT INCREASING THE SANCTIONS IMPOSED UPON A DRIVER WHO REFUSES TO SUBMIT TO A BLOOD OR BREATH TEST BY PROVIDING A REBUTTABLE INFERENCE THAT A PERSON WHO REFUSES A TEST IS UNDER THE INFLUENCE; AND AMENDING SECTION 61-8-404, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 61-8-404, MCA, is amended to read:

“61-8-404. Evidence admissible — conditions of admissibility. (1) Upon the trial of a criminal action or other proceeding arising out of acts alleged
to have been committed by a person in violation of 61-8-401, 61-8-406, 61-8-410, or 61-8-805:

(a) evidence of any measured amount or detected presence of alcohol, drugs, or a combination of alcohol and drugs in the person at the time of a test, as shown by an analysis of the person’s blood or breath, is admissible. A positive test result does not, in itself, prove that the person was under the influence of a drug or drugs at the time the person was in control of a motor vehicle. A person may not be convicted of a violation of 61-8-401 based upon the presence of a drug or drugs in the person unless some other competent evidence exists that tends to establish that the person was under the influence of a drug or drugs while driving or in actual physical control of a motor vehicle within this state.

(b) a report of the facts and results of one or more tests of a person’s blood or breath is admissible in evidence if:

(i) a breath test or preliminary alcohol screening test was performed by a person certified by the forensic sciences division of the department to administer the test;

(ii) a blood sample was analyzed in a laboratory operated or certified by the department or in a laboratory exempt from certification under the rules of the department and the blood was withdrawn from the person by a person competent to do so under 61-8-405(1);

(c) a report of the facts and results of a physical, psychomotor, or physiological assessment of a person is admissible in evidence if it was made by a person trained by the department or by a person who has received training recognized by the department.

(2) If the person under arrest refused to submit to one or more tests as provided in this section, proof of refusal is admissible in any criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a vehicle upon the ways of this state open to the public, while under the influence of alcohol, drugs, or a combination of alcohol and drugs. The trier of fact may infer from the refusal that the person was under the influence. The inference is rebuttable.

(3) The provisions of this part do not limit the introduction of any other competent evidence bearing on the question of whether the person was under the influence of alcohol, drugs, or a combination of alcohol and drugs.”

Approved April 18, 2003

(5) Each municipal court judge shall attend the training sessions provided for in subsection (4). Failure to attend disqualifies a judge from office and
creates a vacancy in the office. However, the supreme court may excuse a municipal court judge from attendance because of illness, a death in the family, or any other good cause.

(3) The commission on courts of limited jurisdiction, upon finding compliance with subsections (1) and (2), shall issue a certificate, as required in 3-1-1502, prior to the municipal court judge assuming office. (b) one additional justice’s court located in each city having a population of over 5,000, as provided in subsection (3).

(3) A city having a population of over 5,000 may, by resolution, request the board of county commissioners to constitute a justice’s court in the city. A
justice’s court must be established in the city if the board of county commissioners approves the request by resolution.

(4) A justice of the peace of a court established pursuant to subsection (3) may act as the city judge upon passage of a city ordinance authorizing the action and upon approval of the ordinance by resolution of the board of county commissioners. If the justice’s court is established as a court of record, it must be known as a justice’s court established as a court of record and, in addition to the provisions of this chapter, is also subject to the provisions of sections 8 through 10. The court’s proceedings must be recorded by electronic recording or stenographic transcription and all papers filed in a proceeding must be included in the record. (3) Except as provided in subsection (4), each justice of the peace shall attend the training sessions provided for in subsection (2). Failure to attend disqualifies him from office and creates a vacancy in the office. However, the supreme court may excuse a justice of the peace from attendance because of illness, a death in the family, or any other good cause.

(4) A justice of the peace for a justice’s court established as a court of record, provided for in 3-10-101, must meet the requirements provided for in [section 10].”

If the justice’s court is not open for business full time, the justice’s salary must be commensurate to the workload and office hours of the court. The salary of a justice of the peace may not be reduced during the justice’s term of office.

The salary of the justice of the peace for a justice’s court established as a court of record may not exceed 90% of the salary of a district court judge determined as provided in 3-5-211.

Section 8. Appeal to district court from justice’s court established as court of record — record on appeal. (1) A party may appeal to district court from a justice’s court established as a court of record judgment or order. The appeal is confined to review of the record and questions of law, subject to the supreme court’s rulemaking and supervisory authority.

(2) The record on appeal to district court consists of an electronic recording or stenographic transcription of a case tried, together with all papers filed in the action.

(3) The district court may affirm, reverse, or amend any appealed order or judgment and may direct the proper order or judgment to be entered or direct that a new trial or further proceeding be had in the court from which the appeal was taken.

(4) Unless the supreme court establishes rules for appeal from a justice’s court established as a court of record to the district court, the Montana Uniform Municipal Court Rules of Appeal to District Court, codified in Title 25, chapter 30, apply to appeals from the justice’s court established as a court of record to district court.

Section 9. Disqualification of justice of peace for justice’s court established as court of record — judge pro tempore. (2) A justice of the peace for a justice’s court established as a court of record, provided for in 3-10-101, shall complete a minimum of 15 hours of continuing judicial education requirements each year or a greater number established by the supreme court. Attendance at the two annual training sessions under 3-10-203 may fulfill the requirement provided for in this subsection.

(3) Completion of a course approved for continuing judicial or legal education hours applies to the judicial education requirements under subsection (2).
(4) A justice of the peace for a justice's court established as a court of record is entitled to reimbursement by the county in which the justice of the peace holds or will hold court for all actual and necessary expenses and costs incurred in attending a continuing judicial or legal education course.

(5) On or before December 31 of each year, a justice of the peace for a justice's court established as a court of record shall file an affidavit of compliance with the continuing judicial education requirements established in this section with the commission on courts of limited jurisdiction. The supreme court may sanction a justice of the peace for a justice's court established as a court of record or declare a vacancy in the office of the justice of the peace for failure to meet the training requirements established in this section.

INPATIENT BED DAYS; AUTHORIZING THE DEPARTMENT OF
REVENUE TO COLLECT AND DEPOSIT FEES IN A STATE SPECIAL
REVENUE ACCOUNT FOR FUNDING INCREASES IN MEDICAID
PAYMENTS TO HOSPITALS; PROVIDING FOR ASSESSMENT,
COLLECTION, AND ADJUSTMENT OF THE FEE; PROVIDING AN
APPROPRIATION; AND PROVIDING AN EFFECTIVE DATE, AN
APPLICABILITY DATE, A TERMINATION DATE, AND A CONTINGENT
VOIDNESS PROVISION.

Be it enacted by the Legislature of the State of Montana:

Section 1. Definitions. For purposes of [sections 1 through 13], the
following definitions apply:

(1) (a) "Hospital" means a facility licensed as a hospital pursuant to Title 50,
chapter 5.

(b) The term does not include Montana state hospital.

(2) (a) "Inpatient bed day" means a day of inpatient care provided to a
patient in a hospital. A day begins at midnight and ends 24 hours later. A part of
a day, including the day of admission, counts as a full day. The day of discharge
or death is not counted as a day. If admission and discharge or death occur on the
same day, the day is considered a day of admission and counted as one inpatient
bed day. Inpatient bed days include all inpatient hospital benefit days as defined
for medicare reporting purposes in section 216 of the centers for medicaid and
medicare services publication 10, the Hospital Manual. Inpatient bed days also
include all nursery days during which a newborn infant receives care in a
nursery.

(b) The term does not include observation days or days of care in a swing bed,
as defined in 50-5-101.

(3) "Patient" means an individual obtaining skilled medical and nursing
services in a hospital. The term includes newborn infants.

(4) "Report" means the report of inpatient bed days required in [section 3].
“Utilization fee” or “fee” means the fee required to be paid for each inpatient bed day, as provided in [section 2].

Section 2. Utilization fee for inpatient bed days. (1) Each hospital in the state shall pay to the department a utilization fee in the amount of:
(a) $32.44 for each inpatient bed day between July 1, 2003, and December 31, 2003; and
(b) $19.43 for each inpatient bed day between January 1, 2004, and June 30, 2005.

(2) (a) All proceeds from the collection of utilization fees, including penalties and interest, must be deposited to the credit of the department of public health and human services in a state special revenue fund as provided in [section 14].
(b) A hospital may not place a fee created in [sections 1 through 13] on a patient’s bill.

Section 3. Reporting and collection of fee. (1) (a) On or before January 31, 2004, a hospital shall file with the department an annual report of the number of inpatient bed days in the hospital during the 6-month period beginning July 1, 2003, and ending December 31, 2003. The report must be in the form prescribed by the department. The report must be accompanied by a payment in an amount equal to the fee required to be paid under [section 2(1)(a)].
(b) On or before January 31, 2004, the department of public health and human services shall provide the department with a list of hospitals licensed and operating in the state during the 6-month period beginning July 1, 2003, and ending December 31, 2003.

(2) (a) Except as provided in subsection (1), on or before January 31 of each year, a hospital shall file with the department an annual report of the number of inpatient bed days during the preceding year beginning January 1 and ending December 31. The report must be in the form prescribed by the department. The report must be accompanied by a payment in an amount equal to the fee required to be paid under [section 2(1)(b)].
(b) Except as provided in subsection (1), on or before January 31 of each year, the department of public health and human services shall provide the department with a list of hospitals licensed and operating in the state during the preceding year beginning January 1 and ending December 31.

Section 4. Audit — records. (1) The department may audit the records and other documents of any hospital to ensure that the proper utilization fee has been collected.

(2) The department may require the hospital to provide records and other documentation, including books, ledgers, and registers, necessary for the department to verify the proper amount of the utilization fee paid.

(3) A hospital shall maintain and make available for inspection by the department sufficient records and other documentation to demonstrate the number of inpatient bed days in the facility subject to the utilization fee. The facility shall maintain these records for a period of at least 5 years from the date the report is due.

Section 5. Periods of limitation. (1) Except as otherwise provided in this section, a deficiency may not be assessed or collected with respect to the year for which a report is filed unless the notice of additional fees proposed to be assessed
is mailed within 5 years from the date the report was filed. For the purposes of this section, a report filed before the last day prescribed for filing is considered filed on the last day. If, before the expiration of the period prescribed for assessment of the fee, the hospital consents in writing to an assessment after the 5-year period, the fee may be assessed at any time prior to the expiration of the period agreed upon.

(2) A refund or credit may not be paid or allowed with respect to the year for which a report is filed after 5 years from the last day prescribed for filing the report or after 1 year from the date of the overpayment, whichever period expires later, unless before the expiration of the period, the hospital files a claim or the department has determined the existence of the overpayment and has approved the refund or credit. If the hospital has agreed in writing under the provisions of subsection (1) to extend the time within which the department may propose an additional assessment, the period within which a claim for refund or credit is filed or a credit or refund is allowed if a claim is not filed is automatically extended.

Section 6. Penalty and interest for delinquent fees — waiver. If the fee for any hospital is not paid on or before the due date of the report as provided in [section 3], penalty and interest, as provided in 15-1-216, must be added to the fee.

Section 7. Estimated fee on failure to file. For the purpose of ascertaining the correctness of any report or for the purpose of making an estimate of inpatient bed day use of any hospital for which information has been obtained, the department may:

(1) examine or cause to have examined by any designated agent or representative any books, papers, records, or memoranda bearing upon the matters required to be included in the report;

(2) require the attendance of any officer or employee of the facility rendering the report or the attendance of any other person in the premises having relevant knowledge; and

(3) take testimony and require production of any other material for its information.

Section 8. Deficiency assessment — hearing. (1) If the department determines that the amount of fees due is greater than the amount disclosed by the report, it shall mail to the hospital a notice of the additional fees proposed to be assessed. Within 30 days after the mailing of the notice, the hospital may file with the department a written protest against the proposed additional fees, setting forth the grounds upon which the protest is based, and may request in its protest an oral hearing or an opportunity to present additional evidence relating to its fees liability. If a protest is not filed, the amount of the additional fees proposed to be assessed becomes final upon the expiration of the 30-day period. If a protest is filed, the department shall reconsider the proposed assessment and, if the hospital has requested, shall grant the hospital an oral hearing. After consideration of the protest and the evidence presented at an oral hearing, the department’s action upon the protest is final when it mails notice of its action to the hospital.

(2) When a deficiency is determined and the fees become final, the department shall mail notice and demand for payment to the hospital, and the fees become due and payable at the expiration of 10 days from the date of the notice and demand. Any deficiency assessment bears interest from the date
specified in [section 3] for payment of the fees. A certificate by the department of
the mailing of the notices specified in this section is prima facie evidence of the
computation and levy of the deficiency in the fees and of the giving of the notice.

Section 9. Closing agreements. (1) The director of the department or any
person authorized in writing by the director may enter into an agreement with a
hospital relating to the liability of the hospital with respect to the fees imposed
by [sections 1 through 13] for any period.

(2) An agreement under this section is final and conclusive and, except upon
a showing of fraud or malfeasance or misrepresentation of a material fact:

(a) in a case involving the agreement, the agreement may not be reopened as
to matters agreed upon or modified by any officer, employee, or agent of this
state; and

(b) the agreement may not be annulled, modified, set aside, or disregarded in
any suit, action, or proceeding concerning the agreement or concerning any
determination, assessment, collection, payment, abatement, refund, or credit
made in accordance with the agreement.

Section 10. Credit for overpayment — interest on overpayment. (1)
If the department determines that the amount of fees, penalty, or interest due
for any period is less than the amount paid, the amount of the overpayment
must be credited against any fees, penalty, or interest due from the hospital at
that time and the balance must be refunded to the hospital or its successor
through reorganization, merger, or consolidation or to its shareholders upon
dissolution.

(2) Except as provided in subsection (3), interest is allowed on overpayments
at the same rate as is charged on unpaid taxes, as provided in 15-1-216, from the
due date of the report or from the date of overpayment, whichever date is later,
to the date the department approves refunding or crediting of the overpayment.
Interest does not accrue during any period during which the processing of a
claim for refund is delayed more than 30 days by reason of failure of the hospital
to furnish information requested by the department for the purpose of verifying
the amount of the overpayment.

(3) Interest is not allowed:

(a) if the overpayment is refunded within 6 months from the date the report
is due or from the date the return is filed, whichever is later; or

(b) if the amount of interest is less than $1.

(4) A payment not made incident to a discharge of actual utilization fee
liability or a payment reasonably assumed to be imposed by [sections 1 through
13] is not considered an overpayment with respect to which interest is allowable.

Section 11. Warrant for distraint. If the utilization fee is not paid when
due, the department may issue a warrant for distraint as provided in Title 15,
chapter 1, part 7.

Section 12. Relation to other taxes and fees. The utilization fee imposed
under [section 2] is in addition to any other taxes and fees required to be paid by
hospitals.

Section 13. Rulemaking. The department may adopt rules necessary to
implement and administer [sections 1 through 13].
Section 14. State special revenue fund account — administration.
(1) There is a hospital medicaid reimbursement account in the state special revenue fund provided for in 17-2-102.
(2) All money collected under [section 2] must be deposited in the account.
(3) Money in the account must be used by the department of public health and human services to provide funding for increases in medicaid payments to hospitals and for the costs of collection of the fee and other administrative activities associated with the implementation of increases in the medicaid payments to hospitals.

Section 15. Appropriation. (1) The following money is appropriated to the department of public health and human services from the account in the state special revenue fund created in [section 14] to fund increases in medicaid payments to hospitals:

<table>

<tr>
<th>Fiscal Year</th>
<th>Amount</th>

</tbody>
</table>

(3) The increases to medicaid payments must be distributed no later than February 28 of each fiscal year.

Section 16. Codification instruction. (1) [Sections 1 through 13] are intended to be codified as an integral part of Title 15, and the provisions of Title 15 apply to [sections 1 through 13].
(2) [Section 14] is intended to be codified as an integral part of Title 53, chapter 6, and the provisions of Title 53, chapter 6, apply to [section 14].

Section 17. Severability. If a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of [this act] is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 18. Contingent voidness — payment of fees. (1) If federal law or policy is amended so that the utilization fees collected pursuant to [sections 1 through 13] may not be considered as the state's share in claiming federal financial participation under the medicaid program, [sections 1 through 15] are void as of the effective date of the change in federal law or policy.
(2) If the federal government refuses to participate in or denies approval of any plan for medicaid payments to hospitals on grounds that it considers the payments to be reimbursement to facilities for payment of the utilization fees, [sections 1 through 15] are void as of the date of receipt by the department of public health and human services of notice of an official determination of any refusal or denial.
(3) If the federal government determines that a part of [sections 1 through 13] violates federal law or regulations, that part is void as of the date of receipt by the department of public health and human services of notice of an official determination by the federal government. All valid parts of [sections 1 through 13] remain in effect. If the federal government determines that a part of [sections 1 through 13] violates federal law or regulations in one or more of its
applications, then the department of public health and human services may not administer [sections 1 through 13] in a manner that violates the pertinent federal law or regulations after the date of receipt by the department of public health and human services of notice of an official determination by the federal government. All valid applications remain in effect.

(4) If [sections 1 through 13] or any part of [sections 1 through 13] imposing a fee on a specific facility becomes void under the provisions of this section, all fees due, received, or collected by the department of revenue prior to the date upon which [sections 1 through 13] or any part of [sections 1 through 13] becomes void must be paid and deposited in accordance with [section 2] and a person or party may not receive a refund of any fees received or collected by the department of revenue prior to the date upon which [sections 1 through 13] or any part of [sections 1 through 13] becomes void. Any fees owing as of the date on which [sections 1 through 13] becomes void are considered waived.

(5) The department of public health and human services shall notify the code commissioner of the occurrence of any determination made pursuant to subsection (1) or (2) and the date of the occurrence.

(4) A minor may give consent for health care for the minor's spouse if the spouse is unable to give consent by reason of physical or mental incapacity."

Section 3. Section 41-1-403, MCA, is amended to read:

"41-1-403. Release of information by physician health professional. (1) Except with regard to an emancipated minor, a health professional may, but shall not be obligated to, inform the spouse, parent, custodian, or guardian of any such a minor in the circumstances as enumerated in 41-1-402 of any treatment given or needed when:
(a) in the judgment of the health professional, severe complications are present or anticipated;

(b) major surgery or prolonged hospitalization is needed;

(c) failure to inform the parent, parents, or legal guardian would seriously jeopardize the safety and health of the minor patient, younger siblings, or the public;

(d) informing them would benefit the minor’s physical and mental health and family harmony; or

(e) the health professional or health care facility providing treatment desires a third-party commitment to pay for services rendered or to be rendered.

(2) Notification or disclosure to the spouse, parent, parents, or legal guardian by the health professional may not constitute libel or slander, a violation of the right of privacy, a violation of the rule of privileged communication, or any other legal basis of liability. When the minor is found not to be pregnant or not afflicted with a sexually transmitted disease or not suffering from drug abuse or substance abuse, including alcohol, then no information with respect to any appointment, examination, test, or other health procedure shall be given to the parent, parents, or legal guardian, if they have not been informed as permitted in this part, without the consent of the minor.”

Section 4. Section 50-5-106, MCA, is amended to read:

“50-5-106. Records and reports required of health care facilities — confidentiality. Health care facilities shall keep records and make reports as required by the department. Before February 1 of each year, every licensed health care facility shall submit an annual report for the preceding calendar year to the department. The report must be on forms and contain information specified by the department. Information received by the department through reports, inspections, or provisions of parts 1 and 2 may not be disclosed in a way which would identify patients. A department employee who discloses information that would identify a patient must be dismissed from employment and subject to the provisions of 45-7-401 and 50-16-551, unless the disclosure was authorized in writing by the patient, the patient’s guardian, or the patient’s agent in accordance with Title 50, chapter 16, part 5 as permitted by law. Information and statistical reports from health care facilities which are considered necessary by the department for health planning and resource development activities must be made available to the public and the health planning agencies within the state. Applications by health care facilities for certificates of need and any information relevant to review of these applications, pursuant to part 3, must be accessible to the public.”

Section 5. Section 50-16-201, MCA, is amended to read:

“50-16-201. Definitions. As used in this part, the following definitions apply:

(1) “Data” means written reports, notes, or records or oral reports or proceedings created by or at the request of a utilization review, peer review, medical ethics review, quality assurance, or quality improvement committee of a health care facility that are used exclusively in connection with quality assessment or improvement activities, including the professional training, supervision, or discipline of a medical practitioner by a health care facility.
The term does not include:

(i) incident reports or occurrence reports; or

(ii) health care information that is used in whole or in part to make decisions about an individual who is the subject of the health care information.

(2) “Health care facility” has the meaning provided in 50-5-101.

(3) (a) “Incident reports” or “occurrence reports” means a written business record of a health care facility, created in response to an untoward event, such as a patient injury, adverse outcome, or interventional error, in order to ensure a prompt evaluation of the event.

(b) The terms do not include any subsequent evaluation of the event in response to an incident report or occurrence report by a utilization review, peer review, medical ethics review, quality assurance, or quality improvement committee.

(4) “Medical practitioner” means an individual licensed by the state of Montana to engage in the practice of medicine, osteopathy, podiatry, optometry, or a nursing specialty described in 37-8-202(5) or licensed as a physician assistant-certified pursuant to 37-20-203."

Section 6. Section 50-16-502, MCA, is amended to read:

“50-16-502. Legislative findings. The legislature finds that:

(1) health care information is personal and sensitive information that if improperly used or released may do significant harm to a patient’s interests in privacy and health care or other interests;

(2) patients need access to their own health care information as a matter of fairness, to enable them to make informed decisions about their health care and to correct inaccurate or incomplete information about themselves;

(3) in order to retain the full trust and confidence of patients, health care providers have an interest in ensuring that health care information is not improperly disclosed and in having clear and certain rules for the disclosure of health care information;

(4) persons other than health care providers obtain, use, and disclose health record information in many different contexts and for many different purposes. It is the public policy of this state that a patient’s interest in the proper use and disclosure of his health care information survives even when the information is held by persons other than health care providers.

(5) the movement of patients and their health care information across state lines, access to and exchange of health care information from automated data banks, and the emergence of multistate health care providers creates a compelling need for uniform law, rules, and procedures governing the use and disclosure of health care information.

(6) the enactment of federal health care privacy legislation and the adoption of rules pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), 42 U.S.C. 1320d, et seq., require health care providers subject to that legislation to provide significant privacy protection for health care information and the provisions of this part are no longer necessary for those health care providers; and

(7) because the provisions of HIPAA do not apply to some health care providers, it is important that these health care providers continue to adhere to this part.”
Section 7. Section 50-16-504, MCA, is amended to read:

“50-16-504. Definitions. As used in this part, unless the context indicates otherwise, the following definitions apply:

(1) “Audit” means an assessment, evaluation, determination, or investigation of a health care provider by a person not employed by or affiliated with the provider, to determine compliance with:
   (a) statutory, regulatory, fiscal, medical, or scientific standards;
   (b) a private or public program of payments to a health care provider; or
   (c) requirements for licensing, accreditation, or certification.

(2) “Directory information” means information disclosing the presence and the general health condition of a patient who is an inpatient in a health care facility or who is receiving emergency health care in a health care facility.

(3) “General health condition” means the patient’s health status described in terms of critical, poor, fair, good, excellent, or terms denoting similar conditions.

(4) “Health care” means any care, service, or procedure provided by a health care provider, including medical or psychological diagnosis, treatment, evaluation, advice, or other services that affect the structure or any function of the human body.

(5) “Health care facility” means a hospital, clinic, nursing home, laboratory, office, or similar place where a health care provider provides health care to patients.

(6) “Health care information” means any information, whether oral or recorded in any form or medium, that identifies or can readily be associated with the identity of a patient and relates to the patient’s health care. The term includes any record of disclosures of health care information.

(7) “Health care provider” means a person who is licensed, certified, or otherwise authorized by the laws of this state to provide health care in the ordinary course of business or practice of a profession. The term does not include a person who provides health care solely through the sale or dispensing of drugs or medical devices.

(8) “Institutional review board” means a board, committee, or other group formally designated by an institution or authorized under federal or state law to review, approve the initiation of, or conduct periodic review of research programs to assure the protection of the rights and welfare of human research subjects.

(9) “Maintain”, as related to health care information, means to hold, possess, preserve, retain, store, or control that information.

(10) “Patient” means an individual who receives or has received health care. The term includes a deceased individual who has received health care.

(11) “Peer review” means an evaluation of health care services by a committee of a state or local professional organization of health care providers or a committee of medical staff of a licensed health care facility. The committee must be:
   (a) authorized by law to evaluate health care services; and
   (b) governed by written bylaws approved by the governing board of the health care facility or an organization of health care providers.
“Person” means an individual, corporation, business trust, estate, trust, partnership, association, joint venture, government, governmental subdivision or agency, or other legal or commercial entity.

“Reasonable fee” means the charge, as provided for in 50-16-540, for duplicating, searching for, or handling recorded health care information.

Section 8. Limit on applicability. The provisions of this part apply only to a health care provider that is not subject to the privacy provisions of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), 42 U.S.C. 1320d, et seq., and administrative rules adopted in connection with HIPAA.

Section 9. Section 50-16-535, MCA, is amended to read:

“50-16-535. When health care information available by compulsory process. (1) Health care information may not be disclosed by a health care provider pursuant to compulsory legal process or discovery in any judicial, legislative, or administrative proceeding unless:

(a) the patient has consented or authorized in writing to the release of the health care information in response to compulsory process or a discovery request;

(b) the patient has waived the right to claim confidentiality for the health care information sought;

(c) the patient is a party to the proceeding and has placed his or her physical or mental condition in issue;

(d) the patient’s physical or mental condition is relevant to the execution or witnessing of a will or other document;

(e) the physical or mental condition of a deceased patient is placed in issue by any person claiming or defending through or as a beneficiary of the patient;

(f) a patient’s health care information is to be used in the patient’s commitment proceeding;

(g) the health care information is for use in any law enforcement proceeding or investigation in which a health care provider is the subject or a party, except that health care information so obtained may not be used in any proceeding against the patient unless the matter relates to payment for or the patient’s health care or unless authorized under subsection (1)(i);

(h) the health care information is relevant to a proceeding brought under 50-16-551 through 50-16-553;

(i) a court has determined that particular health care information is subject to compulsory legal process or discovery because the party seeking the information has demonstrated that there is a compelling state interest that outweighs the patient’s privacy interest; or

(j) the health care information is requested pursuant to an investigative subpoena issued under 46-4-301 or a similar federal law.

(2) Nothing in this part authorizes the disclosure of health care information by compulsory legal process or discovery in any judicial, legislative, or administrative proceeding where disclosure is otherwise prohibited by law.”

Section 10. Section 50-16-1009, MCA, is amended to read:

“50-16-1009. Confidentiality of records — notification of contacts — penalty for unlawful disclosure. (1) Except as provided in subsection (2), a person may not disclose or be compelled to disclose the identity of a subject of an
HIV-related test or the results of a test in a manner that permits identification of
the subject of the test, except to the extent allowed under the Uniform Health
Care Information Act, Title 50, chapter 16, part 5, the Government Health Care
Information Act, Title 50, chapter 16, part 6, or applicable federal law.

(2) A local board, local health officer, or the department may disclose the
identity of the subject of an HIV-related test or the test results only to the extent
allowed by the Government Health Care Information Act, Title 50, chapter 16,
part 6, unless it is in possession of that information because a health care
provider employed by it provided health care to the subject, in which case the
Uniform Health Care Information Act governs the release of that information.

(3) If a health care provider informs the subject of an HIV-related test
that the results are positive, the provider shall encourage the subject to notify
persons who are potential contacts. If the subject is unable or unwilling to notify
all contacts, the health care provider may ask the subject to disclose voluntarily
the identities of the contacts and to authorize notification of those contacts by a
health care provider. A notification may state only that the contact may have
been exposed to HIV and may not include the time or place of possible exposure
or the identity of the subject of the test.

(4) A person who discloses or compels another to disclose confidential
health care information in violation of this section is guilty of a misdemeanor
punishable by a fine of $1,000 or imprisonment for 1 year, or both.”

Section 11. Section 50-19-402, MCA, is amended to read:

“50-19-402. Statement of policy — access to information. (1) The
prevention of fetal, infant, and child deaths is both the policy of the state of
Montana and a community responsibility. Many community professionals have
expertise that can be used to promote the health, safety, and welfare of fetuses,
infants, and children. The use of these professionals in reviewing fetal, infant,
and child deaths can lead to a greater understanding of the causes of death and
the methods of preventing deaths. It is the intent of the legislature to encourage
local communities to establish voluntary multidisciplinary fetal, infant, and
child mortality review teams to study the incidence and causes of fetal, infant,
and child deaths.

(2) A health care provider may disclose information about a patient without
the patient’s authorization or without the authorization of the representative of
a patient who is deceased upon request of a local fetal, infant, and child
mortality review team. The review team may request and may receive
information from a county attorney as provided in 44-5-303(4) and from a health
care provider as provided permitted in 50-16-525 after the review team has
considered whether the disclosure of the information by the provider satisfies
the criteria provided in 50-16-529(6) Title 50, chapter 16, part 5, or applicable
federal law. The review team shall maintain the confidentiality of the
information received.

(3) The local fetal, infant, and child mortality review team may only:
(a) compile statistics of fetal, infant, and child mortality;
(b) analyze the preventable causes of fetal, infant, and child deaths,
including child abuse and neglect; and
(c) recommend measures to prevent future fetal, infant, and child deaths.”

Section 12. Section 50-19-405, MCA, is amended to read:
“50-19-405. Unauthorized disclosure by review team member — civil penalty. A person aggrieved by the use of information obtained pursuant to 50-19-402(2) for a purpose not authorized by 50-19-402(3) or by a disclosure of that information in violation of 50-19-402(2) by a member of a local fetal, infant, and child mortality review team may bring a civil action in the district court of the county of the person’s residence for damages, costs, and fees as provided in 50-16-553(6) through (8) or [section 23].”

Section 13. Section 50-19-406, MCA, is amended to read:

“50-19-406. Unauthorized disclosure by review team member — misdemeanor. A member of a local fetal, infant, and child mortality review team who knowingly uses information obtained pursuant to 50-19-402(2) for a purpose not authorized by 50-19-402(3) or who discloses that information in violation of 50-19-402(2) is guilty of a misdemeanor and upon conviction is punishable as provided in 50-16-551 46-18-212.”

Section 14. Section 53-24-306, MCA, is amended to read:

“53-24-306. Records of chemically dependent persons, intoxicated persons, and family members. (1) The registration and other records of treatment facilities shall remain confidential and are privileged to the patient.

(2) Notwithstanding subsection (1), the department may make available in accordance with Title 50, chapter 16, part 5, or other applicable law information from patients’ records for purposes of research into the causes and treatment of chemical dependency. Information under this subsection shall not be published in a way that discloses patients’ names or other identifying information.”

Section 15. Legislative findings. The legislature finds that:

(1) health care information is personal and sensitive information that if improperly used or released may do significant harm to a patient’s interests in privacy and health care or other interests;

(2) the enactment of federal health care privacy legislation and the adoption of rules pursuant to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), 42 U.S.C. 1320d, et seq., provide significant privacy protection for health care information with respect to health care providers subject to HIPAA;

(3) for health care providers subject to the health care information privacy protections of HIPAA, the applicability of the provisions of Title 50, chapter 16, part 5, relating to health care privacy is unnecessary and may result in significant practical difficulties;

(4) it is in the best interest of the citizens of Montana to have certain requirements, with respect to the use or release of health care information by health care providers, that are more restrictive than or additional to the health care privacy protections of HIPAA.

Section 16. Applicability. [Sections 15 through 24] apply only to health care providers subject to the health care information privacy protections of the Health Insurance Portability and Accountability Act of 1996 (HIPAA), 42 U.S.C. 1320d, et seq., and administrative rules adopted in connection with HIPAA.

Section 17. Definitions. As used in [sections 15 through 24], unless the context indicates otherwise, the following definitions apply:
(1) “Health care” means care, services, or supplies provided by a health care provider that are related to the health of an individual. Health care includes but is not limited to the following:

(a) preventive, diagnostic, therapeutic, rehabilitative, maintenance, or palliative care and counseling, service, assessment, or procedure with respect to an individual’s physical or mental condition; or

(2) “Health care facility” means a hospital, clinic, nursing home, laboratory, office, or similar place where a health care provider provides health care to patients.

(3) “Health care information” means any information, whether oral or recorded in any form or medium, that:

(a) is created or received by a health care provider;

(b) relates to the past, present, or future physical or mental health or condition of an individual or to the past, present, or future payment for the provision of health care to the individual; and

(c) identifies or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

(4) “Health care provider” means a person who is licensed, certified, or otherwise authorized by the laws of this state to provide health care in the ordinary course of business or practice of a profession.

(5) “Patient” means an individual who receives or has received health care. The term includes a deceased individual who has received health care.

(6) “Person” means an individual, corporation, business trust, estate, trust, partnership, association, joint venture, government, governmental subdivision or agency, or other legal or commercial entity.

(7) “Reasonable fee” means the charge, as provided for in section 22, for duplicating, searching for, or handling recorded health care information.

Section 18. Representative of deceased patient’s estate. A personal representative of a deceased patient’s estate may exercise all of the deceased patient’s rights under this part. If there is no personal representative or upon discharge of the personal representative, a deceased patient’s rights under this part may be exercised by the surviving spouse, a parent, an adult child, an adult sibling, or any other person who is authorized by law to act for the deceased person.

Section 19. Disclosure of information for workers’ compensation and occupational disease claims and law enforcement purposes. (1) To the extent provided in 39-71-604 and 50-16-527, a signed claim for workers’ compensation or occupational disease benefits authorizes disclosure to the workers’ compensation insurer, as defined in 39-71-116, by the health care provider.

(2) A health care provider may disclose health care information about an individual for law enforcement purposes if the disclosure is to:

(a) federal, state, or local law enforcement authorities to the extent required by law; or
(b) a law enforcement officer about the general physical condition of a patient being treated in a health care facility if the patient was injured by the possible criminal act of another.

**Section 20. When health care information available by compulsory process.** (1) Health care information may not be disclosed by a health care provider pursuant to compulsory legal process or discovery in any judicial, legislative, or administrative proceeding unless:

(a) the patient has authorized in writing the release of the health care information in response to compulsory process or a discovery request;

(b) the patient has waived the right to claim confidentiality for the health care information sought;

(c) the patient is a party to the proceeding and has placed the patient’s physical or mental condition in issue;

(d) the patient’s physical or mental condition is relevant to the execution or witnessing of a will or other document;

(e) the physical or mental condition of a deceased patient is placed in issue by any person claiming or defending through or as a beneficiary of the patient;

(f) a patient’s health care information is to be used in the patient’s commitment proceeding;

(g) the health care information is for use in any law enforcement proceeding or investigation in which a health care provider is the subject or a party, except that health care information so obtained may not be used in any proceeding against the patient unless the matter relates to payment for the patient’s health care or unless authorized under subsection (1)(i);

(h) a court has determined that particular health care information is subject to compulsory legal process or discovery because the party seeking the information has demonstrated that there is a compelling state interest that outweighs the patient’s privacy interest; or

(i) the health care information is requested pursuant to an investigative subpoena issued under 46-4-301 or similar federal law.

(2) [Sections 15 through 24] do not authorize the disclosure of health care information by compulsory legal process or discovery in any judicial, legislative, or administrative proceeding where disclosure is otherwise prohibited by law.

**Section 21. Method of compulsory process.** (1) Unless the court for good cause shown determines that the notification should be waived or modified, if health care information is sought under [section 20(1)(b), (1)(d), or (1)(e)] or in a civil proceeding or investigation under [section 20(1)(h)], the person seeking compulsory process or discovery shall mail a notice by first-class mail to the patient or the patient’s attorney of record of the compulsory process or discovery request at least 10 days before presenting the certificate required under subsection (2) of this section to the health care provider.

(2) Service of compulsory process or discovery requests upon a health care provider must be accompanied by a written certification, signed by the person seeking to obtain health care information or by the person’s authorized representative, identifying at least one subsection of [section 20] under which compulsory process or discovery is being sought. The certification must also state, in the case of information sought under [section 20(1)(b), (1)(d), or (1)(e)] or in a civil proceeding under [section 20(1)(h)], that the requirements of
subsection (1) of this section for notice have been met. A person may sign the
certification only if the person reasonably believes that the subsection [section
20] identified in the certification provides an appropriate basis for the use of
compulsory process or discovery. Unless otherwise ordered by the court, the
health care provider shall maintain a copy of the process and the written
certification as a permanent part of the patient’s health care information.

(3) In response to service of compulsory process or discovery requests, when
authorized by law, a health care provider may deny access to the requested
health care information. If access to requested health care information is denied
by the health care provider, the health care provider shall submit to the court by
affidavit or other reasonable means an explanation of why the health care
provider believes that the information should be protected from disclosure.

(4) When access to health care information is denied, the court may order
disclosure of health care information, with or without restrictions as to its use,
as the court considers necessary. In deciding whether to order disclosure, the
court shall consider the explanation submitted by the health care provider and
any arguments presented by interested parties.

(5) A health care provider required to disclose health care information
pursuant to compulsory process may charge a reasonable fee, not to exceed the
fee provided for in [section 22], and may deny examination or copying of the
information until the fee is paid.

(6) Production of health care information under [section 20] and this section
does not in itself constitute a waiver of any privilege, objection, or defense
existing under other law or rule of evidence or procedure.

Section 22. Reasonable fees. Unless prohibited by federal law, a
reasonable fee for providing copies of health care information may not exceed 50
cents for each page for a paper copy or photocopy. A reasonable fee may include
an administrative fee that may not exceed $15 for searching and handling
recorded health care information.

Section 23. Civil remedies. (1) A person aggrieved by a violation of
[sections 15 through 24] may maintain an action for relief as provided in this
section.

(2) The court may order the health care provider or other person to comply
with [sections 15 through 24] and may order any other appropriate relief.

(3) A disciplinary or punitive action may not be taken against a health care
provider or the provider’s employee or agent who brings evidence of a violation of
[sections 15 through 24] to the attention of the patient or an appropriate
authority.

(4) If the court determines that there is a violation of [sections 15 through
24], the aggrieved person is entitled to recover damages for pecuniary losses
sustained as a result of the violation and, in addition, if the violation results
from willful or grossly negligent conduct, the aggrieved person may recover not
in excess of $5,000, exclusive of any pecuniary loss.

(5) If a plaintiff prevails, the court may assess reasonable attorney fees and
all other expenses reasonably incurred in the litigation.

(6) An action under [sections 15 through 24] is barred unless the action is
commenced within 3 years after the cause of action accrues.
(7) A health care provider who relies in good faith upon certification pursuant to [section 21] is considered to have received reasonable assurances and is not liable for disclosures made in reliance on that certification.

Section 24. Good faith. A person authorized to act as a health care representative for an individual with respect to the individual’s health care information shall act in good faith to represent the best interests of the individual.

Section 25. Codification instruction. (1) [Section 8] is intended to be codified as an integral part of Title 50, chapter 16, part 5, and the provisions of Title 50, chapter 16, part 5, apply to [section 8].

(2) [Sections 15 through 24] are intended to be codified as an integral part of Title 50, chapter 16, and the provisions of Title 50, chapter 16, apply to [sections 15 through 24].

Section 26. Effective date. [This act] is effective on passage and approval.

Approved April 18, 2003

Be it enacted by the Legislature of the State of Montana:

Section 1. Findings and purpose. The legislature finds that violations of 16-11-401 through 16-11-403 threaten the integrity of the tobacco master settlement agreement, the fiscal soundness of the state, and the public health. The legislature finds that enacting procedural enhancements will help prevent violations of 16-11-401 through 16-11-403 and will safeguard the master settlement agreement, the fiscal soundness of the state, and the public health.

Section 2. Definitions. As used in [sections 1 through 12], the following definitions apply:

(1) “Brand family” means all styles of cigarettes sold under the same trademark and differentiated from one another by means of additional modifiers or descriptors, including but not limited to “menthol”, “lights”, “kings”, and “100s”, and includes any use of a brand name (alone or in conjunction with any other word), trademark, logo, symbol, motto, selling message, recognizable pattern of colors, or any other indicia of product identification identical or similar to or identifiable with a previously known brand of cigarettes.

(1) Every tobacco product manufacturer whose cigarettes are sold in this state, whether directly or through a wholesaler, distributor, retailer, or similar intermediary or intermediaries, shall execute and deliver, on a form prescribed by the attorney general, a certification to the director of the department and the attorney general, no later than April 30 of each year, certifying under penalty of perjury that, as of the date of the certification, the tobacco product manufacturer either is a participating manufacturer or is in full compliance with 16-11-403.

(2) A participating manufacturer must include in its certification a list of its brand families.

(3) A nonparticipating manufacturer must include in its certification a list of all of its brand families, the number of units sold in the state during the preceding calendar year for each brand family, and a list of all of its brand families that have been sold in the state at any time during the current calendar year.
(b) The certification must indicate by an asterisk any brand family sold in the state during the preceding calendar year that is no longer being sold in the state as of the date of the certification.

(c) The certification must identify by name and address any other manufacturer of the brand families in the preceding or current calendar year.

(4) A tobacco product manufacturer must update its list of brand families 30 calendar days prior to any addition to or modification of its brand families by executing and delivering a supplemental certification to the attorney general and the director of the department.

(5) A nonparticipating manufacturer shall further certify:

(a) that the nonparticipating manufacturer is registered to do business in the state and has appointed an agent for service of process and has provided notice as required by [section 6];

(b) that the nonparticipating manufacturer has:

(i) established and continues to maintain a qualified escrow fund; and

(ii) executed a qualified escrow agreement that has been reviewed and approved by the attorney general and that governs the qualified escrow fund;

(c) that the nonparticipating manufacturer is in full compliance with 16-11-403 and this section and any rules adopted pursuant to 16-11-403 and this section;

(d) (i) the name, address, and telephone number of the financial institution where the nonparticipating manufacturer has established the qualified escrow fund required by 16-11-403 and all rules adopted pursuant to 16-11-403;

(ii) the account number of the qualified escrow fund and any subaccount number for the state of Montana;

(iii) the amount the nonparticipating manufacturer placed in the qualified escrow fund for cigarettes sold in the state during the preceding calendar year, the date and amount of each deposit, and any evidence or verification considered necessary by the attorney general to confirm the provisions of this subsection (5)(d)(iii); and

(iv) the amounts and dates of any withdrawal or transfer of funds that the nonparticipating manufacturer made at any time from the qualified escrow fund or from any other qualified escrow fund into which the nonparticipating manufacturer ever made escrow payments pursuant to 16-11-403 and all rules adopted pursuant to 16-11-403.

(6) A tobacco product manufacturer may not include a brand family in its certification unless:

(a) in the case of a participating manufacturer, the participating manufacturer affirms that the brand family is to be considered its cigarettes for purposes of calculating its payments under the master settlement agreement for the relevant year, in the volume and shares determined pursuant to the master settlement agreement; and

(b) in the case of a nonparticipating manufacturer, the nonparticipating manufacturer affirms that the brand family is to be considered to be its cigarettes for purposes of 16-11-403.

(7) [Sections 1 through 12] may not be construed to limit or otherwise affect the state’s right to maintain that a brand family constitutes cigarettes of a
different tobacco product manufacturer for purposes of calculating payment under the master settlement agreement or for purposes of 16-11-401 through 16-11-403.

(8) A tobacco product manufacturer shall maintain all invoices and documentation of sales and other similar information relied upon for its certifications for a period of 5 years unless otherwise required by law to maintain them for a longer period of time.

Section 4. Directory of cigarettes approved for stamping and sale.

(1) Not later than [90 days after the effective date of this section], the attorney general shall develop and publish on the attorney general’s website a directory listing all tobacco product manufacturers that have provided current and accurate certifications conforming to the requirements of [section 3] and all brand families that are listed in the certifications, except as otherwise provided in this section.

(2) The attorney general may not include or retain in the directory the name or brand families of any nonparticipating manufacturer that has failed to provide the required certification or whose certification the attorney general determines is not in compliance with [section 3], unless the attorney general has determined that the violation has been cured to the satisfaction of the attorney general.

(3) Neither a tobacco product manufacturer nor a brand family may be included or retained in the directory if the attorney general concludes, in the case of a nonparticipating manufacturer that:

(a) an escrow payment required pursuant to 16-11-403 for any period for any brand family, whether or not listed by the nonparticipating manufacturer, has not been fully paid into a qualified escrow fund governed by a qualified escrow agreement that has been approved by the attorney general; or

(b) an outstanding final judgment, including interest on the judgment, for a violation of 16-11-403 has not been fully satisfied for the brand family or the manufacturer.

(4) The attorney general shall update the directory as necessary in order to correct mistakes and to add or remove a tobacco product manufacturer or brand family to keep the directory in conformity with the requirements of [sections 1 through 12]. The attorney general shall post in the directory and transmit by electronic mail and certified mail, return receipt requested, to each wholesaler notice of the intended removal from the directory of a tobacco product manufacturer or brand family no less than 30 days prior to the removal. During that period, cigarettes of the tobacco product manufacturer or brand family subject to the notice are contraband under 16-11-147 and the affixing of tax insignia to or the sale or possession for sale of the cigarettes is unlawful as provided in [section 5], except that, notwithstanding the provisions of 16-11-147 and [section 5]:

(a) a wholesaler may affix tax insignia to, possess for sale, or sell at wholesale cigarettes of any tobacco product manufacturer or brand family subject to notice of removal under this subsection (4) if the cigarettes were shipped to the wholesaler on or before the date of issuance of the notice and if the total number of the cigarettes sold by the wholesaler following issuance of the notice of removal and prior to reinstatement of the tobacco product manufacturer or brand family in the directory does not exceed a number that is the average of the number of cigarettes of the tobacco product manufacturer or
brand family sold by the wholesaler during each of the 3 months preceding the issuance of the notice; and

(b) a licensed seller at retail may possess and sell cigarettes of a tobacco product manufacturer or brand family that the attorney general has removed from the directory or that is subject to notice of removal if the cigarettes were lawfully shipped to the retailer before the issuance of the notice of removal or after the issuance of notice of removal but before the attorney general removes the tobacco product manufacturer or brand family from the directory. A contract with a tobacco product manufacturer that has been removed from the directory that purports to require, contemplate, or provide for delivery of cigarettes or tobacco products in any applicable brand family after the date of removal from the directory is not valid or enforceable.

(5) Every wholesaler must provide and update as necessary an electronic mail address to the attorney general for the purpose of receiving any notifications required by [sections 1 through 12].

Section 5. Prohibition against stamping or sale of cigarettes not in directory. It is unlawful for any person to:

(1) affix a tax insignia to a package or other container of cigarettes of a tobacco product manufacturer or brand family not included in the directory; or

(2) sell, offer for sale, or possess for sale in this state cigarettes of a tobacco product manufacturer or brand family not included in the directory.

Section 6. Agent for service of process. (1) Any nonresident or foreign nonparticipating manufacturer that has not registered to do business in the state as a foreign corporation or business entity must, as a condition precedent to having its brand families included or retained in the directory, appoint and continually engage without interruption the services of an agent in this state to act as agent for the service of process on whom all process, and any action or proceeding against it concerning or arising out of the enforcement of [sections 1 through 12] and 16-11-403, may be served in any manner authorized by law. The service constitutes legal and valid service of process on the nonparticipating manufacturer. The nonparticipating manufacturer must provide the name, address, phone number, and proof of the appointment and availability of the agent to the satisfaction of the attorney general.

(2) The nonparticipating manufacturer must provide notice to the attorney general at least 30 calendar days prior to termination of the authority of an agent and must further provide proof to the satisfaction of the attorney general of the appointment of a new agent no less than 5 calendar days prior to the termination of an existing agent appointment. If an agent terminates an agency appointment, the nonparticipating manufacturer must notify the attorney general of the termination within 5 calendar days and include proof to the satisfaction of the attorney general of the appointment of a new agent.

Section 7. Reporting of information. (1) Not later than 20 calendar days after the end of each calendar quarter and more frequently if directed by the attorney general, each wholesaler shall submit information that the attorney general requires to facilitate compliance with this section by nonparticipating manufacturers, including but not limited to a list by brand family of the total number of nonparticipating manufacturer cigarettes or, in the case of nonparticipating manufacturer roll-your-own tobacco, the equivalent amount of tobacco, calculated as provided in 16-11-402(4), on which the wholesaler precollected tax as provided in 16-11-113 or 16-11-203 and that the wholesaler
sold during the period covered by the report. The wholesaler shall maintain and make available to the attorney general all invoices and documentation of sales of all nonparticipating manufacturer cigarettes and any other information relied upon in reporting to the attorney general for a period of 5 years.

(2) The department is authorized to disclose to the attorney general any information received by it and requested by the attorney general for purposes of determining compliance with and enforcing the provisions of [sections 1 through 12]. The department and attorney general shall share the information received under [sections 1 through 12] with each other and may share the information with other federal, state, or local agencies only for the purposes of enforcement of [sections 1 through 12], 16-11-403, or the corresponding laws of other states.

(3) The attorney general may require at any time from the nonparticipating manufacturer proof from the financial institution in which the manufacturer has established a qualified escrow fund for the purpose of compliance with 16-11-403 of:

(a) the amount of money in the fund, exclusive of interest;
(b) the amount and dates of each deposit to the fund; and
(c) the amount and dates of each withdrawal from the fund.

(4) In addition to the information required to be submitted pursuant to subsections (1) through (3), the attorney general may require a wholesaler or tobacco product manufacturer to submit any additional information, including but not limited to samples of the packaging or labeling of each brand family, to enable the attorney general to determine whether a tobacco product manufacturer or wholesaler is in compliance with [sections 1 through 12].

Section 8. Escrow installments. To promote compliance with the provisions of [sections 1 through 12], the attorney general may adopt rules requiring a tobacco product manufacturer to make the escrow deposits required in 16-11-403 in installments during the year in which the sales covered by the deposits are made. The attorney general may require production of information sufficient to enable the attorney general to determine the adequacy of the amount of the installment deposit.

Section 9. Penalties and other remedies. (1) In addition to any other civil or criminal remedy provided by law, upon a determination that a wholesaler has violated [section 5] or any rule adopted pursuant to that section, the license of the wholesaler may be revoked or suspended in the manner provided by 16-11-144, in a proceeding brought by the department or by the attorney general. For each violation of [section 5], a civil penalty in the amount of $250 for the first full or partial pack and $10 for each additional full or partial pack to which a tax insignia is affixed or that is sold, offered for sale, or possessed for sale in violation of [section 5] may be imposed. Each tax insignia affixed and each offer to sell cigarettes in violation of [section 5] constitutes a separate violation. The penalty may be imposed in the manner provided by 16-11-143(2) in a proceeding brought by the department or the attorney general.

(2) Any cigarettes that have been sold, offered for sale, or possessed for sale in this state in violation of [section 5] may be considered contraband under 16-11-147. The cigarettes are subject to seizure and forfeiture as provided in 16-11-147, and all cigarettes seized and forfeited must be destroyed and not resold.
The attorney general may seek an injunction to restrain a threatened or actual violation of [section 5 or 7(1) or (4)] by a wholesaler and to compel the wholesaler to comply with those sections.

In any action brought pursuant to [sections 1 through 12], the prevailing party is entitled to recover the costs of the action and reasonable attorney fees calculated as provided in [section 13]. If the state is the prevailing party, its recoverable costs must include the state’s costs of investigation of the violation.

(a) It is unlawful for a person to:

(i) sell or distribute cigarettes; or

(ii) acquire, hold, own, possess, transport, import, or cause to be imported cigarettes that the person knows or should know are intended for distribution or sale in the state in violation of [section 5].

(b) A violation of this section is a misdemeanor punishable as provided in 16-11-148.

If a court determines that a person has violated [sections 1 through 12], the court shall order any profits, gain, gross receipts, or other benefit from the violation to be paid to the state treasurer for deposit in the trust fund created by Article XII, section 4, of the Montana constitution.

Unless otherwise expressly provided, the remedies or penalties provided by [sections 1 through 12] are cumulative to each other and to the remedies or penalties available under all other laws of this state.

Section 10. Contested case and judicial review of attorney general determinations. A determination of the attorney general not to include or to remove from the directory a brand family or tobacco product manufacturer is subject to review by the attorney general or an employee of the department of justice designated by the attorney general to issue final decisions under [sections 1 through 12] in the manner prescribed by Title 2, chapter 4, part 6. The decision of the attorney general or designated employee constitutes the final agency decision, and judicial review may be sought from the final decision as provided in Title 2, chapter 4, part 7.

Section 11. Rules. The attorney general may adopt rules necessary to implement [sections 1 through 12].

Section 12. Construction. If a court of competent jurisdiction finds that the provisions of [sections 1 through 12] and of 16-11-401 through 16-11-403 conflict and cannot be harmonized, then the legislature intends the provisions of 16-11-401 through 16-11-403 to control. Except as specifically provided in [sections 1 through 12], the provisions of [sections 1 through 12] are not intended to and may not be interpreted to override the provisions of 16-11-401 through 16-11-403.

Section 13. Attorney fees and costs. (1) In an action under 16-11-403(2)(c), the court, upon a finding that a tobacco product manufacturer has failed to comply with its obligations under 16-11-403(1) or (2)(a), must award the attorney general the expenses incurred in investigating the claim, the costs of suit, and reasonable attorney fees. In cases in which outside counsel represents the attorney general, the attorney fees awarded must equal the outside counsel charges reasonably incurred by the attorney general for attorney fees and expenses in prosecuting the action. In all other cases, the attorney fees must be calculated by reference to the hourly rate charged by the agency legal services bureau for the provision of legal services to state agencies,
multiplied by the number of attorney hours devoted to the prosecution of the action, plus the actual cost of any expenses reasonably incurred in the prosecution of the action.

(2) Investigation expenses, attorney fees, and costs recovered under this section are allocated to the department of justice for deposit in the attorney general's major litigation account and may be used by the attorney general for any purpose for which funds appropriated to that account may be used. The funds are statutorily appropriated as provided in 17-7-502.

Section 14. Section 16-11-403, MCA, is amended to read:

“16-11-403. Requirements. Any tobacco product manufacturer selling cigarettes to consumers within the State (whether directly or through a distributor, retailer or similar intermediary or intermediaries) after the date of enactment of this Act shall do one of the following:

Funds shall be released from escrow under this subparagraph (A) in the order in which they were placed into escrow and (B) only to the extent and at the time necessary to make payments required under such judgment of settlement;

(ii) to the extent that a tobacco product manufacturer establishes that the amount it was required to place into escrow on account of units sold in the state in a particular year was greater than the State's allocable share of the total Master Settlement Agreement payments, as determined pursuant to section IX(i)(2) of the Master Settlement Agreement, and before any of the adjustments or offsets described in section IX(i)(3) of that Agreement other than the Inflation Adjustment. Funds shall be released from escrow and revert back to such tobacco product manufacturer; or
(iii) to the extent not released from escrow under subparagraphs (i) or (ii), funds shall be released from escrow and revert back to such tobacco product manufacturer twenty-five years after the date on which they were placed into escrow.

(i) be required within 15 days to place such funds into escrow as shall bring it into compliance with this section. The court, upon a finding of a violation of this subsection, may impose a civil penalty to be paid to the general fund of the state in an amount not to exceed 5 percent of the amount improperly withheld from escrow per day of the violation and in a total amount not to exceed 100 percent of the original amount improperly withheld from escrow;

(ii) in the case of a knowing violation, be required within 15 days to place such funds into escrow as shall bring it into compliance with this section. (iii) in the case of a second knowing violation, be prohibited from selling cigarettes to consumers within the State (whether directly or through a distributor, retailer or similar intermediary) for a period not to exceed 2 years. Each failure to make an annual deposit required under this section shall constitute a separate violation.”

Section 15. Section 17-7-502, MCA, is amended to read:

(b) The law or portion of the law making a statutory appropriation must specifically state that a statutory appropriation is made as provided in this section.

(4) There is a statutory appropriation to pay the principal, interest, premiums, and costs of issuing, paying, and securing all bonds, notes, or other obligations, as due, that have been authorized and issued pursuant to the laws of Montana. Agencies that have entered into agreements authorized by the laws of Montana to pay the state treasurer, for deposit in accordance with 17-2-101 through 17-2-107, as determined by the state treasurer, an amount sufficient to pay the principal and interest as due on the bonds or notes have statutory appropriation authority for the payments. (In subsection (3): pursuant to Ch. 422, L. 1997, the inclusion of 15-1-111 terminates on July 1, 2008, which is the date that section is repealed; pursuant to sec. 10, Ch. 360, L. 1999, the inclusion of 19-20-604 terminates when the amortization period for the teachers’ retirement system’s unfunded liability is 10 years or less; pursuant to sec. 4, Ch. 497, L. 1999, the inclusion of 15-38-202 terminates July 1, 2014; pursuant to sec. 10(2), Ch. 10, Sp. Section 16. Contingent voidness. If any provision of [this act] causes 16-11-401 through 16-11-403 to no longer constitute a qualifying statute, as defined in section IX(d)(2)(E) of the master settlement agreement, then that provision of [this act] is void.

Section 17. Severability. (1) Except as provided in subsection (2), if a part of [this act] is invalid, all valid parts that are severable from the invalid part remain in effect. Section 19. Codification instruction. (1) [Sections 1 through 12] are intended to be codified as an integral part of Title 16, chapter 11, and the provisions of Title 16, chapter 11, apply to [sections 1 through 12].

(2) [Section 13] is intended to be codified as an integral part of Title 16, chapter 11, part 4, and the provisions of Title 16, chapter 11, part 4, apply to [section 13].

Section 20. Effective date. [This act] is effective on passage and approval.

and the parent or guardian or a court order that includes action that must be
taken to resolve the condition or conduct of the parent or guardian that resulted
in the need for protective services for the child. The treatment plan may involve
court services, the department, and other parties, if necessary, for protective
services.

(25) “Unfounded” means that after an investigation, the investigating
person has determined that the reported abuse, neglect, or exploitation has not
occurred.

(26) (a) “Withholding of medically indicated treatment” means the failure to
respond to an infant’s life-threatening conditions by providing treatment,
including appropriate nutrition, hydration, and medication, that, in the
treating physician's or physicians' reasonable medical judgment, will be most
likely to be effective in ameliorating or correcting the conditions.

(b) The term does not include the failure to provide treatment, other than
appropriate nutrition, hydration, or medication, to an infant when, in the
treating physician's or physicians’ reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of treatment would:

(A) merely prolong dying;

(B) not be effective in ameliorating or correcting all of the infant's
life-threatening conditions; or

(C) otherwise be futile in terms of the survival of the infant; or

(iii) the provision of treatment would be virtually futile in terms of the
survival of the infant and the treatment itself under the circumstances would be
inhumane. For purposes of this subsection (26), “infant” means an infant less
than 1 year of age or an infant 1 year of age or older who has been continuously
hospitalized since birth, who was born extremely prematurely, or who has a
long-term disability. The reference to less than 1 year of age may not be
construed to imply that treatment should be changed or discontinued when an
infant reaches 1 year of age or to affect or limit any existing protections available
under state laws regarding medical neglect of children 1 year of age or older.

(27) “Youth in need of care” means a youth who has been adjudicated or
determined, after a hearing, to be or to have been abused, neglected, or
abandoned.”

Section 2. Section 41-3-301, MCA, is amended to read:

“41-3-301. Emergency protective service. (1) Any child protective social
worker of the department, a peace officer, or the county attorney who has reason
to believe any youth is in immediate or apparent danger of harm may
immediately remove the youth and place the youth in a protective facility. The
department may make a request for further assistance from the law
enforcement agency or take appropriate legal action. The person or agency
placing the child shall notify the parents, parent, guardian, or other person
having legal custody of the youth at the time the placement is made or as soon
after placement as possible. Notification under this subsection must include the
reason for removal, information regarding the show cause hearing, and the
purpose of the show cause hearing.
If a social worker of the department, a peace officer, or the county attorney determines in an investigation of abuse or neglect of a child that the child is in danger because of the occurrence of partner or family member assault, as provided for in 45-5-206, against an adult member of the household or that the child needs protection as a result of the occurrence of partner or family member assault against an adult member of the household, the department shall take appropriate steps for the protection of the child, which may include:

(a) making reasonable efforts to protect the child and prevent the removal of the child from the parent or guardian who is a victim of alleged partner or family member assault;

(b) making reasonable efforts to remove the person who allegedly committed the partner or family member assault from the child’s residence if it is determined that the child or another family or household member is in danger of partner or family member assault; and

(c) providing services to help protect the child from being placed with or having unsupervised visitation with the person alleged to have committed partner or family member assault until the department determines that the alleged offender has met conditions considered necessary to protect the safety of the child.

If the department determines that an adult member of the household is the victim of partner or family member assault, the department shall provide the adult victim with a referral to a domestic violence program.

A child who has been removed from the child’s home or any other place for the child’s protection or care may not be placed in a jail.

An abuse and neglect petition must be filed within 2 working days, excluding weekends and holidays, of emergency placement of a child unless arrangements acceptable to the agency for the care of the child have been made by the parents. A show cause hearing must be held within 10 days, excluding weekends and holidays, of the filing of the initial petition unless otherwise stipulated by the parties pursuant to 41-3-434.

The department shall make the necessary arrangements for the child’s well-being as are required prior to the court hearing.”

Section 3. Effective dates. (1) [Section 1 and this section] are effective on passage and approval.

(2) [Section 2] is effective October 1, 2003.

WHEREAS, the State Administration and Veterans’ Affairs Interim Committee (SAIC) closely examined property tax, vehicle registration, and special license plate benefits available to veterans or their surviving spouses; and

WHEREAS, the SAIC finds that state statutory language providing disabled veterans with certain benefits based on a 100% disability rating from the U.S. Department of Veterans Affairs needs to be updated to account for veterans with less than a 100% disability rating but entitled to receive compensation at the 100% disability rate; and

WHEREAS, veterans and surviving spouses have requested closer parity between the vehicle registration and special license plate benefits available to various classes of veterans and inclusion of the surviving spouses of veterans killed while on active duty or who died as a result of a service-connected disability; and

WHEREAS, statutory provisions related to vehicle registration and special license plate fees should be simplified to the extent possible to streamline administration and address various other disparities.

Be it enacted by the Legislature of the State of Montana:

However, the member shall surrender the plates to the department upon becoming ineligible.

(3) (a) Upon application, after presenting proper identification and a department of defense form 214 (DD-214) or its successor or documents showing an other-than-dishonorable discharge or a reenlistment verifying the applicant's eligibility and paying the veterans' cemetery fee specified in [section 2] and all applicable vehicle registration fees under this chapter, subject to the provisions of [section 3], an eligible veteran must be issued any set and more than one set of the special license plates provided for in this subsection (3) that the member requests and is eligible to receive.

(b) A veteran may be issued special license plates displaying the letters “DV”, which entitles the veteran to the parking privileges allowed to a person with a special parking permit issued under Title 49, chapter 4, part 3, if the veteran:

(i) has been awarded the purple heart and has been rated by the U.S. department of veterans affairs as 50% or more disabled because of a service-connected injury; or

(ii) is currently rated 100% disabled or is paid at the 100% disabled rate by the U.S. department of veterans affairs for a service-connected disability.

(c) A veteran who has been awarded the purple heart may be issued special license plates with the purple heart decal displaying the words “combat wounded”.

(d) A veteran who was captured and held prisoner by the military force of a foreign nation may be issued special license plates with a design or decal displaying the words “ex-prisoner of war” or an abbreviation that the department considers appropriate.

(e) If the veteran was a member of the United States armed forces on December 7, 1941, and during the hours of 7:55 a.m. to 9:45 a.m. (Hawaii time) was on station at Pearl Harbor on the island of Oahu or was offshore from Pearl Harbor at a distance of not more than 3 miles, the veteran may be issued special license plates designed to show that the veteran is a survivor of the Pearl Harbor attack.

Upon request, after paying the veterans’ cemetery fee provided in [section 2] and all applicable vehicle registration fees under this chapter, subject to the provisions of [section 3], the surviving spouse of an eligible veteran, if the spouse has not remarried, may retain the special license plates issued to the deceased veteran, except the special “DV” plates provided for under subsection (3)(b).

(5) For purposes of this section, “veteran” has the meaning provided in 10-2-101.

Section 2. Veterans’ cemetery fee for special veteran license plates — disposition.
(1) Except as provided in [section 3], an applicant for special veteran license plates provided for under [section 1(3)] must pay $10 for each set issued, renewed, or transferred, in addition to any other taxes or fees applicable under this chapter.

Section 3. Vehicle registration fee and veterans’ cemetery fee waivers.
(1) Except as otherwise provided in this section, a person eligible under subsection (2) is exempt from the veterans’ cemetery fee provided in [section 2] for one set of special veteran license plates and all vehicle registration fees imposed by this chapter for one vehicle that is not used for commercial purposes.

(2) The following persons are eligible for the waiver provided in subsection (1):

(a) a veteran who was a prisoner of war who presents official documentation from the U.S. department of defense verifying the veteran’s status, or the veteran’s surviving spouse, if the spouse has not remarried;

(c) a veteran determined by the U.S. department of veterans affairs to be 50% or more disabled because of a service-connected injury and who has been awarded the purple heart, as verified by official documentation from the U.S. department of veterans affairs and the veteran’s military service record issued by the U.S. department of defense, or the veteran’s surviving spouse, if the spouse has not remarried, except that the veteran or the surviving spouse must pay the veterans’ cemetery fee as provided for in [section 2];

Section 4. Section 15-1-121, MCA, is amended to read:
“15-1-121. Entitlement share payment — appropriation. (1) The amount calculated pursuant to this subsection is each local government’s base entitlement share. The department shall estimate the total amount of revenue that each local government received from the following sources for the fiscal year ending June 30, 2001:

(o) state aeronautics fees pursuant to 67-3-101; and
(p) department of natural resources and conservation payments in lieu of
taxes pursuant to Title 77, chapter 1, part 5.

(2) (a) From the amounts estimated in subsection (1) for each county
government, the department shall deduct fiscal year 2001 county government
expenditures for district courts, less reimbursements for district court expenses,
and fiscal year 2001 county government expenditures for public welfare
programs to be assumed by the state in fiscal year 2002.

(b) The amount estimated pursuant to subsections (1) and (2)(a) is each local
government’s base year component. The sum of all local governments’ base year
components is the base year entitlement share pool. For the purpose of
calculating the sum of all local governments’ base year components, the base
year component for a local government may not be less than zero.

(3) (a) Beginning with fiscal year 2002 and in each succeeding fiscal year, the
base year entitlement share pool must be increased annually by a growth rate as
provided for in this subsection (3). The amount determined through the
application of annual growth rates is the entitlement share pool for each fiscal
year. For fiscal year 2002, the growth rate is 3%. For fiscal year 2003, the growth
rate is 3% for incorporated cities and towns, 1.61% for counties, and 2.3% for
consolidated local governments. Beginning with calendar year 2004, by October
1 of each even-numbered year, the department shall calculate the growth rate of
the entitlement share pool for each year of the next biennium in the following
manner:

(i) Before applying the growth rate for fiscal year 2004 to determine the
fiscal year 2004 entitlement share pool, the department shall add to the fiscal
year 2003 entitlement share pool the fiscal year 2003 amount of revenue
actually distributed to the county from the 25-cent marriage license fee in
50-15-301 and the probation and parole fee in 46-23-1031(2)(b).

(ii) The department shall calculate the average annual growth rate of the
Montana gross state product, as published by the bureau of economic analysis of
the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published;
and

(B) the 4 calendar years beginning with the year before the first year in the
period referred to in subsection (3)(a)(ii)(A).

(iii) The department shall calculate the average annual growth rate of
Montana personal income, as published by the bureau of economic analysis of
the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published;
and

(B) the 4 calendar years beginning with the year before the first year in the
period referred to in subsection (3)(a)(iii)(A).

(b) (i) For fiscal year 2004 and subsequent fiscal years, the entitlement share
pool growth rate for the first year of the biennium must be the following
percentage of the average of the growth rates calculated in subsections
(3)(a)(ii)(B) and (3)(a)(iii)(B):

(A) for counties, 54%;
(B) for consolidated local governments, 62%; and
(C) for incorporated cities and towns, 70%.

(ii) The entitlement share pool growth rate for the second year of the biennium must be the following percentage of the average of the growth rates calculated in subsections (3)(a)(ii)(A) and (3)(a)(iii)(A):

(A) for counties, 54%;
(B) for consolidated local governments, 62%; and
(C) for incorporated cities and towns, 70%.

(4) As used in this section, “local government” means a county, a consolidated local government, an incorporated city, and an incorporated town. A local government does not include a tax increment financing district provided for in subsection (6). For purposes of calculating the base year component for a county or consolidated local government, the department shall include the revenue listed in subsection (1) for all special districts within the county or consolidated local government. The county or consolidated local government is responsible for making an allocation from the county's or consolidated local government’s share of the entitlement share pool to each special district within the county or consolidated local government in a manner that reasonably reflects each special district’s loss of revenue sources listed in subsection (1).

(5) (a) The entitlement share pools calculated in this section and the block grants provided for in subsection (6) are statutorily appropriated, as provided in 17-7-502, from the general fund to the department for distribution to local governments. Each local government is entitled to a pro rata share of each year’s entitlement share pool based on the local government’s base component in relation to the base year entitlement share pool. The distributions must be made on a quarterly basis beginning September 15, 2001.

(b) (i) For fiscal year 2002, the growth amount is the difference between the fiscal year 2002 entitlement share pool and the base year entitlement share pool. For fiscal year 2002, a county may have a negative base year component. For fiscal year 2003 and each succeeding fiscal year, the growth amount is the difference between the entitlement share pool in the current fiscal year and the entitlement share pool in the previous fiscal year. For the purposes of subsection (5)(b)(ii)(A), a county with a negative base year component has a base year component of zero. The growth factor in the entitlement share must be calculated separately for:

(A) counties;
(B) consolidated local governments; and
(C) incorporated cities and towns.

(ii) In each fiscal year, the growth amount for counties must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each county’s percentage of the base year entitlement share pool for all counties; and
(B) 50% of the growth amount must be allocated based upon the percentage that each county’s population bears to the state population not residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iii) In each fiscal year, the growth amount for consolidated local governments must be allocated as follows:
(A) 50% of the growth amount must be allocated based upon each consolidated local government’s percentage of the base year entitlement share pool for all consolidated local governments; and

(B) 50% of the growth amount must be allocated based upon the percentage that each consolidated local government’s population bears to the state’s total population residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iv) In each fiscal year, the growth amount for incorporated cities and towns must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each incorporated city’s or town’s percentage of the base year entitlement share pool for all incorporated cities and towns; and

(B) 50% of the growth amount must be allocated based upon the percentage that each city’s or town’s population bears to the state’s total population residing within incorporated cities and towns as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(v) In each fiscal year, the amount of the entitlement share pool not represented by the growth amount is distributed to each local government in the same manner as the entitlement share pool was distributed in the prior fiscal year.

(vi) For fiscal year 2002, an amount equal to the district court costs identified in subsection (2) must be added to each county government’s distribution from the entitlement share pool.

(vii) For fiscal year 2002, an amount equal to the district court fees identified in subsection (1)(d) must be subtracted from each county government’s distribution from the entitlement share pool.

(6) (a) If a tax increment financing district was not in existence during the fiscal year ending June 30, 2000, then the tax increment financing district is not entitled to any block grant. If a tax increment financing district referred to in subsection (6)(b) terminates, then the block grant provided for in subsection (6)(b) terminates.

(b) One-half of the payments provided for in this subsection (6)(b) must be made by November 30 and the other half by May 31 of each year. Subject to subsection (6)(a), the entitlement share for tax increment financing districts is as follows:

(c) The entitlement share for industrial tax increment financing districts is as follows:

(i) for fiscal years 2002 and 2003:
   Missoula County Airport Industrial  $4,812
   Silver Bow Ramsay Industrial  597,594;

(ii) for fiscal years 2004 and 2005:
   Missoula County Airport Industrial  2,406
   Silver Bow Ramsay Industrial  298,797; and

(iii) $0 for all succeeding fiscal years.

(d) The entitlement share for industrial tax increment financing districts referred to in subsection (6)(c) may not be used to pay debt service on tax increment bonds to the extent that the bonds are secured by a guaranty, a letter of credit, or a similar arrangement provided by or on behalf of an owner of property within the tax increment financing industrial district.

(e) One-half of the payments provided for in subsection (6)(c) must be made by July 30, and the other half must be made in December of each year.

(7) The estimated base year entitlement share pool and any subsequent entitlement share pool for local governments do not include revenue received from countywide transportation block grants or from countywide retirement block grants.

(8) The estimates for the base year entitlement share pool in subsection (1) must be calculated as if the fees in Chapter 515, Laws of 1999, were in effect for all of fiscal year 2001.

(9) (a) If revenue that is included in the sources listed in subsections (1)(b) through (1)(p) is significantly reduced, except through legislative action, the department shall deduct the amount of revenue loss from the entitlement share pool beginning in the succeeding fiscal year and the department shall work with local governments to propose legislation to adjust the entitlement share pool to reflect an allocation of the loss of revenue.

(b) For the purposes of subsection (9)(a), a significant reduction is a loss that causes the amount of revenue received in the current year to be less than 95% of the amount of revenue received in the base year.

(10) A three-fifths vote of each house is required to reduce the amount of the entitlement share calculated pursuant to subsections (1) through (3).

(11) When there has been an underpayment of a local government’s share of the entitlement share pool, the department shall distribute the difference between the underpayment and the correct amount of the entitlement share. When there has been an overpayment of a local government’s entitlement share, the local government shall remit the overpaid amount to the department.

(12) A local government may appeal the department’s estimation of the base year component, the entitlement share pool growth rate, or a local government’s allocation of the entitlement share pool, according to the uniform dispute review procedure in 15-1-211."

Section 5. Section 15-1-122, MCA, is amended to read:
15-1-122. Fund transfers. (1) There is transferred from the state general fund to the adoption services account, provided for in 42-2-105, $36,764 for fiscal year 2003. Beginning with fiscal year 2004, the amount of the transfer must be increased by 10% in each succeeding fiscal year.

(2) There is transferred from the state general fund to the department of transportation state special revenue nonrestricted account the following amounts:

(a) $75,000 in fiscal year 2003;
(b) $2,960,715 in fiscal year 2004; and
(c) in each succeeding fiscal year, the amount in subsection (2)(b), increased by 1.5% in each succeeding fiscal year.

(3) For fiscal year 2002 and for each succeeding fiscal year, there is transferred from the state general fund to the accounts, entities, or recipients indicated the following amounts:

(a) to the motor vehicle recycling and disposal program provided for in Title 75, chapter 10, part 5:

(i) $2 for each new application for a motor vehicle title and for each transfer of a motor vehicle title for which a fee is paid pursuant to 61-3-203; and

(ii) $1 for each passenger car or truck under 8,001 pounds GVW registered for licensing pursuant to Title 61, chapter 3, part 3. Fifteen cents of each dollar must be used for the purpose of reimbursing the hired removal of abandoned vehicles during the calendar year following the calendar year in which the fee was paid. Any portion of the 15 cents not used for abandoned vehicle removal reimbursement during the calendar year following its payment must be used as provided in 75-10-532;

(b) to the noxious weed state special revenue account provided for in 80-7-816:

(i) $1 for each off-highway vehicle subject to payment of the fee in lieu of tax, as provided for in 23-2-803; and

(3) (a) Except as provided in 61-3-479 and subsections (4)(c) and (4)(d) of this section, all number plates for motor vehicles must be issued for a maximum period of 4 years, bear a distinctive marking, and be furnished by the department. In years when number plates are not issued, the department shall provide nonremovable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(b) For motorcycles, quadricycles, and light vehicles that are permanently registered as provided in 61-3-527 or 61-3-315 and 61-3-562, the department shall provide distinctive nonremovable stickers indicating that the vehicle is permanently registered. The stickers must be affixed to the license plates in use.

(4) (a) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section, and it shall manufacture the newly designed number plates for issuance after December 31, 1999, to replace at renewal, as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date.

(b) Beginning January 1, 2000, the department shall manufacture and issue new number plates every 4 years.

(c) A light vehicle that is registered for a 24-month period, as provided in 61-3-315 and 61-3-560, may display the number plate and plate design in effect at the time of registration for the entire 24-month registration period.

(d) A motorcycle, quadricycle, or light vehicle that is permanently registered, as provided in 61-3-527 or 61-3-315 and 61-3-562, may display the number plate and plate design in effect at the time of registration for the entire period that the vehicle is permanently registered.

(5) In the case of passenger vehicles and trucks, plates must be of metal 6 inches wide and 12 inches in length. Except for generic specialty license plates, the outline of the state of Montana must be used as a distinctive border on the license plates, and the word “Montana” must be placed on each plate. Registration plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(6) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as “A 1” or “AA 1”, or any other similar combination of letters and numbers. Except for special license plates, collegiate
license plates, and generic specialty license plates, the distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of the numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(7) For the use of exempt motor vehicles and motor vehicles that are exempt from the registration fee as provided in 61-3-560(2)(a), in addition to the markings provided in this section, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words "State Owned", and a year number may not be indicated on the plates because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, and special districts, as defined in 18-8-202, organized under the laws of Montana and not operating for profit, and that are used and operated by officials and employees in the line of duty and for vehicles on loan from the United States government or the state of Montana, or owned by the civil air patrol and used and operated by officials and employees in the line of duty, there must be placed on the number plates assigned, in a position that the department may designate, the letter "X" or the word "EXEMPT". Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and special districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(8) Number plates issued to a passenger vehicle, truck, trailer, motorcycle, or quadricycle may be transferred only to a replacement passenger vehicle, truck, trailer, motorcycle, or quadricycle. A registration or license fee may not be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

Any new counties must be assigned numbers by the department as they may be formed, beginning with the number 57.

(10) Each type of special license plate approved by the legislature, except collegiate license plates authorized in 61-3-463 and generic specialty license plates authorized in 61-3-472 through 61-3-481, must be a separate series of
plates, numbered as provided in subsection (6), except that the county number must be replaced by a nonremovable design or decal designating the group or organization to which the applicant belongs. Unless otherwise specifically stated in this section, the special plates are subject to the same rules and laws as govern the issuance of regular license plates, must be placed or mounted on a vehicle owned by the person who is eligible to receive them, and must be removed upon sale or other disposition of the vehicle. The special license plates must be issued to national guard members, former prisoners of war, persons with disabilities, reservists, disabled veterans, survivors of the Pearl Harbor attack, veterans of the armed services, national guard veterans, legion of valor members, or veterans of the armed services who were awarded the purple heart medal, who comply with the following provisions:

The additional fee must be distributed in accordance with the provisions of subsection (12).

(b) An active member of the reserve armed forces of the United States of America who is a resident of this state may be issued special license plates with a design or decal displaying the following: United States army reserve, AR (symbol); United States naval reserve, NR (anchor); United States air force reserve, AFR (symbol); and United States marine corps reserve, MCR (globe and anchor). The commanding officer of each armed forces reserve unit shall issue to each eligible member of the reserve unit a certificate authorizing the issuance of special license plates, numbered in sets of two with a different number on each set. The member shall surrender the plates to the department upon becoming ineligible to use them.

(c) (i) Subject to the limitation in 61-3-453, a resident of Montana who is a veteran of the armed forces of the United States and who has been awarded the purple heart and is 50% or more disabled because of an injury that has been determined by the department of veterans affairs to be service connected or who is 100% disabled because of an injury that has been determined by the department of veterans affairs to be service connected may, upon presentation to the department of documentation required in subsection (10)(f)(i) and proof of the required disability, be issued:

(i) dealers of recreational vehicles, bearing the letters “RV” or the letter “R” and the word “DEALER”.

(3) (a) Except as provided in subsections (4)(c) and (4)(d), all number plates for motor vehicles must be issued for a maximum period of 4 years, bear a distinctive marking, and be furnished by the state. In years when number plates are not issued, the department shall provide nonremovable stickers bearing appropriate registration numbers that must be affixed to the license plates in use.

(b) For motorcycles, quads, and light vehicles that are permanently registered as provided in 61-3-527 or 61-3-315 and 61-3-562, the department shall provide distinctive nonremovable stickers indicating that the vehicle is permanently registered. The stickers must be affixed to the license plates in use.

(4) (a) Subject to the provisions of this section, the department shall create a new design for number plates as provided in this section, and it shall manufacture the newly designed number plates for issuance after December 31, 1999, to replace at renewal, as required in 61-3-312 and 61-3-314, number plates that were displayed on motor vehicles before that date.

(b) Beginning January 1, 2000, the department shall manufacture and issue new number plates every 4 years.

(c) A light vehicle that is registered for a 24-month period, as provided in 61-3-315 and 61-3-560, may display the number plate and plate design in effect at the time of registration for the entire 24-month registration period.
(d) A motorcycle, quadricycle, or light vehicle that is permanently registered, as provided in 61-3-315 and 61-3-562, may display the number plate and plate design in effect at the time of registration for the entire period that the vehicle is permanently registered.

(5) In the case of passenger vehicles and trucks, plates must be of metal 6 inches wide and 12 inches in length. The outline of the state of Montana must be used as a distinctive border on the license plates, and the word “Montana” and the year must be placed across the plates. Registration plates must be treated with a reflectorized background material according to specifications prescribed by the department.

(6) The distinctive registration numbers must begin with a number one or with a letter-number combination, such as “A 1” or “AA 1”, or any other similar combination of letters and numbers. The distinctive registration number or letter-number combination assigned to the vehicle must appear on the plate preceded by the number of the county and appearing in horizontal order on the same horizontal baseline. The county number must be separated from the distinctive registration number by a separation mark unless a letter-number combination is used. The dimensions of the numerals and letters must be determined by the department, and all county and registration numbers must be of equal height.

(7) For the use of exempt motor vehicles and motor vehicles that are exempt from the registration fee as provided in 61-3-560(2)(a), in addition to the markings provided in this section, number plates must bear the following distinctive markings:

(a) For vehicles owned by the state, the department may designate the prefix number for the various state departments. All numbered plates issued to state departments must bear the words “State Owned”, and a year number may not be indicated on the plates because these numbered plates are of a permanent nature and will be replaced by the department only when the physical condition of numbered plates requires it.

(b) For vehicles that are owned by the counties, municipalities, and special districts, as defined in 18-8-202, organized under the laws of Montana and not operating for profit, and that are used and operated by officials and employees in the line of duty and for vehicles on loan from the United States government or the state of Montana to, or owned by, the civil air patrol and used and operated by officials and employees in the line of duty, there must be placed on the number plates assigned, in a position that the department may designate, the letter “X” or the word “EXEMPT”. Distinctive registration numbers for plates assigned to motor vehicles of each of the counties in the state and those of the municipalities and special districts that obtain plates within each county must begin with number one and be numbered consecutively. Because these number plates are of a permanent nature, they are subject to replacement by the department only when the physical condition of the number plates requires it and a year number may not be displayed on the number plates.

(8) Number plates issued to a passenger vehicle, truck, trailer, motorcycle, or quadricycle may be transferred only to a replacement passenger vehicle, truck, trailer, motorcycle, or quadricycle. A registration or license fee may not be assessed upon a transfer of a number plate under 61-3-317 and 61-3-335.

Any new counties must be assigned numbers by the department as they may be formed, beginning with the number 57.

(10) Each type of special license plate approved by the legislature, except collegiate license plates authorized in 61-3-463, must be a separate series of plates, numbered as provided in subsection (6), except that the county number must be replaced by a nonremovable design or decal designating the group or organization to which the applicant belongs. Unless otherwise specifically stated in this section, the special plates are subject to the same rules and laws as govern the issuance of regular license plates, must be placed or mounted on a vehicle owned by the person who is eligible to receive them, and must be removed upon sale or other disposition of the vehicle. The special license plates must be issued to national guard members, former prisoners of war, persons with disabilities, reservists, disabled veterans, survivors of the Pearl Harbor attack, veterans of the armed services, national guard veterans, legion of valor members, or veterans of the armed services who were awarded the purple heart medal, who comply with the following provisions:

CHAPTER NO. 404

[SB 137]

AN ACT GENERALLY REVISING THE METHOD OF LEASING STATE TRUST LAND; AUTHORIZING THE LEASING OF STATE TRUST LAND FOR COMMERCIAL PURPOSES; ESTABLISHING PROCEDURES FOR COMMERCIAL LEASES; AUTHORIZING THE BOARD OF LAND COMMISSIONERS TO ADOPT RULES; REVISING CONSIDERATION FOR EASEMENTS; AMENDING SECTIONS 77-1-204, 77-2-106, 77-6-109, AND 77-6-503, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Declaration of policy and purpose. (1) Pursuant to Article X of the Montana constitution, the legislature declares that it is the policy of the state that state trust land is to be treated as a sacred trust and is subject to fiduciary principles in its management. It is the intent of the legislature that
state trust land be managed in the best financial interest of current and future individual beneficiaries for whom this land is managed and held.

(2) A purpose of this chapter is to implement Article X of the Montana constitution. To fulfill its commitment to the management of state trust land in the best long-term financial interests of the beneficiaries, the Montana legislature finds that the state can prudently maximize the long-term revenue accruing to the beneficiaries by issuing commercial leases on land where the chief value exists in its use for commercial purposes.

Section 2. Definitions. As used in [sections 1 through 12], unless the context requires otherwise, the following definitions apply:

(1) “Cancellation” means the cessation of a lessee’s possessory rights and privileges under a lease due to the lessee’s breach of some term of the lease, applicable statutes, or applicable administrative rules.

(2) “Commercial lease” means a contract to use state trust land for a commercial purpose.

(3) (a) “Commercial purpose” means an industrial enterprise, retail sales outlet, business and professional office building, warehouse, motel, hotel, hospitality enterprise, commercial or concentrated recreational use, multifamily residential development, and other similar business.

(b) The term does not include the following uses:

(i) agriculture;

(ii) grazing;

(iii) exploration or development of oil and gas, mineral, and geothermal resources;

(iv) single-family residences, home sites, and cabin sites; and

(v) utility rights-of-way.

(4) “Termination” means the automatic completion or ending of the term of a contract according to its provisions. Upon termination, the lessee ceases to have any possessory rights or privileges under a lease.

Section 3. Authority of board to determine development. The board shall determine how the development of state trust land for commercial purposes is to proceed before any state trust land is offered for lease. In making this determination, the board may consider the following factors:

(1) the purpose of any development or development plan;

(2) the allocation and location of specific uses of the land, including residential, commercial, industrial, recreational, or other appropriate uses;

(3) the densities and intensities of designated land uses;

(4) the timing and rate of development; and

(5) the timely delivery of adequate facilities and services, including water, wastewater collection and treatment systems, parks and public recreational facilities, drainage facilities, school sites, roads, and transportation facilities.

Section 4. Commercial leasing authorized. (1) State trust land may be leased for a term not to exceed 99 years for commercial purposes to the highest and best bidder responding to a department request for proposals for commercial uses of a specified tract.
(2) The board may enter into contracts with lessees of state trust land for commercial purposes upon terms and conditions that the board may reasonably determine to be in the best interests of the beneficiary.

(3) A request for proposals for the commercial leasing of state trust land must reserve the board’s right to reject any and all bids and the right to reoffer the tract for lease if the bids received are not acceptable to the board.

Section 5. Rental provisions for commercial leasing — payments and credits — administration — lease options.

(1) The first year’s annual rental payment for state trust land leased for commercial purposes must be paid by cashier’s check, and payment is due upon execution of the lease. The department may require the lessee of state trust land for commercial purposes to pay the department’s cost of the request for proposals process, including publication and other reasonable expenses. Failure to pay the first year’s rental at the time of lease execution must result in the cancellation of the lease and forfeiture of all money paid. In the event of cancellation or in the event that the successful proposer is offered and does not accept the lease, the board may enter into negotiations with other persons who submitted a proposal for commercial purposes in response to the department request for proposals on that tract.

(2) The board shall specify in any commercial lease an annual rental equal to the full market rental value of the land. The annual rent may not be less than the product of the appraised value of the land multiplied by a rate that is 2 percentage points a year less than the rate of return of the unified investment program administered by the board of investments pursuant to 17-6-201. The rate of return from the unified investment program used in this subsection must be determined no less than 30 days prior to the execution of the competitive bid. A commercial lease may include a rental adjustment formula established by the board that periodically adjusts the annual rent provided for in the lease at frequencies specified in the lease. The board may allow a credit against the annual rent due for payments made by the lessee on behalf of the state of Montana for construction of structures and improvements, special improvement district assessments, annexation fees, or other city or county fees attributable to the state’s property interest in land leased for commercial purposes. The board may accept as lawful consideration in-kind payments of services or materials equal to the full market value of the rent calculated to be owed on any commercial lease. A lease issued under [sections 1 through 12] may include an amortization schedule to be used to determine the value to the lessee of improvements when the lease is terminated.

(3) The department may use up to 10% of the annual rent received from a commercial lease to contract with realtors, property managers, surveyors, legal counsel, or lease administrators to administer the commercial lease, either singly or in common with other leases, or to provide assistance to the department in the administration of commercial leases.

(4) In anticipation of entering into a commercial lease, the board may issue an option to lease at a rental rate that the board determines to be appropriate. An option to lease may not exceed a term of 2 years. An option to lease may not be construed to grant a right of immediate possession or control over the land but may only preserve the optionholder’s exclusive right to obtain a commercial lease on the land in the future.

Section 6. Requirements for commercial lease — improvements.

(1) The board shall require, subject to the board’s supervision and jurisdiction, that the lessee be solely responsible for the expense of maintenance and operation of
the enterprise, business, or venture and all improvements made and constructed in support of any commercial purpose during the term of the lease. This requirement does not apply to the installation and construction by the lessee of infrastructure and improvements, such as public roads, parks, sewers, or utilities, if they were required by a local government as a condition of development.

(2) Upon expiration of the lease, the title to all permanent improvements and fixtures located on the leased property and used in the operation and maintenance of the enterprise vests in the state. The lease must describe in detail the manner and subject matter of the transfer to the state.

Section 7. Qualifications for commercial lessees — bonds. (1) Before accepting any offer for a commercial lease, the board shall establish, to its satisfaction, the financial capability of the person seeking the commercial lease and the legal authority of the person to conduct business in the state. Prior to executing a commercial lease, the board may require the posting of bonds, sureties, guarantees, or a letter of credit sufficient to ensure that the commercial purposes will be conducted as proposed with no harm to the financial interests of the beneficiaries.

(2) All commercial leases of which the commercial purpose includes the use of a hazardous substance as defined in 75-10-602 must be bonded to ensure a degree of cleanup of the hazardous substance that ensures protection of public health, safety, and welfare and of the environment in a manner that protects the long-term financial interest of the beneficiaries.

Section 8. Land use license issuance following reclassification. Following cancellation of a preexisting lease due to a reclassification pursuant to 77-1-401 through 77-1-403, the department may issue a land use license for the commercial lands reclassified for a term the department considers necessary to protect the income to the trust and to protect the state.

Section 9. Cancellation or termination of commercial lease. A commercial lease may be canceled at the option of the board or its designated representative for any violation of a lease provision. Upon cancellation or termination of a lease, the department may seek a new lessee in accordance with sections 1 through 12. If the costs of the commercial development have not been recovered by the state at the time of cancellation or termination, a subsequent lessee under this section shall reimburse the state for development costs, assessments, or fees only to the extent that the proportionate part of the costs, assessments, and fees to the state for obtaining the development have not been recovered.

Section 10. Encumbrance on leased land. (1) An encumbrance may not be placed upon the state's interest in land leased for commercial purposes.

(2) A commercial lease of state trust land may contain provisions that will permit the encumbering of the lessee's interest in the lease by mortgage or deed of trust.

Section 11. Notice and payment of assessments. (1) The lessee of a commercial lease on state trust land shall furnish to the department:

(a) officially certified descriptions of all state trust land included within the boundaries of a city or county improvement district that is the subject of the commercial lease; and
(b) a description and listing of the amount of assessments and charges of every character made against the leasehold interest of the lessee and the leasehold interest of the state, as soon as the assessments or charges are levied.

(2) A promise by the lessee to make timely payment of all assessment charges and an acknowledgment of the assessment must be inserted in any lease for state trust land.

(3) If assessments have been levied against any state trust land prior to commercial lease, the board shall require that all unpaid installments on assessments be paid to the improvement district before executing a lease.

(4) If an installment on an assessment or charge against the leasehold interest of the lessee of land subject to a commercial lease is not paid when due, the nonpayment constitutes a breach of the lease.

Section 12. Rulemaking. The board may adopt rules to:

(1) establish procedures for the issuance of requests for proposals for commercial purposes and the commercial leasing of state trust land;

(2) prescribe the form and content of commercial leases; and

(3) develop any other procedures necessary to fulfill the purposes of [sections 1 through 12] or to implement the commercial leasing of state trust land.

The lease period for such leases, except for power and school site leases, may not be for longer than 40 99 years.

(2) The board shall have full power and authority to sell, exchange, or lease lands under its jurisdiction by virtue of 77-1-214 when, in the board's judgment, it is advantageous to the state to do so in the highest orderly development and management of state forests and state parks trust land. (1) Upon receipt of a report that a child is or has been abused or neglected, the department shall promptly assess the information contained in the report and make a determination regarding the level of response required and the timeframe within which action must be initiated. If the department determines that an investigation is required, a social worker, the county attorney, or a peace officer shall promptly conduct a thorough investigation into the circumstances surrounding the allegations of abuse or neglect of the child. The investigation may include an investigation at the home of the child involved, the child’s school or day-care facility, or any other place where the child is present and into all other nonfinancial matters that in the discretion of the investigator are relevant to the investigation. In conducting an investigation under this section, a social worker may not inquire into the financial status of the child’s family or of any other person responsible for the child’s care, except as necessary to ascertain eligibility for state or federal assistance programs or to comply with the provisions of 41-3-446.

(2) An initial investigation of alleged abuse or neglect may be conducted when an anonymous report is received. However, the investigation must within 48 hours develop independent, corroborative, and attributable information in order for the investigation to continue. Without the development of independent, corroborative, and attributable information, a child may not be removed from the home.

(3) The social worker is responsible for assessing the family and planning for the child. If the child is treated at a medical facility, the social worker, county attorney, or peace officer, consistent with reasonable medical practice, has the right of access to the child for interviews, photographs, and securing physical evidence and has the right of access to relevant hospital and medical records pertaining to the child. If a child interview is considered necessary, the social worker, county attorney, or peace officer may conduct an interview of the child. The interview may be conducted in the presence of the parent or guardian or an employee of the school or day-care facility attended by the child.

(4) Subject to 41-3-205(3), if the child’s interview is audiotaped or videotaped, an unedited audiotape or videotape with audio track must be made available, upon request, for unencumbered review by the family.

(5) (a) If from the investigation the department has reasonable cause to suspect that the child suffered abuse or neglect, the department may provide protective services to the child pursuant to 41-3-301 and may provide protective services to any other child under the same care. The department shall:

(i) after interviewing the parent or guardian, if reasonably available, document its determination regarding abuse or neglect of a child; and

(ii) notify the child's family of its investigation and determination, unless the notification can reasonably be expected to result in harm to the child or other person.

(b) If from the investigation it is determined that the child has not suffered abuse or neglect and the initial report is determined to be unfounded, the
department and the social worker, county attorney, or peace officer who conducted the investigation into the circumstances surrounding the allegations of abuse or neglect shall destroy all of their records concerning the report and the investigation. The destruction must be completed within 30 days of the determination that the child has not suffered abuse or neglect.

(c) (i) If the report is unsubstantiated, the department and the social worker who conducted the investigation into the circumstances surrounding the initial allegations of abuse or neglect shall destroy all of the records, except for medical records, concerning the unsubstantiated report and the investigation within 30 days after the end of the 3-year period starting from the date the report was determined to be unsubstantiated, unless:

(A) there had been a previous or there is a subsequent substantiated report concerning the same person; or

(B) an order has been issued under this chapter based on the circumstances surrounding the initial allegations.

(ii) A person who is the subject of an unsubstantiated report that was made prior to [the effective date of this act] and after which a period of 3 years has elapsed without there being submitted a subsequent substantiated report or an order issued under this chapter based on the circumstances surrounding the initial allegations may request that the department destroy all of the records concerning the unsubstantiated report as provided in subsection (5)(c)(i).

(6) The investigating social worker, within 60 days of commencing an investigation, shall also furnish a written report to the department and, upon request, to the family. Subject to subsections (5)(b) and (5)(c), the department shall maintain a record system documenting investigations and determinations of child abuse and neglect cases.

(7) Any person reporting abuse or neglect that involves acts or omissions on the part of a public or private residential institution, home, facility, or agency is responsible for ensuring that the report is made to the department through its local office.”

(f) This subsection (1) does not apply to a rental agreement involving a tenant who rents space for a mobile home but does not rent the mobile home.

(2) If rent is unpaid when due and the tenant fails to pay rent within 3 days after written notice by the landlord of nonpayment and the landlord’s intention to terminate the rental agreement if the rent is not paid within that period, the landlord may terminate the rental agreement. This subsection does not apply to a rental agreement involving a tenant who rents space for a mobile home but does not rent the mobile home.

(3) If the tenant destroys, defaces, damages, impairs, or removes any part of the premises in violation of 70-24-321(2), the landlord may terminate the rental
agreement upon giving 3 days' written notice specifying the noncompliance under the provisions of 70-24-321(2).

(4) If the tenant creates a reasonable potential that the premises may be damaged or destroyed or that neighboring tenants may be injured, as evidenced by the tenant being arrested for or charged with an act that violates the provisions of 70-24-321(3), the landlord may terminate the rental agreement upon giving 3 days' written notice specifying the violation and noncompliance under the provisions of 70-24-321(3).

(4)/(5) Except as provided in this chapter, the landlord may recover actual damages and obtain injunctive relief for any noncompliance by the tenant with the rental agreement or 70-24-321. Except as provided in subsection (4)/(6), if the tenant's noncompliance is purposeful, the landlord may recover treble damages.

(5)/(6) Treble damages may not be recovered for the tenant's early termination of the tenancy.

(4)/(7) Subsections (3) through (5)/(6) apply to all rental agreements, including those involving a tenant who rents space for a mobile home but does not rent the mobile home.

(2)/(8) The landlord is not bound by this section in the event that:

(2) An action filed pursuant to subsection (1) in a court must be heard within 20 days after the tenant's appearance or the answer date stated in the summons, except that if the rental agreement is terminated because of noncompliance under 70-24-321(3), the action must be heard within 5 business days after the tenant's appearance or the answer date stated in the summons. If the action is appealed to the district court, the hearing must be held within 20 days after the case is transmitted to the district court, except that if the rental agreement is terminated because of noncompliance under 70-24-321(3), the hearing must be held within 5 business days after the case is transmitted to the district court.

(3) The landlord and tenant may stipulate to a continuance of the hearing beyond the time limit in subsection (2) without the necessity of an undertaking.

Section 15. Criminal penalties. An athlete agent who violates the provisions of [section 14] is guilty of a misdemeanor and may be imprisoned for a period not to exceed 1 year and may be fined up to $5,000, or both.

Section 16. Civil remedies. (1) An educational institution has a right of action against an athlete agent or a former student-athlete for damages caused by a violation of [sections 1 through 20]. In an action under this section, the court may award to the prevailing party costs and reasonable attorney fees.

(2) Damages of an educational institution under subsection (1) include losses and expenses incurred because, as a result of the conduct of an athlete agent or former student-athlete, the educational institution was injured by a violation of [sections 1 through 20] or was penalized, disqualified, or suspended from participation in athletics by a national association for the promotion and regulation of athletics, by an athletic conference, or by reasonable self-imposed disciplinary action taken to mitigate sanctions likely to be imposed by a national organization or athletic conference.

(3) A right of action under this section does not accrue until the educational institution discovers or by the exercise of reasonable diligence should have discovered the violation by the athlete agent or former student-athlete.

Section 1. Section 20-9-235, MCA, is amended to read:

“20-9-235. Authorization for school district investment account. (2) Money transferred into investment accounts established under this section may be expended from a subsidiary checking account under the conditions specified in subsection (3)(b).

(3) The district may either:

(a) establish and use the accounts as nonspending accounts to ensure that district funds remain in an interest-bearing status until money is reverted to the budgeted or nonbudgeted fund of original deposit as necessary for use by the county treasurer to pay claims against the district. The district shall ensure that sufficient money is reverted to the district’s budgeted and nonbudgeted funds maintained by the county treasurer in sufficient time to pay all claims presented against the applicable funds of the district. The county treasurer shall accept all money that is reverted upon tendered transfer of the district.

(b) establish a subsidiary checking account for expenditures from the investment accounts. The district may write checks on or provide electronic payments from the account if:

(i) the payments made from the accounts representing budgeted funds are in compliance with the budget adopted by the trustees;

(ii) the accounts are subject to the audit of district finances completed for compliance with 2-7-503 and 20-9-503; and

(b) An agreement that establishes a school district investment account for fiscal year 2002 must be entered into no later than October 1, 2001.

(c) The district and the county treasurer may renew an agreement, including terms and conditions on which they agree, provided that the terms and conditions comply with the provisions of this section.

(5) Except for electronic transfers of BASE aid and state advances for county equalization debt service money that the county treasurer is required by law to collect and report to the districts, all other revenue may be sent directly to a participating district’s investment account under 20-9-346(3), the county treasurer shall, as required by law, continue to collect money and report to the districts that elect to establish a school district investment account.

(6) The trustees shall implement an accounting system for the investment account pursuant to rules adopted by the superintendent of public instruction. The rules for the accounting system must include but are not limited to:

CHAPTER NO. 412

[SB 389]

AN ACT PROVIDING AN ALTERNATIVE DISPUTE RESOLUTION PROCEDURE FOR RESIDENTIAL CONSTRUCTION DISPUTES; REQUIRING A CLAIMANT WITH AN ALLEGED CONSTRUCTION DEFECT TO FILE A NOTICE OF CLAIM WITH THE CONSTRUCTION
PROFESSIONAL THAT THE CLAIMANT ASSERTS IS RESPONSIBLE FOR THE DEFECT AND PROVIDING THE CONSTRUCTION PROFESSIONAL WITH THE OPPORTUNITY TO RESOLVE THE CLAIM WITHOUT LITIGATION; LIMITING DAMAGES THAT CAN BE RECOVERED IN RESIDENTIAL CONSTRUCTION DISPUTES; AND AMENDING SECTION 27-2-208, MCA.

WHEREAS, the Legislature finds that Montana needs an alternative method to resolve legitimate construction disputes that would reduce the need for litigation while adequately protecting the rights of homeowners; and

WHEREAS, the Legislature determines that an effective alternative dispute resolution mechanism in certain construction defect matters should require the claimant to file a notice of claim with the construction professional that the claimant asserts is responsible for the defect and providing the construction professional with the opportunity to resolve the claim without litigation.

Be it enacted by the Legislature of the State of Montana:

Section 1. Residential construction disputes — definitions. As used in [sections 1 through 3], the following definitions apply:

1. (a) “Action” means any civil lawsuit or action in contract or tort for damage or indemnity brought against a construction professional to assert a claim, whether by complaint, counterclaim, or cross-claim, for damage or the loss of use of real or personal property caused by a defect in the construction or remodeling of a residence.

(b) The term does not include a civil action in tort alleging personal injury or wrongful death to a person or persons resulting from a construction defect.

2. “Association” means a unit owners’ organization or a nonprofit corporation created to own and operate portions of a planned community that has the power to require unit owners to pay the costs and expenses incurred in the performance of the association’s obligations.

3. “Claimant” means a homeowner or association that asserts a claim against a construction professional concerning a defect in the construction or remodeling of a residence.

4. “Construction defect” means a deficiency in or arising out of the supervision, construction, or remodeling of a residence that results from any of the following:

(a) defective materials, products, or components used in the construction or remodeling of a residence;

(b) violation of the applicable building, plumbing, or electrical codes in effect at the time of the construction or remodeling of a residence;

(c) failure to construct or remodel a residence in accordance with contract specifications or accepted trade standards.

5. “Construction professional” means a builder, builder vendor, contractor, or subcontractor performing or furnishing the supervision of the construction or remodeling of any improvement to real property, whether operating as a sole proprietor, partnership, corporation, or other business entity.

6. (a) “Homeowner” means:
(i) any person, company, firm, partnership, corporation, or association who contracts with a construction professional for the remodeling, construction, or construction and sale of a residence; or

(ii) an association as defined in this section.

(b) The term homeowner includes but is not limited to a subsequent purchaser of a residence from any homeowner.

(7) “Residence” means a single-family house or a unit in a multiunit residential structure in which title to each individual unit is transferred to the owner under a condominium or cooperative system.

(8) “Serve” or “service” means personal service or delivery by certified mail to the last-known address of the addressee.

Section 2. Residential construction disputes — notice and opportunity to repair — tolling of statute of limitations — presumption of compliance with construction standards. (1) Prior to commencing an action against a construction professional for a construction defect, the claimant shall serve written notice of claim on the construction professional. The notice of claim must state that the claimant asserts a construction defect claim against the construction professional and must describe the claim in reasonable detail sufficient to determine the general nature of the defect. If a written notice of claim is served under this section within the time prescribed for the filing of an action under 27-2-208, the statute of limitations for construction defect claims is tolled.

(2) Within 21 days after service of the notice of claim, the construction professional shall serve a written response on the claimant. The written response must:

(a) propose to inspect the residence that is the subject of the claim and to complete the inspection within a specified timeframe. The proposal must include the statement that the construction professional shall, based on the inspection, offer to remedy the defect, compromise by payment, or dispute the claim;

(b) offer to compromise and settle the claim by monetary payment without inspection; or

(c) state that the construction professional disputes the claim and will neither remedy the construction defect nor compromise and settle the claim.

(3) (a) If the construction professional disputes the claim or does not respond to the claimant’s notice of claim within the time stated in subsection (2), the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(b) If the claimant rejects the inspection proposal or the settlement offer made by the construction professional pursuant to subsection (2), the claimant shall serve written notice of the claimant’s rejection on the construction professional. After service of the notice of rejection, the claimant may bring an action against the construction professional for the construction defect claim described in the notice of claim. If the construction professional has not received from the claimant, within 30 days after the claimant’s receipt of the construction professional’s response, either an acceptance or rejection of the inspection proposal or settlement offer, then at any time after that date the construction professional may terminate the proposal or offer by serving written notice on the claimant. The claimant may, after service, bring an action against the
construction professional for the construction defect claim described in the notice of claim.

(4) (a) If the claimant elects to allow the construction professional to inspect in accordance with the construction professional’s proposal pursuant to subsection (2)(a), the claimant shall provide the construction professional and its contractors or other agents reasonable access to the claimant’s residence, as agreed by the parties, to inspect the premises and the claimed defect.

(b) Within 14 days following completion of the inspection, the construction professional shall serve on the claimant:

(i) a written offer to remedy the construction defect at no cost to the claimant, including a report of the scope of the inspection, the findings and results of the inspection, a description of the additional construction necessary to remedy the defect described in the claim, and a timetable for the completion of the construction;

(ii) a written offer to compromise and settle the claim by monetary payment pursuant to subsection (2)(b);

(iii) a written offer to remedy the claim through a combination of repair and monetary payment pursuant to subsection (2)(b); or

(iv) a written statement setting forth the reasons why the construction professional will not proceed further to remedy the alleged defect.

(c) If the construction professional does not proceed further to remedy the alleged construction defect within the agreed-upon time or if the construction professional fails to comply with the provisions of subsection (4)(b), the claimant may bring an action against the construction professional for the claim described in the notice of claim without further notice.

(d) If the claimant rejects the offer made by the construction professional pursuant to subsection (4)(b)(i) or (4)(b)(ii) to either remedy the construction defect or to compromise and settle the claim by monetary payment, the claimant shall serve written notice of the claimant’s rejection on the construction professional. After service of the rejection notice, the claimant may bring an action against the construction professional for the construction defect claim described in the notice of claim. If the construction professional has not received from the claimant, within 30 days after the claimant’s receipt of the construction professional’s response, either an acceptance or rejection of the offer made pursuant to subsection (4)(b)(i) or (4)(b)(ii), then at any time after that date the construction professional may terminate the offer by serving written notice on the claimant.

(5) (a) Any claimant accepting the offer of a construction professional to remedy the construction defect pursuant to subsection (4)(b)(i) or (4)(b)(iii) shall do so by serving the construction professional with a written notice of acceptance within 30 days after receipt of the offer. The claimant shall provide the construction professional and its contractors or other agents reasonable access to the claimant’s residence during normal working hours to perform and complete the construction according to the timetable stated in the offer.

(b) The claimant and construction professional may, by written mutual agreement, alter the extent of construction or the timetable for completion of construction stated in the offer, including but not limited to repair of additional defects.
Subsequently discovered claims of construction defects must be administered separately under this section and [section 3], unless otherwise agreed to by the parties.

This section may not be construed to prevent a claimant from commencing an action on the construction defect claim described in the notice of claim if the construction professional fails to perform the construction agreed upon, fails to remedy the defect, or fails to perform within the time agreed upon pursuant to subsection (4)(b) or (5)(b).

This section may not be enforced unless the homeowner has been given written notice of the requirements of [sections 1 through 3].

Section 3. Construction defect disputes — damages. (1) In a suit subject to [section 2] and this section, the claimant may recover only the following damages proximately caused by a construction defect:

(a) the reasonable cost of repairs necessary to cure any construction defect, including any reasonable and necessary engineering or consulting fees required to evaluate and cure the construction defect, that the contractor is responsible for repairing under [section 2];

(b) the reasonably necessary expenses of temporary housing during the repair period;

(c) the reduction in market value, if any, to the extent the reduction is due to a construction defect; and

(d) reasonable costs and attorney fees.

(2) [Sections 1 through 3] do not supersede contractual alternative dispute resolution procedures contained in a contract between a claimant and a construction professional.

Section 4. Section 27-2-208, MCA, is amended to read:

AN ACT PROVIDING THAT A SECURITY INTEREST IN A LIQUOR LICENSE IS CONSIDERED IN DEFAULT IF THERE HAS BEEN A NONJUDICIAL SALE BY THE SECURED PARTY MADE PURSUANT TO THE UNIFORM COMMERCIAL CODE; AMENDING SECTION 16-4-801, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

A contract for the sale of a liquor license, including a provision allowing the seller to retain an ownership interest in the license solely for the purpose of guaranteeing payment for the license, may, for the purposes of this section, be treated as a security interest.

(b) For the purposes of this section:

(i) “default” means that:

(A) the defaulting party has acknowledged in writing pursuant to the terms of a written security agreement or contract for sale that the defaulting party no longer has any ownership interest or any other rights to possess or control the liquor license; or

(3) (a) Within 7 days of a default by a licensee, the person holding the security interest shall give notice to the department of the licensee’s default and either apply to have the license transferred to that person, subject to that person meeting the requirements of 16-4-401 and all other applicable provisions of this code, or the person shall place the license on nonuser status. Upon receipt of an application to transfer the license, the department may, pursuant to 16-4-404, grant the applicant temporary authority to operate the license. If the person holding the license places the license on nonuser status, the person shall transfer ownership of the license within 180 days from the date on which the notice of the default was given to the department. The operation of a business under a license by a person holding a security interest for more than 7 days after default of the licensee or without temporary authority issued by the department must be considered to be a violation of this code and constitutes grounds for the department to either deny an application for transfer of the license or for the revocation of the license pursuant to 16-4-406.

(b) If the person holding the security interest does not qualify for or cannot qualify for ownership of a liquor license under 16-4-401, the secured party shall transfer ownership of the liquor license within 180 days of the notice of the default of the licensee.

(c) The department, upon a showing of good cause, may in its discretion extend the time for sale of the license for an additional period of up to 180 days.”

If the person makes this redeposit, the membership service and service credits previously canceled must be reinstated.

(2) Regardless of whether this redeposit is made, the documents held by the retirement system as executed by the member prior to termination of membership must be held by the system for the same purposes as prior to termination, and beneficiaries nominated in the documents continue unchanged until changed as provided in this section 19-2-801.”

(3) the eligibility of beneficiaries for survivorship benefits.”

Section 8. Section 19-2-704, MCA, is amended to read:

required by the member's retirement system to purchase service credits as provided by the statutes governing the retirement system.

(2) Subject to any statutory provision establishing stricter limitations, only active or vested inactive members are eligible to purchase or transfer service credits, membership service, or contributions.

(3) A member who wishes to redeposit amounts withdrawn under 19-2-602 or who is eligible to purchase service credit as provided by the statutes governing the retirement system to which the member belongs may elect to make a lump-sum payment, installment payments, or a combination of a lump-sum payment and installment payments.

(4) Installment payments must be paid directly to the board, unless the member elects to make payments by irrevocable payroll deduction. The minimum installment period for payments made directly to the board is 3 months, and the maximum installment period is 5 years.

(a) must be signed by the member and the member's employer;
(b) must specify the dollar amount of each deduction and the number of deductions to be made, subject to any maximum amounts or duration established by state or federal law;

(d) may not give the member the option of receiving the deduction amounts directly instead of having them paid by the employer to the board; and
(e) must specify that the contributions being picked up, although designated as employee contributions, are being paid by the employer directly to the board in lieu of contributions paid directly by the employee.

(6) If the board notifies the employer that a proper written application and authorization has been filed with the board, the employer shall initiate the payroll deduction as follows:

(a) An employer shall pick up the member's elective contributions made pursuant to a payroll deduction authorization. The contributions picked up by the employer must be paid from the same source as is used to pay compensation to the member and must be included as part of the member's earned compensation before the deduction is made.
(b) Employee contributions, even though designated as employee contributions for state law purposes, are paid by the member's employer in lieu of contributions paid directly by the member to the board.
(c) The member may not choose to receive the contributed amounts directly instead of having them paid by the employer to the board.
(d) The effective date of the employer pickup and payment pursuant to this section is the date on which the employee contribution is first deducted from the employee's compensation. However, the effective date may not be prior to the date that the member properly completes the written application and authorization for payroll deductions and files it with the board. The pickup may not apply to any contributions made before the effective date or to any
contributions related to compensation earned for services rendered before the effective date.

(e) Installment payments initiated by contract prior to July 1, 1999, may be paid by payroll deduction only if the member files a written application and authorization for payroll deductions pursuant to this section. If the member does not file a written application and authorization for payroll deductions pursuant to this section, the installment contract payments agreed to by the member must be paid by the member directly to the board.

(f) A member may file more than one irrevocable payroll deduction agreement and authorization as long as a subsequent deduction authorization does not amend a previous irrevocable authorization. A member may not prepay an amount under an irrevocable payroll deduction, except when a member with an existing contract to purchase service credit elects to transfer to the defined contribution retirement plan pursuant to 19-3-2111(7) or to the optional retirement program pursuant to 19-3-2112(2)(j).

(7) If a member terminates service or dies before completing all payments required by a payroll deduction authorization filed pursuant to this section, the deduction authorization expires and the board shall prorate the service credit based on the amount paid as of the date of termination unless further payment is made as provided in this subsection. In the case of a termination, the member may make a lump-sum payment for up to the balance of the service credit remaining to be purchased, subject to the limitations of section 415 of the Internal Revenue Code. In the case of death of the member, the payment may be made from the member’s estate subject to the limitations of section 415 of the Internal Revenue Code.”

(b) the employee’s active service is involuntarily terminated because of elimination of the employee’s position as a result of privatization, reorganization of an agency, closure of or a reduction in force at an agency, or other actions by the legislature or, in the case of a legislator, because of term limits terminating the service of the legislator in either one of the houses of the legislature;

(c) the employee is eligible for a normal service retirement or early retirement under the applicable provisions of the retirement system to which the member belongs; and

(d) the employee waives termination benefits for which the employee would otherwise be eligible under the State Employee Protection Act.

(3) The employer of an eligible member under subsection (1) shall pay a portion of the total cost of purchasing up to 3 years of additional service credit that the member was qualified to purchase under 19-3-313, 19-6-804, 19-7-804,
or 19-8-904. The employer-paid portion applied toward the service purchase must be calculated using the formula \( A \times B \times C \) when:

(a) \( A \) is equal to a maximum of 3 additional years of service credit that the member is eligible to purchase;

(b) \( B \) is equal to the sum of the employer and employee contribution rates in the member’s retirement system; and

(c) \( C \) is equal to the member’s gross compensation paid during the immediate preceding 12 months of membership service. The employer may not be charged more than the total actuarial cost of the service credit purchased by the terminated employee.

(4) The member shall pay the difference, if any, between the full actuarial cost of the service credit to be purchased and the amount contributed by the employer under subsection (3). A member may elect to purchase less than the full amount of service for which the member is eligible under this section, but the election may not reduce the amount of the employer’s contribution as calculated under subsection (3).

(5) The board may allow an employer to pay the contributions required under subsection (3) in installments for up to 10 years and may charge interest at a rate set by the board pursuant to 19-2-403.

(6) (a) A member who has received additional service credit under this section and who returns to employment for the same jurisdiction for 960 or more hours in a calendar year in a position covered by the public employees' retirement system or for 600 or more hours in a calendar year in a position covered under any other retirement system forfeits the additional service credit. The employer’s contribution to purchase that member’s additional service credit, minus any retirement benefits already paid, must be credited to the employer.

(b) As used in this subsection (6)(a), the same jurisdiction term “same jurisdiction” means all agencies of the state, including the university system.”

"19-2-802. Effect of no designation or no surviving designated beneficiary. (1) If a statutory or designated beneficiary does not survive the member or payment recipient, the estate of the member or payment recipient is entitled to any accrued lump-sum payment or accrued retirement benefit not received prior to the member's or payment recipient's death. If the estate, as either a designated beneficiary or as a beneficiary by default as provided in this subsection, would not be probated but for the amount due to the estate from the retirement system, all of the amount due to the estate must be paid directly, without probate, to the surviving next of kin of the deceased or the guardians of the survivor's estate, share and share alike.

(2) Payment must be made in the same order in which the following groups are listed:

Conversion of a disability retirement to a service retirement pursuant to 19-2-406(4), 19-3-1015(2), 19-6-612(2), or 19-8-712(2) does not increase the maximum monthly amount that may be apportioned to an alternate payee.

payments are apportioned as a percentage. The adjustments must be apportioned as a percentage in the same ratio as existing benefit payments.

Section 15. Section 19-2-908, MCA, is amended to read:

“19-2-908. Time of commencement of benefit — rulemaking. (1) (a) The board shall grant a benefit to any member, or the member’s statutory or designated beneficiary, who has fulfilled all eligibility requirements, terminated covered service, and filed the appropriate written application with the board. However, the board may, on its own accord and without a written application, begin benefit payments to a member or beneficiary in order to comply with section 401(a)(9) of the Internal Revenue Code.

(b) A member may apply for retirement benefits before terminating covered service, but commencement of the benefits must be as provided in this section.

(2) (a) Except as provided in subsection (2)(b), the service retirement benefit may commence on the first day of the month following the eligible member’s last day of membership service or, if requested by the inactive member in writing, on the first day of a later month following filing of the written application.

(b) If an elected official’s term of office expires before the 15th day of the month, the official may elect that service retirement benefits from a defined
benefit plan commence on the first day of the month following the official’s last full month in office. An official electing this option shall file a written application with the board. An official electing this option may not earn membership service, service credit, or compensation for purposes of calculating highest average compensation or final average compensation, as defined under the provisions of the appropriate retirement system, in the partial month ending the official’s term, and compensation earned in that partial month is not subject to employer or employee contributions.

(3) The disability retirement benefit payable to a member must commence on the day following the member’s termination from service.

(4) Monthly survivorship benefits from a defined benefit plan must commence on the day following the death of the member.

(5) Estimated and finalized benefit payments must be issued as provided in rules adopted by the board.

(6) With respect to the defined contribution plan, the board shall adopt rules regarding the commencement of benefits that are consistent with applicable provisions of the Internal Revenue Code and its implementing regulations.”

Section 16. Section 19-2-909, MCA, is amended to read:

“19-2-909. Execution or withholding for support obligation — rulemaking. (1) Benefits in the retirement systems or plans provided for in chapters 3, 5 through 9, 13, and 17 are subject to execution and income withholding for the payment of a participant’s support obligation.

(2) For purposes of this section, the following definitions apply:

(a) “Execution” means a warrant for distraint issued or a writ of execution obtained by the department of public health and human services when providing support enforcement services under Title IV-D of the Social Security Act.

(b) “Income withholding” means an income-withholding order issued under the provisions of Title 40, chapter 5, part 3 or 4, or an income-withholding order issued in another state as provided in 40-5-157.

(c) “Participant” means an identified person who is a member or an actual or potential beneficiary, survivor, or contingent annuitant of a retirement system or plan designated pursuant to Title 19, chapter 3, 5, 6, 7, 8, 9, 13, or 17.

(d) “Support obligation” has the meaning provided in 40-5-403 for a support order.

(3) The execution or income-withholding order may not require:

(a) a type or form of benefit, option, or payment not available to the affected participant under the appropriate retirement system or plan; or

(b) an amount or duration of payment greater than that available to a participant under the appropriate retirement system or plan.

(4) An execution or income-withholding order applied to a defined benefit retirement plan may provide for payment only as follows:

(a) Service retirement Retirement benefit payments or refunds may be apportioned by directing payment of a percentage of the amount payable or payment of a fixed amount of no more than the amount payable to the participant.
(b) The maximum amount of disability or survivorship benefits that may be apportioned and paid under this section is the monthly benefit amount that would have been payable on the date of termination of service if the member had retired without disability or death.

(c) Retirement benefit adjustments for which a participant is eligible after retirement may be apportioned only if existing benefit payments are apportioned. The adjustments must be apportioned in the same ratio as existing benefit payments.

(5) With respect to a defined contribution plan, an execution or income-withholding order may provide for payment to an alternate payee only as follows:

(a) The vested account of the participant may be apportioned by directing payment of either a percentage or a fixed amount. The total amount apportioned may not exceed the amount in the participant’s vested account. The alternate payee may receive the payment only as a direct payment, rollover, or transfer. A new account may not be established for an alternate payee.

(b) If the participant is receiving periodic payments from or an annuity provided under the plan, those payments may be apportioned as a percentage of the amount payable to the participant. Payments to the alternate payee may be limited to a specific amount each month if the number of payments is specified. Payments may not total more than the amount payable to the payee.

(6) The duration of monthly or other periodic payments apportioned from a defined benefit or defined contribution plan participant to an alternate payee may not exceed the lifetime of the appropriate participant. The duration of the monthly payments may be further limited only to a specified maximum time, the life of the alternate payee, or the life of another specified participant. The alternate payee’s rights and interests survive the alternate payee’s death and may be transferred by inheritance.

(7) The board shall adopt rules to provide for the administration of execution or income-withholding orders.”

Section 17. Section 19-2-1010, MCA, is amended to read:

“19-2-1010. Retaining qualified plan status — content of plan document — board rulemaking authority. (1) The board shall administer the plan in the manner required to satisfy the applicable qualification requirements for a qualified governmental plan, as provided in the Internal Revenue Code. If a statutory provision affecting a retirement plan administered by the board conflicts with a qualification requirement in section 401 of the Internal Revenue Code or the retirement plan’s status as a governmental plan under section 414(d) of the Internal Revenue Code and with consequent federal regulations, the provision is either ineffective or must be interpreted to conform with the federal qualification requirements and allow the plan to retain its qualified status.

(2) For the purposes of section 401(a) of the Internal Revenue Code, the plan document for each retirement system is composed of the applicable provisions of the Montana constitution, this chapter, the applicable chapter in Title 19 governing the system, and applicable rules, policies, and plan documents adopted by the board.

(3) The board may adopt rules to implement this section.”

Section 18. Section 19-3-108, MCA, is amended to read:
19-3-108. Definitions. Unless the context requires otherwise, as used in this chapter, the following definitions apply:

(1) (a) “Compensation” means remuneration paid out of funds controlled by an employer in payment for the member's services, or for time during which the member is excused from work because of a holiday or because the member has taken compensatory leave, sick leave, annual leave, or a leave of absence, before any pretax deductions allowed by state or federal law are made.

(b) Compensation does not include:

(i) the payments or contributions made in lieu of wages for an individual subject to 19-3-403(4)(a);

(ii) in-kind goods provided by the employer, such as uniforms, housing, transportation, or meals;

(iii) in-kind services, such as the retraining allowance paid pursuant to 2-18-622, or employment-related services;

(iv) contributions to group insurance, such as that provided under 2-18-701 through 2-18-704; and

(v) lump-sum payments for compensatory leave, sick leave, or annual leave paid without termination of employment.

(2) “Contracting employer” means any political subdivision or governmental entity that has contracted to come into the system under this chapter.

(3) “Defined benefit plan” means the plan within the public employees' retirement system established in 19-3-103 that is not the defined contribution plan.

(4) “Employer” means the state of Montana, its university system or any of the colleges, schools, components, or units of the university system for the purposes of this chapter, or any contracting employer, except that a nonprofit mental health corporation established pursuant to 53-21-204 may not be an employer with regard to employees hired after June 30, 1999.

(5) “Employer contributions” means payments to a pension trust fund pursuant to 19-3-316 from appropriations of the state of Montana and from contracting employers.

Lump-sum payments for severance pay, including payment for compensatory leave, sick leave, and annual leave, paid to the member upon termination of employment may be used in the calculation of a retirement benefit only to the extent that they are used to replace, on a month-for-month basis, the regular compensation for a month or months included in the calculation of the highest average compensation. A lump-sum payment may not be added to a single month's compensation.

(7) “System” or “retirement system” means the public employees' retirement system established in 19-3-103.”

Section 19. Section 19-3-401, MCA, is amended to read:

“19-3-401. Membership — inactive vested members — inactive nonvested members. (1) Except as otherwise provided in this chapter, all employees shall become members of the defined benefit plan on the first day of
service. Each employer shall file with the board information affecting their employees’ status as members as the board may require. An employee may become a member of the defined contribution plan only as provided in Title 19, chapter 3, part 21.

(2) A member of the defined benefit plan with at least 5 years of membership service who terminates service and does not take a refund of the member’s accumulated contributions is an inactive vested member and retains the right to purchase service credit and to receive a service retirement benefit subject to the provisions of this chapter.

(3) A member of the defined benefit plan with less than 5 years of membership service who terminates service and leaves the member’s accumulated contributions in the pension trust fund is an inactive nonvested member and is not eligible for any benefits from the retirement plan. An inactive nonvested member is eligible only for a refund of the member’s accumulated contributions.

(4) A member of either the defined benefit plan or the defined contribution plan who returns to service within 30 days of termination of service is an active member. Except as otherwise provided in this chapter, a member of either the defined benefit plan or the defined contribution plan who terminates one service but remains in another service or subsequently reenters service is an active member.

(5) Time during which an employee of a school district is absent from service during official vacation is counted as membership service in determining eligibility for membership under this chapter.

Section 20. Section 19-3-403, MCA, is amended to read:

“19-3-403. Exclusions from membership. The following persons may not become members of the retirement system:

(1) inmates of state institutions;

(2) persons in state institutions principally for the purpose of training but who receive compensation;

(3) independent contractors;

(4) persons who are members of any other retirement or pension system supported wholly or in part by funds of the United States government, any state government, or political subdivision of the state and who are receiving credit in the other system for service employment. It is the purpose of this subsection to prevent a person from receiving credit for the same service employment in two retirement systems supported wholly or in part by public funds, except when the service qualifies and is applied for; and the service credit is purchased pursuant to 19-3-503. A member of the retirement system who, because of employment by the state, is required to become a member of any other system described in this subsection is considered, solely for the purposes of making regular contributions, as permanently separated from service. Exclusion under this subsection is subject to the following exceptions:

(a) When an employer has entered into a collective bargaining agreement that includes provisions for payments or contributions by the employer in lieu of wages to a retirement or pension plan qualified by the internal revenue service for its employees, the employees remain eligible, if otherwise qualified, for membership in the retirement system.
(b) For the purpose of this subsection (4), persons receiving pensions, retirement benefits, or other payments from any source on account of employment other than as an employee are not considered, because of receipt, members of any other retirement or pension system.

(5) court commissioners, elected officials, or appointive members of any board or commission who serve the state or any contracting employer intermittently and who are paid on a per diem basis;

(6) full-time students employed at and attending the same public elementary school, high school, community college, or unit of the state university system, except that a person excluded from membership as a student of a public community college or a unit of the state university system who later becomes an active member by otherwise becoming an employee may affirmatively exercise the option of purchasing the service credit excluded by this subsection by applying to the board in writing after becoming an active member and become eligible to receive credited service credit for the excluded service under the provisions of 19-3-505."

Section 21. Section 19-3-412, MCA, is amended to read:

"19-3-412. Optional membership. (1) The following employees in covered employment may become members of the retirement system at their option by filing an irrevocable, written application with the board within 180 days of commencement of their employment:

(a) elected officials of the state or local governments who are paid on a salary or wage basis rather than on a per diem or other reimbursement basis;

(b) employees serving in employment that does not cumulatively exceed a total of 960 hours of covered employment with all employers under this chapter in any fiscal year;

(c) employees directly appointed by the governor;

(d) employees working 6 months or less for the legislative branch to perform work related to the legislative session;

(e) the chief administrative officer of any city or county;

(f) employees of county hospitals or rest homes.

(2) (a) Except as provided in subsection (2)(b), employees and officials described in subsections (1)(a) through (1)(f) who are employees or officials but not members on July 1, 1999, have until December 1, 1999, to file an irrevocable, written application with the board.

(b) A legislator may also become a member as of the date prior to December 30, 2000, that the legislator filed an irrevocable written application with the board to become a member and paid the employee share of contributions determined by the board to be required to purchase the legislator’s prior service credit. However, the legislator shall purchase at least 5 years of service credit or, if the legislator has less than 5 years of membership service, service credit equal to all of the legislator’s membership service. The legislative branch is responsible for paying the amount determined by the board to be the employer’s share of contributions required to purchase a legislator’s service credit under this subsection (2)(b).

(3) If an employee declines optional membership, the employee shall sign a statement waiving membership and file it with the employer. The employer shall file the statement with the board and retain a copy of the statement. An
employee who declines optional membership may not receive membership credit or service credit for the employment for which membership was declined.

(4) An employee who declined optional membership but later becomes a member may purchase service credit for the period of time beginning with the date of employment in which membership was declined to the commencement of membership. Purchase of service credit pursuant to this subsection must comply with 19-3-505.

(5) Membership in the retirement system is not optional for an employee who is already a member. Upon employment in a position for which membership is optional:

(a) a member who was an active member before the employment remains an active member;

(b) a member who was an inactive member before the employment becomes an active member; and

(c) a member who was a retired member before the employment is subject to part 11 of this chapter.

(6) An employee who declines membership while employed in a position for which membership is optional may not later become a member while still employed in that position. If, after a break in service of 30 days or more, an employee who was a member in an optional membership position is reemployed in the same position or is employed in a different position for which membership is optional, the employee shall again choose or decline membership. However, if the break in service is less than 30 days, an employee who declined membership is bound by the employee's original decision to decline membership.

(7) An employee accepting a position that requires membership shall become a member even if the employee previously declined membership and did not have a 30-day break in service.

(8) If an employee or official fails to file with the board an irrevocable, written application within the time allowed in this section, the employee or official waives membership."

Section 22. Section 19-3-503, MCA, is amended to read:

“19-3-503. Application to purchase military service. (1) (a) Except as provided in subsection (2)(1)(b) and subject to 19-3-514, a member with at least 10 years of service credit may, at any time prior to retirement, file a written application with the board to purchase service credit and membership service for up to 5 years of the member's active service in the armed forces of the United States, including the first special service force or the American merchant marine in oceangoing service during the period of armed conflict, December 7, 1941, to August 15, 1945.

(b) To purchase this service, the member shall pay the actuarial cost of the member's military service, based on the system's most recent actuarial valuation.

(2)(b) A member is not eligible to purchase active military service credit and membership service under this section subsection (1)(a) if the member:

(a)(i) has retired from active duty in the armed forces of the United States, including the first special service force or the American merchant marine in oceangoing service during the period of armed conflict, December 7, 1941, to
August 15, 1945, with a military service retirement benefit based on that military service;

(b)(ii) is eligible, pursuant to 19-2-707, to receive credit in the system for that service; or

(c)(iii) is eligible to receive credit for that service in any other retirement system or plan.

(2) (a) Except as provided in subsection (2)(b) and subject to 19-3-514, a member with at least 10 years of service credit may, at any time prior to retirement, file a written application with the board to purchase service credit and membership service for up to 5 years of the member's reserve military service in the armed forces of the United States.

(b) A member is not eligible to purchase reserve military service credit and membership service under subsection (2)(a) if the member is eligible, pursuant to 19-2-707, to receive credit in the system for that service.

(3) To purchase service credit and membership service under this section, the member shall pay the actuarial cost of the member's active or reserve military service credit based on the system's most recent actuarial valuation.

Section 23. Section 19-3-504, MCA, is amended to read:

“19-3-504. Absence due to illness or injury. (1) Time, not to exceed 5 years, during which a member is absent from service because of injury or illness is considered membership service if, within 1 year after the end of the absence, the injury or illness is determined to have arisen out of and in the course of the member's employment. However, the member may not earn service credits for this period unless the member complies with subsections (2) and (3), in which case the absence is considered as time spent in service for both service credit and membership service.

(2) (a) A member absent because of an employment-related injury entitling the member to workers' compensation payments may, upon the member's return to service, contribute to the retirement system an amount equal to the contributions that would have been made by the member to the system on the basis of the member's compensation at the commencement of the member's absence plus regular interest accruing from 1 year from the date after the member returns to covered service to the date the member contributes for the period of absence.

(b) Whenever a member elects to contribute under subsection (2)(a), the employer shall contribute employer contributions for the period of absence based on the salary as calculated in subsection (2)(a) and may pay interest on the employer's contribution calculated in the same manner as interest on the employee's contribution under subsection (2)(a). An employer electing to make an interest payment shall do so for all employees similarly situated. If the employer elects not to pay the interest costs, this amount must be paid by the employee.

(3) At some time after returning to covered service, a member shall file with the board a written notice of the member's intent to pay the contributions under subsection (2).

(4) A member loses the right to contribute for an absence under this section if all of the member's accumulated contributions are refunded pursuant to 19-2-602 or for the period of time during which retirement benefits are received if the member retires during the absence.”
Section 24. Section 19-3-505, MCA, is amended to read:

“19-3-505. Purchase of previous employment with employer. (1) Subject to the provisions of this section, a member who has employment for which optional membership was declined or employment with an employer prior to the employer's contract coverage may file a written application with the board to purchase all or a portion of the employment for service credit. The application must include salary information certified by the member's employer or former employer.

(2) (a) A purchase of service credit under this section is subject to the board's approval.

(b) If the board approves the request, the member shall pay the amount that the member and the member's employer would have contributed during the period of employment as if the employment had been covered by the retirement system and shall pay the regular interest that would have accumulated on the amount to the time of payment. However, the employer may pay the employer's portion, including accrued regular interest as provided in subsection (2)(c).

(c) The employer shall establish a policy as to the payment of retroactive employer contributions and apply this policy indiscriminately for all employees and former employees. All employee appeals of discrimination are subject to the determination of the board. All successful appeals obligate the employer to pay the employer and employee contributions with accrued interest for that employee filing the appeal with the board. Each appeal must be heard on its individual merits and may not bind the employer to pay all retroactive payments for all former and present employees.”

Section 25. Section 19-3-510, MCA, is amended to read:

“19-3-510. Employment in United States government. (1) A member who is assigned to an agency of the United States government under Title IV, the Intergovernmental Personnel Act of 1970, may purchase the federal employment as service credit in the retirement system under subsection (2) if:

(a) the member has accrued 5 years or more of membership service in the retirement system; and

(b) the member returns to full-time service with the former state or local government employer for at least 1 year after completing employment in the United States government.

(2) A member of the retirement system who is assigned to an agency of the United States government has the option to:

(a) continue the member's payments into the pension trust fund; or

(b) purchase service credit for the period of federal employment under this section within 2 years after return to service under the retirement system.

(3) Salary earned while on assignment to an agency of the United States government must be considered compensation for the purposes of the retirement system and may be included in the determination of highest average compensation, provided that the highest average compensation does not exceed 100% of the member's highest annual compensation earned as a state or local government employee.”

Section 26. Section 19-3-511, MCA, is amended to read:

“19-3-511. Transfer and purchase of service credits and contributions from teachers' retirement system. (1) Except as provided in
subsection (3)(b), an active member may, at any time before retirement, file a written application with the board to purchase in the public employees' retirement system the member's service in the teachers' retirement system to the extent that the member has either received or is eligible to receive a refund for the service.

(2) The cost of purchasing service credit under this section is the sum of subsections (2)(a) and (2)(b) as follows:

(a) The teachers' retirement system shall transfer an amount equal to 72% of the amount payable by the member.

(b) The member shall pay either directly or by transferring contributions on account with the teachers' retirement system an amount equal to the member's accumulated contributions at the time that active membership was terminated with the teachers' retirement system, plus accrued interest. Interest must be calculated from the date of termination until payment is received by the public employees' retirement system, based on the interest tables in use by the teachers' retirement system.

(3) (a) The amount of service credit granted in subsection (1) must be on a month-by-month basis.

(b) Service credit transferred from the teachers' retirement system is subject to the provisions and limitations of 19-3-514, except as provided in subsection (3)(c).

(c) Active service transferred from the teachers' retirement system or refunded service from the teachers' retirement system that is eligible to be purchased under this section is not subject to service credit limitations.

(4) Subject to the provisions of 19-2-403, the board is the sole authority in determining the amount of service credit that a member may purchase under this section and the amount paid to the retirement system under subsection (2).

(5) If an active member who also has service credit in the teachers' retirement system dies before the member purchases this service credit in the public employees' retirement system and if the service credits from both systems, when combined, entitle the member's designated beneficiary to a survivorship benefit, the payment of the survivorship benefit is the liability of the public employees' retirement system. Before payment of the survivorship benefit, the teachers' retirement board shall transfer to the public employees' retirement system the contributions necessary to purchase this service credit in the public employees' retirement system, as provided in subsection (2).

(6) If the board determines that a member was erroneously classified and reported to the teachers' retirement system, the member's accumulated contributions and service credit, together with the employer contributions plus interest, must be transferred to the public employees' retirement system. Employee and employer contributions due as calculated under 19-3-315 and 19-3-316 are the liability of the employee and the employing entity, respectively, where the error occurred. For the period of time that the employer contributions are held by the teachers' retirement system, interest paid on employer contributions transferred under this subsection must be calculated at the short-term investment pool rate earned by the board of investments in the fiscal year preceding the transfer request.”

Section 27. Section 19-3-512, MCA, is amended to read:
“19-3-512. Purchase of service credit from other public retirement systems. (1) Subject to 19-3-514, a member with at least 5 years of membership service in the public employees’ retirement system may purchase service credit for:

(a) public service employment covered under a public retirement system other than a system provided for in Title 19 for which the member received a refund of the member’s membership contribution; and

(b) public service employment that occurred before the public employer adopted a public retirement system.

(2) A member may not purchase more than 5 years of service credit under this section. To purchase this service credit, a member shall:

(a) at any time before retirement, file a written application with the board; and

(b) pay the actuarial cost of the service credit in the public employees’ retirement system, as determined by the board, based on the system’s most recent actuarial valuation.

(3) Service credit purchased under this section may not be used to qualify a member to purchase military service under 19-3-503.

(4) Service credit purchased under this section may not be used in calculating a member’s retirement benefit unless the member’s last 5 years of service credit were earned under the public employees’ retirement system. If, upon the member’s retirement, the member’s purchased service credit cannot be used in calculating the member’s retirement benefit, the member must receive a refund of the amount paid to purchase the service credit, plus regular interest on that amount.”

Section 28. Section 19-3-513, MCA, is amended to read:

“19-3-513. Application to purchase additional service. (1) Subject to 19-3-514, a member with at least 5 years of membership service may, at any time before retirement, file a written application with the board to purchase 1 year of additional service credit for each 5 years of membership service.

(2) To purchase this service credit under this section, a member shall pay the actuarial cost of the service credit, based on the system’s most recent actuarial valuation.

(3) Service credit purchased under this section is not membership service and may not be used to qualify a member for service retirement.”

Section 29. Section 19-3-514, MCA, is amended to read:

“19-3-514. Service purchase limit — exception. (1) Except as provided in subsection (2), a member may not purchase more than a combined total of 5 years under 19-3-503, 19-3-511(3)(b), 19-3-512, and 19-3-513.

(2) A member who has purchased service credit under 19-3-503 or 19-3-512 on or before January 1, 1990, and who elects to purchase service credit under 19-3-513 must receive credit for the full months of service credit purchased on or before January 1, 1990.”

Section 30. Section 19-3-521, MCA, is amended to read:

“19-3-521. Service credit for legislative members. A member of the legislature of Montana must be credited with membership service and
service credit for that portion of each year for which the member pays regular contributions."

Section 31. Section 19-3-904, MCA, is amended to read:

“19-3-904. Amount of service retirement benefit. (1) Except as provided in subsection (2), the monthly amount of service retirement benefit payable to a member following service retirement is the greater of subsection (1)(a) or (1)(b) as follows:

(a) one fifty-sixth of the member’s highest average compensation multiplied by the number of years of the member’s total service credit; or

(b) a monthly benefit that is the sum of:

(i) the actuarial equivalent of double the member’s regular contributions and regular interest; plus

(ii) the actuarial equivalent of any additional contributions and regular interest.

(2) For a member with at least 25 years of membership service, the monthly amount of service retirement benefit payable to a member who has at least 25 years of membership service must be equal to one-fiftieth of the member’s highest average compensation multiplied by the number of years of the member’s total service credit instead of the amount calculated under subsection (1)(a).”

Section 32. Section 19-3-906, MCA, is amended to read:

“19-3-906. Early retirement benefit. (1) The amount of retirement benefit payable to a member following early retirement is the actuarial equivalent of the accrued portion of the service retirement benefit that would have been payable to the member commencing at age 60 or upon completion of 30 years of membership service pursuant to 19-3-904.

(2) The early retirement benefit must be determined as prescribed in 19-3-904, with the exception that the benefit must be reduced as follows:

(a) by 1/2 of 1% multiplied by the number of months up to a maximum of 60 months by which the retirement date precedes the date on which the member would have retired had the member attained 60 years of age or had the member completed 30 years of membership service; and

(b) by 3/10 of 1% multiplied by the number of months in excess of the 60 months in subsection (2)(a) but not to exceed 60 additional months that the retirement date precedes the date on which the member would have retired had the member attained 60 years of age or had the member completed 30 years of membership service.

(3) The actuarial reduction provided for in this section must be adjusted for any additional service credit purchased under 19-3-513.”

Section 33. Section 19-3-908, MCA, is amended to read:

“19-3-908. Retirement incentive program—window of eligibility. (1) Except as provided in subsection (4), a person who is an active member on February 1, 1993, and who voluntarily terminates service or whose service is involuntarily terminated because of a reduction in force on or after June 25, 1993, but before January 1, 1994, and who is eligible for a normal service retirement under 19-3-901 or early retirement under 19-3-902 is entitled to the retirement incentive provided in subsection (2).
(2) (a) The employer of an eligible member under subsection (1) shall pay the total cost of purchasing up to 3 years of additional service credit that the member is qualified to purchase under 19-3-513.

(b) The department of revenue shall pay the cost of purchasing up to 3 years of additional service credit for qualifying county assessors and deputy assessors eligible under subsection (1) whose employing county has not elected for participation in the incentive program as provided in subsection (4).

(c) A member is entitled to a refund for that portion of previously purchased additional service that would otherwise cause the member to be unqualified to receive all or part of the additional service credit provided in this section.

(3) An active member who is involuntarily terminated because of a reduction in force on or after March 1, 1993, but before June 25, 1993, and who, if the member had not been terminated, would have been eligible under subsection (1) for the retirement incentive is entitled to the retirement incentive under subsection (2) if the member was, at the time of termination, eligible for normal service retirement under 19-3-901 or early retirement under 19-3-902 and retires on or after June 25, 1993.

(4) Subject to subsection (2)(b), a contracting employer’s participation in the incentive program described in this section is optional. A contracting employer may elect to provide the incentive by filing with the board a written notice of election on or before June 1, 1993, and complying with rules adopted pursuant to subsection (6).

(5) County assessors and deputy assessors are eligible for the incentive program even if the employing county has not elected to participate in the incentive program.

(6) The board may allow an employer to pay the contributions required under subsection (2)(a) in installments for up to 10 years and may charge interest at a rate set by the board pursuant to 19-2-403. The board shall adopt rules to implement the provisions of this section.

(7) A member who has received additional service under this section and who returns to employment for the same jurisdiction for 960 or more hours in a calendar year in a position covered by the public employees’ retirement system or for 600 or more hours in a calendar year in a position covered under any other retirement system shall forfeit the additional service. The employer’s contributions to purchase that member’s additional service credit, minus any retirement benefits already paid, must be refunded to the employer. For purposes of this subsection, all agencies of the state, including the university system, are considered the same jurisdiction and other public employers contracting with the retirement system are each considered separate jurisdictions.”

Section 34. Section 19-3-1002, MCA, is amended to read:

“19-3-1002. Eligibility for disability retirement. (1) Except as provided in subsections (2) and (3), a member entering service prior to February 24, 1991, who is not eligible for service retirement or early retirement but who has at least 5 years of membership service and has become disabled while an active member is eligible for disability retirement, as provided in 19-3-1008(1).

(2) An active member age who is 60 years of age or older and who has completed 5 years of membership service and has had a duty-related accident forcing the member to terminate employment but who has not received or is ineligible to receive workers’ compensation benefits under Title 39, chapter 71,
for the duty-related accident may conditionally waive the member’s eligibility for a service retirement in order to be eligible for disability retirement. The waiver is effective only upon approval by the board of the member’s written application for disability retirement. The board shall determine whether a member has become disabled. The board may request any information on file with the state compensation insurance fund concerning any duty-related accident. If information is not available, the board may request and the state fund shall then provide an investigative report on the disabling accident.

(3) (a) A member in service on February 24, 1991, has a one-time election to be covered for disability purposes under the provisions of 19-3-1008(2). This election is irrevocable and must be made in writing by the member no later than December 31, 1991. Coverage under the provisions of 19-3-1008(2) commences on the date the completed written election is received by the board or its designated representative. To be eligible for disability benefits under the provisions of this part, a member must have completed 5 years of membership service and must have become disabled while an active member.

(b) An individual becoming a member after February 24, 1991, who has completed 5 years of membership service and has become disabled while an active member is covered for disability purposes under the provisions of 19-3-1008(2) or (3).”

Section 35. Section 19-3-1008, MCA, is amended to read:

“19-3-1008. Benefit for disability. (1) The monthly amount of the disability retirement benefit payable to a member eligible for disability retirement under the provisions of 19-3-1002(1) is the greater of subsection (1)(a) or (1)(b) as follows:

(a) 90% of one fifty-sixth of the member’s highest average compensation multiplied by the member’s years of service credit, including any additional service credit purchased under 19-3-513; or

(b) a retirement benefit equal to 25% of the member’s highest average compensation.

(2) Except as provided in subsection (3), the monthly amount of retirement benefit payable to a member eligible for disability retirement under the provisions of 19-3-1002(3) is a retirement benefit equal to one fifty-sixth of the member’s highest average compensation multiplied by the member’s years of service credit, including any additional service credit purchased under 19-3-513.

(3) The monthly amount of retirement benefit payable to a member eligible for disability retirement under the provisions of 19-3-1002(3) who has at least 25 years of membership service is a retirement benefit equal to one-fiftieth of the member’s highest average compensation multiplied by the member’s years of service credit, including any additional service credit purchased under 19-3-513.

(4) Subject to the provisions of part 11 of this chapter, a retired member receiving a disability retirement benefit on February 24, 1991, who has previously been granted a disability retirement benefit under the provisions of this section will continue to receive the monthly disability retirement benefit as calculated prior to February 24, 1991, subject to any postretirement or cost-of-living increases granted by the legislature.”

Section 36. Section 19-3-1015, MCA, is amended to read:
“19-3-1015. Medical examination of disability retiree — cancellation and reinstatement. (1) The board may, in its discretion, require a disabled member to undergo a medical examination. The examination must be made by a physician or surgeon appointed by the board, at a place mutually agreed upon by the retired member and the board. Upon the basis of the examination, the board shall determine whether the disabled member is unable, by reason of physical or mental incapacity, to perform the essential elements of either the position held by the member when the member retired or the position proposed to be assigned to the member. If the board determines that the member is not incapacitated or if the member refuses to submit to a medical examination, the member’s disability retirement benefit must be canceled.

(2) If the board determines that a disabled member should no longer be subject to medical review, the board may grant service retirement status to the member without recalculating the monthly benefit. The board shall notify the member in writing as to the change in status. If the disabled member disagrees with the board’s determination, the member may file a written application with the board requesting that the board reconsider its action. The written application for reconsideration must be filed within 60 days after receipt of the notice of the status change.

(3) (a) Except as provided in subsections (3)(b) and (3)(c), a member whose disability retirement benefit is canceled because the board has determined that the member is no longer incapacitated must be reinstated to the position held by the member immediately before the member’s retirement or to a position in a comparable pay and benefit category with duties within the member’s capacity if the member was an employee of the state or of the university. If the member was an employee of a contracting employer, the board shall notify the proper official of the contracting employer that the disability retirement benefit has been canceled and that the former employee is eligible for reinstatement to duty. The fact that the former employee was retired for disability may not prejudice any right to reinstatement to duty that the former employee may have or claim to have.

(b) A member who is employed by an employer terminates any right to reinstatement provided by this section.

(c) This section does not affect any requirement that the former employee meet or be able to meet professional certification and licensing standards unrelated to the disability and necessary for reinstatement to duty.

(4) If a member whose disability retirement benefit is canceled is not reemployed in a position subject to the retirement system, the member’s service is considered, for the purposes of 19-2-602, to have been discontinued coincident with the commencement of the member’s retirement benefit.”

Section 37. Section 19-3-1106, MCA, is amended to read:

“19-3-1106. Limited reemployment — reduction of service retirement benefit upon exceeding limits — exception. (1) A retired member under 65 years of age who is receiving a service retirement benefit or early retirement benefit may return to employment covered by the retirement system for a period not to exceed 960 hours in any calendar year without returning to active service and without any effect to the retiree’s retirement benefit. The retirement benefit for any retiree exceeding this 960-hour limitation in any calendar year after retirement must be temporarily reduced $1 for each $1 earned after working 960 hours in that calendar year.
(2) A retiree 65 years of age or older who returns to employment covered by the retirement system is either subject to the 960-hour limitation of subsection (1) or may earn in any calendar year an amount that, when added to the retiree's current annual retirement benefits, will not exceed the member's annualized highest average compensation, adjusted for inflation as of January 1 of the current calendar year, whichever limitation provides the higher limit on earned compensation to the retiree. Upon reaching the applicable limitation, the retiree's benefits must be temporarily reduced $1 for each $1 of compensation earned in covered service beyond the applicable limitation during that calendar year.

(3) A retiree returning to employment covered by the retirement system and the returning employee's employer shall certify to the board the number of hours worked by the retiree and the gross compensation paid to the retiree in that employment during any month after retirement.

(4) A retiree returning to employment covered by the retirement system may elect to return to active membership at any time during this period of covered employment.

(5) A retired member 70 1/2 years of age or older who returns to employment covered by the retirement system is not subject to the hour or earnings limitations in subsections (1) and (2) or the reporting requirements in subsection (3)."

Section 38. Section 19-3-1201, MCA, is amended to read:

“19-3-1201. Eligibility for death payments. Upon receipt of a written application filed with the board by a designated beneficiary, the board shall grant a death benefit payment to the designated beneficiary of any member who dies:

(1) while in service;
(2) within 6 months after the discontinuance of service but before retirement;
(3) while a recipient of a disability retirement benefit, if the benefit has been in effect less than 6 months; or
(4) while disabled, if the member has been continuously disabled since discontinuance of the member's service but is not receiving a disability retirement benefit; or
(5) while an inactive member.”

Section 39. Section 19-3-1202, MCA, is amended to read:

“19-3-1202. Amount of lump-sum death payment. (1) The amount of payment to be made to those eligible for death payments is the sum of subsections (1)(a), (2)(1)(b), and (3)(1)(c) as follows:

(1)(a) the member's accumulated contributions;
(2)(b) an amount equal to one-twelfth of the compensation received by the member during the last 12 months of compensation multiplied by the smaller of six or the number of years of the member's service credit; and
(3)(c) the accumulated regular interest on the amounts in subsections (1)(a) (1)(b) and (2)(1)(b) to the first day of the month in which the payment is made.

(2) A beneficiary of an inactive member is not eligible to receive the payment described in subsection (1)(b).”
Section 40. Section 19-3-1205, MCA, is amended to read:

“19-3-1205. Amount of survivorship benefit. The survivorship benefit payable to a member’s designated beneficiary is the actuarial equivalent of:

1. the accrued portion of the early retirement benefit pursuant to 19-3-906 that would have been payable to the member commencing at age 50 if the member had not attained age 50 or earned 25 years of membership service credit at the time of death;

2. if the deceased member had attained age 50 or earned 25 years of membership service credit at the time of death, the early retirement benefit that would have been payable to the member if the member had retired immediately prior to death; or

3. if the deceased member had attained age 60 or earned 30 years of membership service credit at the time of death, the service retirement benefit that would have been payable to the member if the member had retired immediately prior to death.”

Section 41. Section 19-3-1210, MCA, is amended to read:

“19-3-1210. Death payments to designated beneficiaries of retired members. If a retired member dies without designating a contingent annuitant under 19-3-1501, the member’s designated beneficiary or estate must be paid the amount, if any, of the member’s accumulated contributions calculated as of the day of the member’s retirement minus the total of any retirement benefits already paid from the member’s account.”

Section 42. Section 19-3-1501, MCA, is amended to read:

“19-3-1501. Optional forms of benefits — designation of contingent annuitant. (1) The retirement benefit of a member or the survivorship benefit of a designated beneficiary who so elects must be converted, in lieu of all other benefits under this chapter, into an optional retirement benefit that is the actuarial equivalent of the original benefit. The optional retirement benefit is initially payable during the member’s or designated beneficiary’s lifetime, with a subsequent benefit to a contingent annuitant as follows:

(a) option 2—a continuation of the reduced amount after the death of the initial payee and payable during the lifetime of the named contingent annuitant;

(b) option 3—a continuation of one-half of the reduced amount after the death of the initial payee and payable during the lifetime of the named contingent annuitant;

(c) option 4—upon the initial payee’s death, other actuarially equivalent amounts payable to a contingent annuitant as may be approved by the board.

(2) The member or the designated beneficiary who elects an optional retirement benefit shall file a written application with the board prior to the first payment of the benefit. A contingent annuitant must be identified on the application.

(3) If a benefit recipient or the recipient’s contingent annuitant dies before the first payment has been made under option 2 or 3, the election of the option is automatically canceled.

(4) If a member dies after retirement and within 30 days from the date that the member’s written application electing or changing an election of an optional retirement benefit is received by the board, then the election is void.
(5) (a) Upon filing a written application with the board, a retired member who is receiving an optional retirement benefit that became effective before October 1, 1999, may designate a different contingent annuitant, select a different option, or convert the member’s optional retirement benefit to a regular retirement benefit if:

(i) the original contingent annuitant has died; or

(ii) the member’s marriage to the original contingent annuitant has been dissolved and the original contingent annuitant has not been granted the right to receive the optional retirement benefit as part of the dissolution settlement or a family law order, as defined in 19-2-907.

(b) Upon receipt of the written application, the board shall actuarially adjust the member’s monthly retirement benefit to reflect the change.

(6) (a) A retired member receiving an optional retirement benefit pursuant to subsection (1)(a) or (1)(b) that is initially effective on or after October 1, 1999, may file a written application with the board to have the optional retirement benefit revert to the regular retirement benefit available at the time of the member’s retirement, designate a different contingent annuitant, or select a different option if:

(i) the contingent annuitant has died, in which case the optional benefit may revert effective on the first day of the month following the contingent annuitant’s death; or

(ii) the member’s marriage to the contingent annuitant is dissolved and the beneficiary was not granted the right to receive the optional retirement benefit as part of the dissolution settlement or a family law order, in which case the benefit must revert effective on the first day of the month following receipt of the written application and verification that the dissolution settlement or family law order does not grant the optional benefit to the contingent annuitant.

(b) A regular retirement benefit provided pursuant to this subsection (6) must be increased by the value amount of any postretirement adjustments received by the member since the effective date of the member’s retirement.

(7) A written application pursuant to subsection (5) or (6) must be filed with the board within 18 months of the death of or dissolution of marriage to the contingent annuitant.”

Section 43. Section 19-3-2103, MCA, is amended to read:

“19-3-2103. Legislative intent. It is the intent of the legislature that, in implementing and administering the defined contribution plan:

(1) changes to current administrative processes and the impact of those changes on employers be minimized to the extent possible;

(2) the administrative structure for the plan be configured in an economical and efficient manner;

(3) administration and services for the plan be contracted out to the extent possible, but that the board provide for the diligent oversight of the contracts;

(4) reasonable participant services be provided for and that fees be commensurate with the services;

(5) lines of communication and responsibilities be clearly established so that employers or their personnel and payroll officers do not advise members about plan choices or investment alternatives; and
employers be encouraged to provide paid time for employees to attend educational programs sponsored by the board pursuant to 19-3-112."

Section 44. Section 19-3-2111, MCA, is amended to read:

"19-3-2111. Plan membership — written election required — failure to elect — effect of election. (1) Except as otherwise provided in this part:

(a) (i) a member who is an active member of the defined benefit plan on the date that the defined contribution plan becomes effective, within 12 months after that date, elect to transfer to and become a member of the plan regardless of whether the member remains active, becomes inactive, or terminates covered employment and plan membership within the 12-month period;

(ii) a member who was an inactive member of the defined benefit plan on the date that the defined contribution plan becomes effective and who is rehired into covered employment after the plan effective date may, within 12 months after the member’s rehire date, elect to transfer to and become a member of the plan regardless of whether the member remains active, becomes inactive, or terminates covered employment and plan membership within the 12-month period;

(b) A member failing to make an election prescribed by this section remains a member of the defined benefit plan.

(c) An election under this section, including the default election pursuant to subsection (2)(b), is a one-time irrevocable election. (3) A member in either the defined benefit plan or the defined contribution plan who becomes inactive after an election under this section and who returns to active membership remains in the plan previously elected.

(4) A system member may not simultaneously be a member of the defined benefit plan and the defined contribution plan and must be a member of either the defined benefit plan or the defined contribution plan. A period of service may not be credited in more than one retirement plan within the system.

(6) A member of the defined benefit plan who is subject to a family law order pursuant to 19-2-907 or an execution or income-withholding order pursuant to 19-2-909 may not transfer to the defined contribution plan unless the order is modified to apply under the defined contribution plan.

(7) A member of the defined benefit plan who is purchasing service credit through installment payments, either made directly to the board or pursuant to a payroll deduction agreement, may not transfer membership to the defined

(b) A member who files an election to transfer membership may make a lump-sum payment for up to the balance of the service credit remaining to be purchased prior to transferring, subject to the limitations of section 415 of the Internal Revenue Code. The lump-sum payment, unless made by a rollover pursuant to 19-2-708, must be made with after-tax dollars.

(c) If a member who files an election to transfer membership fails to complete or terminate the contract for purchase of service credit by the end of the member’s 12-month election window, the board shall terminate the service purchase contract and credit the member with the prorated amount of service credit purchased under the contract.”

Section 45. Section 19-3-2112, MCA, is amended to read:

(2) Except as otherwise provided in this part, an election to transfer membership to the optional retirement program must be made in accordance with the following provisions:

(a) (i) A member employed by the university employee system who is an active member of the defined benefit plan on the effective date of the defined contribution plan may, within 12 months after that date, elect to transfer to and become a member of the optional retirement program regardless of whether the member remains active, becomes inactive, or terminates covered employment and plan membership within the 12-month period.

The same period of service may not be credited in more than one retirement system or plan.

(g) A university system employee who is or has been a member of the optional retirement program and returns to or accepts covered employment other than with the university system may make an election pursuant to 19-3-2111. The lump-sum payment, unless made by a rollover pursuant to 19-2-708, must be made with after-tax dollars.

(iii) If a member who files an election to transfer fails to complete or terminate the contract for purchase of service credit by the end of the member’s 12-month election window, the board shall terminate the service purchase contract and credit the member with the prorated amount of service credit purchased under the contract.

(3) For an employee electing to transfer membership to the optional retirement program, the board shall transfer to the optional retirement program the amount that the employee would have been able to transfer to the defined contribution plan under 19-3-2114.

The employee member may not purchase membership service and service credit under this section in excess of the employee's member's length of service as a member in the defined contribution plan or the optional retirement program.”

Section 47. Section 19-3-2114, MCA, is amended to read:

“19-3-2114. Amount available to transfer. system prior to or following city-county consolidation — payment of

transferred either from a city police force to a county sheriff’s department or

officer is eligible for a service retirement benefit if the officer’s combined service
credit in the sheriffs’ retirement system and the municipal police officers’
retirement system satisfies the minimum membership service requirement of
the system to which the officer last made contributions. A member who has
voted to continue membership in the public employees’ retirement system
under 19-7-301 may continue the election. However, credit for service in the
public employees’ retirement system that has not been transferred prior to
January 1, 1979, may not be transferred.

shall pay its proportionate share, based on the number of years of service
credited credit, of the combined benefit.

(5) Upon the death of a retired member receiving a service retirement
benefit under this section, the survivor or contingent annuitant and the
continuing benefit must be determined separately for each system as follows:

(a) For the municipal police officers’ retirement system portion of the
benefit, the surviving spouse must receive a benefit equal to the municipal
police officers’ retirement system portion of the service retirement benefit as

receive for as long as the child or one of the children remains dependent, as

(1665 MONTANA SESSION LAWS 2003 Ch. 429)
defined in 19-9-104. The benefits must be made to the child’s appointed guardian for the child’s use. If there is more than one dependent child, upon each child no longer qualifying as dependent under 19-9-104, the pro rata benefits to that child must cease and be paid to the remaining children until all the children are no longer dependent.

(b) For the sheriffs’ retirement system portion of the benefit:

(i) the contingent annuitant must receive a continuing benefit as determined under 19-7-1001, if the retired member elected an optional retirement benefit; or

(ii) if the retired member did not elect an optional retirement benefit, any payment owed the retired member, including the excess, if any, of the retired member’s accumulated contributions standing to the retired member’s credit at the time of retirement less payments made to the retired member must be paid to the retired member’s designated beneficiary.”

The amount obtained is the average annual wage. The average annual wage divided by 52, rounded to the nearest cent, is the average weekly wage. The maximum weekly benefit amount is 66.5% of the average weekly wage and must be applied to all maximum weekly benefit amount claims for benefits filed to establish a benefit year commencing on or after July 1 of the same year. The maximum weekly benefit amount, if not a multiple of $1, must be computed to the nearest lower full dollar amount.

(3) The minimum weekly benefit amount must be 15% of the average weekly wage. The minimum weekly benefit amount, if not a multiple of $1, must be computed to the nearest lower full dollar amount.”

AN ACT PROVIDING FOR THE PRORATION OF PROPERTY TAXES ON CENTRALLY ASSESSED PROPERTY WHEN LAND IS SUBDIVIDED; AND AMENDING SECTIONS 15-16-102 AND 76-3-207, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-16-102, MCA, is amended to read:

“15-16-102. Time for payment — penalty for delinquency. Unless suspended or canceled under the provisions of Title 15, chapter 24, part 17, all taxes levied and assessed in the state of Montana, except assessments made for special improvements in cities and towns payable under 15-16-103, are payable as follows:

(1) One-half of the taxes are payable on or before 5 p.m. on November 30 of each year or within 30 days after the tax notice is postmarked, whichever is later, and one-half are payable on or before 5 p.m. on May 31 of each year.

(2) Unless one-half of the taxes are paid on or before 5 p.m. on November 30 of each year or within 30 days after the tax notice is postmarked, whichever is later, the amount payable is delinquent and draws interest at the rate of 5/6 of 1% a month from and after the delinquency until paid and 2% must be added to the delinquent taxes as a penalty.

(3) All taxes due and not paid on or before 5 p.m. on May 31 of each year are delinquent and draw interest at the rate of 5/6 of 1% a month from and after the delinquency until paid, and 2% must be added to the delinquent taxes as a penalty.

(4) (a) If the date on which taxes are due falls on a holiday or Saturday, taxes may be paid without penalty or interest on or before 5 p.m. of the next business day in accordance with 1-1-307.

(b) If taxes on property qualifying under the low-income property tax assistance provisions of 15-6-134(1)(c) and 15-6-191 are paid within 20 calendar days of the date on which the taxes are due, the taxes may be paid without penalty or interest. If a tax payment is made later than 20 days after the taxes were due, the penalty must be paid and interest accrues from the date on which the taxes were due.

(5) A taxpayer may pay current year taxes without paying delinquent taxes. The county treasurer shall accept a partial payment equal to the delinquent taxes, including penalty and interest, for one or more full taxable years, provided that taxes for both halves of the current tax year have been paid. Payment of taxes for delinquent taxes must be applied to the taxes that have been delinquent the longest. The payment of taxes for the current tax year is not a redemption of the property tax lien for any delinquent tax year.

(6) The penalty and interest on delinquent assessment payments for specific parcels of land may be waived by resolution of the city council. A copy of the resolution must be certified to the county treasurer.

(7) If the department revises an assessment that results in an additional tax of $5 or less, an additional tax is not owed and a new tax bill does not need to be prepared.
(8) The county treasurer may accept a partial payment of centrally assessed property taxes as provided in 76-3-207."

Section 2. Section 76-3-207, MCA, is amended to read:

"76-3-207. Subdivisions exempted from review but subject to survey requirements — exceptions. (1) Except as provided in subsection (2), unless the method of disposition is adopted for the purpose of evading this chapter, the following divisions of land are not subdivisions under this chapter but are subject to the surveying requirements of 76-3-401 for divisions of land not amounting to subdivisions:

(b) divisions made outside of platted subdivisions for the purpose of a single gift or sale in each county to each member of the landowner’s immediate family;

(c) divisions made outside of platted subdivisions by gift, sale, or agreement to buy and sell in which the parties to the transaction enter a covenant running with the land and revocable only by mutual consent of the governing body and the property owner that the divided land will be used exclusively for agricultural purposes;

(d) for five or fewer lots within a platted subdivision, relocation of common boundaries and the aggregation of lots; and

(e) divisions made for the purpose of relocating a common boundary line between a single lot within a platted subdivision and adjoining land outside a platted subdivision. A restriction or requirement on the original platted lot or original unplatted parcel continues to apply to those areas.

(2) Notwithstanding the provisions of subsection (1):

(a) within a platted subdivision filed with the county clerk and recorder, a division of lots that results in an increase in the number of lots or which redesigns or rearranges six or more lots must be reviewed and approved by the governing body and an amended plat must be filed with the county clerk and recorder;

(b) a change in use of the land exempted under subsection (1)(c) for anything other than agricultural purposes subjects the division to the provisions of this chapter.

(3) (a) A Subject to subsection (3)(b), a division of land may not be made under this section unless the county treasurer has certified that all real property taxes and special assessments assessed and levied on the land to be divided have been paid.

The owner of the centrally assessed property shall ensure that the prorated real property taxes and special assessments are paid on the land being sold, before the division of land is made.

(ii) (A) Payment of an assessment is due within 30 days of receipt by a member of a written notice of the annual assessment. After 30 days, the association shall charge a member:

(II) interest at the rate of 12% a year on the unpaid assessment, to be accrued at 1% a month or fraction of a month; or

(iii) An associate member that ceases to do disability insurance business within the state remains liable for assessments through the calendar year in which the member ceased doing disability insurance business. (6)(7) The proportion of the annual assessment allocated to the operation and expenses of the association plan, not to include any amount of late payment penalty or interest charged, may be offset by an association member against the premium tax payable by that association member pursuant to 33-2-705 for the year in which the annual assessment is levied. The commissioner shall report to the office of budget and program planning, as a part of the information required by 17-7-111, the total amount of premium tax offset claimed by association members during the preceding biennium. The proportion of the annual assessment allocated to the operation and expenses of the association portability plan and levied against an association member may not be offset against the premium tax payable by that association member.”

(2) Within 30 days of receipt of the certificate, the lead carrier shall either reject the application for failing to comply with the requirements of subsection (1) or forward the eligible person a notice of acceptance and billing information. Insurance is effective on the first of the month following acceptance.

(3) An eligible person may not purchase more than one policy from the association plan.

(4) A person who obtains coverage under the association plan may not be covered for any preexisting condition during the first 12 months of coverage under the association plan if the person was diagnosed or treated for that condition during the 3 years immediately preceding the filing of an application. The association may not apply a preexisting condition exclusion to coverage under the association portability plan if application for association portability plan coverage is made by a federally defined eligible individual or a qualified TAA-eligible individual within 63 days following termination of the applicant’s most recent prior creditable coverage. The association shall waive any time period applicable to a preexisting condition exclusion for the period of time that any other eligible individual, including an individual who is eligible pursuant to 33-22-1501(7)(a)(ii)(B), was covered under the following types of coverage if the coverage was continuous to a date not more than 30 days prior to submission of an application for coverage under the association plan:

WHEREAS, the state has an interest in giving child witnesses a voice in criminal proceedings; and

The notice must include the content of the statement, the approximate time, date, and location of the statement, the person to whom the statement was made, and the circumstances surrounding the statement that the offering party believes support the statement’s reliability.

(2) The court shall issue findings of fact and conclusions of law setting forth the court’s reasoning on the admissibility of the child’s testimony.

(7) When mining has left an open pit exceeding 2 acres of surface area and
the composition of the floor or walls of the pit are likely to cause formation of
acid, toxic, or otherwise pollutive solutions (“objectionable effluents”) on
exposure to moisture, the reclamation plan must include provisions that
adequately provide for:

(a) insulation of all faces from moisture or water contact by covering the
faces with material or fill not susceptible itself to generation of objectionable
effluents in order to mitigate the generation of objectionable effluents; or

(b) processing of any objectionable effluents in the pit before they are
allowed to flow or be pumped out of the pit to reduce toxic or other objectionable
ratios to a level considered safe to humans and the environment by the
department; or

(c) drainage of any objectionable effluents to settling or treatment basins
when the objectionable effluents must be reduced to levels considered safe by
the department before release from the settling basin; or

(d) absorption or evaporation of objectionable effluents in the open pit itself;
and

(e) prevention of entrance into the open pit by persons or livestock lawfully
upon adjacent lands by fencing, warning signs, and other devices that may
reasonably be required by the department.

(8) Provisions for vegetative cover must be required in the reclamation plan
if appropriate to the future use of the land as specified in the reclamation plan.
The reestablished vegetative cover must meet county standards for noxious
weed control.

(9) (a) With regard to disturbed land other than open pits and rock faces, the
reclamation plan must provide for the reclamation of all disturbed land to
comparable utility and stability as that of adjacent areas.

(b) With regard to open pits and rock faces, the reclamation plan must provide sufficient measures for reclamation to a condition:

(i) of stability structurally competent to withstand geologic and climatic
conditions without significant failure that would be a threat to public safety and
the environment;

(ii) that affords some utility to humans or the environment; and

(iii) that mitigates postreclamation visual contrasts between reclamation
lands and adjacent lands.

(c) The reclamation of open pits and rock faces does not require backfilling,
in whole or in part, except and only to the extent necessary to meet the
requirements of the applicable provisions of Title 75, chapters 2 and 5.
(i) of stability structurally competent to withstand geologic and climatic conditions without significant failure that would be a threat to public safety and the environment;

(ii) that affords some utility to humans or the environment;

(iii) that mitigates postreclamation visual contrasts between reclamation lands and adjacent lands; and

(iv) that mitigates or prevents undesirable offsite environmental impacts.

(c) The use of backfilling as a reclamation measure is neither required nor prohibited in all cases. A department decision to require any backfill measure must be based on whether and to what extent the backfilling is appropriate under the site-specific circumstances and conditions in order to achieve the standards described in subsection (9)(b).

(10) The reclamation plan must provide sufficient measures to ensure public safety and to prevent the pollution of air or water and the degradation of adjacent lands.

(11) A reclamation plan must be approved by the department if it adequately provides for the accomplishment of the requirements and standards set forth in this section.

(12) The reclamation plan must provide for permanent landscaping and contouring to minimize the amount of precipitation that infiltrates into disturbed areas that are to be graded, covered, or vegetated, including but not limited to tailings impoundments and waste rock dumps. The plan must also provide measures to prevent objectionable postmining ground water discharges.”

The limitations in this section must be multiplied by a inflation factor as defined in 13-20-101 for, which is determined by dividing the consumer price index for June of the year prior to the year in which general elections are held by the consumer price index for June 2003. The resulting figure must be rounded up or down to the nearest $50 increment. The commissioner shall publish the revised limitations as a rule. In-kind contributions must be included in computing these limitation totals. The limitation provided in this section does not apply to contributions made by a political party eligible for a primary election under 13-10-601.”

Section 3. Section 13-37-229, MCA, is amended to read:

(4) A political committee that files with the commissioner a sworn statement to abide by the voluntary expenditure limits of this section but that exceeds those limits shall pay a fine of $5,000 to the commissioner. This money must be deposited in a separate fund to be used to support the enforcement programs of the office of the commissioner.

(5) After July 1, 2004, all limits on voluntary spending in this section must be multiplied by an inflation factor, which is determined by dividing the consumer price index for June of the year prior to the year in which the general election is held by the consumer price index for June 2003. The resulting figure must be rounded up or down to the nearest $50 increment."

CHAPTER NO. 464

[SB 450]

AN ACT REVISING LAWS RELATED TO WORKERS’ COMPENSATION; PROVIDING FOR DISCLOSURE AND COMMUNICATION OF HEALTH CARE INFORMATION FOR WORKERS’ COMPENSATION PURPOSES WITHOUT PRIOR NOTICE TO THE INJURED EMPLOYEE; BARRING ATTORNEY FEES UNDER THE COMMON FUND DOCTRINE; EXCLUDING IMPAIRMENT RATINGS BASED EXCLUSIVELY ON PAIN;
INCREASING THE PERMANENT PARTIAL DISABILITY BENEFIT
MAXIMUM ENTITLEMENT FROM 350 TO 375 WEEKS; AMENDING
AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND
APPLICABILITY DATES.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 39-71-604, MCA, is amended to read:

“39-71-604. Application for compensation — disclosure and
communication without prior notice of health care information.
(1) If a worker is entitled to benefits under this chapter, the worker shall file with the
insurer all reasonable information needed by the insurer to determine
compensability. It is the duty of the worker’s attending physician to lend all
necessary assistance in making application for compensation and such proof of
other matters as that may be required by the rules of the department without
charge to the worker. The filing of forms or other documentation by the
attending physician does not constitute a claim for compensation.

(2) A signed claim for workers’ compensation or occupational disease benefits
authorizes disclosure to the workers’ compensation insurer, as defined in
39-71-116, or to the agent of a workers’ compensation insurer by the health care
provider. The disclosure authorized by this subsection authorizes the physician
or other health care provider to disclose or release only information relevant to
the claimant’s condition. Health care information relevant to the claimant’s
condition may include past history of the complaints of or the treatment of a
condition that is similar to that presented in the claim, conditions for which
benefits are subsequently claimed, other conditions related to the same body
part, or conditions that may affect recovery. A release of information related to
workers’ compensation must be consistent with the provisions of this subsection.
Authorization under this section is effective only as long as the claimant is
claiming benefits. This subsection may not be construed to restrict the scope of
discovery or disclosure of health care information, as allowed under the
Montana Rules of Civil Procedure, by the workers’ compensation court or as
otherwise provided by law.

(3) A signed claim for workers’ compensation or occupational disease benefits
or a signed release authorizes a workers’ compensation insurer, as defined in
39-71-116, or the agent of the workers’ compensation insurer to communicate
with a physician or other health care provider about relevant health care
information, as authorized in subsection (2), by telephone, letter, electronic
communication, in person, or by other means, about a claim and to receive from
the physician or health care provider the information authorized in subsection
(2) without prior notice to the injured employee, to the employee’s authorized
representative or agent, or in the case of death, to the employee’s personal
representative or any person with a right or claim to compensation for the injury
or death.

(4) If death results from an injury, the parties entitled to compensation or
someone in their behalf shall file a claim with the insurer. The claim must be
accompanied with proof of death and proof of relationship, showing the parties
entitled to compensation, certificate of the attending physician, if any, and such
other proof as may be required by the department.”

Section 2. Section 39-71-611, MCA, is amended to read:
“39-71-611. Costs and attorneys' attorney fees payable on denial of claim or termination of benefits later found compensable — barring of attorney fees under common fund and other doctrines. (1) The insurer shall pay reasonable costs and attorney fees as established by the workers' compensation court if:

(a) the insurer denies liability for a claim for compensation or terminates compensation benefits;

(b) the claim is later adjudged compensable by the workers' compensation court; and

(c) in the case of attorneys' attorney fees, the workers' compensation court determines that the insurer's actions in denying liability or terminating benefits were unreasonable.

(2) A finding of unreasonableness against an insurer made under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18.

(3) Attorney fees may only be awarded under the provisions of subsection (1) and may not be awarded under the common fund doctrine or any other action or doctrine in law or equity.”

Section 3. Section 39-71-612, MCA, is amended to read:

“39-71-612. Costs and attorneys' attorney fees that may be assessed against insurer by workers' compensation judge — barring of attorney fees under common fund or other doctrines. (1) If an insurer pays or submits a written offer of payment of compensation under chapter 71 or 72 of this title but controversy relates to the amount of compensation due, the case is brought before the workers' compensation judge for adjudication of the controversy, and the award granted by the judge is greater than the amount paid or offered by the insurer, a reasonable attorney's fee and costs as established by the workers' compensation judge if the case has gone to a hearing may be awarded by the judge in addition to the amount of compensation.

(2) An award of attorneys' attorney fees under subsection (1) may only be made if it is determined that the actions of the insurer were unreasonable. Any written offer of payment made 30 days or more before the date of hearing must be considered a valid offer of payment for the purposes of this section.

(3) A finding of unreasonableness against an insurer made under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18.

(4) Attorney fees may only be awarded under the provisions of subsections (1) and (2) and may not be awarded under the common fund doctrine or any other action or doctrine in law or equity.”

Section 4. Section 39-71-703, MCA, is amended to read:

“39-71-703. Compensation for permanent partial disability. (1) If an injured worker suffers a permanent partial disability and is no longer entitled to temporary total or permanent total disability benefits, the worker is entitled to a permanent partial disability award if that worker:

(a) has an actual wage loss as a result of the injury; and

(b) has a permanent impairment rating that:

(i) is not based exclusively on complaints of pain;
(ii) is established by objective medical findings; and

(iii) is more than zero as determined by the latest edition of the American medical association Guides to the Evaluation of Permanent Impairment.

(2) When a worker receives an impairment rating as the result of a compensable injury and has no actual wage loss as a result of the injury, the worker is eligible for an impairment award only.

(3) The Beginning July 1, 2003, the permanent partial disability award must be arrived at by multiplying the percentage arrived at through the calculation provided in subsection (5) by 250–375 weeks.

(4) A permanent partial disability award granted an injured worker may not exceed a permanent partial disability rating of 100%.

(5) The percentage to be used in subsection (3) must be determined by adding all of the following applicable percentages to the impairment rating:

(a) if the claimant is 40 years of age or younger at the time of injury, 0%; if the claimant is over 40 years of age at the time of injury, 1%;

(b) for a worker who has completed less than 12 years of education, 1%; for a worker who has completed 12 years or more of education or who has received a graduate equivalency diploma, 0%;

(c) if a worker has no actual wage loss as a result of the industrial injury, 0%; if a worker has an actual wage loss of $2 or less an hour as a result of the industrial injury, 10%; if a worker has an actual wage loss of more than $2 an hour as a result of the industrial injury, 20%. Wage loss benefits must be based on the difference between the actual wages received at the time of injury and the wages that the worker earns or is qualified to earn after the worker reaches maximum healing.

(d) if a worker, at the time of the injury, was performing heavy labor activity and after the injury the worker can perform only light or sedentary labor activity, 5%; if a worker, at the time of injury, was performing heavy labor activity and after the injury the worker can perform only medium labor activity, 3%; if a worker was performing medium labor activity at the time of the injury and after the injury the worker can perform only light or sedentary labor activity, 2%.

(6) The weekly benefit rate for permanent partial disability is 66 2/3% of the wages received at the time of injury, but the rate may not exceed one-half the state's average weekly wage. The weekly benefit amount established for an injured worker may not be changed by a subsequent adjustment in the state's average weekly wage for future fiscal years.

(7) If a worker suffers a subsequent compensable injury or injuries to the same part of the body, the award payable for the subsequent injury may not duplicate any amounts paid for the previous injury or injuries.

(8) If a worker is eligible for a rehabilitation plan, permanent partial disability benefits payable under this section must be calculated based on the wages that the worker earns or would be qualified to earn following the completion of the rehabilitation plan.

(9) As used in this section:

(a) “heavy labor activity” means the ability to lift over 50 pounds occasionally or up to 50 pounds frequently;

Health care information relevant to the claimant’s condition may include past history of the complaints of or the treatment of a condition that is similar to that presented in the claim, conditions for which benefits are subsequently claimed, other conditions related to the same body part, or conditions that may affect recovery. A release of information related to workers’ compensation must be consistent with the provisions of this subsection. Authorization under this section is effective only as long as the claimant is claiming benefits. This subsection may not be construed to restrict the scope of discovery or disclosure of health care information as allowed under the Montana Rules of Civil Procedure, by the workers’ compensation court, or as otherwise provided by law.

(5) A signed claim for workers’ compensation or occupational disease benefits or a signed release authorizes a workers’ compensation insurer, as defined in 39-71-116, or the agent of the workers’ compensation insurer to communicate with a physician or other health care provider about relevant health care information, as authorized in subsection (4), by telephone, letter, electronic communication, in person, or by other means, about a claim and to receive from the physician or health care provider the information authorized in subsection (4) without prior notice to the injured employee, to the employee’s authorized representative or agent, or in the case of death, to the employee’s personal representative or any person with a right or claim to compensation for the injury or death.”

Section 3. Section 46-9-302, MCA, is amended to read:

(4) Whenever a peace officer accepts an unexpired driver’s license in lieu of bail, the peace officer shall give the offender a signed driving permit, in a form prescribed by the department. The permit must acknowledge the officer’s acceptance of the offender’s driver’s license and serves as a valid temporary driving permit authorizing the operation of a motor vehicle by the offender. The permit is effective as of the date the permit is signed and remains in effect through the date of the appearance listed on the permit. The peace officer shall deliver the driver’s license to the judge before whom the offender is to appear, and the judge shall give the peace officer a receipt acknowledging delivery of the offender’s driver’s license to the court. After the filing of the complaint and the appearance of the defendant, the judge shall assume jurisdiction and may extend
the date of the driving permit for a period of up to 6 months from the defendant’s initial appearance date.

[HB 315]

AN ACT PROVIDING AN EXCEPTION FROM THE REQUIREMENT TO PAY STANDARD PREVAILING WAGES FOR AN EMPLOYER WHO, AS A NONPROFIT ORGANIZATION PROVIDING VOCATIONAL REHABILITATION, PERFORMS A PUBLIC WORKS CONTRACT FOR NONCONSTRUCTION SERVICES AND WHO EMPLOYS AN INDIVIDUAL WHOSE EARNING CAPACITY IS IMPAIRED BY A MENTAL, EMOTIONAL, OR PHYSICAL DISABILITY IF THE EMPLOYER CONFORMS WITH THE FEDERAL FAIR LABOR STANDARDS ACT AND PAYS THE INDIVIDUAL WAGES THAT ARE EQUAL TO OR ABOVE THE STATE'S MINIMUM WAGE; AMENDING SECTIONS 18-2-403 AND 18-2-407, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 18-2-403, MCA, is amended to read:

“18-2-403. Preference of Montana labor in public works — wages — tax-exempt project — federal exception. (1) In every public works contract, there must be inserted in the bid specification and the public works contract a provision requiring the contractor to give preference to the employment of bona fide residents of Montana in the performance of the work.

(2) All public works contracts for construction services under subsection (1), except those for heavy and highway construction, that are conducted at the
project location or under special circumstances must contain a provision requiring the contractor to pay:

(a) the travel allowance that is in effect and applicable to the district in which the work is being performed; and

(b) the standard prevailing rate of wages, including fringe benefits for health and welfare and pension contributions, that:

(i) meets the requirements of the Employee Retirement Income Security Act of 1974 and other bona fide programs approved by the United States department of labor; and

(ii) is in effect and applicable to the district in which the work is being performed.

(3) In every public works contract for heavy and highway construction, there must be inserted a provision to require the contractor to pay the heavy and highway construction wage rates established statewide for heavy and highway construction services conducted at the project location or under special circumstances.

(4) **Except as provided in subsection (5), all public works contracts for nonconstruction services under subsection (1) must contain a provision requiring the contractor to pay:**

(a) the travel allowance that is in effect and applicable to the district in which the work is being performed; and

(b) the standard prevailing rate of wages, including fringe benefits for health and welfare and pension contributions, that:

(i) meets the requirements of the Employee Retirement Income Security Act of 1974 and other bona fide programs approved by the United States department of labor; and

(ii) is in effect and applicable to the district in which the work is being performed.

(5) An employer who, as a nonprofit organization providing individuals with vocational rehabilitation, performs a public works contract for nonconstruction services and who employs an individual whose earning capacity is impaired by a mental, emotional, or physical disability may pay the individual wages that are less than the standard prevailing wage if the employer complies with the provisions of section 214(c) of the Fair Labor Standards Act of 1938, 29 U.S.C. 214 and 29 CFR, part 525, and the wages paid are equal to or above the minimum wage required in 39-3-404.

(6) Transportation of goods, supplies, materials, and manufactured or fabricated items to or from the project location is not subject to payment of the standard prevailing rate of wages.

(7) **A contract, other than a public works contract, let for a project costing more than $25,000 and financed from the proceeds of bonds issued under Title 17, chapter 5, part 15, or Title 90, chapter 5 or 7, on or after July 1, 1993, must contain a provision requiring the contractor to pay the standard prevailing wage rate in effect and applicable to the district in which the work is being performed unless the contractor performing the work has entered into a collective bargaining agreement covering the work to be performed.**

(8) A public works contract may not be let to any person, firm, association, or corporation refusing to execute an agreement with the provisions described in
subsections (1) through (6) in it, provided that in public works contracts involving the expenditure of federal-aid funds, this part may not be enforced in a manner as to conflict with or be contrary to the federal statutes prescribing a labor preference to honorably discharged veterans of the armed forces and prohibiting as unlawful any other preference or discrimination among citizens of the United States.

(7) Failure to include the provisions required by 18-2-422 in a public works contract relieves the contractor from the contractor's obligation to pay the standard prevailing wage rate and places the obligation on the public contracting agency."

Section 2. Section 18-2-407, MCA, is amended to read:

“18-2-407. Forfeiture for failure to pay standard prevailing wage. (1) Except as provided in 18-2-403, a contractor, subcontractor, or employer who pays workers or employees at less than the standard prevailing wage as established under the public works contract shall forfeit to the department a penalty at a rate of up to 20% of the delinquent wages plus fringe benefits, attorney fees, audit fees, and court costs. Money collected by the department under this section must be deposited in the general fund. A contractor, subcontractor, or employer shall also forfeit to the employee the amount of wages owed plus $25 a day for each day that the employee was underpaid.

(2) Whenever it appears to the contracting agency or to the Montana commissioner of labor and industry that there is insufficient money due to the contractor or the employer under the terms of the contract to cover penalties, the Montana commissioner of labor and industry may, within 90 days after the filing of notice of completion of the project and its acceptance by the contracting agency, maintain an action in district court to recover all penalties and forfeitures due. This part does not prevent the individual worker who has been underpaid or the commissioner of labor and industry on behalf of all the underpaid workers from maintaining an action for recovery of the wages due under the contract as provided in Title 39, chapter 3, part 2, except that appeal of the hearings officer's decision is made directly to district court rather than to the board of personnel appeals.”

Section 3. Effective date — applicability. [This act] is effective on passage and approval and applies to contracts entered into on or after [the effective date of this act].

Section 2. Section 75-5-516, MCA, is amended to read:

“75-5-516. Fees authorized for recovery — process — rulemaking. (1) Except as provided in subsection (12), the board shall by rule prescribe fees to be assessed by the department that are sufficient to cover the board's and department's documented costs, both direct and indirect, of:

(a) reviewing and acting upon an application for a permit, permit modification, permit renewal, certificate, license, or other authorization required by rule under 75-5-201 or 75-5-401;

(b) reviewing and acting upon a petition for a degradation allowance under 75-5-303;

(c) reviewing and acting upon an application for a permit, certificate, license, or other authorization for which an exclusion is provided by rule from the permitting requirements established under 75-5-401;

(d) enforcing the terms and conditions of a permit or authorization identified in subsections (1)(a) through (1)(c). If the permit or authorization is not issued, the department shall return this portion of any application fee to the applicant.

(e) conducting compliance inspections and monitoring effluent and ambient water quality; and

(f) preparing water quality rules or guidance documents.

(2) Except as provided in subsection (12), the rules promulgated by the board under this section must include:

(a) a fee on all applications for permits or authorizations, as identified in subsections (1)(a) through (1)(c), that recovers to the extent permitted by this subsection (2) the department’s cost of reviewing and acting upon the applications. This fee may not be more than $5,000 per discharge point for an application addressed under subsection (1), except that an application with multiple discharge points may be assessed a lower fee for those points according to board rule.

(b) an annual fee to be assessed according to the volume and concentration of waste discharged into state waters. The annual fee may not be more than $3,000 per million gallons discharged per day on an annual average for any activity under permit or authorization, as described in subsection (1), except that:

(i) a permit or authorization with multiple discharge points may be assessed a lower fee for those points according to board rule; and

(ii) a facility that consistently discharges effluent at less than or equal to one-half of its effluent limitations and that is in compliance with other permit requirements, using the previous calendar year's discharge data, is entitled to a 25% reduction in its annual permit fee. Proportionate reductions of up to 25% of the permit fee may be given to facilities that consistently discharge effluent at levels between 50% and 100% of their effluent limitations. However, a new permittee is not eligible for a fee reduction in its first year of operation, and a
permittee with a violation of any effluent limit during the previous calendar year is not eligible for a fee reduction for the following year.

(3) To the extent permitted under subsection (2)(b), the annual fee must be sufficient to pay the department’s estimated cost of conducting all tasks described under subsection (1) after subtracting:

(a) the fees collected under subsection (2)(a);

(b) state general fund appropriations for functions administered under this chapter; and

(c) federal grants for functions administered under this chapter.

(4) For purposes of subsection (3), the department’s estimated cost of conducting the tasks described under subsection (1) is the amount authorized by the legislature for the department’s water quality discharge permit programs.

(5) If the applicant or holder fails to pay a fee assessed under this section or rules adopted under this section within 90 days after the date established by rule for fee payment, the department may:

(a) impose an additional assessment consisting of not more than 20% of the fee plus interest on the required fee computed as provided in 15-1-216; or

(b) suspend the permit or exclusion. The department may lift the suspension at any time up to 1 year after the suspension occurs if the holder has paid all outstanding fees, including all penalties, assessments, and interest imposed under subsection (5)(a).

(6) Fees collected pursuant to this section must be deposited in an account in the special revenue fund type pursuant to 75-5-517.

(7) The department shall give written notice to each person assessed a fee under this section of the amount of fee that is assessed and the basis for the department’s calculation of the fee. This notice must be issued at least 30 days prior to the due date for payment of the assessment.

(8) A holder of or an applicant for a permit, certificate, or license may appeal the department’s fee assessment to the board within 20 days after receiving written notice of the department’s fee determination under subsection (7). The appeal to the board must include a written statement detailing the reasons that the permitholder or applicant considers the department’s fee assessment to be erroneous or excessive.

(9) If part of the department’s fee assessment is not in dispute in an appeal filed under subsection (8), the undisputed portion of the fee must be paid to the department upon written request of the department.

(10) The contested case provisions of the Montana Administrative Procedure Act, provided for in Title 2, chapter 4, part 6, apply to a hearing before the board under this section.

(11) A municipality may raise rates to cover costs associated with the fees prescribed in this section for a public sewer system without the hearing required in 69-7-111.

(12) (a) The application fee assessed pursuant to this section for a suction dredge, as described in 82-4-310(2), may not be more than:

(i) $25 if it is owned and operated by a resident of this state; or

(ii) $100 if it is owned and operated by a nonresident of this state.
(b) The annual fee assessed pursuant to this section for a suction dredge, as described in 82-4-310(2), may not be more than:

(i) $25 if it is owned and operated by a resident of this state; or
(ii) $100 if it is owned and operated by a nonresident of this state.”

Section 3. Section 82-4-310, MCA, is amended to read:

“82-4-310. Exemption — scale and type of activity. (1) A person is exempt from this part when the person is engaging in a mining activity that does not:

(a) use motorized excavating equipment;
(b) use blasting agents;
(c) disturb more than 100 square feet or 50 cubic yards of material at any site;

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 76-3-621, MCA, is amended to read:

When a combination of land donation and cash donation is required, the cash donation may not exceed the proportional amount not covered by the land donation.

(5) (a) In accordance with the provisions of subsections (5)(b) and (5)(c), the governing body shall use the dedicated money or land for development, acquisition, or maintenance of parks to serve the subdivision.

(b) The governing body may use the dedicated money to acquire, develop, or maintain, within its jurisdiction, parks or recreational areas or for the purchase of public open space or conservation easements only if:

(i) the park, recreational area, open space, or conservation easement is within a reasonably close proximity to the proposed subdivision; and

(ii) the governing body has formally adopted a park plan that establishes the needs and procedures for use of the money.

(6) The local governing body shall waive the park dedication requirement if:
(a) (i) the preliminary plat provides for a planned unit development or other
development with land permanently set aside for park and recreational uses
sufficient to meet the needs of the persons who will ultimately reside in the
development; and

(ii) the area of the land and any improvements set aside for park and
recreational purposes equals or exceeds the area of the dedication required
under subsection (1);

(b) (i) the preliminary plat provides long-term protection of critical wildlife
habitat; cultural, historical, or natural resources; agricultural interests; or
aesthetic values; and

(ii) the area of the land proposed to be subdivided, by virtue of providing
long-term protection provided for in subsection (6)(b)(i), is reduced by an
amount equal to or exceeding the area of the dedication required under
subsection (1); or

(c) the area of the land proposed to be subdivided, by virtue of a combination
of the provisions of subsections (6)(a) and (6)(b), is reduced by an amount equal
to or exceeding the area of the dedication required under subsection (1); or

(d) (i) the subdivider provides for land outside of the subdivision to be set
aside for park and recreational uses sufficient to meet the needs of the persons
who will ultimately reside in the subdivision; and

(ii) the area of the land and any improvements set aside for park and
recreational uses equals or exceeds the area of dedication required under
subsection (1).

(7) The local governing body may waive the park dedication requirement if:

(a) the subdivider provides land outside the subdivision that affords
long-term protection of critical wildlife habitat, cultural, historical, or natural
resources, agricultural interests, or aesthetic values; and

(b) the area of the land to be subject to long-term protection, as provided in
subsection (7)(a), equals or exceeds the area of the dedication required under
subsection (1).

(8) For the purposes of this section:

(a) “cash donation” is the fair market value of the unsubdivided, unimproved
land; and

(b) “dwelling unit” means a residential structure in which a person or
persons reside.

Section 5. Diseased person not to handle food or nonprescription drugs. A person who has a communicable disease, as defined in 50-1-101, may not work in any establishment or in the handling or processing of food or nonprescription drugs.

These costs are limited to the direct costs of investigations and other expenses.

Section 11. License required. (1) A person operating an establishment shall procure an annual license from the department.

(2) Except as provided in subsection (3), a separate license is required for each establishment, but if more than one type of establishment is operated on the same premises and under the same management, only one license is required.

(3) A person operating an establishment and a retail food establishment is required to obtain a separate license for the establishment under [sections 1 through 25] and for the retail food establishment under Title 50, chapter 50.

Section 12. Application for license. An application for a license must be made to the department on forms containing information required by the department, or the application must be made in compliance with the rules established by the board of review established in 30-16-302.

(2) A person operating an establishment who fails to renew a license by the expiration date provided in [section 15] and who operates the establishment in the license year for which an annual renewal fee was not paid shall, upon renewal, pay to the department a late renewal fee of $25 in addition to the annual renewal fee required by subsection (1). Payment of the late renewal fee does not relieve the operator of responsibility for operating without a license.

(3) The department shall deposit the annual fees collected under subsection (1) as follows:

(a) 88% into the state special revenue fund to the credit of the local board inspection fund account, created in 50-2-108;
(b) 6% into the general fund; and
(c) 6% into the account, created in [section 22], in the state special revenue fund.

(4) The department shall deposit all of the fees collected under subsection (2) into the account, created by [section 22], in the state special revenue fund.

Section 14. License fee — late renewal fee — allocation of fees. (1) For each annual license issued, the department shall collect a fee of $90. For an operation containing an establishment and a retail food establishment, as provided in [section 11(3)], the department shall collect one fee of $90 for each license.

(2) A person operating an establishment who fails to renew a license by the expiration date provided in [section 15] and who operates the establishment in the license year for which an annual renewal fee was not paid shall, upon renewal, pay to the department a late renewal fee of $25 in addition to the annual renewal fee required by subsection (1). Payment of the late renewal fee does not relieve the operator of responsibility for operating without a license.

(3) The department shall deposit the annual fees collected under subsection (1) as follows:
(a) 90% into the state special revenue fund to the credit of the local board inspection fund account, created in 50-2-108;
(b) 5% into the general fund; and
(c) 5% into the account, created in [section 22], in the state special revenue fund.

(4) The department shall deposit all of the fees collected under subsection (2) into the account, created by [section 22], in the state special revenue fund.

Section 15. License expiration — non-transferability. (1) Except as provided in subsection (2), licenses expire on December 31 of the year in which they are issued unless canceled for cause.

(2) If the board of review adopts a renewal date for licenses under [sections 1 through 25], the licenses expire on the anniversary date established by rule by the board of review.

(3) Licenses are not transferable.

Section 16. Right to renewal. (1) License renewal may be obtained annually by paying the required annual license fee provided for in [section 13].

(2) The department shall renew licenses as a matter of right, unless conditions exist that are grounds for cancellation or denial of a license.

Section 17. Validation by local health officer. (1) A license issued by the department is not valid until it is signed by the local health officer of the local board of health with jurisdiction where the establishment is located.

(2) The local health officer shall validate or refuse to validate the license within 15 days of the receipt of the license.

(3) The failure of the local health officer to validate the license within 15 days after its receipt is a refusal.

Section 18. Refusal of local health officer to validate — appeal to board. (1) A local health officer may refuse to validate a license issued by the department only if the local health officer determines that the applicant has not met the requirements for the issuance of the license under [sections 1 through
or rules adopted by the department under [sections 1 through 25]. The local health officer shall notify the applicant and the department of the refusal within 5 days of the decision not to validate. The notice must state the grounds for the refusal.

(2) The applicant may appeal the decision of the local health officer to the local board of health by filing a written notice of appeal with the local health officer and the local board of health within 30 days of the local health officer's refusal to validate a license or within 30 days of the expiration of the period for the local health officer's decision under [section 17], whichever is first.

(3) Upon the filing of the notice of appeal, the applicant is entitled to a hearing before the local board of health to determine the applicant's eligibility for a license under [sections 1 through 25] and department rules adopted under [sections 1 through 25]. The hearing must be held pursuant to the contested case procedure of the Montana Administrative Procedure Act. If the local board of health finds that the applicant is entitled to a validated license, the presiding officer of the local board of health shall validate the license by signing the license.

Section 19. Cancellation of license — multiple establishments. (1) The department may deny or cancel a license if it finds, after proper investigation, that the applicant or licensee has violated or is not in compliance with [sections 1 through 25] or a rule adopted under [sections 1 through 25] and that the applicant or licensee has failed or refused to remedy or correct the noncompliance or violation.

(2) When more than one type of establishment is authorized by one license, as provided in [section 11(2)], the denial or cancellation may affect one, some, or all of the types of establishments as determined by the department.

Section 20. Submission and execution of plan of correction as bar to cancellation. An applicant or licensee may submit to the department a written plan of correction within 10 days after receipt from the department of a written notice of violation. The department shall determine if the plan of correction is acceptable. The submission and execution of an acceptable plan of correction within the time prescribed in the plan are a bar to license cancellation.

Section 21. Notice and hearing required. (1) A license may not be denied or canceled by the department without delivery to the applicant or licensee of a written statement of the grounds for denial or cancellation and an opportunity for a hearing before the department to show cause, if any, why the license should not be denied or canceled.

(2) The applicant or licensee shall make a written request to the department for a hearing within 10 days after notice of the grounds for denial or cancellation has been received.

(3) The hearing must be held in accordance with the contested case procedure of the Montana Administrative Procedure Act. After a hearing, the department may issue an appropriate order. Service of notice or an order mailed by the department is complete upon mailing.

Section 22. Special revenue account. There is an account in the state special revenue fund. Money in the account is allocated to the department to be used to administer the provisions of [sections 1 through 25] and the rules adopted under [sections 1 through 25].

Section 23. Health officers and sanitarians to make investigations and inspections. State and local health officers, sanitarians-in-training, and
registered sanitarians shall conduct investigations and inspections of establishments and make reports to the department as required under rules adopted by the department.

Section 24. Health officers and sanitarians to have free access. State and local health officers, sanitarians-in-training, and registered sanitarians must be provided free access to establishments at all reasonable hours for the purpose of conducting investigations and inspections as required under sections 1 through 25.

Section 25. Department to pay local health board for inspections and enforcement. (1) Before June 30 of each year, the department shall pay to a local board of health an amount from the local board inspection fund account, created in 50-2-108, that may be used only for the purpose of inspecting establishments under sections 1 through 25 and enforcing the provisions of sections 1 through 25. However, a payment may be made only if:
   (a) there is a functioning local board of health; and
   (b) the local board of health, local health officers, sanitarians-in-training, and registered sanitarians:
      (i) assist in inspections and enforcement of the provisions of sections 1 through 25 and rules adopted under sections 1 through 25; and
      (ii) meet minimum program performance standards as established under rules adopted by the department.

   (2) The funds received by the local board of health pursuant to subsection (1) must be deposited with the appropriate local fiscal authority and must be used to supplement, but not supplant, other funds received by the local board of health that in the absence of funding received under subsection (1) would be made available for the same purpose.

   (3) Funds in the local board inspection fund account not paid to the local board of health, as provided in subsection (1), may be used by the department, within any jurisdiction that does not qualify to receive payments from the local board inspection fund account, to enforce the provisions of sections 1 through 25 and rules adopted under section 1 through 25.

      (a) an anniversary date for license renewal that is set by the board of review;
      (b) an electronic means of verifying the information required in the license application; and
      (c) credit card discounts in relation to fees required for licensure.
The department shall designate an employee in charge of administering the plan whose duties include those of executive secretary of the board of review.

Section 27. Section 50-2-118, MCA, is amended to read:

CHAPTER NO. 476

[HB 517]
AN ACT CLARIFYING THAT A CITY OR COUNTY MAY IMPOSE MILL LEVIES FOR AIRPORTS EVEN IF THE AIRPORT OR AIRPORT AUTHORITY HAS NOT MADE A LEVY REQUEST IN THE PRIOR 2 YEARS; AMENDING SECTION 15-10-420, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-10-420, MCA, is amended to read:

“15-10-420. Procedure for calculating levy. (1) (a) Subject to the provisions of this section, a governmental entity that is authorized to impose mills may impose a mill levy sufficient to generate the amount of property taxes actually assessed in the prior year plus one-half of the average rate of inflation for the prior 3 years. The maximum number of mills that a governmental entity may impose is established by calculating the number of mills required to generate the amount of property tax actually assessed in the governmental unit in the prior year based on the current year taxable value, less the current year’s value of newly taxable property, plus one-half of the average rate of inflation for the prior 3 years.

(b) A governmental entity that does not impose the maximum number of mills authorized under subsection (1)(a) may carry forward the authority to impose the number of mills equal to the difference between the actual number of mills imposed and the maximum number of mills authorized to be imposed. The mill authority carried forward may be imposed in a subsequent tax year.

(c) For the purposes of subsection (1)(a), the department shall calculate one-half of the average rate of inflation for the prior 3 years by using the consumer price index, U.S. city average, all urban consumers, using the 1982-84 base of 100, as published by the bureau of labor statistics of the United States department of labor.

(2) A governmental entity may apply the levy calculated pursuant to subsection (1)(a) plus any additional levies authorized by the voters, as provided in 15-10-425, to all property in the governmental unit, including newly taxable property.

(3) For purposes of this section, newly taxable property includes:
(a) annexation of real property and improvements into a taxing unit;
(b) construction, expansion, or remodeling of improvements;
(c) transfer of property into a taxing unit;
(d) subdivision of real property; and
(e) transfer of property from tax-exempt to taxable status.
(4) (a) For the purposes of subsection (1), the taxable value of newly taxable property includes the release of taxable value from the incremental taxable value of a tax increment financing district because of:
   (i) a change in the boundary of a tax increment financing district;
   (ii) an increase in the base value of the tax increment financing district pursuant to 7-15-4287; or
   (iii) the termination of a tax increment financing district.

(b) For the purpose of subsection (3)(d), the subdivision of real property includes the first sale of real property that results in the property being taxable as class four property or as nonagricultural land as described in 15-6-133(1)(c).

(c) For the purposes of this section, newly taxable property does not include an increase in appraised value of land that was previously valued at 75% of the value of improvements on the land, as provided in 15-7-111(4) and (5), as those subsections applied on December 31, 2001.

(5) Subject to subsection (8), subsection (1)(a) does not apply to:
   (a) school district levies established in Title 20; or
   (b) the portion of a governmental entity’s property tax levy for premium contributions for group benefits excluded under 2-9-212 or 2-18-703.

(6) For purposes of subsection (1)(a), taxes imposed do not include net or gross proceeds taxes received under 15-6-131 and 15-6-132.

(7) In determining the maximum number of mills in subsection (1)(a), the governmental entity may increase the number of mills to account for a decrease in reimbursements.

(8) The department shall calculate, on a statewide basis, the number of mills to be imposed for purposes of 15-10-107, 20-9-331, 20-9-333, 20-9-360, 20-25-423, and 20-25-439. However, the number of mills calculated by the department may not exceed the mill levy limits established in those sections. The mill calculation must be established in whole mills. If the mill levy calculation does not result in a whole number of mills, then the calculation must be rounded up to the nearest whole mill.

(9) (a) The provisions of subsection (1) do not prevent or restrict:
   (i) a judgment levy under 2-9-316 or 7-7-2202;
   (ii) a levy to repay taxes paid under protest as provided in 15-1-402; or
   (iii) an emergency levy authorized under 10-3-405, 20-9-168, or 20-15-326.

   (b) A levy authorized under subsection (9)(a) may not be included in the amount of property taxes actually assessed in a subsequent year.

(10) A governmental entity may levy mills for the support of airports as authorized in 67-10-402, 67-11-301, or 67-11-302 even though the governmental entity has not imposed a levy for the airport or the airport authority in either of the previous 2 years and the airport or airport authority has not been appropriated operating funds by a county or municipality during that time.

(11) The department may adopt rules to implement this section. The rules may include a method for calculating the percentage of change in valuation for purposes of determining the elimination of property, new improvements, or newly taxable property in a governmental unit."
Section 2. Effective date. [This act] is effective on passage and approval.

(1) the applicant is not the owner of the vehicle;

(2) the application contains a false or fraudulent statement;

(3) the applicant failed to furnish any information or document required by the department;

(4) based on the check performed under [section 6(2)], the vehicle has been reported as stolen.

Section 9. Certificate of title — voluntary transfer — timeliness — penalty. (1) Upon the voluntary transfer of any interest in a motor vehicle for which a certificate of title was issued under the provisions of this chapter, the owner whose interest is to be transferred shall:

(a) authorize, in writing and on a form prescribed by the department, its authorized agent, or a county treasurer, to enter the transfer of the owner’s interest in the vehicle to the transferee on the electronic record of title maintained under 61-3-101; or

(b) execute a transfer in the appropriate space provided on the certificate of title issued to the owner and deliver the assigned certificate of title to:

(i) the transferee at the time of delivery of the vehicle; or

(ii) the department, its authorized agent, or a county treasurer if an application for a certificate of title has been completed by the transferee and accompanies the assigned certificate of title.

(2) The transferor’s signature on the certificate of title, or the form authorizing transfer of interest upon the electronic record of title, must be acknowledged before the county treasurer, a deputy county treasurer, an elected official authorized to acknowledge signatures, an employee or authorized agent of the department, or a notary public.

(3) Except as provided in sections 23-2-513, 23-2-619, 23-2-818, or 61-4-111, the person to whom an interest in a motor vehicle has been transferred shall:

(a) execute an application for a certificate of title in the space provided on the assigned certificate of title or as prescribed by the department; and

(b) within 20 days after the interest in the vehicle was transferred to the person, mail or deliver the assigned certificate of title or application to the
county treasurer of the person’s county of residence or, as permitted by the department, its authorized agent.

(4) If the person to whom an interest in a motor vehicle has been transferred fails to submit the application for a certificate of title to the department’s authorized agent or a county treasurer within the 20-day grace period described in subsection (3), a late penalty of $10 must be imposed against the transferee. The penalty must be paid by the transferee to the county treasurer when the application for a certificate of title is finally submitted by the transferee or before the transferee may register the vehicle in this state. The penalty is in addition to the fees otherwise provided by law.

(5) If the transferee does not apply for a certificate of title within the 20-day grace period, a secured party or lienholder of record may pay the fees for the transfer of title and for filing a voluntary security interest or lien. The secured party or lienholder is not liable for the late penalty imposed in subsection (4) or for registration fees, taxes, or fees in lieu of tax on the vehicle.

Section 10. Involuntary transfer. (1) (a) An involuntary transfer of title to or any interest in a motor vehicle may occur by operation of law through inheritance, devise, bequest, order in bankruptcy or insolvency, execution sale, or repossession upon default in the performance of a lease, executory sales contract, or security agreement or in any other manner other than by voluntary act of the person whose title or interest is transferred. Upon the involuntary transfer, the executor, administrator, receiver, trustee, sheriff, secured party, or other representative or successor in interest of the person whose interest is transferred shall send to the department:

(i) an application for a certificate of title; and

(ii) a verified or certified statement of the transfer of interest or a transfer statement, as defined in 30-9A-619.

(b) The statement of transfer of interest must state the reason for the involuntary transfer, the interest transferred, the name of the person to whom the interest is to be transferred, the process or procedure creating the transfer, and other information requested by the department. A transfer statement submitted under this section must meet the requirements of 30-9A-619. Evidence and instruments that are required by law in order to effect a transfer of legal or equitable title to or an interest in chattels must be submitted with the statement.

(c) Except as provided in subsection (2), if the department determines that the transfer is regular and that all legal requirements have been complied with, the department shall send notice of the intended transfer to the owner, conditional sales vendor, lessor, mortgagee, and other lienholder, as shown in the department’s records. Deposit in the U.S. mail of the notice, postage prepaid, addressed to the person at the respective address shown in the department’s records satisfies the notice required by this section. Not less than 5 days after sending the notice, the department shall issue a new certificate of title to the transferee.

(2) (a) Except as provided in subsection (2)(b), if an interest in a vehicle that is not registered in this state is involuntarily transferred to a person in this state, the person to whom the interest is transferred shall follow the procedure provided in subsection (1).
(b) In lieu of the statement required in subsection (1), the department may accept an affidavit of repossession as executed by the person seeking the involuntary transfer.

(3) The department is not required to send notice for a transfer of interest occurring under subsection (2).

Section 11. Surviving spouse or heir — small estates. (b) the decedent did not leave other property that requires the procuring of letters of administration or letters testamentary; and

(c) the decedent did not by execution of a will otherwise bequeath the property.

(2) The person seeking transfer of the decedent’s interests under this section shall file an affidavit with the department setting forth the fact of survivorship, the name and address of any other heirs, and any other facts determined necessary to entitle the person to the transfer.

(3) If the department determines that the transfer is regular and that all legal requirements have been met, the department shall issue a certificate of title, subject to any security interests shown by the department’s records, to the surviving spouse or other heir.

Section 12. Salvage vehicles. (1) A salvage vehicle for which a certificate of title is sought must be inspected for the vehicle identification number to authenticate the identity of the vehicle before an electronic record of title can be created or a certificate of title can be issued. The inspection does not attest to the roadworthiness or safety condition of the vehicle and must be performed by an authorized employee or an authorized agent of the department or by a peace officer designated by the department.

(2) The department may contract with a person or entity for use of a facility as a regional inspection site for salvage vehicles.

(3) The department shall collect an inspection fee of $18.50 from the person requesting the inspection for each salvage vehicle inspected. The fees collected under this section must be distributed as follows:

(a) $5 must be deposited in the state general fund; and

(b) $13.50 must be deposited in an account in the state special revenue fund to be appropriated only for the inspection of salvage vehicles.

(iii) that has a vehicle identification number that does not conform with the vehicle identification number on the certificate of title.

(b) A seized vehicle must be held until the identity of the vehicle is established and arrangements are made for its lawful disposition. A person
authorized to inspect salvage vehicles may use any means necessary to identify a vehicle by its vehicle identification number or numbers.

(5) The department may not create an electronic record of title or issue a certificate of title for a salvage vehicle until the identity of the vehicle is established.

(6) The department may adopt rules for the inspection of salvage vehicles.

Section 13. Temporary registration permit. (1) A county treasurer or a law enforcement officer may issue a temporary registration permit under the provisions of 61-3-317. A county treasurer may also issue a temporary registration permit under the provisions of 61-3-342.

(2) An employee or agent of the department may issue a temporary registration permit only under express authorization from the department and in accordance with the provisions of this chapter.

(3) A dealer licensed under Title 23, chapter 2, part 5, 6, or 8, or under Title 61, chapter 4, part 1, may issue a temporary registration permit only as authorized under 23-2-513, 23-2-619, 23-2-818, 61-4-111, or 61-4-112.

(4) A temporary registration permit issued under subsections (1) through (3) must contain the following information:

(6) A manufactured home that has been declared an improvement to real property in accordance with this section must be treated by the department and by lending institutions in the same manner as any other residence that is classified as an improvement.”

Section 15. Section 15-1-117, MCA, is amended to read:

(o) state aeronautics fees pursuant to 67-3-101; and

(p) department of natural resources and conservation payments in lieu of taxes pursuant to Title 77, chapter 1, part 5.

(2) (a) From the amounts estimated in subsection (1) for each county government, the department shall deduct fiscal year 2001 county government expenditures for district courts, less reimbursements for district court expenses,
and fiscal year 2001 county government expenditures for public welfare programs to be assumed by the state in fiscal year 2002.

(b) The amount estimated pursuant to subsections (1) and (2)(a) is each local government’s base year component. The sum of all local governments’ base year components is the base year entitlement share pool. For the purpose of calculating the sum of all local governments’ base year components, the base year component for a local government may not be less than zero.

(3) (a) Beginning with fiscal year 2002 and in each succeeding fiscal year, the base year entitlement share pool must be increased annually by a growth rate as provided for in this subsection (3). The amount determined through the application of annual growth rates is the entitlement share pool for each fiscal year. For fiscal year 2002, the growth rate is 3%. For fiscal year 2003, the growth rate is 3% for incorporated cities and towns, 1.61% for counties, and 2.3% for consolidated local governments. Beginning with calendar year 2004, by October 1 of each even-numbered year, the department shall calculate the growth rate of the entitlement share pool for each year of the next biennium in the following manner:

(i) Before applying the growth rate for fiscal year 2004 to determine the fiscal year 2004 entitlement share pool, the department shall add to the fiscal year 2003 entitlement share pool the fiscal year 2003 amount of revenue actually distributed to the county from the 25-cent marriage license fee in 50-15-301 and the probation and parole fee in 46-23-1031(2)(b).

(ii) The department shall calculate the average annual growth rate of the Montana gross state product, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published; and

(B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection (3)(a)(ii)(A).

(iii) The department shall calculate the average annual growth rate of Montana personal income, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published; and

(B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection (3)(a)(iii)(A).

(b) (i) For fiscal year 2004 and subsequent fiscal years, the entitlement share pool growth rate for the first year of the biennium must be the following percentage of the average of the growth rates calculated in subsections (3)(a)(ii)(B) and (3)(a)(iii)(B):

(A) for counties, 54%;

(B) for consolidated local governments, 62%; and

(C) for incorporated cities and towns, 70%.

(ii) The entitlement share pool growth rate for the second year of the biennium must be the following percentage of the average of the growth rates calculated in subsections (3)(a)(ii)(A) and (3)(a)(iii)(A):

(A) for counties, 54%;
(B) for consolidated local governments, 62%; and
(C) for incorporated cities and towns, 70%.

(4) As used in this section, “local government” means a county, a consolidated local government, an incorporated city, and an incorporated town. A local government does not include a tax increment financing district provided for in subsection (6). For purposes of calculating the base year component for a county or consolidated local government, the department shall include the revenue listed in subsection (1) for all special districts within the county or consolidated local government. The county or consolidated local government is responsible for making an allocation from the county’s or consolidated local government’s share of the entitlement share pool to each special district within the county or consolidated local government in a manner that reasonably reflects each special district’s loss of revenue sources listed in subsection (1).

(5) (a) The entitlement share pools calculated in this section and the block grants provided for in subsection (6) are statutorily appropriated, as provided in 17-7-502, from the general fund to the department for distribution to local governments. Each local government is entitled to a pro rata share of each year’s entitlement share pool based on the local government’s base component in relation to the base year entitlement share pool. The distributions must be made on a quarterly basis beginning September 15, 2001.

(b) (i) For fiscal year 2002, the growth amount is the difference between the fiscal year 2002 entitlement share pool and the base year entitlement share pool. For fiscal year 2002, a county may have a negative base year component. For fiscal year 2003 and each succeeding fiscal year, the growth amount is the difference between the entitlement share pool in the current fiscal year and the entitlement share pool in the previous fiscal year. For the purposes of subsection (5)(b)(ii)(A), a county with a negative base year component has a base year component of zero. The growth factor in the entitlement share must be calculated separately for:

(A) counties;
(B) consolidated local governments; and
(C) incorporated cities and towns.

(ii) In each fiscal year, the growth amount for counties must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each county’s percentage of the base year entitlement share pool for all counties; and

(B) 50% of the growth amount must be allocated based upon the percentage that each county’s population bears to the state population not residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iii) In each fiscal year, the growth amount for consolidated local governments must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each consolidated local government’s percentage of the base year entitlement share pool for all consolidated local governments; and

(B) 50% of the growth amount must be allocated based upon the percentage that each consolidated local government’s population bears to the state’s total population.
population residing within consolidated local governments as determined by the
latest interim year population estimates from the Montana department of
commerce as supplied by the United States bureau of the census.

(iv) In each fiscal year, the growth amount for incorporated cities and towns
must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each
incorporated city’s or town’s percentage of the base year entitlement share pool
for all incorporated cities and towns; and

(B) 50% of the growth amount must be allocated based upon the percentage
that each city’s or town’s population bears to the state’s total population residing
within incorporated cities and towns as determined by the latest interim year
population estimates from the Montana department of commerce as supplied by
the United States bureau of the census.

(v) In each fiscal year, the amount of the entitlement share pool not
represented by the growth amount is distributed to each local government in the
same manner as the entitlement share pool was distributed in the prior fiscal
year.

(vi) For fiscal year 2002, an amount equal to the district court costs identified
in subsection (2) must be added to each county government’s distribution from
the entitlement share pool.

(vii) For fiscal year 2002, an amount equal to the district court fees identified
in subsection (1)(d) must be subtracted from each county government’s
distribution from the entitlement share pool.

(6) (a) If a tax increment financing district was not in existence during the
fiscal year ending June 30, 2000, then the tax increment financing district is not
entitled to any block grant. If a tax increment financing district referred to in
subsection (6)(b) terminates, then the block grant provided for in subsection
(6)(b) terminates.

(b) One-half of the payments provided for in this subsection (6)(b) must be
made by November 30 and the other half by May 31 of each year. Subject to
subsection (6)(a), the entitlement share for tax increment financing districts is
as follows:

Silver Bow Ramsay Industrial  597,594;
(ii) for fiscal years 2004 and 2005:
Missoula County Airport Industrial $2,406
Silver Bow Ramsay Industrial 298,797; and
(iii) $0 for all succeeding fiscal years.

(d) The entitlement share for industrial tax increment financing districts referred to in subsection (6)(c) may not be used to pay debt service on tax increment bonds to the extent that the bonds are secured by a guaranty, a letter of credit, or a similar arrangement provided by or on behalf of an owner of property within the tax increment financing industrial district.

(e) One-half of the payments provided for in subsection (6)(c) must be made by July 30, and the other half must be made in December of each year.

(7) The estimated base year entitlement share pool and any subsequent entitlement share pool for local governments do not include revenue received from countywide transportation block grants or from countywide retirement block grants.

(8) The estimates for the base year entitlement share pool in subsection (1) must be calculated as if the fees in Chapter 515, Laws of 1999, were in effect for all of fiscal year 2001.

(9) (a) If revenue that is included in the sources listed in subsections (1)(b) through (1)(p) is significantly reduced, except through legislative action, the department shall deduct the amount of revenue loss from the entitlement share pool beginning in the succeeding fiscal year and the department shall work with local governments to propose legislation to adjust the entitlement share pool to reflect an allocation of the loss of revenue.

(b) For the purposes of subsection (9)(a), a significant reduction is a loss that causes the amount of revenue received in the current year to be less than 95% of the amount of revenue received in the base year.

(10) A three-fifths vote of each house is required to reduce the amount of the entitlement share calculated pursuant to subsections (1) through (3).

(11) When there has been an underpayment of a local government’s share of the entitlement share pool, the department shall distribute the difference between the underpayment and the correct amount of the entitlement share. When there has been an overpayment of a local government’s entitlement share, the local government shall remit the overpaid amount to the department.

(12) A local government may appeal the department’s estimation of the base year component, the entitlement share pool growth rate, or a local government’s allocation of the entitlement share pool, according to the uniform dispute review procedure in 15-1-211.”

(2) Compliance with the requirements of a statute, regulation, or treaty described in subsection (1) for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this chapter. Except as otherwise provided in 30-9A-313 and 30-9A-316(4) and (5) and subsection (4) of this section for goods covered by a certificate of title, a security interest in property subject to a statute, regulation, or treaty described in subsection (1) may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

(2) Every title loan must be reduced to writing in a title loan agreement. Each title loan agreement must provide that:

(a) the title lender agrees to make a loan of money to the borrower and that the borrower agrees to give the title lender a security interest in unencumbered titled personal property owned by the borrower;

(b) the borrower consents to the title lender keeping possession of the certificate of title;

(c) the borrower has the exclusive right to redeem the certificate of title by repaying the loan of money in full and by complying with the title loan agreement for an agreed period of time;

(d) (i) the title lender may renew the title loan for additional 30-day periods beyond the original term provided that beginning with the sixth extension or continuation, and for each subsequent extension or continuation, the borrower must reduce the principal amount by at least 10% of the original principal amount of the loan; and

(ii) if the borrower fails to reduce the principal amount as required by subsection (2)(d)(i), the title lender may at its option:

(A) declare outstanding principal and any finance charges due and payable; or

(B) solely for the purpose of calculating the finance charge, reduce the amount of the principal balance by 10%, with the understanding that that portion of the principal is still owed by the borrower but that portion of the loan may not accrue interest or finance charges after that date;

(e) when the certificate of title is redeemed, the title lender shall release its security interest in the titled personal property and return the personal property certificate of title to the borrower;

(f) (i) upon failure of the borrower to redeem the certificate of title at the end of the original 30-day agreement period or at the end of any agreed-upon 30-day renewal or subsequent renewals, the borrower shall deliver the titled personal property to the title lender at the location specified in the title loan agreement; and

(ii) the borrower shall deliver the titled personal property to the title lender in substantially the same condition that it was in at the time that the borrower entered into the loan, minus normal wear and tear;

(g) if the borrower fails to deliver the titled personal property to the title lender, the title lender must be allowed to take possession of the titled personal property;
(h) upon obtaining possession of the titled personal property, the title lender is authorized to sell the titled personal property and to convey to the buyer good title, subject to the waiting periods provided for in 31-1-820; and

(i) a borrower who does not redeem a pledged certificate of title is not personally liable to the title lender to repay principal, interest, or expenses incurred in connection with the title loan and that the title lender shall look solely to the titled personal property for satisfaction of the amounts owed under the title loan agreement.

(3) The security interest provided for in subsection (2)(a) is not perfected unless it is filed in accordance with 23-2-611 or 61-3-103.

(4) Any borrower who obtains a title loan from a title lender under false pretenses by hiding or not disclosing the existence of a valid prior lien or security interest affecting the titled personal property is personally liable to the title lender for the full amount stated in the title loan agreement, including interest and expenses incurred by the title lender in connection with the loan.”

(3) A support lien has the priority of a secured creditor from the date the lien is perfected as provided by this section; however, the lien is subordinate to:

(a) any prior perfected lien or security interest;

(b) a mortgage, the proceeds of which are used by an obligor to purchase real property; or

(c) any perfected purchase money security interest, as described in 30-9A-301.

(5) The lien applies to all real and personal property owned by the obligor if it can be located in the state. The lien applies to all real and personal property that the obligor can afterward acquire. Except as provided in subsections (5)(a) and (5)(b), the department may not impose a lien under this section upon a self-sufficiency trust established pursuant to Title 53, chapter 18, part 1, or upon the assets of a self-sufficiency trust established pursuant to Title 53, chapter 18, part 1.
(a) The department may impose a lien under this section upon a self-sufficiency trust or upon the assets of a self-sufficiency trust established pursuant to Title 53, chapter 18, part 1, if the department is required by federal law to recover or collect from the trust or its assets as a condition of receiving federal financial participation for the child support enforcement program or for temporary assistance for needy families, as defined in 53-4-201.

(b) To the extent otherwise permitted by this section, the department is not precluded from asserting a claim or imposing a lien upon real or personal property prior to transfer of the property to the trust. If the department imposes a lien upon property prior to transfer to a self-sufficiency trust, any transfer of the property to the trust is subject to the lien.

(6) The department shall keep a record of support liens asserted under this section in the registry of support orders established by 40-5-271.

(7) A support lien is perfected:

The application must be made in the following manner:

(a) Each application and all of the information contained in it must be verified by the department or an authorized representative of the department on a form to be furnished by the department for that purpose. The application must provide the following information:

(i) the name in which the business is to be conducted and the location of premises, including street address, city, county, and state, where records are
kept, sales are made, and motor vehicle stock is displayed as an established place of business that displays a sign indicating the firm name and that vehicles are offered for sale. The letters on the sign must be clearly visible and readable to the major avenue of traffic at a minimum distance of 150 feet.

(ii) the name and address of all owners or persons having an interest in the business. In the case of a corporation, the names and addresses of the president and secretary are sufficient.

(iii) a statement that the applicant is authorized to auction used motor vehicles, recreational vehicles, trailers, semitrailers, special mobile equipment, motorcycles, and quadricycles under one license. (2) An auto auction's license must be renewed and paid for annually to the department, and an application for relicensure must be filed by January 1 of each year. The fee required for each first-time applicant is $500 and for subsequent renewal applications is $100 each year. Upon receipt of a properly completed application, fee, and bond, the department shall issue the auto auction license and assign an auto auction license number for each applicant in a manner determined by the department. Auto auctions dealing in motor vehicles may sell only to licensed dealers and wholesalers.

(3) Auto auctions that are licensed under this section and that hold a current license number may issue temporary registration permits, which may be displayed and used by a buyer to operate an unregistered vehicle purchased from the auto auction. The temporary registration permit is valid for a period of 72 hours from the time of purchase and may be used only for the purpose of driving or transporting a vehicle from the auction premises to the purchaser's established place of business or point of destination. Upon application for an auto auction license, the applicant, if requesting the license plates, shall submit a sworn affidavit on a form prescribed by the department, listing each authorized person designated by the auction to use the license plates. An auto auction’s stamp must be legible and may not interfere with the information recorded on the certificate of title between the transferor and transferee. If the certificate of ownership title lacks adequate space for the auto auction to place its stamp, the auction may provide the transferee a copy of the auction invoice bearing the:

(i) name and license number of the auction, along with an indication of the vehicle year, make, model, and identification number;
(ii) name, address, and signature of the transferor;
(iii) name, license number, and signature of the transferee; and
(iv) date the vehicle was sold through the auction.

(c) The invoice must be attached to the certificate of ownership title and must be presented to the department with any application for title.

The odometer information may be retained in any way that is systematically retrievable and is not required to be maintained on any special disclosure form. The information may be part of the auction receipt or invoice or be maintained as a portion of a computer database or manual file. An auto auction that executes a transfer of ownership as an agent on behalf of a seller or buyer is liable for providing an odometer disclosure statement for the seller or an odometer disclosure acknowledgment for the buyer under the provisions of 61-3-206."

Section 5. Failure to provide required notice. The failure of a charitable organization to comply with the notice requirements imposed under [sections 3 and 4] does not prevent a charitable gift annuity that otherwise meets the requirements of [sections 1 through 5] from constituting a qualified charitable gift annuity. The commissioner may enforce performance of the requirements of [sections 3 and 4] by sending a letter by certified mail, return receipt requested, demanding that the charitable organization comply with the requirements of [sections 3 and 4]. The commissioner may fine the charitable organization in an amount not to exceed $1,000 for each qualified charitable gift
annuity agreement issued until the time that the charitable organization complies with [sections 3 and 4].

(b) The amount of employment-related expenses considered to have been paid by the taxpayer is equal to the amount that the taxpayer charges for the care of a child of the same age for the same number of hours of care. The employment-related expenses apply regardless of whether any expenses actually have been paid. Employment-related expenses may not exceed the amounts specified in subsection (1)(c)(iv)(B).

A deduction is not allowed for salaries paid upon which the recipient has not paid Montana state income tax. However, when domestic corporations are taxed on income derived from outside the state, salaries of officers paid in connection with securing the income are deductible.

CHAPTER NO. 483

[SB 194]

AN ACT AUTHORIZING WATER ADMINISTRATION INTERIM AGREEMENTS TO PROVIDE FOR JOINT TRIBAL AND STATE ADMINISTRATION OF NEW WATER USES ON A RESERVATION PENDING FINAL ADJUDICATION OF INDIAN RESERVED WATER RIGHTS IF A COURT OF COMPETENT JURISDICTION HAS HELD THAT THE DEPARTMENT LACKS EXCLUSIVE AUTHORITY TO ISSUE NEW WATER USE PERMITS WITHIN THE EXTERIOR BOUNDARIES OF THE RESERVATION; AMENDING SECTION 85-2-708, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 85-2-708, MCA, is amended to read:
“85-2-708. Water administration interim agreements within Indian reservations. (1) Because it appears to be to the common advantage of the state and Indian tribes to cooperate in matters involving the permitting and use of water within the exterior boundaries of an Indian reservation prior to the final adjudication of Indian reserved water rights and because the state does not intend by enactment of this section to limit, expand, alter, or waive state jurisdiction to administer water rights within the exterior boundaries of an Indian reservation, pursuant to the requirements of Title 18, chapter 11, the department may negotiate and conclude an interim agreement with the tribal government of any Indian tribe in Montana prior to final adjudication of Indian reserved water rights for the purpose of implementing a water administration plan and a permitting process for the issuance of water rights and changes in water right uses within the exterior boundaries of an Indian reservation.

(2) Subject to subsection (4), an agreement entered into pursuant to subsection (1) must:

(a) provide for the retention of exclusive authority by the state to issue permits to applicants who are not members of the tribe and to issue change of use authorizations;

(b) provide that any permits must be issued in accordance with the criteria established by state law; and

(c) provide that permits may be only for new uses with a date of priority in compliance with state law.

(3) Prior to concluding any agreement under this section, the department shall hold public meetings, after proper public notice of the meetings has been given and the proposed agreement has been made available for public review, to afford the public an opportunity to comment on the contents of the agreement.

(4) The provisions of subsection (2) do not apply if a court of competent jurisdiction has held that the department lacks exclusive authority to issue new water use permits within the exterior boundaries of an Indian reservation pending final adjudication of Indian reserved water rights. In that case, the department, with the approval of the governor, may enter into an interim agreement that provides for joint tribal and state administration of new water uses on the reservation pending final adjudication of Indian reserved water rights. Any interim agreement entered into pursuant to this subsection (4):

(a) must address how and whether new ground water uses for domestic and municipal purposes will be granted. Except for the criterion in 85-2-311(1)(a)(ii), an interim agreement that grants new ground water uses must establish criteria for new water uses that incorporate the criteria listed in 85-2-311.

(b) must address how and whether changes in existing appropriation rights within the exterior boundaries of the reservation will be granted. An interim agreement that grants changes must establish criteria for changes in existing appropriation rights that incorporate the criteria listed in 85-2-402.

(c) must address how and whether water use will be authorized under the interim agreement and how the use will be secure and valid in the event of the termination of the interim agreement, quantification of reserved water rights, or termination of negotiations of reserved water rights under 85-2-704;

(d) must maintain the jurisdictional claims of each party to the interim agreement;
(e) must protect each party against a waiver of the right to challenge the claims of each party at any time;

(f) may not prejudice the regulatory or adjudicatory jurisdiction of either party;

(g) must provide that none of the activities of each party in the negotiation or implementation of an interim agreement may be used to affect the equitable or legal position of either party in any future litigation; and

(h) must provide that nothing in the negotiation or implementation of an interim agreement may be considered as enlarging or diminishing the jurisdiction or authority of either party within the reservation."

Section 2. Notification to tribal governments. The secretary of state shall send a copy of [this act] to each tribal government located on the seven Montana reservations and to the Little Shell band of Chippewa.

Section 3. Effective date. [This act] is effective on passage and approval.

CHAPTER NO. 484

[SB 230]

AN ACT ADOPTING THE MONTANA PRUDENT INVESTOR RULE; PROVIDING STANDARDS OF CARE AND DUTIES OF TRUSTEES IN MAKING INVESTMENTS AND MANAGING TRUST ASSETS; AMENDING SECTIONS 72-34-113 AND 72-34-114, MCA; AND REPEALING SECTION 72-34-121, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Short title. [Sections 1 through 9] and 72-34-104 constitute the Montana prudent investor rule and may be cited as the “Montana Uniform Prudent Investor Act”.

Section 2. Compliance — duty of trustee — exception — liability. (1) The trustee has a duty to administer the trust solely in the interest of the beneficiaries. Except as provided in subsection (2), a trustee who invests and manages trust assets owes a duty to the beneficiaries of the trust to comply with the prudent investor rule.

(2) The trustor may expand or restrict the prudent investor rule by express provisions in the trust instrument. A trustee is not liable to a beneficiary for the trustee’s good faith reliance on these express provisions.

Section 3. Standard of care — investments and management — considerations. (1) A trustee shall invest and manage trust assets as a prudent investor would, by considering the purposes, terms, distribution requirements, and other circumstances of the trust. In satisfying this standard, the trustee shall exercise reasonable care, skill, and caution.

(2) A trustee’s investment and management decisions respecting individual assets and courses of action must be evaluated not in isolation, but in the context of the trust portfolio as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to the trust.
(3) Among circumstances that are appropriate to consider in investing and managing trust assets are the following, to the extent relevant to the trust or its beneficiaries:

(a) general economic conditions;
(b) the possible effect of inflation or deflation;
(c) the expected tax consequences of investment decisions or strategies;
(d) the role that each investment or course of action plays within the overall trust portfolio;
(e) the expected total return from income and the appreciation of capital;
(f) other resources of the beneficiaries known to the trustee as determined from information provided by the beneficiaries;
(g) needs for liquidity, regularity of income, and preservation or appreciation of capital; and
(h) an asset’s special relationship or special value, if any, to the purposes of the trust or to one or more of the beneficiaries.

(4) A trustee shall make a reasonable effort to ascertain facts relevant to the investment and management of trust assets.

(5) A trustee may invest in any kind of property or type of investment or engage in any course of action or investment strategy consistent with the standards of [sections 1 through 9] and 72-34-104.

Section 4. Diversification — duty of trustee — exception.
(1) Subject to subsection (2), in making and implementing investment decisions, the trustee has a duty to diversify the investments of the trust unless, under the circumstances, it is not prudent to do so.

(2) If trust assets include farm or ranch property, a closely held family business, timber interests, or interests in oil, gas, or minerals, the trustee may elect to retain those assets unless otherwise directed by a majority of adult trust beneficiaries. A trustee’s exercise of discretion to retain assets of the character described in this subsection is not a breach of the trustee’s duty to diversify investments.

Section 5. Review of assets — time for compliance. Within a reasonable time after accepting a trusteeship or receiving trust assets, a trustee shall review the trust assets and make and implement decisions concerning the retention and disposition of assets in order to bring the trust portfolio into compliance with the purposes, terms, distribution requirements, and other circumstances of the trust and with the requirements of [sections 1 through 9] and 72-34-104.

Section 6. Costs — incurrence. In investing and managing trust assets, a trustee may incur only costs that are appropriate and reasonable in relation to the assets, overall investment strategy, purposes, and other circumstances of the trust.

Section 7. Compliance determinations — standards. Compliance with the prudent investor rule is determined in light of the facts and circumstances existing at the time of a trustee’s decision or action and not by hindsight.

Section 8. Delegation of investment and management functions — standards of care — trustees and agents — liability — jurisdiction. (1)A
trustee may delegate investment and management functions as prudent under the circumstances. The trustee shall exercise prudence in the following:

(a) selecting an agent;
(b) establishing the scope and terms of the delegation, consistent with the purposes and terms of the trust; and
(c) periodically reviewing the agent’s overall performance and compliance with the terms of the delegation.

(2) In performing a delegated function, an agent has a duty to exercise reasonable care to comply with the terms of the delegation.

(3) Except as otherwise provided in 72-34-502, a trustee who complies with the requirements of subsection (1) of this section is not liable to the beneficiaries or to the trust for the decisions or actions of the agent to whom the function was delegated.

(4) By accepting the delegation of a trust function from the trustee of a trust that is subject to the law of this state, an agent submits to the jurisdiction of the courts of this state.

Section 9. Interpretation of trust terms construing legal investments. The following terms or comparable language in the provisions of a trust, unless otherwise limited or modified, must be construed as authorizing any investment or strategy permitted under [sections 1 through 9] and 72-34-104: “investments permissible by law for investment of trust funds”, “legal investments”, “authorized investments”, “using the judgment and care under the circumstances then prevailing that persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital”, “prudent man rule”, “prudent trustee rule”, “prudent person rule”, and “prudent investor rule”.

Section 10. Section 72-34-113, MCA, is amended to read:

“72-34-113. Duty not to delegate entire administration of trust. (1) The trustee has a duty not to delegate to others the performance of acts that the trustee can reasonably be required personally to perform and may not transfer the office of trustee to another person or delegate the entire administration of the trust to a cotrustee or other person.

(2) A trustee may delegate investment, management, and administrative functions that a prudent trustee of comparable skills could properly delegate under the circumstances. The trustee shall exercise reasonable care, skill, and caution in:

(a) selecting an agent;
(b) establishing the scope and terms of the delegation, consistent with the purposes and terms of the trust;
(c) periodically reviewing the agent’s actions in order to monitor the agent’s performance and compliance with the terms of the delegation.

(2) In performing a delegated function, an agent owes a duty to the trust to exercise reasonable care to comply with the terms of the delegation.

(4) A trustee who complies with the requirements of subsection (2) is not liable to the beneficiaries or to the trust for the decisions or actions of the agent to whom the function was delegated.

1949 MONTANA SESSION LAWS 2003 Ch. 484
By accepting the delegation of a trust function from the trustee of a trust that is subject to the laws of this state, an agent submits to the jurisdiction of the courts of this state.

In a case in which a trustee has properly delegated a matter to an agent, cotrustee, or other person, the trustee has a duty to exercise general supervision over the person performing the delegated matter.

This section does not apply to investment and management functions under [section 8]."

Section 11. Section 72-34-114, MCA, is amended to read:

"72-34-114. Duty to use ordinary skill and prudence. (1) The trustee shall administer the trust with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person would use to accomplish the purposes of the trust as determined from the trust instrument.

(2) A trustee shall invest and manage trust assets as a prudent investor would, by considering the purposes, terms, distribution requirements, and other circumstances of the trust. In satisfying this standard, the trustee shall exercise reasonable care, skill, and caution.

(3) A trustee's investment and management decisions respecting individual assets must be evaluated not in isolation but in the context of a trust portfolio as a whole and as a part of an overall investment strategy having risk and return objectives reasonably suited to the trust.

(4) Among circumstances that a trustee shall consider in investing and managing trust assets are any of the following that are relevant to the trust or its beneficiaries:

(a) general economic conditions;
(b) the possible effect of inflation or deflation;
(c) the expected tax consequences of investment decisions or strategies;
(d) the role that each investment or course of action plays within the overall trust portfolio, which may include financial assets, interests in closely held enterprises, tangible and intangible personal property, and real property;
(e) the expected total return from income and the appreciation of the capital;
(f) other resources of the beneficiaries;
(g) needs for liquidity, regularity of income, and preservation or appreciation of capital; and
(h) an asset's special relationship or special value, if any, to the purposes of the trust or to one or more of the beneficiaries.

(5) A trustee shall make a reasonable effort to verify facts relevant to the investment and management of trust assets.

(6) A trustee may invest in any kind of property or type of investment consistent with the standards of this section.

(7) The trustor may expand or restrict the standards provided in subsection (1) through (6) by express provisions in the trust instrument. A trustee is not liable to a beneficiary for the trustee's reliance on these express provisions.
Compliance with the prudent investor rule is determined in light of the facts and circumstances existing at the time of a trustee’s decision or action and not by hindsight.

(4) This section does not apply to investment and management functions governed by the Montana Uniform Prudent Investor Act, as set forth in [sections 1 through 9] and 72-34-104."

Section 12. Repealer. Section 72-34-121, MCA, is repealed.

Section 13. Codification instruction. [Sections 1 through 9] are intended to be codified as an integral part of Title 72, chapter 34, and the provisions of Title 72, chapter 34, apply to [sections 1 through 9].

Section 14. Instruction to code commissioner. The code commissioner shall renumber 72-34-104 as an integral part of [sections 1 through 9].

CHAPTER NO. 491

[SB 401]

AN ACT REVISING AND EXPANDING THE MEMBERSHIP OF THE BOARD OF VETERANS’ AFFAIRS; SPECIFYING THE DUTIES OF THE BOARD; PROVIDING RULEMAKING AUTHORITY FOR THE BOARD; ESTABLISHING A STATE SPECIAL REVENUE ACCOUNT AND A FEDERAL SPECIAL REVENUE ACCOUNT TO BE USED FOR VETERANS’ SERVICES; AUTHORIZING THE BOARD TO SPONSOR PATRIOTIC LICENSE PLATES; AUTHORIZING COUNTIES TO PROVIDE FOR VETERANS’ SERVICE OFFICERS; ALLOWING THE BOARD TO ACCEPT FEDERAL FUNDS AND DONATIONS; SPECIFYING THE ACCOUNT TO WHICH DONATIONS ARE DEPOSITED; TRANSFERRING FROM THE DEPARTMENT OF MILITARY AFFAIRS TO THE BOARD THE OVERSIGHT OF AND RULEMAKING AUTHORITY FOR STATE VETERANS’ CEMETERIES; AUTHORIZING ADDITIONAL VETERANS’ CEMETERIES; TRANSFERRING FROM THE DEPARTMENT OF MILITARY AFFAIRS TO THE BOARD OF VETERANS’ AFFAIRS THE OVERSIGHT OF A SPECIAL REVENUE ACCOUNT FOR VETERANS’ CEMETERIES; ALLOWING INCOME TAX DEDUCTIONS FOR CONTRIBUTIONS TO STATE VETERANS’ SERVICES; REVISING CERTAIN VEHICLE LICENSE PLATE REGISTRATION FEES TO BENEFIT STATE VETERANS’ SERVICES; AMENDING SECTIONS 2-15-1205, 10-2-102, 10-2-106, 10-2-601, 10-2-602,
WHEREAS, the 57th Legislature requested a study of veterans' issues, and the State Administration and Veterans' Affairs Interim Committee conducted numerous hearings, received expert testimony, and examined research during a 14-month period; and

WHEREAS, the Interim Committee found that, using 2000 data, Montana's population of nearly 107,000 veterans and an estimated 170,000 family members of veterans not only ranks Montana second in the nation in the number of veterans per capita (11.9%) but also means that veterans and their family members constitute more than 25% of Montana's total population; and

WHEREAS, the Interim Committee found that more than 80,000 Montana veterans are combat-era veterans (more than 36,000 are Vietnam-era, more than 16,000 are Persian Gulf-era, more than 16,000 are World War II-era, and about 14,000 are Korean-era veterans) and that the largest group of veterans is now between 50 and 65 years of age; and

WHEREAS, the U.S. Department of Veterans Affairs estimates that more than 50% of combat theater veterans suffer from clinically serious and disabling posttraumatic stress disorder, that twice as many veterans as nonveterans experience homelessness, that many veterans have overlapping and complex needs encompassing medical and nursing home care, mental health and chemical dependency counseling, housing, transportation, education and training, job services, and family support services, and that the children and families of veterans who do not get the help that they need are themselves at risk; and

WHEREAS, these complex needs and a maze of federal, state, local, public, and private services demand a high level of interagency coordination and cooperation for effective service delivery to ensure that veterans and their families do not fall through the cracks and to avoid unnecessary cost-shifting from federal to state and local public assistance programs; and

WHEREAS, the Interim Committee found that current statutory language establishing the Board of Veterans' Affairs as the lead agency for veterans' affairs dates back to 1919 and that although the Board's duties and responsibilities have consistently evolved, statutory language has not kept pace; and

WHEREAS, the Board hires and supervises its own classified employees, who make up the Montana Veterans' Affairs Division, but the Board does not have rulemaking authority to implement programs; and

WHEREAS, the Board is administratively attached to the Department of Military Affairs, which has greatly assisted veterans and supported the Board but has no statutory authority over veterans' affairs; and

WHEREAS, a legislative performance audit requested by the Interim Committee revealed that although the Montana Veterans' Affairs Division is to be commended for doing a great job with limited resources and limited statutory guidance, it also revealed that new management tools and updated information management systems are needed to provide more consistency and to track and manage staff workload; and

WHEREAS, the U.S. Department of Veterans Affairs spent about $175 million in Montana during fiscal year 2000, which ranked Montana 37th
nationwide in per capita expenditures by the U.S. Department of Veterans Affairs on veterans; and

WHEREAS, the Interim Committee found that a statutory restructuring of powers, duties, and responsibilities for state veterans’ affairs programs is essential, not only to address inadvertent statutory shortfalls and elevate the profile of state veterans’ affairs, but also to better integrate benefit claims with human services programs so that eligible veterans and family members receive the federal compensation, benefits, and care that they have earned in self-sacrificing service in the armed forces of the United States of America.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-15-1205, MCA, is amended to read:

(2) (a) The board consists of five members. All members must be residents of this state. Eleven members are voting members, who must be confirmed by the senate, and nine members are nonvoting, ex officio members.

(b) The governor shall appoint 19 members. Not more than one member shall be appointed from a single county. However, a change of residence within the state after appointment does not alter a member’s status, in a manner that provides for staggered terms. The members are:

(i) All five regional representatives, who must be voting members and who shall be residents of this state and shall have been honorably discharged from service in the military forces of the United States in any of its wars. Each must be appointed to represent a different geographic region of the state and must be a resident of that geographic region. The board shall establish the geographic regions by rule. A member who represents a geographic region and who changes residence to a different geographic region may no longer serve on the board unless appointed as a representative for the new location or as a representative meeting other criteria.

(ix) a representative of the state administration and veterans' affairs interim committee, who is a nonvoting member;

(x) three members, one representing each house and senate member of Montana's congressional delegation, who are nonvoting members; and

(xi) the director of the department of military affairs, who is a nonvoting member.

c. The tribal leaders of the eight tribal councils in Montana may appoint one voting member who is affiliated with a Montana tribe and is an honorably discharged veteran. If a tribal member is not appointed by the Montana tribal leaders, the governor shall choose this member by lot from a pool of names submitted by the eight tribal councils in the state, with each tribal council submitting one name.

(3) A vacancy occurring on the board must be filled by the governor, subject to the conditions of this subsection (2).

(4) A quorum is six voting members.

(7) The board shall meet at least four times a year. Special meetings may be called by the administrator or by a majority of voting members. Meetings may be held at different locations around the state to give local veterans an opportunity to attend. Advance notice of meetings must be provided to all veterans' groups and to any individual who requests notification.

(8) Each voting member may serve for a maximum of two terms. Each term of 5 years is for 4 years.

(9) A member may be removed by the governor only for incompetence, malfeasance, or neglect of duty.

(10) The board is allocated to the department for administrative purposes only as prescribed in 2-15-121. However, the board may hire its own personnel, and 2-15-121(2)(d) does not apply including an administrator. The administrator shall serve as the secretary of the board and may represent the board in communications with the governor and with other state agencies, notwithstanding the provisions of 2-15-121(3)(a)."

Section 6. County veterans’ service officers. A county may, with the advice of the board, provide for a county veterans’ service officer to assist veterans and their families in filing benefit claims. If a county provides for a veterans’ service officer under this section, the officer must be trained, accredited, and supervised in accordance with the applicable provisions of 38 CFR 14.629. [SB 441]

Be it enacted by the Legislature of the State of Montana:

**Section 1.** Section 20-9-371, MCA, is amended to read:

“20-9-371. Calculation and uses of school facility entitlement amount. (1) The state reimbursement for school facilities for a district is the percentage determined in 20-9-346(2)(b) times (1-(district mill value per ANB/statewide mill value per ANB)) times the lesser of the total school facility entitlement calculated under the provisions of 20-9-370 or the district’s current year debt service obligations on general obligation bonds that qualify under the provisions of 20-9-370(3).

(2) The state advance for school facilities for a district is determined as follows:
(a) Calculate the percentage of the district’s debt service payment that will be advanced by the state using the district ANB, the district mill value and the statewide mill value for the current year, and the percentage used to determine the proportionate share of state reimbursement for school facilities in the prior year.

(b) Multiply the percentage determined in subsection (2)(a) by the lesser of the total school facility entitlement calculated under the provisions of 20-9-370 or the district’s current year debt service obligation for general obligation bonds to which the state advance applies.

(3) Within the available appropriation, the superintendent of public instruction shall first distribute to eligible districts the state advance for school facilities. From the remaining appropriation, the superintendent shall distribute to eligible districts the state reimbursement for school facilities.

(4) The trustees of a district may apply the state reimbursement for school facilities to reduce the levy requirement in the ensuing school fiscal year for all outstanding bonded indebtedness on general obligation bonds sold in the debt service fund of the district after July 1, 1991. The trustees may apply the state advance for school facilities to reduce the levy requirement in the current school fiscal year for debt service payments on general obligation bonds to which the state advance for school facilities applies."

Section 2. Section 20-9-403, MCA, is amended to read:

“20-9-403. Bond issues for certain purposes. (1) The trustees of a school district may issue and negotiate general obligation bonds or impact aid bonds on the credit of the school district for the purpose of:

(a) building, altering, repairing, buying, furnishing, equipping, purchasing lands for, and/or obtaining a water supply for a school, teacherage, dormitory, gymnasium, other building, or combination of said buildings for school purposes;

(b) buying a school bus or buses;

(c) providing the necessary money to redeem matured bonds, maturing bonds, or coupons appurtenant to bonds when there is not sufficient money to redeem them;

(d) providing the necessary money to redeem optional or redeemable bonds when it is for the best interest of the school district to issue refunding bonds; or

(e) funding a judgment against the district, including the repayment of tax protests lost by the district; or

(f) funding a debt service reserve account that may be required for impact aid revenue bonds.

(2) Any money realized from the sale of any bonds issued on the credit of a high school district shall not be used for any of the purposes listed in subsection (1) in an elementary school district, and such the money may be used for any of the purposes listed in subsection (1) for a junior high school but only to the extent that the 9th grade of the high school is served thereby.”

Section 3. Section 20-9-406, MCA, is amended to read:

“20-9-406. Limitations on amount of bond issue — definition of federal impact aid basic support payment. (1) (a) Except as provided in subsection (1)(d), the maximum amount for which an elementary district or a high school district may become indebted by the issuance of general obligation bonds.
bonds, including all indebtedness represented by outstanding general obligation bonds of previous issues and registered warrants, is 45% of the taxable value of the property subject to taxation, as ascertained by the last assessment for state, county, and school taxes previous to the incurring of the indebtedness.

(b) Except as provided in subsection (1)(d), the maximum amount for which a K-12 school district, as formed pursuant to 20-6-701, may become indebted by the issuance of general obligation bonds, including all indebtedness represented by outstanding general obligation bonds of previous issues and registered warrants, is up to 90% of the taxable value of the property subject to taxation, as ascertained by the last assessment for state, county, and school taxes previous to the incurring of the indebtedness.

(c) The total indebtedness of the high school district with an attached elementary district is limited to the sum of 45% of the taxable value of the property for elementary school program purposes and 45% of the taxable value of the property for high school program purposes.

(d) (i) The maximum amount for which an elementary district or a high school district with a district mill value per elementary ANB or per high school ANB that is less than the corresponding statewide mill value per elementary ANB or per high school ANB may become indebted by the issuance of general obligation bonds, including all indebtedness represented by outstanding general obligation bonds of previous issues and registered warrants, is 45% of the corresponding statewide mill value per ANB times 1,000 times the ANB of the district. For a K-12 district, the maximum amount for which the district may become indebted is 45% of the sum of the statewide mill value per elementary ANB times 1,000 times the elementary ANB of the district and the statewide mill value per high school ANB times 1,000 times the high school ANB of the district.

(ii) If mutually agreed upon by the affected districts, for the purpose of calculating its maximum bonded indebtedness under this subsection (1)(d), a district may include the ANB of the district plus the number of students residing within the district for which the district or county pays tuition for attendance at a school in an adjacent district. The receiving district may not use out-of-district ANB for the purpose of calculating its maximum indebtedness if the out-of-district ANB has been included in the ANB of the sending district pursuant to the mutual agreement.

(2) The maximum amounts determined in subsection (1), however, may do not pertain to indebtedness imposed by special improvement district obligations or assessments against the school district or to general obligation bonds issued for the repayment of tax protests lost by the district. All general obligation bonds issued in excess of the amount are void, except as provided in this section.

(3) The maximum amount of impact aid revenue bonds that an elementary district, high school district, or K-12 school district may issue may not exceed a total aggregate amount equal to three times the average of the school district’s annual federal impact aid basic support payments for the 5 years immediately preceding the issuance of the bonds. However, at the time of issuance of the bonds, the average annual payment of principal and interest on the impact aid bonds each year may not exceed 35% of the total federal impact aid basic support payments of the school district for the current year.

(4) When the total indebtedness of a school district has reached the limitations prescribed in this section, the school district may pay all reasonable
and necessary expenses of the school district on a cash basis in accordance with
the financial administration provisions of this chapter.

(4)(5) Whenever bonds are issued for the purpose of refunding bonds, any
money to the credit of the debt service fund for the payment of the bonds to be
refunded is applied toward the payment of the bonds and the refunding bond
issue is decreased accordingly.

(6) As used in this part, “federal impact aid basic support payment” means
the annual impact aid revenue received by a district under 20 U.S.C. 7703(b), but
excludes revenue received for impact aid special education under 20 U.S.C.
7703(d) and impact aid construction under 20 U.S.C. 7707.”

Section 4. Section 20-9-408, MCA, is amended to read:

“20-9-408. Definition of forms of bonds. As used in this part:

(1) “amortization bond” means that form of bond on which a part of
the principal is required to be paid each time that interest becomes due and payable.
The part payment of principal increases with each following installment in the
same amount that the interest payment decreases, so that the combined amount
payable on principal and interest is the same on each payment date. However,
the payment on the initial interest payment date may be less or greater than the
amount of other payments on the bond, reflecting the payment of interest only or
the payment of interest for a period different from that between other interest
payment dates. The final payment may vary from prior payments in amount as a
result of rounding prior payments.

(2) “general obligation bonds” means bonds that pledge the full faith and
credit and the taxing power of a school district;

(3) “impact aid revenue bonds” means bonds that pledge and are payable
solely from federal impact aid basic support payments received and deposited to
the credit of the account established in 20-9-514; and

(2)(4) “serial bonds” means a bond issue payable in annual installments
commencing not more than 2 years from the date of issue, any one installment
consisting of one or more bonds, with the principal amount of bonds maturing in
each installment not exceeding three times the principal amount of the bonds
maturing in the immediately preceding installment.”

Section 5. Section 20-9-422, MCA, is amended to read:

“20-9-422. Additional requirements for trustees’ resolution calling

If the tax imposed is less than the amount paid, the difference must be applied as a tax credit against tax liability for subsequent years or refunded if requested by the taxpayer. (Terminates June 30, 2007—sec. 10, Ch. 586, L. 2001.)
established under [section 5], to pay the principal of, premium, if any, and interest during the next fiscal year on bonds or notes issued pursuant to 75-10-623;

Section 2. Section 75-10-621, MCA, is amended to read:

“75-10-621. Hazardous waste/CERCLA special revenue account. (1) There is a hazardous waste/CERCLA special revenue account within the state special revenue fund established in 17-2-102.

(2) There must be paid into the hazardous waste/CERCLA account:

(a) revenue obtained from the interest income of the resource indemnity trust fund under the provisions of 15-38-202, together with interest accruing on that revenue;

(b) all proceeds of bonds or notes issued under 75-10-623 and all interest earned on proceeds of the bonds or notes; and

(c) revenue from penalties or damages collected under the federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended in 1986 (CERCLA).

(3) Appropriations may be made from the hazardous waste/CERCLA account only for the following purposes and subject to the following conditions:

(a) funds are statutorily appropriated, as provided in 17-7-502(4), to the CERCLA match debt service account necessary to make principal, interest, and premium payments due on CERCLA bonds;

(b) not more than one-half of the interest income received for any biennium from the resource indemnity trust fund may be appropriated on a biennial basis for:

(i) implementation of the Montana Hazardous Waste Act, including regulation of underground storage tanks and the state share to obtain matching federal funds;
implementation of Title 75, chapter 10, part 6, pertaining to state assistance to and cooperation with the federal government for remedial action under CERCLA;

(iii) expenses of the department in administering and overseeing the implementation of Title 75, chapter 10, parts 4 and 6; and

(iv) state expenses relating to investigation and remedial action for any hazardous substance defined in 75-10-602; and

(b) to the extent funds are available after the appropriations in subsections (3)(a) and (3)(b), the department may, as appropriate, seek authorization from the legislature or, when the legislature is not in session, through the budget amendment process provided for in Title 17, chapter 7, part 4, to spend funds for:

(i) state participation in remedial action under section 104 of CERCLA;

(ii) state costs for maintenance of sites at which remedial action under CERCLA has been completed; and

(iii) the state share to obtain matching federal funds for underground storage tank corrective action.

(4) For the purposes of subsection (3)(b), the legislature finds that a need for state special revenue to obtain matching federal funds for underground storage tank corrective action or for remedial action under section 104 of CERCLA constitutes a serious unforeseen and unanticipated circumstance for the purpose of meeting the definition of “emergency” in 17-7-102. The legislature further finds that the inability of the department to match the federal funds as the funds become available would seriously impair the functions of the department in carrying out its responsibilities under Title 75, chapter 10, parts 4 and 6.

(5) There is no dollar limit to the hazardous waste/CERCLA account. Unused balances remain in the account until appropriated by the legislature for the purposes specified in this section.”

(2) The state pledges, allocates, and directs to be credited to the CERCLA match debt service fund as received an amount necessary to satisfy principal and interest payments due on outstanding CERCLA bonds money from the resource indemnity and ground water assessment tax, as provided in 15-38-106, and from the CERCLA cost recovery account, as provided in [section 5].

(3) Money in the CERCLA match debt service fund is statutorily appropriated, as provided in 17-7-502(4).”

Section 4. Section 75-10-623, MCA, is amended to read:

“75-10-623. CERCLA bonds. (1) When authorized by the legislature and within limits of the authorization and the further limitations established in this section, the board of examiners may issue and sell CERCLA bonds of the state in the amount and manner it considers necessary and proper to finance the match requirements fund state participation in remedial action under section 104 of CERCLA, as amended, state costs for maintenance of sites at which remedial action under CERCLA has been completed, the state share required to obtain
matching federal funds and to finance the match requirements for federal money for underground storage tank corrective action, and costs of issuing the bonds or notes. The full faith and credit and taxing powers of the state are pledged for the prompt and full payment of all bonds issued and interest and redemption premiums payable on the bonds according to their terms.

(2) Each series of CERCLA bonds may be issued by the board of examiners upon request of the department of environmental quality, at public or private sale, in the denominations and forms, whether payable to bearer with attached interest coupons or registered as to principal or as to both principal and interest, with provisions for conversion or exchange and for the issuance of notes in anticipation of the issuance of definitive bonds, bearing interest at a rate or rates, maturing at a rate or rates, maturing at the time or times not exceeding 30 years from date of issue, subject to optional or mandatory redemption at earlier times and prices and upon notice, with provisions for payment and discharge by the deposit of funds or securities in escrow for that purpose, and payable at the office of the banking institution or institutions within or outside the state, as the board of examiners determines, subject to the limitations contained in 17-5-731 and this section.

(3) In the issuance of each series of CERCLA bonds, the interest rates, maturities, and any mandatory redemption provisions of the bonds must be established in a manner that the funds then specifically pledged and appropriated by law to the CERCLA match debt service fund will, in the judgment of the board of examiners, be received in an amount sufficient in each year to pay all principal, redemption premiums, and interest due and payable in that year with respect to that and all prior series of the bonds, except outstanding bonds as to which the obligation of the state has been discharged by the deposit of funds or securities sufficient for their payment in accordance with the terms of the resolutions by which they are authorized to be issued.

(4) In all other respects, the board of examiners is authorized to prescribe the form and terms of the bonds and notes and shall do whatever is lawful and necessary for their issuance and payment. The bonds, notes, and any interest coupons appurtenant to the bonds and notes must be signed by the members of the board of examiners, and the bonds and notes must be issued under the great seal of the state of Montana. The bonds, notes, and coupons may be executed with facsimile signatures and seal in the manner and subject to the limitations prescribed by law. The state treasurer shall keep a record of all the bonds and notes issued and sold.

(5) All proceeds of bonds or notes issued under this section must be deposited in the hazardous waste/CERCLA special revenue account established in 75-10-621.

(6) All actions taken by the board of examiners under this section must be authorized by a vote of a majority of the members.”

Section 5. CERCLA cost recovery account. (1) There is a CERCLA cost recovery special revenue account in the state special revenue fund established in 17-2-102.

(2) There must be deposited in the CERCLA cost recovery account amounts obtained by the department through cost recovery under CERCLA for costs paid, in whole or in part, with the proceeds of CERCLA bonds authorized in 75-10-623, together with interest on the proceeds.
(3) (a) Money in the CERCLA cost recovery account must be transferred to the CERCLA match debt service fund in each fiscal year in an amount then available, but not to exceed the amount necessary to pay the principal of, premium, if any, and interest on the bonds and notes issued pursuant to 75-10-623 to become due in the next fiscal year, or as appropriate, to pay the redemption price of the bonds or notes.

(b) Money in the CERCLA cost recovery account, including interest on the money in the account, that is not transferred to the CERCLA match debt service fund must be retained in the CERCLA cost recovery account as long as any principal of, premium, if any, or interest on the CERCLA bonds or notes authorized in 75-10-623, the proceeds of which were applied, in whole or in part, to costs associated with the cost recovery, remains unpaid or the payment of the costs associated with cost recovery has not been provided for in a manner that would cause the defeasance of bonds.

Section 6. Codification instruction. [Section 5] is intended to be codified as an integral part of Title 75, chapter 10, part 6, and the provisions of Title 75, chapter 10, part 6, apply to [section 5].

Section 7. Effective date. [This act] is effective July 1, 2003.

CHAPTER NO. 497

[HB 12]

AN ACT DEFINING “ENERGY COST SAVINGS”; CLARIFYING DEBT SERVICE FOR APPROPRIATIONS OF ENERGY COST SAVINGS; AUTHORIZING THE ISSUANCE OF GENERAL OBLIGATION BONDS TO FUND THE STATE BUILDING ENERGY CONSERVATION PROGRAM AND CREATING A STATE DEBT; APPROVING ENERGY CONSERVATION PROJECTS FOR FISCAL YEARS 2004 AND 2005; APPROPRIATING BOND PROCEEDS TO THE DEPARTMENT OF ENVIRONMENTAL QUALITY; PLEDGING THE CREDIT OF THE STATE OF MONTANA TO SECURE THE BONDS TO BE ISSUED; AMENDING SECTIONS 90-4-602 AND 90-4-614, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 90-4-602, MCA, is amended to read:

“90-4-602. Definitions. As used in this part, unless the context requires otherwise, the following definitions apply:

(1) “Board” means the board of examiners provided for in 2-15-1007.

(2) “Cost” includes the expenses related to planning, design, construction, and installation of energy conservation improvements and any administrative expenses of the department incurred in the performance of its duties under the energy conservation program.

(3) “Department” means the department of environmental quality provided for in 2-15-3501.

(4) “Energy conservation program” means a program for the financing, acquisition, construction, and installation of energy saving equipment, systems, and improvements in state-owned buildings, structures, and facilities.
“Energy conservation program bonds” includes all series of bonds issued to finance any portion of the energy conservation program.

“Energy cost savings” means the savings in utility costs to a state agency as a result of an energy conservation program.

(6) “State agency” means:
   (a) each executive, legislative, or judicial branch department, office, or agency; and
   (b) the university system.”

Section 2. Section 90-4-614, MCA, is amended to read:

“90-4-614. Appropriation of energy cost savings. (1) In preparing the executive budget each biennium, the governor shall include for each state agency participating in the state energy conservation program:
   (a) an estimate of the energy cost savings expected for that agency in each year of the biennium; and
   (b) a projection of the debt service on energy conservation program bonds that should be apportioned to that agency in each year of the biennium. Debt service is zero after the term of bond repayment.

(2) Each session, the legislature shall review the governor’s submission pursuant to 90-4-606 and subsection (1) of this section and appropriate in the general appropriations act the following:
   (a) authority for each participating state agency to transfer funds in an amount equal to the agency’s projected debt service to the energy conservation program account established in 90-4-612; and
   (b) authority for each participating state agency to transfer funds to the long-range building program fund in an amount equal to the difference between the estimated energy cost savings to the agency and the projected debt service apportioned to that agency.

(3) The current level utility appropriations of state agencies participating in the energy conservation program must be reduced by the sum of the amounts appropriated in subsections (2)(a) and (2)(b).

(4) Each participating state agency shall transfer upon request of the department the amounts appropriated in accordance with subsection (2).”

Section 3. Appropriation of bond proceeds. There is appropriated from bond proceeds authorized by Chapter 50, Laws of 1999, Chapter 240, Laws of 2001, and [section 5] $400,000 to the department of environmental quality to fulfill its duties under 90-4-605 and 90-4-607. This appropriation is a biennial appropriation.

Section 4. Approval of energy conservation projects — definition. (1) Pursuant to Title 90, chapter 4, part 6, the legislature approves for fiscal years 2004 and 2005 the following energy conservation projects:
   (a) Mitchell building, department of administration, Helena, Montana;
   (b) Spratt building, department of public health and human services, Warm Springs, Montana;
   (c) health science building, University of Montana-Missoula, Montana;
   (d) Montana mental health and nursing care center, department of public health and human services, Lewistown, Montana;
men’s prison, department of corrections, Deer Lodge, Montana; and
Kalispell and Missoula headquarters buildings, department of fish, wildlife, and parks.

In addition to the energy conservation projects referred to in subsection (1), the department of environmental quality may expend funds appropriated under [section 3] to respond to energy savings opportunities. Energy savings opportunities include coordination of energy improvement projects with the long-range building program capital improvement projects.

For purposes of this section, an “energy savings opportunity” means an opportunity to improve energy use that will provide significant energy and cost savings to the state and that will be technically infeasible or uneconomical if the department of environmental quality is delayed in providing the necessary funds until specific legislative approval can be obtained.

If the costs of the projects authorized in subsections (1) and (2) are substantially below the bond amount authorized in [section 5], the department of environmental quality may fund projects that would be proposed as part of the state building energy conservation package for fiscal years 2006 and 2007.

Section 5. Bond authorization. (1) The board of examiners may, pursuant to 90-4-611, issue and sell bonds of the state in an aggregate principal amount not to exceed $2.5 million for fiscal years 2004 and 2005 for the projects approved in [section 4] and to fulfill the duties imposed by 90-4-605 and 90-4-607, as provided in [section 3]. The bonds are general obligations for which the full faith and credit and taxing powers of the state are pledged for payment of the principal and interest on the bonds. The bonds must be issued as provided by Title 17, chapter 5, part 8.

(2) The proceeds of the bonds, other than any premiums and accrued interest received, must be deposited in the energy conservation program account established by 90-4-612. Premiums and accrued interest must be deposited in the debt service fund established in 17-2-102. Proceeds of bonds deposited in the energy conservation program account may be used to pay the costs of issuing the bonds, to fulfill the duties authorized by 90-4-605 and 90-4-607, and to fund the projects approved in [section 4]. For the purposes of 17-5-803 and 17-5-804, the energy conservation program account constitutes a capital projects account. The bond proceeds must be available to the department of environmental quality and may be used for the purposes authorized in this section without further budgetary authorization.

Section 6. Two-thirds vote required. Because [section 5] authorizes the creation of state debt, Article VIII, section 8, of the Montana constitution requires a vote of two-thirds of the members of each house of the legislature for enactment of [section 5].

Section 7. Effective date. [This act] is effective July 1, 2003.

Approved April 24, 2003

(26) (a) “Withholding of medically indicated treatment” means the failure to
respond to an infant’s life-threatening conditions by providing treatment,
including appropriate nutrition, hydration, and medication, that, in the
treating physician's or physicians' reasonable medical judgment, will be most
likely to be effective in ameliorating or correcting the conditions.

(b) The term does not include the failure to provide treatment, other than
appropriate nutrition, hydration, or medication, to an infant when, in the
treating physician's or physicians' reasonable medical judgment:

(i) the infant is chronically and irreversibly comatose;

(ii) the provision of treatment would:

(A) merely prolong dying;

(B) not be effective in ameliorating or correcting all of the infant’s
life-threatening conditions; or

(C) otherwise be futile in terms of the survival of the infant; or

(iii) the provision of treatment would be virtually futile in terms of the
survival of the infant and the treatment itself under the circumstances would be
inhumane. For purposes of this subsection (26), “infant” means an infant less
than 1 year of age or an infant 1 year of age or older who has been continuously
hospitalized since birth, who was born extremely prematurely, or who has a
long-term disability. The reference to less than 1 year of age may not be
construed to imply that treatment should be changed or discontinued when an
infant reaches 1 year of age or to affect or limit any existing protections available
under state laws regarding medical neglect of children 1 year of age or older.

(27) “Youth in need of care” means a youth who has been adjudicated or
determined, after a hearing, to be or to have been abused, neglected, or
abandoned.”

Section 3. Section 41-3-103, MCA, is amended to read:

“41-3-103. Jurisdiction and venue. (1) In all matters arising under this
chapter, the district court has jurisdiction over:

(a) a youth who is within the state of Montana for any purpose;

(b) a youth or other person subject to this chapter who under a temporary or
permanent order of the court has voluntarily or involuntarily left the state or the
jurisdiction of the court; or
Section 4. Section 41-3-113, MCA, is amended to read:

“41-3-113. Appeals. (1) Appeals of court orders or decrees made under this part shall must be given precedence on the calendar of the supreme court over all other matters, unless otherwise provided by law.

(2) An appeal does not stay the order or decree appealed from, however, the and does not divest the presiding district court judge of jurisdiction to take steps that are necessary, in the best interests of the child, and in order to protect the health and safety of the child. The supreme court may order a stay upon application and hearing if suitable provision is made for the care and custody of the child.

(3) If the appeal results in the reversal of the order appealed, the legal status of the child reverts to the child’s legal status before the entry of the order that was appealed. The child’s prior legal status remains in effect until further order of the district court unless the supreme court orders otherwise.”

Section 5. Section 41-3-205, MCA, is amended to read:

“41-3-205. Confidentiality — disclosure exceptions. (1) The case records of the department and its local affiliate, the local office of public assistance, the county attorney, and the court concerning actions taken under this chapter and all records concerning reports of child abuse and neglect must be kept confidential except as provided by this section. Except as provided in subsections (6) and (7), a person who purposely or knowingly permits or encourages the unauthorized dissemination of the contents of case records is guilty of a misdemeanor.

(5) Information that identifies a person as a participant in or recipient of substance abuse treatment services may be disclosed only as allowed by federal substance abuse confidentiality laws, including the consent provisions of the law.

(6) A person who is authorized to receive records under this section shall maintain the confidentiality of the records and may not disclose information in the records to anyone other than the persons described in subsection (3)(a). However, this subsection may not be construed to compel a family member to keep the proceedings confidential.

(7) A news organization or its employee, including a freelance writer or reporter, is not liable for reporting facts or statements made by an immediate family member under subsection (6) if the news organization, employee, writer, or reporter maintains the confidentiality of the child who is the subject of the proceeding.

Section 6. Section 41-3-301, MCA, is amended to read:

“41-3-301. Emergency protective service. (1) Any child protective social worker of the department, a peace officer, or the county attorney who has reason to believe any youth is in immediate or apparent danger of harm may immediately remove the youth and place the youth in a protective facility. The department may make a request for further assistance from the law enforcement agency or take appropriate legal action. The person or agency placing the child shall notify the parents, parent, guardian, or other person having legal custody of the youth at the time the placement is made or as soon after placement as possible. Notification under this subsection must include the reason for removal, information regarding the show cause hearing, and the purpose of the show cause hearing.

(2) A child who has been removed from the child’s home or any other place for the child’s protection or care may not be placed in a jail.

(3) An abuse and neglect petition must be filed within 2 working days, excluding weekends and holidays, of emergency placement of a child unless arrangements acceptable to the agency for the care of the child have been made by the parents.

(4) Except as provided in the federal Indian Child Welfare Act, if applicable, a show cause hearing must be held within 20 days, excluding weekends and holidays, of the filing of the initial petition unless otherwise stipulated by the parties pursuant to 41-3-434.

(5) If the department determines that a petition for immediate protection and emergency protective services must be filed to protect the safety of the child, the social worker shall interview the parents of the child to whom the petition pertains, if the parents are reasonably available, before the petition may be filed. The district court may immediately issue an order for immediate protection of the child. The district court may not order further relief until the parents, if they are reasonably available, are given the opportunity to appear before the court or have their statements, if any, presented to the court for consideration before entry of an order granting the petition.

(6) The department shall make the necessary arrangements for the child’s well-being as are required prior to the court hearing.”

Section 7. Section 41-3-422, MCA, is amended to read:

“41-3-422. Abuse and neglect petitions — burden of proof. (1) (a) Proceedings under this chapter must be initiated by the filing of a petition. A petition may request the following relief:

(i) immediate protection and emergency protective services, as provided in 41-3-427;

(ii) temporary investigative authority, as provided in 41-3-433;

(iii) temporary legal custody, as provided in 41-3-442;

(iv) long-term custody, as provided in 41-3-445;

(v) termination of the parent-child legal relationship, as provided in 41-3-607;

(vi) appointment of a guardian pursuant to 41-3-444;

(vii) a determination that preservation or reunification services need not be provided; or
(a) Except as provided in subsection (5)(b), the person filing the abuse and neglect petition has the burden of presenting evidence required to justify the relief requested and establishing:

(i) probable cause for the issuance of an order for immediate protection and emergency protective services or an order for temporary investigative authority;

(ii) a preponderance of the evidence for an order of adjudication or temporary legal custody;

(iii) a preponderance of the evidence for an order of long-term custody; or

(iv) clear and convincing evidence for an order terminating the parent-child legal relationship.

(b) If a proceeding under this chapter involves an Indian child, as defined in the federal Indian Child Welfare Act, 25 U.S.C. 1901, et seq., the standards of proof required for legal relief under the federal Indian Child Welfare Act apply.

(6) (a) Except as provided in the federal Indian Child Welfare Act, if applicable, the parents or parent, guardian, or other person or agency having legal custody of the child named in the petition, if residing in the state, must be served personally with a copy of all petitions the initial petition and a petition to terminate the parent-child legal relationship at least 5 days before the date set for hearing. If the person or agency cannot be served personally, the person or agency may be served by publication as provided in 41-3-428 and 41-3-429.

(b) Copies of all other petitions must be served by certified mail. If service is by certified mail, the department must receive a return receipt signed by the person to whom the notice was mailed for the service to be effective. Service of the notice is considered to be effective if, in the absence of a return receipt, the person to whom the notice was mailed appears at the hearing.
(7) If personal service cannot be made upon the parents or parent, guardian, or other person or agency having legal custody, the court shall appoint an attorney to represent the unavailable party when, in the opinion of the court, the interests of justice require.

(8) If a parent of the child is a minor, notice must be given to the minor parent’s parents or guardian, and if there is no guardian, the court shall appoint one.

(9) (a) Any person interested in any cause under this chapter has the right to appear. Any foster parent, preadoptive parent, or relative caring for the child must be given legal notice by the attorney filing the petition of all judicial hearings for the child and must be given an opportunity to be heard. The right to appear or to be heard does not make that person a party to the action. Any foster parent, preadoptive parent, or relative caring for the child must be given notice of all reviews by the reviewing body.

(b) A foster parent, preadoptive parent, or relative of the child who is caring for or a relative of the child who has cared for a child who is the subject of the petition who appears at a hearing set pursuant to this section may be allowed by the court to intervene in the action if the court, after a hearing in which evidence is presented on those subjects provided for in 41-3-437(4), determines that the intervention of the person is in the best interests of the child. A person granted intervention pursuant to this subsection is entitled to participate in the adjudicatory hearing held pursuant to 41-3-437 and to notice and participation in subsequent proceedings held pursuant to this chapter involving the custody of the child.

(10) An abuse and neglect petition must:

(a) state the nature of the alleged abuse or neglect and of the relief requested;

(b) state the full name, age, and address of the child and the name and address of the child’s parents or guardian or person having legal custody of the child;

(c) state the names, addresses, and relationship to the child of all persons who are necessary parties to the action.

(11) The court may at any time on its own motion or the motion of any party appoint counsel for any indigent party. If an indigent parent is not already represented by counsel, counsel must be appointed for an indigent parent at the time that a request is made for a determination that preservation or reunification services need not be provided.

(12) At any stage of the proceedings considered appropriate by the court, the court may order an alternative dispute resolution proceeding or the parties may voluntarily participate in an alternative dispute resolution proceeding. An alternative dispute resolution proceeding under this chapter may include a family group conference decisionmaking meeting, mediation, or a settlement conference. If a court orders an alternative dispute resolution proceeding, a party who does not wish to participate may file a motion objecting to the order. If the department is a party to the original proceeding, a representative of the department who has complete authority to settle the issue or issues in the original proceeding must be present at any alternative dispute resolution proceeding.
(13) Service of a petition under this section must be accompanied by a
written notice advising the child’s parent, guardian, or other person having
physical or legal custody of the child of the:

(a) right to request the appointment of counsel if the person is indigent or if
appointment of counsel is required under the federal Indian Child Welfare Act,
if applicable;

(b) right to contest the allegations in the petition; and

(c) timelines for hearings and determinations required under this chapter.

(14) **Orders** If appropriate, orders issued under this chapter must contain a
notice provision advising a child’s parent, guardian, or other person having
physical or legal custody of the child that:

(a) the court is required by federal and state laws to hold a permanency
hearing to determine the permanent placement of a child no later than 12
months after a judge determines that the child has been abused or neglected or
12 months after the first 60 days that the child has been removed from the
child’s home;

(b) if a child has been in foster care for 15 of the last 22 months, state law
presumes that termination of parental rights is in the best interests of the child
and the state is required to file a petition to terminate parental rights; and

(c) completion of a treatment plan does not guarantee the return of a child.

(15) A court may appoint a standing master to conduct hearings and propose
decisions and orders to the court for court consideration and action. A standing
master may not conduct a proceeding to terminate parental rights. A standing
master must be a member of the state bar of Montana and must be
knowledgeable in the area of child abuse and neglect laws.”

**Section 8.** Section 41-3-427, MCA, is amended to read:

“41-3-427. Petition for immediate protection and emergency
protective services — order — service. (1) (a) In a case in which it appears
that a child is abused or neglected or is in danger of being abused or neglected,
the county attorney, the attorney general, or an attorney hired by the county
may file a petition for immediate protection and emergency protective services.
In implementing the policy of this section, the child’s health and safety are of
paramount concern.

(b) A petition for immediate protection and emergency protective services
must state the specific authority requested and the facts establishing probable
cause that a child is abused or neglected or is in danger of being abused or
neglected.

(c) The petition for immediate protection and emergency protective services
must be supported by an affidavit signed by a representative of the department
stating in detail the facts upon which the request is based. The petition or
affidavit of the department must contain information regarding statements, if
any, made by the parents detailing the parents’ statement of the facts of the
case. The parents, if available in person or by electronic means, must be given an
opportunity to present evidence to the court before the court rules on the
petition.

(2) The person filing the petition for immediate protection and emergency
protective services has the burden of presenting evidence establishing probable
cause for the issuance of an order for immediate protection of the child, except as
provided by the federal Indian Child Welfare Act, if applicable. The court shall consider the parents' statements, if any, included with the petition and any accompanying affidavit or report to the court. If the court finds probable cause, the court may issue an order granting the following forms of relief, which do not constitute a court-ordered treatment plan under 41-3-443:

(a) the right of entry by a peace officer or department worker;

(b) the right to place the child in temporary medical or out-of-home care, including but not limited to care provided by a noncustodial parent, kinship or foster family, group home, or institution;

(c) a requirement that the parents, guardian, or other person having physical or legal custody furnish information that the court may designate and obtain evaluations that may be necessary to determine whether a child is a youth in need of care;

(d) a requirement that the perpetrator of the alleged child abuse or neglect be removed from the home to allow the child to remain in the home;

(e) a requirement that the parent provide the department with the name and address of the other parent, if known, unless parental rights to the child have been terminated;

(f) a requirement that the parent provide the department with the names and addresses of extended family members who may be considered as placement options for the child who is the subject of the proceeding; and

(g) any other temporary disposition that may be required in the best interests of the child that does not require an expenditure of money by the department unless the department is notified and a court hearing is set in a timely manner on the proposed expenditure the court finds after notice and a hearing that the expenditure is reasonable and that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(3) An order for removal of a child from the home must include a finding that continued residence of the child with the parent is contrary to the welfare of the child or that an out-of-home placement is in the best interests of the child.

(4) The order for immediate protection of the child must require the person served to comply immediately with the terms of the order and to appear before the court issuing the order on the date specified for a show cause hearing. Upon a failure to comply or show cause, the court may hold the person in contempt or place temporary physical custody of the child with the department until further order.

(5) The petition must be served as provided in 41-3-422.”

Section 9. Section 41-3-432, MCA, is amended to read:

“41-3-432. Show cause hearing — order. (1) (a) Except as provided in the federal Indian Child Welfare Act, a show cause hearing must be conducted within 20 days, excluding weekends and holidays, of the filing of an initial child abuse and neglect petition unless otherwise stipulated by the parties pursuant to 41-3-434 or unless an extension of time is granted by the court.

(b) The court may grant an extension of time for a show cause hearing only upon a showing of substantial injustice and shall order an appropriate remedy that considers the best interests of the child.
The person filing the petition has the burden of presenting evidence establishing probable cause for the issuance of an order for temporary investigative authority after the show cause hearing, except as provided by the federal Indian Child Welfare Act, if applicable.

At the show cause hearing, the court may consider all evidence and shall provide an opportunity for a parent, guardian, or other person having physical or legal custody of the child to provide testimony. Hearsay evidence of statements made by the affected child is admissible at the hearing. The parent, guardian, or other person may be represented by legal counsel. The court may permit testimony by telephone, audiovisual means, or other electronic means.

At the show cause hearing, the court shall explain the procedures to be followed in the case and explain the parties' rights, including the right to request appointment of counsel if indigent or if appointment of counsel is required under the federal Indian Child Welfare Act, if applicable, and the right to challenge the allegations contained in the petition. The parent, guardian, or other person having physical or legal custody of the child must be given the opportunity to admit or deny the allegations contained in the petition at the show cause hearing. Inquiry must be made to determine whether the notice requirements of the federal Indian Child Welfare Act, if applicable, have been met.

The court shall make written findings on issues including but not limited to the following:

(a) whether the child should be returned home immediately if there has been an emergency removal or remain in temporary out-of-home care or be removed from the home;

(b) if removal is ordered or continuation of removal is ordered, why continuation of the child in the home would be contrary to the child's best interests and welfare;

(c) whether the department has made reasonable efforts to avoid protective placement of the child or to make it possible to safely return the child to the child's home;

(d) financial support of the child, including inquiry into the financial ability of the parents, guardian, or other person having physical or legal custody of the child to contribute to the costs for the care, custody, and treatment of the child and requirements of a contribution for those costs pursuant to 41-3-446; and

(e) whether another hearing is needed and, if so, the date and time of the next hearing.

The court may consider:

(a) terms and conditions for parental visitation; and

(b) whether orders for examinations, evaluations, counseling, immediate services, or protection are needed.

Following the show cause hearing, the court may enter an order for the relief requested or amend a previous order for immediate protection of the child if one has been entered. The order must be in writing.

If a child who has been removed from the child's home is not returned home after the show cause hearing or if removal is ordered, the parents or parent, guardian, or other person or agency having physical or legal custody of the child named in the petition may request that a citizen review board, if available pursuant to part 10 of this chapter, review the case within 30 days of
the show cause hearing and make a recommendation to the district court, as provided in 41-3-1010.

(9) Adjudication of a youth in need of care may be made at the show cause hearing if the requirements of 41-3-437(2) are met. If not made at the show cause hearing, adjudication under 41-3-437 must be made within the time limits required by 41-3-437 unless adjudication occurs earlier by stipulation of the parties pursuant to 41-3-434 and order of the court.

Section 10. Section 41-3-434, MCA, is amended to read:

“41-3-434. Stipulations. Subject to approval by the court, the parties may stipulate to any of the following:

(1) the child meets the definition of a youth in need of care by the preponderance of the evidence;

(2) a treatment plan, if the child has been adjudicated a youth in need of care;

(3) the disposition; or

(4) extension of the timeframes contained in this chapter, except for the timeframe contained in 41-3-445.”

Section 11. Section 41-3-437, MCA, is amended to read:

“41-3-437. Adjudication — temporary disposition — findings — order. (1) Upon the filing of an appropriate petition, an adjudicatory hearing must be held within 90 days of a show cause hearing under 41-3-432. Adjudication may take place at the show cause hearing if the requirements of subsection (2) are met or may be made by prior stipulation of the parties pursuant to 41-3-434 and order of the court. Exceptions to the time limit may be allowed only in cases involving newly discovered evidence, unavoidable delays in the notification of parties, stipulation by the parties pursuant to 41-3-434, and unforeseen personal emergencies.

(2) The court may make an adjudication on a petition under 41-3-422 if the court determines by a preponderance of the evidence, except as provided in the federal Indian Child Welfare Act, if applicable, that the child is a youth in need of care and ascertains, as far as possible, the cause. Except as otherwise provided in this part, the Montana Rules of Civil Procedure and the Montana Rules of Evidence apply to adjudication and to an adjudicatory hearing. Adjudication must determine the nature of the abuse and neglect and establish facts that resulted in state intervention and upon which disposition, case work, court review, and possible termination are based.

(3) The court shall hear evidence regarding the residence of the child, paternity, if in question, the whereabouts of the parents, guardian, or nearest adult relative, and any other matters the court considers relevant in determining the status of the child. Hearsay evidence of statements made by the affected youth is admissible according to the Montana Rules of Evidence.

(4) In a case in which abandonment has been alleged by the county attorney, the attorney general, or an attorney hired by the county, the court shall hear offered evidence, including evidence offered by a person appearing pursuant to 41-3-422(9)(a) or (9)(b), regarding any of the following subjects:

(a) the extent to which the child has been cared for, nurtured, or supported by a person other than the child's parents; and
(b) whether the child was placed or allowed to remain by the parents with another person for the care of the child, and, if so, then the court shall accept evidence regarding:

(i) the intent of the parents in placing the child or allowing the child to remain with that person; and

(ii) the circumstances under which the child was placed or allowed to remain with that other person, including:

(A) whether a parent requesting return of the child was previously prevented from doing so as a result of an order issued pursuant to Title 40, chapter 15, part 2, or of a conviction pursuant to 45-5-206; and

(B) whether the child was originally placed with the other person to allow the parent to seek employment or attend school.

(5) In all civil and criminal proceedings relating to abuse or neglect, the privileges related to the examination or treatment of the child do not apply, except the attorney-client privilege granted by 26-1-803 and the mediation privilege granted by 26-1-813.

(6) (a) If the court determines that the child is not an abused or neglected child, the petition must be dismissed and any order made pursuant to 41-3-427 or 41-3-432 must be vacated.

(b) If the child is adjudicated a youth in need of care, the court shall set a date for a dispositional hearing to be conducted within 20 days, as provided in 41-3-438(2), and order any necessary or required investigations. The court may issue a temporary dispositional order pending the dispositional hearing. The temporary dispositional order may provide for any of the forms of relief listed in 41-3-427(2).

(7) (a) Before making an adjudication, the court shall make written or oral findings, and following the adjudicatory hearing, the court shall make written findings on issues, including but not limited to the following:

(i) which allegations of the petition have been proved or admitted, if any;

(ii) whether there is a legal basis for continued court and department intervention; and

(iii) whether the department has made reasonable efforts to avoid protective placement of the child or to make it possible to safely return the child to the child’s home.

(b) The court may order:

(i) terms for visitation, support, and other intrafamily communication pending disposition if the child is to be placed or to remain in temporary out-of-home care prior to disposition;

(ii) examinations, evaluations, or counseling of the child or parents in preparation for the disposition hearing that does not require an expenditure of money by the department unless the court finds after notice and a hearing that the expenditure is reasonable and that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined;

(iii) the department to evaluate the noncustodial parent or relatives as possible caretakers, if not already done;
(iv) the perpetrator of the alleged child abuse or neglect to be removed from the home to allow the child to remain in the home; and

(v) the department to continue efforts to notify noncustodial parents."

Section 12. Section 41-3-438, MCA, is amended to read:

"41-3-438. Disposition — hearing — order. (1) Unless a petition is dismissed or unless otherwise stipulated by the parties pursuant to 41-3-434 or ordered by the court, a dispositional hearing must be held on every petition filed under this chapter within 20 days after an adjudicatory order has been entered under 41-3-437. Exceptions to the time limit may be allowed only in cases involving newly discovered evidence, unavoidable delays in the notification of parties, stipulation by the parties pursuant to 41-3-434, and unforeseen personal emergencies.

(2) (a) A dispositional order must be made after a dispositional hearing that is separate from the adjudicatory hearing under 41-3-437. The hearing process must be scheduled and structured so that dispositional issues are specifically addressed apart from adjudicatory issues. Hearsay evidence is admissible at the dispositional hearing.

(b) A dispositional hearing may follow an adjudicatory hearing in a bifurcated manner immediately after the adjudicatory phase of the proceedings if:

(i) all required reports are available and have been received by all parties or their attorneys at least 5 working days in advance of the hearing; and

(ii) the judge has an opportunity to review the reports after the adjudication.

(c) The dispositional hearing may be held prior to the entry of written findings required by 41-3-437.

(3) If a child is found to be a youth in need of care under 41-3-437, the court may enter its judgment, making any of the following dispositions to protect the welfare of the child:

(a) permit the child to remain with the child’s custodial parent or guardian, subject to those conditions and limitations the court may prescribe;

(b) order the placement of the child with the noncustodial parent, superseding any existing custodial order, and dismiss the proceeding with no further obligation on the part of the department to provide services to the parent with whom the child is placed or to work toward reunification of the child with the parent or guardian from whom the child was removed in the initial proceeding;

(c) grant an order of limited emancipation to a child who is 16 years of age or older, as provided in 41-1-501;

(d) transfer temporary legal custody to any of the following:

(d) Order a party to the action to do what is necessary to give effect to the final disposition, including undertaking medical and psychological evaluations, treatment, and counseling that does not require an expenditure of money by the department unless the department consents and informs the court that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(e) Order further care and treatment as the court considers in the best interests of the child that does not require an expenditure of money by the department unless the department consents and informs the court that resources are available for the proposed care and treatment. The department is the payor of last resort after all family, insurance, and other resources have been examined pursuant to 41-3-446.

(4) (a) If the court awards temporary legal custody of an abandoned child other than to the department or to a noncustodial parent, the court shall award temporary legal custody of the child to a member of the child's extended family, including adult siblings, grandparents, great-grandparents, aunts, and uncles, if:

(i) placement of the abandoned child with the extended family member is in the best interests of the child;

(ii) the extended family member requests that the child be placed with the family member; and

(iii) the extended family member is found by the court to be qualified to receive and care for the child.

(b) If more than one extended family member satisfies the requirements of subsection (4)(a), the court may award custody to the extended family member who can best meet the child's needs.

(5) If reasonable efforts have been made to prevent removal of a child from the home or to return a child to the child's home but continuation of the efforts is determined by the court to be inconsistent with permanency for the child, the department shall make reasonable efforts to place the child in a timely manner in accordance with a permanent plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

(6) If the court finds that reasonable efforts are not necessary pursuant to 41-3-442(1) or subsection (5) of this section, a permanency plan hearing must be held within 30 days of that determination and reasonable efforts must be made to place the child in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the child.

(7) If the time limitations of this section are not met, the court shall review the reasons for the failure and order an appropriate remedy that considers the best interests of the child."

Section 13. Section 41-3-442, MCA, is amended to read:

"41-3-442. Temporary legal custody. (1) If a child is found to be a youth in need of care under 41-3-437, the court may grant temporary legal custody under 41-3-438 if the court determines by a preponderance of the evidence that:

(a) dismissing the petition would create a substantial risk of harm to the child or would be a detriment to the child's physical or psychological well-being; and
(b) unless there is a finding that reasonable efforts are not required pursuant to 41-3-423, reasonable services have been provided to the parent or guardian to prevent the removal of the child from the home or to make it possible for the child to safely return home.

(2) An order for temporary legal custody may be in effect for no longer than 6 months.

(3) The granting of temporary legal custody to the department allows the department to place a child in care provided by a custodial or noncustodial parent, kinship foster home, youth foster home, youth group home, youth shelter care facility, or institution.

(4) Before the expiration of the order for temporary legal custody, the county attorney, the attorney general, or an attorney hired by the county shall petition for one of the following:

(a) an extension of temporary legal custody, not to exceed a total of 6 months, not to exceed 6 months, upon a showing that:

(i) additional time is necessary for the parent or guardian to successfully complete a treatment plan; or

(ii) continuation of temporary legal custody is necessary because of the child's individual circumstances;

(b) termination of the parent-child legal relationship and either:

(i) permanent legal custody with the right of adoption; or

(ii) appointment of a guardian pursuant to 41-3-607;

(c) long-term custody when the child is in a planned alternative permanent placement living arrangement pursuant to 41-3-445;

(d) appointment of a guardian pursuant to 41-3-444; or

(e) dismissal.

(3) The court may continue an order for temporary legal custody pending a hearing on a petition provided for in subsection (2).

(4) If an extension of temporary legal custody is granted to the department, the court shall state the reasons why the child was not returned home and the conditions upon which the child may be returned home and shall specifically find that an extension is in the child's best interests.

(5) If the time limitations of this section are not met, the court shall review the reasons for the failure and order an appropriate remedy that considers the best interests of the child.

(6) In implementing the policy of this section, the child's health and safety are of paramount concern.

(7) A petition requesting temporary legal custody must be served as provided in 41-3-422.”

Section 14. Section 41-3-445, MCA, is amended to read:

“41-3-445. Permanency plan hearing. (1) (a) Subject to subsection (1)(b), a permanency plan hearing must be held by the court:

(A) within 30 days of a determination that reasonable efforts to provide preservation or reunification services are not necessary under 41-3-423, 41-3-438(6), or 41-3-442(1); and
(B) no later than 12 months after the initial court finding that the child has been subjected to abuse or neglect or 12 months after the child's first 60 days of removal from the home, whichever comes first.

(ii) Within 12 months of a hearing under subsection (1)(a)(i)(B) and every 12 months thereafter until the child is permanently placed in either an adoptive or a guardianship placement, the court shall conduct a hearing and make a finding whether the department has made reasonable efforts to finalize the permanency plan for the child.

(b) A permanency plan hearing is not required if the proceeding has been dismissed, the child was not removed from the home, or the child has been returned to the child's parent or guardian.

(c) The permanency plan hearing may be combined with a hearing that is required in other sections of this part if held within the time limits of that section. If a permanency plan hearing is combined with another hearing, the requirements of the court related to the disposition of the other hearing must be met in addition to the requirements of this section.

(2) At least 3 working days prior to the permanency plan hearing, the department and the guardian ad litem shall each submit a report regarding the child to the court for review. The report must address the department’s efforts to effectuate the permanency plan for the child, address the options for the child’s permanent placement, examine the reasons for excluding higher priority options, and set forth the proposed plan to carry out the placement decision, including specific times for achieving the plan.

(3) At least 3 working days prior to the permanency plan hearing, an attorney or advocate for a parent or guardian may submit an informational report to the court for review.

(4) The court’s order must be issued within a reasonable time after the permanency plan hearing. The court shall make findings on whether the permanency plan is in the best interests of the child and whether the department has made reasonable efforts to finalize the plan. The court shall order the department to take whatever additional steps are necessary to effectuate the terms of the plan.

(5) In its discretion, the court may enter any other order that it determines to be in the best interests of the child that does not conflict with the options provided in subsection (6) and that does not require an expenditure of money by the department unless the department is notified and a court hearing is set in a timely manner on the proposed expenditure and the court finds after notice and a hearing that the expenditures are reasonable and that resources are available for payment. The department is the payor of last resort after all family, insurance, and other resources have been examined.

(6) Permanency options include:

(a) reunification of the child with the child’s parent or guardian;

(b) adoption;

(c) appointment of a guardian pursuant to 41-3-444; or

(d) long-term custody if the child is in a planned permanent living arrangement for a child if the evidence demonstrates established by a preponderance of the evidence, which is reflected in specific findings by the court, that:
(i) the child is being cared for by a fit and willing relative;

(ii) the child has an emotional or mental handicap that is so severe that the child cannot function in a family setting and the best interests of the child are served by placement in a residential or group setting;

(iii) the child is at least 16 years of age and is participating in an independent living program and that termination of parental rights is not in the best interests of the child;

(iv) the child’s parent is incarcerated and circumstances, including placement of the child and continued, frequent contact with the parent, indicate that it would not be in the best interests of the child to terminate parental rights of that parent; or

(v) the child meets the following criteria:
   (A) the child has been adjudicated a youth in need of care;
   (B) the department has made reasonable efforts to reunite the parent and child, further efforts by the department would likely be unproductive, and reunification of the child with the parent or guardian would be contrary to the best interests of the child;
   (C) there is a judicial finding that other more permanent placement options for the child have been considered and found to be inappropriate or not to be in the child’s best interests; and
   (D) the child has been in a placement in which the foster parent or relative has committed to the long-term care and to a relationship with the child, and it is in the best interests of the child to remain in that placement.

(7) The court may terminate a planned permanent living arrangement upon petition of the birth parents or the department if the court finds that the circumstances of the child or family have substantially changed and the best interests of the child are no longer being served.”

Section 15. Section 41-3-604, MCA, is amended to read:

“41-3-604. When petition to terminate parental rights required. (1) If a child has been in foster care under the physical custody of the state for 15 months of the most recent 22 months, the best interests of the child must be presumed to be served by termination of parental rights. If a child has been in foster care for 15 months of the most recent 22 months or if the court has found that reasonable efforts to preserve or reunify a child with the child’s parent or guardian are not required pursuant to 41-3-423, a petition to terminate parental rights must be filed unless:

(a) the child is being cared for by a relative;

(b) the department has not provided the services considered necessary for the safe return of the child to the child’s home; or

(c) the department has documented a compelling reason, available for court review, for determining that filing a petition to terminate parental rights would not be in the best interests of the child.

(2) Compelling reasons for not filing a petition to terminate parental rights include but are not limited to the following:

(a) There are insufficient grounds for filing a petition.

(b) There is adequate documentation that termination of parental rights is not the appropriate plan and not in the best interests of the child.
(3) If a child has been in foster care for 15 months of the most recent 22 months and a petition to terminate parental rights regarding that child has not been filed with the court, the department shall file a report to the court or review panel at least 3 days prior to the next hearing or review detailing the reasons that the petition was not filed.

(4) If a hearing results in a finding of abandonment or that the parent has subjected the child to any of the circumstances listed in 41-3-423(2)(a) through (2)(e) and that reasonable efforts to provide preservation or reunification are not necessary, unless there is an exception made pursuant to subsections (1)(a) through (1)(c) of this section, a petition to terminate parental rights must be filed within 60 days of the finding.

(5) If an exception in subsections (1)(a) through (1)(c) of this section applies, a petition for an extension of temporary legal custody pursuant to 41-3-438, a petition for a planned permanent living arrangement or long-term custody pursuant to 41-3-445, or a petition to dismiss must be filed.

Section 16. Section 41-3-607, MCA, is amended to read:

“41-3-607. Petition for termination — separate hearing — right to counsel — no jury trial.

(1) The termination of a parent-child legal relationship may be considered only after the filing of a petition pursuant to 41-3-422 alleging the factual grounds for termination pursuant to 41-3-609.

(2) If termination of a parent-child legal relationship is ordered, the court may:

(a) transfer permanent legal custody of the child, with the right to consent to the child's adoption, to:

(i) the department;

(ii) a licensed child-placing agency; or

(iii) another individual who has been approved by the department and has received consent for the transfer of custody from the department or agency that has custody of the child; or

(b) transfer permanent legal custody of the child to the department with the right to petition for appointment of a guardian pursuant to 41-3-444.

(3) If the court does not order termination of the parent-child legal relationship, the child's prior legal status remains in effect until further order of the court.

(4) At the time that a petition for termination of a parent-child relationship is filed, parents must be advised of the right to counsel, and counsel must be appointed for an indigent party.

(5) A guardian ad litem must be appointed to represent the child's best interests in any hearing determining the involuntary termination of the parent-child legal relationship. The guardian ad litem shall continue to represent the child until the child is returned home or placed in an appropriate permanent placement. If a respondent parent is a minor, a guardian ad litem must be appointed to serve the minor parent in addition to any counsel requested by the parent.

(6) There is no right to a jury trial at proceedings held to consider the termination of a parent-child legal relationship.”

Section 17. Section 41-3-609, MCA, is amended to read:
“41-3-609. Criteria for termination. (1) The court may order a termination of the parent-child legal relationship upon a finding established by clear and convincing evidence, except as provided in the federal Indian Child Welfare Act and if applicable, that any of the following circumstances exist:

(a) the parents have relinquished the child pursuant to 42-2-402 and 42-2-412;

(b) the child has been abandoned by the parents;

(c) the parent is convicted of a felony in which sexual intercourse occurred or is a minor adjudicated a delinquent youth because of an act that, if committed by an adult, would be a felony in which sexual intercourse occurred and, as a result of the sexual intercourse, the child is born;

(e) the putative father meets any of the criteria listed in 41-3-423(3)(a) through (3)(c); or

(ii) the conduct or condition of the parents rendering them unfit is unlikely to change within a reasonable time.

(2) In determining whether the conduct or condition of the parents is unlikely to change within a reasonable time, the court shall enter a finding that continuation of the parent-child legal relationship will likely result in continued abuse or neglect or that the conduct or the condition of the parents renders the parents unfit, unable, or unwilling to give the child adequate parental care. In making the determinations, the court shall consider but is not limited to the following:

(a) emotional illness, mental illness, or mental deficiency of the parent of a duration or nature as to render the parent unlikely to care for the ongoing physical, mental, and emotional needs of the child within a reasonable time;

(b) a history of violent behavior by the parent;

(c) excessive use of intoxicating liquor or of a narcotic or dangerous drug that affects the parent’s ability to care and provide for the child; and

(d) present judicially ordered long-term confinement of the parent.

(3) In considering any of the factors in subsection (2) in terminating the parent-child relationship, the court shall give primary consideration to the physical, mental, and emotional conditions and needs of the child.

(4) A treatment plan is not required under this part upon a finding by the court following hearing if:

(a) the parent meets the criteria of subsections (1)(a) through (1)(e);

(b) two medical doctors or clinical psychologists submit testimony that the parent cannot assume the role of parent;

(c) the parent is or will be incarcerated for more than 1 year and reunification of the child with the parent is not in the best interests of the child because of the child’s circumstances, including placement options, age, and developmental, cognitive, and psychological needs; or
(d) the death or serious bodily injury, as defined in 45-2-101, of a child caused by abuse or neglect by the parent has occurred.”

Section 18. Section 41-3-611, MCA, is amended to read:

“41-3-611. Effect of decree. (1) An order for the termination of the parent-child legal relationship divests the child and the parents of all legal rights, powers, immunities, duties, and obligations with respect to each other as provided in Title 40, chapter 6, part 2, and Title 41, chapter 3, part 2, except the right of the child to inherit from the parent.

Approved April 25, 2003

Be it enacted by the Legislature of the State of Montana:

Section 1. Short title. [Sections 1 through 33] may be cited as the “Montana Uniform Principal and Income Act”.

Section 2. Definitions. As used in [sections 1 through 33], unless the context requires otherwise, the following definitions apply:

1. “Accounting period” means a calendar year unless another 12-month period is selected by a fiduciary. The term includes a portion of a calendar year or other 12-month period that begins when an income interest begins or ends when an income interest ends.

2. “Fiduciary” means a personal representative or a trustee.

3. “Income” means money or property that a fiduciary receives as current return from a principal asset. The term includes a portion of receipts from a sale, exchange, or liquidation of a principal asset, to the extent provided in [sections 13 through 27].

4. “Income beneficiary” means a person to whom net income of a trust is or may be payable.

5. “Income interest” means the right of an income beneficiary to receive all or part of net income, whether the trust requires it to be distributed or authorizes it to be distributed in the trustee’s discretion.

6. “Mandatory income interest” means the right of an income beneficiary to receive net income that the trust requires the fiduciary to distribute.

7. “Net income” means the total receipts allocated to income during an accounting period minus the disbursements made from income during the accounting period, plus or minus transfers under this chapter to or from income during the accounting period.

Section 3. Allocation between principal and income — impartial exercise of discretion. (1) In allocating receipts and disbursements to or between principal and income, and with respect to any other matter within the scope of [sections 1 through 33], a fiduciary:

(a) shall administer a trust or decedent’s estate in accordance with the trust or the will, even if there is a different provision in [sections 1 through 33];

(b) may administer a trust or decedent’s estate by the exercise of a discretionary power of administration given to the fiduciary by the trust or the will, even if the exercise of the power produces a result different from a result required or permitted by [sections 1 through 33] and no inference that the fiduciary has improperly exercised the discretion arises from the fact that the fiduciary has made an allocation contrary to a provision of [sections 1 through 33];
(c) shall administer a trust or decedent’s estate in accordance with [sections 1 through 33] if the trust or the will does not contain a different provision or does not give the fiduciary a discretionary power of administration; and

(d) shall add a receipt or charge a disbursement to principal to the extent that the trust or the will and [sections 1 through 33] do not provide a rule for allocating the receipt or disbursement to or between principal and income.

(2) In exercising a discretionary power of administration regarding a matter within the scope of [sections 1 through 33], whether granted by a trust, a will, or [sections 1 through 33], including the trustee’s power to adjust under [section 4(1)], the fiduciary shall administer the trust or decedent’s estate impartially, except to the extent that the trust or the will expresses an intention that the fiduciary shall or may favor one or more of the beneficiaries. The exercise of discretion in accordance with [sections 1 through 33] is presumed to be fair and reasonable to all beneficiaries.

Section 4. Adjustments between principal and income. (1) Subject to subsection (2), a trustee may make an adjustment between principal and income to the extent the trustee considers necessary if all of the following conditions are satisfied:

(a) the trustee invests and manages trust assets under the prudent investor rule [section 3 of LC 1497];

(b) the trust describes the amount that must or may be distributed to a beneficiary by referring to the trust’s income; and

(c) the trustee determines, after applying the rules in [section 3(1)] and considering any power the trustee may have under the trust to invade principal or accumulate income, that the trustee is unable to comply with [section 3(2)].

(2) A trustee may not make an adjustment between principal and income in any of the following circumstances:

(a) when it would diminish the income interest in a trust:

(i) that requires all of the income to be paid at least annually to a spouse; and

(ii) for which, if the trustee did not have the power to make the adjustment, an estate tax or gift tax marital deduction would be allowed, in whole or in part;

(b) when it would reduce the actuarial value of the income interest in a trust to which a person transfers property with the intent to qualify for a gift tax exclusion;

(c) when it would change the amount payable to a beneficiary as a fixed annuity or a fixed fraction of the value of the trust assets;

(d) when it would be made from any amount that is permanently set aside for charitable purposes under a will or trust, unless both income and principal are set aside;

(e) when possessing or exercising the power to make an adjustment would cause an individual to be treated as the owner of all or part of the trust for income tax purposes and the individual would not be treated as the owner if the trustee did not possess the power to make an adjustment;

(f) when possessing or exercising the power to make an adjustment would cause all or part of the trust assets to be included for estate tax purposes in the estate of an individual who has the power to remove a trustee or appoint a trustee, or both, and the assets would not be included in the estate of the individual if the trustee did not possess the power to make an adjustment; or
(g) when the trustee is a beneficiary of the trust.

(3) Notwithstanding 72-33-611, if subsection (2)(e), (2)(f), or (2)(g) of this section applies to a trustee and there is more than one trustee, a cotrustee to whom the provision does not apply may make the adjustment unless the exercise of the power by the remaining trustee or trustees is not permitted by the trust.

(4) A trustee may release the entire power conferred by subsection (1) or may release only the power to adjust from income to principal or the power to adjust from principal to income in either of the following circumstances:

(a) if the trustee is uncertain about whether possessing or exercising the power will cause a result described in subsections (2)(a) through (2)(f); or

(b) if the trustee determines that possessing or exercising the power will or may deprive the trust of a tax benefit or impose a tax burden not described in subsection (2).

(5) A release under subsection (4) may be permanent or for a specified period, including a period measured by the life of an individual.

(6) A trust that limits the power of a trustee to make an adjustment between principal and income does not affect the application of this section unless it is clear from the trust that it is intended to deny the trustee the power of adjustment provided by subsection (1).

(7) In deciding whether and to what extent to exercise the power to make adjustments under this section, the trustee may consider, but is not limited to considering, any of the following:

(a) the nature, purpose, and expected duration of the trust;

(b) the intent of the trustor;

(c) the identity and circumstances of the beneficiaries;

(d) the needs for liquidity, regularity of income, and preservation and appreciation of capital;

(e) the assets held in the trust, the extent to which the assets consist of financial assets, interests in closely held enterprises, tangible and intangible personal property, or real property, the extent to which an asset is used by a beneficiary, and whether an asset was purchased by the trustee or received from the trustor;

(f) the net amount allocated to income under other statutes and the increase or decrease in the value of the principal assets, which the trustee may estimate as to assets for which market values are not readily available;

(g) whether and to what extent the trust gives the trustee the power to invade principal or accumulate income or prohibits the trustee from invading principal or accumulating income and the extent to which the trustee has exercised a power from time to time to invade principal or accumulate income;

(h) the actual and anticipated effect of economic conditions on principal and income and effects of inflation and deflation; or

(i) the anticipated tax consequences of an adjustment.

(8) Nothing in sections 1 through 33 or this section is intended to create or imply a duty to make an adjustment, and a trustee is not liable for not considering whether to make an adjustment or for choosing not to make an adjustment.
Section 5. Notice of proposed action — objections by beneficiary — liability of trustee — proceedings. (1) A trustee may give a notice of proposed action regarding a matter governed by [sections 1 through 33] as provided in this section. For the purpose of this section, a proposed action includes a course of action and a decision not to take action.

(2) The trustee shall mail notice of the proposed action to all adult beneficiaries who are receiving or are entitled to receive income under the trust or to receive a distribution of principal if the trust were terminated at the time the notice is given.

(3) A notice of proposed action need not be given to any person who consents in writing to the proposed action. The consent may be executed at any time before or after the proposed action is taken.

(4) The notice of proposed action must state that it is given pursuant to this section and must state all of the following:
   (a) the name and mailing address of the trustee;
   (b) the name and telephone number of a person who may be contacted for additional information;
   (c) a description of the action proposed to be taken and an explanation of the reasons for the action;
   (d) the time within which objections to the proposed action can be made, which must be at least 30 days from the mailing of the notice of proposed action; and
   (e) the date on or after which the proposed action may be taken or is effective.

(5) A beneficiary may object to the proposed action by mailing a written objection to the trustee at the address stated in the notice of proposed action within the time period specified in the notice of proposed action.

(6) A trustee is not liable to a beneficiary for an action regarding a matter governed by [sections 1 through 33] if the trustee does not receive a written objection to the proposed action from the beneficiary within the applicable period and the other requirements of this section are satisfied. If no beneficiary entitled to notice objects under this section, the trustee is not liable to any current or future beneficiary with respect to the proposed action.

(7) If the trustee receives a written objection within the applicable period, either the trustee or a beneficiary may petition the court to have the proposed action taken as proposed, taken with modifications, or denied. In the proceeding, a beneficiary objecting to the proposed action has the burden of proving that the trustee’s proposed action should not be taken. A beneficiary who has not objected is not estopped from opposing the proposed action in the proceeding. If the trustee decides not to implement the proposed action, the trustee shall notify the beneficiaries of the decision not to take the action and the reasons for the decision, and the trustee’s decision not to implement the proposed action does not itself give rise to liability to any current or future beneficiary. A beneficiary may petition the court to have the action taken and has the burden of proving that it should be taken.

Section 6. Proceedings relating to adjustments — remedy. In a proceeding with respect to a trustee’s exercise or nonexercise of the power to make an adjustment under [section 4], the sole remedy is to direct, deny, or revise an adjustment between principal and income.
Section 7. Application of [sections 1 through 33]. [Sections 1 through 33] apply to every trust or decedent’s estate existing on or after [the effective date of this act], except as otherwise expressly provided in the trust or will or in [sections 1 through 33].

Section 8. Rules applicable after decedent’s death or termination of income interest. After the decedent’s death, in the case of a decedent’s estate, or after an income interest in a trust ends, the following rules apply:

(1) If property is specifically given to a beneficiary, by will or trust, the fiduciary of the estate or of the terminating income interest shall distribute the net income and principal receipts to the beneficiary who is to receive the property, subject to the following rules:

(a) the net income and principal receipts from the specifically given property are determined by including all of the amounts the fiduciary receives or pays with respect to the property, whether the amounts accrued or became due before, on, or after the decedent’s death or an income interest in a trust ends and by making a reasonable provision for amounts that the fiduciary believes the estate or terminating income interest may become obligated to pay after the property is distributed; and

(b) the fiduciary may not reduce income and principal receipts from the specifically given property on account of a payment described in [section 27] to the extent that the will or the trust requires payment from other property or to the extent that the fiduciary recovers the payment from a third person.

(2) The fiduciary shall distribute to a beneficiary who receives a pecuniary amount, whether outright or in trust, the interest or any other amount provided by the will, the trust, or 72-3-913 from the remaining net income determined under subsection (3) of this section or from principal to the extent that net income is insufficient.

(3) The fiduciary shall determine the remaining net income of the decedent’s estate or terminating income interest as provided in [sections 1 through 33] and by doing the following:

(a) including in net income all income from property used to discharge liabilities;

(b) paying from income or principal, in the fiduciary’s discretion, fees of attorneys, accountants, and fiduciaries, court costs and other expenses of administration, and interest on death taxes, except that the fiduciary may pay these expenses from income of property passing to a trust for which the fiduciary claims an estate tax marital or charitable deduction only to the extent that the payment of these expenses from income will not cause the reduction or loss of the deduction;

(c) paying from principal all other disbursements made or incurred in connection with the settlement of a decedent’s estate or the winding up of a terminating income interest, including debts, funeral expenses, disposition of remains, family allowances, and death taxes and related penalties that are apportioned to the estate or terminating income interest by the will, the trust, or Title 72, chapter 16, part 6.

(4) After distributions required by subsection (2), the fiduciary shall distribute the remaining net income determined under subsection (3) in the manner provided in [section 9] to all other beneficiaries.
Section 9. Beneficiary’s portion of net income — maintenance of records — distribution date. (1) Each beneficiary described in [section 8(4)] is entitled to receive a portion of the net income equal to the beneficiary’s fractional interest in undistributed principal assets, using values as of the distribution dates and without reducing the values by any unpaid principal obligations.

(2) If a fiduciary does not distribute all of the collected but undistributed net income to each beneficiary as of a distribution date, the fiduciary shall maintain appropriate records showing the interest of each beneficiary in that net income.

(3) The distribution date for purposes of this section may be the date as of which the fiduciary calculates the value of the assets if that date is reasonably near the date on which assets are actually distributed.

Section 10. Beneficiary’s entitlement to net income — assets subject to trust — assets subject to successive income interest — termination of income interest. (1) An income beneficiary is entitled to net income from the date on which the income interest begins. An income interest begins on the date specified in the trust or, if no date is specified, on the date an asset becomes subject to a trust or successive income interest.

(2) An asset becomes subject to a trust at the following times:

(a) in the case of an asset that is transferred to a trust during the transferor’s life, on the date it is transferred to the trust;

(b) in the case of an asset that becomes subject to a trust by reason of a will, even if there is an intervening period of administration of the testator’s estate, on the date of the testator’s death; or

(c) in the case of an asset that is transferred to a fiduciary by a third party because of the individual’s death, on the date of the individual’s death.

(3) An asset becomes subject to a successive income interest on the day after the preceding income interest ends, as determined under subsection (4), even if there is an intervening period of administration to wind up the preceding income interest.

(4) An income interest ends on the day before an income beneficiary dies or another terminating event occurs or on the last day of a period during which there is no beneficiary to whom a trustee may distribute income.

Section 11. Allocation of income receipt or disbursement. (1) A trustee shall allocate an income receipt or disbursement other than one to which [section 8(1)] applies to principal if its due date occurs before a decedent dies in the case of an estate or before an income interest begins in the case of a trust or successive income interest.

(2) A trustee shall allocate an income receipt or disbursement to income if its due date occurs on or after the date on which a decedent dies or an income interest begins and it is a periodic due date. An income receipt or disbursement must be treated as accruing from day to day if its due date is not periodic or it has no due date. The portion of the receipt or disbursement accruing before the date on which a decedent dies or an income interest begins must be allocated to principal, and the balance must be allocated to income.

(3) An item of income or an obligation is due on the date the payer is required to make a payment. If a payment date is not stated, there is no due date for the purposes of [sections 1 through 33]. Distributions to shareholders or other owners from an entity to which [section 13] applies are considered to be due on...
the date fixed by the entity for determining who is entitled to receive the distribution or, if no date is fixed, on the declaration date for the distribution. A due date is periodic for receipts or disbursements that must be paid at regular intervals under a lease or an obligation to pay interest or if an entity customarily makes distributions at regular intervals.

Section 12. Undistributed income — definition — payment to beneficiary. (1) (a) For the purposes of this section, “undistributed income” means net income received before the date on which an income interest ends.

(b) The term does not include an item of income or expense that is due or accrued or net income that has been added or is required to be added to principal by the trust.

(2) Except as provided in subsection (3), on the date when a mandatory income interest ends, the trustee shall pay to a mandatory income beneficiary who survives that date or to the estate of a deceased mandatory income beneficiary whose death causes the interest to end the beneficiary’s share of the undistributed income that is not disposed of under the trust.

(3) If immediately before the income interest ends, the beneficiary under subsection (2) has an unqualified power to revoke more than 5% of the trust, the undistributed income from the portion of the trust that may be revoked must be added to principal.

(4) When a trustee’s obligation to pay a fixed annuity or a fixed fraction of the value of the trust’s assets ends, the trustee shall prorate the final payment.

Section 13. Allocation of receipts to income or principal — entity defined. (1) For the purposes of this section, “entity” means a corporation, partnership, limited liability company, regulated investment company, real estate investment trust, common trust fund, or any other organization in which a trustee has an interest other than a trust or decedent’s estate to which [section 14] applies, a business or activity to which [section 15] applies, or an asset-backed security to which [section 27] applies.

(2) Except as otherwise provided in this section, a trustee shall allocate to income money received from an entity.

(3) A trustee shall allocate to principal the following receipts from an entity:

(a) property other than money;

(b) money received in one distribution or a series of related distributions in exchange for part or all of a trust’s interest in the entity;

(c) money received in total or partial liquidation of the entity; and

(d) money received from an entity that is a regulated investment company or a real estate investment trust if the money distributed is a capital gain dividend for federal income tax purposes.

(4) For purposes of subsection (3)(c):

(a) money is received in partial liquidation:

(i) to the extent that the entity, at or near the time of a distribution, indicates that it is a distribution in partial liquidation; or

(ii) if the total amount of money and property received in a distribution or series of related distributions is greater than 20% of the entity’s gross assets, as shown by the entity’s yearend financial statements immediately preceding the initial receipt;
Section 14. Allocation of amounts received from specified trusts or estates. A trustee shall allocate to income an amount received as a distribution of income from a trust or a decedent's estate, other than an interest in an investment entity, in which the trust has an interest other than a purchased interest, and shall allocate to principal an amount received as a distribution of principal from the trust or estate.

Section 15. Separate accounting records for business or other activity. (1) If a trustee who conducts a business or other activity determines that it is in the best interest of all the beneficiaries to account separately for the business or other activity instead of accounting for it as part of the trust's general accounting records, the trustee may maintain separate accounting records for its transactions, whether or not its assets are segregated from other trust assets.

(2) A trustee who accounts separately for a business or other activity may determine the extent to which its net cash receipts must be retained for working capital, the acquisition or replacement of fixed assets, and its other reasonably foreseeable needs, and the extent to which the remaining net cash receipts are accounted for as principal or income in the trust's general accounting records. If a trustee sells assets of the business or other activity, other than in the ordinary course of the business or other activity, the trustee shall account for the net amount received as principal in the trust's general accounting records to the extent the trustee determines that the amount received is no longer required in the conduct of the business or other activity.

(3) Businesses and other activities for which a trustee may maintain separate accounting records include the following:

(a) retail, manufacturing, service, and other traditional business activities;

(b) farming;

(c) raising and selling livestock and other animals;

(d) managing rental properties;

(e) extracting minerals and other natural resources;

(f) timber operations; and

(g) activities to which [section 26] applies.

Section 16. Amounts allocated to principal. A trustee shall allocate to principal:

(1) to the extent not allocated to income under this chapter, assets received from a transferor during the transferor's lifetime, a decedent's estate, a trust with a terminating income interest, or a payer under a contract naming the trust or its trustee as beneficiary;
(2) subject to any contrary rules in [sections 13 through 15], [sections 16 through 19], and [sections 20 through 27], money or other property received from the sale, exchange, liquidation, or change in form of a principal asset, including realized profit;

(3) amounts recovered from third parties to reimburse the trust because of disbursements described in [section 29(1)(g)] or for other reasons to the extent not based on the loss of income;

(4) proceeds of property taken by eminent domain, but a separate award made for the loss of income with respect to an accounting period during which a current income beneficiary had a mandatory income interest is income;

(5) net income received in an accounting period during which there is no beneficiary to whom a trustee may or must distribute income; and

(6) other receipts allocated to principal as provided in [sections 20 through 27].

Section 17. Amounts received from rental property allocation. Unless the trustee accounts for receipts from rental property pursuant to [section 15], the trustee shall allocate to income an amount received as rent of real or personal property, including an amount received for cancellation or renewal of a lease. An amount received as a refundable deposit, including a security deposit or a deposit that is to be applied as rent for future periods, must be added to principal and held subject to the terms of the lease and is not available for distribution to a beneficiary until the trustee’s contractual obligations have been satisfied with respect to that amount.

Section 18. Interest on obligation to pay money — allocation. (1) An amount received as interest, whether determined at a fixed, variable, or floating rate, on an obligation to pay money to the trustee, including an amount received as consideration for prepaying principal, must be allocated to income without any provision for amortization of premium.

(2) An amount received from the sale, redemption, or other disposition of an obligation to pay money to the trustee more than 1 year after it is purchased or acquired by the trustee, including an obligation whose purchase price or its value when it is otherwise acquired is less than its value at maturity, must be allocated to principal. If the obligation matures within 1 year after it is purchased or acquired by the trustee, an amount received in excess of its purchase price or its value when it is otherwise acquired must be allocated to income.

(3) This section does not apply to an obligation to which [section 21, 22, 23, 24, 26, or 27] applies.

Section 19. Life insurance policy proceeds — proceeds of contracts insuring against certain losses — allocation. (1) Except as otherwise provided in subsection (2), a trustee shall allocate to principal the proceeds of a life insurance policy or other contract in which the trust or its trustee is named as beneficiary, including a contract that insures the trust or its trustee against loss for damage to, destruction of, or loss of title to a trust asset. The trustee shall allocate dividends on an insurance policy to income if the premiums on the policy are paid from income and to principal if the premiums are paid from principal.

(2) A trustee shall allocate to income proceeds of a contract that insures the trustee against loss of occupancy or other use by an income beneficiary, loss of income, or, subject to [section 15], loss of profits from a business.
Section 20. Insubstantial allocation — allocation of entire amount to principal — exceptions. (1) If a trustee determines that an allocation between principal and income required by [section 21, 22, 23, 24, or 27] is insubstantial, the trustee may allocate the entire amount to principal unless one of the circumstances described in [section 4(2)] applies to the allocation. This power may be exercised by a cotrustee in the circumstances described in [section 4(3)] and may be released for the reasons and in the manner provided in [section 4(4) and (5)].

(2) An allocation is presumed to be insubstantial in either of the following cases:

(a) when the amount of the allocation would increase or decrease net income in an accounting period, as determined before the allocation, by less than 10%; or

(b) when the value of the asset producing the receipt for which the allocation would be made is less than 10% of the total value of the trust's assets at the beginning of the accounting period.

(3) Nothing in this section imposes a duty on the trustee to make an allocation under this section, and the trustee is not liable for failure to make an allocation under this section.

Section 21. Payments characterized as interest or dividend — allocation to income — allocation of other payments — excess allocation to income in order to obtain estate tax marital deduction. (1) In this section, “payment” means a payment that a trustee may receive over a fixed number of years or during the life of one or more individuals because of services rendered or property transferred to the payer in exchange for future payments. The term includes a payment made in money or property from the payer's general assets or from a separate fund created by the payer, including a private or commercial annuity, an individual retirement account, and a pension, profit-sharing, stock-bonus, or stock-ownership plan.

(2) To the extent that a payment is characterized as interest or a dividend or a payment made in lieu of interest or a dividend, a trustee shall allocate it to income. The trustee shall allocate to principal the balance of the payment and any other payment received in the same accounting period that is not characterized as interest, a dividend, or an equivalent payment.

(3) If no part of a payment is characterized as interest, a dividend, or an equivalent payment and all or part of the payment is required to be made, a trustee shall allocate to income 10% of the part that is required to be made during the accounting period and the balance to principal. If no part of a payment is required to be made or the payment received is the entire amount to which the trustee is entitled, the trustee shall allocate the entire payment to principal. For purposes of this subsection, a payment is not “required to be made” to the extent that it is made because the trustee exercises a right of withdrawal.

(4) If, to obtain an estate tax marital deduction for a trust, a trustee allocates more of a payment to income than provided by this section, the trustee shall allocate to income the additional amount necessary to obtain the marital deduction.

(5) This section does not apply to payments to which [section 22] applies.
Section 22. Receipts from liquidating assets — allocation. (1) In this section, “liquidating asset” means an asset whose value will diminish or terminate because the asset is expected to produce receipts for a period of limited duration. The term includes a leasehold, patent, copyright, royalty right, and right to receive payments under an arrangement that does not provide for the payment of interest on the unpaid balance. The term does not include a payment subject to [section 21], natural resources subject to [section 23], timber subject to [section 24], a derivative or option subject to [section 26], an asset subject to [section 27], or any asset for which the trustee establishes a reserve for depreciation under [section 30].

(2) A trustee shall allocate to income 10% from a liquidating asset and the balance to principal.

Section 23. Receipts from mineral interests and other natural resources — allocation. (1) To the extent that a trustee accounts for receipts from an interest in minerals or other natural resources pursuant to this section, the trustee shall allocate them as follows:

(a) if received as a nominal bonus, nominal delay rental, or nominal annual rent on a lease, a receipt must be allocated to income;

(b) if received from a production payment, a receipt must be allocated to income if and to the extent that the agreement creating the production payment provides a factor for interest or its equivalent. The balance must be allocated to principal.

(c) if an amount received as a royalty, shut-in-well payment, take-or-pay payment, bonus, or delay rental is more than nominal, 15% must be allocated to principal and the balance to income; and

(d) if an amount is received from a working interest or any other interest in mineral or other natural resources not described in subsection (1)(a), (1)(b), or (1)(c), 15% of the net amount received must be allocated to principal and the balance to income.

(2) An amount received on account of an interest in water that is renewable must be allocated to income. If the water is not renewable, 15% of the amount must be allocated to principal and the balance to income.

(3) [Sections 1 through 33] apply whether or not a decedent or donor was extracting minerals, water, or other natural resources before the interest became subject to the trust.

Section 24. Receipts from sale of timber and related products — allocation. (1) To the extent that a trustee accounts for receipts from the sale of timber and related products pursuant to this section, the trustee shall allocate the net receipts as follows:

(a) to income to the extent that the amount of timber removed from the land does not exceed the rate of growth of the timber during the accounting periods in which a beneficiary has a mandatory income interest;

(b) to principal to the extent that the amount of timber removed from the land exceeds the rate of growth of the timber or the net receipts are from the sale of standing timber;

(c) to or between income and principal if the net receipts are from the lease of timberland or from a contract to cut timber from land owned by a trust, by determining the amount of timber removed from the land under the lease or contract and applying the rules in subsections (1)(a) and (1)(b);
(d) to principal to the extent that advance payments, bonuses, and other payments are not allocated pursuant to subsection (1)(a), (1)(b), or (1)(c).

(2) In determining net receipts to be allocated under subsection (1), a trustee shall deduct and transfer to principal a reasonable amount for depletion.

(3) Sections 1 through 33 apply whether or not a decedent or transferor was harvesting timber from the property before it became subject to the trust.

Section 25. Increasing income in order to maintain marital deduction. (1) If a marital deduction is allowed for all or part of a trust whose assets consist substantially of property that does not provide the spouse with sufficient income from or use of the trust assets and if the amounts that the trustee transfers from principal to income under section 4 and distributes to the spouse from principal pursuant to the terms of the trust are insufficient to provide the spouse with the beneficial enjoyment required to obtain the marital deduction, the spouse may require the trustee to make property productive of income or convert it into productive property or exercise the power under section 4(1) within a reasonable time. The trustee may decide which action or combination of actions to take.

(2) In cases not governed by subsection (1), proceeds from the sale or other disposition of a trust asset are principal without regard to the amount of income the asset produces during any accounting period.

Section 26. Transactions in derivatives — allocations of receipts and disbursements — options to buy or sell property — allocation of amounts received or paid. (1) In this section, “derivative” means a contract or financial instrument or a combination of contracts and financial instruments that gives a trust the right or obligation to participate in some or all changes in the price of a tangible or intangible asset or group of assets or changes in a rate, an index of prices or rates, or other market indicator for an asset or a group of assets.

(2) To the extent that a trustee does not account under section 15 for transactions in derivatives, the trustee shall allocate to principal receipts from and disbursements made in connection with those transactions.

(3) If a trustee grants an option to buy property from the trust, whether or not the trust owns the property when the option is granted, grants an option that permits another person to sell property to the trust, or acquires an option to buy property for the trust or an option to sell an asset owned by the trust and the trustee or other owner of the asset is required to deliver the asset if the option is exercised, an amount received for granting the option must be allocated to principal. An amount paid to acquire the option must be paid from principal. A gain or loss realized upon the exercise of an option, including an option granted to a trustor of the trust for services rendered, must be allocated to principal.

Section 27. Payments from collateral financial assets and payments in exchange for interest in asset-backed security — allocation. (1) In this section, “asset-backed security” means an asset whose value is based upon the right it gives the owner to receive distributions from the proceeds of financial assets that provide collateral for the security. The term includes an asset that gives the owner the right to receive from the collateral financial assets only the interest or other current return or only the proceeds other than interest or current return. The term does not include an asset to which section 13 or 21 applies.
If a trust receives a payment from interest or other current return and from other proceeds of the collateral financial assets, the trustee shall allocate to income the portion of the payment that the payer identifies as being from interest or other current return and shall allocate the balance of the payment to principal.

If a trust receives one or more payments in exchange for the trust’s entire interest in an asset-backed security in one accounting period, the trustee shall allocate the payments to principal. If a payment is one of a series of payments that will result in the liquidation of the trust’s interest in the security over more than one accounting period, the trustee shall allocate 10% of the payment to income and the balance to principal.

Section 28. Disbursements from income. A trustee shall make the following disbursements from income to the extent that they are not disbursements to which [section 8(3)(b) or 8(3)(c)] applies:

1. except as otherwise ordered by the court, one-half of the regular compensation of the trustee and of any person providing investment advisory or custodial services to the trustee;
2. except as otherwise ordered by the court, one-half of all expenses for accountings, judicial proceedings, or other matters that involve both the income and remainder interests;
3. all of the other ordinary expenses incurred in connection with the administration, management, or preservation of trust property and the distribution of income, including interest, ordinary repairs, regularly recurring taxes assessed against principal, and expenses of a proceeding or other matter that concerns primarily the income interest; and
4. all recurring premiums on insurance covering the loss of a principal asset or the loss of income from or use of the asset.

Section 29. Disbursements from principal. (1) A trustee shall make the following disbursements from principal:

(a) except as otherwise ordered by the court, the remaining one-half of the disbursements described in [section 28(1) and (2)];
(b) except as otherwise ordered by the court, all of the trustee’s compensation calculated on principal as a fee for acceptance, distribution, or termination and disbursements made to prepare property for sale;
(c) payments on the principal of a trust debt;
(d) expenses of a proceeding that concerns primarily principal, including a proceeding to construe the trust or to protect the trust or its property;
(e) premiums paid on a policy of insurance not described in [section 28(4)] of which the trust is the owner and beneficiary;
(f) estate, inheritance, and other transfer taxes, including penalties, apportioned to the trust; and
(g) disbursements related to environmental matters, including reclamation, assessing environmental conditions, remedying and removing environmental contamination, monitoring remedial activities and the release of substances, preventing future releases of substances, collecting amounts from persons liable or potentially liable for the costs of those activities, penalties imposed under environmental laws or regulations and other payments made to comply with
those laws or regulations, statutory or common law claims by third parties, and defending claims based on environmental matters.

(2) If a principal asset is encumbered with an obligation that requires income from that asset to be paid directly to the creditor, the trustee shall transfer from principal to income an amount equal to the income paid to the creditor in reduction of the principal balance of the obligation.

Section 30. Assets subject to depreciation — transfer from income to principal of portion of net cash receipts. (1) For purposes of this section, “depreciation” means a reduction in value due to wear, tear, decay, corrosion, or gradual obsolescence of a fixed asset having a useful life of more than 1 year.

(2) A trustee may transfer from income to principal a reasonable amount of the net cash receipts from a principal asset that is subject to depreciation, under generally accepted accounting principles, but may not transfer any amount for depreciation under this section in any of the following circumstances:

(a) as to the portion of real property used or available for use by a beneficiary as a residence or of tangible personal property held or made available for the personal use or enjoyment of a beneficiary;

(b) during the administration of a decedent’s estate; or

(c) if the trustee is accounting under [section 15] for the business or activity in which the asset is used.

(3) An amount transferred from income to principal need not be held as a separate fund.

Section 31. Transfer from income to principal in anticipation of principal disbursement. (1) If a trustee makes or expects to make a principal disbursement described in this section, the trustee may transfer an appropriate amount from income to principal in one or more accounting periods to reimburse principal or to provide a reserve for future principal disbursements.

(2) Principal disbursements to which subsection (1) applies include the following, but only to the extent that the trustee has not been and does not expect to be reimbursed by a third party:

(a) an amount chargeable to income but paid from principal because it is unusually large, including extraordinary repairs;

(b) a capital improvement to a principal asset, whether in the form of changes to an existing asset or the construction of a new asset, including special assessments;

(c) disbursements made to prepare property for rental, including tenant allowances, leasehold improvements, and broker’s commissions;

(d) periodic payments on an obligation secured by a principal asset to the extent that the amount transferred from income to principal for depreciation is less than the periodic payments; and

(e) disbursements described in [section 29(1)(g)].

(3) If the asset whose ownership gives rise to the disbursements becomes subject to a successive income interest after an income interest ends, a trustee may continue to transfer amounts from income to principal as provided in subsection (1).

Section 32. Payment of taxes. (1) A tax required to be paid by a trustee based on receipts allocated to income must be paid from income.
(2) A tax required to be paid by a trustee based on receipts allocated to
principal must be paid from principal, even if the tax is called an income tax by
the taxing authority.

(3) A tax required to be paid by a trustee on the trust’s share of an entity’s
taxable income must be paid proportionately as follows:
   (a) from income to the extent that receipts from the entity are allocated to
       income;
   (b) from principal to the extent that both of the following apply:
       (i) receipts from the entity are allocated to principal; and
       (ii) the trust’s share of the entity’s taxable income exceeds the total receipts
           described in subsection (3)(a) and subsection (3)(b)(i).

(4) For purposes of this section, receipts allocated to principal or income
must be reduced by the amount distributed to a beneficiary from principal or
income for which the trust receives a deduction in calculating the tax.

Section 33. Adjustments between principal and income in certain
cases. (1) A fiduciary may make adjustments between principal and income to
offset the shifting of economic interests or tax benefits between income
beneficiaries and remainder beneficiaries that arise from any of the following:
   (a) elections and decisions, other than those described in subsection (2), that
       the fiduciary makes from time to time regarding tax matters;
   (b) an income tax or any other tax that is imposed upon the fiduciary or a
       beneficiary as a result of a transaction involving or a distribution from the estate
       or trust; or
   (c) the ownership by a decedent’s estate or trust of an interest in an entity
       whose taxable income, whether or not distributed, is includable in the taxable
       income of the estate, trust, or a beneficiary.

(2) If the amount of an estate tax marital deduction or charitable
contribution deduction is reduced because a fiduciary deducts an amount paid
from principal for income tax purposes instead of deducting it for estate tax
purposes and as a result estate taxes paid from principal are increased and
income taxes paid by a decedent’s estate, trust, or beneficiary are decreased,
each estate, trust, or beneficiary that benefits from the decrease in income tax
shall reimburse the principal from which the increase in estate tax is paid. The
total reimbursement must equal the increase in the estate tax to the extent that
the principal used to pay the increase would have qualified for a marital
deduction or charitable contribution deduction but for the payment. The
proportionate share of the reimbursement for each estate, trust, or beneficiary
whose income taxes are reduced must be the same as its proportionate share of
the total decrease in income tax. An estate or trust shall reimburse principal
from income.

Section 34. Repealer. Sections 72-34-401, 72-34-402, 72-34-403,
72-34-404, 72-34-405, 72-34-406, 72-34-407, 72-34-408, 72-34-409, 72-34-410,
72-34-411, 72-34-412, and 72-34-416, MCA, are repealed.

Section 35. Codification instruction. [Sections 1 through 33] are
intended to be codified as an integral part of Title 72, chapter 34, and the
provisions of Title 72, chapter 34, apply to [sections 1 through 33].
Section 36. Coordination instruction. If Senate Bill No. 230 is not passed and approved, then [section 4(1)(a) of this act] is void.

CHAPTER NO. 507

[SB 244]

AN ACT PROVIDING THAT A CONTRACT HOLDER OR EMPLOYEE OF A WATER USERS' ASSOCIATION THAT PAYS OPERATION OR MAINTENANCE COSTS ON A STATE-OWNED RESERVOIR MAY NOT BE REQUIRED TO PURCHASE A DAY-USE PERMIT TO ACCESS THAT RESERVOIR; REQUIRING THE ASSOCIATION TO ISSUE ANNUAL IDENTIFICATION CARDS TO ELIGIBLE CONTRACT HOLDERS AND EMPLOYEES OF WATER USERS' ASSOCIATIONS; AMENDING SECTION 23-1-105, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Identification of association contract holders and employees for free reservoir access. A water users' association that chooses to participate as provided in 23-1-105(6) is responsible for issuing annual identification cards to its contract holders and employees in order to facilitate the identification by department of fish, wildlife, and parks enforcement personnel of persons who are eligible for free reservoir day use pursuant to 23-1-105(6). The identification card must be issued to the contract holder or employee of the water users' association and may not be transferred or assigned to another entity.

Section 2. Section 23-1-105, MCA, is amended to read:

"23-1-105. Fees and charges. (1) The department may levy and collect reasonable fees or other charges for the use of privileges and conveniences that may be provided and to grant concessions that it considers advisable, except as provided in subsection sections (2) and (6). All money derived from the activities of the department, except as provided in subsection section (5), must be deposited in the state treasury in a state special revenue fund to the credit of the department.

(2) Overnight camping fees established by the department under subsection section (1) must be discounted 50% for a campsite rented by a person who is a resident of Montana, as defined in 87-2-102, and either 62 years of age or older or certified as disabled in accordance with rules adopted by the department.

(3) For a violation of any fee collection rule involving a vehicle, the registered owner of the vehicle at the time of the violation is personally responsible if an adult is not in the vehicle at the time the violation is discovered by an authorized officer. A defense that the vehicle was driven into the fee area by another person is not allowable unless it is shown that at that time, the vehicle was being used without the consent of the registered owner.

(4) Money received from the collection of fees and charges is not subject to the deposit requirements of 17-6-105. The department shall deposit money collected under this section within a reasonable time after receipt.

(5) There is a fund of the enterprise fund type, as defined in 17-2-102(1)(b)(i), for the purpose of managing state park visitor services revenue. The fund is to be
used by the department to serve the recreating public by providing for the obtaining of inventory through purchase, production, or donation and for the sale of educational, commemorative, and interpretive merchandise and other related goods and services at department sites and facilities. The fund consists of money from the sale of educational, commemorative, and interpretive merchandise and other related goods and services and from donations. Gross revenue from the sale of educational, commemorative, and interpretive merchandise and other related goods and services must be deposited in the fund. All interest and earnings on money deposited in the fund must be credited to the fund for use as provided in this subsection.

(6) A contract holder or employee of a water users’ association regulated pursuant to Title 85, chapter 6, that is paying operation or maintenance costs on a state-owned reservoir may not be required to purchase any day-use permit to access the reservoir for which operation or maintenance costs are paid by the association if the contract holder or employee of the water users’ association holds an identification card as provided in [section 1]. A water users’ association contract holder or employee who wishes to access the reservoir for purposes other than day use is required to pay any applicable fees. The water users’ association is responsible for issuing annual identification cards pursuant to [section 1]."

Section 4. Coordination instruction. If Senate Bill No. 336 and [this act] are both passed and approved, then [this act] is void.

Section 5. Effective date. [This act] is effective on passage and approval.

[SB 246]

AN ACT REVISING THE LAWS RELATED TO THE ANNEXATION OF PROPERTY INCLUDED IN A FIRE SERVICE AREA; REQUIRING A BOARD OF COUNTY COMMISSIONERS TO ALTER THE BOUNDARIES OF A FIRE SERVICE AREA TO EXCLUDE AN AREA THAT IS ANNEXED; REQUIRING THAT AN ANNEXING MUNICIPALITY BE NOTIFIED IN ORDER TO PREVENT THE PROPERTY OWNERS OF THE AREA TO BE ANNEXED FROM ASSUMING FINANCIAL RESPONSIBILITY TO BOTH THE MUNICIPALITY AND THE FIRE SERVICE AREA; AND AMENDING SECTIONS 7-33-2401 AND 7-33-2404, MCA.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 7-33-2401, MCA, is amended to read:

“7-33-2401. Fire service area — establishment — alteration — dissolution. (1) Upon receipt of a petition signed by at least 30 owners of real property in the proposed service area, or by a majority of the owners of real property if there are no more than 30 owners of real property in the proposed service area, the board of county commissioners may establish a fire service area within an unincorporated area not part of a rural fire district in the county to provide the services and equipment set forth in 7-33-2402.
(2) To establish a fire service area, the board shall:

(a) pass a resolution of intent to form the area, with public notice as provided in 7-1-2121 and written notice as provided in 7-1-2122;

(b) hold a public hearing no earlier than 30 or later than 90 days after passage of the resolution of intent;

(c) at the public hearing:

(i) accept written protests from property owners of the area of the proposed area; and

(ii) receive general protests and comments relating to the establishment of the fire service area and its boundaries, rates, kinds, types, or levels of service, or any other matter relating to the proposed fire service area; and

(d) pass a resolution creating the fire service area. The area is created effective 60 days after passage of the resolution unless by that date more than 50% of the property owners of the proposed fire service area protest its creation.

(3) Based on testimony received in the public hearing, the board in the resolution creating the fire service area may establish different boundaries, establish a different fee schedule than proposed, change the kinds, types, or levels of service, or change the manner in which the area will provide services to its residents.

(4) The board of county commissioners may alter the boundaries or the kinds, types, or levels of service or dissolve a fire service area, using the same procedures required for the creation of a fire service area provided in subsection (2). The board of county commissioners shall alter the boundaries of a fire service area to exclude any area that is annexed by a city or town, using the procedures provided in subsection (2). Any existing indebtedness of a fire service area that is dissolved remains the responsibility of the owners of property within the area, and any assets remaining after all indebtedness has been satisfied must be returned to the owners of property within the area.”

Section 2. Section 7-33-2404, MCA, is amended to read:

“7-33-2404. Financing of fire service area — fee on structures. (1) In the resolution creating the fire service area and by resolution as necessary after creation of the fire service area, the board of county commissioners shall establish a schedule of rates to be charged to owners of structures that are benefited by the services offered by the fire service area.

(2) The rates must be applied on a fair and equal basis to all classes of structures benefited by the fire service area.

(3) The board of county commissioners shall collect the funds necessary to operate the fire service area by charging the area rate as a special assessment on the owners of structures and shall collect the assessments with the general taxes of the county. The assessments are a lien on the assessed property.

(4) The board of county commissioners or the trustees, if the fire service area is governed by trustees under 7-33-2403, may pledge the income of the fire service area to secure financing necessary to procure equipment and buildings to house the equipment. The outstanding amount of the indebtedness may not exceed 1.1% of the total assessed value of taxable property, determined as provided in 15-8-111, within the area, as ascertained by the last assessment for state and county taxes prior to the incurring of the indebtedness.
(5) If a fire service area is reduced or eliminated by annexation of all or a portion of the fire service area into a municipality, then the county commissioners or trustees of the fire service area shall notify the annexing municipality in order to prevent the property owners of the area to be annexed from assuming financial responsibility to both the municipality and the fire service area.

Section 3. Saving clause. (This act) does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun before [the effective date of this act].

CHAPTER NO. 509

[SB 247]

AN ACT ESTABLISHING A DEFAULT ELECTRICITY SUPPLY PROCUREMENT PROCESS; REQUIRING THE PUBLIC SERVICE COMMISSION TO ADOPT RULES THAT ESTABLISH CRITERIA THAT GUIDE THE DEFAULT ELECTRICITY SUPPLY PROCUREMENT PROCESS; PROVIDING OBJECTIVES FOR THE DEFAULT SUPPLIER FOR DEFAULT SUPPLY PLANNING, PORTFOLIO MANAGEMENT, AND RESOURCE PROCUREMENT; REQUIRING THE DEFAULT SUPPLIER TO DEVELOP A PROCUREMENT PLAN; ESTABLISHING REQUIREMENTS FOR COMMENT BY THE PUBLIC AND THE COMMISSION ON A DEFAULT SUPPLIER PROCUREMENT PLAN; PROVIDING A PROCESS FOR DEFAULT SUPPLY PROCUREMENT FILINGS AND COMMISSION APPROVAL; REQUIRING THE COMMISSION TO ESTABLISH AN ELECTRICITY COST RECOVERY MECHANISM FOR PRUDENTLY INCURRED ELECTRICITY SUPPLY COSTS; REQUIRING THE COMMISSION TO REQUIRE THE DEFAULT SUPPLIER TO OFFER MULTIPLE SERVICE OPTIONS; REQUIRING THE DEFAULT SUPPLIER TO OFFER ITS CUSTOMERS THE OPTION OF PURCHASING A PRODUCT COMPOSED OF CERTIFIED ENVIRONMENTALLY PREFERRED RESOURCES; AMENDING SECTIONS 69-1-114 AND 69-8-210, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Default supply resource planning and procurement — duties of default supplier — objectives — commission rules. (1) The default supplier shall:

(a) plan for future default supply resource needs;
(b) manage a portfolio of default supply resources; and
(c) procure new default supply resources when needed.

(2) The default supplier shall pursue the following objectives in fulfilling its duties pursuant to subsection (1):

(a) provide adequate and reliable default supply services at the lowest long-term total cost;
(b) conduct an efficient default supply resource planning and procurement process that evaluates the full range of cost-effective electricity supply and demand-side management options;

(c) identify and cost-effectively manage and mitigate risks related to its obligation to provide default electricity supply service;

(d) use open, fair, and competitive procurement processes whenever possible; and

(e) provide default supply services at just and reasonable rates.

(3) By December 31, 2003, the commission shall adopt rules that guide the default supply resource planning and procurement processes used by the default supplier and facilitate the achievement of the objectives in subsection (2) by the default supplier. The rules must establish:

(a) goals, objectives, and guidelines that are consistent with the objectives in subsection (2) for:

(i) planning for future default supply resource needs;

(ii) managing the portfolio of default supply resources; and

(iii) procuring new default supply resources;

(b) standards for the evaluation by the commission of the reasonableness of a power supply purchase agreement proposed by the default supplier; and

(c) minimum filing requirements for an application by the default supplier for advanced approval of a proposed power supply purchase agreement.

Section 2. Default supply resource procurement plans — comment on plans. (1) The default supplier shall develop default supply resource procurement plans. The plans must be submitted to the commission at intervals determined in rules adopted by the commission pursuant to [section 1].

(2) A default supply resource procurement plan must demonstrate the default supplier’s achievement of the objectives provided in [section 1] and compliance with the rules adopted pursuant to [section 1].

(3) The commission shall:

(a) review the default supply resource procurement plan;

(b) provide an opportunity to the public to comment on the plan; and

(c) issue written comments that identify:

(i) any concerns of the commission regarding the default supplier’s compliance with the rules adopted pursuant to [section 1]; and

(ii) ways to remedy any concerns.

Section 3. Default supply filings — commission processing and approval. (1) A default supplier may apply to the commission for advanced approval of a power supply purchase agreement that is:

(a) not executed; or

(b) executed with a provision that allows termination of the agreement if the commission does not find the agreement reasonable.

(2) (a) The commission shall issue an order on the default supplier’s application for advanced approval of a power supply purchase agreement in a timely manner as provided in this subsection (2).
(b) In establishing an administrative procedure for reviewing an application for advanced approval, the commission shall consider any financing and market constraints and the due process rights of affected persons.

(c) Within 45 days of the default supplier's submission of an application for advanced approval, the commission shall determine whether or not the application is adequate and in compliance with the commission's minimum filing requirements. If the commission determines that the application is inadequate, it shall explain how the filing fails to comply with the objectives in [section 1] and the rules adopted pursuant to [section 1].

(d) The commission shall issue an order within 180 days of receipt of an adequate application unless it determines that extraordinary circumstances require additional time.

(e) To facilitate timely consideration of an application, the commission may initiate proceedings to evaluate planning and procurement activities related to a potential resource procurement prior to the default supplier's submission of an application for approval.

(3) (a) The commission may approve or deny, in whole or in part, an application for advanced approval of a power supply purchase agreement.

(b) The commission may consider all relevant information known up to the time that the administrative record in the proceeding is closed in the evaluation of an application for advanced approval of a power supply purchase agreement.

(c) A commission order granting advanced approval of a power supply purchase agreement must include the following findings:

(i) advanced approval of all or part of the agreement is in the public interest;

(ii) the agreement resulted from a reasonable effort by the default supplier to comply with the objectives in [section 1] and the rules adopted pursuant to [section 1]; and

(iii) the price, quantity, duration, and other contract terms directly related to the price, quantity, and duration of the power supply purchase agreement are reasonable.

(d) The commission order may include other findings that the commission determines are necessary.

(e) A commission order that denies advanced approval must describe why the findings required in subsection (3)(c) could not be reached.

(4) Notwithstanding any provision of this chapter to the contrary, if the commission has issued an order containing the findings required under subsection (3)(c), the commission may not subsequently disallow the recovery of costs incurred under the agreement based on contrary findings.

(5) If a default supplier does not apply for advanced approval of a power supply purchase agreement, the commission shall consider the prudence of the default supplier's resource procurement actions in the context of a default supplier's cost recovery filing pursuant to 69-8-210 or in a separate proceeding. The commission's decisions in these proceedings must be based on facts that were known or should reasonably have been known by the default supplier at the time of its procurement decisions.

(6) Nothing limits the commission's ability to subsequently, in any future cost recovery proceeding, inquire into the manner in which the default supplier has managed a power supply purchase agreement as part of its overall portfolio.
The commission may subsequently disallow default supply costs that result from the failure of a default supplier to reasonably administer power supply purchase agreements in the context of its overall default supply portfolio management and service obligations.

(7) The commission may engage independent consultants or advisory services to evaluate a utility’s default supply resource procurement plans and proposed power supply purchase agreements. The consultants must have demonstrated knowledge and experience with electricity supply procurement and resource portfolio management, modeling, and risk management practices. The commission shall charge a fee to the default supplier to pay for the costs of consultants or advisory services. These costs are recoverable in default supply rates.

Section 4. Section 69-1-114, MCA, is amended to read:

“69-1-114. Fees. (1) Each fee charged by the commission must be commensurate with the costs incurred in administering the function for which the fee is charged except those fees set by federal statute.

(2) No fee set by the commission may exceed $500.

(3) All fees collected by the department under [section 3(7)] must be deposited in an account in the special revenue fund. Funds in this account must be used as provided in [section 3(7)].”

Section 5. Section 69-8-210, MCA, is amended to read:

“69-8-210. Public utilities — electricity supply. (1) On the effective date of a commission order implementing a public utility’s transition plan pursuant to 69-8-202, the public utility shall remove its generation assets from the rate base.

(2) During the transition period, the commission may establish cost-based prices for electricity supply service for customers that do not have a choice of electricity supply service or that have not yet chosen an electricity supplier.

(3) If the transition period is extended, then the customers’ distribution services provider shall:

(a) extend any cost-based contract with the distribution services provider’s affiliate supplier for a term of not more than 3 years; or

(b) purchase electricity from the market; and

(c) use a mechanism that recovers electricity supply costs in rates to ensure that those costs are fully recovered. (1) A public utility’s distribution services provider shall provide default supply service.

(2) The commission shall establish an electricity cost recovery mechanism that allows a default supplier to fully recover prudently incurred electricity supply costs, subject to the provisions of [sections 1 and 2]. The cost recovery mechanism must provide for prospective rate adjustments for cost differences resulting from cost changes, load changes, and the time value of money on the differences.

(3) The commission may direct a default supplier to offer its customers multiple default supply service options if the commission determines that those options are in the public interest and are consistent with the provisions of 69-8-104 and 69-8-201.
(4) Notwithstanding any service options that the commission may require pursuant to subsection (3), a default supplier shall offer its customers the option of purchasing a product composed of or supporting power from certified environmentally preferred resources that include but are not limited to wind, solar, geothermal, and biomass, subject to review and approval by the commission. The commission shall ensure that these resources have been certified as meeting industry-accepted standards.

(4)(5) If a public utility intends to be an electricity supplier through an unregulated division, then the public utility must be licensed as an electricity supplier pursuant to 69-8-404.”

Section 6. Codification instruction. [Sections 1 through 3] are intended to be codified as an integral part of Title 69, chapter 8, part 4, and the provisions of Title 69, chapter 8, part 4, apply to [sections 1 through 3].

Section 7. Coordination instruction. If [this act] and House Bill No. 509 are both passed and approved, then [section 14 of House Bill No. 509], amending 69-8-210, is void.

Section 8. Effective date. [This act] is effective on passage and approval.

Section 9. Applicability. [Sections 1 through 3] apply only to power supply purchase agreements for which the procurement process begins on or after [the effective date of this act].

“25-9-302. Filing of transcript of docket in another county — lien — expiration. (1) A transcript of the original docket, certified by the clerk, may be filed with the district court clerk of any other county. From the time of the filing, the judgment becomes a lien upon all real property of the judgment debtor that is not exempt from execution in that county and that is either owned by the judgment debtor at the time or afterward acquired by the judgment debtor before the lien expires. Except as provided in subsection (2), the lien continues for 6 10 years unless the judgment is previously satisfied.

(2) When the judgment is for the payment of child support, the lien continues for 10 years from the termination of the support obligation or 10 years from entry of a lump-sum judgment or order for support arrears, whichever is later, unless the judgment is previously satisfied.”

Section 3. Section 25-9-303, MCA, is amended to read:

Section 4. Section 25-13-402, MCA, is amended to read:

"25-13-402. How writ executed. (1) (a) The sheriff or levying officer shall, subject to subsection (6), execute the writ against the property of the judgment debtor not later than 120 days after receipt of the writ by:

(i) levying on a sufficient amount of property, if there is sufficient property;

(ii) collecting or selling the things in action; and

(iii) selling the other property and paying to the judgment creditor or the judgment creditor's attorney as much of the proceeds as will satisfy the judgment.

(ii) Service by mail upon a corporation or other legal entity must be consented to in writing by the corporation or other legal entity and may be made by mailing a copy of the writ to an officer, supervising employee of the third party, or other department or person designated by the third party. If service is by mail, it must be accompanied by a notice that the officer or employee receiving the writ shall forward the writ to the person responsible for processing the levy for the third party if the officer or employee initially receiving the writ is not the proper party to process the levy. The writ must be considered served on the date and time that the writ is received by the officer, supervising employee, or designee of the third party, but not later than 5 business days after it is mailed.

(c) A levy under subsection (1)(b) is effective when the writ is served by personal service or by mail, as provided in subsection (1)(b)(ii).

(2) Any proceeds in excess of the judgment and accruing costs must be returned to the judgment debtor unless otherwise directed by the judgment or order of the court. When the sheriff or levying officer determines that there is more property of the judgment debtor than is sufficient to satisfy the judgment and accruing costs, the sheriff or levying officer shall levy only on the part of the property that the judgment debtor may indicate if the property indicated is sufficient to satisfy the judgment and costs.

(3) With respect to property held by a third party, including but not limited to banks, credit unions, and other financial institutions and those parties identified in 25-13-306, the third party shall respond to the levy based on the assets held at the time of levy. Response must be made within 10 business days following the date of the levy by delivering the assets or payments to the sheriff or levying officer.

(4) Except for perishable property, the sheriff or levying officer shall hold any property or money levied upon for 10 days, excluding weekends and holidays, following notification of execution upon the judgment debtor. After that time, the sheriff or levying officer may sell the property and pay the money to the judgment creditor.
If the first levy is not sufficient to satisfy the writ, the sheriff or levying officer may levy, from time to time and as often as necessary, within the 120 days until the judgment is satisfied or the writ expires.

(a) A levy upon the earnings of a judgment debtor continues in effect for 120 days or until the judgment is satisfied, whichever occurs first. (b) The sheriff or levying officer shall clearly mark the expiration date upon all served copies of the writ and notice.

(d) The return of service on a levy upon the earnings of a judgment debtor is returned in the same manner provided for in 25-13-404.

(7) Nothing in this section is not intended to supersede any state or federal laws regarding priority that must be given to certain levies and executions."

Section 5.  Section 25-30-102, MCA, is amended to read:

“25-30-102.  Fees and fines — collection.  (1) The fees and fines in municipal court must be the same as the fees and fines provided by law or ordinance, and except as provided in subsection (2), all fees and fines collected by the court must be paid into the city treasury.

(b) Fees assessed in municipal court may not exceed the fees authorized to be paid to a justice’s court in 25-31-112.

(2) (a) The municipal court may contract with a private person or entity for the collection of any final judgment that requires a payment to the municipal court. The fee incurred by the municipal court must be added to the judgment.

(b) In the event that a private person or entity is retained to collect a judgment, the municipal court may assign the judgment to the private person or entity, and the private person or entity may, as an assignee, institute suit or other lawful collection procedure and other postjudgment remedies in its own name.

(c) The municipal court, after deducting the charges provided for in 46-18-236, may pay the private person or entity a reasonable fee for collecting the judgment."

Section 6.  Section 27-1-717, MCA, is amended to read:

“27-1-717. Issuing a bad check, draft, converted check, electronic funds transfer, or order or stopping payment — civil liability.  (1) A person who issues a check, draft, converted check, electronic funds transfer, or order for the payment of money is liable for a service charge, as provided in subsection (2), or for damages in a civil action, as provided in subsection (3), to the payee to whom the check, draft, converted check, electronic funds transfer, or order is issued, or the payee’s assignee, if the check, draft, converted check, electronic funds transfer, or order is:

(a) dishonored for lack of funds or credit or because the issuer has no account with the drawee; or
(b) issued in partial or complete fulfillment of a valid and legally binding obligation and the issuer stops payment with the intent to fraudulently defeat a possessory lien or otherwise defraud the payee of the check.

(2) The person who issues the check, draft, converted check, electronic funds transfer, or order is liable to the payee or the payee's assignee for a service charge in a reasonable amount, not greater than $30. The payee or the payee's assignee may waive the service charge. Demand for the service charge must be made in writing by the payee or the payee's assignee and mailed to the address shown on the check, draft, converted check, or order or to the issuer's last-known address. The demand must state that the issuer is required to pay the value of the check, draft, converted check, electronic funds transfer, or order and service charge and must state the service charge provided for in this section.

(3) The amount of damages awarded pursuant to subsection (1) must be an amount equal to the service charge plus the greater of $100 or three times the amount for which the check, draft, converted check, electronic funds transfer, or order was issued. However, damages may not exceed the value of the check, draft, converted check, electronic funds transfer, or order by more than $500.

(4) The remedy provided by subsection (3) is available only if:

(a) the payee or the payee's assignee has made the written demand required in subsection (2) not less than 10 days before commencing the action; and

(b) the issuer has failed to tender an amount of money equal to the amount demanded under subsection (2) prior to the commencement of the action.

(5) The remedy provided by this section:

(a) may be pursued notwithstanding the provisions of 27-1-312;

(b) may be pursued whether or not a criminal penalty is sought under 45-6-316 or any other statute providing a criminal penalty; and

(c) does not affect the obligation of the issuer provided for in 30-3-423 to pay the amount of the draft. However, in case of any inconsistency with the provisions of Title 30, chapter 3, the provisions of this section apply.

(6) Upon introduction by the payee or the payee's assignee of evidence sufficient to establish the fact of mailing as required under subsection (2), the failure to receive the written demand is not a defense to the action allowed under subsection (3).

(7) This section applies to all checks, drafts, converted checks, electronic funds transfers, and orders, including those electronically presented for payment.

(8) Making partial payments of amounts owed under this section or entering into an agreement for paying in whole or in part amounts owed under this section does not waive any right that the payee or the payee's assignee may have under this section. Once a demand required under this section is made, the demand is not required to be repeated upon partial payment of amounts owed under this section.”

Section 7. Section 46-17-303, MCA, is amended to read:

“46-17-303. Deposit of fines — collection. (1) Except as provided in subsection (2), all fines imposed and collected by the court must be paid to the appropriate treasurer of the county, city, or town, as the case may be, within 30 days of receipt. The judge shall file a copy of any receipt given for a
collected fine with the appropriate county, city, or town clerk, as the case may be.

(2) (a) The city court may contract with a private person or entity for the collection of any final judgment that requires a payment to the city court.

(b) In the event that a private person or entity is retained to collect a judgment, the city court may assign the judgment to the private person or entity and the private person or entity may, as an assignee, institute suit or other lawful collection procedure and other postjudgment remedies in its own name.

(c) The city court, after deducting the charges provided for in 46-18-236, may pay the private person or entity a reasonable fee for collecting the judgment. The fee incurred by the court must be added to the judgment amount.

(3) If the judgment is for a fine alone, execution may issue on the judgment for any unpaid interest accrued on the judgment, costs, and fees incurred in collecting the fine as on a judgment in a civil case.”

Section 8. Section 46-19-102, MCA, is amended to read:

(1) If the judgment is for a fine alone, execution may issue on the judgment, any unpaid interest accrued on the judgment, and costs and fees incurred in collecting the judgment as on a judgment in a civil case.

(2) If the judgment is for a fine and imprisonment until the fine is paid, the defendant must be committed to the custody of the proper officer and detained and allowed a credit for each day of incarceration as provided in 46-18-403.

(3) (a) The court may contract with a private person or entity for the collection of any judgment.

(b) In the event that a private person or entity is retained to collect a judgment, the court may assign the judgment to the private person or entity and the private person or entity may, as an assignee, institute suit or other lawful collection procedures and postjudgment remedies in the private person’s or entity’s own name.

(c) The court, after deducting the charges provided for in 46-18-236, may pay the private person or entity a reasonable fee for collecting the judgment. The fee incurred by the court must be added to the judgment amount.”

Section 9. Section 53-2-607, MCA, is amended to read:

“53-2-607. Assistance not assignable or subject to legal process — exceptions.

(1) Except as otherwise provided in this title, assistance granted to a needy person under this title is not transferable or assignable at law or in equity and none of the money paid or payable under this title is subject to execution, levy, attachment, garnishment, or other legal process or to the operation of any bankruptcy or insolvency law.

(2) Money paid or payable under this title to a person or entity who is not a needy person but who receives the money for providing goods or services to a needy person is subject to execution, levy, attachment, garnishment, or other legal process.”

(c) not exceed the difference between the payment for the immediately preceding tax year and the amount owing in the tax year protested unless a different amount results from the specified grounds of protest, which may include but are not limited to changes in assessment due to reappraisal under 15-7-111.

(2) A person appealing a property tax or fee pursuant to chapter 2 or 15 shall pay the tax or fee under protest when due in order to receive a refund. If the tax or fee is not paid under protest when due, the appeal may continue but a tax or fee may not be refunded as a result of the appeal.

(3) If a protested property tax or fee is payable in installments, a subsequent installment portion considered unlawful by the state tax appeal board need not be paid and an action or suit need not be commenced to recover the subsequent installment. The determination of the action or suit commenced to recover the first installment portion paid under protest determines the right of the party paying the subsequent installment to have it or any part of it refunded to the party or the right of the taxing authority to collect a subsequent installment not paid by the taxpayer plus interest from the date the subsequent installment was due.

(4) All (a) Except as provided in subsection (4)(b), all property taxes and fees paid under protest to a county or municipality must be deposited by the treasurer of the county or municipality to the credit of a special fund to be designated as a protest fund and must be retained in the protest fund until the final determination of any action or suit to recover the taxes and fees unless they are released at the request of the county, municipality, or other local taxing jurisdiction pursuant to subsection (5). This section does not prohibit the investment of the money of this fund in the state unified investment program or in any manner provided in Title 7, chapter 6. The provision creating the special
protest fund does not apply to any payments made under protest directly to the state.

(b) (i) Property taxes that are levied by the state against property that is centrally assessed pursuant to 15-23-101 must be remitted by the county treasurer to the state treasurer.

(ii) The state treasurer shall deposit that portion of the funds levied pursuant to 15-10-107 in the state special revenue fund. The remainder of the funds must be deposited in the state general fund.

(5) (a) Except as provided in subsection (5)(b), the governing board of a taxing jurisdiction affected by the payment of taxes under protest in the second and subsequent years that a tax protest remains unresolved, may demand that the treasurer of the county or municipality pay the requesting taxing jurisdiction all or a portion of the protest payments to which it is entitled, except the amount paid by the taxpayer in the first year of the protest. The decision in a previous year of a taxing jurisdiction to leave protested taxes in the protest fund does not preclude it from demanding in a subsequent year any or all of the payments to which it is entitled, except the first-year protest amount.

(b) The governing body of a taxing jurisdiction affected by the payment of taxes under protest on property that is centrally assessed pursuant to 15-23-101 in the first and subsequent years that a tax protest remains unresolved may demand that the treasurer of the county or municipality pay the requesting taxing jurisdiction all or a portion of the protest payments to which it is entitled. The decision in a previous year of a taxing jurisdiction to leave protested taxes of centrally assessed property in the protest fund does not preclude it from demanding in a subsequent year any or all of the payments to which it is entitled.

(6) (a) If action before the county tax appeal board, state tax appeal board, or district court is not commenced within the time specified or if the action is commenced and finally determined in favor of the department of revenue, county, municipality, or treasurer of the county or the municipality, the amount of the protested portions of the property tax or fee must be taken from the protest fund and deposited to the credit of the fund or funds to which the property tax belongs, less a pro rata deduction for the costs of administration of the protest fund and related expenses charged to the local government units.

(b) If the action is finally determined adversely to the department of revenue, a county, a municipality, or the treasurer of a county or a municipality, then the treasurer shall, upon receiving a certified copy of the final judgment in the action from the state tax appeal board or from the district or supreme court, as appropriate, if the final action of the state tax appeal board is appealed in the time prescribed, refund to the person in whose favor the judgment is rendered the amount of the protested portions of the property tax or fee deposited in the protest fund, and not released pursuant to subsection (5), as the person holding the judgment is entitled to recover, together with interest from the date of payment under protest, at the greater of:

(i) the rate of interest generated from the pooled investment fund provided for in 17-6-203 for the applicable period; or

(ii) 6% a year.
(b) (i) If the action is finally determined adversely to the governmental entity levying the tax, then the treasurer of the municipality, county, or state entity levying the tax shall, upon receipt of a certified copy of the final judgment in the action and upon expiration of the time set forth for appeal of the final judgment, refund to the person in whose favor the judgment is rendered the amount of the protested portions of the property tax or fee that the person holding the judgment is entitled to recover, together with interest from the date of payment under protest.

(ii) The taxing jurisdiction shall pay interest at the rate of interest earned by the pooled investment fund provided for in 17-6-203 for the applicable period.

(c) If the amount retained in the protest fund is insufficient to pay all sums due the taxpayer, the treasurer shall apply the available amount first to tax repayment, then to interest owed, and lastly to costs.

(d) (i) If the protest action is decided adversely to a taxing jurisdiction and the amount retained in the protest fund is insufficient to refund the tax payments and costs to which the taxpayer is entitled and for which local government units are responsible, the treasurer shall bill and the taxing jurisdiction shall refund to the treasurer that portion of the taxpayer refund, including tax payments and costs, for which the taxing jurisdiction is proratably responsible. The treasurer is not responsible for the amount required to be refunded by the state treasurer as provided in subsection (6)(b).

(ii) For an adverse protest action against the state for centrally assessed property, the state treasurer shall refund the amount of protested taxes and interest as required in subsection (6)(b).

(e) In satisfying the requirements of subsection (6)(d), the taxing jurisdiction, including the state, is allowed not more than 1 year from the beginning of the fiscal year following a final resolution of the protest. The taxpayer is entitled to interest on the unpaid balance at the greater of the rates referred to in subsections (6)(b)(i) and (6)(b)(ii) from the date of payment under protest until the date of final resolution of the protest and at the combined rate of the federal reserve discount rate quoted from the federal reserve bank in New York, New York, on the date of final resolution, plus four percentage points, from the date of final resolution of the protest until refund is made.

(7) A taxing jurisdiction, except the state, may satisfy the requirements of this section by use of funds from one or more of the following sources:

(a) imposition of a property tax to be collected by a special tax protest refund levy;

(b) the general fund or any other funds legally available to the governing body; and

(c) proceeds from the sale of bonds issued by a county, city, or school district for the purpose of deriving revenue for the repayment of tax protests lost by the taxing jurisdiction. The governing body of a county, city, or school district is authorized to issue the bonds pursuant to procedures established by law. The bonds may be issued without being submitted to an election. Property taxes may be levied to amortize the bonds.

(8) If the department revises an assessment that results in a refund of taxes of $5 or less, a refund is not owed.”

Section 2. Effective date. [This act] is effective on passage and approval.
Section 3. Retroactive applicability. [This act] applies retroactively, within the meaning of 1-2-109, to any tax appeal or tax paid under protest after October 31, 2000, except for refunds of property taxes made after October 31, 2000, and before [the effective date of this act].

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 33-20-505, MCA, is amended to read:

“33-20-505. Minimum nonforfeiture amounts. (1) The minimum values as specified in 33-20-506 through 33-20-509 and 33-20-511 of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum nonforfeiture amounts, as defined in this section.

(2) (a) With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such that time at a rate of interest of 3% 1.5% a year of percentages of the net considerations (as hereinafter defined) paid prior to such that time, decreased by the sum of any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of 3% 1.5% a year and the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by existing additional amounts credited by the company to the contract.

(b) The net consideration for a given contract year used to define the minimum nonforfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross considerations credited to the contract during that contract year less an annual contract charge of $30 and less a collection charge of $1.25 per for each consideration credited to the contract during that contract year. The percentages of net consideration shall be 65% of the net consideration for the first contract year and 87 1/2% of the net consideration for the second and later contract years. (3) With respect to contracts providing for fixed schedule consideration, minimum nonforfeiture amounts shall be calculated on the assumption that consideration is paid annually in advance and shall be defined in the
same manner as for contracts with flexible payments of consideration which are paid annually with two exceptions:

(a) The portion of the net consideration for the first contract year to be accumulated shall must be the sum of 65% of the net consideration for the first contract year plus 22 1/2% of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years.

(b) The annual contract charge shall must be the lesser of $30 or 10% of the gross annual consideration.

(4) With respect to contracts providing for a single consideration, minimum nonforfeiture amounts shall must be defined in the same manner as for contracts with flexible payments of consideration, except that the percentage of net consideration used to determine the minimum nonforfeiture amount shall must be equal to 90% and the net consideration shall must be the gross consideration less a contract charge of $75."

Section 2. Effective date. [This act] is effective on passage and approval.

Section 3. Applicability. [This act] applies to annuity contracts that are entered into on or after July 1, 2003.

Section 4. Termination. [This act] terminates July 1, 2005.

transporting the individual to the appropriate facility to which the person shall transport the individual for admission.

(2) If a respondent is committed to or an individual requires emergency detention in a behavioral health inpatient facility, the facility must be notified and the facility shall state that a bed is available and agree to accept transfer of the patient based on admission criteria before an individual may be transferred to the behavioral health inpatient facility under this section.

(3) A respondent who is committed to or an individual who is transferred to a behavioral health inpatient facility may be transferred to the state hospital for the remaining period of commitment in accordance with criteria established by the department by rule pursuant to [section 2]. (2) If it is determined that the respondent is suffering from a mental disorder and requires commitment within the meaning of this part, the court shall hold a posttrial disposition hearing. The disposition hearing must be held within 5 days (including Saturdays, Sundays, and holidays unless the fifth day falls on a Saturday, Sunday, or holiday), during which time the court may order further evaluation and treatment of the respondent.

(3) At the conclusion of the disposition hearing and pursuant to the provisions in subsection (7), the court shall:

(a) subject to the provisions of [section 1], commit the respondent to the state hospital or to a behavioral health inpatient facility for a period of not more than 3 months; or

(b) commit the respondent to a community facility or program or to any appropriate course of treatment, which may include housing or residential requirements, for a period of not more than 6 months.

(4) Except as provided in subsection (3)(b), a treatment ordered pursuant to this section may not affect the respondent's custody or course of treatment for a period of more than 3 months.

(5) In determining which of the alternatives in subsection (3) to order, the court shall choose the least restrictive alternatives necessary to protect the respondent and the public and to permit effective treatment.

(6) The court may authorize the chief medical officer of a facility or a physician designated by the court to administer appropriate medication involuntarily if the court finds that involuntary medication is necessary to protect the respondent or the public or to facilitate effective treatment. Medication may not be involuntarily administered to a patient unless the chief medical officer of the facility or a physician designated by the court approves it prior to the beginning of the involuntary administration and unless, if possible, a medication review committee reviews it prior to the beginning of the involuntary administration or, if prior review is not possible, within 5 working
days after the beginning of the involuntary administration. The medication review committee must include at least one person who is not an employee of the facility or program. The patient and the patient’s attorney or advocate, if the patient has one, must receive adequate written notice of the date, time, and place of the review and must be allowed to appear and give testimony and evidence. (8) In ordering commitment pursuant to this section, the court shall make the following findings of fact:

(a) a detailed statement of the facts upon which the court found the respondent to be suffering from a mental disorder and requiring commitment;

(c) the alternatives available for treatment of the respondent;

(d) the reason that any treatment alternatives were determined to be unsuitable for the respondent;

(e) the name of the facility, program, or individual to be responsible for the management and supervision of the respondent's treatment;

(f) if the order includes a requirement for inpatient treatment, the reason inpatient treatment was chosen from among other alternatives; and

(g) if the order includes involuntary medication, the reason involuntary medication was chosen from among other alternatives."

Section 6. Section 53-21-128, MCA, is amended to read:

“53-21-128. Petition for extension of commitment period. (1) (a) Not less than 2 calendar weeks prior to the end of the 3-month period of commitment to the state hospital or a behavioral health inpatient facility or the period of commitment to a community facility or program or a course of treatment provided for in 53-21-127, the professional person in charge of the patient at the place of commitment may petition the district court in the county where the patient is committed for extension of the commitment period unless otherwise ordered by the original committing court. The petition must be accompanied by a written report and evaluation of the patient’s mental and physical condition. The report must describe any tests and evaluation devices that have been employed in evaluating the patient, the course of treatment that was undertaken for the patient, and the future course of treatment anticipated by the professional person.

(b) Upon the filing of the petition, the court shall give written notice of the filing of the petition to the patient, the patient’s next of kin, if reasonably available, the friend of respondent appointed by the court, and the patient’s
counsel. If any person notified requests a hearing prior to the termination of the
previous commitment authority, the court shall immediately set a time and
place for a hearing on a date not more than 10 days, not including Saturdays,
Sundays, and holidays, from the receipt of the request and notify the same
people, including the professional person in charge of the patient. When a
hearing is requested less than 10 days prior to the termination of the previous
commitment authority, the previous commitment is considered extended until
the hearing is held. The notice of hearing must include a notice of this extension.
If a hearing is not requested, the court shall enter an order of commitment for a
period not to exceed 6 months.

(c) Procedure on the petition for extension when a hearing has been
requested must be the same in all respects as the procedure on the petition for
the original 3-month commitment, except that the patient is not entitled to a
trial by jury. The hearing must be held in the district court having jurisdiction
over the facility in which the patient is detained unless otherwise ordered by the
court. Court costs and witness fees, if any, must be paid by the county that paid
the same costs in the initial commitment proceedings.

(d) If upon the hearing the court finds the patient not to be suffering from a
mental disorder and requiring commitment within the meaning of this part, the
patient must be discharged and the petition dismissed. If the court finds that the
patient continues to suffer from a mental disorder and to require commitment,
the court shall order commitment as set forth in 53-21-127(3). However, an
order extending the commitment period may not affect the patient’s custody for
more than 6 months and may not commit the patient to a behavioral health
inpatient facility. In its order, the court shall describe what alternatives for
treatment of the patient are available, what alternatives were investigated, and
why the investigated alternatives were not found suitable. The court may not
order continuation of an alternative that does not include a comprehensive,
individualized plan of treatment for the patient. A court order for the
continuation of an alternative must include a specific finding that a
comprehensive, individualized plan of treatment exists.

(2) Prior to the end of the period of commitment to a community facility or
program or course of treatment, a respondent may request that the treating
provider petition the district court for an extension of the commitment order.
The petition must be accompanied by a written report and evaluation of the
respondent’s mental and physical condition, an updated treatment plan, and a
written statement by the respondent that an extension is desired. The extension
procedure must follow the procedure required in subsections (1)(b) through
(1)(d).

(3) Further extensions under subsection (1) or (2) may be obtained under the
same procedure described in subsection (1). However, the patient’s custody may
not be affected for more than 1 year without a renewal of the commitment under
the procedures set forth in subsection (1), including a statement of the findings
required by subsection (1).”

Section 7. Section 53-21-129, MCA, is amended to read:

“53-21-129. Emergency situation — petition — detention. (1) When an
emergency situation exists, a peace officer may take any person who appears to
have a mental disorder and to present an imminent danger of death or bodily
harm to the person or to others into custody only for sufficient time to contact a
professional person for emergency evaluation. If possible, a professional person
should be called prior to taking the person into custody.
If the professional person agrees that the person detained is a danger to the person or to others because of a mental disorder and that an emergency situation exists, then the person may be detained and treated until the next regular business day. At that time, the professional person shall release the detained person or file findings with the county attorney who, if the county attorney determines probable cause to exist, shall file the petition provided for in 53-21-121 through 53-21-126 in the county of the respondent’s residence. In either case, the professional person shall file a report with the court explaining the professional person’s actions.

The county attorney of a county may make arrangements with a federal, state, regional, or private mental facility or with a mental health facility in a county for the detention of persons held pursuant to this section. If an arrangement has been made with a facility that does not, at the time of the emergency, have a bed available to detain the person at that facility, the person may be transported to the state hospital or to a behavioral health inpatient facility, subject to [section 1] and subsection (4) of this section, for detention and treatment as provided in this part. This determination must be made on an individual basis in each case, and the professional person at the local facility shall certify to the county attorney that the facility does not have adequate room at that time.

However, before a person is may be transferred to the state hospital or to a behavioral health inpatient facility under this section, the state hospital or the behavioral health inpatient facility must be notified prior to transfer and shall state that whether a bed is available for the person. If the Montana state hospital determines that a behavioral health inpatient facility is the appropriate facility for the emergency detention, it shall direct the person to the appropriate facility to which the person must be transported for emergency detention.”

Section 8. Section 53-21-138, MCA, is amended to read:

“53-21-138. Diversion of certain persons suffering from mental disorders from detention center. (1) The sheriff or administrator of a detention center in each county shall require screening of inmates to identify persons accused of minor misdemeanor offenses who appear to be suffering from mental disorders and who may require commitment, as defined in 53-21-102.

(2) If as a result of screening and observation it is believed that an inmate is suffering from a mental disorder and may require commitment, the sheriff or administrator of the detention center shall:

(a) request services from a crisis intervention program established by the department, as provided for in 53-21-139;

(b) refer the inmate to the nearest community mental health center, as defined in 53-21-201; or

(c) subject to [section 1] and subsection (3) of this section, transfer the inmate to a private mental health facility, a behavioral health inpatient facility, or a hospital equipped to provide treatment and care of persons who are suffering from a mental disorder and who require commitment.

(3) The facility must be notified, and the facility shall state that a bed is available and agree to accept transfer of the patient based on admission criteria before a person may be transferred under this section.

(4) As used in this section, the term “minor misdemeanor offense” includes but is not limited to a nonserious misdemeanor, such as criminal

Whereas, prior to 2001, the Montana Major Facility Siting Act applied to pipelines greater than 17 inches in inside diameter; and

Whereas, Chapter 293, Laws of 2001, amended the Montana Major Facility Siting Act so as to apply to those pipelines greater than 25 inches in inside diameter; and

Whereas, the applicability clause of Chapter 293, Laws of 2001, excluded pipelines 25 inches or less in inside diameter that were subject to a certificate of environmental compatibility on the day before the effective date of Chapter 293, Laws of 2001; and

Whereas, there is not any regulatory reason to continue the application of the Montana Major Facility Siting Act with respect to any pipeline 25 inches or less in inside diameter regardless of whether a pipeline was subject to a certificate of environmental compatibility issued under the Montana Major Facility Siting Act on or before April 19, 2001, and to do so would be to discriminate without reason between pipelines of the same or similar diameter; and

Whereas, the Legislature finds that it is appropriate to amend the applicability clause of Chapter 293, Laws of 2001, to make the substantive provisions of Chapter 293, Laws of 2001, apply to all pipelines 25 inches or less in inside diameter and to exempt from the Montana Major Facility Siting Act all, rather than some, pipelines 25 inches or less in inside diameter.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 17, Chapter 293, Laws of 2001, is amended to read:
Section 17. Applicability. [This Subject to [section 3 of Senate Bill No. 386, 2003], [this act] does not apply to any facility or associated facility under 75-20-104(8)(a), (8)(b), (8)(c), or (8)(f), as those subsections read on the day before [the effective date of this act], that was subject to a certificate of environmental compatibility on [the effective date of this act]."

Section 2. Effective date. [This act] is effective on passage and approval.

Section 3. Applicability. Section 17, Chapter 293, Laws of 2001, and [section 1 of this act] do not apply to reclamation bonds for pipelines and associated facilities held by the board of environmental review or the department of environmental quality until October 30, 2004.

the rights and procedures set forth in this subsection (4).

Section 4. Telecommunications services other than mobile

(2) The department shall investigate each applicant. The investigation shall include a criminal records check based on the fingerprints of the applicant and a civil records check. The department shall require each applicant to file a set of the applicant’s fingerprints, taken by a law enforcement agency, and any other information necessary to complete a statewide and nationwide criminal check with the criminal investigation bureau of the department of justice for state processing and with the federal bureau of investigation for federal processing. Section 11. Fees — license renewal — disposition of fees. (1) An individual mortgage broker or an entity seeking licensure as a mortgage broker shall pay an initial nonrefundable license application fee of $500. An applicant shall pay one-half of these initial nonrefundable license application fees for any license period of less than 6 months.

(2) The license of a mortgage broker or loan originator is valid for a 1-year period and expires on June 30. Every licensee shall, on or before May 31 of the year, pay to the department a renewal fee in an amount set by the department by rule. The fees set by the department must be commensurate with the costs of the program. Failure to submit required information or fees within the time prescribed automatically revokes the license.

(3) An application for renewal must be accompanied by evidence that the continuing education requirements provided for in [section 12] have been met and that there has not been a material change in the status of the licensee in the preceding 12 months.

(4) All fees collected under this section must be deposited in the department’s state special revenue fund to be used by the department in administering the provisions of [sections 1 through 22].

Section 12. Continuing education requirements. All loan originators and all individual mortgage brokers shall complete and submit to the department evidence of at least 12 hours of continuing education every year at the time they submit their license renewal applications. (3) A licensee or licensed entity shall disclose in any printed, published, televised, e-mail, or internet advertisement for the provision of services the name and address of the licensee and the number designated on the license issued to the licensee or licensed entity by the department.

Section 14. Requirement for designated manager. (1) A mortgage broker that is not a sole proprietorship shall designate to the department a licensed mortgage broker within its organization as the designated manager of the organization.

(2) If the designated manager ceases to act in that capacity, within 15 days the mortgage broker shall designate another licensed mortgage broker as designated manager and shall submit information in writing to the department.
establishing that the subsequent designated manager is in compliance with the provisions of [sections 1 through 22].

Section 15. Irrevocable letter of credit or surety bond — notice of legal action. (1) Each licensee other than a loan originator shall maintain at all times an irrevocable letter of credit or surety bond, naming the department as a beneficiary, in the amount of $25,000 for each location identified in the application for licensure. The department shall use the proceeds of the letters of credit or surety bonds to reimburse borrowers or bona fide third parties who successfully demonstrate a financial loss because of an act of a licensee that violates the provisions of [sections 1 through 22].

(2) A mortgage broker or loan originator shall give notice to the department by certified mail within 15 days of the mortgage broker’s or loan originator’s knowledge of the initiation of an investigation or the entry of a judgment in a criminal or civil action. The notice must be given if the investigation or the legal action is in any state and involves a mortgage broker, anyone having an ownership interest in a mortgage broker entity, or a loan originator. In the case of a legal action, the notice must include a copy of the criminal or civil judgment.

Section 16. Prohibitions — required disclosure. (1) A mortgage broker or loan originator may not do any of the following:

(b) directly or indirectly employ any scheme to defraud or mislead a borrower, a lender, or any other person;

(c) make any misrepresentation or deceptive statement in connection with a residential mortgage loan, including but not limited to interest rates, points, costs at closing, or other financing terms or conditions or

(d) fail to pay a bona fide third party later than 30 days after recording of the loan closing documents or 90 days after completion of the bona fide third-party service, whichever is earlier, unless otherwise agreed by the parties.

(2) Prior to providing mortgage broker services to a borrower, the licensee, in addition to other disclosures required by [sections 1 through 22] and other state and federal laws, shall provide to the borrower at the time of application a written disclosure containing substantially the following language, which must be signed by the borrower:

(2) (name of licensee) enters into separate independent contractor agreements with various lenders; and

(3) while (name of licensee) seeks to assist you in meeting your financial needs, (name of licensee) does not distribute products of all lenders or investors in the market and cannot guarantee the lowest price or best terms available.
SECTION 2. OUR COMPENSATION.

(1) The retail price (name of licensee) offers you, including the interest rate, total points, and fees, will include (name of licensee’s) compensation.

(4) (Name of licensee) may also be paid by the lender based on the value of the mortgage loan or related servicing rights in the market place or based on other services, goods, or facilities performed or provided by (name of licensee) to the lender.

Section 17. Trust accounts — fees other than bona fide third-party fees. (1) Every mortgage broker doing business in this state shall:

(a) maintain a trust account at a financial institution located in this state whose deposits or shares are insured, and the trust account funds may not be commingled with any other funds of the mortgage broker;

(b) deposit into the trust account any bona fide third-party fee that the mortgage broker receives unless the borrower pays the bona fide third party directly; and

(c) pay third-party fees to a bona fide third party from the mortgage broker’s trust account unless the borrower pays the bona fide third party directly.

(2) A mortgage broker may not charge or receive, directly or indirectly, fees for assisting a borrower in obtaining a mortgage until all of the services that the mortgage broker has agreed to perform for the borrower are completed. A mortgage broker may not charge a residential loan application fee in excess of the amount allowed by federal law. Prior to completion of services, the fees provided for in subsection (3) incurred by a bona fide third party in assisting the borrower to obtain a mortgage must be paid.

(3) The following fees must be paid directly by the borrower to the bona fide third party providing the services or must be deposited by the borrower, if applicable, into the mortgage broker’s trust account for payment of services performed by the bona fide third party:

(a) credit report fees;

(b) notary fees;

(c) title search, appraisal, or survey fees;

(d) rate-lock fees not exceeding 3% of the mortgage loan amount; and

(e) fees paid directly by the borrower to a state or federal government agency or instrumentality for purposes of processing a mortgage application relating to a government-sponsored or guaranteed mortgage program.
Section 18. Revocation, suspension, and reinstatement of licenses.

(1) The department, upon giving the licensee 10 days' written notice, which includes a statement of the grounds for the proposed suspension or revocation, and informing the licensee that the licensee has the right to be heard at an administrative hearing if requested by the licensee, may suspend or revoke a license if it finds that the licensee has violated any provision of [sections 1 through 22].

(2) The department may reinstate any suspended or revoked license upon a showing that the licensee has corrected all deficiencies.

Section 19. Department authority — rulemaking.

(1) The department shall adopt rules necessary to carry out the intent and purposes of [sections 1 through 22]. The rules adopted are binding on all licensees and enforceable through the power of suspension or revocation of licenses.

(2) The rules must address:
   (a) revocation or suspension of licenses for cause;
   (b) investigation of applicants and licensees and handling of complaints made by any person in connection with any business transacted by a licensee;
   (c) prescribing forms for applications;
   (d) developing or approving tests to be given as a prerequisite for licensure;
   (e) approval of programs for continuing education; and
   (f) establishing fees for testing, continuing education programs, and license renewals.

(3) The department may seek a writ or order restraining or enjoining, temporarily or permanently, any act or practice violating any provision of [sections 1 through 22].

(4) (a) The department may at any time examine any mortgage broker transaction and may examine the residential mortgage loan files, trust account records, and other information related to mortgage loan transactions of a licensee.

   (b) When conducting a financial examination or an audit of a licensee, the department may require the licensee to pay a fee of $300 per day for each examiner performing the financial examination or audit.

   (c) If any examination fees are not paid within 30 days of the department’s mailing of an invoice, the license of the mortgage broker or designated manager for the mortgage broker entity may be suspended or revoked.

(5) (a) The department may exchange information with federal regulatory agencies, the attorney general, the consumer protection office of the department, and the legislative auditor.

   (b) Except as provided in subsection (5)(a), the department shall treat all confidential criminal justice information as confidential unless otherwise required by law.

   (6) The department shall prepare, at least once each calendar year, a roster listing the name and locations for each mortgage broker and a roster of all loan originators and designated managers and the name of their employing brokers.

Section 20. Access to records — witnesses.

For the purpose of [sections 1 through 22], the department or the department’s authorized representatives must be given free access to the offices and places of business and files of all
licensees. The department or the department’s authorized representative may require the attendance of any person and examine that person under oath relative to mortgage loans or related business or relative to the subject matter of any examination, investigation, or hearing and may require the production of books, accounts, papers, or records. In the event of disobedience to any subpoena or other process issued by the department or failure to produce any books, accounts, papers, or records, the department shall apply to the first judicial district court of Lewis and Clark County for an order requiring the evidence and testimony of witnesses and the production of books, accounts, papers, or records.

Section 21. Injunctions — receivers. (1) Whenever the department has reasonable cause to believe that any person is violating or is threatening to violate [sections 1 through 22] or a rule adopted under [sections 1 through 22], the department may, in addition to all actions provided for in [sections 1 through 22] and without prejudice to those actions, seek an order requiring the person to desist or to refrain from the violation.

(2) An action may be brought by the department in the district court of the first judicial district, Lewis and Clark County, to enjoin the person from engaging in or continuing the violation or from doing any act or acts in furtherance of the violation. In any action, a preliminary or final injunction may be ordered as considered proper.

(3) In addition to all other means provided by law for the enforcement of a restraining order or injunction, the court in which the action is brought may impound and appoint a receiver for the property and business of the defendant, including books, papers, documents, or records pertaining to the property or business, or as much of the property or business as the court considers reasonably necessary to prevent violations of [sections 1 through 22]. The receiver, when appointed and qualified, has the powers and duties as to custody, collection, administration, winding up, and liquidation of the property and business that are conferred upon the receiver by the court.

Section 22. Penalties. (1) A person who acts or offers to act in any capacity as a mortgage broker or loan originator without a license in this state or while a license is suspended or revoked is subject to the penalty provisions of subsections (3) and (5).

(2) Any person who violates a provision of [sections 1 through 22] or a rule adopted under [sections 1 through 22] is subject to the penalty provisions of subsection (3).

(3) For a first violation of subsection (1) or (2), the department may impose a fine of not less than $5,000 or more than $10,000. For a second or subsequent violation, the department may impose a fine of not less than $10,000 or more than $20,000. Each violation of the provisions of subsection (1) or (2) constitutes a separate offense.

(4) The fines must be deposited in the state general fund.

(n) if the federal taxable distribution of an estate or trust is greater than the state taxable distribution of the same estate or trust, the difference between the federal taxable distribution and the state taxable distribution of the same estate or trust for the same tax period;

(o) deposits, not exceeding the amount set forth in 15-30-603, deposited in a Montana farm and ranch risk management account, as provided in 15-30-601 through 15-30-605, in any tax year for which a deduction is not provided for federal income tax purposes; and

(p) income of a dependent child that is included in the taxpayer’s federal adjusted gross income pursuant to the Internal Revenue Code. The child is required to file a Montana personal income tax return if the child and taxpayer meet the filing requirements in 15-30-142.

(3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in the shareholder’s adjusted gross income the earnings and profits of the DISC in the same manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election is effective.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer’s business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the
Internal Revenue Code of 1954, as those sections may be labeled or amended, is allowed to deduct the amount of the wages and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to $100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion and before application of the two-earner married couple deduction exceeds $15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer’s eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding $15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, “permanently and totally disabled” means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(7) Married taxpayers who file a joint federal return and who make an election on the federal return to defer income ratably for 4 tax years because of a conversion from an IRA other than a Roth IRA to a Roth IRA, pursuant to section 408A(d)(3) of the Internal Revenue Code, 26 U.S.C. 408A(d)(3), may file separate Montana income tax returns to defer the full taxable conversion amount from Montana adjusted gross income for the same time period. The deferred amount must be attributed to the taxpayer making the conversion.

(8) An individual who contributes to one or more accounts established under the Montana family education savings program may reduce adjusted gross income by the lesser of $3,000 or the amount of the contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of $3,000, for the spouses’ contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer’s spouse, or the taxpayer’s child or stepchild if the taxpayer’s child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income. (Subsection (2)(f) terminates on occurrence of contingency—sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency—sec. 9, Ch. 262, L. 2001.)

15-30-111. (Effective on occurrence of contingency) Adjusted gross income. (1) Adjusted gross income is the taxpayer’s federal income tax adjusted gross income as defined in section 62 of the Internal Revenue Code of 1954, 26
U.S.C. 62, as that section may be labeled or amended, and in addition includes the following:

(a) (i) interest received on obligations of another state or territory or county, municipality, district, or other political subdivision of another state, except to the extent that the interest is exempt from taxation by Montana under federal law;

(ii) exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code of 1986, 26 U.S.C. 852(b)(5), as that section may be amended or renumbered, that are attributable to the interest referred to in subsection (1)(a)(i);

(b) refunds received of federal income tax, to the extent that the deduction of the tax resulted in a reduction of Montana income tax liability;

(c) that portion of a shareholder’s income under subchapter S. of Chapter 1 of the Internal Revenue Code of 1954 that has been reduced by any federal taxes paid by the subchapter S. corporation on the income;

(d) depreciation or amortization taken on a title plant as defined in 33-25-105(15);

(e) the recovery during the tax year of an amount deducted in any prior tax year to the extent that the amount recovered reduced the taxpayer’s Montana income tax in the year deducted; and

(f) if the state taxable distribution of an estate or trust is greater than the federal taxable distribution of the same estate or trust, the difference between the state taxable distribution and the federal taxable distribution of the same estate or trust for the same tax period; and

(g) except for exempt-interest dividends described in subsection (2)(a)(ii), for tax years commencing after December 31, 2002, the amount of any dividend, to the extent that the dividend is not included in federal adjusted gross income.

(2) Notwithstanding the provisions of the federal Internal Revenue Code of 1954, as labeled or amended, adjusted gross income does not include the following, which are exempt from taxation under this chapter:

(a) (i) all interest income from obligations of the United States government, the state of Montana, a county, municipality, or district, or other political subdivision of the state and any other interest income that is exempt from taxation by Montana under federal law;

(ii) exempt-interest dividends as defined in section 852(b)(5) of the Internal Revenue Code of 1986, 26 U.S.C. 852(b)(5), as that section may be amended or renumbered, that are attributable to the interest referred to in subsection (2)(a)(i);

(b) interest income earned by a taxpayer who is 65 years of age or older in a tax year up to and including $800 for a taxpayer filing a separate return and $1,600 for each joint return;

(c) (i) except as provided in subsection (2)(c)(ii), the first $3,600 of all pension and annuity income received as defined in 15-30-101;

(ii) for pension and annuity income described under subsection (2)(c)(i), as follows:

(A) each taxpayer filing singly, head of household, or married filing separately shall reduce the total amount of the exclusion provided in subsection
(2)(c)(i) by $2 for every $1 of federal adjusted gross income in excess of $30,000 as shown on the taxpayer's return;

(B) in the case of married taxpayers filing jointly, if both taxpayers are receiving pension or annuity income or if only one taxpayer is receiving pension or annuity income, the exclusion claimed as provided in subsection (2)(c)(i) must be reduced by $2 for every $1 of federal adjusted gross income in excess of $30,000 as shown on their joint return;

(d) all Montana income tax refunds or tax refund credits;

(e) gain required to be recognized by a liquidating corporation under 15-31-113(1)(a)(ii);

(f) all tips or gratuities that are covered by section 3402(k) or service charges that are covered by section 3401 of the Internal Revenue Code of 1954, 26 U.S.C. 3402(k) or 3401, as amended and applicable on January 1, 1983, received by persons for services rendered by them to patrons of premises licensed to provide food, beverage, or lodging;

(g) all benefits received under the workers' compensation laws;

(h) all health insurance premiums paid by an employer for an employee if attributed as income to the employee under federal law;

(i) all money received because of a settlement agreement or judgment in a lawsuit brought against a manufacturer or distributor of “agent orange” for damages resulting from exposure to “agent orange”;

(j) principal and income in a medical care savings account established in accordance with 15-61-201 or withdrawn from an account for eligible medical expenses, as defined in 15-61-102, of the taxpayer or a dependent of the taxpayer or for the long-term care of the taxpayer or a dependent of the taxpayer;

(k) principal and income in a first-time home buyer savings account established in accordance with 15-63-201 or withdrawn from an account for eligible costs, as provided in 15-63-202(7), for the first-time purchase of a single-family residence;

(l) contributions withdrawn from a family education savings account or earnings withdrawn from a family education savings account for qualified higher education expenses, as defined in 15-62-103, of a designated beneficiary;

(m) the recovery during the tax year of any amount deducted in any prior tax year to the extent that the recovered amount did not reduce the taxpayer's Montana income tax in the year deducted;

(n) if the federal taxable distribution of an estate or trust is greater than the state taxable distribution of the same estate or trust, the difference between the federal taxable distribution and the state taxable distribution of the same estate or trust for the same tax period;

(o) deposits, not exceeding the amount set forth in 15-30-603, deposited in a Montana farm and ranch risk management account, as provided in 15-30-601 through 15-30-605, in any tax year for which a deduction is not provided for federal income tax purposes;

(p) income of a dependent child that is included in the taxpayer's federal adjusted gross income pursuant to the Internal Revenue Code. The child is required to file a Montana personal income tax return if the child and taxpayer meet the filing requirements in 15-30-142.
(q) principal and income deposited in a health care expense trust account, as defined in 2-18-1303, or withdrawn from the account for payment of qualified health care expenses as defined in 2-18-1303.

(3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in the shareholder’s adjusted gross income the earnings and profits of the DISC in the same manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election is effective.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer’s business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the Internal Revenue Code of 1954, as those sections may be labeled or amended, is allowed to deduct the amount of the wages and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to $100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion and before application of the two-earner married couple deduction exceeds $15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer’s eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding $15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, “permanently and totally disabled” means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(7) Married taxpayers who file a joint federal return and who make an election on the federal return to defer income ratably for 4 tax years because of a conversion from an IRA other than a Roth IRA to a Roth IRA, pursuant to section 408A(d)(3) of the Internal Revenue Code, 26 U.S.C. 408A(d)(3), may file separate Montana income tax returns to defer the full taxable conversion amount from Montana adjusted gross income for the same time period. The deferred amount must be attributed to the taxpayer making the conversion.

(8) An individual who contributes to one or more accounts established under the Montana family education savings program may reduce adjusted gross income by the lesser of $3,000 or the amount of the contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of $3,000, for the spouses’ contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each
spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer’s spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income. (Subsection (2)(f) terminates on occurrence of contingency—sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency—sec. 9, Ch. 262, L. 2001.)

Section 3. Retroactive applicability. [This act] applies retroactively, within the meaning of 1-2-109, to tax years commencing after December 31, 2002.

(b) (i) The county treasurer shall distribute 9.8% of the Custer County share to the countywide community college district in Custer County.

(ii) The county treasurer shall distribute 14.5% of the Dawson County share to the countywide community college district in Dawson County.
(3) The remaining oil and natural gas production taxes for each county must be used for the exclusive use and benefit of the county, including districts within the county established by the county.

(4) (a) The county treasurer shall distribute oil and natural gas production taxes to school districts in each county referred to in subsection (2) as provided in subsections (4)(b) through (4)(d).

(b) The amount distributed to each K-12 district within the county is equal to oil and natural gas production taxes in the county multiplied by the ratio that oil and natural gas production taxes attributable to oil and natural gas production in the K-12 school district bear to total oil and natural gas production taxes attributable to total oil and natural gas production in the county and multiply that amount by the school district percentage figure for the county referred to in subsection (2)(a).

(c) For the amount to be distributed to each elementary school district and to each high school district under subsection (4)(d), the department shall first determine the amount of oil and natural gas taxes in the high school district that is attributable to oil and natural gas production in each elementary school district that is located in whole or in part within the exterior boundaries of a high school district and multiply that amount by the school district percentage figure for the county referred to in subsection (2)(a).

(d) (i) The amount distributed to each elementary school district that is located in whole or in part within the exterior boundaries of a high school district is equal to the amount determined in subsection (4)(c) multiplied by the ratio that the total mills of the elementary school district bear to the sum of the total mills of the elementary school district and the total mills of the high school district.

(ii) The amount distributed to the high school district is equal to the amount determined in subsection (4)(c) multiplied by the ratio that the total mills of the high school district bear to the sum of the total mills of each elementary school district referred to in subsection (4)(c) and the total mills of the high school district.

(5) (a) Oil and natural gas production taxes calculated for each school district under subsections (4)(b) through (4)(d) must be distributed to each school district in the relative proportion of the mill levy for each fund.

(b) If a distribution under subsection (5)(a) exceeds the total budget for a school district fund, the board of trustees of an elementary or high school district may reallocate the excess to any budgeted fund of the school district.

(6) The department shall remit the amounts to be distributed in this section to the county treasurer by the following dates:

(a) On or before August 1 of each year, the department shall remit to the county treasurer oil and natural gas production tax payments received for the calendar quarter ending March 31 of the current year.

(b) On or before November 1 of each year, the department shall remit to the county treasurer oil and natural gas production tax payments received for the calendar quarter ending June 30 of the current year.

(c) On or before February 1 of each year, the department shall remit to the county treasurer oil and natural gas production tax payments received for the calendar quarter ending September 30 of the previous year.
(d) On or before May 1 of each year, the department shall remit to the county treasurer oil and natural gas production tax payments received for the calendar quarter ending December 31 of the previous year.

(7) The department shall provide to each county by May 31 of each year the amount of gross taxable value represented by all types of production taxed under 15-36-304 for the previous calendar year multiplied by 60%. The resulting value must be treated as taxable value for county classification purposes under 7-1-2111.

(8) The distribution to taxing units under this section is statutorily appropriated, as provided in 17-7-502, from the state special revenue fund.

Section 3. Section 7-1-2111, MCA, is amended to read:

“7-1-2111. Classification of counties. (1) For the purpose of regulating the compensation and salaries of all county officers, not otherwise provided for; and for fixing the penalties of officers’ bonds, the counties of this state must be classified according to the taxable valuation of the property in the counties upon which the tax levy is made as follows:

(a) first class—all counties having a taxable valuation of $50 million or more;

(b) second class—all counties having a taxable valuation of $30 million or more and less than $50 million;

(c) third class—all counties having a taxable valuation of $20 million or more and less than $30 million;

(d) fourth class—all counties having a taxable valuation of $15 million or more and less than $20 million;

(e) fifth class—all counties having a taxable valuation of $10 million or more and less than $15 million;

(f) sixth class—all counties having a taxable valuation of $5 million or more and less than $10 million;

(6) (a) The reduced tax rates under subsection (5)(a)(i) for the first 12 months of oil production from a well begins following the last day of the calendar month immediately preceding the month in which oil is pumped or flows, provided that notification has been given to the department.

(b) (i) The reduced tax rates under subsection (5)(d)(i) on oil production from a horizontally completed well for the first 18 months of production begins following the last day of the calendar month immediately preceding the month in which oil is pumped or flows, provided that if the well has been certified as a horizontally completed well to the department by the board.

(c) Incremental production is taxed as provided in subsection (5)(e) only if the average price for each barrel of oil as reported in the Wall Street Journal for west Texas intermediate crude oil during a calendar quarter is less than $30 a barrel. If the price of oil is equal to or greater than $30 a barrel in a calendar quarter as determined in subsection (6)(d), then incremental production from pre-1999 wells and from post-1999 wells is taxed at the rate imposed on primary recovery production under subsections (5)(a)(ii)(A) and (5)(a)(ii)(B), respectively, for production occurring in that quarter, other than exempt stripper well production. Stripper well exemption production is taxed as provided in subsection (5)(c) only if the average price for a barrel of oil as reported in the Wall Street Journal for west Texas intermediate crude oil during a calendar quarter is less than $38 a barrel.

(d) For the purposes of subsection (6)(c), the average price for each barrel must be computed by dividing the sum of the daily price for west Texas intermediate crude oil as reported in the Wall Street Journal for the calendar quarter by the number of days on which the price was reported in the quarter.

(7) The tax rates imposed under subsections (2) and (5) on working interest owners and nonworking interest owners must be adjusted to include the privilege and license tax adopted by the board of oil and gas conservation pursuant to 82-11-131.

Section 6. Section 15-36-314, MCA, is amended to read:

“15-36-314. Deficiency assessment — local government severance tax deficiency assessment — review — penalty and interest. (1) When the department determines that the amount of the tax due, including the amount due for the local government severance tax, is greater than the amount disclosed by a return, it shall mail to the taxpayer a notice, pursuant to 15-1-211, of the additional tax proposed to be assessed. The notice must contain a statement that if payment is not made, a warrant for distraint may be filed. The taxpayer may seek review of the determination pursuant to 15-1-211.”
The department shall collect deficiency assessments of the local government severance tax in the same manner as it collects oil and natural gas production tax deficiency assessments.

Any local government severance taxes that are collected on oil and natural gas production occurring after December 31, 1988, and before January 1, 1995, must be treated as current revenue for the purposes of distribution and must be distributed pursuant to 15-36-324(12)(a) [section 2].

Penalty and interest must be added to a deficiency assessment as provided in 15-1-216.

Section 7. Section 15-36-315, MCA, is amended to read:

"15-36-315. Credit or refund for overpayment — refund from county — interest on overpayment. (1) If the department determines that the amount of tax, penalty, or interest due for any taxable period is less than the amount paid, the amount of the overpayment must be credited against any tax, penalty, or interest then due from the taxpayer and the balance refunded to the taxpayer or its successor through reorganization, merger, or consolidation or to its shareholders upon dissolution.

(2) (a) The amount of an overpayment credited against any tax, penalty, or interest due for any tax period or any refund or portion of a refund, which has not been distributed pursuant to 15-36-324 [section 2], must be withheld from the current distribution made pursuant to 15-36-324 [section 2].

(b) If the amount of the refund reduces the amount of tax previously distributed pursuant to 15-36-324 [section 2] and if the current distribution, if any, is insufficient to offset the refund, then the department shall demand the amount of the refund from the county to which the tax was originally distributed. The county treasurer shall remit the amount demanded within 30 days of the receipt of notice from the department.

(3) A refund that is paid by the department for an overpayment of the local government severance tax for oil or natural gas production occurring after December 31, 1988, and before January 1, 1995, must be treated as issued for the current distribution period for distribution purposes, and the refund must be apportioned in the same manner as taxes are distributed pursuant to 15-36-324(12)(a) [section 2].

(4) Except as provided in subsection (5), interest must be allowed on overpayments at the same rate as is charged on unpaid taxes provided in 15-1-216 beginning from the due date of the return or from the date of overpayment, whichever date is later, to the date on which the department approves refunding or crediting of the overpayment.

(5) (a) Interest may not accrue during any period in which the processing of a claim for refund is delayed more than 30 days by reason of failure of the taxpayer to furnish information requested by the department for the purpose of verifying the amount of the overpayment.

(b) Interest is not allowed:

(i) if the overpayment is refunded within 6 months from the date on which the return is due or from the date on which the return is filed, whichever is later; or

(ii) if the amount of interest is less than $1."

Section 8. Section 15-38-113, MCA, is amended to read:

The department and the state are not liable for any penalties if the orphan share fund does not contain sufficient money to reimburse claims, and interest may not accrue on outstanding claims.

(4) Except as provided in subsection (8), claims may not be submitted and remedial action costs may not be reimbursed from the orphan share fund until all remedial actions, except for operation and maintenance, are completed at a facility.

(5) Reimbursement from the orphan share fund must be limited to actual documented remedial action costs incurred after the date of petition provided in 75-10-745. Reimbursement may not be made for attorney fees, legal costs, or operation and maintenance costs.

(6) (a) The department's costs incurred in defending the orphan share must be paid by the persons participating in the allocation under 75-10-742 through 75-10-752 in proportion to their allocated shares. The orphan share fund is responsible for a portion of the department's costs incurred in defending the orphan share in proportion to the orphan share's allocated share, as follows:

(8) If the lead liable person under 75-10-746 presents evidence to the department that the person cannot complete the remedial actions without
partial reimbursement and that a delay in reimbursement will cause undue financial hardship on the person, the department may allow the submission of claims and may reimburse the claims prior to the completion of all remedial actions. A person is not eligible for early reimbursement unless the person is in substantial compliance with all department-approved remedial action plans.

(9) A person participating in the allocation process who received funds under the mixed funding pilot program provided for in sections 14 through 20, Chapter 584, Laws of 1995, may not claim or receive reimbursement from the orphan share fund for the amount of funds received under the mixed funding pilot program that are later attributed to the orphan share under the allocation process. <eff> (Terminates June 30, 2005—sec. 30, Ch. 415, L. 1997.)

CHAPTER NO. 529

[SB 478]

AN ACT CHANGING THE WAY THAT A POLITICAL SUBDIVISION MAY EXEMPT A PROPERTY TAX MILL LEVY FOR PREMIUM CONTRIBUTIONS FOR GROUP BENEFITS FROM THE PROPERTY TAX LIMITATION LAW; CHANGING THE OPERATIVE DATES; PROVIDING THAT THE HEARING ON THE EXEMPTION MUST COMPLY WITH NOTICE AND HEARING REQUIREMENTS; REQUIRING THAT THE EXEMPT MILL LEVY OR DOLLAR AMOUNT BE LISTED SEPARATELY ON THE PROPERTY TAX NOTICE; AMENDING SECTIONS 2-9-212 AND 2-18-703, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-9-212, MCA, is amended to read:

“2-9-212. Political subdivision tax levy to pay premiums. (1) Subject to 15-10-420 and subsection (2) of this section, a political subdivision, except for a school district, may levy an annual property tax in the amount necessary to fund the premium for insurance, deductible reserve fund, and self-insurance reserve fund as authorized in this section and to pay the principal and interest on bonds or notes issued pursuant to 2-9-211(5).

(2) (a) If a political subdivision made contributions for group benefits under 2-18-703 on or before July 1, 2001, the increase in the political subdivision’s property tax levy for the political subdivision’s premium contributions for group benefits under 2-18-703 beyond the amount of contributions in effect on July 1, 1999, at the beginning of the last fiscal year is not subject to the mill levy calculation limitation provided for in 15-10-420. Levies implemented under this section must be calculated separately from the mill levies calculated under 15-10-420 and are not subject to the inflation factor described in 15-10-420(1)(a). If tax-billing software is capable, the county treasurer shall list separately the cumulative mill levy or dollar amount on the tax notice sent to each taxpayer under 15-16-101(2). The amount must also be reported to the department of administration pursuant to 7-6-4003. The mill levy must be described as the permissive medical levy.

(b) Prior to implementing a levy under subsection (2)(a), after notice of the hearing given under 7-1-2121 or 7-1-4127, a public hearing must be held regarding any proposed increases.
A levy under this section in the previous year may not be included in the amount of property taxes that a governmental entity is authorized to levy for the purposes of determining the amount that the governmental entity may assess under the provisions of 15-10-420(1)(a). When a levy under this section decreases or is no longer levied, the revenue may not be combined with the revenue determined in 15-10-420(1)(a)."

**Section 2.** Section 2-18-703, MCA, is amended to read:

"2-18-703. Contributions. (1) Each agency, as defined in 2-18-601, and the state compensation insurance fund shall contribute the amount specified in this section toward the group benefits cost.

(2) For employees defined in 2-18-701 and for members of the legislature, the employer contribution for group benefits is $295 a month for the period from July 2001 through December 2001, $325 a month for the period from January 2002 through December 2002, and $366 a month for January 2003 and for each succeeding month. For employees of the Montana university system, the employer contribution for group benefits is $325 a month for the period from July 2001 through June 2002 and $366 a month for the period from July 2002 through June 2003 and for each succeeding month. When a state employee is terminated to achieve a reduction in force, the continuation of contributions for group benefits beyond the termination date is subject to negotiation under 39-31-305. Permanent part-time, seasonal part-time, and temporary part-time employees who are regularly scheduled to work less than 20 hours a week are not eligible for the group benefit contribution. An employee who elects not to be covered by a state-sponsored group benefit plan may not receive the state contribution. A portion of the employer contribution for group benefits may be applied to an employee’s costs for participation in Part B of medicare under Title XVIII of the Social Security Act, as amended, if the state group benefit plan is the secondary payer and medicare the primary payer.

(3) For employees of elementary and high school districts and of local government units, the employer’s premium contributions may exceed but may not be less than $10 a month. Subject to the public hearing requirement provided in 2-9-212(2)(b), the increase in a local government’s property tax levy for premium contributions for group benefits beyond the amount of contributions in effect on July 1, 1999, the first day of the last fiscal year, is not subject to the mill levy calculation limitation provided for in 15-10-420.

(4) Unused employer contributions for any state employee must be transferred to an account established for this purpose by the department of administration and upon transfer may be used to offset losses occurring to the group of which the employee is eligible to be a member.

(5) Unused employer contributions for any government employee may be transferred to an account established for this purpose by a self-insured government and upon transfer may be used to offset losses occurring to the group of which the employee is eligible to be a member or to increase the reserves of the group.

(6) The laws prohibiting discrimination on the basis of marital status in Title 49 do not prohibit bona fide group insurance plans from providing greater or additional contributions for insurance benefits to employees with dependents than to employees without dependents or with fewer dependents."

**Section 3.** Transition. A levy made prior to [the effective date of this act] under 2-9-212(2) may not be included as a levy in a previous year in determining
the amount of property taxes that a governmental entity may assess under the provisions of 15-10-420(1)(a). If a levy made prior to the effective date of this act under 2-9-212(2) decreased or was no longer levied, the difference between that levy and the next year levy may not be carried forward for imposition in a subsequent year under 15-10-420(1)(b).

Section 4. Coordination instruction. If House Bill No. 13 is passed and approved, then the amendments contained in 2-18-703(2) in [section 2 of this act] are void.

Section 5. Effective date. [This act] is effective on passage and approval.

CHAPTER NO. 531

[HB 722]

AN ACT IMPOSING A UTILIZATION FEE ON RESIDENT BED DAYS OF INTERMEDIATE CARE FACILITIES FOR THE MENTALLY RETARDED; AUTHORIZING THE DEPARTMENT OF REVENUE TO COLLECT THE FEE AND DEPOSIT 70 PERCENT OF THE FEE IN A STATE SPECIAL REVENUE FUND TO THE CREDIT OF THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES FOR THE PURPOSE OF FINANCING, ADMINISTERING, AND PROVIDING HEALTH AND HUMAN SERVICES; PROVIDING FOR THE DEPOSIT OF THE REMAINDER OF THE FEE IN THE STATE GENERAL FUND; PROVIDING AN APPROPRIATION; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.
Be it enacted by the Legislature of the State of Montana:

Section 1. Definitions. As used in [sections 1 through 13], unless the context requires otherwise, the following definitions apply:

1. “Calendar quarter” means the period of 3 consecutive months ending March 31, June 30, September 30, or December 31.

3. “Intermediate care facility” or “facility” means an intermediate care facility for the mentally retarded [licensed pursuant to section 5 of Senate Bill No. 113].

4. (a) “Quarterly revenue” means all revenue received during a calendar quarter by a facility operating in Montana for providing for client care.

   (b) For facilities operated by the state, the term means total expenditures for the quarter.

5. “Report” means the report of resident bed days required in [section 3].

6. “Resident” means an individual obtaining care in an intermediate care facility.

7. “Resident bed day” means each 24-hour period that a resident in an intermediate care facility is present in the facility and receiving care or in which a bed is held for a resident while the resident is on temporary leave from the facility. The term includes all benefit days as defined for medicare reporting purposes in section 242.1 of Publication 12, the Skilled Nursing Facility Manual, published by the centers for medicare and medicaid services, regardless of the source of payment.

8. “Utilization fee” or “fee” means the fee required to be paid for each resident bed day in an intermediate care facility, as provided in [section 2].

Section 2. Utilization fee for resident bed days. (1) Each calendar quarter, an intermediate care facility shall pay to the department a utilization fee for each resident bed day calculated as provided in subsection (2).

(2) The utilization fee is 5% of the intermediate care facility’s quarterly revenue divided by the resident bed days for the quarter.

(3) In accordance with the provisions of 15-1-501, all proceeds of the utilization fee, including penalty and interest, must be deposited as follows:

   (a) 30% in the state general fund; and

   (b) 70% in an account in the state special revenue fund established pursuant to [section 14] to the credit of the department of public health and human services to finance, administer, and provide health and human services.

Section 3. Reporting, collection, and deposit of fee. (1) An intermediate care facility shall report to the department, following the end of each calendar quarter, the facility’s quarterly revenue and the number of resident bed days in the facility during the quarter. The report, in a form prescribed by the department, is due on or before the last day of the month following the close of each calendar quarter. The report must be accompanied by a payment in an amount equal to the utilization fee required to be paid under [section 2(3)]. The department shall deposit the utilization fee pursuant to [section 2(3)].
At the end of each calendar quarter, the department of public health and human services shall provide the department with a list of intermediate care facilities.

**Section 4. Audit — records.**

(1) The department may audit the records and other documents of any intermediate care facility to ensure that the proper utilization fee has been paid.

(2) The department may require an intermediate care facility to provide records and other documentation, including books, ledgers, and registers, necessary for the department to verify that the proper amount of the utilization fee has been paid.

(3) An intermediate care facility shall maintain and make available for inspection by the department sufficient records and other documentation to demonstrate the number of resident bed days in the facility. The facility shall maintain these records for a period of at least 5 years from the date a report is due.

**Section 5. Statute of limitations.**

(1) Except as otherwise provided in this section, a deficiency may not be assessed or collected with respect to the quarter for which a report is filed unless the notice of additional utilization fee proposed to be assessed is mailed within 5 years from the date the report was filed. For the purposes of this section, a report filed before the last day prescribed for filing is considered filed on the last day. If, before the expiration of the period prescribed for assessment of the utilization fee, the intermediate care facility consents in writing to an assessment after the 5-year period, the utilization fee may be assessed at any time prior to the expiration of the period agreed upon.

(2) A refund or credit may not be paid or allowed with respect to the calendar quarter for which a report is filed after 5 years from the last day prescribed for filing the report or after 1 year from the date of the overpayment, whichever period expires later, unless before the expiration of the period the intermediate care facility files a claim or the department has determined the existence of the overpayment and has approved the refund or credit. If the intermediate care facility has agreed in writing under the provisions of subsection (1) to extend the time within which the department may propose an additional assessment, the period within which a claim for refund or credit is filed or a credit or refund is allowed in the event a claim is filed is automatically extended.

**Section 6. Penalty and interest for delinquent fee.** If the fee for any intermediate care facility is not paid on or before the due date of the report as provided in [section 3], penalty and interest, as provided in 15-1-216, must be added to the fee.

**Section 7. Estimated fee on failure to file.**

(1) For the purpose of ascertaining the correctness of any report or for the purpose of making an estimate of resident bed day use of any intermediate care facility about which information has been obtained, the department may:

(a) examine or cause to have examined by any designated agent or representative any books, papers, records, or memoranda bearing upon the matters required to be included in the report;

(b) require the attendance of any officer or employee of the facility rendering the report or the attendance of any other person in the premises having relevant knowledge; and

(c) take testimony and require production of any other material for its information.
(2) Based on the information provided for in subsection (1), the department shall calculate a fee to be imposed on a facility and shall notify the facility of the amount of the fee pursuant to [section 8].

Section 8. Deficiency assessment. (1) If the department determines that the amount of fees due is greater than the amount disclosed by the report, it shall mail to the intermediate care facility a notice of the additional fees proposed to be assessed. Within 30 days after the mailing of the notice, the intermediate care facility may file with the department a written protest against the proposed additional fees, setting forth the grounds upon which the protest is based, and may request in its protest an oral hearing or an opportunity to present additional evidence relating to its fee liability. If a protest is not filed, the amount of the additional fees proposed to be assessed becomes final upon the expiration of the 30-day period. If a protest is filed, the department shall reconsider the proposed assessment and, if the intermediate care facility has requested it, shall grant the intermediate care facility an oral hearing. After consideration of the protest and the evidence presented at an oral hearing, the department’s action upon the protest is final when it mails notice of its action to the intermediate care facility.

(2) When a deficiency is determined and the fees become final, the department shall mail notice and demand to the intermediate care facility and the fees become due and payable at the expiration of 10 days from the date of the notice and demand. Interest on any deficiency assessment accrues from the date specified in [section 3] for payment of the fees. A certificate by the department of the mailing of the notices specified in this section is prima facie evidence of the computation and levy of the deficiency in the fees and of the giving of the notices.

Section 9. Closing agreements. (1) The director of the department or any person authorized in writing by the director may enter into an agreement with any intermediate care facility relating to the liability of the intermediate care facility with respect to the fees imposed by [sections 1 through 13] for any period.

(2) An agreement under this section is final and conclusive, and except upon a showing of fraud, malfeasance, or misrepresentation of a material fact:

(a) the agreement may not be reopened or modified as to matters agreed upon by any officer, employee, or agent of this state; and

(b) in any suit, action, or proceeding under the agreement or any determination, assessment, collection, payment, abatement, refund, or credit made in accordance with the agreement, the agreement may not be annulled, modified, set aside, or disregarded.

Section 10. Credit for overpayment — interest. (1) If the department determines that the amount of fees, penalty, or interest due for any year is less than the amount paid, the amount of the overpayment must be credited against any fees, penalty, or interest then due from the intermediate care facility and the balance must be refunded to the intermediate care facility or its successor through reorganization, merger, or consolidation or to its shareholders upon dissolution.

(2) Except as provided in subsection (3), interest is allowed on overpayments at the same rate as is charged on unpaid taxes, as provided in 15-1-216, from the due date of the report or from the date of overpayment, whichever date is later, to the date the department approves refunding or crediting of the overpayment. Interest does not accrue during any period in which the processing of a claim for refund is delayed more than 30 days by reason of failure of the intermediate care
facility to furnish information requested by the department for the purpose of verifying the amount of the overpayment.

(3) Interest is not allowed:

(a) if the overpayment is refunded within 6 months from the date the report is due or from the date the return is filed, whichever is later; or

(b) if the amount of interest is less than $5.

(4) A payment not made incident to a discharge of actual utilization fee liability or a payment reasonably assumed to be imposed by [sections 1 through 13] is not considered an overpayment with respect to which interest is allowable.

Section 11. Warrant for distraint. If the utilization fee is not paid when due, the department may issue a warrant for distraint as provided in Title 15, chapter 1, part 7.

Section 12. Relation to other taxes and fees. The utilization fee imposed under [section 2] is in addition to any other taxes and fees required by law to be paid by an intermediate care facility.

Section 13. Rulemaking authority. The department may adopt rules necessary to implement and administer [sections 1 through 13].

Section 14. State special revenue account. There is a prevention and stabilization account in the state special revenue fund provided for in 17-2-102. Money in the account must be used by the department of public health and human service to finance, administer, and provide health and human services.

Section 15. Appropriation. The following money is appropriated to the department of public health and human services:

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-70-522, MCA, is amended to read:

“15-70-522. Tax incentive for production of alcohol — written plan required — reservation of incentives — rules. (1) (a) If the alcohol was produced in Montana from Montana agricultural products, including Montana wood or wood products, or if the alcohol was produced from non-Montana agricultural products when Montana products are not available, there is a tax incentive payable to alcohol distributors for distilling alcohol that:

(i) is to be blended with gasoline for sale as gasohol in Montana;

(ii) was exported from Montana and has been to be blended with gasoline for sale as gasohol; or

(iii) was to be used in the production of ethyl butyl ether for use in reformulated gasoline.

(b) Payment must be made by the department out of the amount collected under 15-70-204.

(2) Except as provided in subsections (3) and (4), the tax incentive on each gallon of alcohol distilled in accordance with subsection (1) is 30 cents a gallon for each gallon that is 100% produced from Montana products, with the amount of the tax incentive for each gallon reduced proportionately, based upon the amount of agricultural or wood products not produced in Montana that is used in the production of the alcohol. Beginning July 1, 2010, there is no tax incentive.

(3) Regardless of the alcohol tax incentive provided in subsection (2), the total payments made for the incentive under this part may not exceed $6 million in any consecutive 12-month period.
An alcohol distributor may not receive tax incentive payments under subsection (2) that exceed $3 million in any consecutive 12-month period.

An alcohol distributor may not receive tax incentive payments under subsection (2) unless the distributor has provided a written business plan to the department of transportation at least 24 months before the distributor's anticipated collection of the tax incentives and has complied with the schedule provided for in subsection (6). The plan must contain the following information:

(a) the source or sources of financing for the acquisition of the plant, land, and equipment used for the production of alcohol for use in gasohol;

(b) the anticipated source of agricultural products used in the production of alcohol for use in gasohol; and

(c) the anticipated time, quantity, and duration of production of alcohol for use in gasohol.

(6) (a) Except as provided in subsection (6)(b), the applicant that has provided the department with a written business plan shall meet the following schedule to be able to receive alcohol tax incentive payments:

(a) start building construction or remodeling within 24 months of the date on which the department received the business plan;

(b) complete 50% of construction or remodeling of a production facility within 36 months of the date on which the business plan was received; and

(c) complete 100% of construction or remodeling of a production facility and be in production of alcohol for use in gasohol for distribution within 48 months of the date on which the business plan was received.

(7) If the applicant does not adhere to the schedule in subsection (6), the applicant loses its priority for receiving incentive payments.

(8) After the department has verified production, the department shall begin payments of the alcohol tax incentives based on actual production according to the terms of subsection (2).

(9) The department shall reserve, in the order that written plans required under subsection (5) are received by the department, alcohol tax incentives based on the anticipated time, quantity, and duration of production. Payment of the alcohol tax incentives must be based on actual production.

(b) No later than 1 year after the written plan is received under subsection (5), the department shall determine whether an alcohol distributor is complying with the written plan. The department may reduce or cancel the reservation of the tax incentive provided in this subsection (6) if the department determines that the alcohol distributor has not materially complied with the written plan.

(7)(10) A new tax incentive payment may not be made if the total tax incentive established in subsection (3) has been reserved or paid. If an alcohol tax incentive has been reduced or canceled, the amount by which the tax incentive has been reduced or canceled is available for reservation as provided in subsection (6)(a) (9).

(8)(11) The department shall prescribe rules necessary to carry out the provisions of this section.

Section 2. Effective date. [This act] is effective on passage and approval.

(e) When the sale of property or services is made under any type of charge or conditional or time-sales contract or the leasing of property is made under a leasing contract, the seller or lessor shall treat the sales price, excluding any type of time-price differential, under the contract as the sales price at the time of the sale.

(16) “Seller” means a person that makes sales, leases, or rentals of personal property or services.

(17) (a) “Service” means an activity that is engaged in for another person for consideration and that is distinguished from the sale or lease of property. Service includes activities performed by a person for its members or shareholders.

(b) In determining what a service is, the intended use, principal objective, or ultimate objective of the contracting parties is irrelevant.

(18) “Use” or “using” includes use, consumption, or storage, other than storage for resale or for use solely outside this state, in the ordinary course of business.

Section 3. Imposition and rate of sales tax and use tax — exceptions.

(1) A sales tax of the following percentages is imposed on sales of the following property or services:

(a) 3% on accommodations and campgrounds;
(b) 4% on the base rental charge for rental vehicles.

(2) The sales tax is imposed on the purchaser and must be collected by the seller and paid to the department by the seller. The seller holds all sales taxes collected in trust for the state. The sales tax must be applied to the sales price.

(3) (a) For the privilege of using property or services within this state, there is imposed on the person using the following property or services a use tax equal to the following percentages of the value of the property or services:

(i) 3% on accommodations and campgrounds;
(ii) 4% on the base rental charge for rental vehicles.

(b) The use tax is imposed on property or services that were:

(i) acquired outside this state as the result of a transaction that would have been subject to the sales tax had it occurred within this state;

(ii) acquired within the exterior boundaries of an Indian reservation within this state as a result of a transaction that would have been subject to the sales tax.
tax had it occurred outside the exterior boundaries of an Indian reservation within this state;

(iii) acquired as the result of a transaction that was not initially subject to the sales tax imposed by subsection (1) or the use tax imposed by subsection (3)(a) but which transaction, because of the buyer's subsequent use of the property, is subject to the sales tax or use tax; or

(iv) rendered as the result of a transaction that was not initially subject to the sales tax or use tax but that because of the buyer's subsequent use of the services is subject to the sales tax or use tax.

(4) For purposes of this section, the value of property must be determined as of the time of acquisition, introduction into this state, or conversion to use, whichever is latest.

(5) The sale of property or services exempt or nontaxable under sections 2 through 39 is exempt from the tax imposed in subsections (1) and (3).

(6) Lodging facilities and campgrounds are exempt from the tax imposed in subsections (1)(a) and (3)(a)(i) until October 1, 2003, for contracts entered into prior to the effective date of this section that provide for a guaranteed charge for accommodations or campgrounds.

Section 4. Presumption of taxability — value — rules.

(1) In order to prevent evasion of the sales tax or use tax and to aid in its administration, it is presumed that:

(a) all sales by a person engaging in business are subject to the sales tax or use tax; and

(b) all property bought or sold by any person for delivery into this state is bought or sold for a taxable use within this state.

(2) In determining the amount of use tax due on the use of property or services, it is presumed, in the absence of preponderant evidence of another value, that value means the total amount of property or service or the reasonable value of other consideration paid for the use of the property or service, exclusive of any type of time-price differential. However, in an exchange in which the amount of money paid does not represent the value of the property or service purchased, the use tax must be imposed on the reasonable value of the property or service purchased.

(3) The department shall adopt rules providing for the payment of the sales tax and use tax based on a rounding method.

Section 5. Separate statement of tax — no advertising to absorb or refund tax — rules.

(1) If a person collects a tax in excess of the tax imposed by [section 3], both the tax and the excess tax must be remitted to the department.

(2) Except as provided in subsection (4), the sales tax must be stated separately for all sales, except for sales from coin-operated or currency-operated machines.

(3) A person may not advertise, hold out, or state to the public or to any customer that the tax imposed by [sections 2 through 39] will be absorbed or refunded.

(4) The department may adopt rules permitting sellers the option of stating sales tax based upon a percentage of taxable sales.
Section 6. Liability of user for payment of use tax. (1) A person within this state who uses property is liable to the state for payment of the use tax if the use tax is payable on the value of the property but has not been paid.

(2) The liability imposed by this section is discharged if the buyer has paid the use tax to the seller for payment to the department.

Section 7. Collection of sales tax and use tax — listing of business locations and agents — severability. (1) A person engaging in the business of selling property or services subject to taxation under [sections 2 through 39] shall collect the sales tax from the purchaser and pay the sales tax collected to the department.

(2) A person engaging in business within this state shall, before making any sales subject to [sections 2 through 39], obtain a seller’s permit, as provided in [section 18], and at the time of making a sale, whether within or outside the state, collect the sales tax imposed by [section 3] from the purchaser and give to the purchaser a receipt, in the manner and form prescribed by rule, for the sales tax paid.

(3) The department may authorize the collection of the sales tax imposed by [section 3] by any retailer who does not maintain a place of business within this state but who, to the satisfaction of the department, is in compliance with the law. When authorized, the person shall collect the use tax upon all property and services that, to the person’s knowledge, are for use within this state and subject to taxation under [sections 2 through 39].

(4) All sales tax and use tax required to be collected and all sales tax and use tax collected by any person under [sections 2 through 39] constitute a debt owed to this state by the person required to collect the sales tax and use tax.

(5) A person engaging in business within this state that is subject to [sections 2 through 39] shall provide to the department:
   (a) the names and addresses of all of the person’s agents operating within this state; and
   (b) the location of each of the person’s distribution houses or offices, sales houses or offices, and other places of business within this state.

(6) If any application of this section is held invalid, the application to other situations or persons is not affected.

Section 8. Nontaxable transaction certificate — requirements. (1) A nontaxable transaction certificate executed by a buyer or lessee must be in the possession of the seller or lessor at the time that a nontaxable transaction occurs.

(2) A nontaxable transaction certificate must contain the information and be in the form prescribed by the department.

(3) Only a buyer or lessee who has registered with the department and whose seller’s permit is valid may execute a nontaxable transaction certificate.

(4) If the seller or lessor accepts a nontaxable transaction certificate within the required time and believes in good faith that the buyer or lessee will employ the property or service transferred in a nontaxable manner, the properly executed nontaxable transaction certificate is considered conclusive evidence that the sale is nontaxable.

Section 9. Nontaxable transaction certificate — form. (1) The department shall provide for a uniform nontaxable transaction certificate. A
purchaser shall use the certificate when purchasing goods or services for resale or for other nontaxable transactions.

(2) At a minimum, the certificate must provide:

(a) the number of the seller’s permit issued to the purchaser as provided in [section 18];
(b) the general character of property or service sold by the purchaser in the regular course of business;
(c) the property or service purchased for resale;
(d) the name and address of the purchaser; and
(e) a signature line for the purchaser.

(3) The department shall adopt rules to provide procedures for application for and provision of a certificate to a person engaging in business within this state prior to [the applicability date of this section]. The rules adopted by the department must ensure that each person engaging in business within this state prior to [the applicability date of this section] that has applied in a timely fashion is issued a certificate prior to [the applicability date of this section].

Section 10. Exemption — government agencies — exception. All sales by or uses by the United States or an agency or instrumentality of the United States are exempt from the sales tax and use tax.

Section 11. Exemption — isolated or occasional sale or lease of property. The isolated or occasional sale or lease of property by a person that is not regularly engaged in or that does not claim to be engaged in the business of selling or leasing the same or a similar property is exempt from the sales tax and use tax.

Section 12. Nontaxability — sale of property for resale. The sale of property is nontaxable if:

(1) the sale is made to a buyer who delivers a nontaxable transaction certificate to the seller;
(2) the buyer resells the property either by itself or in combination with other property; and
(3) the subsequent sale is in the ordinary course of business and the property will be subject to the sales tax.

Section 13. Nontaxability — sale of service for resale. The sale of a service for resale is nontaxable if:

(1) the sale is made to a person who delivers a nontaxable transaction certificate;
(2) the buyer resells the service and separately states the value of the service purchased in the charge for the service in the subsequent sale; and
(3) the subsequent sale is in the ordinary course of business and subject to the sales tax.

Section 14. Nontaxability — lease for subsequent lease. The lease of property is nontaxable if:

(1) the lease is made to a lessee who delivers a nontaxable transaction certificate; and
(2) the lessee does not use the property in any manner other than for subsequent lease in the ordinary course of business.
Section 15. Nontaxability — use of property for leasing. The value of leased property is not considered in computing the use tax due if the person holding the property for lease:

1. is engaged in a business that derives a substantial portion of its receipts from leasing or selling property of the type leased;

2. does not use the property in any manner other than holding it for lease or sale or leasing or selling it either by itself or in combination with other tangible personal property in the ordinary course of business; and

3. does not use the property in a manner incidental to the performance of a service.

Section 16. Nontaxability — nonprofits. The sale of property or of a service is nontaxable if the seller is an organization that has a tax-exempt designation under the provisions of section 501(c)(3) of the Internal Revenue Code, 26 U.S.C. 501(c)(3), as amended.

Section 17. Credit — out-of-state taxes. If a sales, use, or similar tax has been levied by another state or a political subdivision of another state on property that was leased outside this state but that will be used or consumed in this state and the tax was paid by the current user, the amount of tax paid may be credited against any use tax due this state on the same property. The credit may not exceed the sales tax or use tax due this state.

Section 18. Seller's permit. (1) A person that wishes to engage in business within this state that is subject to [sections 2 through 39] shall obtain a seller's permit before engaging in business within this state.

2. Upon an applicant's compliance with [sections 2 through 39], the department shall issue to the applicant a separate, numbered seller's permit for each location in which the applicant maintains an office or other place of business within Montana. A permit is valid until revoked or suspended but is not assignable. A permit is valid only for the person in whose name it is issued and for the transaction of business at the place designated. The permit must be conspicuously displayed at all times at the place for which it is issued.

3. The department shall adopt rules to provide procedures for application for and provision of a seller's permit to a person engaging in business within this state that is subject to [sections 2 through 39] prior to [the applicability date of this section]. The rules adopted by the department must ensure that each person engaging in business within this state prior to [the applicability date of this section] is issued a seller's permit prior to [the applicability date of this section]. The department may adopt rules providing for seasonal permits.

Section 19. Permit application — requirements — place of business — form. (1) (a) A person that wishes to engage in the business of making retail sales or providing services in Montana that are subject to [sections 2 through 39] shall file with the department an application for a permit. If the person has more than one location in which the person maintains an office or other place of business, an application may include multiple locations.

(b) An applicant who does not maintain an office or other place of business and who moves from place to place is considered to have only one place of business and shall attach the permit to the applicant's cart, stand, truck, or other merchandising device.

2. Each person or class of persons required to file a return under [sections 2 through 39] is required to file an application for a permit.
(3) Each application for a permit must be on a form prescribed by the department and must set forth the name under which the applicant intends to transact business, the location of the applicant’s place or places of business, and other information that the department may require. The application must be filed by the owner if the owner is a natural person or by a person authorized to sign the application if the owner is a corporation, partnership, limited liability company, or some other business entity.

Section 20. Revocation or suspension of permit — appeal. (1) Subject to the provisions of subsection (2), the department may, for reasonable cause, revoke or suspend any permit held by a person that fails to comply with the provisions of [sections 2 through 39].

(2) The department shall provide dispute resolution on a proposed revocation or suspension pursuant to 15-1-211.

(3) If a permit is revoked, the department may not issue a new permit except upon application accompanied by reasonable evidence of the intention of the applicant to comply with the provisions of [sections 2 through 39]. The department may require security in addition to that authorized by [section 27] in an amount reasonably necessary to ensure compliance with [sections 2 through 39] as a condition for the issuance of a new permit to the applicant.

(4) A person aggrieved by the department’s final decision to revoke a permit, as provided in subsection (1), may appeal the decision to the state tax appeal board within 30 days after the date on which the department issued its final decision.

Section 21. Improper use of subject of purchase obtained with nontaxable transaction certificate — penalty. (1) If a purchaser that uses a nontaxable transaction certificate uses the subject of the purchase for a purpose other than one allowed as nontaxable under [sections 2 through 39], the use is considered a taxable sale as of the time of first use by the purchaser and the sales price is the price that the purchaser paid. If the sole nonexempt use is rental while holding for sale, the purchaser shall include in the sales price the amount of the rental charged. Upon subsequent sale of the property, the seller shall include the entire amount of the sales price, without deduction of amounts previously received as rentals.

(2) A person that uses a certificate for property that will be used for a purpose other than the purpose claimed is subject to a penalty, payable to the department, of $100 for each transaction in which an improper use of a certificate has occurred.

(3) Upon a showing of good cause, the department may abate or waive the penalty or a portion of the penalty.

Section 22. Commingling nontaxable certificate goods. If a purchaser uses a nontaxable transaction certificate with respect to the purchase of fungible goods and commingles these goods with fungible goods that were not purchased with a certificate but that are of such similarity that the identity of the goods in the commingled mass cannot be determined, sales from the mass of commingled goods are considered to be sales of the goods purchased with the certificate until the quantity of commingled goods sold equals the quantity of goods originally purchased under the certificate.

Section 23. Liability for payment of tax — security for retailer without place of business — penalty. (1) Liability for the payment of the
sales tax and use tax is not extinguished until the taxes have been paid to the department.

(2) A retailer that does not maintain an office or other place of business within this state is liable for the sales tax or use tax in accordance with [sections 2 through 39] and may be required to furnish adequate security, as provided in [section 27], to ensure collection and payment of the taxes. When authorized and except as otherwise provided in [sections 2 through 39], the retailer is liable for the taxes upon all property sold and services provided in this state in the same manner as a retailer who maintains an office or other place of business within this state. The seller’s permit provided for in [section 18] may be canceled at any time if the department considers the security inadequate or believes that the taxes can be collected more effectively in another manner.

(3) An agent, canvasser, or employee of a retailer doing business within this state may not sell, solicit orders for, or deliver any property or services within Montana unless the principal, employer, or retailer possesses a seller’s permit issued by the department. If an agent, canvasser, or employee violates the provisions of [sections 2 through 39], the person is subject to a fine of not more than $100 for each separate transaction or event.

Section 24. Returns — payment — authority of department. (1) Except as provided in subsection (2), on or before the last day of the month following the calendar quarter in which the transaction subject to the tax imposed by [sections 2 through 39] occurred, a return, on a form provided by the department, and payment of the tax for the preceding quarter must be filed with the department. Each person engaged in business within this state or using property or services within this state that are subject to tax under [sections 2 through 39] shall file a return. A person making retail sales at two or more places of business shall file a separate return for each separate place of business.

(2) A person who has been issued a seasonal seller’s permit shall file a return and pay the tax on the date or dates set by the department.

(3) (a) For the purposes of the sales tax or use tax, a return must be filed by:

   (i) a retailer required to collect the tax; and

   (ii) a person that:

      (A) purchases any items the storage, use, or other consumption of which is subject to the sales tax or use tax; and

      (B) has not paid the tax to a retailer required to pay the tax.

   (b) Each return must be authenticated by the person filing the return or by the person’s agent authorized in writing to file the return.

(4) (a) A person required to collect and pay to the department the taxes imposed by [sections 2 through 39] shall keep records, render statements, make returns, and comply with the provisions of [sections 2 through 39] and the rules prescribed by the department. Each return or statement must include the information required by the rules of the department.

   (b) For the purpose of determining compliance with the provisions of [sections 2 through 39], the department is authorized to examine or cause to be examined any books, papers, records, or memoranda relevant to making a determination of the amount of tax due, whether the books, papers, records, or memoranda are the property of or in the possession of the person filing the return or another person. In determining compliance, the department may use
statistical sampling and other sampling techniques consistent with generally accepted auditing standards. The department may also:

(i) require the attendance of a person having knowledge or information relevant to a return;

(ii) compel the production of books, papers, records, or memoranda by the person required to attend;

(iii) implement the provisions of 15-1-703 if the department determines that the collection of the tax is or may be jeopardized because of delay;

(iv) take testimony on matters material to the determination; and

(v) administer oaths or affirmations.

(5) Pursuant to rules established by the department, returns may be computer-generated and electronically filed.

Section 25. Credit for taxes paid on worthless accounts — taxes paid if account collected. (1) Sales taxes paid by a person filing a return under [section 24] on sales found to be worthless and actually deducted by the person as a bad debt for federal income tax purposes may be credited on a subsequent payment of the tax.

(2) Bad debts may be deducted within 12 months after the month in which the bad debt has been charged off for federal income tax purposes. "Charged off for federal income tax purposes" includes the charging off of unpaid balances due on accounts as uncollectible or declaring as uncollectible such unpaid balance due on accounts in the case of a seller who is not required to file federal income tax returns.

(3) If an account is subsequently collected, the sales tax must be paid on the amount collected.

Section 28. Examination of return — adjustments — delivery of notices and demands. (1) If the department determines that the amount of tax due is different from the amount reported, the amount of tax computed on the basis of the examination conducted pursuant to [section 24] constitutes the tax to be paid.

(2) If the tax due exceeds the amount of tax reported as due on the taxpayer's return, the excess must be paid to the department within 30 days after notice of the amount and demand for payment is mailed or delivered to the person making the return unless the taxpayer files a timely objection as provided in 15-1-211. For purposes of this section, a return filed before the last day prescribed for filing is considered to be filed on the last day.

(2) If, before the expiration of the 5-year period prescribed in subsection (1) for assessment of the tax, the taxpayer consents in writing to an assessment after expiration of the 5-year period, a deficiency may be assessed at any time prior to the expiration of the period to which consent was given.

(3) If a tax is due but has not been paid as provided in subsection (1)(b), the successor is liable for the payment of the full amount of tax. The payment of the tax by the successor is considered to be a payment upon the sales price, and if the payment is greater in amount than the sales price, the amount of the difference becomes a debt due to the successor from the taxpayer owing the tax under subsection (1).

**Section 46.** Section 15-30-122, MCA, is amended to read:

“15-30-122. Standard deduction. (1) A standard deduction equal to 20% of adjusted gross income is allowed if elected by the taxpayer on a return. The standard deduction is in lieu of all deductions allowed under 15-30-121. The minimum standard deduction is $665, as adjusted under the provisions of subsection (2), or 20% of adjusted gross income, whichever is greater, to a maximum standard deduction of $1,580, as adjusted under the provisions of subsection (2). However, in the case of a single joint return of husband and wife or in the case of a single individual who qualifies to file as a head of household on the federal income tax return, the minimum standard
deduction is $1,330 twice the amount of the minimum standard deduction for a single return, as adjusted under the provisions of subsection (2), or 20% of adjusted gross income, whichever is greater, to a maximum standard deduction of $3,000 twice the amount of the maximum standard deduction for a single return, as adjusted under the provisions of subsection (2). The standard deduction may not be allowed to either the husband or the wife if the tax of one of the spouses is determined without regard to the standard deduction. For purposes of this section, the determination of whether an individual is married must be made as of the last day of the tax year unless one of the spouses dies during the tax year, in which case the determination must be made as of the date of death.

(2) By November 1 of each year, the department shall multiply both the minimum and the maximum standard deduction for single returns by the inflation factor for that tax year and round the product to the nearest $10. The minimum and maximum standard deduction for joint returns and qualified head of household returns must be twice the amount of the minimum and maximum standard deduction for single returns. The resulting adjusted deductions are effective for that tax year and must be used in calculating the tax imposed in 15-30-103.”

Section 47. Section 15-30-124, MCA, is amended to read:

“15-30-124. Credit allowed resident taxpayers for income taxes imposed by foreign states or countries. (1) Subject to the conditions provided in subsections (2) through (5), a resident of this state is allowed a credit against the taxes imposed by this chapter for:

(a) income taxes imposed by and paid to another state or country on income taxable under this chapter; and

(b) the resident’s pro rata share of any income tax imposed by and paid to another state or country by an S. corporation of which the resident is a shareholder; and

(c) the resident’s distributive share, whether separately or nonseparately stated, of any income tax imposed by and paid to another state or country by a partnership of which the resident is a partner.

(2) The credit is allowed only for taxes paid to another state or country on income derived from sources within the other state or country that is taxable under the laws of the other state or country regardless of the residence or domicile of the taxpayer.

(3) The credit is not allowed if the other state or country allows residents of this state a credit against the taxes imposed by the other state or country for taxes paid or payable under this chapter.

(4) The allowable credit must be computed by a formula prescribed by the department.

(5) For the purposes of the credit under subsection subsections (1)(b) and (1)(c):

(a) “income tax” has the same meaning as provided in Article II of 15-1-601;

(b) the S. corporation must have made and have in effect on the last day of its tax year a valid election under subchapter S. of Chapter 1 of the Internal Revenue Code; and
Section 48. Section 15-30-142, MCA, is amended to read:

“15-30-142. Returns and payment of tax — penalty and interest — refunds — credits. (1) For both resident and nonresident taxpayers, each single individual and each married individual not filing a joint return with a spouse and having a gross income for the tax year of more than $3,560, as adjusted under the provisions of subsection (7), and married individuals not filing separate returns and having a combined gross income for the tax year of more than $7,120, as adjusted under the provisions of subsection (7), are liable for a return to be filed on forms and according to rules that the department may prescribe. The gross income amounts referred to in the preceding sentence must be increased by $1,900, as adjusted under the provisions of 15-30-112(6), for each additional personal exemption allowance that the taxpayer is entitled to claim for the taxpayer and the taxpayer’s spouse under 15-30-112(3) and (4).

(2) In accordance with instructions set forth by the department, each taxpayer who is married and living with husband or wife and is required to file a return may, at the taxpayer’s option, file a joint return with husband or wife even though one of the spouses has neither gross income nor deductions. If a joint return is made, the tax must be computed on the aggregate taxable income and the liability with respect to the tax is joint and several. If a joint return has been filed for a tax year, the spouses may not file separate returns after the time for filing the return of either has expired unless the department consents.

(3) If a taxpayer is unable to make the taxpayer’s own return, the return must be made by an authorized agent or by a guardian or other person charged with the care of the person or property of the taxpayer.

(4) All taxpayers, including but not limited to those subject to the provisions of 15-30-202 and 15-30-241, shall compute the amount of income tax payable and shall, at the time of filing the return required by this chapter, pay to the department any balance of income tax remaining unpaid after crediting the amount withheld, as provided by 15-30-202, and any payment made by reason of an estimated tax return provided for in 15-30-241. However, the tax computed must be greater by $1 than the amount withheld and paid by estimated return as provided in this chapter. If the amount of tax withheld and the payment of estimated tax exceed by more than $1 the amount of income tax as computed, the taxpayer is entitled to a refund of the excess.

(5) As soon as practicable after the return is filed, the department shall examine and verify the tax.

(6) If the amount of tax as verified is greater than the amount paid, the excess must be paid by the taxpayer to the department within 60 days after notice of the amount of the tax as computed, with interest added as provided in 15-1-216. In that case, there may not be a penalty because of the understatement if the deficiency is paid within 60 days after the first notice of the amount is mailed to the taxpayer.

(7) By November 1 of each year, the department shall multiply the minimum amount of gross income necessitating the filing of a return by the inflation factor for the tax year. These adjusted amounts are effective for that tax year, and persons who have gross incomes less than these adjusted amounts are not required to file a return.”
(8) Individual income tax forms distributed by the department for each tax year must contain instructions and tables based on the adjusted base year structure for that tax year."

Section 49. Section 16-11-111, MCA, is amended to read:

"16-11-111. Cigarette sales tax — exemption for sale to tribal member. (1) (a) A tax on the purchase of cigarettes for consumption, use, or any purpose other than resale in the regular course of business is imposed and must be precollected by the wholesaler and paid to the state of Montana. The tax is \( \text{1870 cents on each package containing 20 cigarettes.} \) and, when packages contain other than 20 cigarettes, there is a tax on each cigarette equal to \( \frac{1}{20} \) the tax on a package containing 20 cigarettes.

(b) The tax computed under subsection (1)(a) applies to illegally packaged cigarettes under 16-11-307.

(2) The tax imposed in subsection (1) does not apply to quota cigarettes.

(3) Subject to the refund or credit provided in subsection (4), the tax must be precollected on all cigarettes entering a Montana Indian reservation.

(4) Pursuant to the procedure provided in subsection (5), a wholesaler making a sale of cigarettes to a retailer within the boundaries of a Montana Indian reservation may apply to the department for a refund or credit for taxes precollected on cigarettes sold by the retailer to a member of the federally recognized Indian tribe or tribes on whose reservation the sale is made. A wholesaler who does not file a claim within 1 year of the shipment date forfeits the refund or credit.

(5) The distribution of tax-free cigarettes to a tribal member must be implemented through a system of preapproved wholesaler shipments. A licensed Montana wholesaler shall contact the department for approval prior to the shipment of the untaxed cigarettes. The department may authorize sales based on whether the quota, as established in a cooperative agreement between the department and an Indian tribe or as set out in this chapter, has been met. If authorized as a tax-exempt sale, the wholesaler, upon providing proof of order and delivery to a retailer within the boundaries of a Montana Indian reservation selling cigarettes to members of a federally recognized tribe or tribes of that reservation, must be given a credit or refund or credit. Once the quota has been filled, the department shall immediately notify all affected wholesalers that further sales on that reservation must be taxed and that a claim for a refund or credit will not be honored for the remainder of the quota period. Quota allocations are not transferable between quota periods or between reservations.

(6) The total amount of refunds or credits allowed by the department to all wholesalers claiming the refund or credit under subsection (4) for any month may not exceed an amount that is equal to the tax due on the quota allocation. The department shall determine the amount of refunds or credits for each Indian reservation at the beginning of each fiscal year, using the most recent census data available from the bureau of Indian affairs or as provided in a cooperative agreement with the tribe or tribes of the Indian reservation."

Section 50. Section 16-11-114, MCA, is amended to read:

"16-11-114. Insignia discount. Each licensed wholesaler is entitled to purchase an insignia at full face value less the following percentage of the face value upon payment for the insignia as defrayment of the costs of affixing insignia and precollecting the tax on behalf of the state of Montana:

(b) The amount of 73.04% must, in accordance with the provisions of 15-1-501, be deposited in the state general fund.

(c) The amount of 15.85% must, in accordance with the provisions of 15-1-501, be deposited in the long-range building program account provided for in 17-7-205; and

(d) the remainder to the state general fund.

(2) If money in the state special revenue fund for the operation and maintenance of state veterans’ nursing homes exceeds $2 million at the end of the fiscal year, the excess must be transferred to the state general fund.”

(o) deposits, not exceeding the amount set forth in 15-30-603, deposited in a Montana farm and ranch risk management account, as provided in 15-30-601 through 15-30-605, in any tax year for which a deduction is not provided for federal income tax purposes; and

(p) income of a dependent child that is included in the taxpayer’s federal adjusted gross income pursuant to the Internal Revenue Code. The child is required to file a Montana personal income tax return if the child and taxpayer meet the filing requirements in 15-30-142.

(3) A shareholder of a DISC that is exempt from the corporation license tax under 15-31-102(1)(l) shall include in the shareholder’s adjusted gross income the earnings and profits of the DISC in the same manner as provided by section 995 of the Internal Revenue Code, 26 U.S.C. 995, for all periods for which the DISC election is effective.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer’s business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the Internal Revenue Code of 1954, as those sections may be labeled or amended, is allowed to deduct the amount of the wages and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.
(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to $100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion and before application of the two-earner married couple deduction exceeds $15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding $15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, “permanently and totally disabled” means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(7) Married taxpayers who file a joint federal return and who make an election on the federal return to defer income ratably for 4 tax years because of a conversion from an IRA other than a Roth IRA to a Roth IRA, pursuant to section 408A(d)(3) of the Internal Revenue Code, 26 U.S.C. 408A(d)(3), may file separate Montana income tax returns to defer the full taxable conversion amount from Montana adjusted gross income for the same time period. The deferred amount must be attributed to the taxpayer making the conversion.

(8) An individual who contributes to one or more accounts established under the Montana family education savings program may reduce adjusted gross income by the lesser of $3,000 or the amount of the contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of $3,000, for the spouses’ contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income.<eff>

(9) (a) A taxpayer may exclude the amount of the loan payment received pursuant to subsection (9)(a)(iv), not to exceed $5,000, from the taxpayer’s adjusted gross income if the taxpayer:

(i) is a health care professional licensed in Montana as provided in Title 37;

(ii) is serving a significant portion of a designated geographic area, special population, or facility population in a federally designated health professional shortage area, a medically underserved area or population, or a federal nursing shortage county as determined by the secretary of health and human services or by the governor;

(iii) has a student loan incurred as a result of health-related education; and
(iv) has received a loan payment during the tax year made on the taxpayer's behalf by a loan repayment program described in subsection (9)(b) as an incentive to practice in Montana.

(b) For the purposes of subsection (9)(a), a loan repayment program includes a federal, state, or qualified private program. A qualified private loan repayment program includes a licensed health care facility, as defined in 50-5-101, that makes student loan payments on behalf of the person who is employed by the facility as a licensed health care professional. (Subsection (2)(f) terminates on occurrence of contingency—sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency—sec. 9, Ch. 262, L. 2001.)

(1) Adjusted gross income is the taxpayer's federal income tax adjusted gross income as defined in section 62 of the Internal Revenue Code of 1954, 26 U.S.C. 62, as that section may be labeled or amended, and in addition includes the following:

The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to $100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion and before application of the two-earner married couple deduction exceeds $15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding $15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, “permanently and totally disabled” means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(7) Married taxpayers who file a joint federal return and who make an election on the federal return to defer income ratably for 4 tax years because of a conversion from an IRA other than a Roth IRA to a Roth IRA, pursuant to section 408A(d)(3) of the Internal Revenue Code, 26 U.S.C. 408A(d)(3), may file separate Montana income tax returns to defer the full taxable conversion

Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer’s spouse, or the taxpayer’s child or stepchild if the taxpayer’s child or stepchild is a Montana resident. (d) The districts must be compact, meaning that the compactness of a district is greatest when the length of the district and the width of a district are equal. A district may not have an average length greater than three times the average width unless necessary to comply with the Voting Rights Act.

(3) A district may not be drawn for the purposes of favoring a political party or an incumbent legislator or member of congress. The following data or information may not be considered in the development of a plan:

CHAPTER NO. 547

[SB 492]

AN ACT CLARIFYING THAT THE BOARD OF REGENTS, ON BEHALF OF THE UNIVERSITY SYSTEM UNITS, MUST APPROVE AN OPERATING BUDGET CONTAINING DETAILED REVENUE AND EXPENDITURES OF ALL MONEY APPROPRIATED IN THE GENERAL APPROPRIATIONS ACT;
PROVIDING THAT TRANSFERS BETWEEN UNITS MAY BE MADE ONLY WITH THE APPROVAL OF THE BOARD OF REGENTS AFTER APPROVAL OF THE OPERATING BUDGET; REQUIRING THAT TRANSFERS BE SUBMITTED TO THE OFFICE OF BUDGET AND PROGRAM PLANNING AND THE LEGISLATIVE FISCAL ANALYST; AMENDING SECTION 17-7-138, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 17-7-138, MCA, is amended to read:

“17-7-138. Operating budget. (1) (a) Expenditures by a state agency must be made in substantial compliance with the budget approved by the legislature. Substantial compliance may be determined by conformity to the conditions contained in the general appropriations act and to legislative intent as established in the narrative accompanying the general appropriations act. An explanation of any significant change in agency or program scope, objectives, activities, or expenditures must be submitted to the legislative fiscal analyst for review and comment by the legislative finance committee prior to any implementation of the change. A significant change may not conflict with a condition contained in the general appropriations act. If the approving authority certifies that a change is time-sensitive, the approving authority may approve the change prior to the next regularly scheduled meeting of the legislative finance committee. The approving authority shall submit all proposed time-sensitive changes to the legislative fiscal analyst prior to approval. If the legislative fiscal analyst determines that notification of the legislative finance committee is warranted, the legislative fiscal analyst shall immediately notify as many members as possible of the proposed change and communicate any concerns expressed to the approving authority. The approving authority shall present a report fully explaining the reasons for the action to the next meeting of the legislative finance committee. Except as provided in subsection (2), the expenditure of money appropriated in the general appropriations act is contingent upon approval of an operating budget by August 1 of each fiscal year. An approved original operating budget must comply with state law and conditions contained in the general appropriations act.

(b) For the purposes of this subsection (1), an agency or program is considered to have a significant change in its scope, objectives, activities, or expenditures if:

(i) the operating budget change exceeds $1 million; or

(ii) the operating budget change exceeds 25% of a budget category and the change is greater than $25,000. If there have been other changes to the budget category in the current fiscal year, all the changes, including the change under consideration, must be used in determining the 25% and $25,000 threshold.

(2) The expenditure of money appropriated in the general appropriations act to the commissioner of higher education for distribution by the board of regents, to on behalf of the university system units, as defined in 17-7-102, is contingent upon approval of a comprehensive operating budget by October 1 of each fiscal year. The operating budget must contain detailed revenue and expenditures and anticipated fund balances of current funds, loan funds, endowment funds, and plant funds. After the board of regents approves operating budgets, transfers between units may be made only with the approval of the board of regents.
Transfers and related justification must be submitted to the office of budget and program planning and to the legislative fiscal analyst.

(3) The operating budget for money appropriated by the general appropriations act must be separate from the operating budget for money appropriated by another law except a law appropriating money for the state pay plan or any portion of the state pay plan. The legislature may restrict the use of funds appropriated for personal services to allow use only for the purpose of the appropriation. The retirement fund operating reserve may not be more than 35% of the final retirement fund budget for the ensuing school fiscal year and must be used for the purpose of paying retirement fund warrants issued by the district under the final retirement fund budget.

(vi) any other revenue anticipated that may be realized in the retirement fund during the ensuing school fiscal year, excluding any guaranteed tax base aid.

(b) notwithstanding the provisions of subsection (8) (9), subtracting the money available for reduction of the levy requirement, as determined in subsection (3)(a) (4)(a), from the budgeted amount for expenditures in the final retirement fund budget.

(4) The county superintendent shall:

(a) total the net retirement fund levy requirements separately for all elementary school districts, all high school districts, and all community college districts of the county, including any prorated joint district or special education cooperative agreement levy requirements; and

(b) report each levy requirement to the county commissioners on the fourth Monday of August as the respective county levy requirements for elementary district, high school district, and community college district retirement funds.

(5) The county commissioners shall fix and set the county levy or district levy in accordance with 20-9-142.

(6) The net retirement fund levy requirement for a joint elementary district or a joint high school district must be prorated to each county in which a part of the district is located in the same proportion as the joint ANB of the joint district is distributed by pupil residence in each county. The county superintendents of the counties affected shall jointly determine the net retirement fund levy requirement for each county as provided in 20-9-151.

(7) The net retirement fund levy requirement for districts that are members of special education cooperative agreements must be prorated to each county in which the district is located in the same proportion as the special education cooperative budget is prorated to the member school districts. The county superintendents of the counties affected shall jointly determine the net retirement fund levy requirement for each county in the same manner as provided in 20-9-151, and the county commissioners shall fix and levy the net retirement fund levy for each county in the same manner as provided in 20-9-152.
The county superintendent shall calculate the number of mills to be levied on the taxable property in the county to finance the retirement fund net levy requirement by dividing the amount determined in subsection (4)(a) by the sum of:

(a) the amount of guaranteed tax base aid that the county will receive for each mill levied, as certified by the superintendent of public instruction; and

(b) the taxable valuation of the district divided by 1,000.

The levy for a community college district may be applied only to property within the district.”

Section 8. Section 20-9-542, MCA, is amended to read: “20-9-542. School flexibility account — distribution of funds. (1) There is a school flexibility account in the state special revenue fund. The superintendent of public instruction shall allocate the money in the account, including any interest earned on money allocated to the account, to each school district. Each school district’s total allocation is the sum of the district K-12 public school funding amount, the district large K-12 public school funding amount, and the district student funding amount.

(2) In addition to funds allocated or appropriated to the school flexibility account, all money saved by the state if the actual statewide ANB in a given fiscal year is less than the statewide ANB projected by the legislature during the preceding legislative session must be deposited in the school flexibility account.

(3) A portion of the money in the school flexibility account may be expended by a district to alleviate certified staff shortages in the district or for retirement incentives only if a portion of the account is specified for that purpose in a general appropriation act.”

Section 9. Section 20-10-101, MCA, is amended to read: “20-10-101. Definitions. As used in this title, unless the context clearly indicates otherwise, the following definitions apply:

(1) “Bus route” means a route approved by the board of trustees of a school district and by the county transportation committee.

(2) “Eligible transportee” means a public school pupil who:

(a) is 5 years of age or older and has not reached the age of 21 on or before September 10 of the current school year or who is a preschool child with a disability between the ages of 3 and 6;

(b) is a resident of the state of Montana;

(c) regardless of district and county boundaries:

(i) resides at least 3 miles, over the shortest practical route, from the nearest operating public elementary school or public high school, whichever the case may be; or

(ii) has transportation identified as a related service in an individualized education program as developed and implemented in accordance with the Individuals With Disabilities Education Act, 20 U.S.C. 1400, et seq.; and

(d) is considered to reside with a parent or guardian who maintains legal residence within the boundaries of the district furnishing the transportation regardless of where the eligible transportee actually lives when attending school.
(3) “Passenger seating position” means, as defined in 49 CFR 571.222, the space on a school bus allocated for one passenger.

(4) (a) “School bus” means, except as provided in subsection (4)(b), any motor vehicle that:
   (i) complies with the bus standards established by the board of public education as verified by the department of justice’s semiannual inspection of school buses and the superintendent of public instruction; and
   (ii) is owned by a district or other public agency and operated for the transportation of pupils to or from school or owned by a carrier under contract with a district or public agency to provide transportation of pupils to or from school.

   (b) A school bus does not include a vehicle that is:
      (i) privately owned and not operated for compensation under this title;
      (ii) privately owned and operated for reimbursement under 20-10-142;
      (iii) either district-owned or privately owned, designed to carry not more than nine passengers, and used to transport pupils to or from activity events or to transport pupils to their homes in case of illness or other emergency situations; or
      (iv) an over-the-road passenger coach used only to transport pupils to activity events.

(5) “Transportation” means:
   (a) a district’s conveyance of a pupil by a school bus between the pupil’s legal residence or an officially designated bus stop and the school designated by the trustees for the pupil’s attendance; or
   (b) “individual transportation” by which a district is relieved of actually conveying a pupil. Individual transportation may include paying the parent or guardian for conveying the pupil, reimbursing the parent or guardian for the pupil’s board and room, or providing supervised correspondence study or supervised home study.

(6) “Transportation service area” means the geographic area of responsibility for school bus transportation for each district that operates a school bus transportation program.

(7) “Weighted ridership” means the sum of the passenger points assigned to the eligible transportees who are transported on a bus route.

Section 10. Section 20-10-141, MCA, is amended to read:

“20-10-141. Schedule of maximum reimbursement by mileage rates. (1) The following mileage rates in subsection (2) for school transportation constitute the maximum reimbursement to districts for school transportation from state and county sources of transportation revenue under the provisions of 20-10-145 and 20-10-146. These rates may not limit the amount that a district may budget in its transportation fund budget in order to provide for the estimated and necessary cost of school transportation during the ensuing school fiscal year. All bus miles traveled on bus routes approved by the county transportation committee are reimbursable. Nonbus mileage is reimbursable for a vehicle driven by a bus driver to and from an overnight location of a school bus when the location is more than 10 miles from the school. A district may approve additional bus or nonbus miles within its own district or approved service area but may not claim reimbursement for the mileage. Any vehicle, the
operation of which is reimbursed for bus mileage under the rate provisions of this schedule, must be a school bus, as defined by this title, driven by a qualified driver on a bus route approved by the county transportation committee and the superintendent of public instruction.

(2) (a) The rate per for each bus mile traveled must be determined in accordance with the following schedule when the weighted ridership assigned to a bus route is not less than one-half of the rated capacity of the school bus:

(i) 85 cents per bus mile for a school bus with a rated capacity of not more than 49 passenger seating positions;

(ii) $1.15 for a school bus with a rated capacity of 50 to 59 passenger seating positions;

(iii) $1.36 for a school bus with a rated capacity of 60 to 69 passenger seating positions;

(iv) $1.57 for a school bus with a rated capacity of 70 to 79 passenger seating positions;

(v) $1.80 for a school bus with 80 or more passenger seating positions.

(b) when the rated capacity is more than 49 passenger seating positions, an additional 2.13 cents per bus mile for each additional passenger seating position in the rated capacity in excess of 49 must be added to a base rate of 85 cents per bus mile. Nonbus mileage, as provided in subsection (1), must be reimbursed at a rate of 50 cents a mile.

(3) Reimbursement for nonbus mileage provided for in subsection (1) may not exceed 50% of the maximum reimbursement rate determined under subsection (2).

(4) When the weighted ridership assigned to a bus route is less than one-half of the rated capacity of the school bus, the rate per bus mile traveled must be computed as follows:

(a) determine the weighted ridership assigned to the bus route;

(b) multiply the number determined in subsection (4)(a) by two; and

(c) use the adjusted rated capacity determined in subsection (4)(b) as the rated capacity of the bus to determine the rate per bus mile traveled from the rate schedule in subsection (2).

(5)(3) The rated capacity is the number of passenger seating positions of a school bus as determined under the policy adopted by the board of public education. If modification of a school bus to accommodate pupils with disabilities reduces the rated capacity of the bus, the reimbursement to a district for pupil transportation is based on the rated capacity of the bus prior to modification.

(6)(4) The number of pupils riding the school bus may not exceed the passenger seating positions of the bus.”

Section 11. Section 25, Chapter 13, Laws of 2002, is amended to read:

“Section 25. Section 244, Chapter 574, Laws of 2001, is amended to read:

“Section 244. School district block grants. (1) (a) The office of public instruction shall provide a block grant to each school district based on the revenue received by each district in fiscal year 2001 from vehicle taxes and fees, corporate license taxes paid by financial institutions, aeronautics fees, state
land payments in lieu of taxes, and property tax reimbursements pursuant to sections 167(1) through (5) and 169(6), Chapter 584, Laws of 1999.

(b) Block grants must be calculated using the electronic reporting system that is used by the office of public instruction and school districts. The electronic reporting system must be used to allocate a portion of the block grant amount into each district’s fiscal year 2002 budget as an anticipated revenue source by fund.

(c) With the exception of vehicle taxes and fees, the office of public instruction shall use the amount actually received from the sources listed in subsection (1)(a) in fiscal year 2001 in its calculation of the block grant for fiscal year 2002 budgeting purposes. For vehicle taxes and fees, the office of public instruction shall use 93.4% of the amount actually received in fiscal year 2001 in calculating the block grant for fiscal year 2002.

(2) If the biennial fiscal year 2003 appropriation provided in [section 248(1)] is insufficient to fund the school district block grants in fiscal year 2003 at the fiscal year 2002 level, the office of public instruction shall prorate the block grants to meet the remaining appropriation. School districts shall anticipate the prorated block grant amounts provided by the office of public instruction in their budgets for fiscal year 2003.

(3) Each year, 70% of each district’s block grant must be distributed in November and 30% of each district’s block grant must be distributed in May at the same time that guaranteed tax base aid is distributed. If the appropriation for block grants is greater than or less than the amount received by schools from the sources enumerated in subsection (1), the office of public instruction shall prorate the amount appropriated based upon the fiscal year 2001 revenue.

(4) (a) The average amount of the block grants in fiscal years 2002 and 2003 must be increased by 0.76% in fiscal year 2004 and in each succeeding fiscal year. The block grant for the district general fund is equal to the average amount received in fiscal years 2002 and 2003 by the district general fund from the block grants provided for in subsection (1). The block grant must be increased by 0.76% in fiscal year 2004 and in each succeeding fiscal year.

(b) The block grant for the district transportation fund is equal to one-half of the average amount received in fiscal years 2002 and 2003 by the district transportation fund from the block grants provided for in subsection (1). The block grant must be increased by 0.76% in fiscal year 2004 and in each succeeding fiscal year.

(c) (i) The combined fund block grant is equal to the average amount received in fiscal years 2002 and 2003 by the district tuition, bus depreciation reserve, building reserve, nonoperating, and adult education funds from the block grants provided for in subsection (1). The block grant must be increased by 0.76% in fiscal year 2004 and in each succeeding fiscal year.

(ii) The school district may deposit the combined fund block grant into any budgeted fund of the district.”

Section 12. Section 26, Chapter 13, Special Laws of August 2002, is amended to read:

“Section 26. Section 245, Chapter 574, Laws of 2001, is amended to read:

“Section 245. Countywide school retirement block grants. (4) The office of public instruction shall distribute one-half of the amount appropriated
for countywide school retirement in November and the remainder in May. The total amount for each county is as follows:

(2) The average amount of the block grants in fiscal years 2002 and 2003 must be increased by 0.76% in fiscal year 2004 and in each succeeding fiscal year.

Section 13. Repealer. Sections 20-10-127 and 20-10-128, MCA, are repealed.

Section 14. Extension of school election deadlines. In order to allow for the orderly and efficient conduct of the regular school elections scheduled for May 6, 2003, it may not be possible to comply with certain statutory deadlines relating to a school election. Therefore, in 2003 only, a school district may limit the regular school election scheduled for May 6, 2003, to trustee elections only and may reschedule a single general fund operating levy election at any time prior to the adoption of a final budget pursuant to 20-9-131. In addition, all statutory deadlines for the May 6, 2003, regular school election that fall on or before April 18 are extended to April 28, 2003, except that the timeline for posting the election notice is changed to April 28, 2003, through May 2, 2003.

Section 15. Restrictions on retirement fund for fiscal year 2004. (1) For school fiscal year 2004, the amount that a school district or cooperative may charge to the retirement fund for the employer’s contributions to the retirement, federal social security, and unemployment insurance systems for all employees whose salaries are paid from a federal funding source is limited to the amount that the district or cooperative charged to the retirement fund for those same purposes for the same group of employees in school fiscal year 2003.

(2) The restriction in subsection (1) does not apply to employees whose salaries are paid from the district’s school food services fund.

Section 16. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 20, chapter 9, part 3, and the provisions of Title 20, chapter 9, part 3, apply to [section 1].

Section 17. Effective dates — applicability. (1) [Section 1] is effective July 1, 2004, and applies to school budgets for the fiscal years beginning on or after July 1, 2005.

(2) [Section 2] is effective July 1, 2003, and applies to school budgets for the school fiscal year beginning July 1, 2003.

(3) [Section 3] is effective July 1, 2004, and applies to school budgets for the school fiscal years beginning on or after July 1, 2004.
(4) [Sections 4 through 6 and 8 through 13] are effective July 1, 2003.
(5) [Section 7] is effective July 1, 2004.
(6) [Sections 14, 15, 16, 18, 19, and this section] are effective on passage and approval.

Section 18. Retroactive applicability. [This act] applies retroactively, within the meaning of 1-2-109, to actions taken by the trustees of a school district on or after March 27, 2003.

Chapter No. 551

[SB 473]

An act providing for a prescription drug expansion program under Medicaid; authorizing the Department of Public Health and Human Services to implement the prescription drug expansion program under Medicaid; providing an annual application fee for the program; authorizing a loan from the Board of Investments for the startup cost of the program; and providing an effective date and a termination date.

WHEREAS, the Legislature finds that the cost of prescription drugs is a major threat to the public health of Montana citizens; and

WHEREAS, other states have implemented innovative prescription drug access and affordability legislation that can be adapted to meet Montana's needs; and

WHEREAS, the Legislature finds it necessary to provide some relief for the high cost of prescription drugs by using an expanded Medicaid program for which reimbursement will be sought through Medicaid rebates and federal reimbursement programs.

Be it enacted by the Legislature of the State of Montana:

Section 1. Definitions. As used in [sections 1 through 7], unless the context requires otherwise, the following definitions apply:

(1) “Average wholesale price” means the wholesale price charged on a specific commodity that is assigned by the drug manufacturer and is listed in a nationally recognized drug pricing file.

(2) “Department” means the department of public health and human services provided for in Title 2, chapter 15, part 22.

(3) “Discounted price” means a price that is less than or equal to the average wholesale price, minus a percentage between 6% and 25% determined by the department pursuant to [section 2].

(4) “Gross household income” has the meaning provided in 15-30-171.

(5) “Manufacturer” means a manufacturer of prescription drugs and includes a subsidiary or affiliate of a manufacturer.
(6) “Participating retail pharmacy” means a retail pharmacy located in this state or another business licensed to dispense prescription drugs in this state that is medicaid-approved.

(7) “Program” means the medicaid prescription drug program provided for in [section 2].

Section 2. Prescription drug expansion program — rules. (1) By July 1, 2004, or upon securing any necessary waivers, the department shall provide for an expansion of prescription drug benefits under the medicaid program by offering prescription drugs at a discounted price to qualified individuals whose income is at a level set by the department at or below 200% of the federal poverty level. Subject to subsection (7), the department shall charge an annual application fee of $25 for the program. The application fee must be deposited in the medicaid prescription drug rebate account established in subsection (2).

(2) There is a medicaid prescription drug rebate account in the state special revenue fund to the credit of the department. All money received by the state as rebates from pharmaceutical manufacturers for the medicaid prescription drug expansion program must be deposited in the account. The money in the account, which is administered by the department, must be used to expand medicaid prescription drug benefits. Interest on account balances accrues to the account. The purpose of the account is to:

(a) reimburse participating retail pharmacies for the discount on the average wholesale price of prescription drugs provided to qualified residents pursuant to [sections 1 through 7]; and

(b) reimburse the department for contracted services, administrative costs, associated computer costs, professional fees paid to participating retail pharmacies, and other reasonable program costs.

(3) The department shall provide for sufficient personnel to ensure efficient administration of the program. The extent and the magnitude of the program must be determined by the department on the basis of the calculated need of the recipient population and available funds. The department may not spend more on this program than is available through appropriations, federal or other grants, and other established and committed funding sources. The department may accept, for the purposes of carrying out this program, federal funds appropriated under any federal law relating to the furnishing of free or low-cost drugs to disadvantaged, elderly, and disabled individuals, may take action that is necessary for the purposes of carrying out that federal law, and may accept from any other agency of government, individual, group, or corporation funds that may be available to carry out [sections 1 through 7].

(4) The department may adopt rules relating to the conduct of this program. The rules may be based upon rules adopted in other states to administer similar programs.

(5) The department shall adopt rules to establish the discounted price to be charged to participants in the program. The department may establish a discounted price to encourage the use of generic drugs over higher-cost brand-name drugs.

(6) The department shall establish by rule eligibility based upon the applicant’s family income as provided in [section 3]. The total income may not exceed 200% of the federal poverty level. The department may adopt rules defining income. In establishing eligibility based upon income, the department
shall take into account the amount of funding available for the program. The department shall issue enrollment cards to eligible individuals.

(7) Establishment of the prescription drug expansion program is contingent upon approval by the federal government that the program in [sections 1 through 7] will qualify for federal financial participation under federal laws implementing the medicaid program. The department may adopt rules necessary to implement conditions required by federal law or conditions required as part of the federal government’s agreement to waive certain requirements of federal law.

(8) If program costs are expected to exceed the legislative authorization for the program, the department shall adjust discounted prices, the application fee, or eligibility standards to maintain the program within the available funding.

Section 3. Eligibility — income determination. (1) To be eligible for the program, an individual must be:

(a) at least 62 years of age;

(b) 18 years of age or older and determined to be disabled by the federal social security program; or

(c) eligible for mental health services pursuant to 53-21-702(2).

(2) Subject to [section 2(8)], individuals are eligible for the program if the gross household income is at or below the amount set by the department, which may not be more than 200% of the federal poverty level.

Section 4. Specifications for administration of program. (1) The department shall adopt specifications for the administration and management of the program. Specifications may include but are not limited to program objectives, accounting and handling practices, supervisory authority, and an evaluation methodology. The department shall apply for any waivers of federal law that are necessary to implement the program.

(2) Information disclosed by manufacturers during negotiations and all terms and conditions negotiated between the director and manufacturers and all information requested or required under the program must be kept confidential, except as the department determines is necessary to carry out the program. The department shall comply with the budget neutrality provisions required by the United States department of health and human services for the granting of any waivers.

(3) The department may not use access restrictions, supplemental rebates, or a preferred drug list to comply with the budget neutrality provisions when negotiating with the federal government for this waiver. The department may adjust the
requirements and terms of the program to accommodate any new federally funded prescription drug programs.

Section 7. Contracting. The department may contract for the administration of any components of the program, including but not limited to outreach, eligibility, claims, administration, and drug rebate recovery and redistribution.

Section 8. Loan for startup costs. The department of public health and human services may apply for a loan from the board of investments under the revolving loan program provided for in 17-5-1605 to pay the startup costs of the program provided for in [sections 1 through 7].

AN ACT PROVIDING FOR PAY AND BENEFITS FOR STATE EMPLOYEES IN THE STATEWIDE, TEACHERS’, AND BLUE-COLLAR PAY PLANS; PROVIDING SALARY INCREASES; FREEZING THE STATEWIDE PAY SCHEDULE; INCREASING THE EMPLOYER CONTRIBUTION TO THE EMPLOYEE GROUP BENEFITS PROGRAMS; APPROPRIATING FUNDS FOR THE INCREASES AND FOR A PERSONAL SERVICES CONTINGENCY POOL; AMENDING SECTIONS 2-18-301, 2-18-303, 2-18-312, 2-18-313, 2-18-315, AND 2-18-703, MCA; AND PROVIDING AN EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 2-18-301, MCA, is amended to read:

“2-18-301. Purpose and intent of part — rules. (1) The purpose of this part is to provide the market-based compensation necessary to attract and retain competent and qualified employees in order to perform the services that the state is required to provide to its citizens.

(2) It is the intent of the legislature that compensation plans for state employees, excluding those employees excepted under 2-18-103 or 2-18-104 and excluding employees compensated under 2-18-313 and 2-18-315, be based on an analysis of the labor market as provided by the department in a salary survey.
The salary survey must be submitted to the office of budget and program planning as a part of the information required by 17-7-111.

(3) Except as provided in 2-18-110, pay adjustments and pay schedules provided for in 2-18-303 and in 2-18-312, 2-18-313, and 2-18-315 supersede any other plan or systems established through collective bargaining after the adjournment of the 57th 58th legislature.

(4) Pay levels provided for in 2-18-312, 2-18-313, and 2-18-315 may not be increased through collective bargaining after adjournment of the 57th 58th legislature.

(5) Total funds required to implement the pay schedules provided for in 2-18-312, 2-18-313, and 2-18-315 for any employee group or bargaining unit may not be increased through collective bargaining over the amount appropriated by the 57th 58th legislature.

(6) The department shall administer the pay program established by the legislature on the basis of merit, internal equity, and competitiveness to external labor markets when fiscally able.

(7) The department may promulgate rules not inconsistent with the provisions of this part, collective bargaining statutes, or negotiated contracts to carry out the purposes of this part.

(8) Nothing in this part prohibits the board of regents from engaging in negotiations with the collective bargaining units representing the classified staff of the university system.”

Section 2. Section 2-18-303, MCA, is amended to read:

“2-18-303. Procedures for using pay schedules. (1) The pay schedules provided in 2-18-312 must be implemented as follows:

(a) The pay schedules provided in 2-18-312 indicate the entry salary and market salary for each grade for positions classified under the provisions of part 2 of this chapter.

(b) Each employee newly hired by the state of Montana must be hired at the entry rate, except as provided in subsections (6) through (9).

(c) On the first day of the first complete pay period in fiscal year 2002 2004, each employee is entitled to the amount of the employee’s base salary as it was on June 30, 2001 2003.

(d) Effective on the first day of the pay period that includes an employee’s anniversary date during the fiscal years ending June 30, 2002, and June 30, 2003, the employee’s base salary must be increased by 4% or by a lesser amount so that the employee’s base salary after the increase does not exceed the maximum salary of the pay grade as provided in subsection (1)(f). An employee’s base salary increases resulting from subsection (1)(e) and this subsection may not exceed a maximum of 4% in each fiscal year. For employees hired on or before September 30, 1994, the anniversary date is October 1.

(d) Effective on the first day of the first complete pay period that includes January 1, 2005, the base salary of each employee must be increased by an amount equal to 25 cents an hour or by a lesser amount so that the employee’s base salary after the increase does not exceed the maximum salary of the pay grade as provided in subsection (1)(f).

(e) An employee’s base salary may be no less than the entry salary for the employee’s assigned grade.
(f) The maximum salary for each grade is determined by subtracting the entry salary from the market salary and adding that amount to the market salary.

(2) The pay schedules provided in 2-18-312 and the provisions of subsection (1) of this section do not apply to those teachers or blue-collar occupations compensated under the pay schedules provided in 2-18-313 and 2-18-315.

(3) The pay schedules provided in 2-18-313 and 2-18-315 must be implemented as follows:

(a) (i) The pay schedules provided for in 2-18-313 indicate the annual compensation for teachers employed under the authority of the department of corrections or the department of public health and human services for fiscal years 2002–2004 and 2003–2005.

(ii) The compensation of each teacher on July 1, 2001–2003, is the same as it was on June 30, 2001–2003.

(iii) On the first day of the first pay period that includes October 1 of each fiscal year, a teacher employed under the authority of the department of public health and human services or the department of corrections before October 1, 1994, shall advance one step on the appropriate pay schedule adopted in 2-18-313. A teacher hired after October 1, 1994, shall advance on the teacher’s actual anniversary date.

(iii) Effective on the first day of the first complete pay period that includes January 1, 2005, the base salary of each teacher employed in the department of public health and human services and the department of corrections is the amount provided for the teacher’s step and education level under 2-18-313(2). This subsection (3)(a)(iii) does not provide for a step advancement.

(b) The pay schedules provided in 2-18-315 indicate the maximum hourly compensation for fiscal years ending June 30, 2002–2004, and June 30, 2003–2005, for employees in apprentice trades and crafts and other blue-collar occupations recognized in the state blue-collar classification plan who are members of units that have collectively bargained separate classification and pay plans.

(c) The compensation of each employee on the first day of the first pay period in each fiscal year is that amount corresponding to the grade occupied on the last day of the preceding fiscal year.

(4) (a) (i) If the legislature authorizes a pay increase for state employees, a member of a bargaining unit may not receive a pay increase until the employer’s collective bargaining representative receives written notice that the employee’s bargaining unit has ratified a completely integrated collective bargaining agreement covering the biennium ending June 30, 2003.

(ii) If ratification of a completely integrated collective bargaining agreement, as required by subsection (4)(a)(i), is not completed by July 1, 2004 the date on which a legislatively authorized pay increase is implemented, retroactivity to that date may be negotiated.

(iii) If ratification of a completely integrated collective bargaining agreement, as required by subsection (4)(a)(i), is not completed by July 1, 2004 the date on which a legislatively authorized pay increase is implemented, members of the bargaining unit must continue to receive the compensation that they were receiving as of June 30, 2001, until an agreement is ratified.
(b) Methods of administration not inconsistent with the purpose of this part and necessary to properly implement the pay schedules and adjustments provided in 2-18-312, 2-18-313, 2-18-315, and this section may be provided for in collective bargaining agreements.

(5) The current wage or salary of an employee may not be reduced by the implementation of the pay schedules provided for in 2-18-312, 2-18-313, and 2-18-315.

(6) The department may authorize a separate pay schedule for classes of medical professionals if the rates provided in 2-18-312 are not sufficient to attract and retain fully licensed and qualified professionals.

(7) (a) The department may develop and implement an alternative pay and classification plan for certain classes, occupations, and work units. Pay for employees in the alternative pay and classification plan may be established and changed based on demonstrated competencies and accomplishments, on the labor market, and on other situations defined by the department.

(b) To the extent that the plan applies to employees within a collective bargaining unit, the implementation of the plan is a negotiable subject under 39-31-305.

(8) The department may develop programs that enable the department to mitigate problems associated with difficult recruitment, retention, transfer, or other exceptional circumstances. To the extent that the program applies to employees within a collective bargaining unit, it is a negotiable subject under 39-31-305.

(9) The department shall review the competitiveness of the compensation provided to all occupations under this part. If the department finds that substantial problems exist with recruitment and retention because of inadequate salaries when compared to competing employers, the department may establish criteria allowing an adjustment in pay or classification to mitigate the problems. To the extent that these adjustments apply to employees within a collective bargaining unit, the implementation of these adjustments is a negotiable subject under 39-31-305.’’

A portion of the employer contribution for group benefits may be applied to an employee's costs for participation in Part B of medicare under Title XVIII of the Social Security Act.”

(3) For employees of elementary and high school districts and of local government units, the employer’s premium contributions may exceed but may not be less than $10 a month. Subject to the public hearing requirement provided in 2-9-212(2)(b), the increase in a local government’s property tax levy for premium contributions for group benefits beyond the amount of contributions in effect on July 1, 1999, is not subject to the mill levy calculation limitation provided for in 15-10-420.

(4) Unused employer contributions for any state employee must be transferred to an account established for this purpose by the department of administration and upon transfer may be used to offset losses occurring to the group of which the employee is eligible to be a member.

(5) Unused employer contributions for any government employee may be transferred to an account established for this purpose by a self-insured government and upon transfer may be used to offset losses occurring to the group of which the employee is eligible to be a member or to increase the reserves of the group.

(6) The laws prohibiting discrimination on the basis of marital status in Title 49 do not prohibit bona fide group insurance plans from providing greater or additional contributions for insurance benefits to employees with dependents than to employees without dependents or with fewer dependents.”
